Businesses and nonprofit organizations located in a county adjacent to Puget Sound with a population of more than seven hundred thousand that have never offered transit subsidies to employees are eligible to apply to the program for a fifty percent rebate on the cost of employee transit subsidies provided through the regional ORCA fare collection system. No single business or nonprofit organization may receive more than ten thousand dollars from the program.

(1) Except as provided otherwise in this section, the entire connecting Washington account—state appropriation and the entire transportation partnership account—state appropriation are provided solely for the projects and activities as listed by fund, project, and amount in LEAP Transportation Document ~~((2019-4))~~ 2020-1 as developed ~~((April 27, 2019))~~ February 25, 2020, Program - Highway Improvements Program (I). However, limited transfers of specific line-item project appropriations may occur between projects for those amounts listed subject to the conditions and limitations in section 601 of this act.

(2) Except as provided otherwise in this section, the entire motor vehicle account—state appropriation and motor vehicle account—federal appropriation are provided solely for the projects and activities listed in LEAP Transportation Document ~~((2019-2))~~ 2020-2 ALL PROJECTS as developed ~~((April 27, 2019))~~ February 25, 2020, Program - Highway Improvements Program (I). Any federal funds gained through efficiencies, adjustments to the federal funds forecast, additional congressional action not related to a specific project or purpose, or the federal funds redistribution process must then be applied to highway and bridge preservation activities or fish passage barrier corrections (OBI4001).

(3) Within the motor vehicle account—state appropriation and motor vehicle account—federal appropriation, the department may transfer funds between programs I and P, except for funds that are otherwise restricted in this act. Ten days prior to any transfer, the department must submit its request to the office of financial management and the transportation committees of the legislature and consider any concerns raised. The department shall submit a report on fiscal year funds transferred in the prior fiscal year using this subsection as part of the department's annual budget submittal.

(4) The connecting Washington account—state appropriation includes up to ~~(((\$1,519,899,000))~~ \$1,809,342,000 in proceeds from the sale of bonds authorized in RCW 47.10.889.

It is the intent of the legislature that the \$25,000,000 increase in funding provided in the 2021-2023 fiscal biennium be covered by any legal damages paid to the state as a result of a lawsuit related to contractual provisions for construction and delivery of the Alaskan Way viaduct replacement project. The legislature intends that the \$25,000,000 of the transportation partnership account—state funds be repaid when those damages are recovered.

2132), Laws of 2019, by June 30, 2019, \$21,000,000 of the Interstate 405 express toll lanes operations account—state appropriation provided in this subsection lapses, and it is the intent of the legislature to reduce the Interstate 405 express toll lanes operations account—state appropriation in the 2021-2023 biennium to \$5,000,000, and in the 2023-2025 biennium to \$0 on the list referenced in subsection (2) of this section.)

((13)) (12)(a) (((\$395,822,000)) \$422,099,000 of the connecting Washington account—state appropriation(;\$60,000 of the motor vehicle account—state appropriation,)) and (((\$342,000)) \$456,000 of the motor vehicle account—private/local appropriation are provided solely for the SR 520 Seattle Corridor Improvements - West End project (M00400R).

(b) Recognizing that the department of transportation requires full possession of parcel number 1-23190 to complete the Montlake Phase of the West End project, the department is directed to:

(i) Work with the operator of the Montlake boulevard market located on parcel number 1-23190 to negotiate a lease allowing continued operations up to January 1, 2020. After that time, the department shall identify an area in the vicinity of the Montlake property for a temporary market or other food service to be provided during the period of project construction. Should the current operator elect not to participate in providing that temporary service, the department shall then develop an outreach plan with the city to solicit community input on the food services provided, and then advertise the opportunity to other potential vendors. Further, the department shall work with the city of Seattle and existing permit processes to facilitate vendor access to and use of the area in the vicinity of the Montlake property.

(ii) Upon completion of the Montlake Phase of the West End project (current anticipated contract completion of 2023), WSDOT shall sell that portion of the property not used for permanent transportation improvements and initiate a process to convey that surplus property to a subsequent owner.

(c) \$60,000 of the motor vehicle account—state appropriation is provided solely for grants to nonprofit organizations located in a city with a population exceeding six hundred thousand persons and that empower artists through equitable access to vital expertise, opportunities, and business services. Funds may be used only for the purpose of preserving, commemorating, and sharing the history of the city of Seattle's freeway protests and making the history of activism around the promotion of more integrated transportation and land use planning accessible to current and future generations through the preservation of Bent 2 of the R. H. Thompson freeway ramp.

((14)) (13) It is the intent of the legislature that for the I-5 JBLM Corridor Improvements project (M00100R), the department shall actively pursue \$50,000,000 in federal funds to pay for this project to supplant state funds in the future. \$50,000,000 in connecting Washington account funding must be held in unallotted status during the 2021-2023 fiscal biennium. These funds may only be used after the department has provided notice to the office of financial

management that it has exhausted all efforts to secure federal funds from the federal highway administration and the department of defense.

((15) \$265,100,000)) (14) \$310,469,000 of the connecting Washington account—state appropriation is provided solely for the SR 167/SR 509 Puget Sound Gateway project (M00600R).

(a) Any savings on the project must stay on the Puget Sound Gateway corridor until the project is complete.

(b) Proceeds from the sale of any surplus real property acquired for the purpose of building the SR 167/SR 509 Puget Sound Gateway (M00600R) project must be deposited into the motor vehicle account for the purpose of constructing the project.

(c) In making budget allocations to the Puget Sound Gateway project, the department shall implement the project's construction as a single corridor investment. The department shall develop a coordinated corridor construction and implementation plan for state route number 167 and state route number 509 in collaboration with affected stakeholders. Specific funding allocations must be based on where and when specific project segments are ready for construction to move forward and investments can be best optimized for timely project completion. Emphasis must be placed on avoiding gaps in fund expenditures for either project.

(d) It is the legislature's intent that the department shall construct a full single-point urban interchange at the junction of state route number 161 (Meridian avenue) and state route number 167 and a full single-point urban interchange at the junction of state route number 509 and 188th Street. If the department receives additional funds from an outside source for this project after the base project is fully funded, the funds must first be applied toward the completion of these two full single-point urban interchanges.

(e) In designing the state route number 509/state route number 516 interchange component of the SR 167/SR 509 Puget Sound Gateway project (M00600R), the department shall make every effort to utilize the preferred "4B" design.

(f) The department shall explore the development of a multiuse trail for bicyclists, pedestrians, skateboarders, and similar users along the SR 167 right-of-way acquired for the project to connect a network of new and existing trails from Mount Rainier to Point Defiance Park.

(g) If sufficient bonding authority to complete this project is not provided within chapter 421 ((Engrossed Substitute Senate Bill No. 5825))), Laws of 2019 (addressing tolling) or chapter . . . (House Bill No. 2132), Laws of 2019 (addressing tolling), or within a bond authorization act referencing chapter 421 ((Engrossed Substitute Senate Bill No. 5825))), Laws of 2019 or chapter . . . (House Bill No. 2132), Laws of 2019, by June 30, 2019, it is the intent of the legislature to return the Puget Sound Gateway project (M00600R) to its previously identified construction schedule by moving \$128,900,000 in connecting Washington account—state appropriation back to the 2027-2029 biennium from the 2023-2025 biennium on the list

referenced in subsection (2) of this section. If sufficient bonding authority is provided, it is the intent of the legislature to advance the project to allow for earlier completion and inflationary savings.

~~((46))~~ (15) It is the intent of the legislature that, for the I-5/North Lewis County Interchange project (L2000204), the department develop and design the project with the objective of significantly improving access to the industrially zoned properties in north Lewis county. The design must consider the county's process of investigating alternatives to improve such access from Interstate 5 that began in March 2015.

~~((48))~~ ~~\$950,000~~ (16) \$1,029,000 of the transportation partnership account—state appropriation is provided solely for the U.S. 2 Trestle IJR project (L1000158).

~~((49))~~ (17) The department shall itemize all future requests for the construction of buildings on a project list and submit them through the transportation executive information system as part of the department's annual budget submittal. It is the intent of the legislature that new facility construction must be transparent and not appropriated within larger highway construction projects.

~~((20))~~ (18) Any advisory group that the department convenes during the 2019-2021 fiscal biennium must consider the interests of the entire state of Washington.

~~((24))~~ (19) The legislature finds that there are sixteen companies involved in wood preserving in the state that employ four hundred workers and have an annual payroll of fifteen million dollars. Before the department's switch to steel guardrails, ninety percent of the twenty-five hundred mile guardrail system was constructed of preserved wood and one hundred ten thousand wood guardrail posts were produced annually for state use. Moreover, the policy of using steel posts requires the state to use imported steel. Given these findings, where practicable, and until June 30, 2021, the department shall include the design option to use wood guardrail posts, in addition to steel posts, in new guardrail installations. The selection of posts must be consistent with the agency design manual policy that existed before December 2009.

~~((22))~~ (20)(a) For projects funded as part of the 2015 connecting Washington transportation package listed on the LEAP transportation document identified in subsection (1) of this section, if the department expects to have substantial reappropriations for the 2021-2023 fiscal biennium, the department may, on a pilot basis, apply funding from a project in this section with an appropriation that cannot be used for the current fiscal biennium to advance one or more of the following projects:

(i) I-82 Yakima - Union Gap Economic Development Improvements (T21100R);

(ii) I-5 Federal Way - Triangle Vicinity Improvements (T20400R); or

(iii) SR 522/Paradise Lk Rd Interchange & Widening on SR 522 (Design/Engineering) (NPARADI).

(b) At least ten business days before advancing a project pursuant to this subsection, the department must notify the office of financial management and the transportation committees of the legislature. The advancement of a project may not hinder the delivery of the projects for which the reappropriations are necessary for the 2021-2023 fiscal biennium.

(c) For connecting Washington projects that have already begun and are eligible for the authority granted in section 601 of this act, the department shall prioritize advancing the following projects if expected reappropriations become available:

(i) SR 14/I-205 to SE 164th Ave - Auxiliary Lanes (L2000102);

(ii) SR 305 Construction - Safety Improvements (N30500R);

(iii) SR 14/Bingen Underpass (L2220062);

(iv) I-405/NE 132nd Interchange - Totem Lake (L1000110);

(v) US Hwy 2 Safety (N00200R);

(vi) US-12/Walla Walla Corridor Improvements (T20900R);

(vii) I-5 JBLM Corridor Improvements (M00100R);

(viii) I-5/Slater Road Interchange - Improvements (L1000099);

(ix) SR 510/Yelm Loop Phase 2 (T32700R); or

(x) SR 520/124th St Interchange (Design and Right of Way) (L1000098).

(d) To the extent practicable, the department shall use the flexibility and authority granted in this section and in section 601 of this act to minimize the amount of reappropriations needed each biennium.

~~((23))~~ (21) The legislature continues to prioritize the replacement of the state's aging infrastructure and recognizes the importance of reusing and recycling construction aggregate and recycled concrete materials in our transportation system. To accomplish Washington state's sustainability goals in transportation and in accordance with RCW 70.95.805, the legislature reaffirms its determination that recycled concrete aggregate and other transportation building materials are natural resource construction materials that are too valuable to be wasted and landfilled, and are a commodity as defined in WAC 173-350-100.

Further, the legislature determines construction aggregate and recycled concrete materials substantially meet widely recognized international, national, and local standards and specifications referenced in American society for testing and materials, American concrete institute, Washington state department of transportation, Seattle department of transportation, American public works association, federal aviation administration, and federal highway administration specifications, and are described as necessary and desirable products for recycling and reuse by state and federal agencies.

As these recyclable materials have well established markets, are substantially a primary or secondary product of necessary construction processes and production, and are managed as an item of commercial value, construction aggregate and recycled concrete materials are exempt from chapter 173-350 WAC.

~~((24))~~ (22)(a) \$17,500,000 of the motor vehicle account—state appropriation is provided solely for staffing of a project office to replace the Interstate 5 bridge across the Columbia river (G2000088). If at least a \$9,000,000 transfer is not authorized in section 406(29) ~~((of this act))~~, chapter 416, Laws of 2019, then \$9,000,000 of the motor vehicle account—state appropriation lapses.

(b) Of the amount provided in this subsection, \$7,780,000 of the motor vehicle account—state appropriation must be placed in unallotted status by the office of financial management until the department develops a detailed plan for the work of this project office in consultation with the chairs and ranking members of the transportation committees of the legislature. The director of the office of financial management shall consult with the chairs and ranking members of the transportation committees of the legislature prior to making a decision to allot these funds.

(c) The work of this project office includes, but is not limited to, the reevaluation of the purpose and need identified for the project previously known as the Columbia river crossing, the reevaluation of permits and development of a finance plan, the reengagement of key stakeholders and the public, and the reevaluation of scope, schedule, and budget for a reinvigorated bistate effort for replacement of the Interstate 5 Columbia river bridge. When reevaluating the finance plan for the project, the department shall assume that some costs of the new facility may be covered by tolls. The project office must also study the possible different governance structures for a bridge authority that would provide for the joint administration of the bridges over the Columbia river between Oregon and Washington. As part of this study, the project office must examine the feasibility and necessity of an interstate compact in conjunction with the national center for interstate compacts.

(d) Within the amount provided in this subsection, the department must implement chapter 137 ~~((Engrossed Substitute House Bill No. 1994))~~, Laws of 2019 (projects of statewide significance).

(e) The department shall have as a goal to:

(i) Reengage project stakeholders and reevaluate the purpose and need and environmental permits by July 1, 2020;

(ii) Develop a finance plan by December 1, 2020; and

(iii) Have made significant progress toward beginning the supplemental environmental impact statement process by June 30, 2021. The department shall aim to provide a progress report on these activities to the governor and the transportation committees of the legislature by December 1, 2019, and a final report to the governor and the

transportation committees of the legislature by December 1, 2020.

~~((25))~~ (23) \$17,500,000 of the motor vehicle account—state appropriation is provided solely to begin the pre-design phase on the I-5/Columbia River Bridge project (G2000088); however, if at least \$50,000,000 is not made available, by means of transfer, deposit, appropriation, or other similar conveyance, to the motor vehicle account for stormwater-related activities through the enactment of chapter 422 ~~((Engrossed Substitute Senate Bill No. 5993))~~, Laws of 2019 (model toxics control program reform) by June 30, 2019, the amount provided in this subsection lapses.

(b) Of the amounts provided in this subsection, \$320,000 of the connecting Washington account—state appropriation is provided solely to remove the fish passage barrier on state route number 6 that interfaces with Boistfort Valley water utilities near milepost 46.6.

(c) The department shall coordinate with the Brian Abbott fish passage barrier removal board to use a watershed approach to maximize habitat gain by replacing both state and local culverts. The department shall deliver high habitat value fish passage barrier corrections that it has identified, guided by the following factors: Opportunity to bundle projects, ability to leverage investments by others, presence of other barriers, project readiness, other transportation projects in the area, and transportation impacts.

(d) The department must keep track of, for each barrier removed: (i) The location; (ii) the amount of fish habitat gain; and (iii) the amount spent to comply with the injunction.

(e) It is the intent of the legislature that for the amount listed for the 2021-2023 biennium for the Fish Barriers project (G2000091) on the LEAP list referenced in subsection (1) of this section, that accrued practical design savings deposited in the transportation future funding program account be used to help fund the cost of fully complying with the court injunction by 2030.

The connecting Washington account appropriation for the improvements that fall within the city of Liberty Lake may only be expended if the city of Liberty Lake agrees to cover any project costs within the city of Liberty Lake above the \$20,900,000 of state appropriation

**FUND TRANSFERS**

(1) The 2005 transportation partnership projects or improvements and 2015 connecting Washington projects or improvements are listed in the LEAP Transportation Document ((2019-1)) 2020-1 as developed ((April 27, 2019)) February 25, 2020, which consists of a list of specific projects by fund source and amount over a sixteen-year period. Current fiscal biennium funding for each project is a line-item appropriation, while the outer year funding allocations represent a sixteen-year plan. The department of transportation is expected to use the flexibility provided in this section to assist in the delivery and completion of all transportation partnership account and connecting Washington account projects on the LEAP transportation document referenced in this subsection. For the 2019-2021 project appropriations, unless otherwise provided in this act, the director of the office of financial management may provide written authorization for a transfer of appropriation authority between projects funded with transportation partnership account appropriations or connecting Washington account appropriations to manage project spending and efficiently deliver all projects in the respective program under the following conditions and limitations:

(a) Transfers may only be made within each specific fund source referenced on the respective project list;

(b) Transfers from a project may not be made as a result of the reduction of the scope of a project or be made to support increases in the scope of a project;

(c) Transfers from a project may be made if the funds appropriated to the project are in excess of the amount needed in the current fiscal biennium;

(d) Transfers may not occur for projects not identified on the applicable project list;

(e) Transfers may not be made while the legislature is in session;

(f) Transfers to a project may not be made with funds designated as attributable to practical design savings as described in RCW 47.01.480;

(g) Each transfer between projects may only occur if the director of the office of financial management finds that any resulting change will not hinder the completion of the projects as approved by the legislature. Until the legislature reconvenes to consider the 2020 supplemental omnibus

transportation appropriations act, any unexpended 2017-2019 appropriation balance as approved by the office of financial management, in consultation with the chairs and ranking members of the house of representatives and senate transportation committees, may be considered when transferring funds between projects; and

(h) Transfers between projects may be made by the department of transportation without the formal written approval provided under this subsection (1), provided that the transfer amount does not exceed two hundred fifty thousand dollars or ten percent of the total project, whichever is less. These transfers must be reported quarterly to the director of the office of financial management and the chairs of the house of representatives and senate transportation committees.

(2) The department of transportation must submit quarterly all transfers authorized under this section in the transportation executive information system. The office of financial management must maintain a legislative baseline project list identified in the LEAP transportation documents referenced in this act, and update that project list with all authorized transfers under this section.

(3) At the time the department submits a request to transfer funds under this section, a copy of the request must be submitted to the chairs and ranking members of the transportation committees of the legislature.

(4) Before approval, the office of financial management shall work with legislative staff of the house of representatives and senate transportation committees to review the requested transfers in a timely manner and consider any concerns raised by the chairs and ranking members of the transportation committees.

(5) No fewer than ten days after the receipt of a project transfer request, the director of the office of financial management must provide written notification to the department of any decision regarding project transfers, with copies submitted to the transportation committees of the legislature.

(6) The department must submit annually as part of its budget submittal a report detailing all transfers made pursuant to this section.

The report must address each modal category separately and identify if eighteenth amendment protected funds have been used and, if not, the source of funding.

(2) To facilitate the report in subsection (1) of this section, the department of transportation must require that

all bids on connecting Washington projects include an estimate on the cost to implement any transit, bicycle, or pedestrian project elements.

(b) The office of the chief information officer must review, and, if necessary, revise the proposed project to ensure it is flexible and adaptable to advances in technology;

The office of the state chief information officer must report on July 1st and December 1st each calendar year, beginning July 1, 2020, any suspension or termination of a project in the previous six month period to legislative fiscal committees.

(10) The office of the state chief information officer, in consultation with the office of financial management, may identify additional projects to be subject to this section, including projects that are not separately identified within an agency budget. Such evaluation should include an assessment of whether decisions to "contract out" government services to the private sector are achieving their stated objectives. In addition, it is the intent of the legislature to ensure that public contractors given access to state resources are held to ethical standards consistent with public values.

The legislature finds that prior to July 1, 2005, state agencies and institutions of higher education were prohibited from contracting out for services regularly and historically provided by classified state employees. Effective July 1, 2005, the personnel system reform act of 2002 lifted the prohibition, authorizing state agencies and institutions of higher education to contract out for services customarily and historically provided by classified state employees. It is therefore the intent of the legislature that this act be applied only to government services that, on or after July 1, 2005, have been customarily and historically performed by state employees in the classified service under chapter 41.06 RCW.

**Sec. 814.** RCW 41.06.142 and 2011 1st sp.s. c 43 s 408 are each amended to read as follows:

(1) If any department, agency, or institution of higher education (~~((may purchase))~~) intends to contract for services(~~(; including services)~~) that, on or after July 1, 2005, have been customarily and historically provided by employees in the classified service under this chapter, a department, agency, or institution of higher education may do so by contracting with individuals, nonprofit organizations, businesses, employee business units, or other entities if the following criteria are met:

(a) A comprehensive impact assessment is completed by the agency, department, or institution of higher education to assist it in determining whether the decision to contract out is beneficial.

(i) The comprehensive impact assessment must include at a minimum the following analysis:

(A) An estimate of the cost of performance of the service by employees, including the fully allocated costs of the service, the cost of the employees' salaries and benefits, space, equipment, materials, and other costs necessary to perform the function. The estimate must not include the state's indirect overhead costs unless those costs can be attributed directly to the function in question and would not exist if that function were not performed in state service;

(B) An estimate of the cost of performance of the services if contracted out, including the cost of administration of the program and allocating sufficient employee staff time and resources to monitor the contract and ensure its proper performance by the contractor;

(C) The reason for proposing to contract out, including the objective the agency would like to achieve; and

(D) The reasons for the determination made under (e) of this subsection.

(ii) When the contract will result in termination of state employees or elimination of state positions, the comprehensive impact assessment may also include an assessment of the potential adverse impacts on the public from outsourcing the contract, such as loss of employment, effect on social services and public assistance programs, economic impacts on local businesses and local tax revenues, and environmental impacts;

(b) The invitation for bid or request for proposal contains measurable standards for the performance of the contract;

~~((b))~~ (c) Employees (~~((in the classified service))~~) whose positions or work would be displaced by the contract are provided an opportunity to offer alternatives to purchasing services by contract and, if these alternatives are not accepted, compete for the contract under competitive contracting procedures in subsection ~~((4))~~ (7) of this section;

~~((c)) The contract with an entity other than an employee business unit includes a provision requiring the entity to consider employment of state employees who may be displaced by the contract;~~

(d) The department, agency, or institution of higher education has established a contract monitoring process to measure contract performance, costs, service delivery quality, and other contract standards, and to cancel contracts that do not meet those standards; and

(e) The department, agency, or institution of higher education has determined that the contract results in savings or efficiency improvements. The contracting agency, department, or institution of higher education must consider the consequences and potential mitigation of improper or failed performance by the contractor.

(2)(a) The agency, department, or institution of higher education must post on its web site the request for proposal, the contract or a statement that the agency, department, or institution of higher education did not move forward with contracting out, and the comprehensive impact assessment pursuant to subsection (1) of this section.

(b) The agency, department, or institution of higher education must maintain the information in (a) of this subsection in its files in accordance with the record retention schedule under RCW 40.14.060.

(3) Every five years or upon completion of the contract, whichever comes first, the agency, department, or institution of higher education must prepare and maintain in the contract file a report, which must include at a minimum the following information:

(a) Documentation of the contractor's performance as measured by the itemized performance standards;

(b) Itemization of any contract extensions or change orders that resulted in a change in the dollar value or cost of the contract; and

(c) A report of any remedial actions that were taken to enforce compliance with the contract, together with an estimate of the cost incurred by the agency, department, or institution of higher education in enforcing such compliance.

(4) In addition to any other terms required by law, the terms of any agreement to contract out a service pursuant to this section must include terms that address the following:

(a) The contract's contract management provision must allow review of the contractor's performance;

(b) The contract's termination clauses must allow termination of the contract if the contractor fails to meet the terms of the contract, including failure to meet performance standards or failure to provide the services at the contracted price;

(c) The contract's damages provision must allow recovery of direct damages and, when applicable, indirect damages that the agency, department, or institution of higher education incurs due to the contractor's breach of the agreement;

(d) If the contractor will be using a subcontractor for performance of services under the contract, the contract must allow the agency, department, or institution of higher education to obtain information about the subcontractor, as applicable to the performance of services under the agreement; and

(e) A provision requiring the contractor to consider employment of employees who may be displaced by the contract, if the contract is with an entity other than an employee business unit.

(5) Any provision contrary to or in conflict with this section in any collective bargaining agreement in effect on July 1, 2005, is not effective beyond the expiration date of the agreement.

~~((3)) Contracting for services that is expressly mandated by the legislature or was authorized by law prior to July 1, 2005, including contracts and agreements between public entities, shall not be subject to the processes set forth in subsections (1), (4), and (5) of this section))~~ (6) When contracting out for services as authorized in this section the agency, department, or institution of higher education must ensure firms adhere to the values of the state of Washington under RCW 49.60.030, which provide its citizens freedom from discrimination. Any relationship with a potential or current industry partner that is found to have violated RCW 49.60.030 by the attorney general shall not be considered and must be immediately terminated unless:

(a) The industry partner has fulfilled the conditions or obligations associated with any court order or settlement resulting from that violation; or

(b) The industry partner has taken significant and meaningful steps to correct the violation, as determined by the Washington state human rights commission.

~~((4))~~ (7) Competitive contracting shall be implemented as follows:

(a) At least ninety days prior to the date the contracting agency, department, or institution of higher education requests bids from private entities for a contract for services provided by ~~((classified))~~ employees, the contracting agency, department, or institution of higher education shall notify the ~~((classified))~~ employees whose positions or work would be displaced by the contract. The employees shall have sixty days from the date of notification to offer alternatives to purchasing services by contract, and the agency, department, or institution of higher education shall consider the alternatives before requesting bids.

(b) If the employees decide to compete for the contract, they shall notify the contracting agency, department, or institution of higher education of their decision. Employees must form one or more employee business units for the purpose of submitting a bid or bids to perform the services.

(c) The department of enterprise services, with the advice and assistance of the office of financial management, shall develop and make available to employee business units training in the bidding process and general bid preparation.

(d) The director of enterprise services, with the advice and assistance of the office of financial management, shall, by rule, establish procedures to ensure that bids are submitted and evaluated in a fair and objective manner and that there exists a competitive market for the service. Such rules shall include, but not be limited to: (i) Prohibitions against participation in the bid evaluation process by employees who prepared the business unit's bid or who perform any of the services to be contracted; (ii) provisions to ensure no bidder receives an advantage over other bidders and that bid requirements are applied equitably to all parties; and (iii) procedures that require the contracting agency, department, or institution of higher education to receive complaints regarding the bidding process and to consider them before awarding the contract. Appeal of an agency's, department's, or institution of higher education's actions under this subsection is an adjudicative proceeding and subject to the applicable provisions of chapter 34.05 RCW, the administrative procedure act, with the final decision to be rendered by an administrative law judge assigned under chapter 34.12 RCW.

(e) An employee business unit's bid must include the fully allocated costs of the service, including the cost of the employees' salaries and benefits, space, equipment, materials, and other costs necessary to perform the function. An employee business unit's cost shall not include the state's indirect overhead costs unless those costs can be attributed directly to the function in question and would not exist if that function were not performed in state service.

(f) A department, agency, or institution of higher education may contract with the department of enterprise services to conduct the bidding process.

~~((5))~~ (8)(a) As used in this section:

~~((a))~~ (i) "Employee business unit" means a group of employees who perform services to be contracted under this section and who submit a bid for the performance of those services under subsection ~~((4))~~ (7) of this section.

~~((c))~~ (iii) "Competitive contracting" means the process by which ~~((classified))~~ employees of a department, agency, or institution of higher education compete with businesses, individuals, nonprofit organizations, or other entities for contracts authorized by subsection (1) of this section.

~~((6))~~ (b) Unless otherwise specified, for the purpose of this act, "employee" means state employees in the classified service under this chapter except employees in the Washington management service as defined under RCW 41.06.022 and 41.06.500.

(9) The processes set forth in subsections (1)(a), (2), (3), and (4)(a) through (d) of this section do not apply to contracts:

(a) Awarded for the purposes of or by the department of transportation;

(b) With an estimated cost of contract performance of twenty thousand dollars or less;

(c) With an estimated cost of contract performance that exceeds five hundred thousand dollars for public work as defined by RCW 39.04.010; or

(10) The processes set forth in subsections (1)(~~5~~), ~~through (4), (7), and ((5))~~ (8) of this section do not apply to:

(a) RCW 74.13.031(~~(5))~~ (6);

(b) The acquisition of printing services by a state agency; and

(c) ~~((Contracting for services or activities by the department of enterprise services under RCW 43.19.008 and the department may continue to contract for such services and activities after June 30, 2018))~~ Contracts for services expressly mandated by the legislature, including contracts for fire suppression awarded by the department of natural resources under RCW 76.04.181, or authorized by law prior to July 1, 2005, including contracts and agreements between public entities.

(a) Contracting for services and activities that are necessary to establish, operate, or manage the state data center, including architecture, design, engineering, installation, and operation of the facility that are approved by the technology services board created in RCW ((43.41A.070)) 43.105.285.

(b) Contracting for services and activities recommended by the chief information officer through a business plan and approved by the technology services board created in RCW ((43.41A.070)) 43.105.285.

**Sec. 815.** RCW 39.26.200 and 2017 3rd sp.s. c 1 s 996 are each amended to read as follows:

(1)(a) The director shall provide notice to the contractor of the director's intent to either fine or debar with the specific reason for either the fine or debarment. The

department must establish the debarment and fining processes by rule.

(b) After reasonable notice to the contractor and reasonable opportunity for that contractor to be heard, the director has the authority to debar a contractor for cause from consideration for award of contracts. The debarment must be for a period of not more than three years.

(2) The director may either fine or debar a contractor based on a finding of one or more of the following causes:

(a) Conviction for commission of a criminal offense as an incident to obtaining or attempting to obtain a public or private contract or subcontract, or in the performance of such contract or subcontract;

(b) Conviction or a final determination in a civil action under state or federal statutes of fraud, embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, violation of the federal false claims act, 31 U.S.C. Sec. 3729 et seq., or the state medicaid fraud false claims act, chapter 74.66 RCW, or any other offense indicating a lack of business integrity or business honesty that currently, seriously, and directly affects responsibility as a state contractor;

(c) Conviction under state or federal antitrust statutes arising out of the submission of bids or proposals;

(d) Two or more violations within the previous five years of the ~~((federal))~~ national labor relations act as determined by the national labor relations board or court of competent jurisdiction;

(i) Deliberate failure without good cause to perform in accordance with the specifications or within the time limit provided in the contract; or

(ii) A recent record of failure to perform or of unsatisfactory performance in accordance with the terms of one or more contracts, however the failure to perform or unsatisfactory performance caused by acts beyond the control of the contractor may not be considered to be a basis for debarment;

(f) Violation of ethical standards set forth in RCW 39.26.020;

(g) Any other cause the director determines to be so serious and compelling as to affect responsibility as a state contractor, including debarment by another governmental entity for any cause listed in regulations; and

(3) The director must issue a written decision to debar. The decision must:

(a) State the reasons for the action taken; and

(g) Criteria for contract amendments;

(h) Postcontract procedures;

(i) Procedures and criteria for terminating contracts for cause or otherwise, including procedures and criteria for terminating performance-based contracts that are not achieving performance standards; ((and))

(j) A requirement that agencies, departments, and institutions of higher education monitor performance-based contracts, including contracts awarded pursuant to RCW 41.06.142, to ensure that all aspects of the contract are being properly performed and that performance standards are being achieved; and

(k) Any other subject related to effective and efficient contract management.

(2) An agency may not enter into a contract under which the contractor could charge additional costs to the agency, the department, the joint legislative audit and review committee, or the state auditor for access to data generated under the contract. A contractor under such a contract must provide access to data generated under the contract to the contracting agency, the joint legislative audit and review committee, and the state auditor.

(3) To the extent practicable, agencies should enter into performance-based contracts. Performance-based contracts identify expected deliverables and performance measures or outcomes. Payment for goods and services under performance-based contracts should be contingent on the contractor achieving performance outcomes.

(4) An agency and contractor may execute a contract using electronic signatures.

(5) As used in subsection (2) of this section, "data" includes all information that supports the findings, conclusions, and recommendations of the contractor's reports, including computer models and the methodology for those models.

### MESSAGE FROM THE SENATE

March 5, 2020

Madame Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1783 with the following amendment:

818.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that the population of Washington state has become increasingly diverse over the last several decades. The legislature also finds that as the demographics of our state change, historically and currently marginalized communities still do not have the same opportunities to meet parity as their nonmarginalized counterparts across nearly every measure including education, poverty, employment, health, and more. Inequities based on race, ethnicity, gender, and other characteristics continue to be deep, pervasive, and persistent, and they come at a great economic and social cost. When individuals face barriers to achieving their full potential, the impact is felt by the individual, their communities, businesses, governments, and the economy as a whole in the form of lost wages, avoidable public expenditures, and more. This includes social ramifications that emerging technology, such as artificial intelligence and facial recognition technology, may have on historically and currently marginalized communities. It is the intent of the legislature to review these emerging technologies either already in use by agencies or before their launch by agencies if not already in use and make recommendations regarding agency use to ensure that the technology is used in a manner that benefits society and does not have disparate negative impacts on historically and currently marginalized communities or violate their civil rights. It is further intended that the office should collaborate with other state efforts in this regard.

The legislature finds that a more inclusive Washington is possible if agencies identify and implement effective

strategies to eliminate systemic inequities. The legislature recognizes that different forms of discrimination and oppression are related to each other, and these relationships need to be taken into account.

The legislature finds that over the years, significant strides have been made within agencies to address the disparate outcomes faced by historically and currently marginalized communities. While these efforts have yielded positive work, the legislature finds that the work happening in agencies is fragmented across state government. Additionally, smaller agencies may not have the resources necessary to identify and implement policies to address systemic inequities. Furthermore, the legislature finds that the commission on African American affairs, the commission on Asian Pacific American affairs, the commission on Hispanic affairs, the governor's office of Indian affairs, the LGBTQ commission, the women's commission, and the human rights commission each play an important and integral role by serving as a voice for their respective communities and linking state government to these communities. The office is distinct from the commissions because it will serve as the state's subject matter expert on diversity, equity, and inclusion to state agencies and will provide technical assistance and support to agencies while each agency implements its individual equity plan. The office is not duplicative of the commissions, rather it is the intent of the legislature that the office will work in collaboration with the commissions. It is not the legislature's intent to eliminate the commissions or to reduce funding to the commissions by creating the office. Instead, it is the intent of the legislature that the office and the commissions shall work in a complementary manner with each other, support each other's work, jurisdictions, and missions, and adequately fund the commissions and the office as they take on their new complementary roles.

The legislature finds that state government must identify and coordinate effective strategies that focus on eliminating systemic barriers for historically and currently marginalized groups. To support this objective, an office of equity will provide a unified vision around equity for all state agencies. The office will assist government agencies to promote diversity, equity, and inclusion in all aspects of their decision making, including but not limited to services, programming, policy development, budgeting, and staffing. Doing so will foster a culture of accountability within state government that promotes opportunity for marginalized communities and will help normalize language and concepts around diversity, equity, and inclusion.

**NEW SECTION. Sec. 2.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Agency" means every state executive office, agency, department, or commission.

(2) "Director" means the director of the Washington state office of equity.

(3) "Disaggregated data" means data that has been broken down by appropriate subcategories.

(4) "Equity lens" means providing consideration to the characteristics listed in RCW 49.60.030, as well as immigration status and language access, to evaluate the equitable impacts of an agency's policy or program.

(5) "Office" means the Washington state office of equity.

**NEW SECTION. Sec. 3.** (1) The Washington state office of equity is established within the office of the governor for the purpose of promoting access to equitable opportunities and resources that reduce disparities, and improve outcomes statewide across state government.

(2) The office envisions everyone in Washington having full access to the opportunities and resources they need to flourish and achieve their full potential.

(3) The work of the office must:

(a) Be guided by the following principles of equity:

(i) Equity requires developing, strengthening, and supporting policies and procedures that distribute and prioritize resources to those who have been historically and currently marginalized, including tribes;

(ii) Equity requires the elimination of systemic barriers that have been deeply entrenched in systems of inequality and oppression; and

(iii) Equity achieves procedural and outcome fairness, promoting dignity, honor, and respect for all people;

(b) Complement and not supplant the work of the statutory commissions.

**NEW SECTION. Sec. 4.** (1) The office is administered by a director, who is appointed by the governor with advice and consent of the senate. The director shall report to the governor. The director must receive a salary as fixed by the governor in accordance with RCW 43.03.040.

(iii) Developing and providing assessment tools for agencies to use in the development and evaluation of agency programs, services, policies, and budgets;

(v) Developing a form that will serve as each agency's diversity, equity, and inclusion plan, required to be submitted by all agencies under section 7 of this act, for each agency to report on its work in the area of diversity, equity, and inclusion. The office must develop the format and content of the plan and determine the frequency of reporting. The office must post each agency plan on the dashboard referenced in (d) of this subsection;

(vi) Maintaining an inventory of agency work in the area of diversity, equity, and inclusion; and

(vii) Compiling and creating resources for agencies to use as guidance when carrying out the requirements under section 7 of this act.

The report must include the agency's strengths and accomplishments, areas for continued improvement, and areas for corrective action. The office must post each report on the dashboard referenced in (d) of this subsection;

(ii) Establish a process for the office to report on agency performance in accordance with (e)(i) of this subsection and a process for agencies to respond to the report. The agency's response must include the agency's progress on performance, the agency's action plan to address areas for improvement and corrective action, and a timeline for the action plan; and

#### MESSAGE FROM THE SENATE

March 5, 2020

Madame Speaker:

The Senate has passed HOUSE BILL NO. 2230 with the following amendment:

12.0.

On page 2, after line 26, insert the following:

"Sec. 2. RCW 82.29A.055 and 2014 c 207 s 8 are each amended to read as follows:

(1) Property owned exclusively by a federally recognized Indian tribe that is exempt from property tax under RCW 84.36.010 is subject to payment in lieu of leasehold excise taxes, if:

(a) The tax exempt property is used exclusively for economic development, as defined in RCW 84.36.010;

(b) There is no taxable leasehold interest in the tax exempt property;

(c) The property is located outside of the tribe's reservation; and

(d) The property is not otherwise exempt from taxation by federal law.

(2) The amount of the payment in lieu of leasehold excise taxes must be determined jointly and in good faith negotiation between the tribe that owns the property and the county and any city in which the property is located. However, the amount may not exceed the leasehold excise tax amount that would otherwise be owed by a taxable leasehold interest in the property. If the tribe and the county and any city cannot agree to terms on the amount of payment in lieu of taxes, the department may determine the rate, provided that the amount may not exceed the leasehold excise tax amount that would otherwise be owed by a taxable leasehold interest in the property.

(3) Payment must be made by the tribe to the county. The county treasurer must distribute all such money collected solely to the local taxing districts, including cities, in the same proportion that each local taxing district would have shared if a leasehold excise tax had been levied."

Renumber the remaining sections consecutively and correct any internal references accordingly.

On page 1, line 3 of the title, after "84.36.010" insert "and 82.29A.055"

#### MESSAGE FROM THE SENATE

March 6, 2020

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2302 with the following amendment:

2.0.

Strike everything after the enacting clause and insert the following:

"Sec. 3. RCW 26.19.011 and 2005 c 282 s 35 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Basic child support obligation" means the monthly child support obligation determined from the economic table based on the parties' combined monthly net income and the number of children for whom support is owed.

(2) "Child support schedule" means the standards, economic table, worksheets, and instructions, as defined in this chapter.

(3) "Court" means a superior court judge, court commissioner, and presiding and reviewing officers who administratively determine or enforce child support orders.

(4) "Deviation" means a child support amount that differs from the standard calculation.

(5) "Economic table" means the child support table for the basic support obligation provided in RCW 26.19.020.

(6) "Full-time" means the customary number of maximum, nonovertime hours worked in an individual's historical occupation, industry, and labor market. "Full-time" does not necessarily mean forty hours per week.

(7) "Instructions" means the instructions developed by the administrative office of the courts pursuant to RCW 26.19.050 for use in completing the worksheets.

~~((7))~~ (8) "Standards" means the standards for determination of child support as provided in this chapter.

~~((8))~~ (9) "Standard calculation" means the presumptive amount of child support owed as determined from the child support schedule before the court considers any reasons for deviation.

~~((9))~~ (10) "Support transfer payment" means the amount of money the court orders one parent to pay to another parent or custodian for child support after determination of the standard calculation and deviations. If certain expenses or credits are expected to fluctuate and the order states a formula or percentage to determine the additional amount or credit on an ongoing basis, the term "support transfer payment" does not mean the additional amount or credit.

~~((10))~~ (11) "Worksheets" means the forms developed by the administrative office of the courts pursuant to RCW 26.19.050 for use in determining the amount of child support.

**Sec. 4.** RCW 26.19.071 and 2011 1st sp.s. c 36 s 14 are each amended to read as follows:

(1) **Consideration of all income.** All income and resources of each parent's household shall be disclosed and considered by the court when the court determines the child support obligation of each parent. Only the income of the parents of the children whose support is at issue shall be calculated for purposes of calculating the basic support obligation. Income and resources of any other person shall not be included in calculating the basic support obligation.

(2) **Verification of income.** Tax returns for the preceding two years and current paystubs shall be provided to verify income and deductions. Other sufficient verification shall be required for income and deductions which do not appear on tax returns or paystubs.

(3) **Income sources included in gross monthly income.** Except as specifically excluded in subsection (4) of this section, monthly gross income shall include income from any source, including:

- (a) Salaries;
- (b) Wages;
- (c) Commissions;
- (d) Deferred compensation;
- (e) Overtime, except as excluded for income in subsection (4)(i) of this section;
- (f) Contract-related benefits;
- (g) Income from second jobs, except as excluded for income in subsection (4)(i) of this section;
- (h) Dividends;
- (i) Interest;
- (j) Trust income;
- (k) Severance pay;
- (l) Annuities;
- (m) Capital gains;
- (n) Pension retirement benefits;
- (o) Workers' compensation;
- (p) Unemployment benefits;
- (q) Maintenance actually received;
- (r) Bonuses;
- (s) Social security benefits;
- (t) Disability insurance benefits; and

(u) Income from self-employment, rent, royalties, contracts, proprietorship of a business, or joint ownership of a partnership or closely held corporation.

(4) **Income sources excluded from gross monthly income.** The following income and resources shall be disclosed but shall not be included in gross income:

- (a) Income of a new spouse or new domestic partner or income of other adults in the household;
- (b) Child support received from other relationships;
- (c) Gifts and prizes;
- (d) Temporary assistance for needy families;
- (e) Supplemental security income;
- (f) Aged, blind, or disabled assistance benefits;
- (g) Pregnant women assistance benefits;

(h) Food stamps; and

(i) Overtime or income from second jobs beyond forty hours per week averaged over a twelve-month period worked to provide for a current family's needs, to retire past relationship debts, or to retire child support debt, when the court finds the income will cease when the party has paid off his or her debts.

Receipt of income and resources from temporary assistance for needy families, supplemental security income, aged, blind, or disabled assistance benefits, and food stamps shall not be a reason to deviate from the standard calculation.

(5) **Determination of net income.** The following expenses shall be disclosed and deducted from gross monthly income to calculate net monthly income:

- (a) Federal and state income taxes;
- (b) Federal insurance contributions act deductions;
- (c) Mandatory pension plan payments;
- (d) Mandatory union or professional dues;
- (e) State industrial insurance premiums;
- (f) Court-ordered maintenance to the extent actually paid;

(g) Up to five thousand dollars per year in voluntary retirement contributions actually made if the contributions show a pattern of contributions during the one-year period preceding the action establishing the child support order unless there is a determination that the contributions were made for the purpose of reducing child support; and

(h) Normal business expenses and self-employment taxes for self-employed persons. Justification shall be required for any business expense deduction about which there is disagreement.

Items deducted from gross income under this subsection shall not be a reason to deviate from the standard calculation.

(6) **Imputation of income.** The court shall impute income to a parent when the parent is voluntarily unemployed or voluntarily underemployed. The court shall determine whether the parent is voluntarily underemployed or voluntarily unemployed based upon that parent's (~~work history, education,~~) assets, residence, employment and earnings history, job skills, educational attainment, literacy, health, (~~and~~) age, criminal record, dependency court obligations, and other employment barriers, record of seeking work, the local job market, the availability of employers willing to hire the parent, the prevailing earnings level in the local community, or any other relevant factors. A court shall not impute income to a parent who is gainfully employed on a full-time basis, unless the court finds that the parent is voluntarily underemployed and finds that the parent is purposely underemployed to reduce the parent's child support obligation. Income shall not be imputed for an unemployable parent. Income shall not be imputed to a parent to the extent the parent is unemployed or significantly underemployed due to the parent's efforts to comply with court-ordered reunification efforts under chapter 13.34

RCW or under a voluntary placement agreement with an agency supervising the child. (~~(4)~~)

(a) Except as provided in (b) of this subsection, in the absence of records of a parent's actual earnings, the court shall impute a parent's income in the following order of priority:

(~~(a)~~) (i) Full-time earnings at the current rate of pay;

(~~(b)~~) (ii) Full-time earnings at the historical rate of pay based on reliable information, such as employment security department data;

(~~(c)~~) (iii) Full-time earnings at a past rate of pay where information is incomplete or sporadic;

(~~(d)~~) (iv) Earnings of thirty-two hours per week at minimum wage in the jurisdiction where the parent resides if the parent is on or recently coming off temporary assistance for needy families or recently coming off aged, blind, or disabled assistance benefits, pregnant women assistance benefits, essential needs and housing support, supplemental security income, or disability, has recently been released from incarceration, or is a recent high school graduate. Imputation of earnings at thirty-two hours per week under this subsection is a rebuttable presumption;

(v) Full-time earnings at minimum wage in the jurisdiction where the parent resides if the parent has a recent history of minimum wage earnings, (~~is recently coming off public assistance, aged, blind, or disabled assistance benefits, pregnant women assistance benefits, essential needs and housing support, supplemental security income, or disability, has recently been released from incarceration, or is a high school student~~) has never been employed and has no earnings history, or has no significant earnings history;

(~~(e)~~) (vi) Median net monthly income of year-round full-time workers as derived from the United States bureau of census, current population reports, or such replacement report as published by the bureau of census.

(b) When a parent is currently enrolled in high school full-time, the court shall consider the totality of the circumstances of both parents when determining whether each parent is voluntarily unemployed or voluntarily underemployed. If a parent who is currently enrolled in high school is determined to be voluntarily unemployed or voluntarily underemployed, the court shall impute income at earnings of twenty hours per week at minimum wage in the jurisdiction where that parent resides. Imputation of earnings at twenty hours per week under this subsection is a rebuttable presumption.

**NEW SECTION. Sec. 5.** (1) The legislature finds that a large number of justice-involved individuals owe significant child support debts when they are released from incarceration.

(2) The legislature finds that these child support debts are often uncollectible and unduly burdensome on a recently released justice-involved individual, and that such debts severely impact the ability of the person required to pay

support to have a successful reentry and reintegration into society.

(3) The legislature finds that there is case law in Washington, *In re Marriage of Blickenstaff*, 71 Wn. App. 489, 859 P.2d 646 (1993), providing that incarceration does not equate to voluntary unemployment or voluntary underemployment.

(4) The legislature finds that there is a statewide movement to assist justice-involved individuals reenter and reintegrate into society, and to reduce state-caused pressures which tend to lead to recidivism and a return to jail or prison.

(5) The legislature finds that, although there is currently a statutory process for modification of child support orders, it is in the best interests of the children of the state of Washington to create a process of abatement instead of making it the sole responsibility of the justice-involved person to take action to deal with his or her child support obligation while incarcerated.

(6) The legislature intends, therefore, to create a remedy whereby court or administrative orders for child support entered in Washington state may be abated when the person required to pay support is incarcerated for at least six months and has no income or assets available to pay support.

(7) The goal of this act is to ensure that the person required to pay support makes the maximum child support monthly payment amount appropriate to comply with an order for child support, notwithstanding other provisions related to abatement herein.

**NEW SECTION. Sec. 6.** A new section is added to chapter 26.09 RCW to read as follows:

(1) When a child support order contains language providing for abatement based on incarceration of the person required to pay child support, there is a rebuttable presumption that an incarcerated person is unable to pay the child support obligation. Unless the presumption is rebutted, the provisions of subsection (3) of this section apply.

(2)(a) If the child support order does not contain language providing for abatement based on incarceration of the person required to pay support, the department, the person required to pay support, the payee under the order, or the person entitled to receive support may commence an action in the appropriate forum to:

(i) Modify the support order to contain abatement language; and

(ii) Abate the person's child support obligation due to current incarceration for at least six months.

(b) In a proceeding brought under this subsection, there is a rebuttable presumption that an incarcerated person is unable to pay the child support obligation. The department, the payee under the order, or the person entitled to receive support, may rebut the presumption by demonstrating that the person required to pay support has possession of, or access to, income or assets available to provide support while incarcerated.

(c) Unless the presumption is rebutted, the provisions of subsection (3) of this section apply.

(3) If the court or administrative forum determines that abatement of support is appropriate:

(a) The child support obligation under that order will be abated to ten dollars per month, without regard to the number of children covered by that order, while the person required to pay support is confined in a jail, prison, or correctional facility for at least six months or is serving a sentence greater than six months in a jail, prison, or correctional facility. Either the department, the payee under the order, or the person entitled to receive support may rebut the presumption by demonstrating the person required to pay support has possession of, or access to, income or assets available to provide support while incarcerated.

(b) If the incarcerated person's support obligation under the order is abated as provided in (a) of this subsection, the obligation will remain abated to ten dollars per month through the last day of the third month after the person is released from confinement.

(c) After abatement, the support obligation of the person required to pay support under the order is automatically reinstated at fifty percent of the support amount provided in the underlying order, but may not be less than the presumptive minimum obligation of fifty dollars per month per child, effective the first day of the fourth month after the person's release from confinement. Effective one year after release from confinement, the reinstatement at fifty percent of the support amount is automatically terminated, and the support obligation of the person required to pay support under the order is automatically reinstated at one hundred percent of the support amount provided in the underlying order.

(i) Upon a showing of good cause by a party that the circumstances of the case allow it, the court or administrative forum may add specific provisions to the order abating the child support obligation regarding when and how the abatement may terminate.

(ii) During the period of abatement, the department, the person required to pay support, the payee under the order, or the person entitled to receive support may commence an action to modify the child support order under RCW 26.09.170 or 74.20A.059, in which case the provision regarding reinstatement of the support amount at fifty percent does not apply.

(d) If the incarcerated person's support obligation under the order has been abated as provided in (a) of this subsection and then has been reinstated under (c) of this subsection:

(i) Either the department, the person required to pay support, the payee under the order, or the person entitled to receive support may file an action to modify or adjust the order in the appropriate forum, if:

(A) The provisions of (c)(i) and (ii) of this subsection do not apply; and

(B) The person required to pay support has been released from incarceration.

(ii) An action to modify or adjust the order based on the release from incarceration of the person required to pay support may be filed even if there is no other change of circumstances.

(4) The effective date of abatement of a child support obligation based on incarceration to ten dollars per month per order is the date on which the person required to pay support is confined in a jail, prison, or correctional facility for at least six months or begins serving a sentence greater than six months in a jail, prison, or correctional facility, regardless of when the department is notified of the incarceration. However:

(a) The person required to pay support is not entitled to a refund of any support collections or payments that were received by the department prior to the date on which the department is notified of the incarceration; and

(b) The department, the payee under the order, or the person entitled to receive support is not required to refund any support collections or payments that were received by the department prior to the date on which the department is notified of the incarceration.

(5) Abatement of a child support obligation based on incarceration of the person required to pay support does not constitute modification or adjustment of the order.

**NEW SECTION. Sec. 7.** A new section is added to chapter 26.09 RCW to read as follows:

Either the department, the person required to pay support, the payee under the order, or the person entitled to receive support may make a request for abatement of child support to ten dollars per month under an order for child support when the person required to pay support is currently confined in a jail, prison, or correctional facility for at least six months, or is serving a sentence greater than six months in a jail, prison, or correctional facility.

(1) A request for the abatement of child support owed under one child support order does not automatically qualify as a request for abatement of support owed under every order that may exist requiring that person to pay support. However, the request applies to any support order which is being enforced by the department at the time of the request.

(2) If there are multiple orders requiring the incarcerated person to pay child support, the issue of whether abatement of support due to incarceration is appropriate must be considered for each order.

(a) The payee or person entitled to receive support under each support order is entitled to notice and an opportunity to be heard regarding the potential abatement of support under that order.

(b) If the child or children covered by a support order are not residing with the payee under the order, any other person entitled to receive support for the child or children must be provided notice and an opportunity to be heard regarding the potential abatement of support under that order.

**NEW SECTION. Sec. 8.** A new section is added to chapter 26.09 RCW to read as follows:

(1) When a child support order contains language regarding abatement to ten dollars per month per order based on incarceration of the person required to pay support, and that person is currently confined in a jail, prison, or correctional facility for at least six months, or is serving a sentence greater than six months in a jail, prison, or correctional facility, the department must:

(a) Review the support order for abatement once the department receives notice from the person required to pay support or someone acting on his or her behalf that the person may qualify for abatement of support;

(b) Review its records and other available information to determine if the person required to pay support has possession of, or access to, income or assets available to provide support while incarcerated; and

(c) Decide whether abatement of the person's support obligation is appropriate.

(2) If the department decides that abatement of the person's support obligation is appropriate, the department must notify the person required to pay support, and the payee under the order or the person entitled to receive support, that the incarcerated person's support obligation has been abated and that the abatement will continue until the first day of the fourth month after the person is released from confinement. The notification must include the following information:

(a) The payee under the order or the person entitled to receive support may object to the abatement of support due to incarceration;

(i) An objection must be received within twenty days of the notification of abatement;

(ii) Any objection will be forwarded to the office of administrative hearings for an adjudicative proceeding under chapter 34.05 RCW;

(iii) The department, the person required to pay support, and the payee under the order or the person entitled to receive support, all have the right to participate in the administrative hearing as parties; and

(iv) The burden of proof is on the party objecting to the abatement of support to show that the person required to pay support has possession of, or access to, income or assets available to provide support while incarcerated;

(b) The effective date of the abatement of support;

(c) The estimated date of release;

(d) The estimated date that the abatement will end;

(e) That the person required to pay support, the payee under the order, the person entitled to receive support, or the department may file an action to modify the underlying support order once the person required to pay support is released from incarceration, as provided under section 4(3)(d) of this act; and

(f) That, if the abated obligation was established by a court order, the department will file a copy of the notification in the court file.

(3) If the department decides that abatement of the incarcerated person's support obligation is not appropriate, the department must notify the person required to pay support and the payee under the order or the person entitled to receive support, that the department does not believe that abatement of the support obligation should occur. The notification must include the following information:

(a) The reasons why the department decided that abatement of the support obligation is not appropriate;

(b) The person required to pay support and the payee under the order or the person entitled to receive support may object to the department's decision not to abate the support obligation;

(i) An objection must be received within twenty days of the notification of abatement;

(ii) Any objection will be forwarded to the office of administrative hearings for an adjudicative proceeding under chapter 34.05 RCW; and

(iii) The department, the incarcerated person, and the payee under the order or the person entitled to receive support all have the right to participate in the administrative hearing as parties;

(c) That, if the administrative law judge enters an order providing that abatement is appropriate, the department will take appropriate steps to document the abatement and will provide notification to the parties as required in subsection (2) of this section.

**NEW SECTION. Sec. 9.** A new section is added to chapter 26.09 RCW to read as follows:

(1) When a court or administrative order does not contain language regarding abatement based on incarceration of the person required to pay support and the department receives notice that the person is currently confined in a jail, prison, or correctional facility for at least six months or is serving a sentence greater than six months in a jail, prison, or correctional facility, the department must refer the case to the appropriate forum for a determination of whether the order should be modified to:

(a) Contain abatement language as provided in section 4 of this act; and

(b) Abate the person's child support obligation due to current incarceration.

(2) In a proceeding brought under this section, there is a rebuttable presumption that an incarcerated person is unable to pay the child support obligation. The department, the payee under the order, or the person entitled to receive support may rebut the presumption by demonstrating that the incarcerated person has possession of, or access to, income or assets available to provide support while incarcerated.

(3) Unless the presumption is rebutted, the court or administrative forum must enter an order providing that the child support obligation under the order is abated to ten

dollars per month, without regard to the number of children covered by the order, if the person required to pay support is confined in a jail, prison, or correctional facility for at least six months, or is serving a sentence greater than six months in a jail, prison, or correctional facility.

(4) The order must:

(a) Include the appropriate language required by section 4 of this act in order to provide for a rebuttable presumption of abatement to ten dollars per month per order;

(b) Provide that the order must be reinstated at fifty percent of the previously ordered support amount but not less than the presumptive minimum obligation of fifty dollars per month per child, effective on the first day of the fourth month after the person's release from confinement, and also provide that the order must be automatically reinstated at one hundred percent of the previously ordered support amount effective one year after release from confinement; and

(c) Include language regarding an action to modify or adjust the underlying order as provided under section 4(3) of this act.

**NEW SECTION. Sec. 10.** A new section is added to chapter 26.09 RCW to read as follows:

(1) At any time during the period of incarceration, the department, the payee under the order, or the person entitled to receive support may file a request to reverse or terminate the abatement of support by demonstrating that the incarcerated person has possession of, or access to, income or assets available to provide support while incarcerated.

(a) A request for reversal or termination of the abatement may be filed with the department or with the office of administrative hearings.

(b) The request must include documents or other evidence showing that the incarcerated person has possession of, or access to, income or assets available to provide support while incarcerated.

(c) If the request for a hearing does not include documents or evidence showing that the incarcerated person has possession of, or access to, income or assets, the department may file a motion asking that the request for a hearing be dismissed before a hearing is scheduled or held.

(d) The party seeking to reverse or terminate the abatement may seek to vacate the dismissal order by filing a motion which includes the required proof.

(e) Depending on the type of evidence provided at the hearing, the administrative law judge may order that the abatement of the support obligation be:

(i) Reversed, meaning that the determination that support should be abated is vacated and all amounts owed under the support order are reinstated; or

(ii) Terminated, meaning that the abatement of support ends as of the date specified in the order.

(2) At any time during the period of incarceration, the person required to pay support may file a request to reverse or terminate the abatement of support.

(a) The request for reversal or termination of the abatement may be filed with the department or with the office of administrative hearings.

(b) The person required to pay support is not required to provide any documents or other evidence to support the request.

(3) Abatement of a support obligation does not constitute modification or adjustment of the order.

**Sec. 11.** RCW 26.23.050 and 2019 c 46 s 5026 are each amended to read as follows:

(1) If the division of child support is providing support enforcement services under RCW 26.23.045, or if a party is applying for support enforcement services by signing the application form on the bottom of the support order, the superior court shall include in all court orders that establish or modify a support obligation:

(a) A provision that orders and directs the ~~((responsible parent))~~ person required to pay support to make all support payments to the Washington state support registry;

(b) A statement that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the ~~((responsible parent))~~ person required to pay support at any time after entry of the court order, unless:

(i) One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding and that withholding should be delayed until a payment is past due; or

(ii) The parties reach a written agreement that is approved by the court that provides for an alternate arrangement;

(c) A statement that the ~~((receiving parent))~~ payee under the order or the person entitled to receive support might be required to submit an accounting of how the support, including any cash medical support, is being spent to benefit the child;

(d) A statement that ~~((any parent))~~ a party to the support order who is required to provide health care coverage for the child or children covered by the order must notify the division of child support and the other ((parent)) party to the support order when the coverage terminates; ((and))

(e) A statement that ~~((the responsible parent's privileges))~~ any privilege of the person required to pay support to obtain and maintain a license, as defined in RCW 74.20A.320, may not be renewed, or may be suspended if the ((parent)) person is not in compliance with a support order as provided in RCW 74.20A.320; and

(f) A statement that the support obligation under the order may be abated as provided in section 4 of this act if the

person required to pay support is confined in a jail, prison, or correctional facility for at least six months, or is serving a sentence greater than six months in a jail, prison, or correctional facility.

As used in this subsection and subsection (3) of this section, "good cause not to require immediate income withholding" means a written determination of why implementing immediate wage withholding would not be in the child's best interests and, in modification cases, proof of timely payment of previously ordered support.

(2) In all other cases not under subsection (1) of this section, the court may order the ~~((responsible parent))~~ person required to pay support to make payments directly to the person entitled to receive the payments, to the Washington state support registry, or may order that payments be made in accordance with an alternate arrangement agreed upon by the parties.

(a) The superior court shall include in all orders under this subsection that establish or modify a support obligation:

(i) A statement that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the ~~((responsible parent))~~ person required to pay support at any time after entry of the court order, unless:

(A) One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding and that withholding should be delayed until a payment is past due; or

(B) The parties reach a written agreement that is approved by the court that provides for an alternate arrangement;

(ii) A statement that the ~~((receiving parent))~~ payee under the order or the person entitled to receive support may be required to submit an accounting of how the support is being spent to benefit the child;

(iii) A statement that any ~~((parent))~~ party to the order required to provide health care coverage for the child or children covered by the order must notify the division of child support and the other ~~((parent))~~ party to the order when the coverage terminates; and

(iv) A statement that a ~~((parent))~~ party to the order seeking to enforce the other party's obligation to provide health care coverage may:

(A) File a motion in the underlying superior court action; or

(B) If there is not already an underlying superior court action, initiate an action in the superior court.

As used in this subsection, "good cause not to require immediate income withholding" is any reason that the court finds appropriate.

(b) The superior court may order immediate or delayed income withholding as follows:

(i) Immediate income withholding may be ordered if the ~~((responsible parent))~~ person required to pay support has earnings. If immediate income withholding is ordered under this subsection, all support payments shall be paid to the Washington state support registry. The superior court shall issue a mandatory wage assignment order as set forth in chapter 26.18 RCW when the support order is signed by the court. The ~~((parent))~~ payee under the order or the person entitled to receive the transfer payment is responsible for serving the employer with the order and for its enforcement as set forth in chapter 26.18 RCW.

(ii) If immediate income withholding is not ordered, the court shall require that income withholding be delayed until a payment is past due. The support order shall contain a statement that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the ~~((responsible parent))~~ person required to pay support, after a payment is past due.

(c) If a mandatory wage withholding order under chapter 26.18 RCW is issued under this subsection and the division of child support provides support enforcement services under RCW 26.23.045, the existing wage withholding assignment is prospectively superseded upon the division of child support's subsequent service of an income withholding notice.

(3) The office of administrative hearings and the department of social and health services shall require that all support obligations established as administrative orders include a provision which orders and directs that the ~~((responsible parent))~~ person required to pay support shall make all support payments to the Washington state support registry. All administrative orders shall also state that ~~((the responsible parent's privileges))~~ any privilege of the person required to pay support to obtain and maintain a license, as defined in RCW 74.20A.320, may not be renewed, or may be suspended if the ~~((parent))~~ person is not in compliance with a support order as provided in RCW 74.20A.320. All administrative orders shall also state that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state without further notice to the ~~((responsible parent))~~ person required to pay support at any time after entry of the order, unless:

(a) One of the parties demonstrates, and the presiding officer finds, that there is good cause not to require immediate income withholding; or

(b) The parties reach a written agreement that is approved by the presiding officer that provides for an alternate agreement.

(4) If the support order does not include the provision ordering and directing that all payments be made to the Washington state support registry and a statement that withholding action may be taken against wages, earnings, assets, or benefits if a support payment is past due or at any time after the entry of the order, or that ~~((a parent's))~~ licensing privileges of the person required to pay support may not be renewed, or may be suspended, the division of

child support may serve a notice on the ~~((responsible parent))~~ person stating such requirements and authorizations. Service may be by personal service or any form of mail requiring a return receipt.

(5) Every support order shall state:

(a) The address where the support payment is to be sent;

(b) That withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the ~~((responsible parent))~~ person required to pay support at any time after entry of a support order, unless:

(i) One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding; or

(ii) The parties reach a written agreement that is approved by the court that provides for an alternate arrangement;

(c) The income of the parties, if known, or that their income is unknown and the income upon which the support award is based;

(d) The support award as a sum certain amount;

(e) The specific day or date on which the support payment is due;

(f) The names and ages of the dependent children;

(g) A provision requiring both the ~~((responsible parent))~~ person required to pay support, and the ~~((custodial parent))~~ payee under the order or the person entitled to receive support who is a parent of the child or children covered by the order, to keep the Washington state support registry informed of whether he or she has access to health care coverage at reasonable cost and, if so, the health care coverage information;

(h) That either or both the ~~((responsible parent))~~ person required to pay support, and the ~~((custodial parent))~~ payee under the order or the person entitled to receive support who is a parent of the child or children covered by the order, shall be obligated to provide medical support for ~~((his or her))~~ a child or children covered by the order through health care coverage if:

(i) The ~~((obligated parent))~~ person obligated to provide medical support provides accessible coverage for the child or children through private or public health care coverage; or

(ii) Coverage that can be extended to cover the child or children is or becomes available to the ~~((parent))~~ person obligated to provide medical support through employment or is union-related; or

(iii) In the absence of such coverage, through an additional sum certain amount, as that ~~((parent's))~~ obligated person's monthly payment toward the premium as provided under RCW 26.09.105;

(i) That a ~~((parent))~~ person obligated to provide medical support who is providing health care coverage must notify both the division of child support and the other ~~((parent))~~ party to the order when coverage terminates;

(j) That if proof of health care coverage or proof that the coverage is unavailable is not provided within twenty days, the ~~((parent))~~ person seeking enforcement or the department may seek direct enforcement of the coverage through the employer or union of the ~~((parent))~~ person required to provide medical support without further notice to the ~~((parent))~~ person as provided under chapter 26.18 RCW;

(k) The reasons for not ordering health care coverage if the order fails to require such coverage;

(l) That ~~((the responsible parent's privileges))~~ any privilege of the person required to pay support to obtain and maintain a license, as defined in RCW 74.20A.320, may not be renewed, or may be suspended if the ~~((parent))~~ person is not in compliance with a support order as provided in RCW 74.20A.320;

(m) That each ~~((parent))~~ party to the support order must:

(i) Promptly file with the court and update as necessary the confidential information form required by subsection (7) of this section; and

(ii) Provide the state case registry and update as necessary the information required by subsection (7) of this section; and

(n) That parties to administrative support orders shall provide to the state case registry and update as necessary their residential addresses and the address of the ~~((responsible parent's))~~ employer of the person required to pay support. The division of child support may adopt rules that govern the collection of parties' current residence and mailing addresses, telephone numbers, dates of birth, social security numbers, the names of the children, social security numbers of the children, dates of birth of the children, driver's license numbers, and the names, addresses, and telephone numbers of the parties' employers to enforce an administrative support order. The division of child support shall not release this information if the division of child support determines that there is reason to believe that release of the information may result in physical or emotional harm to the party or to the child, or a restraining order or protective order is in effect to protect one party from the other party.

(6) After the ~~((responsible parent))~~ person required to pay support has been ordered or notified to make payments to the Washington state support registry under this section, ~~((the responsible parent))~~ that person shall be fully responsible for making all payments to the Washington state support registry and shall be subject to payroll deduction or other income-withholding action. The ~~((responsible parent))~~ person required to pay support shall not be entitled to credit against a support obligation for any payments made to a person or agency other than to the Washington state support registry except as provided under RCW 74.20.101. A civil action may be brought by the ~~((payor))~~ person required to pay support to recover payments made to persons or

agencies who have received and retained support moneys paid contrary to the provisions of this section.

(7) All petitioners and parties to all court actions under chapters 26.09, 26.10, 26.12, 26.18, 26.21A, 26.23, 26.26A, 26.26B, and 26.27 RCW shall complete to the best of their knowledge a verified and signed confidential information form or equivalent that provides the parties' current residence and mailing addresses, telephone numbers, dates of birth, social security numbers, driver's license numbers, and the names, addresses, and telephone numbers of the parties' employers. The clerk of the court shall not accept petitions, except in parentage actions initiated by the state, orders of child support, decrees of dissolution, or parentage orders for filing in such actions unless accompanied by the confidential information form or equivalent, or unless the confidential information form or equivalent is already on file with the court clerk. In lieu of or in addition to requiring the parties to complete a separate confidential information form, the clerk may collect the information in electronic form. The clerk of the court shall transmit the confidential information form or its data to the division of child support with a copy of the order of child support or parentage order, and may provide copies of the confidential information form or its data and any related findings, decrees, parenting plans, orders, or other documents to the state administrative agency that administers Title IV-A, IV-D, IV-E, or XIX of the federal social security act. In state initiated parentage actions, the parties adjudicated the parents of the child or children shall complete the confidential information form or equivalent or the state's attorney of record may complete that form to the best of the attorney's knowledge.

(8) The department has rule-making authority to enact rules consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19) as amended by section 7307 of the deficit reduction act of 2005. Additionally, the department has rule-making authority to implement regulations required under 45 C.F.R. Parts 302, 303, 304, 305, and 308.

**Sec. 12.** RCW 74.20A.055 and 2019 c 46 s 5052 are each amended to read as follows:

(1) The secretary may, if there is no order that establishes ~~((the responsible parent's))~~ a person's support obligation or specifically relieves the ~~((responsible parent))~~ person required to pay support of a support obligation or pursuant to an establishment of parentage under chapter 26.26A or 26.26B RCW, serve on the ~~((responsible parent or parents))~~ person or persons required to pay support and ~~((custodial parent))~~ the person entitled to receive support a notice and finding of financial responsibility requiring ~~((the parents))~~ those persons to appear and show cause in an adjudicative proceeding why the finding of responsibility and/or the amount thereof is incorrect, should not be finally ordered, but should be rescinded or modified. This notice and finding shall relate to the support debt accrued and/or accruing under this chapter and/or RCW 26.16.205, including periodic payments to be made in the future. The hearing shall be held pursuant to this section, chapter 34.05 RCW, the Administrative Procedure Act, and the rules of the department. A ~~((custodian))~~ person who has physical custody of a child has the same rights ~~((that a custodial~~

~~parent has~~) under this section as a parent with whom the child resides.

(2) The notice and finding of financial responsibility shall be served in the same manner prescribed for the service of a summons in a civil action or may be served on the ~~((responsible parent))~~ person required to pay support by certified mail, return receipt requested. The receipt shall be prima facie evidence of service. The notice shall be served upon the ~~((debtor))~~ person required to pay support within sixty days from the date the state assumes responsibility for the support of the dependent child or children on whose behalf support is sought. If the notice is not served within sixty days from such date, the department shall lose the right to reimbursement of payments made after the sixty-day period and before the date of notification: PROVIDED, That if the department exercises reasonable efforts to locate the ~~((debtor))~~ person required to pay support and is unable to do so the entire sixty-day period is tolled until such time as the ~~((debtor))~~ person can be located. The notice may be served upon the ~~((custodial parent))~~ person entitled to receive support who is the nonassistance applicant or public assistance recipient by first-class mail to the last known address. If the ~~((custodial parent))~~ person entitled to receive support is not the nonassistance applicant or public assistance recipient, service shall be in the same manner as for the ~~((responsible parent))~~ person required to pay support.

(3) The notice and finding of financial responsibility shall set forth the amount the department has determined the ~~((responsible parent))~~ person required to pay support owes, the support debt accrued and/or accruing, and periodic payments to be made in the future. The notice and finding shall also include:

(a) A statement of the name of the ~~((custodial parent))~~ person entitled to receive support and the name of the child or children for whom support is sought;

(b) A statement of the amount of periodic future support payments as to which financial responsibility is alleged;

(c) A statement that the ~~((responsible parent))~~ person required to pay support or ~~((custodial parent))~~ the person entitled to receive support may object to all or any part of the notice and finding, and file an application for an adjudicative proceeding to show cause why the terms set forth in the notice should not be ordered;

(d) A statement that, if neither the ~~((responsible parent))~~ person required to pay support nor the ~~((custodial parent))~~ person entitled to receive support files in a timely fashion an application for an adjudicative proceeding, the support debt and payments stated in the notice and finding, including periodic support payments in the future, shall be assessed and determined and ordered by the department and that this debt and amounts due under the notice shall be subject to collection action;

(e) A statement that the property of the ~~((debtor))~~ person required to pay support, without further advance notice or hearing, will be subject to lien and foreclosure, distraint, seizure and sale, order to withhold and deliver, notice of payroll deduction or other collection action to

satisfy the debt and enforce the support obligation established under the notice;

(f) A statement that ~~((one or both parents))~~ the person required to pay support, and the payee under the order or the person entitled to receive support who is a parent of the child or children covered by the order, are responsible for either:

(i) Providing health care coverage for the child if accessible coverage that can cover the child:

(A) Is available through health insurance or public health care coverage; or

(B) Is or becomes available to the ~~((parent))~~ obligated person through that ~~((parent's))~~ person's employment or union; or

(ii) Paying a monthly payment toward the premium if no such coverage is available, as provided under RCW 26.09.105; and

(g) A statement that the support obligation under the order may be abated to ten dollars per month per order as provided in section 4 of this act if the person required to pay support is confined in a jail, prison, or correctional facility for at least six months, or is serving a sentence greater than six months in a jail, prison, or correctional facility.

(4) A ~~((responsible parent))~~ person required to pay support or ~~((custodial parent))~~ a person entitled to receive support who objects to the notice and finding of financial responsibility may file an application for an adjudicative proceeding within twenty days of the date of service of the notice or thereafter as provided under this subsection.

(a) If the ~~((responsible parent))~~ person required to pay support or ~~((custodial parent))~~ the person entitled to receive support files the application within twenty days, the office of administrative hearings shall schedule an adjudicative proceeding to hear the ~~((parent's))~~ party's or ~~((parents))~~ parties' objection and determine the support obligation for the entire period covered by the notice and finding of financial responsibility. The filing of the application stays collection action pending the entry of a final administrative order;

(b) If both the ~~((responsible parent))~~ person required to pay support and the ~~((custodial parent))~~ person entitled to receive support fail to file an application within twenty days, the notice and finding shall become a final administrative order. The amounts for current and future support and the support debt stated in the notice are final and subject to collection, except as provided under (c) and (d) of this subsection;

(c) If the ~~((responsible parent))~~ person required to pay support or ~~((custodial parent))~~ the person entitled to receive support files the application more than twenty days after, but within one year of the date of service, the office of administrative hearings shall schedule an adjudicative proceeding to hear the ~~((parent's))~~ party's or ~~((parents))~~ parties' objection and determine the support obligation for the entire period covered by the notice and finding of financial responsibility. The filing of the application does not stay further collection action, pending the entry of a final

administrative order, and does not affect any prior collection action;

(d) If the ~~((responsible parent))~~ person required to pay support or ~~((custodial parent))~~ the person entitled to receive support files the application more than one year after the date of service, the office of administrative hearings shall schedule an adjudicative proceeding at which the ~~((parent))~~ party who requested the late hearing must show good cause for failure to file a timely application. The filing of the application does not stay future collection action and does not affect prior collection action:

(i) If the presiding officer finds that good cause exists, the presiding officer shall proceed to hear the ~~((parent's))~~ party's objection to the notice and determine the support obligation;

(ii) If the presiding officer finds that good cause does not exist, the presiding officer shall treat the application as a petition for prospective modification of the amount for current and future support established under the notice and finding. In the modification proceeding, the presiding officer shall set current and future support under chapter 26.19 RCW. The petitioning ~~((parent))~~ party need show neither good cause nor a substantial change of circumstances to justify modification of current and future support;

(e) If the ~~((responsible parent's))~~ support obligation was based upon imputed median net income, the grant standard, or the family need standard, the division of child support may file an application for adjudicative proceeding more than twenty days after the date of service of the notice. The office of administrative hearings shall schedule an adjudicative proceeding and provide notice of the hearing to the ~~((responsible parent))~~ person required to pay support and the ~~((custodial parent))~~ person entitled to receive support. The presiding officer shall determine the support obligation for the entire period covered by the notice, based upon credible evidence presented by the division of child support, the ~~((responsible parent))~~ person required to pay support, or the ~~((custodial parent))~~ person entitled to receive support, or may determine that the support obligation set forth in the notice is correct. The division of child support demonstrates good cause by showing that the ~~((responsible parent's))~~ support obligation was based upon imputed median net income, the grant standard, or the family need standard. The filing of the application by the division of child support does not stay further collection action, pending the entry of a final administrative order, and does not affect any prior collection action.

(f) The department shall retain and/or shall not refund support money collected more than twenty days after the date of service of the notice. Money withheld as the result of collection action shall be delivered to the department. The department shall distribute such money, as provided in published rules.

(5) If an application for an adjudicative proceeding is filed, the presiding or reviewing officer shall determine the past liability and responsibility, if any, of the ~~((alleged responsible parent))~~ person required to pay support and shall also determine the amount of periodic payments to be made in the future, which amount is not limited by the amount of

any public assistance payment made to or for the benefit of the child. If deviating from the child support schedule in making these determinations, the presiding or reviewing officer shall apply the standards contained in the child support schedule and enter written findings of fact supporting the deviation.

(6) If either the ~~((responsible parent))~~ person required to pay support or the ~~((custodial parent))~~ person entitled to receive support fails to attend or participate in the hearing or other stage of an adjudicative proceeding, upon a showing of valid service, the presiding officer shall enter an order of default against each party who did not appear and may enter an administrative order declaring the support debt and payment provisions stated in the notice and finding of financial responsibility to be assessed and determined and subject to collection action. The parties who appear may enter an agreed settlement or consent order, which may be different than the terms of the department's notice. Any party who appears may choose to proceed to the hearing, after the conclusion of which the presiding officer or reviewing officer may enter an order that is different than the terms stated in the notice, if the obligation is supported by credible evidence presented by any party at the hearing.

(7) The final administrative order establishing liability and/or future periodic support payments shall be superseded upon entry of a superior court order for support to the extent the superior court order is inconsistent with the administrative order.

(8) Debts determined pursuant to this section, accrued and not paid, are subject to collection action under this chapter without further necessity of action by a presiding or reviewing officer.

(9) The department has rule-making authority to enact rules consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19) as amended by section 7307 of the deficit reduction act of 2005. Additionally, the department has rule-making authority to implement regulations required under 45 C.F.R. Parts 302, 303, 304, 305, and 308.

**Sec. 13.** RCW 74.20A.056 and 2019 c 148 s 38 and 2019 c 46 s 5053 are each reenacted and amended to read as follows:

(1)(a) If an acknowledged parent has signed an acknowledgment of parentage that has been filed with the state registrar of vital statistics:

(i) The division of child support may serve a notice and finding of financial responsibility under RCW 74.20A.055 based on the acknowledgment. The division of child support shall attach a copy of the acknowledgment or certification of the birth record information advising of the existence of a filed acknowledgment of parentage to the notice;

(ii) The notice shall include a statement that the acknowledged parent or any other signatory may commence a proceeding in court to rescind or challenge the acknowledgment or denial of parentage under RCW 26.26A.235 and 26.26A.240;

(iii) A statement that ~~((either or both parents))~~ the person required to pay support, and the payee under the order or the person entitled to receive support who is a parent of the child or children covered by the order, are responsible for providing health care coverage for the child if accessible coverage that can be extended to cover the child is or becomes available to the ~~((parent))~~ obligated person through employment or is union-related as provided under RCW 26.09.105; ~~((and))~~

(iv) The party commencing the action to rescind or challenge the acknowledgment or denial must serve notice on the division of child support and the office of the prosecuting attorney in the county in which the proceeding is commenced. Commencement of a proceeding to rescind or challenge the acknowledgment or denial stays the establishment of the notice and finding of financial responsibility, if the notice has not yet become a final order; and

(v) A statement that the support obligation under the order may be abated to ten dollars per month per order as provided in section 4 of this act if the person required to pay support is confined in a jail, prison, or correctional facility for at least six months, or is serving a sentence greater than six months in a jail, prison, or correctional facility.

(b) If neither ~~((the acknowledged parent nor the other))~~ party to the notice files an application for an adjudicative proceeding or the signatories to the acknowledgment or denial do not commence a proceeding to rescind or challenge the acknowledgment of parentage, the amount of support stated in the notice and finding of financial responsibility becomes final, subject only to a subsequent determination under RCW 26.26A.400 through 26.26A.515 that the parent-child relationship does not exist. The division of child support does not refund nor return any amounts collected under a notice that becomes final under this section or RCW 74.20A.055, even if a court later determines that the acknowledgment is void.

(c) An acknowledged parent or other party to the notice who objects to the amount of support requested in the notice may file an application for an adjudicative proceeding up to twenty days after the date the notice was served. An application for an adjudicative proceeding may be filed within one year of service of the notice and finding of parental responsibility without the necessity for a showing of good cause or upon a showing of good cause thereafter. An adjudicative proceeding under this section shall be pursuant to RCW 74.20A.055. The only issues shall be the amount of the accrued debt and the amount of the current and future support obligation.

(i) If the application for an adjudicative proceeding is filed within twenty days of service of the notice, collection action shall be stayed pending a final decision by the department.

(ii) If the application for an adjudicative proceeding is not filed within twenty days of the service of the notice, any amounts collected under the notice shall be neither refunded nor returned if the ~~((alleged genetic parent))~~ person required to pay support under the notice is later found not to be ~~((a responsible parent))~~ required to pay support.

(d) If neither the acknowledged parent nor the ~~((custodial parent))~~ person entitled to receive support requests an adjudicative proceeding, or if no timely action is brought to rescind or challenge the acknowledgment or denial after service of the notice, the notice of financial responsibility becomes final for all intents and purposes and may be overturned only by a subsequent superior court order entered under RCW 26.26A.400 through 26.26A.515.

(2) Acknowledgments of parentage are subject to requirements of chapters 26.26A, 26.26B, and 70.58A RCW.

(3) The department and the department of health may adopt rules to implement the requirements under this section.

(4) The department has rule-making authority to enact rules consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19) as amended by section 7307 of the deficit reduction act of 2005. Additionally, the department has rule-making authority to implement regulations required under 45 C.F.R. Parts 302, 303, 304, 305, and 308.

**Sec. 14.** RCW 74.20A.059 and 2019 c 275 s 3 are each amended to read as follows:

(1) The department, the ~~((physical custodian))~~ payee under the order or the person entitled to receive support, or the ~~((responsible parent))~~ person required to pay support may petition for a prospective modification of a final administrative order if:

(a) The administrative order has not been superseded by a superior court order; and

(b) There has been a substantial change of circumstances, except as provided under RCW 74.20A.055(4)(d) or subsection (2) of this section.

(2) The department, the person entitled to receive support, the payee under the order, or the person required to pay support may petition for a prospective modification of a final administrative order if the person required to pay support is currently confined in a jail, prison, or correctional facility for at least six months or is serving a sentence greater than six months in a jail, prison, or correctional facility, and the support order does not contain language regarding abatement due to incarceration.

(a) The petition may be filed at any time after the administrative support order became a final order, as long as the person required to pay support is currently incarcerated.

(b) As part of the petition for modification, the petitioner may also request that the support obligation be abated to ten dollars per month per order due to incarceration, as provided in section 4 of this act.

(3) An order of child support may be modified at any time without a showing of substantially changed circumstances if incarceration of the ~~((parent who is obligated))~~ person required to pay support is the basis for the inconsistency between the existing child support order amount and the amount of support determined as a result of a review.

~~((3))~~ (4) An order of child support may be modified one year or more after it has been entered without showing a substantial change of circumstances:

(a) If the order in practice works a severe economic hardship on either party or the child; or

(b) If a child is a full-time student and reasonably expected to complete secondary school or the equivalent level of vocational or technical training before the child becomes nineteen years of age upon a finding that there is a need to extend support beyond the eighteenth birthday.

~~((4))~~ (5) An order may be modified without showing a substantial change of circumstances if the requested modification is to:

(a) Require medical support under RCW 26.09.105 for a child covered by the order; ~~((or))~~

(b) Modify an existing order for health care coverage; or

(c) Modify an existing order when the person required to pay support has been released from incarceration, as provided in section 4(3)(d) of this act.

~~((5))~~ (6) Support orders may be adjusted once every twenty-four months based upon changes in the income of the ~~((parents))~~ parties to the order without a showing of substantially changed circumstances. This provision does not mean that the income of a person entitled to receive support who is not a parent of the child or children covered by the order must be disclosed or be included in the calculations under chapter 26.19 RCW when determining the support obligation.

~~((6))~~ (7)(a) All administrative orders entered on, before, or after September 1, 1991, may be modified based upon changes in the child support schedule established in chapter 26.19 RCW without a substantial change of circumstances. The petition may be filed based on changes in the child support schedule after twelve months has expired from the entry of the administrative order or the most recent modification order setting child support, whichever is later. However, if a party is granted relief under this provision, twenty-four months must pass before another petition for modification may be filed pursuant to subsection ~~((5))~~ (6) of this section.

(b) If, pursuant to subsection ~~((5))~~ (6) of this section or (a) of this subsection, the order modifies a child support obligation by more than thirty percent and the change would cause significant hardship, the change may be implemented in two equal increments, one at the time of the entry of the order and the second six months from the entry of the order. Twenty-four months must pass following the second change before a petition for modification under subsection ~~((5))~~ (6) of this section may be filed.

~~((7))~~ (8) An increase in the wage or salary of the ~~((parent or custodian who is receiving))~~ person entitled to receive the support transfer payments is not a substantial change in circumstances for purposes of modification under subsection (1)(b) of this section. ~~((An obligor's))~~ The voluntary unemployment or voluntary underemployment of

the person required to pay support, by itself, is not a substantial change of circumstances. The income of the person entitled to receive support is only disclosed or considered if that person is a parent of the child or children covered by the order.

~~((8))~~ (9) The department shall file the petition and a supporting affidavit with the ~~((secretary or the secretary's designee))~~ office of administrative hearings when the department petitions for modification.

~~((9))~~ (10) The ~~((responsible parent))~~ person required to pay support or the ~~((physical custodian))~~ payee under the order or the person entitled to receive support shall follow the procedures in this chapter for filing an application for an adjudicative proceeding to petition for modification.

~~((10))~~ (11) Upon the filing of a proper petition or application, the ~~((secretary or the secretary's designee))~~ office of administrative hearings shall issue an order directing each party to appear and show cause why the order should not be modified.

~~((11))~~ (12) If the presiding or reviewing officer finds a modification is appropriate, the officer shall modify the order and set current and future support under chapter 26.19 RCW.

**Sec. 15.** RCW 26.09.170 and 2019 c 275 s 2 are each amended to read as follows:

(1) Except as otherwise provided in RCW 26.09.070(7), the provisions of any decree respecting maintenance or support may be modified: (a) Only as to installments accruing subsequent to the petition for modification or motion for adjustment except motions to compel court-ordered adjustments, which shall be effective as of the first date specified in the decree for implementing the adjustment; and, (b) except as otherwise provided in this section, only upon a showing of a substantial change of circumstances. The provisions as to property disposition may not be revoked or modified, unless the court finds the existence of conditions that justify the reopening of a judgment under the laws of this state.

(2) Unless otherwise agreed in writing or expressly provided in the decree the obligation to pay future maintenance is terminated upon the death of either party or the remarriage of the party receiving maintenance or registration of a new domestic partnership of the party receiving maintenance.

(3) Unless otherwise agreed in writing or expressly provided in the decree, provisions for the support of a child are terminated by emancipation of the child or by the death of the ~~((parent obligated to))~~ person required to pay support for the child.

(4) Unless expressly provided by an order of the superior court or a court of comparable jurisdiction, provisions for the support of a child are terminated upon the marriage or registration of a domestic partnership to each other of parties to a paternity or parentage order, or upon the remarriage or registration of a domestic partnership to each other of parties to a decree of dissolution. The remaining

provisions of the order, including provisions establishing ~~((paternity))~~ parentage, remain in effect.

(5)(a) A party to an order of child support may petition for a modification based upon a showing of substantially changed circumstances at any time.

(b) ~~((An obligor's))~~ The voluntary unemployment or voluntary underemployment of the person required to pay support, by itself, is not a substantial change of circumstances.

(6) An order of child support may be modified at any time to add language regarding abatement to ten dollars per month per order due to the incarceration of the person required to pay support, as provided in section 4 of this act.

(a) The department of social and health services, the person entitled to receive support or the payee under the order, or the person required to pay support may petition for a prospective modification of a child support order if the person required to pay support is currently confined in a jail, prison, or correctional facility for at least six months or is serving a sentence greater than six months in a jail, prison, or correctional facility, and the support order does not contain language regarding abatement due to incarceration.

(b) The petition may only be filed if the person required to pay support is currently incarcerated.

(c) As part of the petition for modification, the petitioner may also request that the support obligation be abated to ten dollars per month per order due to incarceration, as provided in section 4 of this act.

(7) An order of child support may be modified without showing a substantial change of circumstances if the requested modification is to modify an existing order when the person required to pay support has been released from incarceration, as provided in section 4(3)(d) of this act.

(8) An order of child support may be modified one year or more after it has been entered without a showing of substantially changed circumstances:

(a) If the order in practice works a severe economic hardship on either party or the child;

(b) If a child is still in high school, upon a finding that there is a need to extend support beyond the eighteenth birthday to complete high school; or

(c) To add an automatic adjustment of support provision consistent with RCW 26.09.100.

~~((7))~~ (9)(a) If twenty-four months have passed from the date of the entry of the order or the last adjustment or modification, whichever is later, the order may be adjusted without a showing of substantially changed circumstances based upon:

(i) Changes in the income of the ~~((parents))~~ person required to pay support, or of the payee under the order or the person entitled to receive support who is a parent of the child or children covered by the order; or

(ii) Changes in the economic table or standards in chapter 26.19 RCW.

(b) Either party may initiate the adjustment by filing a motion and child support worksheets.

(c) If the court adjusts or modifies a child support obligation pursuant to this subsection by more than thirty percent and the change would cause significant hardship, the court may implement the change in two equal increments, one at the time of the entry of the order and the second six months from the entry of the order. Twenty-four months must pass following the second change before a motion for another adjustment under this subsection may be filed.

~~((8))~~ (10)(a) The department of social and health services may file an action to modify or adjust an order of child support if public assistance money is being paid to or for the benefit of the child and the department has determined that the child support order is at least fifteen percent above or below the appropriate child support amount set forth in the standard calculation as defined in RCW 26.19.011.

(b) The department of social and health services may file an action to modify or adjust an order of child support in a nonassistance case if:

(i) The department has determined that the child support order is at least fifteen percent above or below the appropriate child support amount set forth in the standard calculation as defined in RCW 26.19.011;

(ii) The department has determined the case meets the department's review criteria; and

(iii) A party to the order or another state or jurisdiction has requested a review.

(c) If incarceration of the ~~((parent who is obligated))~~ person required to pay support is the basis for the difference between the existing child support order amount and the proposed amount of support determined as a result of a review, the department may file an action to modify or adjust an order of child support even if:

(i) There is no other change of circumstances; and

(ii) The change in support does not meet the fifteen percent threshold.

(d) The determination of whether the child support order is at least fifteen percent above or below the appropriate child support amount must be based on the current income of the parties.

~~((9))~~ (11) The department of social and health services may file an action to modify or adjust an order of child support under subsections (5) through ~~((7))~~ (9) of this section if:

(a) Public assistance money is being paid to or for the benefit of the child;

(b) A party to the order in a nonassistance case has requested a review; or

(c) Another state or jurisdiction has requested a modification of the order.

~~((40))~~ (12) If testimony other than affidavit is required in any proceeding under this section, a court of this state shall permit a party or witness to be deposed or to testify under penalty of perjury by telephone, audiovisual means, or other electronic means, unless good cause is shown.

**NEW SECTION. Sec. 16.** A new section is added to chapter 26.09 RCW to read as follows:

The department is granted rule-making authority to adopt rules necessary for the implementation of this act.

**Sec. 17.** RCW 26.23.110 and 2009 c 476 s 5 are each amended to read as follows:

(1) The department may serve a notice of support owed ~~((on a responsible parent))~~ when a child support order:

(a) Does not state the current and future support obligation as a fixed dollar amount;

(b) Contains an escalation clause or adjustment provision for which additional information not contained in the support order is needed to determine the fixed dollar amount of the support debt or the fixed dollar amount of the current and future support obligation, or both; ~~((or))~~

(c) Provides that the person required by the order to make the transfer payment must pay a portion of child care or day care expenses for a child or children covered by the order; or

(d) Provides that ~~((the responsible parent is responsible for paying))~~ either the person required to pay support or the person entitled to receive support, or both, are obligated to pay for a portion of uninsured medical costs, copayments, and/or deductibles incurred on behalf of the child or children covered by the order, but does not reduce the costs to a fixed dollar amount.

(2) The department may serve a notice of support owed for day care or child care on the person required by the order to make the transfer payment when:

(a) The underlying support order requires that person to pay his or her proportionate share of day care or child care costs directly to the person entitled to receive support; or

(b) The person entitled to receive support is seeking reimbursement because he or she has paid the share of day care or child care costs owed by the person required by the order to make the transfer payment.

(3) The department may serve a notice of support owed for medical support on ~~((a parent who has been designated to pay per a))~~ any person obligated by a child support order to provide medical support for the child or children covered by the order. There are two different types of medical support obligations:

(a) Health care coverage: The department may serve a notice of support owed to determine an obligated person's monthly payment toward the premium as defined in RCW 26.09.105, if the support order does not set a fixed dollar amount for the monthly payment toward the premium.

(b) Uninsured medical expenses: The department may serve a notice of support owed on any person who is obligated to pay a portion of uninsured medical costs, copayments, or deductibles incurred on behalf of the child or children covered by the order, ~~((but only))~~ when the support order does not reduce the costs to a fixed dollar amount.

~~((3)) The department may serve a notice of support owed to determine a parent's monthly payment toward the premium as defined in RCW 26.09.105, if the support order does not set a fixed dollar amount for the monthly payment toward the premium.))~~ (i) The notice of support owed may be served for purposes of reimbursing a person who has paid the share of uninsured medical expenses owed by any person obligated to contribute to those costs;

(ii) The notice of support owed may be served to establish a monthly amount to be paid by a person obligated to contribute to uninsured medical expenses when the underlying support order requires that person to pay his or her proportionate share of uninsured medical expenses directly to another party to the order; or

(iii) The notice of support owed may be served for both purposes listed in this subsection.

(4) The notice of support owed ~~((shall))~~ is intended to facilitate enforcement of the support order and implement and effectuate the terms of the support order, rather than modify those terms. When the ~~((office of support enforcement))~~ department issues a notice of support owed, the ~~((office shall))~~ department must inform the payee under the support order.

(5) Service of the notice of support owed ~~((shall))~~ must be as follows:

(a) An initial notice of support owed must be served on ~~((a responsible parent))~~ the person required by the order to pay support or contribute to costs by personal service or any form of mailing requiring a return receipt. ~~((The notice shall be served on the applicant or recipient of services by first class mail to the last known address.))~~ The initial notice may be served on the person who is entitled to receive the support covered by the notice, as well as the payee under the order if appropriate, by regular mail.

(b) A notice of support owed created for purposes of reviewing an ongoing support obligation established by a prior notice of support owed may be served on the person required by the order to pay support or contribute to costs by regular mail to that person's last known address.

(c) An initial notice of support owed, as well as any notice created for purposes of reviewing an ongoing support obligation established by a prior notice of support owed may be served on the person entitled to receive the support by regular mail to that person's last known address.

(6) The notice of support owed ~~((shall))~~ must contain:

(a) An initial finding of the fixed dollar amount of current and future support obligation that should be paid or the fixed dollar amount of the support debt owed under the support order, or both; and

(b) A statement that any subsequent notice of support owed created for purposes of reviewing the amounts established by the current notice may be served on any party to the order by regular mail to that person's last known address.

~~((6))~~ (7) A ~~((parent))~~ person who objects to the fixed dollar amounts stated in the notice of support owed has twenty days from the date of the service of the notice of support owed to file an application for an adjudicative proceeding or initiate an action in superior court.

~~((7))~~ (8) The notice of support owed ~~((shall))~~ must state that the ~~((parent))~~ person may:

(a) File an application for an adjudicative proceeding governed by chapter 34.05 RCW, the administrative procedure act, in which the ~~((parent))~~ person will be required to appear and show cause why the fixed dollar amount of support debt or current and future support obligation, or both, stated in the notice of support owed is incorrect and should not be ordered; or

(b) Initiate an action in superior court.

~~((8))~~ (9) If ~~((either parent does not file))~~ no person included in the notice files an application for an adjudicative proceeding or ~~((initiate))~~ initiates an action in superior court, the fixed dollar amount of current and future support obligation or support debt, or both, stated in the notice of support owed ~~((shall become))~~ becomes final and subject to collection action.

~~((9))~~ (10) If an adjudicative proceeding is requested, the ~~((department shall mail a copy of the notice of adjudicative proceeding to the parties))~~ office of administrative hearings must schedule a hearing. All persons included in the notice are entitled to participate in the hearing with full party rights.

~~((10))~~ (11) If ~~((either parent does not initiate))~~ no person included in the notice initiates an action in superior court, and ~~((serve))~~ serves notice of the action on the department and the other party to the support order within the twenty-day period, ~~((the parent shall))~~ all persons included in the notice must be deemed to have made an election of remedies and ~~((shall be required to))~~ must exhaust administrative remedies under this chapter with judicial review available as provided for in RCW 34.05.510 through 34.05.598.

~~((11))~~ (12) An ~~((adjudicative))~~ administrative order entered in accordance with this section ~~((shall))~~ must state:

(a) The basis, rationale, or formula upon which the fixed dollar amounts established in the ~~((adjudicative))~~ order were based((-));

(b) The fixed dollar amount of current and future support obligation or the amount of the support debt, or both, determined under this section ~~((shall be))~~ is subject to collection under this chapter and other applicable state statutes; and

(c) That any subsequent notice of support owed created for purposes of reviewing the amounts established

by the current notice may be served on any party to the order by regular mail to that person's last known address.

~~((12))~~ (13) The department ~~((shall))~~ must also provide for:

(a) An annual review of the support order if ~~((either))~~ the ~~((office of support enforcement))~~ department, the person required to pay support, the payee under the order, or the ~~((parent))~~ person entitled to receive support requests such a review; and

(b) A late ~~((adjudicative proceeding))~~ hearing if ~~((the parent))~~ a person included in the notice fails to file an application for an adjudicative proceeding in a timely manner under this section.

~~((13))~~ (14) If an annual review ~~((or late adjudicative proceeding))~~ is requested under subsection ~~((12))~~ (13) of this section, the department ~~((shall mail))~~ may serve the notice of annual review of the administrative order based on the prior notice of support owed by mailing a copy of the notice ~~((of adjudicative proceeding))~~ by regular mail to the ~~((parties'))~~ last known address of all parties to the order.

~~((14))~~ (15) If one of the parties requests a late hearing under subsection (13) of this section, the office of administrative hearings must schedule an adjudicative proceeding.

(16) An annual review under subsection (13) of this section is used to determine whether the expense remained the same, increased or decreased, and whether there is a discrepancy between the actual expense and the amount determined under the prior notice of support owed.

(a) If a change in the actual expense which was the basis for the most recent notice of support owed occurs before twelve months pass, any party to the order may request that the department accelerate the annual review described in subsection (13) of this section.

(b) The department may review any evidence presented by the person claiming that the expense has occurred and determine whether the change is likely to create a significant overpayment or underpayment if the department does not serve a new notice of support owed.

(c) Under appropriate circumstances, the department may accelerate the time for the review and serve a notice of support owed even if twelve months have not passed.

(17) The department has rule-making authority to:

(a) Enact rules consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19) as amended by section 7307 of the deficit reduction act of 2005~~((-- Additionally, the department has rule making authority to))~~;

(b) Implement regulations required under 45 C.F.R. Parts 302, 303, 304, 305, and 308; and

(c) Implement the provisions of this section.

NEW SECTION. Sec. 18. Sections 3 through 13 of this act take effect February 1, 2021."

(e) Before a domestic brewery may sell bottled beer at a qualifying farmers market, the farmers market must apply to the board for authorization for any domestic brewery with an endorsement approved under this subsection to sell bottled beer at retail at the farmers market. This application shall include, at a minimum: (i) A map of the farmers market showing all booths, stalls, or other designated locations at which an approved domestic brewery may sell bottled beer; and (ii) the name and contact information for the on-site market managers who may be contacted by the board or its designee to verify the locations at which bottled beer may be sold. Before authorizing a qualifying farmers market to allow an approved domestic brewery to sell bottled beer at retail at its farmers market location, the board shall notify the persons or entities of such application for authorization pursuant to RCW 66.24.010 (8) and (9). An authorization granted under this subsection (6)(e) may be withdrawn by the board for any violation of this title or any rules adopted under this title.

(f) The board may adopt rules establishing the application and approval process under this section and such additional rules as may be necessary to implement this section.

(g) For the purposes of this subsection:

(i) "Qualifying farmers market" means an entity that sponsors a regular assembly of vendors at a defined location for the purpose of promoting the sale of agricultural products grown or produced in this state directly to the consumer under conditions that meet the following minimum requirements:

(A) There are at least five participating vendors who are farmers selling their own agricultural products;

(B) The total combined gross annual sales of vendors who are farmers exceeds the total combined gross annual sales of vendors who are processors or resellers;

(C) The total combined gross annual sales of vendors who are farmers, processors, or resellers exceeds the total combined gross annual sales of vendors who are not farmers, processors, or resellers;

(D) The sale of imported items and secondhand items by any vendor is prohibited; and

(E) No vendor is a franchisee.

(ii) "Farmer" means a natural person who sells, with or without processing, agricultural products that he or she raises on land he or she owns or leases in this state or in another state's county that borders this state.

(iii) "Processor" means a natural person who sells processed food that he or she has personally prepared on land he or she owns or leases in this state or in another state's county that borders this state.

(iv) "Reseller" means a natural person who buys agricultural products from a farmer and resells the products directly to the consumer.

(7) The state board of health shall adopt rules to allow dogs on the premises of licensed domestic breweries that do not provide food service subject to a food service permit requirement.

**Sec. 35.** RCW 66.24.244 and 2015 c 42 s 1 are each amended to read as follows:

(1) There shall be a license for microbreweries; fee to be one hundred dollars for production of less than sixty thousand barrels of malt liquor, including strong beer, per year.

(2)(a) Any microbrewery licensed under this section may also act as a distributor and/or retailer for beer and strong beer of its own production.

(b) Any microbrewery operating as a distributor and/or retailer under this subsection must comply with the applicable laws and rules relating to distributors and/or retailers, except that a microbrewery operating as a distributor may maintain a warehouse off the premises of the microbrewery for the distribution of beer provided that:

(i) The warehouse has been approved by the board under RCW 66.24.010; and

(ii) The number of warehouses off the premises of the microbrewery does not exceed one.

(c) A microbrewery holding a spirits, beer, and wine restaurant license may sell beer of its own production for off-premises consumption from its restaurant premises in kegs or in a sanitary container brought to the premises by the purchaser or furnished by the licensee and filled at the tap by the licensee at the time of sale.

(3) Any microbrewery licensed under this section may also sell from its premises for on-premises and off-premises consumption:

(a) Beer produced by another microbrewery or a domestic brewery as long as the other breweries' brands do not exceed twenty-five percent of the microbrewery's on-tap offerings; or

(b) Cider produced by a domestic winery.

(4) The board may issue up to ~~((two))~~ four retail licenses allowing a microbrewery to operate an on or off-premises tavern, beer and/or wine restaurant, ~~((or))~~ spirits, beer, and wine restaurant, or any combination thereof.

(5) A microbrewery that holds a tavern license, spirits, beer, and wine restaurant license, or a beer and/or wine restaurant license holds the same privileges and endorsements as permitted under RCW 66.24.320, 66.24.330, and 66.24.420.

(6)(a) A microbrewery licensed under this section may apply to the board for an endorsement to sell bottled beer of its own production at retail for off-premises consumption at a qualifying farmers market. The annual fee for this endorsement is seventy-five dollars. However, strong beer may not be sold at a farmers market or under any endorsement which may authorize microbreweries to sell beer at farmers markets.

(b) For each month during which a microbrewery will sell beer at a qualifying farmers market, the microbrewery must provide the board or its designee a list of the dates, times, and locations at which bottled beer may be offered for sale. This list must be received by the board before the microbrewery may offer beer for sale at a qualifying farmers market.

(c) Any person selling or serving beer must obtain a class 12 or class 13 alcohol server permit.

(d) The beer sold at qualifying farmers markets must be produced in Washington.

(e) Each approved location in a qualifying farmers market is deemed to be part of the microbrewery license for the purpose of this title. The approved locations under an endorsement granted under this subsection (6) include tasting or sampling privileges subject to the conditions pursuant to RCW 66.24.175. The microbrewery may not store beer at a farmers market beyond the hours that the microbrewery offers bottled beer for sale. The microbrewery may not act as a distributor from a farmers market location.

(f) Before a microbrewery may sell bottled beer at a qualifying farmers market, the farmers market must apply to the board for authorization for any microbrewery with an endorsement approved under this subsection (6) to sell bottled beer at retail at the farmers market. This application must include, at a minimum: (i) A map of the farmers market showing all booths, stalls, or other designated locations at which an approved microbrewery may sell bottled beer; and (ii) the name and contact information for the on-site market managers who may be contacted by the board or its designee to verify the locations at which bottled beer may be sold. Before authorizing a qualifying farmers market to allow an approved microbrewery to sell bottled beer at retail at its farmers market location, the board must notify the persons or entities of the application for authorization pursuant to RCW 66.24.010 (8) and (9). An authorization granted under this subsection (6)(f) may be withdrawn by the board for any violation of this title or any rules adopted under this title.

(g) The board may adopt rules establishing the application and approval process under this section and any additional rules necessary to implement this section.

(8) The state board of health shall adopt rules to allow dogs on the premises of licensed microbreweries that do not provide food service subject to a food service permit requirement.

### MESSAGE FROM THE SENATE

March 5, 2020

Madame Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2528 with the following amendment:

38.0.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** (1) The legislature finds that the intergovernmental panel on climate change (IPCC) released a report in 2019 entitled "IPCC special report on climate change, desertification, land degradation, sustainable land management, food security, and greenhouse gas fluxes in terrestrial ecosystems" that provides guidance relating to how natural and working lands can be utilized to assist with a global climate response strategy. In addition, the food and agricultural organization of the United Nations issued a report in 2016 entitled "forestry for a low-carbon future" with specific recommendations for integrating forest and wood products in climate change strategies.

Recommendations from these reports are critical as Washington develops its own climate response and charts how the state can use its forestland base and vibrant forest products sector as part of its contribution to the global climate response.

(2) The legislature further finds that the 2019 intergovernmental panel on climate change report identifies several measures where sustainable forest management and forest products may be utilized to maintain and enhance carbon sequestration. These include increasing the carbon sequestration potential of forests and forest products by maintaining and expanding the forestland base, reducing emissions from land conversion to nonforest uses, increasing forest resiliency to reduce the risk of carbon releases from disturbances such as wildfire, pest infestation, and disease, and applying sustainable forest management techniques to maintain or enhance forest carbon stocks and forest carbon sinks, including through the transference of carbon to wood products.

(3) The legislature further finds that the food and agricultural organization of the United Nations reports similar recommendations, with a focus on forest management tools that increases the carbon density in forests, increases carbon storage out of the forest in harvested wood products, utilizes wood energy, and suppresses forest disturbances from fire, pests, and disease.

**Sec. 2.** RCW 70.235.005 and 2008 c 14 s 1 are each amended to read as follows:

(1) The legislature finds that Washington has long been a national and international leader on energy conservation and environmental stewardship, including air quality protection, renewable energy development and generation, emission standards for fossil-fuel based energy generation, energy efficiency programs, natural resource conservation, sustainable forestry and the production of forest products, vehicle emission standards, and the use of biofuels. Washington is also unique among most states in that in addition to its commitment to reduce emissions of greenhouse gases, it has established goals to grow the clean energy sector and reduce the state's expenditures on imported fuels.

(2) The legislature further finds that Washington should continue its leadership on climate change policy by creating accountability for achieving the emission reductions established in RCW 70.235.020, participating in the design of a regional multisector market-based system to help achieve those emission reductions, assessing other market strategies to reduce emissions of greenhouse gases, maintaining and enhancing the state's ability to continue to sequester carbon through natural and working lands and forest products, and ensuring the state has a well trained workforce for our clean energy future.

(3) It is the intent of the legislature that the state will: (a) Limit and reduce emissions of greenhouse gas consistent with the emission reductions established in RCW 70.235.020; (b) minimize the potential to export pollution, jobs, and economic opportunities; ~~((and))~~ (c) support industry sectors that can act as sequesterers of carbon; and

(d) reduce emissions at the lowest cost to Washington's economy, consumers, and businesses.

(4) In the event the state elects to participate in a regional multisector market-based system, it is the intent of the legislature that the system will become effective by January 1, 2012, after authority is provided to the department for its implementation. By acting now, Washington businesses and citizens will have adequate time and opportunities to be well positioned to take advantage of the low-carbon economy and to make necessary investments in low-carbon technology.

(5) It is also the intent of the legislature that the regional multisector market-based system recognize Washington's unique emissions and sequestration portfolio, including the ~~((state's))~~:

(a) State's hydroelectric system~~((the))~~;

(b) Opportunities presented by Washington's abundant forest resources and the associated forest products industry, along with aquatic and agriculture land~~((s))~~ and the associated industries; and ~~((the))~~

(c) State's leadership in energy efficiency and the actions it has already taken that have reduced its generation of greenhouse gas emissions and that entities receive appropriate credit for early actions to reduce greenhouse gases.

(6) If any revenues, excluding those from state trust lands, that accrue to the state are created by a market system, they must be used to further the state's efforts to achieve the goals established in RCW 70.235.020, address the impacts of global warming on affected habitats, species, and communities, promote and invest in industry sectors that act as sequesterers of carbon, and increase investment in the clean energy economy particularly for communities and workers that have suffered from heavy job losses and chronic unemployment and underemployment.

**NEW SECTION. Sec. 3.** A new section is added to chapter 70.235 RCW to read as follows:

(1)(a) Washington's existing forest products sector, including public and private working forests and the harvesting, transportation, and manufacturing sectors that enable working forests to remain on the land and the state to be a global supplier of forest products, is, according to a University of Washington study analyzing the global warming mitigating role of wood products from Washington's private forests, an industrial sector that currently operates as a significant net sequesterer of carbon. This value, which is only provided through the maintenance of an intact and synergistic industrial sector, is an integral component of the state's contribution to the global climate response and efforts to mitigate carbon emissions.

(b) Satisfying the goals set forth in RCW 70.235.020 requires supporting, throughout all of state government, consistent with other laws and mandates of the state, the economic vitality of the sustainable forest products sector and other business sectors capable of sequestering and storing carbon. This includes support for working forests of all sizes, ownerships, and management objectives, and the

necessary manufacturing sectors that support the transformation of stored carbon into long-lived forest products while maintaining and enhancing the carbon mitigation benefits of the forest sector, sustaining rural communities, and providing for fish, wildlife, and clean water, as provided in chapter 76.09 RCW. Support for the forest sector also ensures the state's public and private working forests avoid catastrophic wildfire and other similar disturbances and avoid conversion in the face of unprecedented conversion pressures.

(c) It is the policy of the state to support the contributions of all working forests and the synergistic forest products sector to the state's climate response. This includes landowners, mills, bioenergy, pulp and paper, and the related harvesting and transportation infrastructure that is necessary for forestland owners to continue the rotational cycle of carbon capture and sequestration in growing trees and allows forest products manufacturers to store the captured carbon in wood products and maintain and enhance the forest sector's role in mitigating a significant percentage of the state's carbon emissions while providing other environmental and social benefits and supporting a strong rural economic base. It is further the policy of the state to support the participation of working forests in current and future carbon markets, strengthening the state's role as a valuable contributor to the global carbon response while supporting one of its largest manufacturing sectors.

(d) It is further the policy of the state to utilize carbon accounting land use, land use change, and forestry reporting principles consistent with established reporting guidelines, such as those used by the intergovernmental panel on climate change and the United States national greenhouse gas reporting inventories.

(2) Any state carbon programs must support the policies stated in this section and recognize the forest products industry's contribution to the state's climate response."

On page 1, line 3 of the title, after "response;" strike the remainder of the title and insert "amending RCW 70.235.005; adding a new section to chapter 70.235 RCW; and creating a new section."

and the same is herewith transmitted.

Brad Hendrickson, Secretary

Madame Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 2584 with the following amendment:

3.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 4.** A new section is added to chapter 71.24 RCW to read as follows:

(1) It is the intent of the legislature that behavioral health medicaid rate increases be grounded with the rate-setting process for the provider type or practice setting.

(2) In implementing a rate increase funded by the legislature, including rate increases provided through managed care organizations, the authority must work with the actuaries responsible for establishing medicaid rates for behavioral health services and managed care organizations responsible for distributing funds to behavioral health services to assure that appropriate adjustments are made to the wraparound with intensive services case rate, as well as any other behavioral health services in which a case rate is used.

(3)(a) The authority shall establish a process for verifying that funds appropriated in the omnibus operating

appropriations act for targeted behavioral health provider rate increases, including rate increases provided through managed care organizations, are used for the objectives stated in the appropriation.

(b) The process must: (i) Establish which behavioral health provider types the funds are intended for; (ii) include transparency and accountability mechanisms to demonstrate that appropriated funds for targeted behavioral health provider rate increases are passed through, in the manner intended, to the behavioral health providers who are the subject of the funds appropriated for targeted behavioral health provider rate increases; (iii) include actuarial information provided to managed care organizations to ensure the funds directed to behavioral health providers have been appropriately allocated and accounted for; and (iv) include the participation of managed care organizations, behavioral health administrative services organizations, providers, and provider networks that are the subject of the targeted behavioral health provider rate increases. The process must include a method for determining if the funds have increased access to the behavioral health services offered by the behavioral health providers who are the subject of the targeted provider rate increases.

(c) The process may:

(i) Include a quantitative method for determining if the funds have increased access to behavioral health services offered by the behavioral health providers who received the targeted provider rate increases;

(ii) Ensure the viability of pass-through payments in a capitated rate methodology; and

(iii) Ensure that medicaid rate increases account for the impact of value-based contracting on provider reimbursements and implementations of pass-through payments.

(4) By November 1st of each year, the authority shall report to the committees of the legislature with jurisdiction over behavioral health issues and fiscal matters regarding the established process for each appropriation for a targeted behavioral health provider rate increase, whether the funds were passed through in accordance with the appropriation language, and any information about increased access to behavioral health services associated with the appropriation. The reporting requirement for each appropriation for a targeted behavioral health provider rate increase shall continue for two years following the specific appropriation."

(b) With the affirmative vote of at least five members of the commission, the commission may enter into a lease for up to sixty-two years for property at Saint Edward state park. The commission may only enter into a lease under the provisions of this subsection (2)(b) if the commission finds that the department of commerce study required by section 3, chapter 103, Laws of 2016 fails to identify an economically viable public or nonprofit use for the property that is consistent with the state parks and recreation commission's mission and could proceed on a reasonable timeline. The lease at Saint Edward state park may only include the following:

(2) Adopt policies, and adopt, issue, and enforce rules pertaining to the use, care, and administration of state parks and parkways. The commission shall cause a copy of the rules to be kept posted in a conspicuous place in every state park to which they are applicable, but failure to post or keep any rule posted shall be no defense to any prosecution for the violation thereof.

(3) Permit the use of state parks and parkways by the public under such rules as shall be adopted.

(4) Clear, drain, grade, seed, and otherwise improve or beautify parks and parkways, and erect structures, buildings, fireplaces, and comfort stations and build and maintain paths, trails, and roadways through or on parks and parkways.

(a) Leases exceeding a twenty-year term, or the amendment or modification of these leases, shall require a vote consistent with RCW 79A.05.025(2).

(b) If, during the term of any concession or lease, it is the opinion of the commission that it would be in the best interest of the state, the commission may, with the consent of the concessionaire or lessee, alter and amend the terms and conditions of such concession or lease.

(c) Television station leases shall be subject to the provisions of RCW 79A.05.085.

(d) The rates of concessions or leases shall be renegotiated at five-year intervals. No concession shall be granted which will prevent the public from having free access to the scenic attractions of any park or parkway.

(6) Employ such assistance as it deems necessary. Commission expenses relating to its use of volunteer assistance shall be limited to premiums or assessments for the insurance of volunteers by the department of labor and industries, compensation of staff who assist volunteers, materials and equipment used in authorized volunteer projects, training, reimbursement of volunteer travel as provided in RCW 43.03.050 and 43.03.060, and other reasonable expenses relating to volunteer recognition. The commission, at its discretion, may waive commission fees otherwise applicable to volunteers. The commission shall not use volunteers to replace or supplant classified positions. The use of volunteers may not lead to the elimination of any employees or permanent positions in the bargaining unit.

(7) By majority vote of its authorized membership, select and purchase or obtain options upon, lease, or otherwise acquire for and in the name of the state such tracts of land, including shore and tide lands, for park and parkway purposes as it deems proper. If the commission cannot acquire any tract at a price it deems reasonable, it may, by majority vote of its authorized membership, obtain title thereto, or any part thereof, by condemnation proceedings conducted by the attorney general as provided for the condemnation of rights-of-way for state highways. Option agreements executed under authority of this subsection shall be valid only if:

(a) The cost of the option agreement does not exceed one dollar; and

(b) Moneys used for the purchase of the option agreement are from (i) funds appropriated therefor, or (ii) funds appropriated for undesignated land acquisitions, or (iii) funds deemed by the commission to be in excess of the amount necessary for the purposes for which they were appropriated; and

(c) The maximum amount payable for the property upon exercise of the option does not exceed the appraised value of the property.

(8) Cooperate with the United States, or any county or city of this state, in any matter pertaining to the acquisition, development, redevelopment, renovation, care, control, or supervision of any park or parkway, and enter into contracts in writing to that end. All parks or parkways, to which the state contributed or in whose care, control, or supervision the state participated pursuant to the provisions of this section, shall be governed by the provisions hereof.

(9) Within allowable resources, maintain policies that increase the number of people who have access to free or low-cost recreational opportunities for physical activity, including noncompetitive physical activity.

(10) Adopt rules establishing the requirements for a criminal history record information search for the following: Job applicants, volunteers, and independent contractors who have unsupervised access to children or vulnerable adults, or who will be responsible for collecting or disbursing cash or processing credit/debit card transactions. These background checks will be done through the Washington state patrol criminal identification section and may include a national check from the federal bureau of investigation, which shall be through the submission of fingerprints. A permanent employee of the commission, employed as of July 24, 2005, is exempt from the provisions of this subsection."

On page 1, line 2 of the title, after "leases;" strike the remainder of the title and insert "and amending RCW 79A.05.025 and 79A.05.030."

relationship between the employer and language access providers as provided in subsections (1) and (2) of this section.

(4) Each party with whom the department of social and health services, the department of children, youth, and families, the department of labor and industries, and the department of enterprise services contracts for language access services and each of their subcontractors shall provide to the respective department an accurate list of language access providers, as defined in RCW 41.56.030, including their names, addresses, and other contact information, annually by January 30th, except that initially the lists must be provided within thirty days of July 1, 2018. (b) The legislature's right to make programmatic modifications to the delivery of state services under chapter 74.04 or 39.26 RCW or Title 51 RCW. (7) A request for funds necessary to implement the compensation and benefit provisions of a collective bargaining agreement entered into under this section may not be submitted by the governor to the legislature unless the request has been:

(a) Submitted to the director of financial management by October 1st prior to the legislative session at which the requests are to be considered, except that, for initial negotiations under this section, the request may not be submitted before July 1, 2011; and

(b) Certified by the director of financial management as financially feasible for the state or reflective of a binding decision of an arbitration panel reached under subsection (2)(d) of this section.

(8) The legislature must approve or reject the submission of the request for funds as a whole. If the legislature rejects or fails to act on the submission, any collective bargaining agreement must be reopened for the sole purpose of renegotiating the funds necessary to implement the agreement.

(9) If, after the compensation and benefit provisions of an agreement are approved by the legislature, a significant

revenue shortfall occurs resulting in reduced appropriations, as declared by proclamation of the governor or by resolution of the legislature, both parties shall immediately enter into collective bargaining for a mutually agreed upon modification of the agreement.

(10) After the expiration date of any collective bargaining agreement entered into under this section, all of the terms and conditions specified in the agreement remain in effect until the effective date of a subsequent agreement, not to exceed one year from the expiration date stated in the agreement.

(11) In enacting this section, the legislature intends to provide state action immunity under federal and state antitrust laws for the joint activities of language access providers and their exclusive bargaining representative to the extent the activities are authorized by this chapter.

(12) By December 1, 2020, the department of social and health services, the department of children, youth, and families, the department of labor and industries, the health care authority, and the department of enterprise services must report to the legislature on the following:

(a) Each agency's current process for procuring spoken language interpreters and whether the changes in chapter 253, Laws of 2018 have been implemented;

(b) If chapter 253, Laws of 2018 has not been fully implemented by an agency, the barriers to implementation the agency has encountered and recommendations for removing the barriers to implementation;

(c) The impacts of the changes to the bargaining units for language access providers in chapter 253, Laws of 2018; and

(d) Recommendations on how to improve the procurement and accessibility of language access providers."

### MESSAGE FROM THE SENATE

March 5, 2020

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2713 with the following amendment:

6.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 7.** The legislature finds and declares that local compost manufacturing plays a critical role in our state's solid waste infrastructure. Composting benefits Washington agencies, counties, cities, businesses, and residents by diverting hundreds of thousands of tons of organic waste from landfills, reducing solid waste costs, and lowering carbon emissions. The legislature finds that a growing number of local governments are recognizing the benefits of composting programs and offering compost collection to their residents and businesses. The diversion of food waste from landfills to compost processors remains critical for state and local governments to meet their ambitious diversion goals.

The legislature also finds that composting is a strong carbon reduction industry for Washington, as the application of compost to soil systems permits increased carbon sequestration. Compost can also replace synthetic chemical fertilizer, prevent topsoil erosion, and filter stormwater on

green infrastructure projects such as rain gardens and retention ponds.

The legislature declares that state and local governments should lead by example by purchasing and using local compost that meets state standards and by encouraging farming operations to do so as well.

**NEW SECTION. Sec. 8.** A new section is added to chapter 43.19A RCW to read as follows:

(1) When planning government-funded projects or soliciting and reviewing bids for such projects, all state agencies and local governments shall consider whether compost products can be utilized in the project.

(2) If compost products can be utilized in the project, the state agency or local government must use compost products, except as follows:

(a) A state agency or local government is not required to use compost products if:

(i) Compost products are not available within a reasonable period of time;

(ii) Compost products that are available do not comply with existing purchasing standards;

(iii) Compost products that are available do not comply with federal or state health, quality, and safety standards; and

(iv) Compost purchase prices are not reasonable or competitive; and

(b) A state agency is also not required to use compost products in a project if:

(i) The total cost of using compost is financially prohibitive;

(ii) Application of compost will have detrimental impacts on the physical characteristics and nutrient condition of the soil as it is used for a specific crop;

(iii) The project consists of growing trees in a greenhouse setting, including seed orchard greenhouses; or

(iv) The compost products that are available have not been certified as being free of crop-specific pests and pathogens, including pests and pathogens that could result in the denial of phytosanitary permits for shipping seedlings.

(3) Before the transportation or application of compost products under this section, composting facilities, state agencies, and local governments must ensure compliance with department of agriculture pest control regulations provided in chapter 16-470 WAC.

(4) State agencies and local governments are encouraged to give priority to purchasing compost products from companies that produce compost products locally, are certified by a nationally recognized organization, and produce compost products that are derived from municipal solid waste compost programs and meet quality standards adopted by rule by the department of ecology.

**NEW SECTION. Sec. 9.** A new section is added to chapter 43.19A RCW to read as follows:

(1) Each local government that provides a residential composting service is encouraged to enter into a purchasing agreement with its compost processor to buy back finished compost products for use in government projects or on government land. The local government is encouraged to purchase an amount of finished compost product that is equal to or greater than fifty percent of the amount of organic residuals it delivered to the compost processor. Local governments may enter into collective purchasing agreements if doing so is more cost-effective or efficient. The compost processor should offer a purchase price that is reasonable and competitive for the specific market.

(2) When purchasing compost products for use in government projects or on government-owned land, local governments are encouraged to purchase compost with at least eight percent food waste, or an amount of food waste that is commensurate with that in the local jurisdiction's curbside collection program.

**NEW SECTION. Sec. 10.** (1) Subject to amounts appropriated for this specific purpose, the department of agriculture must establish and implement a three-year compost reimbursement pilot program to reimburse farming operations in the state for purchasing and using compost products from facilities with solid waste handling permits, including transportation, equipment, spreading, and labor costs. The grant reimbursements under the pilot program will begin January 1, 2021, and conclude December 31, 2023. For purposes of this program, "farming operation" means: A commercial agricultural, silvicultural, or aquacultural facility or pursuit, including the care and production of livestock and livestock products, poultry and poultry products, apiary products, and plant and animal production for nonfood uses; the planting, cultivating, harvesting, and processing of crops; and the farming or ranching of any plant or animal species in a controlled salt, brackish, or freshwater environment.

(2) To be eligible to participate in the reimbursement pilot program, a farming operation must complete an eligibility review with the department of agriculture prior to transporting or applying any compost products for which reimbursement will be sought under this section. The purpose of the review is for the department of agriculture to ensure that the proposed transport and application of compost products is consistent with the department's agricultural pest control rules in chapter 16-470 WAC. A farming operation must also verify that soil sampling will be allowed as necessary to establish a baseline of soil quality and carbon storage and for subsequent department of agriculture evaluations to assist the department's reporting requirements under subsection (9) of this section.

(3) The department of agriculture must create a form for eligible farming operations to apply for cost reimbursement. All applications for cost reimbursement must be submitted on the form along with documentation of the costs of purchasing and using compost products for which the applicant is requesting reimbursement. The department of agriculture may request that an applicant

provide information to verify the source, size, sale weight, or amount of compost products purchased and the cost of transportation, equipment, spreading, and labor. The applicant must also declare that it is not seeking reimbursement for:

(a) Its own compost products;

(b) Compost products that it has transferred, or intends to transfer, to another individual or entity, whether or not for compensation; or

(c) Compost products that were not purchased from a facility with a solid waste handling permit.

(4) A farming operation may submit only one application per year for purchases made and usage costs incurred during the fiscal year that begins on July 1st and ends on June 30th of each year in which the pilot program is in effect. Applications for reimbursement must be filed before the end of the fiscal year in which purchases were made and usage costs incurred.

(5) The department of agriculture must distribute reimbursement funds, subject to the following limitations:

(a) The department of agriculture must distribute reimbursements in a manner that prioritizes small farming operations as measured by acreage;

(b) No farming operation may receive reimbursement if it was not found eligible for reimbursement by the department of agriculture prior to transport or use under subsection (2) of this section;

(c) No farming operation may receive reimbursement for more than fifty percent of the costs it incurs for the purchase and use of compost products, including transportation, equipment, spreading, and labor costs;

(d) No farming operation may receive more than ten thousand dollars per year;

(e) No farming operation may receive reimbursement for its own compost products or compost products that it has transferred, or intends to transfer, to another individual or entity, whether or not for compensation; and

(f) No farming operation may receive reimbursement for compost products that were not purchased from a facility with a solid waste handling permit.

(6) The applicant shall indemnify and hold harmless the state and its officers, agents, and employees from all claims arising out of or resulting from the compost products purchased that are subject to the compost reimbursement pilot program under this section.

(7) There is established within the department of agriculture a compost reimbursement pilot program manager position. The compost reimbursement pilot program manager must possess knowledge and expertise in the area of program management necessary to carry out the duties of the position, which are to:

(a) Facilitate the division and distribution of available costs for reimbursement; and

(b) Manage the day-to-day coordination of the compost reimbursement pilot program.

(8) Any action taken by the department of agriculture pursuant to this section is exempt from the rule-making requirements of chapter 34.05 RCW.

(9) The department of agriculture must submit an annual report to the appropriate committees of the legislature by January 15th of each year of the program, with a final report due January 15, 2024. The report must include:

(a) The amount of compost for which reimbursement was sought under the program;

(b) The qualitative or quantitative effects of the program on soil quality and carbon storage; and

(c) An evaluation of the benefits and costs to the state of continuing, expanding, or furthering the strategies explored in the pilot program.

(10) This section expires June 30, 2024."

On page 1, line 1 of the title, after "use;" strike the remainder of the title and insert "adding new sections to chapter 43.19A RCW; creating new sections; and providing an expiration date."

#### MESSAGE FROM THE SENATE

March 4, 2020

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2794 with the following amendment:

10.0.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 13.50.260 and 2015 c 265 s 3 are each amended to read as follows:

(1)(a) The court shall hold regular sealing hearings. During these regular sealing hearings, the court shall administratively seal an individual's juvenile record pursuant to the requirements of this subsection (~~unless the court receives an objection to sealing or the court notes a compelling reason not to seal, in which case, the court shall set a contested hearing to be conducted on the record to address sealing~~). Although the juvenile record shall be sealed, the social file may be available to any juvenile justice or care agency when an investigation or case involving the juvenile subject of the records is being prosecuted by the juvenile justice or care agency or when the juvenile justice or care agency is assigned the responsibility of supervising the juvenile. (~~The contested hearing shall be set no sooner than eighteen days after notice of the hearing and the opportunity to object has been sent to the juvenile, the victim, and juvenile's attorney.~~) The juvenile respondent's presence is not required at ((a)) any administrative sealing hearing (~~pursuant to this subsection~~)).

(b) At the disposition hearing of a juvenile offender, the court shall schedule an administrative sealing hearing to take place during the first regularly scheduled sealing hearing after the latest of the following events that apply:

(i) The respondent's eighteenth birthday;

(ii) Anticipated (~~completion~~) end date of a respondent's probation, if ordered;

(iii) Anticipated release from confinement at the juvenile rehabilitation administration, or the completion of parole, if the respondent is transferred to the juvenile rehabilitation administration.

~~(c) ((A court shall enter a written order sealing an individual's juvenile court record pursuant to this subsection if:~~

~~((i)) The court shall not schedule an administrative sealing hearing at the disposition and no administrative sealing hearing shall occur if one of the offenses for which the court has entered a disposition is ((not)) at the time of commission of the offense:~~

~~((A)) (i) A most serious offense, as defined in RCW 9.94A.030;~~

~~((B)) (ii) A sex offense under chapter 9A.44 RCW; or~~

~~((C)) (iii) A drug offense, as defined in RCW 9.94A.030((and)).~~

~~((d)) (d) At the time of the scheduled administrative sealing hearing, the court shall enter a written order sealing the respondent's juvenile court record pursuant to this subsection if the court finds by a preponderance of the evidence that the respondent ((has completed the terms and conditions of disposition, including affirmative conditions)) is no longer on supervision for the case being considered for sealing and has paid the full amount of restitution owing to the individual victim named in the restitution order, excluding restitution owed to any ((insurance provider authorized under Title 48 RCW)) public or private entity providing insurance coverage or health care coverage. In determining whether the respondent is on supervision or owes restitution, the court shall take judicial notice of court records, including records of the county clerk, and, if necessary, sworn testimony from a representative of the juvenile department.~~

~~((d) Following a contested sealing hearing on the record after an objection is made pursuant to (a) of this subsection, the court shall enter a written order sealing the juvenile court record unless the court determines that sealing is not appropriate.) (e) At the time of the administrative sealing hearing, if the court finds the respondent remains on supervision for the case being considered for sealing, then the court shall continue the administrative sealing hearing to a date within thirty days following the anticipated end date of the respondent's supervision. At the next administrative sealing hearing, the court shall again determine the respondent's eligibility for sealing his or her juvenile court record pursuant to (d) of this subsection, and, if necessary, continue the hearing again as provided in this subsection.~~

~~(f)(i) During the administrative sealing hearing, if the court finds the respondent is no longer on supervision for the case being considered for sealing, but the respondent has not paid the full amount of restitution owing to the individual victim named in the restitution order, excluding any public or private entity providing insurance coverage or health care coverage, the court shall deny sealing the juvenile court record in a written order that: (A) Specifies the amount of restitution that remains unpaid to the original victim, excluding any public or private entity providing insurance coverage or health care coverage; and (B) provides direction to the respondent on how to pursue the sealing of records associated with this cause of action.~~

(ii) Within five business days of the entry of the written order denying the request to seal a juvenile court record, the juvenile court department staff shall notify the respondent of the denial by providing a copy of the order of denial to the respondent in person or in writing mailed to the respondent's last known address in the department of licensing database or the respondent's address provided to the court, whichever is more recent.

(iii) At any time following entry of the written order denying the request to seal a juvenile court record, the respondent may contact the juvenile court department, provide proof of payment of the remaining unpaid restitution to the original victim, excluding any public or private entity providing insurance coverage or health care coverage, and request an administrative sealing hearing. Upon verification of the satisfaction of the restitution payment, the juvenile court department staff shall circulate for signature an order sealing the file, and file the signed order with the clerk's office, who shall seal the record.

(iv) The administrative office of the courts must ensure that sealed juvenile records remain private in case of an appeal and are either not posted or redacted from any clerks papers that are posted online with the appellate record, as well as taking any other prudent steps necessary to avoid exposing sealed juvenile records to the public.

(2) Except for dismissal of a deferred disposition under RCW 13.40.127, the court shall enter a written order immediately sealing the official juvenile court record upon the acquittal after a fact finding or upon the dismissal of charges with prejudice, subject to the state's right, if any, to appeal the dismissal.

(3) If a juvenile court record has not already been sealed pursuant to this section, in any case in which information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person who is the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any((?)); resolve the status of any debts owing; and, subject to RCW 13.50.050(13), order the sealing of the official juvenile court record, the social file, and records of the court and of any other agency in the case, with the exception of identifying information under RCW 13.50.050(13).

(4)(a) The court shall grant any motion to seal records for class A offenses made pursuant to subsection (3) of this section if:

(iv) The person is no longer required to register as a sex offender under RCW 9A.44.130 or has been relieved of the duty to register under RCW 9A.44.143 if the person was convicted of a sex offense; and

(v) The person has paid the full amount of restitution owing to the individual victim named in the restitution order, excluding restitution owed to any insurance provider authorized under Title 48 RCW.

(c) Notwithstanding the requirements in (a) or (b) of this subsection, the court shall grant any motion to seal records of any deferred disposition vacated under RCW 13.40.127(9) prior to June 7, 2012, if restitution has been paid and the person is eighteen years of age or older at the time of the motion.

(5) The person making a motion pursuant to subsection (3) of this section shall give reasonable notice of the motion to the prosecution and to any person or agency whose records are sought to be sealed.

(6)(a) If the court enters a written order sealing the juvenile court record pursuant to this section, it shall, subject to RCW 13.50.050(13), order sealed the official juvenile court record, the social file, and other records relating to the case as are named in the order. (8)(a) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying a sealing order; however, the court may order the juvenile court record resealed upon disposition of the subsequent matter if the case meets the sealing criteria under this section and the court record has not previously been resealed.

(b) Any charging of an adult felony subsequent to the sealing has the effect of nullifying the sealing order.

(c) The administrative office of the courts shall ensure that the superior court judicial information system provides prosecutors access to information on the existence of sealed juvenile records.

(d) The Washington state patrol shall ensure that the Washington state identification system provides Washington state criminal justice agencies access to sealed juvenile records information.

(9) If the juvenile court record has been sealed pursuant to this section, the record of an employee is not admissible in an action for liability against the employer based on the former juvenile offender's conduct to show that the employer knew or should have known of the juvenile record of the employee. The record may be admissible, however, if a background check conducted or authorized by the employer contained the information in the sealed record.

(10) County clerks may interact or correspond with the respondent, his or her parents, restitution recipients, and any holders of potential assets or wages of the respondent for the purposes of collecting an outstanding legal financial obligation after juvenile court records have been sealed pursuant to this section.

#### THIRD READING MESSAGE FROM THE SENATE

March 6, 2020

Madame Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1552 with the following amendment:

9.0. On page 3, after line 10, insert the following:

**"NEW SECTION. Sec. 3.** A new section is added to chapter 74.09 RCW to read as follows:

(1) In order to protect patients and ensure that they benefit from seamless quality care when contracted providers are absent from their practices or when there is a temporary vacancy in a position while a hospital, rural health clinic, or rural provider is recruiting to meet patient demand, hospitals, rural health clinics, and rural providers may use substitute providers to provide services. Medicaid managed care organizations must allow for the use of substitute providers and provide payment consistent with the provisions in this section.

(2) Hospitals, rural health clinics, and rural providers that are contracted with a Medicaid managed care organization may use substitute providers that are not contracted with a managed care organization when:

(a) A contracted provider is absent for a limited period of time due to vacation, illness, disability, continuing medical education, or other short-term absence; or

(b) A contracted hospital, rural health clinic, or rural provider is recruiting to fill an open position.

(3) For a substitute provider providing services under subsection (2)(a) of this section, a contracted hospital, rural health clinic, or rural provider may bill and receive payment for services at the contracted rate under its contract with the managed care organization for up to sixty days.

(4) To be eligible for reimbursement under this section for services provided on behalf of a contracted provider for greater than sixty days, a substitute provider must enroll in a Medicaid managed care organization. Enrollment of a substitute provider in a Medicaid managed care organization is effective on the later of:

(a) The date the substitute provider filed an enrollment application that was subsequently approved; or

(b) The date the substitute provider first began providing services at the hospital, rural health clinic, or rural provider.

(5) A substitute provider who enrolls with a Medicaid managed care organization may not bill under subsection (4) of this section for any services billed to the Medicaid managed care organization pursuant to subsection (3) of this section.

(6) Nothing in this section obligates a managed care organization to enroll any substitute provider who requests enrollment if they do not meet the organizations enrollment criteria.

(7) For purposes of this section:

(a) "Circumstances precluded enrollment" means that the provider has met all program requirements including state licensure during the thirty-day period before an application was submitted and no final adverse determination precluded enrollment. If a final adverse determination precluded enrollment during this thirty-day period, the contractor shall only establish an effective billing date the day after the date that the final adverse action was resolved, as long as it is not more than thirty days prior to the date on which the application was submitted.

(b) "Contracted provider" means a provider who is contracted with a Medicaid managed care organization.

(c) "Hospital" means a facility licensed under chapter 70.41 or 71.12 RCW.

(d) "Rural health clinic" means a federally designated rural health clinic.

(e) "Rural provider" means physicians licensed under chapter 18.71 RCW, osteopathic physicians and surgeons licensed under chapter 18.57 RCW, podiatric physicians and surgeons licensed under chapter 18.22 RCW, physician assistants licensed under chapter 18.71A RCW, osteopathic physician assistants licensed under chapter 18.57A RCW, and advanced registered nurse practitioners licensed under chapter 18.79 RCW, who are located in a rural county as defined in RCW 82.14.370.

(f) "Substitute provider" includes physicians licensed under chapter 18.71 RCW, osteopathic physicians and surgeons licensed under chapter 18.57 RCW, podiatric physicians and surgeons licensed under chapter 18.22 RCW, physician assistants licensed under chapter 18.71A RCW, osteopathic physician assistants licensed under chapter 18.57A RCW, and advanced registered nurse practitioners licensed under chapter 18.79 RCW.

NEW SECTION. Sec. 4. Section 3 of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

and the same is herewith transmitted.

### MESSAGE FROM THE SENATE

March 7, 2020

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1793 with the following amendment:  
10.0.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 46.63.170 and 2015 3rd sp.s. c 44 s 406 are each amended to read as follows:

(1) The use of automated traffic safety cameras for issuance of notices of infraction is subject to the following requirements:

(a) ~~((The))~~ Except for proposed locations used solely for the pilot program purposes permitted under subsection (6) of this section, the appropriate local legislative authority must prepare an analysis of the locations within the jurisdiction where automated traffic safety cameras are proposed to be located: (i) Before enacting an ordinance allowing for the initial use of automated traffic safety cameras; and (ii) before adding additional cameras or relocating any existing camera to a new location within the jurisdiction. Automated traffic safety cameras may be used to detect one or more of the following: Stoplight, railroad crossing, or school speed zone violations; ~~((or))~~ speed violations subject to (c) of this subsection; or violations included in subsection (6) of this section for the duration of the pilot program authorized under subsection (6) of this section. At a minimum, the local ordinance must contain the restrictions described in this section and provisions for public notice and signage. Cities and counties using automated traffic safety cameras before July 24, 2005, are subject to the restrictions described in this section, but are not required to enact an authorizing ordinance. Beginning one year after June 7, 2012, cities and counties using automated traffic safety cameras must post an annual report of the number of traffic accidents that occurred at each location where an automated traffic safety camera is located as well as the number of notices of infraction issued for each

camera and any other relevant information about the automated traffic safety cameras that the city or county deems appropriate on the city's or county's web site.

(b) Except as provided in (c) of this subsection and subsection (6) of this section, use of automated traffic safety cameras is restricted to the following locations only: (i) Intersections of two or more arterials with traffic control signals that have yellow change interval durations in accordance with RCW 47.36.022, which interval durations may not be reduced after placement of the camera; (ii) railroad crossings; and (iii) school speed zones.

(c) Any city west of the Cascade mountains with a population of more than one hundred ninety-five thousand located in a county with a population of fewer than one million five hundred thousand may operate an automated traffic safety camera to detect speed violations subject to the following limitations:

(i) A city may only operate one such automated traffic safety camera within its respective jurisdiction; and

(ii) The use and location of the automated traffic safety camera must have first been authorized by the Washington state legislature as a pilot project for at least one full year.

(d) Automated traffic safety cameras may only take pictures of the vehicle and vehicle license plate and only while an infraction is occurring. The picture must not reveal the face of the driver or of passengers in the vehicle. The primary purpose of camera placement is to take pictures of the vehicle and vehicle license plate when an infraction is occurring. Cities and counties shall consider installing cameras in a manner that minimizes the impact of camera flash on drivers.

(e) A notice of infraction must be mailed to the registered owner of the vehicle within fourteen days of the violation, or to the renter of a vehicle within fourteen days of establishing the renter's name and address under subsection (3)(a) of this section. The law enforcement officer issuing the notice of infraction shall include with it a certificate or facsimile thereof, based upon inspection of photographs, microphotographs, or electronic images produced by an automated traffic safety camera, stating the facts supporting the notice of infraction. This certificate or facsimile is prima facie evidence of the facts contained in it and is admissible in a proceeding charging a violation under this chapter. The photographs, microphotographs, or electronic images evidencing the violation must be available for inspection and admission into evidence in a proceeding to adjudicate the liability for the infraction. A person receiving a notice of infraction based on evidence detected by an automated traffic safety camera may respond to the notice by mail.

(f) The registered owner of a vehicle is responsible for an infraction under RCW 46.63.030(1)(d) unless the registered owner overcomes the presumption in RCW 46.63.075, or, in the case of a rental car business, satisfies the conditions under subsection (3) of this section. If appropriate under the circumstances, a renter identified under subsection (3)(a) of this section is responsible for an infraction.

(g) Notwithstanding any other provision of law, all photographs, microphotographs, or electronic images, or any other personally identifying data prepared under this section are for the exclusive use of law enforcement in the discharge of duties under this section and are not open to the public and may not be used in a court in a pending action or proceeding unless the action or proceeding relates to a violation under this section. No photograph, microphotograph, or electronic image, or any other personally identifying data may be used for any purpose other than enforcement of violations under this section nor retained longer than necessary to enforce this section.

(h) All locations where an automated traffic safety camera is used must be clearly marked at least thirty days prior to activation of the camera by placing signs in locations that clearly indicate to a driver that he or she is entering a zone where traffic laws are enforced by an automated traffic safety camera. Signs placed in automated traffic safety camera locations after June 7, 2012, must follow the specifications and guidelines under the manual of uniform traffic control devices for streets and highways as adopted by the department of transportation under chapter 47.36 RCW.

(i) If a county or city has established an authorized automated traffic safety camera program under this section, the compensation paid to the manufacturer or vendor of the equipment used must be based only upon the value of the equipment and services provided or rendered in support of the system, and may not be based upon a portion of the fine or civil penalty imposed or the revenue generated by the equipment.

(2) Infractions detected through the use of automated traffic safety cameras are not part of the registered owner's driving record under RCW 46.52.101 and 46.52.120. Additionally, infractions generated by the use of automated traffic safety cameras under this section shall be processed in the same manner as parking infractions, including for the purposes of RCW 3.50.100, 35.20.220, 46.16A.120, and 46.20.270(2). ~~((The))~~ Except as provided otherwise in subsection (6) of this section, the amount of the fine issued for an infraction generated through the use of an automated traffic safety camera shall not exceed the amount of a fine issued for other parking infractions within the jurisdiction. However, the amount of the fine issued for a traffic control signal violation detected through the use of an automated traffic safety camera shall not exceed the monetary penalty for a violation of RCW 46.61.050 as provided under RCW 46.63.110, including all applicable statutory assessments.

(3) If the registered owner of the vehicle is a rental car business, the law enforcement agency shall, before a notice of infraction being issued under this section, provide a written notice to the rental car business that a notice of infraction may be issued to the rental car business if the rental car business does not, within eighteen days of receiving the written notice, provide to the issuing agency by return mail:

(a) A statement under oath stating the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred; or

(b) A statement under oath that the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred because the vehicle was stolen at the time of the infraction. A statement provided under this subsection must be accompanied by a copy of a filed police report regarding the vehicle theft; or

(c) In lieu of identifying the vehicle operator, the rental car business may pay the applicable penalty.

Timely mailing of this statement to the issuing law enforcement agency relieves a rental car business of any liability under this chapter for the notice of infraction.

(4) Nothing in this section prohibits a law enforcement officer from issuing a notice of traffic infraction to a person in control of a vehicle at the time a violation occurs under RCW 46.63.030(1) (a), (b), or (c).

(5)(a) For the purposes of this section, "automated traffic safety camera" means a device that uses a vehicle sensor installed to work in conjunction with an intersection traffic control system, a railroad grade crossing control system, or a speed measuring device, and a camera synchronized to automatically record one or more sequenced photographs, microphotographs, or electronic images of the rear of a motor vehicle at the time the vehicle fails to stop when facing a steady red traffic control signal or an activated railroad grade crossing control signal, or exceeds a speed limit as detected by a speed measuring device.

(b) For the purposes of the pilot program authorized under subsection (6) of this section, "automated traffic safety camera" also includes a device used to detect stopping at intersection or crosswalk violations; stopping when traffic obstructed violations; public transportation only lane violations; and stopping or traveling in restricted lane violations. The device, including all technology defined under "automated traffic safety camera," must not reveal the face of the driver or the passengers in vehicles, and must not use any facial recognition technology in real time or after capturing any information. If the face of any individual in a crosswalk or otherwise within the frame is incidentally captured, it may not be made available to the public nor used for any purpose including, but not limited to, any law enforcement action, except in a pending action or proceeding related to a violation under this section.

~~(6) ((During the 2011-2013 and 2013-2015 fiscal biennia, this section does not apply to automated traffic safety cameras for the purposes of section 216(5), chapter 367, Laws of 2011 and section 216(6), chapter 306, Laws of 2013.))~~ (a)(i) A city with a population greater than five hundred thousand may adopt an ordinance creating a pilot program authorizing automated traffic safety cameras to be used to detect one or more of the following violations: Stopping when traffic obstructed violations; stopping at intersection or crosswalk violations; public transportation only lane violations; and stopping or traveling in restricted lane violations. Under the pilot program, stopping at intersection or crosswalk violations may only be enforced at the twenty intersections where the city would most like to address safety concerns related to stopping at intersection or crosswalk violations. At a minimum, the local ordinance

must contain the restrictions described in this section and provisions for public notice and signage.

(ii) Except where specifically exempted, all of the rules and restrictions applicable to the use of automated traffic safety cameras in this section apply to the use of automated traffic safety cameras in the pilot program established in this subsection (6).

(iii) As used in this subsection (6), "public transportation vehicle" means any motor vehicle, streetcar, train, trolley vehicle, ferry boat, or any other device, vessel, or vehicle that is owned or operated by a transit authority or an entity providing service on behalf of a transit authority that is used for the purpose of carrying passengers and that operates on established routes. "Transit authority" has the meaning provided in RCW 9.91.025.

(b) Use of automated traffic safety cameras as authorized in this subsection (6) is restricted to the following locations only: Locations authorized in subsection (1)(b) of this section; and midblock on arterials. Additionally, the use of automated traffic safety cameras as authorized in this subsection (6) is further limited to the following:

(i) The portion of state and local roadways in downtown areas of the city used for office and commercial activities, as well as retail shopping and support services, and that may include mixed residential uses;

(ii) The portion of state and local roadways in areas in the city within one-half mile north of the boundary of the area described in (b)(i) of this subsection;

(iii) Portions of roadway systems in the city that travel into and out of (b)(ii) of this subsection that are designated by the Washington state department of transportation as noninterstate freeways for up to four miles; and

(iv) Portions of roadway systems in the city connected to the portions of the noninterstate freeways identified in (b)(iii) of this subsection that are designated by the Washington state department of transportation as arterial roadways for up to one mile from the intersection of the arterial roadway and the noninterstate freeway.

(c) However, automated traffic safety cameras may not be used on an on-ramp to an interstate.

(d) From the effective date of this section through December 31, 2020, a warning notice with no penalty must be issued to the registered owner of the vehicle for a violation generated through the use of an automated traffic safety camera authorized in this subsection (6). Beginning January 1, 2021, a notice of infraction must be issued, in a manner consistent with subsections (1)(e) and (3) of this section, for a violation generated through the use of an automated traffic safety camera authorized in this subsection (6). However, the penalty for the violation may not exceed seventy-five dollars.

(e) For infractions issued as authorized in this subsection (6), a city with a pilot program shall remit monthly to the state fifty percent of the noninterest money received under this subsection (6) in excess of the cost to install, operate, and maintain the automated traffic safety

cameras for use in the pilot program. Money remitted under this subsection to the state treasurer shall be deposited in the Cooper Jones active transportation safety account created in section 2 of this act. The remaining fifty percent retained by the city must be used only for improvements to transportation that support equitable access and mobility for persons with disabilities.

(f) A transit authority may not take disciplinary action, regarding a warning or infraction issued pursuant to this subsection (6), against an employee who was operating a public transportation vehicle at the time the violation that was the basis of the warning or infraction was detected.

(g) A city that implements a pilot program under this subsection (6) must provide a preliminary report to the transportation committees of the legislature by June 30, 2022, and a final report by January 1, 2023, on the pilot program that includes the locations chosen for the automated traffic safety cameras used in the pilot program, the number of warnings and traffic infractions issued under the pilot program, the number of traffic infractions issued with respect to vehicles registered outside of the county in which the city is located, the infrastructure improvements made using the penalty moneys as required under (e) of this subsection, an equity analysis that includes any disproportionate impacts, safety, and on-time performance statistics related to the impact on driver behavior of the use of automated traffic safety cameras in the pilot program, and any recommendations on the use of automated traffic safety cameras to enforce the violations that these cameras were authorized to detect under the pilot program.

NEW SECTION. Sec. 2. A new section is added to chapter 46.68 RCW to read as follows:

The Cooper Jones active transportation safety account is created in the state treasury. All receipts from penalties collected under RCW 46.63.170(6)(e) shall be deposited into the account. Expenditures from the account may be used only to fund grant projects or programs for bicycle, pedestrian, and nonmotorist safety improvement administered by the Washington traffic safety commission. The account is subject to allotment procedures under chapter 43.88 RCW. Moneys in the account may be spent only after appropriation.

NEW SECTION. Sec. 3. Section 1 of this act expires June 30, 2023."

On page 1, line 3 of the title, after "safety;" strike the remainder of the title and insert "amending RCW 46.63.170; adding a new section to chapter 46.68 RCW; and providing an expiration date."

#### MESSAGE FROM THE SENATE

March 6, 2020

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2327 with the following amendment:  
10.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 11.** The legislature recognizes that Washington's postsecondary educational institutions are some of the best schools in the nation, offering high quality education and life experiences for thousands of students. Washington institutions strive to create learning environments where all students can reach their full potential. The legislature also recognizes that in instances in which an employee of an institution engages in sexual misconduct against a student, institutions do not consistently disclose that information. The legislature declares that disclosure of such information is a matter of public safety for all Washington students as well as for students on campuses across the nation. The legislature finds that sexual misconduct, which may include harassment or assault, has serious public health and safety effects on students in Washington. These effects may deprive students of their opportunities to obtain an education which would otherwise improve their lives and health, and that of their own children. Other effects include an employee in a position of power and authority over students causing irreversible harm to the physical and mental health of students from sexual misconduct. The legislature finds that students of any postsecondary educational institution in Washington should be protected from their institution hiring an employee who has been found to have committed sexual misconduct at another postsecondary educational institution. The legislature, therefore, also finds that postsecondary educational institutions in Washington need to know if a prospective employee has been found to have committed sexual misconduct while employed at another institution. Therefore, the legislature intends to require postsecondary educational institutions to inquire about and conduct reference checks on any applicant the institution intends to extend an offer of employment to, regarding whether the applicant has ever been found to have committed, or is being investigated for, sexual misconduct. The legislature finds that nondisclosure agreements which prevent an institution from disclosing that an employee has committed sexual misconduct create a high potential for students in jeopardy of being victimized. Therefore, the legislature finds such

nondisclosure agreements between an employee and institution, pursuant to which the institution agrees not to disclose findings of sexual misconduct supported by a preponderance of evidence or not to complete an investigation, are against public policy and should not be entered into by any Washington postsecondary educational institution and should not be enforced by Washington courts. Therefore, the legislature intends to provide clarity and direction to postsecondary educational institutions for disclosing substantiated findings of sexual misconduct committed by its employees against students.

**NEW SECTION. Sec. 12.** A new section is added to chapter 28B.112 RCW to read as follows:

The definitions in this section apply throughout this section and sections 3 through 6 of this act unless the context clearly requires otherwise.

(1) "Applicant" means a person applying for employment as faculty, instructor, staff, advisor, counselor, coach, athletic department staff, and any position in which the applicant will likely have direct ongoing contact with students in a supervisory role or position of authority. "Applicant" does not include enrolled students who are applying for temporary student employment with the postsecondary educational institutions, unless the student is a graduate student applying for a position in which the graduate student will have a supervisory role or position of authority over other students. "Applicant" does not include a person applying for employment as medical staff or for employment with an affiliated organization, entity, or extension of a postsecondary educational institution, unless the applicant will have a supervisory role or position of authority over students.

"Employee" does not include a person who was employed by the institution in temporary student employment while the person was an enrolled student unless the student, at the time of employment, is or was a graduate student in a position in which the graduate student has or had a supervisory role or authority over other students. (2)(a) A postsecondary educational institution shall include in the employee's personnel file or employment records any substantiated findings of sexual misconduct committed by the employee while the employee was employed with the postsecondary educational institution.

#### MESSAGE FROM THE SENATE

March 4, 2020

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2394 with the following amendment:

17.0.

Strike everything after the enacting clause and insert the following:

"**Sec. 18.** RCW 9.94A.589 and 2015 2nd sp.s. c 3 s 13 are each amended to read as follows:

(1)(a) Except as provided in (b), (c), or (d) of this subsection, whenever a person is to be sentenced for two or more current offenses, the sentence range for each current

offense shall be determined by using all other current and prior convictions as if they were prior convictions for the purpose of the offender score: PROVIDED, That if the court enters a finding that some or all of the current offenses encompass the same criminal conduct then those current offenses shall be counted as one crime. Sentences imposed under this subsection shall be served concurrently. Consecutive sentences may only be imposed under the exceptional sentence provisions of RCW 9.94A.535. "Same criminal conduct," as used in this subsection, means two or more crimes that require the same criminal intent, are committed at the same time and place, and involve the same victim. This definition applies in cases involving vehicular assault or vehicular homicide even if the victims occupied the same vehicle.

(b) Whenever a person is convicted of two or more serious violent offenses arising from separate and distinct criminal conduct, the standard sentence range for the offense with the highest seriousness level under RCW 9.94A.515 shall be determined using the offender's prior convictions and other current convictions that are not serious violent offenses in the offender score and the standard sentence range for other serious violent offenses shall be determined by using an offender score of zero. The standard sentence range for any offenses that are not serious violent offenses shall be determined according to (a) of this subsection. All sentences imposed under this subsection (1)(b) shall be served consecutively to each other and concurrently with sentences imposed under (a) of this subsection. Even if the court orders the confinement terms to run consecutively to each other, the terms of community custody shall run concurrently to each other, unless the court expressly orders the community custody terms to run consecutively to each other.

(c) If an offender is convicted under RCW 9.41.040 for unlawful possession of a firearm in the first or second degree and for the felony crimes of theft of a firearm or possession of a stolen firearm, or both, the standard sentence range for each of these current offenses shall be determined by using all other current and prior convictions, except other current convictions for the felony crimes listed in this subsection (1)(c), as if they were prior convictions. The offender shall serve consecutive sentences for each conviction of the felony crimes listed in this subsection (1)(c), and for each firearm unlawfully possessed.

(d) All sentences imposed under RCW 46.61.502(6), 46.61.504(6), or 46.61.5055(4) shall be served consecutively to any sentences imposed under RCW 46.20.740 and 46.20.750.

(2)(a) ~~((Except as provided in (b) of this subsection, whenever))~~ Whenever a person while under sentence for conviction of a felony commits another felony and is sentenced to another term of confinement, the latter term of confinement shall not begin until expiration of all prior terms of confinement. However, any terms of community custody shall run concurrently to each other, unless the court pronouncing the current sentence expressly orders that they be served consecutively.

(b) Whenever a second or later felony conviction results in consecutive community ~~((supervision))~~ custody with conditions not currently in effect, under the prior sentence or sentences of community ~~((supervision))~~ custody, the court may require that the conditions of community ~~((supervision))~~ custody contained in the second or later sentence begin during the immediate term of community ~~((supervision))~~ custody and continue throughout the duration of the consecutive term of community ~~((supervision))~~ custody.

(3) Subject to subsections (1) and (2) of this section, whenever a person is sentenced for a felony that was committed while the person was not under sentence for conviction of a felony, the sentence shall run concurrently with any felony sentence which has been imposed by any court in this or another state or by a federal court subsequent to the commission of the crime being sentenced unless the court pronouncing the current sentence expressly orders that ~~((they))~~ the confinement terms be served consecutively to each other. Even if the court orders the confinement terms to run consecutively to each other, the terms of community custody shall run concurrently to each other, unless the court expressly orders the community custody terms to run consecutively to each other.

(4) Whenever any person granted probation under RCW 9.95.210 or 9.92.060, or both, has the probationary sentence revoked and a prison sentence imposed, that sentence shall run consecutively to any sentence imposed pursuant to this chapter, unless the court pronouncing the subsequent sentence expressly orders that they be served concurrently.

(5) In the case of consecutive sentences, all periods of total confinement shall be served before any partial confinement, community restitution, community supervision, or any other requirement or conditions of any of the sentences. Except for exceptional sentences as authorized under RCW 9.94A.535, if two or more sentences that run consecutively include periods of community supervision, the aggregate of the community supervision period shall not exceed twenty-four months.

**Sec. 19.** RCW 9.94B.050 and 2003 c 379 s 4 are each amended to read as follows:

When a court sentences an offender to a term of total confinement in the custody of the department for any of the offenses specified in this section, the court shall also sentence the offender to a term of community placement as provided in this section. Except as provided in RCW 9.94A.501, the department shall supervise any sentence of community placement imposed under this section.

(1) The court shall order a one-year term of community placement for the following:

(a) A sex offense or a serious violent offense committed after July 1, 1988, but before July 1, 1990; or

(b) An offense committed on or after July 1, 1988, but before July 25, 1999, that is:

(i) Assault in the second degree;

(ii) Assault of a child in the second degree;

(iii) A crime against persons where it is determined in accordance with RCW ((9.94A.602)) 9.94A.825 that the offender or an accomplice was armed with a deadly weapon at the time of commission; or

(iv) A felony offense under chapter 69.50 or 69.52 RCW not sentenced under RCW 9.94A.660.

(2) The court shall sentence the offender to a term of community placement of two years or up to the period of earned release awarded pursuant to RCW 9.94A.728, whichever is longer, for:

(a) An offense categorized as a sex offense committed on or after July 1, 1990, but before June 6, 1996, including those sex offenses also included in other offense categories;

(b) A serious violent offense other than a sex offense committed on or after July 1, 1990, but before July 1, 2000; or

(c) A vehicular homicide or vehicular assault committed on or after July 1, 1990, but before July 1, 2000.

(3) The community placement ordered under this section shall begin either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned release. When the court sentences an offender to the statutory maximum sentence then the community placement portion of the sentence shall consist entirely of the community custody to which the offender may become eligible. Any period of community custody actually served shall be credited against the community placement portion of the sentence. The community placement shall run concurrently to any period of probation, parole, community supervision, community placement, or community custody previously imposed by any court in any jurisdiction, unless the court pronouncing the current sentence expressly orders that they be served consecutively to each other.

(4) Unless a condition is waived by the court, the terms of any community placement imposed under this section shall include the following conditions:

(a) The offender shall report to and be available for contact with the assigned community corrections officer as directed;

(b) The offender shall work at department-approved education, employment, or community restitution, or any combination thereof;

(c) The offender shall not possess or consume controlled substances except pursuant to lawfully issued prescriptions;

(d) The offender shall pay supervision fees as determined by the department; and

(e) The residence location and living arrangements shall be subject to the prior approval of the department during the period of community placement.

(5) As a part of any terms of community placement imposed under this section, the court may also order one or more of the following special conditions:

(a) The offender shall remain within, or outside of, a specified geographical boundary;

(b) The offender shall not have direct or indirect contact with the victim of the crime or a specified class of individuals;

(c) The offender shall participate in crime-related treatment or counseling services;

(d) The offender shall not consume alcohol; or

(e) The offender shall comply with any crime-related prohibitions.

(6) An offender convicted of a felony sex offense against a minor victim after June 6, 1996, shall comply with any terms and conditions of community placement imposed by the department relating to contact between the sex offender and a minor victim or a child of similar age or circumstance as a previous victim.

(7) Prior to or during community placement, upon recommendation of the department, the sentencing court may remove or modify any conditions of community placement so as not to be more restrictive.

**NEW SECTION. Sec. 20.** The department of corrections must recalculate the scheduled end dates for terms of community custody, community supervision, and community placement so that they run concurrently to previously imposed sentences of community custody, community supervision, community placement, probation, and parole, unless the court pronouncing the current sentence has expressly required such terms to run consecutively. This section applies to each offender currently in confinement or under active supervision, regardless of whether the offender is sentenced after the effective date of this section and regardless of whether the offender's date of offense occurred prior to the effective date of this section or after.

**NEW SECTION. Sec. 21.** The legislature declares that the department of corrections' recalculations of community custody terms pursuant to this act do not create any expectations that a particular community custody term will end before July 1, 2020, and offenders have no reason to conclude that the recalculation of their community custody terms before July 1, 2020, is an entitlement or creates any liberty interest in their community custody term ending before July 1, 2020.

**NEW SECTION. Sec. 22.** The department of corrections has the authority to begin implementing this act upon the effective date of this section.

**NEW SECTION. Sec. 23.** This act applies retroactively and prospectively, regardless of the date of an offender's underlying offense."

On page 1, line 1 of the title, after "custody;" strike the remainder of the title and insert "amending RCW 9.94A.589

and 9.94B.050; creating new sections; and prescribing penalties."

and the same is herewith transmitted.

### MESSAGE FROM THE SENATE

March 6, 2020

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2426 with the following amendment:  
23.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 24.** The legislature finds that patients seeking behavioral health care in Washington would benefit from consistent regulatory oversight and transparency about patient outcomes. Current regulatory oversight of psychiatric hospitals licensed under chapter 71.12 RCW needs to be enhanced to protect the health, safety, and well-being of patients seeking behavioral health care in these facilities. Some hospitals have not complied with state licensing requirements. Additional enforcement tools are needed to address noncompliance and protect patients from risk of harm.

The legislature also finds that licensing and enforcement requirements for all health care facility types regulated by the department of health are inconsistent and that patients are not well-served by this inconsistency. Review of the regulatory requirements for all health care facility types, including acute care hospitals, is needed to identify gaps and opportunities to consolidate and standardize requirements. Legislation will be necessary to implement uniform requirements that assure provision of safe, quality care and create consistency and predictability for facilities.

**NEW SECTION. Sec. 25.** A new section is added to chapter 71.12 RCW to read as follows:

(1) Any psychiatric hospital may request from the department or the department may offer to any psychiatric hospital technical assistance. The department may not provide technical assistance during an inspection or during the time between when an investigation of a psychiatric hospital has been initiated and when such investigation is resolved.

(2) The department may offer group training to psychiatric hospitals licensed under this chapter.

**NEW SECTION. Sec. 26.** A new section is added to chapter 71.12 RCW to read as follows:

(1) In any case in which the department finds that a licensed psychiatric hospital has failed or refused to comply with applicable state statutes or regulations, the department may take one or more of the actions identified in this section, except as otherwise limited in this section.

(a) When the department determines the psychiatric hospital has previously been subject to an enforcement action for the same or similar type of violation of the same statute or rule, or has been given any previous statement of deficiency that included the same or similar type of violation of the same or similar statute or rule, or when the psychiatric hospital failed to correct noncompliance with a statute or rule by a date established or agreed to by the department, the department may impose reasonable conditions on a license. Conditions may include correction within a specified amount of time, training, or hiring a department-approved consultant if the hospital cannot demonstrate to the department that it has access to sufficient internal expertise.

(b)(i) In accordance with the authority the department has under RCW 43.70.095, the department may assess a civil fine of up to ten thousand dollars per violation, not to exceed a total fine of one million dollars, on a hospital licensed

under this chapter when the department determines the psychiatric hospital has previously been subject to an enforcement action for the same or similar type of violation of the same statute or rule, or has been given any previous statement of deficiency that included the same or similar type of violation of the same or similar statute or rule, or when the psychiatric hospital failed to correct noncompliance with a statute or rule by a date established or agreed to by the department.

(ii) Proceeds from these fines may only be used by the department to provide training or technical assistance to psychiatric hospitals and to offset costs associated with licensing psychiatric hospitals.

(iii) The department shall adopt in rules under this chapter specific fine amounts in relation to the severity of the noncompliance.

(iv) If a licensee is aggrieved by the department's action of assessing civil fines, the licensee has the right to appeal under RCW 43.70.095.

(c) In accordance with RCW 43.70.095, the department may impose civil fines of up to ten thousand dollars for each day a person operates a psychiatric hospital without a valid license. Proceeds from these fines may only be used by the department to provide training or technical assistance to psychiatric hospitals and to offset costs associated with licensing psychiatric hospitals.

(d) The department may suspend admissions of a specific category or categories of patients as related to the violation by imposing a limited stop placement. This may only be done if the department finds that noncompliance results in immediate jeopardy.

(i) Prior to imposing a limited stop placement, the department shall provide a psychiatric hospital written notification upon identifying deficient practices or conditions that constitute an immediate jeopardy, and the psychiatric hospital shall have twenty-four hours from notification to develop and implement a department-approved plan to correct the deficient practices or conditions that constitute an immediate jeopardy. If the deficient practice or conditions that constitute immediate jeopardy are not verified by the department as having been corrected within the same twenty-four hour period, the department may issue the limited stop placement.

(ii) When the department imposes a limited stop placement, the psychiatric hospital may not admit any new patients in the category or categories subject to the limited stop placement until the limited stop placement order is terminated.

(iii) The department shall conduct a follow-up inspection within five business days or within the time period requested by the psychiatric hospital if more than five business days is needed to verify the violation necessitating the limited stop placement has been corrected.

(iv) The limited stop placement shall be terminated when:

(A) The department verifies the violation necessitating the limited stop placement has been corrected or the department determines that the psychiatric hospital has taken intermediate action to address the immediate jeopardy; and

(B) The psychiatric hospital establishes the ability to maintain correction of the violation previously found deficient.

(e) The department may suspend new admissions to the psychiatric hospital by imposing a stop placement. This may only be done if the department finds that noncompliance results in immediate jeopardy and is not confined to a specific category or categories of patients or a specific area of the psychiatric hospital.

(i) Prior to imposing a stop placement, the department shall provide a psychiatric hospital written notification upon identifying deficient practices or conditions that constitute an immediate jeopardy, and the psychiatric hospital shall have twenty-four hours from notification to develop and implement a department-approved plan to correct the deficient practices or conditions that constitute an immediate jeopardy. If the deficient practice or conditions that constitute immediate jeopardy are not verified by the department as having been corrected within the same twenty-four hour period, the department may issue the stop placement.

(ii) When the department imposes a stop placement, the psychiatric hospital may not admit any new patients until the stop placement order is terminated.

(iii) The department shall conduct a follow-up inspection within five business days or within the time period requested by the psychiatric hospital if more than five business days is needed to verify the violation necessitating the stop placement has been corrected.

(iv) The stop placement order shall be terminated when:

(A) The department verifies the violation necessitating the stop placement has been corrected or the department determines that the psychiatric hospital has taken intermediate action to address the immediate jeopardy; and

(B) The psychiatric hospital establishes the ability to maintain correction of the violation previously found deficient.

(f) The department may suspend, revoke, or refuse to renew a license.

(2)(a) Except as otherwise provided, RCW 43.70.115 governs notice of the imposition of conditions on a license, a limited stop placement, stop placement, or the suspension, revocation, or refusal to renew a license and provides the right to an adjudicative proceeding. Adjudicative proceedings and hearings under this section are governed by the administrative procedure act, chapter 34.05 RCW. The application for an adjudicative proceeding must be in writing, state the basis for contesting the adverse action, including a copy of the department's notice, be served on and received by the department within twenty-eight days of the

licensee's receipt of the adverse notice, and be served in a manner that shows proof of receipt.

(b) When the department determines a licensee's noncompliance results in immediate jeopardy, the department may make the imposition of conditions on a licensee, a limited stop placement, stop placement, or the suspension of a license effective immediately upon receipt of the notice by the licensee, pending any adjudicative proceeding.

(i) When the department makes the suspension of a license or imposition of conditions on a license effective immediately, a licensee is entitled to a show cause hearing before a presiding officer within fourteen days of making the request. The licensee must request the show cause hearing within twenty-eight days of receipt of the notice of immediate suspension or immediate imposition of conditions. At the show cause hearing the department has the burden of demonstrating that more probably than not there is an immediate jeopardy.

(ii) At the show cause hearing, the presiding officer may consider the notice and documents supporting the immediate suspension or immediate imposition of conditions and the licensee's response and must provide the parties with an opportunity to provide documentary evidence and written testimony, and to be represented by counsel. Prior to the show cause hearing, the department must provide the licensee with all documentation that supports the department's immediate suspension.

(iii) If the presiding officer determines there is no immediate jeopardy, the presiding officer may overturn the immediate suspension or immediate imposition of conditions.

(iv) If the presiding officer determines there is immediate jeopardy, the immediate suspension or immediate imposition of conditions shall remain in effect pending a full hearing.

(v) If the secretary sustains the immediate suspension or immediate imposition of conditions, the licensee may request an expedited full hearing on the merits of the department's action. A full hearing must be provided within ninety days of the licensee's request.

**NEW SECTION. Sec. 27.** A new section is added to chapter 43.70 RCW to read as follows:

As resources allow, the department shall make health care facility inspection and investigation statements of deficiencies, plans of correction, notice of acceptance of plans of correction, enforcement actions, and notices of resolution available to the public on the internet, starting with psychiatric hospitals and residential treatment facilities.

**NEW SECTION. Sec. 28.** A new section is added to chapter 43.70 RCW to read as follows:

The department must conduct a review of statutes for all health care facility types licensed by the department under chapters 18.46, 18.64, 70.41, 70.42, 70.127, 70.230, 71.12, and 71.24 RCW to evaluate appropriate levels of oversight and identify opportunities to consolidate and

standardize licensing and enforcement requirements across facility types. The department must work with stakeholders including, but not limited to, the statewide associations of the facilities under review to create recommendations that will be shared with stakeholders and the legislature for a uniform health care facility enforcement act for consideration in the 2021 legislative session.

**Sec. 29.** RCW 71.12.455 and 2017 c 263 s 2 are each reenacted and amended to read as follows:

(2) During the first two years of licensure for a new psychiatric hospital or any existing psychiatric hospital that changes ownership after July 1, 2020, the department shall provide technical assistance, perform at least three unannounced inspections, and conduct additional inspections of the hospital as necessary to verify the hospital is complying with the requirements of this chapter.

(2) The authority or the contracted entity shall actively solicit federal and private funding and in-kind contributions necessary to complete its work in a timely fashion. The contracted entity shall not accept private funds if receipt of such funding could present a potential conflict of interest or introduce bias into the board's deliberations.

**NEW SECTION. Sec. 39.** (1) By August 1, 2021, the board shall submit a preliminary report to the governor and each chamber of the legislature. The preliminary report shall address the progress toward establishment of the board and advisory committees and the establishment of total health care expenditures, health care cost growth, and the health care cost growth benchmark for the state, including proposed methodologies for determining each of these calculations.

The preliminary report shall include a discussion of any obstacles related to conducting the board's work including any deficiencies in data necessary to perform its responsibilities under section 5 of this act and any supplemental data needs.

(2) Beginning August 1, 2022, the board shall submit annual reports to the governor and each chamber of the legislature. The first annual report shall determine the total health care expenditures for the most recent year for which data is available and shall establish the health care cost growth benchmark for the following year. The annual reports may include policy recommendations applicable to the board's activities and analysis of its work, including any recommendations related to lowering health care costs, focusing on private sector purchasers, and the establishment of a rating system of health care providers and payers.

### **MESSAGE FROM THE SENATE**

March 6, 2020

Madame Speaker:

The Senate has passed HOUSE BILL NO. 2587 with the following amendment:

1.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 2.** A new section is added to chapter 79A.05 RCW to read as follows:

(1) In addition to its other powers, duties, and functions, the commission must establish a scenic bikeways program for the designation and promotion of bicycle routes of notable scenic, recreational, cultural, or historic value.

(2)(a) Any person may propose the designation of a scenic bikeway route by the commission. Prior to the

designation of a scenic bike route by the commission, the commission must provide an opportunity for public comment.

(b) When proposing routes for commission approval, proponents are encouraged to:

(i) Consider the criteria under this section by which the commission will review and approve scenic bikeway designations, including the criteria specified in subsections (4) and (6) of this section; and

(ii) Locate routes in such a way as to encourage local economic development in proximity to designated scenic bikeways, including opportunities for bicycle repairs, food, lodging, camping, recreation, and other tourist activities.

(3)(a) Scenic bikeways may be comprised of bicycle paths, multiple-use trails, highways, or trail facilities managed by the commission.

(b)(i) Scenic bikeways may be located over public lands with the consent of each federal, state, or local governmental entity that has jurisdiction over the public lands or through which a proposed route passes.

(ii) Scenic bikeways may be located over privately owned lands with the consent of the private landowner.

(4) Prior to designating a scenic bikeway, the commission must review the proposed designation in consultation with the department of transportation and confirm the designated bicycle route:

(a) Is of notable scenic, recreational, cultural, or historic value, or some combination thereof;

(b) Is consented to as required under subsection (3) of this section; and

(c) To the extent feasible and consistent with the goals of this section:

(i) Is not located on heavily trafficked roads when less-trafficked roads are available as a suitable alternative;

(ii) Is not located on highways without shoulders or bike lanes when highways with shoulders or bike lanes are available as a suitable alternative;

(iii) Avoids complex intersections or other locations that would reduce the ease of use of the scenic bikeway by users;

(iv) Is colocated with locally developed bicycle-supportive infrastructure, including bike lanes, multiuse trails, greenways, or other designated bicycle routes; and

(v) Is designed to minimize adverse effects on adjacent landowners.

(5) Prior to designating a scenic bikeway, the commission must consult with a local government legislative authority if the scenic bikeway will be located within the local government's jurisdiction.

(6) To the extent that funds available for the development of scenic bikeways limit the number of designated scenic bikeways that the commission is able to

approve and implement each biennium, the commission must give priority to the designation and implementation of scenic bikeways that will add variety to the geographic location, topography, route length and difficulty, and cultural, historic, scenic, and recreational value of the statewide scenic bikeway system or that will complete existing bicycling networks.

(7) The commission must periodically review designated scenic bikeways to ensure that routes continue to meet the criteria of subsection (4) of this section. Upon review, the commission may alter the route or revoke the designation of a scenic bikeway.

(8)(a) In consultation with the department of transportation, the commission must develop signage to be placed along the routes of each designated scenic bikeway.

(b) On the commission's web site, the commission must promote the use of designated scenic bikeways.

(c) The commission may develop promotional materials, including maps or telecommunications applications for purposes of facilitating public use of designated scenic bikeways. Promotional materials created by the commission must indicate whether the bikeway is paved or gravel and any other conditions of the bikeway that affect the safety of users. Consistent with the standards of RCW 79A.05.087, the commission may encourage local economic development in proximity to designated scenic bikeways in the promotional materials by noting opportunities for bicycle repair, food, lodging, camping, recreation, and other tourist activities.

(d) The commission must evaluate each designated scenic bikeway to determine whether the bikeway, or a portion thereof, is suitable for the use of electric bicycles and tricycles. If the commission determines that a designated scenic bikeway, or a portion thereof, is suitable for the use of electric bicycles and tricycles, the commission must allow their use on those bikeways or portions of bikeways.

(9) A recreational access pass issued under chapter 79A.80 RCW is not required in order to use a designated scenic bikeway, except that the access pass requirements of chapter 79A.80 RCW apply to motor vehicles used to park or operate on any portion of a scenic bikeway located on a recreational site or lands, as that term is defined in RCW 79A.80.010.

(10) The designation of a facility or roadway as a scenic bikeway by the commission does not change the liability of the commission or any other state or local government entity with respect to unintentional injury sustained by a user of a scenic bikeway. Nothing in this subsection applies or limits the applicability of the provisions of RCW 4.24.210 to roads or facilities designated as scenic bikeways.

(11) Nothing in this section authorizes the commission to acquire property or property rights solely for purposes of development of a scenic bikeway.

(12) The commission may enter into sponsorship agreements with nonprofit entities or private businesses or entities for sponsorship signs to be displayed on designated

scenic bikeways or portions of designated scenic bikeways. The commission may establish the cost for entering into a sponsorship agreement. Sponsorship agreements must comply with (a) through (d) of this subsection.

(a) Space for a sponsorship sign may be provided by the commission on a designated scenic bikeway.

(b) Signage erected pursuant to a sponsorship agreement must be consistent with criteria established by the commission relating to size, materials, colors, wording, and location.

(c) The nonprofit entity or private business or entity must pay all costs of a display, including development, construction, installation, operation, maintenance, and removal costs.

(d) Proceeds from the sponsorship agreements must be used to fund commission activities related to the scenic bikeways program. Any surplus funds resulting from sponsorship agreements must be deposited into the state parks renewal and stewardship account under RCW 79A.05.215.

(13) The commission may adopt rules to administer the scenic bikeways program."

On page 1, line 2 of the title, after "bikeways;" strike the remainder of the title and insert "and adding a new section to chapter 79A.05 RCW."

and the same is herewith transmitted.

HOUSE BILL NO. 2587, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

### MESSAGE FROM THE SENATE

March 6, 2020

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2622 with the following amendment:

2.0.

Strike everything after the enacting clause and insert the following:

"**Sec. 3.** RCW 9.41.801 and 2019 c 245 s 2 are each amended to read as follows:

(1) Because of the heightened risk of lethality to petitioners when respondents to protection orders become aware of court involvement and continue to have access to firearms, and the frequency of noncompliance with court orders prohibiting possession of firearms, law enforcement and judicial processes must emphasize swift and certain compliance with court orders prohibiting access, possession, and ownership of firearms.

(2) A law enforcement officer serving a protection order, no-contact order, or restraining order that includes an order to surrender all firearms, dangerous weapons, and a concealed pistol license under RCW 9.41.800 shall inform the respondent that the order is effective upon service and the respondent must immediately surrender all firearms and dangerous weapons in his or her custody, control, or possession and any concealed pistol license issued under RCW 9.41.070, and conduct any search permitted by law for such firearms, dangerous weapons, and concealed pistol license. The law enforcement officer shall take possession of all firearms, dangerous weapons, and any concealed pistol license belonging to the respondent that are surrendered, in plain sight, or discovered pursuant to a lawful search. ~~((Alternatively, if personal service is not required because the respondent was present at the hearing at which the order was entered, the))~~ The order must be personally served upon the respondent or defendant if the order is entered in open court in the presence of the respondent or defendant. The respondent or defendant shall acknowledge receipt and service. If the respondent or defendant refuses service, an agent of the court may indicate on the record that the respondent or defendant refused service. The court shall enter the service and receipt into the record. A copy of the order and service shall be transmitted immediately to law

enforcement. The respondent must immediately surrender all firearms, dangerous weapons, and any concealed pistol license in a safe manner to the control of the local law enforcement agency on the day of the hearing at which the respondent was present.

(3) At the time of surrender, a law enforcement officer taking possession of firearms, dangerous weapons, and any concealed pistol license shall issue a receipt identifying all firearms, dangerous weapons, and any concealed pistol license that have been surrendered and provide a copy of the receipt to the respondent. The law enforcement agency shall file the original receipt with the court within twenty-four hours after service of the order and retain a copy of the receipt, electronically whenever electronic filing is available.

(4) Upon the sworn statement or testimony of the petitioner or of any law enforcement officer alleging that the respondent has failed to comply with the surrender of firearms or dangerous weapons as required by an order issued under RCW 9.41.800, the court shall determine whether probable cause exists to believe that the respondent has failed to surrender all firearms and dangerous weapons in their possession, custody, or control. If probable cause exists, the court shall issue a warrant describing the firearms or dangerous weapons and authorizing a search of the locations where the firearms and dangerous weapons are reasonably believed to be and the seizure of all firearms and dangerous weapons discovered pursuant to such search.

(5) If a person other than the respondent claims title to any firearms or dangerous weapons surrendered pursuant to this section, and the person is determined by the law enforcement agency to be the lawful owner of the firearm or dangerous weapon, the firearm or dangerous weapon shall be returned to the lawful owner, provided that:

(a) The firearm or dangerous weapon is removed from the respondent's access, custody, control, or possession and the lawful owner agrees by written document signed under penalty of perjury to store the firearm or dangerous weapon in a manner such that the respondent does not have access to or control of the firearm or dangerous weapon;

(b) The firearm or dangerous weapon is not otherwise unlawfully possessed by the owner; and

(c) The requirements of RCW 9.41.345 are met.

(6) Courts shall develop procedures to verify timely and complete compliance with orders to surrender weapons under RCW 9.41.800, including compliance review hearings to be held as soon as possible upon receipt from law enforcement of proof of service. A compliance review hearing is not required if the court can otherwise enter findings on the record or enter written findings that the proof of surrender or declaration of nonsurrender attested to by the person subject to the order, along with verification from law enforcement and any other relevant evidence, makes a sufficient showing that the person has timely and completely surrendered all firearms and dangerous weapons in their custody, control, or possession, and any concealed pistol license issued under RCW 9.41.070, to a law enforcement agency. If the court does not have a sufficient record before

it on which to make such a finding, the court must set a review hearing to occur as soon as possible at which the respondent must be present and provide ~~((testimony to the court under oath verifying))~~ proof of compliance with the court's order.

(7)(a) If a court finds at the compliance review hearing, or any other hearing where compliance with the order to surrender weapons is addressed, that there is probable cause to believe the respondent was aware of and failed to fully comply with the order, failed to appear at the compliance review hearing, or violated the order after the court entered findings of compliance, pursuant to its authority under chapter 7.21 RCW, the court may initiate a contempt proceeding to impose remedial sanctions on its own motion, or upon the motion of the prosecutor, city attorney, or the petitioner's counsel, and issue an order requiring the respondent to appear, provide proof of compliance with the order, and show cause why the respondent should not be held in contempt of court.

(b) If the respondent is not present in court at the compliance review hearing or if the court issues an order to appear and show cause after a compliance review hearing, the clerk of the court shall electronically transmit a copy of the order to show cause to the law enforcement agency where the respondent resides for personal service or service in the manner provided in the civil rules of superior court or applicable statute.

(c) The order to show cause served upon the respondent shall state the date, time, and location of the hearing and shall include a warning that the respondent may be held in contempt of court if the respondent fails to promptly comply with the terms of the order to surrender weapons and a warning that an arrest warrant could be issued if the respondent fails to appear on the date and time provided in the order.

(d)(i) At the show cause hearing, the respondent must be present and provide proof of compliance with the underlying court order to surrender weapons and demonstrate why the relief requested should not be granted.

(ii) The court shall take judicial notice of the receipt filed with the court by the law enforcement agency pursuant to subsection (3) of this section. The court shall also provide sufficient notice to the law enforcement agency of the hearing. Upon receiving notice pursuant to this subsection, a law enforcement agency must:

(A) Provide the court with a complete list of firearms and other dangerous weapons surrendered by the respondent or otherwise belonging to the respondent that are in the possession of the law enforcement agency; and

(B) Provide the court with verification that any concealed pistol license issued to the respondent has been surrendered and the agency with authority to revoke the license has been notified.

(iii) If the law enforcement agency has a reasonable suspicion that the respondent is not in full compliance with the terms of the order, the law enforcement agency must

submit the basis for its belief to the court, and may do so through the filing of an affidavit.

(e) If the court finds the respondent in contempt, the court may impose remedial sanctions designed to ensure swift compliance with the order to surrender weapons.

(f) The court may order a respondent found in contempt of the order to surrender weapons to pay for any losses incurred by a party in connection with the contempt proceeding, including reasonable attorneys' fees, service fees, and other costs. The costs of the proceeding shall not be borne by the petitioner.

(8) All law enforcement agencies must have policies and procedures to provide for the acceptance, storage, and return of firearms, dangerous weapons, and concealed pistol licenses that a court requires must be surrendered under RCW 9.41.800. A law enforcement agency holding any firearm or concealed pistol license that has been surrendered under RCW 9.41.800 shall comply with the provisions of RCW 9.41.340 and 9.41.345 before the return of the firearm or concealed pistol license to the owner or individual from whom it was obtained.

~~((8))~~ (9) The administrative office of the courts shall create a statewide pattern form to assist the courts in ensuring timely and complete compliance in a consistent manner with orders issued under this chapter. The administrative office of the courts shall report annually on the number of orders issued under this chapter by each court, the degree of compliance, and the number of firearms obtained, and may make recommendations regarding additional procedures to enhance compliance and victim safety.

**Sec. 4.** RCW 7.94.090 and 2017 c 3 s 10 (Initiative Measure No. 1491) are each amended to read as follows:

(1) Upon issuance of any extreme risk protection order under this chapter, including an ex parte extreme risk protection order, the court shall order the respondent to surrender to the local law enforcement agency all firearms in the respondent's custody, control, or possession and any concealed pistol license issued under RCW 9.41.070.

(2) The law enforcement officer serving any extreme risk protection order under this chapter, including an ex parte extreme risk protection order, shall request that the respondent immediately surrender all firearms in his or her custody, control, or possession and any concealed pistol license issued under RCW 9.41.070, and conduct any search permitted by law for such firearms. The law enforcement officer shall take possession of all firearms belonging to the respondent that are surrendered, in plain sight, or discovered pursuant to a lawful search. The order must be personally served upon the respondent or defendant if the order is entered in open court in the presence of the respondent or defendant. The respondent or defendant shall acknowledge receipt and service. If the respondent or defendant refuses service, an agent of the court may indicate on the record that the respondent or defendant refused service. The court shall enter the service and receipt into the record. A copy of the order and service shall be transmitted immediately to law enforcement. Alternatively, if personal service by a law

enforcement officer is not possible, ~~((or not required because the respondent was present at the extreme risk protection order hearing,))~~ the respondent shall surrender the firearms in a safe manner to the control of the local law enforcement agency within forty-eight hours of being served with the order by alternate service ~~((or within forty-eight hours of the hearing at which the respondent was present))~~.

(3) At the time of surrender, a law enforcement officer taking possession of a firearm or concealed pistol license shall issue a receipt identifying all firearms that have been surrendered and provide a copy of the receipt to the respondent. Within seventy-two hours after service of the order, the officer serving the order shall file the original receipt with the court and shall ensure that his or her law enforcement agency retains a copy of the receipt.

(4) Upon the sworn statement or testimony of the petitioner or of any law enforcement officer alleging that the respondent has failed to comply with the surrender of firearms as required by an order issued under this chapter, the court shall determine whether probable cause exists to believe that the respondent has failed to surrender all firearms in his or her possession, custody, or control. If probable cause exists, the court shall issue a warrant describing the firearms and authorizing a search of the locations where the firearms are reasonably believed to be and the seizure of any firearms discovered pursuant to such search.

(5) If a person other than the respondent claims title to any firearms surrendered pursuant to this section, and he or she is determined by the law enforcement agency to be the lawful owner of the firearm, the firearm shall be returned to him or her, provided that:

(a) The firearm is removed from the respondent's custody, control, or possession and the lawful owner agrees to store the firearm in a manner such that the respondent does not have access to or control of the firearm; and

(b) The firearm is not otherwise unlawfully possessed by the owner.

(6) Upon the issuance of a one-year extreme risk protection order, the court shall order a new compliance review hearing date and require the respondent to appear not later than three judicial days from the issuance of the order. The court shall require a showing that the ~~((person subject to the order))~~ respondent has surrendered any firearms in ~~((his or her))~~ the respondent's custody, control, or possession, and any concealed pistol license issued under RCW 9.41.070 to a law enforcement agency. The court may dismiss the hearing upon a satisfactory showing that the respondent has timely and completely surrendered all firearms in the respondent's custody, control, or possession and any concealed pistol license issued under RCW 9.41.070 to a law enforcement agency, and is in compliance with the order. If the court does not have a sufficient record before it on which to make such a finding, the court must set a review hearing to occur as soon as possible, at which the respondent must be present and provide proof of compliance with the court's order.

(7)(a) If a court finds at the compliance review hearing, or any other hearing where compliance with the order is addressed, that there is probable cause to believe the respondent was aware of and failed to fully comply with the order, failed to appear at the compliance review hearing, or violated the order after the court entered findings of compliance, pursuant to its authority under chapter 7.21 RCW, the court may initiate a contempt proceeding on its own motion, or upon the motion of the prosecutor, city attorney, or the petitioner's counsel, to impose remedial sanctions, and issue an order requiring the respondent to appear, provide proof of compliance with the order, and show cause why the respondent should not be held in contempt of court.

(b) If the respondent is not present in court at the compliance review hearing or if the court issues an order to appear and show cause after a compliance review hearing, the clerk of the court shall electronically transmit a copy of the order to show cause to the law enforcement agency where the respondent resides for personal service or service in the manner provided in the civil rules of superior court or applicable statute.

(c) The order to show cause served upon the respondent shall state the date, time, and location of the hearing and shall include a warning that the respondent may be held in contempt of court if the respondent fails to promptly comply with the terms of the extreme risk protection order and a warning that an arrest warrant could be issued if the respondent fails to appear on the date and time provided in the order to show cause.

(d)(i) At the show cause hearing, the respondent must be present and provide proof of compliance with the extreme risk protection order and demonstrate why the relief requested should not be granted.

(ii) The court shall take judicial notice of the receipt filed with the court by the law enforcement agency pursuant to subsection (3) of this section. The court shall also provide sufficient notice to the law enforcement agency of the hearing. Upon receiving notice pursuant to this subsection, a law enforcement agency must:

(A) Provide the court with a complete list of firearms surrendered by the respondent or otherwise belonging to the respondent that are in the possession of the law enforcement agency; and

(B) Provide the court with verification that any concealed pistol license issued to the respondent has been surrendered and the agency with authority to revoke the license has been notified.

(iii) If the law enforcement agency has a reasonable suspicion that the respondent is not in full compliance with the terms of the order, the law enforcement agency must submit the basis for its belief to the court, and may do so through the filing of an affidavit.

(e) If the court finds the respondent in contempt, the court may impose remedial sanctions designed to ensure swift compliance with the order to surrender weapons.

(f) The court may order a respondent found in contempt of the order to pay for any losses incurred by a party in connection with the contempt proceeding, including reasonable attorneys' fees, service fees, and other costs. The costs of the proceeding shall not be borne by the petitioner.

(8) All law enforcement agencies must develop policies and procedures by June 1, 2017, regarding the acceptance, storage, and return of firearms required to be surrendered under this chapter. A law enforcement agency holding any surrendered firearm or concealed pistol license shall comply with the provisions of RCW 9.41.340 and 9.41.345 before the return of the firearm or concealed pistol license to the owner or individual from whom it was obtained."

#### MESSAGE FROM THE SENATE

March 6, 2020

Madame Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2662 with the following amendment:

4.0.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 5. (1) The legislature recognizes that:

(a) Insulin is a life-saving drug and is critical to the management of diabetes as it helps patients control their blood sugar levels;

(b) According to Yale researchers, one-quarter of patients with Type 1 or 2 diabetes have reported using less insulin than prescribed due to the high cost of insulin;

(c) The first insulin patent in the United States was awarded in 1923 and the first synthetic insulin arrived on the market in 1978; and

(d) The price and utilization of insulin has steadily increased, making it one of the costliest prescription drugs in the state. According to the Washington all-payer claims database, the allowable costs before rebates for health carriers in the state have increased eighty-seven percent since 2014, and per member out-of-pocket costs have increased an average of eighteen percent over the same time period.

(2) Therefore, the legislature intends to review, consider, and pursue several strategies with the goal of reducing the cost of insulin in Washington.

NEW SECTION. Sec. 6. A new section is added to chapter 70.14 RCW to read as follows:

(1) The total cost of insulin work group is established. The work group membership must consist of the insurance commissioner or designee and the following members appointed by the governor:

(a) A representative from the prescription drug purchasing consortium described in RCW 70.14.060;

(b) A representative from the pharmacy quality assurance commission;

(c) A representative from an association representing independent pharmacies;

(d) A representative from an association representing chain pharmacies;

(e) A representative from each health carrier offering at least one health plan in a commercial market in the state;

(f) A representative from each health carrier offering at least one health plan to state or public school employees in the state;

(g) A representative from an association representing health carriers;

(h) A representative from the public employees' benefits board or the school employees' benefits board;

(i) A representative from the health care authority;

(j) A representative from a pharmacy benefit manager that contracts with state purchasers;

(k) A representative from a drug distributor or wholesaler that distributes or sells insulin in the state;

(l) A representative from a state agency that purchases health care services and drugs for a selected population;

(m) A representative from the attorney general's office with expertise in prescription drug purchasing; and

(n) A representative from an organization representing diabetes patients who is living with diabetes.

(2) The work group must review and design strategies to reduce the cost of and total expenditures on insulin in this state. Strategies the work group must consider include, but are not limited to, a state agency becoming a licensed drug wholesaler, a state agency becoming a registered pharmacy benefit manager, and a state agency purchasing prescription drugs on behalf of the state directly from other states or in coordination with other states.

(3) Staff support for the work group shall be provided by the health care authority.

(4) By December 1, 2020, the work group must submit a preliminary report detailing strategies to reduce the cost of and total expenditures on insulin for patients, health carriers, payers, and the state. The work group must submit a final report by July 1, 2021, to the governor and the legislature. The final report must include any statutory changes necessary to implement the strategies.

(5) This section expires December 1, 2022.

**NEW SECTION. Sec. 7.** A new section is added to chapter 70.14 RCW to read as follows:

(1) In order to implement strategies recommended by the total cost of insulin work group established in section 2 of this act, the health care authority may:

(a) Become or designate a state agency that shall become a drug wholesaler licensed under RCW 18.64.046;

(b) Become or designate a state agency that shall become a pharmacy benefit manager registered under RCW 19.340.030; or

(c) Purchase prescription drugs on behalf of the state directly from other states or in coordination with other states.

(2) In addition to the authorities granted in subsection (1) of this section, if the total cost of insulin work group established in section 2 of this act determines that all or a portion of the strategies may be implemented without statutory changes, the health care authority and the prescription drug purchasing consortium described in RCW 70.14.060 shall begin implementation without further legislative direction.

**Sec. 8.** RCW 70.14.060 and 2009 c 560 s 13 are each amended to read as follows:

(1)(a) The administrator of the state health care authority shall, directly or by contract, adopt policies necessary for establishment of a prescription drug purchasing consortium. The consortium's purchasing activities shall be based upon the evidence-based prescription drug program established under RCW 70.14.050. State purchased health care programs as defined in RCW 41.05.011 shall purchase prescription drugs through the consortium for those prescription drugs that are purchased directly by the state and those that are purchased through reimbursement of pharmacies, unless exempted under ~~((this section))~~ (b) of this subsection. The administrator shall not require any supplemental rebate offered to the ~~((department of social and health services))~~ health care authority by a pharmaceutical manufacturer for prescription drugs purchased for medical assistance program clients under chapter 74.09 RCW be extended to any other state purchased health care program, or to any other individuals or entities participating in the consortium. The administrator shall explore joint purchasing opportunities with other states.

(b) State purchased health care programs are exempt from the requirements of this section if they can demonstrate to the administrator of the state health care authority that, as a result of the availability of federal programs or other purchasing arrangements, their other purchasing mechanisms will result in greater discounts and aggregate cost savings than would be realized through participation in the consortium.

(2) Participation in the purchasing consortium shall be offered as an option beginning January 1, 2006. Participation in the consortium is purely voluntary for units of local government, private entities, labor organizations, health carriers as provided in RCW 48.43.005, state purchased health care services from or through health carriers as provided in RCW 48.43.005, and for individuals who lack or are underinsured for prescription drug coverage. The administrator may set reasonable fees, including enrollment fees, to cover administrative costs attributable to participation in the prescription drug consortium.

~~(3) ((This section does not apply to state purchased health care services that are purchased from or through health carriers as defined in RCW 48.43.005, or group model health maintenance organizations that are accredited by the national committee for quality assurance.~~

(4)) The state health care authority is authorized to adopt rules implementing chapter 129, Laws of 2005.

~~((5) State purchased health care programs are exempt from the requirements of this section if they can demonstrate to the administrator that, as a result of the availability of federal programs or other purchasing arrangements, their other purchasing mechanisms will result in greater discounts and aggregate cost savings than would be realized through participation in the consortium.))~~

**NEW SECTION. Sec. 9.** A new section is added to chapter 48.43 RCW to read as follows:

(1) Except as required in subsection (2) of this section, a health plan issued or renewed on or after January 1, 2021, that provides coverage for prescription insulin drugs for the treatment of diabetes must cap the total amount that an enrollee is required to pay for a covered insulin drug at an amount not to exceed one hundred dollars per thirty-day supply of the drug. Prescription insulin drugs must be covered without being subject to a deductible, and any cost sharing paid by an enrollee must be applied toward the enrollee's deductible obligation.

(2) If the federal internal revenue service removes insulin from the list of preventive care services which can be covered by a qualifying health plan for a health savings account before the deductible is satisfied, for a health plan that provides coverage for prescription insulin drugs for the treatment of diabetes and is offered as a qualifying health plan for a health savings account, the carrier must establish the plan's cost sharing for the coverage of prescription insulin for diabetes at the minimum level necessary to preserve the enrollee's ability to claim tax exempt contributions from his or her health savings account under internal revenue service laws and regulations. The office of the insurance commissioner must provide written notice of the change in internal revenue service guidance to affected parties, the chief clerk of the house of representatives, the secretary of the senate, the office of the code reviser, and others as deemed appropriate by the office.

(3) This section expires January 1, 2023.

**NEW SECTION. Sec. 10.** A new section is added to chapter 41.05 RCW to read as follows:

(1) Except as required in subsection (2) of this section, a health plan offered to public employees and their covered dependents under this chapter that is issued or renewed by the board on or after January 1, 2021, that provides coverage for prescription insulin drugs for the treatment of diabetes must cap the total amount that an enrollee is required to pay for a covered insulin drug at an amount not to exceed one hundred dollars per thirty-day supply of the drug. Prescription insulin drugs must be covered without being subject to a deductible, and any cost sharing paid by an enrollee must be applied toward the enrollee's deductible obligation.

(2) If the federal internal revenue service removes insulin from the list of preventive care services which can be covered by a qualifying health plan for a health savings account before the deductible is satisfied, for a health plan

that provides coverage for prescription insulin drugs for the treatment of diabetes and is offered as a qualifying health plan for a health savings account, the carrier must establish the plan's cost sharing for the coverage of prescription insulin for diabetes at the minimum level necessary to preserve the enrollee's ability to claim tax exempt contributions from his or her health savings account under internal revenue service laws and regulations. The office of the insurance commissioner must provide written notice of the change in internal revenue service guidance to affected parties, the chief clerk of the house of representatives, the secretary of the senate, the office of the code reviser, and others as deemed appropriate by the office.

(3) The authority must monitor the wholesale acquisition cost of all insulin products sold in the state.

(4) This section expires January 1, 2023.

"**NEW SECTION. Sec. 15.** A new section is added to chapter 82.08 RCW to read as follows:

(1) A taxpayer is eligible for an exemption, in the form of a remittance, from the tax levied by RCW 82.08.020 on:

(a) The sale of oil-free adjustable blade hubs for hydroelectric turbines;

(b) The sale of or charge made for labor and services rendered in respect to constructing, installing, repairing, altering, cleaning, or improving oil-free adjustable blade hubs for hydroelectric turbines; and

(c) The sale of tangible personal property that will become a component of oil-free adjustable blade hubs for hydroelectric turbines during the course of constructing, installing, repairing, altering, cleaning, or improving oil-free adjustable blade hubs for hydroelectric turbines.

(2)(a) Any taxpayer claiming exemption from retail sales tax under the provisions of this section must pay the state and local sales tax to the seller at the time of purchase and then request a remittance from the department in accordance with this subsection. The request for remittance must include any information and documentation as required by the department, which may include the sales price of any goods or services purchased, the amount of sales tax paid on the item, the date of the purchase, the name of the seller and the physical address where the sale took place, and copies of sales receipts showing the qualified purchases.

(b) Requests for remittance must be made on an annual basis. A taxpayer may not submit more than one request for remittance for a given calendar year, except to amend a request.

(c) As part of the application for a remittance under this section, in cases where the labor and services as described in subsection (1)(b) of this section are provided under contract, the taxpayer must attest:

(i)(A) That the contractors on the project, for which the labor and services described in subsection (1)(b) of this section are rendered, have a history of complying with federal and state wage and hour laws and regulations; or

(B) That the project, for which the labor and services described in subsection (1)(b) of this section are rendered, is developed under a community workforce agreement or project labor agreement; or

(ii) That, if the contract for labor and services described under subsection (1)(b) of this section was

executed prior to July 1, 2020, and the remaining labor and services will be rendered on or after July 1, 2020, either of the conditions in (c)(i) of this subsection (2) is met and wages consistent with chapter 39.12 RCW are paid on the project.

(d) If the department determines that any of the facts attested to as required under (c) of this subsection are not true, the department must deny the application for remittance. However, nothing in this section requires the department to endeavor to determine the veracity of the facts attested to as required under (c) of this subsection. Upon the department's request, state agencies must provide assistance to the department in reviewing the information submitted by a generating utility as required by (c) of this subsection.

(e) Any taxpayer claiming exemption from retail sales tax under the provisions of this section must also report to the department the amount of energy expected to be generated by the hydroelectric turbines associated with the exemption in the twelve months following the date of the request. The department must make this information available to the joint legislative audit and review committee.

(3) The exemption provided by this section is only for the state portion of the sales tax. For purposes of this section, the state portion of the sales tax is not reduced by any local sales tax that is deducted or credited against the state sales tax as provided by law.

(4) The definitions in this subsection apply throughout this section and section 2 of this act unless the context clearly requires otherwise:

(a) "Electric utility" has the same meaning as defined in RCW 19.29A.010.

(b) "Hydroelectric turbine" means a mechanical wheel that is moved by water and connected to a generator to produce electricity in a hydroelectric project owned by an electric utility.

(c) "Oil-free adjustable blade hub for hydroelectric turbines" means a type of horizontal or vertical hydroelectric turbine with adjustable blades that does not use oil on the runner hub to lubricate the internal components.

(5) This section expires July 1, 2030.

**NEW SECTION. Sec. 16.** A new section is added to chapter 82.12 RCW to read as follows:

(c) Tangible personal property that will become a component of oil-free adjustable blade hubs for hydroelectric turbines during the course of constructing, installing, repairing, altering, cleaning, or improving oil-free adjustable blade hubs for hydroelectric turbines.

(2) All of the eligibility requirements, conditions, limitations, and definitions in section 1 of this act apply to this section.

(3) This section expires July 1, 2030.

**NEW SECTION. Sec. 17.** (1) This section is the tax preference performance statement for the tax preference contained in sections 1 and 2, chapter . . . , Laws of 2020 (sections 1 and 2 of this act). This performance statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to create a private right of action by any party or to be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes this tax preference as one intended to improve industry competitiveness as indicated in RCW 82.32.808(2)(b).

(3) It is the legislature's specific public policy objective to promote the use of oil-free hydroelectric turbine technology.

(4) If a review finds that there is an increase in the number of taxpayers claiming the exemption provided in this act and in the amount of energy generated by the hydroelectric turbines associated with this exemption, then the legislature intends to extend the expiration date of this tax preference.

(5) In order to obtain the data necessary to perform the review in subsection (4) of this section, the joint legislative audit and review committee may refer to any data collected by the state.

**MESSAGE FROM THE SENATE**

March 6, 2020

Mme. SPEAKER:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1661, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 19. (1) The legislature finds that:

(a) Chapter 47, Laws of 2011 1st sp. sess. (Engrossed Substitute House Bill No. 1981) established a framework to allow the state's institutions of higher education to begin funding the unfunded portion of the defined benefit component of the higher education retirement plans.

(b) Moneys in the fund are being invested in short-term assets with low rates of return because there is no stated or clear pathway for when these funds will be used to pay benefits and that a stated strategy would allow these funds to be invested at a higher rate of return.

(c) The first actuarial analysis of the plans was completed in 2016, which provided information about projected future costs and potential institution specific rates that would allow benefits to be paid from the fund beginning in 2035.

(2) Therefore, the legislature intends the following:

(a) To establish institution specific contribution rates for each institutions of higher education supplemental benefit plan.

(b) The pension funding council will adjust the institution specific rates periodically based on updated experience and actuarial analyses to maintain progress towards funding the actuarial liabilities of each institution and to allow payment from the funds by 2035.

(c) Future contribution rates represent the cost of paying on a combined prefunded and pay-as-you-go basis in a way that reduces the year-to-year changes in cost that the higher education retirement plan supplemental benefit has under current law.

(d) The department of retirement systems assumes responsibility for administering the higher education retirement plan supplemental benefit fund when sufficient assets have been accumulated, as determined by the pension funding council.

(e) When sufficient funding has been accumulated to begin making benefit payments that the payments be made solely from that institution's portion of the higher education retirement plan supplemental benefit fund.

(f) That moneys in the fund be invested in a way to maximize returns.

**Sec. 20.** RCW 28B.10.423 and 2012 c 229 s 516 are each amended to read as follows:

(1) For employees who are first employed by an institution of higher education in a position eligible for participation in an old age annuities or retirement income plan under this chapter prior to July 1, 2011, it is the intent of RCW 28B.10.400, 28B.10.405, 28B.10.410, 28B.10.415, and 28B.10.420(=) and ~~((28B.10.423))~~ this section that the

retirement income resulting from the contributions described herein from the state of Washington and the employee shall be projected actuarially so that it shall not exceed sixty percent of the average of the highest two consecutive years salary. Periodic review of the retirement systems established pursuant to RCW 28B.10.400, 28B.10.405, 28B.10.410, 28B.10.415, and 28B.10.420(=) and ~~((28B.10.423))~~ this section will be undertaken at such time and in such manner as determined by the committees on ways and means of the senate and of the house of representatives, the select committee on pension policy, and the pension funding council, and joint contribution rates will be adjusted if necessary to accomplish this intent.

(2) Beginning July 1, 2011, state funding for annuity or retirement income plans under RCW 28B.10.400 shall not exceed six percent of salary. The state board for community and technical colleges and the student achievement council are exempt from the provisions of this subsection (2).

(3) By June 30, 2013, and every two years thereafter, each institution of higher education that is responsible for payment of supplemental amounts under RCW 28B.10.400(1)(c) shall contract with the state actuary under chapter 41.44 RCW for an actuarial valuation of their supplemental benefit plan. By June 30, 2013, and at least once every six years thereafter, each institution shall also contract with the state actuary under chapter 41.44 RCW for an actuarial experience study of the mortality, service, compensation, and other experience of the annuity or retirement income plans created in this chapter, and into the financial condition of each system. At the discretion of the state actuary, the valuation or experience study may be performed by the state actuary or by an outside actuarial firm under contract to the office of the state actuary. Each institution of higher education is required to provide the data and information required for the performance of the valuation or experience study to the office of the state actuary or to the actuary performing the study on behalf of the state actuary. The state actuary may charge each institution for the actual cost of the valuation or experience study through an interagency agreement. Upon completion of the valuation or experience study, the state actuary shall provide copies of the study to the institution of higher education and to the select committee on pension policy and the pension funding council.

~~(4)(a) ((A higher education retirement plan supplemental benefit fund is created in the custody of the state treasurer for the purpose of funding future benefit obligations of higher education retirement plan supplemental benefits. The state investment board has the full power to invest, reinvest, manage, contract, sell, or exchange investment money in the fund.~~

~~((b)))~~ From January 1, 2012, through June 30, 2013, an employer contribution rate of one-quarter of one percent of salary is established to begin prefunding the unfunded future obligations of the supplemental benefit established in RCW 28B.10.400.

~~((c)))~~ (b) Beginning July 1, 2013, an employer contribution rate of one-half of one percent of salary is

established to prefund the unfunded future obligations of the supplemental benefit established in RCW 28B.10.400.

~~((d))~~ (c)(i) Beginning July 1, 2020, the employer contribution rates for each state institution of higher education are as follows:

University of Washington: 0.38 percent

Washington State University: 0.30 percent

Western Washington University: 0.21 percent

Eastern Washington University: 0.28 percent

Central Washington University: 0.00 percent

The Evergreen State College: 0.23 percent

State board for community and technical colleges: 0.13 percent

(ii) The contribution rates established in this section may be changed by rates adopted by the pension funding council beginning July 1, 2021, consistent with (e) of this subsection.

(iii) The rates in this subsection (4) are subject to the limit established in subsection (2) of this section.

(d) Consistent with chapter 41.50 RCW, the department of retirement systems shall collect the employer contribution rates established in this section from each state institution of higher education, and deposit those contributions into the higher education retirement plan supplemental benefit fund under RCW 41.50.075(6). The contributions made by each employer into the higher education retirement plan supplemental benefit fund and the earnings on those contributions shall be accounted for separately within the fund.

(e) Following the completion and review of the ~~((initial))~~ actuarial valuations and experience study conducted pursuant to subsection (3) of this section, the pension funding council may~~((~~

~~((i) Adopt))~~, by July 31, 2020, and every two years thereafter, adopt and make changes to the employer contribution rates established in this subsection consistent with the procedures established in chapter 41.45 RCW. If the actuarial valuations of the higher education retirement plans of each institution contributing to the higher education retirement plan supplemental benefit fund suggest that different contribution rates are appropriate for each institution, different rates may be adopted. Rates adopted by the pension funding council are subject to revision by the legislature((

~~((ii) Recommend legislation that will, upon accumulation of sufficient funding in the higher education retirement plan supplemental benefit fund, transfer the responsibility for making supplemental benefit payments to the department of retirement systems, and adjust employer contribution rates to reflect the transfer of responsibility)).~~

(f)(i) The rates adopted by the pension funding council must be designed to keep the cost of the higher education retirement plan supplemental benefits at a more level

percentage of pay than a pay-as-you-go method. This more level percentage of pay of costs means a combination of the cost of supplemental benefits paid by the institution directly, plus the cost of contributions to the higher education retirement plan supplemental benefit fund. Contributions shall continue until the projected value of the funds equals the projected cost of future benefits for the institution.

(ii) Funds are anticipated to be accumulated in the higher education retirement plan supplemental benefit fund, and not expended on benefits until approximately the year 2035.

(iii) The pension funding council, in consultation with the state actuary, may choose and occasionally revise, a funding method designed to achieve these objectives.

**SENATE AMENDMENT TO HOUSE BILL**

There being no objection, the House refused to concur in the Senate amendment to SECOND SUBSTITUTE HOUSE BILL NO. 1661 and asked the Senate to recede therefrom.

**MESSAGE FROM THE SENATE**

March 5, 2020

Mme. SPEAKER:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2116, with the following amendment:

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 27.** The legislature recognizes that the federal every student succeeds act of 2015, P.L. 114-95, reauthorized and amended the elementary and secondary education act of 1965, the federal policy and funding

assistance framework for the nation's public education system.

Two of the stated purposes of the every student succeeds act are to provide all children with a significant opportunity to receive a fair, equitable, and high quality education, and to close educational achievement gaps.

The legislature further recognizes that Article IX of the state Constitution provides that it is the paramount duty of the state to make ample provision for the education of all children residing within its borders, without distinction or preference on account of race, color, caste, or sex.

While the partnership of federal and state law is critical in ensuring that the civil and education rights of students are upheld, efforts in Washington to fully realize state and federal objectives, especially with respect to the delivery of education services in institutional facilities, remain unfinished.

The legislature, therefore, intends to establish a task force on improving institutional education programs and outcomes, with tasks and duties generally focused on educational programs in the juvenile justice system. In so doing, the legislature intends to examine issues that have not been significantly explored in recent years, build a shared understanding of past and present circumstances, and develop recommendations for improving the delivery of education services, and associated outcomes, for youth in institutional facilities.

**NEW SECTION. Sec. 28.** (1)(a) The task force on improving institutional education programs and outcomes is established, with members as provided in this subsection.

(i) The president of the senate shall appoint one member from each of the two largest caucuses of the senate, with each member serving on the committee with jurisdiction over education issues, and one member serving on the committee with jurisdiction over basic education funding.

(ii) The speaker of the house of representatives shall appoint one member from each of the two largest caucuses of the house of representatives, with one member serving on the committee with jurisdiction over education issues, and one member serving on the committee with jurisdiction over basic education funding.

(iii) The governor shall appoint one member each from the state board of education and the department of children, youth, and families, and one member representing an organization that provides free legal advice to youth who are involved in, or at risk of being involved in, the juvenile justice system.

(iv) The superintendent of public instruction shall appoint three members: One member representing the superintendent of public instruction; one member who is a principal from a school district with at least twenty thousand enrolled students that provides education services to a juvenile rehabilitation facility; and one member who is a teacher with expertise in providing education services to residents of a juvenile rehabilitation facility.

(v) The task force must also include one member representing the educational opportunity gap oversight and accountability committee, selected by the educational opportunity gap oversight and accountability committee.

(b) The task force shall choose its cochair from among its legislative membership. One cochair must be from a minority caucus in one of the two chambers of the legislature. A member from the majority caucus of the house of representatives shall convene the initial meeting of the task force by May 1, 2020.

(2) The task force shall examine the following issues:

(a) Goals and strategies for improving the coordination and delivery of education services to youth involved with the juvenile justice system, especially youth in juvenile rehabilitation facilities, and children receiving education services, including home or hospital instruction, under RCW 28A.155.090;

(b) The transmission of student records, including individualized education programs and plans developed under section 504 of the rehabilitation act of 1973, for students in institutional facilities, and recommendations for ensuring that those records are available to the applicable instructional staff within two business days of a student's admission to the institution;

(c) Goals and strategies for increasing the graduation rate of youth in institutional facilities, and in recognition of the transitory nature of youth moving through the juvenile justice system, issues related to grade level progression and academic credit reciprocity and consistency to ensure that:

(i) Core credits earned in an institutional facility are considered core credits by public schools that the students subsequently attend; and

(ii) Public school graduation requirements, as they applied to a student prior to entering an institutional facility, remain applicable for the student upon returning to a public school;

(d) Goals and strategies for assessing adverse childhood experiences of students in institutional education and providing trauma-informed care;

(e) An assessment of the level and adequacy of basic and special education funding for institutional facilities. The examination required by this subsection (2)(e) must include information about the number of students receiving special education services in institutional facilities, and a comparison of basic and special education funding in institutional facilities and public schools during the previous ten school years;

(f) An assessment of the delivery methods, and their adequacy, that are employed in the delivery of special education services in institutional facilities, including associated findings;

(g) School safety, with a focus on school safety issues that are applicable in institutional facilities; and

(h) Special skills and services of faculty and staff, including associated professional development and

nonacademic supports necessary for addressing social emotional and behavioral health needs presenting as barriers to learning for youth in institutional facilities.

(3) The task force, in completing the duties prescribed by this section, shall solicit and consider information and perspectives provided by the department of corrections and persons and entities with relevant interest and expertise, including from persons with experience reintegrating youth from institutional facilities into school and the community at large, and from persons who provide education services in secure facilities housing persons under the age of twenty-five, examples of which include county jails, juvenile justice facilities, and community facilities as defined in RCW 72.05.020.

(4) Staff support for the task force must be provided by the senate committee services and the house of representatives office of program research. The office of financial management, the office of the superintendent of public instruction, the department of children, youth, and families, and the department of corrections shall cooperate with the task force and provide information as the cochair may reasonably request.

(5) Legislative members of the task force are to be reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, government entity, or other organization. Any reimbursement for other nonlegislative members is subject to chapter 43.03 RCW.

(6) In accordance with RCW 43.01.036, the task force shall report its findings and recommendations to the governor and the appropriate committees of the house of representatives and the senate by December 15, 2020, in time for the legislature to take action on legislation that is consistent with the findings and recommendations during the 2021 legislative session.

(7) This section expires June 30, 2021.

**NEW SECTION. Sec. 29.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

On page 1, line 2 of the title, after "outcomes;" strike the remainder of the title and insert "creating new sections; providing an expiration date; and declaring an emergency."

and the same is herewith transmitted.

Mme. SPEAKER:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2511, with the following amendment:

Strike everything after the enacting clause and insert the following:

(8) "Hiring entity" means any employer, as defined in RCW 49.46.010(4), and in RCW 49.60.040(11), who employs a domestic worker, as well as any individual, partnership, association, corporation, business trust, or any combination thereof, which pays a wage or pays wages for the services of a domestic worker. It includes any such entity, person, or group of persons that provides compensation directly or indirectly to a domestic worker for the performance of domestic services and any such entity, person, or persons acting directly or indirectly in the interest of the hiring entity in relation to the domestic worker. "Hiring entity" does not include a state agency or home care agency as defined in RCW 70.127.010 and licensed under chapter 70.127 RCW if the home care agency receives funding through RCW 74.39A.310, any adult family home licensed under chapter 70.128 RCW, an assisted living facility licensed under chapter 18.20 RCW, an enhanced services facility licensed under chapter 70.97 RCW, any other long-term care facility licensed by the department of

(9) "Personal care services" are care services as defined in RCW 74.39A.009.

**NEW SECTION. Sec. 32.** (1) A hiring entity that employs a domestic worker may not:

(a) Request that the domestic worker allow the hiring entity, on either a mandatory or voluntary basis, to have possession of any personal effects, including any legal documents, including forms of identification, passports, or other immigration documents;

(b) Engage in any form of discrimination as defined in section 2(3) of this act or subject a domestic worker to a hostile work environment within the meaning of chapter 49.60 RCW; a domestic worker shall be entitled to all rights available under chapter 49.60 RCW. It shall not constitute discrimination or harassment only when:

(i) The alleged discrimination is a challenging behavior; or

(ii) A hiring entity who is receiving personal care services, or who has lawful authority or guardianship over a child receiving personal care services, exercises a gender preference in hiring;

(c) Take any adverse action against a domestic worker for their exercise of rights under this chapter, which may include, but is not limited to:

to a federal, state, or local agency because the domestic worker has exercised any right under this chapter;

(g) Require or request any written agreements that:

(i) Waive a domestic worker's rights under federal, state, or local law; or

(ii) Contain noncompete agreements, nondisclosure agreements, nondisparagement agreements that inhibit a domestic worker's claims of their legal rights under this chapter, or noncompete agreements that limit the ability of domestic workers to seek any other form of domestic work postemployment.

(2) It shall be considered a rebuttable presumption of retaliation if the employer or any other person takes an adverse action against a domestic worker within ninety calendar days of the domestic worker's exercise of rights protected under this chapter. However, in the case of seasonal employment that ended before the close of the ninety calendar day period, the presumption also applies if the employer fails to rehire a former domestic worker at the next opportunity for work in the same position. The employer may rebut the presumption with clear and convincing evidence that the adverse action was taken for a permissible purpose.

(3) Where subsection (1)(b)(i) of this section applies, prior to offering the employment to a domestic worker or as soon as the hiring entity learns of the information if the domestic worker is already employed, the hiring entity should, when possible, disclose information about any challenging behaviors and relevant behavioral health needs of the individual being cared for as well as tools and supports that may be available to the domestic worker. If there is an authorized representative for the hiring entity receiving care, or an overlapping employment relationship with the hiring entity receiving care, this information must be disclosed in writing by the authorized representative or the hiring entity not receiving care services. The disclosure should be reviewed regularly and must be updated, as necessary, by the hiring entity when any changes in behavior occur that impact safety or provision of personal care services.

(4) All communication of the information in subsection (3) of this section must be tailored to respect the privacy of the person receiving services from the domestic worker in accordance with the federal health insurance portability and accountability act of 1996.

(5) The exemptions under this section shall not be construed to relieve a hiring entity of liability under this chapter nor shall a domestic worker's agreement to initiate or continue the employment relationship be construed as consent to workplace violence.

**NEW SECTION. Sec. 33.** Where more than one hiring entity has an employment relationship with a domestic worker in connection with the same work or where more than one hiring entity has an overlapping employment relationship with a domestic worker, the hiring entities are subject to liability as well as fines and penalties for violations.

**NEW SECTION. Sec. 34.** Any standards or rights established by any applicable federal, state, or local law or ordinance, or any rule or regulation issued thereunder, which are more favorable to domestic workers than the minimum standards and rights established by this chapter, or any rule or regulation issued hereunder, shall not be affected by this chapter and such other laws, or rules or regulations, shall be in full force and effect and may be enforced as provided by law. The remedies provided by this chapter are not exclusive and are concurrent with any other remedy provided by law.

**SENATE AMENDMENT TO HOUSE BILL**

There being no objection, the House refused to concur in the Senate amendment to SUBSTITUTE HOUSE BILL NO. 2511 and asked the Senate to recede therefrom.

### MESSAGE FROM THE SENATE

March 5, 2020

Mme. SPEAKER:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2711, with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1) The legislature finds that students in foster care, experiencing homelessness, or both, have the lowest high school graduation and postsecondary completion outcomes compared to other student populations. The legislature also finds that these students change schools at significantly higher rates than their general student population peers, and that these changes can disrupt academic progress. The legislature further finds that these students have disproportionate suspension and expulsion rates, and require special education services at much higher rates than other students.

(2) The legislature acknowledges that, as a result, only forty-six percent of Washington students who experienced foster care during high school, and fifty-five percent of students experiencing homelessness, graduated from high school on time in 2018. By comparison, the statewide four-year graduation rate for the class of 2019 was nearly eighty-one percent. Furthermore, students of color are disproportionately represented in the foster care system and in homeless student populations, and their academic outcomes are significantly lower than their white peers. Additionally, students who do not achieve positive education outcomes experience high rates of unemployment, poverty, adult homelessness, and incarceration.

(3) The legislature, therefore, intends to provide the opportunity for an equitable education for students in foster care, experiencing homelessness, or both. In accomplishing this goal, the legislature intends to achieve parity in education outcomes for these students, both in comparison to their general student population peers and throughout the education continuum of prekindergarten to postsecondary education.

(4) In 2018 the legislature directed the department of children, youth, and families and other entities in chapter 299, Laws of 2018, to convene a work group focused on students in foster care and students experiencing homelessness. The legislature resolves to continue this work group to improve education outcomes for these students.

**NEW SECTION. Sec. 2.** A new section is added to chapter 28A.300 RCW to read as follows:

(1) The office of the superintendent of public instruction, in collaboration with the department of children, youth, and families, the office of homeless youth prevention

and protection programs of the department of commerce, and the student achievement council, shall convene the project education impact work group to address the needs of students in foster care, experiencing homelessness, or both. The work group must include representatives of nongovernmental agencies and representation from the educational opportunity gap oversight and accountability committee. The work group must also include four legislative members appointed as follows:

(a) The president of the senate shall appoint one member from each of the two largest caucuses of the senate.

(b) The speaker of the house of representatives shall appoint one member from each of the two largest caucuses of the house of representatives.

(2) The work group must focus its efforts on students in foster care, experiencing homelessness, or both, and must develop and implement a plan that will accomplish the following by 2027:

(a) Enable the students to achieve parity in education outcomes with their general student population peers; and

(b) Eliminate racial and ethnic disparities for the education outcomes of the students in comparison to their general student population peers.

(3)(a) The work group shall review the education outcomes of students in foster care, experiencing homelessness, or both, by examining data, disaggregated by race and ethnicity, on:

(i) Kindergarten readiness, early grade reading and math, eighth and ninth grade students on track to graduate, high school completion, postsecondary enrollment, and postsecondary completion; and

(ii) School attendance, school mobility, special education status, and school discipline.

(b) To enable the review required by this subsection (3), the office of the superintendent of public instruction, the department of children, youth, and families, the student achievement council, and the office of homeless youth prevention and protection programs of the department of commerce shall provide updated education data and other necessary data to the education data center established under RCW 43.41.400.

(c) The education data center must provide an updated report to the work group on these education outcomes by March 31, 2021, and annually thereafter. If state funds are not made available to complete the reports required by this subsection (3)(c), the work group may pursue supplemental private funding to ensure the completion of the reports.

(4) The work group shall also:

(a) Evaluate the outcomes, needs, and service array for students in foster care, experiencing homelessness, or both, and the specific needs of students of color and those with special education needs;

(b) Engage stakeholders, including students in foster care, experiencing homelessness, or both, foster parents and relative caregivers, birth parents, caseworkers, school

districts and educators, early learning providers, postsecondary institutions, and federally recognized tribes, to provide input on the development of recommendations; and

(c)(i) Submit annual reports to the governor, the appropriate committees of the legislature, and the educational opportunity gap oversight and accountability committee by October 31st of each year regarding the progress the state has made toward achieving education parity for students in foster care, experiencing homelessness, or both.

(ii) The reports required by this subsection (4)(c) must:

(A) Describe the progress made toward achieving the following goals for students in foster care, experiencing homelessness, or both:

(I) Parity in kindergarten readiness rates;

(II) Parity in high school graduation rates;

(III) Parity in postsecondary education and state-approved apprenticeship enrollment; and

(IV) Parity in postsecondary education and state-approved apprenticeship completion;

(B) Include updates on agency and nongovernmental agency actions toward achieving the goals specified in this section, and the effectiveness of support services for students in foster care, experiencing homelessness, or both;

(C) Include recommendations to further align and improve policy, programs, agency practice, and supports for students, and provide for shared and sustainable accountability to reach the goal of educational parity, including recommendations to:

(I) Address systems barriers and improve educational stability;

(II) Enforce existing state law requiring that education records, documentation of educational needs, individualized education programs, credits, and other records follow students when they transition between districts or to another education program or facility;

(III) Improve racial equity in education outcomes; and

(IV) Ensure appropriate work group access to consistent and accurate annual education outcomes data;

(D) Identify recommendations that can be implemented using existing resources, rules, and regulations and those that require policy, administrative, and resource allocation changes; and

(E) Identify the progress made toward meaningful engagement of stakeholders in informing recommendations.

(5) Nothing in this section permits disclosure of confidential information protected from disclosure under federal or state law, including but not limited to information protected under chapter 13.50 RCW. Confidential information received by the work group retains its confidentiality and may not be further disseminated except as permitted by federal and state law.

(6) For the purposes of this section, "students in foster care, experiencing homelessness, or both" includes students who are in foster care or experiencing homelessness, and students who have been homeless or in foster care, or both, within five years of when the plan described in this section is applied.

(7) This section expires July 1, 2028.

**Sec. 3.** RCW 74.13.1051 and 2017 3rd sp.s. c 6 s 405 are each amended to read as follows:

(1) In order to proactively support foster youth to complete high school, enroll and complete postsecondary education, and successfully implement their own plans for their futures, the department, the student achievement council, and the office of the superintendent of public instruction shall enter into, or revise existing, memoranda of understanding that:

(a) Facilitate student referral, data and information exchange, agency roles and responsibilities, and cooperation and collaboration among state agencies and nongovernmental entities; and

(b) Effectuate the transfer of responsibilities from the department to the office of the superintendent of public instruction with respect to the programs in RCW 28A.300.592, and from the department to the student achievement council with respect to the program in RCW 28B.77.250 in a smooth, expedient, and coordinated fashion.

(2) The student achievement council and the office of the superintendent of public instruction shall establish a set of indicators relating to the outcomes provided in RCW 28A.300.590 and 28A.300.592 to provide consistent services for youth, facilitate transitions among contractors, and support outcome-driven contracts. The student achievement council and the superintendent of public instruction shall collaborate with nongovernmental contractors and the department to develop a list of the most critical indicators, establishing a common set of indicators to be used in the outcome-driven contracts in RCW 28A.300.590 and 28A.300.592. ~~((A list of these indicators must be included in the report provided in subsection (3) of this section.~~

~~(3) By November 1, 2017, and biannually thereafter, the department, the student achievement council, and the office of the superintendent of public instruction, in consultation with the nongovernmental entities engaged in public-private partnerships shall submit a joint report to the governor and the appropriate education and human services committees of the legislature regarding each of these programs, individually, as well as the collective progress the state has made toward the following goals:~~

~~(a) To make Washington number one in the nation for foster care graduation rates;~~

~~(b) To make Washington number one in the nation for foster care enrollment in postsecondary education; and~~

~~(c) To make Washington number one in the nation for foster care postsecondary completion.~~

~~(4) The department, the student achievement council, and the office of the superintendent of public instruction, in consultation with the nongovernmental entities engaged in public-private partnerships, shall also submit one report by November 1, 2018, to the governor and the appropriate education and human service committees of the legislature regarding the transfer of responsibilities from the department to the office of the superintendent of public instruction with respect to the programs in RCW 28A.300.592, and from the department to the student achievement council with respect to the program in RCW 28B.77.250 and whether these transfers have resulted in better coordinated services for youth.))~~

**NEW SECTION. Sec. 4.** RCW 28A.300.8001 (Plan for cross-system collaboration to promote educational stability and improve educational outcomes for foster children—Reports) and 2012 c 163 s 10 are each repealed."

On page 1, line 3 of the title, after "education;" strike the remainder of the title and insert "amending RCW 74.13.1051; adding a new section to chapter 28A.300 RCW; creating a new section; repealing RCW 28A.300.8001; and providing an expiration date."

and the same is herewith transmitted.

#### MESSAGE FROM THE SENATE

March 6, 2020

Madame Speaker:

The Senate has passed ENGROSSED THIRD SUBSTITUTE HOUSE BILL NO. 1775 with the following amendment:

4.0.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 5. The legislature finds that commercial sexual exploitation of children is a severe form of human trafficking and a severe human rights and public health issue, leaving children at substantial risk of physical harm, substantial physical and emotional pain, and trauma. This trauma has a long-term impact on the social, emotional, and economic future of these children. The state shall provide a victim-centered, trauma-informed response to children who are exploited in this manner rather than treating them as criminals. The state shall also hold accountable the buyers and traffickers who exploit children.

NEW SECTION. Sec. 6. A new section is added to chapter 7.68 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the department of children, youth, and families shall administer funding for two receiving center programs for commercially sexually exploited children. One of these programs must be located west of the crest of the Cascade mountains and one of these programs must be located east of the crest of the Cascade mountains. Law enforcement and service providers may refer children to these programs or children may self-refer into these programs.

(2) The receiving center programs established under this section shall:

(b) On a basis of available evidence there is probable cause to believe that the juvenile did commit the offense.

(2) If the identical alleged acts constitute an offense under both the law of this state and an ordinance of any city or county of this state, state law shall govern the prosecutor's screening and charging decision for both filed and diverted cases.

(3) If the requirements of subsection (1)(a) and (b) of this section are met, the prosecutor shall either file an information in juvenile court or divert the case, as set forth in subsections (5), (6), and (8) of this section. If the prosecutor finds that the requirements of subsection (1)(a) and (b) of this section are not met, the prosecutor shall

maintain a record, for one year, of such decision and the reasons therefor. In lieu of filing an information or diverting an offense a prosecutor may file a motion to modify community supervision where such offense constitutes a violation of community supervision.

(4) An information shall be a plain, concise, and definite written statement of the essential facts constituting the offense charged. It shall be signed by the prosecuting attorney and conform to chapter 10.37 RCW.

(6) Where a case is legally sufficient the prosecutor shall divert the case if the alleged offense is a misdemeanor or gross misdemeanor or violation and the alleged offense is the offender's first offense or violation. If the alleged offender is charged with a related offense that may be filed under subsections (5) and (8) of this section, a case under this subsection may also be filed.

(7) Where a case is legally sufficient to charge an alleged offender with:

(b) Voyeurism in the second degree, the offender is under seventeen years of age, and the alleged offense is the offender's first voyeurism in the second degree offense, the prosecutor shall divert the case, unless the offender has received two diversions for any offense in the previous two years;

(8) Where a case is legally sufficient and falls into neither subsection (5) nor (6) of this section, it may be filed or diverted. In deciding whether to file or divert an offense under this section the prosecutor may be guided by the length, seriousness, and recency of the alleged offender's criminal history and the circumstances surrounding the commission of the alleged offense.

(9) Whenever a juvenile is placed in custody or, where not placed in custody, referred to a diversion interview, the parent or legal guardian of the juvenile shall be notified as soon as possible concerning the allegation made against the

juvenile and the current status of the juvenile. Where a case involves victims of crimes against persons or victims whose property has not been recovered at the time a juvenile is referred to a diversion unit, the victim shall be notified of the referral and informed how to contact the unit.

(10) The responsibilities of the prosecutor under subsections (1) through (9) of this section may be performed by a juvenile court probation counselor for any complaint referred to the court alleging the commission of an offense which would not be a felony if committed by an adult, if the prosecutor has given sufficient written notice to the juvenile court that the prosecutor will not review such complaints.

(11) The prosecutor, juvenile court probation counselor, or diversion unit may, in exercising their authority under this section or RCW 13.40.080, refer juveniles to community-based programs, restorative justice programs, mediation, or victim offender reconciliation programs. Such mediation or victim offender reconciliation programs shall be voluntary for victims.

#### MESSAGE FROM THE SENATE

March 6, 2020

Madame Speaker:

The Senate has passed HOUSE BILL NO. 1841 with the following amendment:

16.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that adequate personnel are critical to ensuring railroad operational safety, security, and in the event of a hazardous material incident, support of first responder activities, as well as in the interest of the safety of passengers and the general public. Therefore, the legislature declares that this act regulating minimum railroad employee staffing to reduce risk to localities constitutes an exercise of the state's police power to protect and promote the health, safety, security, and welfare of the residents of the state by reducing the risk exposure to local communities and protecting environmentally sensitive and/or pristine lands and waterways.

**NEW SECTION. Sec. 2.** A new section is added to chapter 81.40 RCW to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Class I" means a railroad carrier designated as a class I railroad by the United States surface transportation board and its subsidiaries or is owned and operated by entities whose combined total railroad operational ownership and controlling interest meets the United States surface transportation board designation as a class I railroad carrier.

(2) "Class III" means a railroad carrier designated as a class III railroad by the United States surface transportation board.

(3) "Commission" means the utilities and transportation commission created in chapter 80.01 RCW.

(4) "Crewmember" means a railroad operating craft employee who has been trained and meets the requirements and qualifications as determined by the federal railroad administration for a railroad operating service employee.

(5) "Other railroad carrier" means a railroad carrier that is not a class I carrier.

(6) "Railroad carrier" means a carrier of persons or property upon vehicles, other than streetcars, operated upon stationary rails, the route of which is principally outside incorporated cities and towns. "Railroad carrier" includes any officers and agents of the railroad carrier.

**NEW SECTION. Sec. 3.** A new section is added to chapter 81.40 RCW to read as follows:

(1) Except as provided in section 4 of this act, any person, corporation, company, or officer of the court operating any railroad, railway, or any part of any railroad or railway, in the state of Washington, and engaged, as a common carrier, in the transportation of freight or passengers, shall operate and manage all trains and switching assignments over its road with crews consisting of no less than two crewmembers.

(2) Class III railroad carriers operating on their roads while at a speed of twenty-five miles per hour or less are exempt from subsection (1) of this section.

**NEW SECTION. Sec. 4.** A new section is added to chapter 81.40 RCW to read as follows:

(1) On the effective date of this section, automatic waivers to the train crew size requirement in section 3 of this act shall be granted to other railroad carriers.

(2) Such automatic waivers will remain in effect until ordered by the commission.

(3) The commission must act to ensure that railroad carriers supplement trains entering Washington state with the requisite number of train crewmembers pursuant to this act, at the closest regular station stop or crew change point located in proximity to and adjacent with either side of the state border, having been established and in use by the carrier on January 1, 2020.

(4)(a) The commission may order railroad carriers to increase the number of railroad employees in areas of increased risk to the public, passengers, railroad employees, or the environment, or on specific trains, routes, or to switch assignments on their road with additional numbers of

crewmembers, and may direct the placement of additional crewmembers, if it is determined that such an increase in staffing or the placement of additional crewmembers is necessary to protect the safety, health, and welfare of the public, passengers, or railroad employees, to prevent harm to the environment or to address site specific safety or security hazards.

(b) In issuing such an order, the commission may consider relevant factors including, but not limited to, the volatility of the commodities being transported, train volume, risk mitigation measures, environmental and operating factors that impact vulnerabilities, risk exposure to passengers, the general public, railroad employees, communities, or the environment along the train route, security risks including sabotage or terrorism threat levels, a railroad carrier's prior history of accidents, compliance violations, operating practices, infrastructure investments including track and equipment maintenance issues or lack thereof, employee training and support programs, first responder access, and any other relevant factors in the interest of safety.

**NEW SECTION. Sec. 5.** A new section is added to chapter 81.40 RCW to read as follows:

(1) Pursuant to the enforcement of the provisions of this act, the highest priority and paramount obligation of the commission must be its duty to ensure the safety and protection of the public, passengers, railroad employees, communities, environment, and areas of cultural significance in the furtherance of the highest degree of safety in railroad transportation.

(2) Each train or engine run in violation of section 3 of this act constitutes a separate offense. However, section 3 of this act does not apply in the case of disability of one or more members of any train crew while out on the road between division terminals, or assigned to wrecking trains.

(3) Any person, corporation, company, or officer of the court operating any railroad, or part of any railroad or railway within the state of Washington, and engaged as a common carrier, in the transportation of freight or passengers, who violates any of the provisions of section 3 of this act may be subject to fines of not less than one thousand dollars and not more than one hundred thousand dollars for each offense, as determined by the commission through order.

(4) The commission may impose fines exceeding the provisions in subsection (3) of this section when a serious injury or fatality occurs involving a carrier's violation of this act. All relevant factors may be considered including, but not limited to, the class, assets, profitability, and operational safety record of the carrier, as well as deterrence in ascertaining an appropriate punitive penalty, as determined by the commission through order.

(5) It is the duty of the commission to enforce this section.

**NEW SECTION. Sec. 6.** The following acts or parts of acts are each repealed:

(1)RCW 81.40.010 (Full train crews—Passenger—Safety review—Penalty—Enforcement) and 2003 c 53 s 386, 1992 c 102 s 1, & 1961 c 14 s 81.40.010; and

(2)RCW 81.40.035 (Freight train crews) and 1967 c 2 s 2.

**NEW SECTION. Sec. 7.** If any provision of this act or its application to any person, entity, or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

**NEW SECTION. Sec. 8.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

On page 1, line 2 of the title, after "trains;" strike the remainder of the title and insert "adding new sections to chapter 81.40 RCW; creating a new section; repealing RCW 81.40.010 and 81.40.035; prescribing penalties; and declaring an emergency."

(3) School districts are not intended to divert state basic benefit allocations for other purposes. Beginning January 1, 2020, school districts must offer all benefits offered by the school employees' benefits board administered by the health care authority, and consistent with RCW 41.56.500(2).

(4) Any optional benefits offered by a school district under subsection (2) of this section are considered an enhancement to the state's definition of basic education.

**Sec. 13.** RCW 28A.400.350 and 2019 c 411 s 6 are each amended to read as follows:

(1) The board of directors of any of the state's school districts or educational service districts may make available medical, dental, vision, liability, life, accident, disability, and salary protection or insurance, direct agreements as defined in chapter 48.150 RCW, or any one of, or a combination of the types of employee benefits enumerated in this subsection, or any other type of insurance or protection, for the members of the boards of directors, the students, and employees of the school district or educational service district, and their dependents. Except as provided in subsection (6) of this section, such coverage may be provided by contracts or agreements with private carriers, with the state health care authority, or through self-insurance or self-funding pursuant to chapter 48.62 RCW, or in any other manner authorized by law. Any direct agreement must comply with RCW 48.150.050.

(2)(a) Whenever funds are available for these purposes the board of directors of the school district or educational service district may contribute all or a part of the cost of such protection or insurance for the employees of their respective school districts or educational service districts and their dependents. The premiums on such liability insurance shall be borne by the school district or educational service district.

(3) For school board members, educational service district board members, and students, the premiums due on such protection or insurance shall be borne by the assenting school board member, educational service district board member, or student. The school district or educational service district may contribute all or part of the costs, including the premiums, of life, health, health care, accident or disability insurance which shall be offered to all students participating in interschool activities on the behalf of or as representative of their school, school district, or educational service district. In establishing such a requirement, the district shall adopt regulations for waiving or reducing the premiums of such coverage as may be offered through the school district or educational service

district to students participating in extracurricular activities, for those students whose families, by reason of their low income, would have difficulty paying the entire amount of such insurance premiums. The district board shall adopt regulations for waiving or reducing the insurance coverage requirements for low-income students in order to assure such students are not prohibited from participating in extracurricular interschool activities.

(4) All contracts or agreements for insurance or protection written to take advantage of the provisions of this section shall provide that the beneficiaries of such contracts may utilize on an equal participation basis the services of those practitioners licensed pursuant to chapters 18.22, 18.25, 18.53, 18.57, and 18.71 RCW.

(iii) Offer employees at least one health benefit plan that is not a high deductible health plan offered in conjunction with a health savings account in which the employee share of the premium cost for a full-time employee, regardless of whether the employee chooses employee-only coverage or coverage that includes dependents, does not exceed the share of premium cost paid by state employees during the state employee benefits year that started immediately prior to the school year.

(b) All contracts or agreements for employee benefits must be held to responsible contracting standards, meaning a fair, prudent, and accountable competitive procedure for procuring services that includes an open competitive process, except where an open process would compromise cost-effective purchasing, with documentation justifying the approach.

(c) School districts offering medical, vision, and dental benefits shall also make progress on promoting health care innovations and cost savings and significantly reduce administrative costs.

(d) All contracts or agreements for insurance or protection described in this section shall be in compliance with chapter 3, Laws of 2012 2nd sp. sess.

(i) Travel insurance; and

(j) Voluntary employees' beneficiary association accounts.

(2) The health care authority, in consultation with the school employees' benefits board, shall review the optional benefits reported by school districts as required in RCW 28A.400.280 and determine if the optional benefits are in competition with benefits currently offered under either the authority's or the board's authorities. If a school district benefit offering is determined to be in competition with the benefits offered under either the authority's or the board's authorities, the health care authority must inform the school district of the benefits conflict and work with the school district, and the applicable carrier, to either modify and remove competing components of the district-based benefit or end the district-based offering. If a carrier is in the process of modifying benefits, including seeking any required regulatory approval, a school district may continue to offer the original benefit.

(3) Specified disease or illness-triggered fixed payment insurance, hospital confinement fixed payment insurance, or other fixed payment insurance offered pursuant to this section as an independent, noncoordinated benefit is not a health plan as defined in RCW 48.43.005."

### MESSAGE FROM THE SENATE

March 6, 2020

Madame Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 2499 with the following amendment:

14.0.

Strike everything after the enacting clause and insert the following:

"Sec. 15. RCW 43.101.085 and 2006 c 22 s 1 are each amended to read as follows:

In addition to its other powers granted under this chapter, the commission has authority and power to:

(1) Adopt, amend, or repeal rules as necessary to carry out this chapter;

(2) Issue subpoenas and administer oaths in connection with investigations, hearings, or other proceedings held under this chapter;

(3) Take or cause to be taken depositions and other discovery procedures as needed in investigations, hearings, and other proceedings held under this chapter;

(4) Appoint members of a hearings board as provided under RCW 43.101.380;

(5) Enter into contracts for professional services determined by the commission to be necessary for adequate enforcement of this chapter;

(6) Grant, deny, or revoke certification of peace officers and corrections officers under the provisions of this chapter;

(7) Designate individuals authorized to sign subpoenas and statements of charges under the provisions of this chapter;

(8) Employ such investigative, administrative, and clerical staff as necessary for the enforcement of this chapter; and

(9) ~~((To))~~ Grant, deny, or revoke certification of tribal police officers whose tribal governments have agreed to participate in the tribal police officer certification process.

Sec. 16. RCW 43.101.010 and 2008 c 69 s 2 are each amended to read as follows:

When used in this chapter:

(1) The term "commission" means the Washington state criminal justice training commission.

(2) The term "boards" means the education and training standards boards, the establishment of which are authorized by this chapter.

(3) The term "criminal justice personnel" means any person who serves in a county, city, state, or port commission agency engaged in crime prevention, crime reduction, or enforcement of the criminal law.

(4) The term "law enforcement personnel" means any public employee or volunteer having as a primary function the enforcement of criminal laws in general or any employee or volunteer of, or any individual commissioned by, any municipal, county, state, or combination thereof, agency having as its primary function the enforcement of criminal

laws in general as distinguished from an agency possessing peace officer powers, the primary function of which is the implementation of specialized subject matter areas. For the purposes of this subsection "primary function" means that function to which the greater allocation of resources is made.

(5) The term "correctional personnel" means any employee or volunteer who by state, county, municipal, or combination thereof, statute has the responsibility for the confinement, care, management, training, treatment, education, supervision, or counseling of those individuals whose civil rights have been limited in some way by legal sanction.

(6) "Chief for a day program" means a program in which commissioners and staff partner with local, state, and federal law enforcement agencies, hospitals, and the community to provide a day of special attention to chronically ill children. Each child is selected and sponsored by a law enforcement agency. The event, "chief for a day," occurs on one day, annually or every other year and may occur on the grounds and in the facilities of the commission. The program may include any appropriate honoring of the child as a "chief," such as a certificate swearing them in as a chief, a badge, a uniform, and donated gifts such as games, puzzles, and art supplies.

(7) A peace officer or corrections officer is "convicted" at the time a plea of guilty has been accepted, or a verdict of guilty or finding of guilt has been filed, notwithstanding the pendency of any future proceedings, including but not limited to sentencing, posttrial or postfact-finding motions and appeals. "Conviction" includes a deferral of sentence and also includes the equivalent disposition by a court in a jurisdiction other than the state of Washington.

(8)(a) "Discharged for disqualifying misconduct" ~~((means))~~ has the following meanings:

(i) A peace officer terminated from employment for: ~~((a))~~ (A) Conviction of ~~((i))~~ (I) any crime committed under color of authority as a peace officer, ~~((ii))~~ (II) any crime involving dishonesty or false statement within the meaning of Evidence Rule 609(a), ~~((iii))~~ (III) the unlawful use or possession of a controlled substance, or ~~((iv))~~ (IV) any other crime the conviction of which disqualifies a Washington citizen from the legal right to possess a firearm under state or federal law; ~~((b))~~ (B) conduct that would constitute any of the crimes addressed in (a)(i)(A) of this subsection; or ~~((c))~~ (C) knowingly making materially false statements during disciplinary investigations, where the false statements are the sole basis for the termination; or

(ii) A corrections officer terminated from employment for: (A) Conviction of (I) any crime committed under color of authority as a corrections officer, (II) any crime involving dishonesty or false statement within the meaning of Evidence Rule 609(a), or (III) the unlawful use or possession of a controlled substance; (B) conduct that would constitute any of the crimes addressed in (a)(i)(A) of this subsection; or (C) knowingly making materially false statements during disciplinary investigations, where the false statements are the sole basis for the termination.

~~((9))~~ (b) A peace officer or corrections officer is "discharged for disqualifying misconduct" within the meaning of this subsection (8) ~~((of this section))~~ under the ordinary meaning of the term and when the totality of the circumstances support a finding that the officer resigned in anticipation of discipline, whether or not the misconduct was discovered at the time of resignation, and when such discipline, if carried forward, would more likely than not have led to discharge for disqualifying misconduct within the meaning of this subsection (8) ~~((of this section))~~.

~~((10))~~ (9) When used in context of proceedings referred to in this chapter, "final" means that the peace officer or corrections officer has exhausted all available civil service appeals, collective bargaining remedies, and all other such direct administrative appeals, and the officer has not been reinstated as the result of the action. Finality is not affected by the pendency or availability of state or federal administrative or court actions for discrimination, or by the pendency or availability of any remedies other than direct civil service and collective bargaining remedies.

~~((11))~~ (10) "Peace officer" means any law enforcement personnel subject to the basic law enforcement training requirement of RCW 43.101.200 and any other requirements of that section, notwithstanding any waiver or exemption granted by the commission, and notwithstanding the statutory exemption based on date of initial hire under RCW 43.101.200. Commissioned officers of the Washington state patrol, whether they have been or may be exempted by rule of the commission from the basic training requirement of RCW 43.101.200, are included as peace officers for purposes of this chapter. Fish and wildlife officers with enforcement powers for all criminal laws under RCW 77.15.075 are peace officers for purposes of this chapter.

(11) "Corrections officer" means any corrections agency employee whose primary job function is to provide for the custody, safety, and security of adult prisoners in jails and detention facilities and who is subject to the basic corrections training requirement of RCW 43.101.220 and any other requirements of that section, notwithstanding any waiver or exemption granted by the commission, and notwithstanding the statutory exemption based on date of initial hire under RCW 43.101.220. For the purpose of sections 3 through 13 of this act, "corrections officer" does not include individuals employed by state agencies.

NEW SECTION. Sec. 17. (1) As a condition of continuing employment as corrections officers, all Washington state corrections officers shall: (a) Timely obtain certification as corrections officers, or timely obtain exemption therefrom, by meeting all requirements of RCW 43.101.220, as that section is administered under the rules of the commission, as well as by meeting any additional requirements under this chapter; and (b) maintain the basic certification as corrections officers under this chapter. The commission shall certify corrections officers who have satisfied, or have been exempted by statute or by rule from, the basic training requirements of RCW 43.101.220 on or before the effective date of this section. Thereafter, the commission may revoke certification pursuant to this chapter.

(2) As a condition of continuing employment for any applicant who has been offered a conditional offer of employment as a corrections officer after July 1, 2021, including any person whose certification has lapsed as a result of a break of more than twenty-four consecutive months in the officer's service as a corrections officer, the applicant shall submit to a background investigation including a check of criminal history, verification of immigrant or citizenship status as either a citizen of the United States or a lawful permanent resident, a psychological examination, and a polygraph or similar assessment as administered by the corrections agency, the results of which shall be used to determine the applicant's suitability for employment as a corrections officer.

(3) The commission shall allow a corrections officer to retain status as a certified corrections officer as long as the officer: (a) Timely meets the basic corrections officer training requirements, or is exempted therefrom, in whole or in part, under RCW 43.101.220 or under rule of the commission; (b) meets or is exempted from any other requirements under this chapter as administered under the rules adopted by the commission; (c) is not denied certification by the commission under this chapter; and (d) has not had certification revoked by the commission.

(4) As a prerequisite to certification, as well as a prerequisite to pursuit of a hearing under section 9 of this act, a corrections officer must, on a form devised or adopted by the commission, authorize the release to the commission of his or her personnel files, termination papers, criminal investigation files, or other files, papers, or information that are directly related to a certification matter or decertification matter before the commission.

**NEW SECTION. Sec. 18.** Upon request by a corrections officer's employer or on its own initiative, the commission may deny or revoke certification of any corrections officer after written notice and hearing, if a hearing is timely requested by the corrections officer under section 9 of this act, based upon a finding of one or more of the following conditions:

(1) The corrections officer has failed to timely meet all requirements for obtaining a certificate of basic corrections training, or a certificate of exemption from the training;

(2) The corrections officer has knowingly falsified or omitted material information on an application for training or certification to the commission;

(3) The corrections officer has been convicted at any time of a felony offense under the laws of this state or has been convicted of a federal or out-of-state offense comparable to a felony under the laws of this state; except that if a certified corrections officer was convicted of a felony before being employed as a corrections officer, and the circumstances of the prior felony conviction were fully disclosed to his or her employer before being hired, the commission may revoke certification only with the agreement of the employing corrections agency;

(4) The corrections officer has been discharged for disqualifying misconduct, the discharge is final, and some or all of the acts or omissions forming the basis for the

discharge proceedings occurred on or after the effective date of this section;

(5) The corrections officer's certificate was previously issued by administrative error on the part of the commission; or

(6) The corrections officer has interfered with an investigation or action for denial or revocation of certificate by: (a) Knowingly making a materially false statement to the commission; or (b) in any matter under investigation by or otherwise before the commission, tampering with evidence or tampering with or intimidating any witness.

**NEW SECTION. Sec. 19.** (1) A person denied a certification based upon dismissal or withdrawal from a basic corrections academy for any reason not also involving discharge for disqualifying misconduct is eligible for readmission and certification upon meeting standards established in rules of the commission, which rules may provide for probationary terms on readmission.

(2) A person whose certification is denied or revoked based upon prior administrative error of issuance, failure to cooperate, or interference with an investigation is eligible for certification upon meeting standards established in rules of the commission, rules which may provide for a probationary period of certification in the event of reinstatement of eligibility.

(3) A person whose certification is denied or revoked based upon a felony criminal conviction is not eligible for certification at any time.

(4) A corrections officer whose certification is denied or revoked based upon discharge for disqualifying misconduct, but not also based upon a felony criminal conviction, may, five years after the revocation or denial, petition the commission for reinstatement of the certificate or for eligibility for reinstatement. The commission shall hold a hearing on the petition to consider reinstatement, and the commission may allow reinstatement based upon standards established in rules of the commission. If the certificate is reinstated or eligibility for certification is determined, the commission may establish a probationary period of certification.

(5) A corrections officer whose certification is revoked based solely upon a criminal conviction may petition the commission for reinstatement immediately upon a final judicial reversal of the conviction. The commission shall hold a hearing on request to consider reinstatement, and the commission may allow reinstatement based on standards established in rules of the commission. If the certificate is reinstated or if eligibility for certification is determined, the commission may establish a probationary period of certification.

**NEW SECTION. Sec. 20.** A corrections officer's certification lapses automatically when there is a break of more than twenty-four consecutive months in the officer's service as a full-time corrections officer. A break in full-time corrections service which is due solely to the pendency of direct review or appeal from a disciplinary discharge, or to the pendency of a work-related injury, does not cause a lapse

in certification. The officer may petition the commission for reinstatement of certification. Upon receipt of a petition for reinstatement of a lapsed certificate, the commission shall determine under this chapter and any applicable rules of the commission if the corrections officer's certification status is to be reinstated, and the commission shall also determine any requirements which the officer must meet for reinstatement. The commission may adopt rules establishing requirements for reinstatement.

**NEW SECTION. Sec. 21.** Upon termination of a corrections officer for any reason, including resignation, the agency of termination shall, within fifteen days of the termination, notify the commission on a personnel action report form provided by the commission. The agency of termination shall, upon request of the commission, provide such additional documentation or information as the commission deems necessary to determine whether the termination provides grounds for revocation under section 4 of this act. The commission shall maintain these notices in a permanent file, subject to RCW 43.101.400.

**NEW SECTION. Sec. 22.** A corrections officer or duly authorized representative of a corrections agency may submit a written complaint to the commission charging that a corrections officer's certificate should be denied or revoked, and specifying the grounds for the charge. Filing a complaint does not make a complainant a party to the commission's action. The commission has sole discretion whether to investigate a complaint, and the commission has sole discretion whether to investigate matters relating to certification, denial of certification, or revocation of certification on any other basis, without restriction as to the source or the existence of a complaint. A person who files a complaint in good faith under this section is immune from suit or any civil action related to the filing or the contents of the complaint.

**NEW SECTION. Sec. 23.** (1) If the commission determines, upon investigation, that there is probable cause to believe that a corrections officer's certification should be denied or revoked under section 4 of this act, the commission must prepare and serve upon the officer a statement of charges. Service on the officer must be by mail or by personal service on the officer. Notice of the charges must also be mailed to or otherwise served upon the officer's agency of termination and any current corrections employer. The statement of charges must be accompanied by a notice that to receive a hearing on the denial or revocation, the officer must, within sixty days of communication of the statement of charges, request a hearing before the hearings panel appointed under RCW 43.101.380. Failure of the officer to request a hearing within the sixty-day period constitutes a default, whereupon the commission may enter an order under RCW 34.05.440.

(2) If a hearing is requested, the date of the hearing must be scheduled not earlier than ninety days nor later than one hundred eighty days after the officer requests a hearing; the one hundred eighty-day period may be extended on mutual agreement of the parties or for good cause. The commission shall give written notice of hearing at least twenty days prior to the hearing, specifying the time, date, and place of hearing.

**Sec. 24.** RCW 43.101.380 and 2010 1st sp.s. c 7 s 14 are each amended to read as follows:

(1) The procedures governing adjudicative proceedings before agencies under chapter 34.05 RCW, the administrative procedure act, govern hearings before the commission and govern all other actions before the commission unless otherwise provided in this chapter. The standard of proof in actions before the commission is clear, cogent, and convincing evidence.

(2) In all hearings requested under RCW 43.101.155 or section 9 of this act, a five-member hearings panel shall both hear the case and make the commission's final administrative decision. Members of the commission may, but need not, be appointed to the hearings panels. The commission shall appoint as follows two or more panels to hear ~~((appeals from))~~ certification actions:

(a) When a hearing is requested in relation to a certification action of a Washington peace officer who is not a peace officer of the Washington state patrol, the commission shall appoint to the panel: (i) One police chief; (ii) one sheriff; (iii) two certified Washington peace officers who are at or below the level of first line supervisor, one of whom is from a city or county law enforcement agency, and who have at least ten years' experience as peace officers; and (iv) one person who is not currently a peace officer and who represents a community college or four-year college or university.

(b) When a hearing is requested in relation to a certification action of a peace officer of the Washington state patrol, the commission shall appoint to the panel: (i) Either one police chief or one sheriff; (ii) one administrator of the state patrol; (iii) one certified Washington peace officer who is at or below the level of first line supervisor, who is not a state patrol officer, and who has at least ten years' experience as a peace officer; (iv) one state patrol officer who is at or below the level of first line supervisor, and who has at least ten years' experience as a peace officer; and (v) one person who is not currently a peace officer and who represents a community college or four-year college or university.

(c) When a hearing is requested in relation to a certification action of a Washington corrections officer, the commission shall appoint to the panel: (i) Two heads of either a city or county corrections agency or facility or of a Washington state department of corrections facility; (ii) two corrections officers who are at or below the level of first line supervisor, who are from city, county, or state corrections agencies, and who have at least ten years' experience as corrections officers; and (iii) one person who is not currently a corrections officer and who represents a community college or four-year college or university.

(d) When a hearing is requested in relation to a certification action of a tribal police officer, the commission shall appoint to the panel (i) either one police chief or one sheriff; (ii) one tribal police chief; (iii) one certified Washington peace officer who is at or below the level of first line supervisor, and who has at least ten years' experience as a peace officer; (iv) one tribal police officer who is at or below the level of first line supervisor, and who has at least ten years' experience as a peace officer; and (v) one person

who is not currently a peace officer and who represents a community college or four-year college or university.

~~((4))~~ (e) Persons appointed to hearings panels by the commission shall, in relation to any certification action on which they sit, have the powers, duties, and immunities, and are entitled to the emoluments, including travel expenses in accordance with RCW 43.03.050 and 43.03.060, of regular commission members.

(3) Where the charge upon which revocation or denial is based is that a peace officer or corrections officer was "discharged for disqualifying misconduct," and the discharge is "final," within the meaning of RCW 43.101.105(1)(d) or section 4(4) of this act, and the officer received a civil service hearing or arbitration hearing culminating in an affirming decision following separation from service by the employer, the hearings panel may revoke or deny certification if the hearings panel determines that the discharge occurred and was based on disqualifying misconduct; the hearings panel need not redetermine the underlying facts but may make this determination based solely on review of the records and decision relating to the employment separation proceeding. However, the hearings panel may, in its discretion, consider additional evidence to determine whether such a discharge occurred and was based on such disqualifying misconduct. The hearings panel shall, upon written request by the subject peace officer or corrections officer, allow the peace officer or corrections officer to present additional evidence of extenuating circumstances.

Where the charge upon which revocation or denial of certification is based is that a peace officer or corrections officer "has been convicted at any time of a felony offense" within the meaning of RCW 43.101.105(1)(c) or section 4(3) of this act, the hearings panel shall revoke or deny certification if it determines that the peace officer or corrections officer was convicted of a felony. The hearings panel need not redetermine the underlying facts but may make this determination based solely on review of the records and decision relating to the criminal proceeding. However, the hearings panel shall, upon the panel's determination of relevancy, consider additional evidence to determine whether the peace officer or corrections officer was convicted of a felony.

Where the charge upon which revocation or denial is based is under RCW 43.101.105(1) (a), (b), (e), or (f) or section 4 (1), (2), (5), or (6) of this act, the hearings panel shall determine the underlying facts relating to the charge upon which revocation or denial of certification is based.

(4) The commission's final administrative decision is subject to judicial review under RCW 34.05.510 through 34.05.598.

**NEW SECTION. Sec. 25.** An individual whose peace officer certification is denied or revoked pursuant to this chapter may not thereafter be certified as a corrections officer without first satisfying the requirements of eligibility for certification or reinstatement of certification. A corrections officer whose corrections officer certification is denied or revoked pursuant to this chapter may not thereafter be certified as a peace officer without first satisfying the

requirements of eligibility for certification or reinstatement of certification.

**Sec. 26.** RCW 43.101.400 and 2001 c 167 s 12 are each amended to read as follows:

(1) Except as provided under subsection (2) of this section, the following records of the commission are confidential and exempt from public disclosure: (a) The contents of personnel action reports filed under RCW 43.101.135 or section 7 of this act; (b) all files, papers, and other information obtained by the commission pursuant to RCW 43.101.095~~((3))~~ (5) or section 3 of this act; and (c) all investigative files of the commission compiled in carrying out the responsibilities of the commission under this chapter. Such records are not subject to public disclosure, subpoena, or discovery proceedings in any civil action, except as provided in subsection (5) of this section.

(2) Records which are otherwise confidential and exempt under subsection (1) of this section may be reviewed and copied: (a) By the officer involved or the officer's counsel or authorized representative, who may review the officer's file and may submit any additional exculpatory or explanatory evidence, statements, or other information, any of which must be included in the file; (b) by a duly authorized representative of (i) the agency of termination, or (ii) a current employing law enforcement or corrections agency, which may review and copy its employee-officer's file; or (c) by a representative of or investigator for the commission.

(3) Records which are otherwise confidential and exempt under subsection (1) of this section may also be inspected at the offices of the commission by a duly authorized representative of a law enforcement or corrections agency considering an application for employment by a person who is the subject of a record. A copy of records which are otherwise confidential and exempt under subsection (1) of this section may later be obtained by an agency after it hires the applicant. In all other cases under this subsection, the agency may not obtain a copy of the record.

(4) Upon a determination that a complaint is without merit, that a personnel action report filed under RCW 43.101.135 does not merit action by the commission, or that a matter otherwise investigated by the commission does not merit action, the commission shall purge records addressed in subsection (1) of this section.

(5) The hearings, but not the deliberations, of the hearings board are open to the public. The transcripts, admitted evidence, and written decisions of the hearings board on behalf of the commission are not confidential or exempt from public disclosure, and are subject to subpoena and discovery proceedings in civil actions.

(6) Every individual, legal entity, and agency of federal, state, or local government is immune from civil liability, whether direct or derivative, for providing information to the commission in good faith.

**Sec. 27.** RCW 43.101.080 and 2018 c 32 s 4 are each amended to read as follows:

The commission shall have all of the following powers:

- (1) To meet at such times and places as it may deem proper;
- (2) To adopt any rules and regulations as it may deem necessary;
- (3) To contract for services as it deems necessary in order to carry out its duties and responsibilities;
- (4) To cooperate with and secure the cooperation of any department, agency, or instrumentality in state, county, and city government, and other commissions affected by or concerned with the business of the commission;
- (5) To do any and all things necessary or convenient to enable it fully and adequately to perform its duties and to exercise the power granted to it;
- (6) To select and employ an executive director, and to empower him or her to perform such duties and responsibilities as it may deem necessary;
- (7) To assume legal, fiscal, and program responsibility for all training conducted by the commission;
- (8) To establish, by rule and regulation, standards for the training of criminal justice personnel where such standards are not prescribed by statute;
- (9) To own, establish, and operate, or to contract with other qualified institutions or organizations for the operation of, training and education programs for criminal justice personnel and to purchase, lease, or otherwise acquire, subject to the approval of the department of enterprise services, a training facility or facilities necessary to the conducting of such programs;
- (10) To establish, by rule and regulation, minimum curriculum standards for all training programs conducted for employed criminal justice personnel;
- (11) To review and approve or reject standards for instructors of training programs for criminal justice personnel, and to employ personnel on a temporary basis as instructors without any loss of employee benefits to those instructors;
- (12) To direct the development of alternative, innovative, and interdisciplinary training techniques;
- (13) To review and approve or reject training programs conducted for criminal justice personnel and rules establishing and prescribing minimum training and education standards recommended by the training standards and education boards;
- (14) To allocate financial resources among training and education programs conducted by the commission;
- (15) To allocate training facility space among training and education programs conducted by the commission;
- (16) To issue diplomas certifying satisfactory completion of any training or education program conducted or approved by the commission to any person so completing such a program;

(17) To provide for the employment of such personnel as may be practical to serve as temporary replacements for any person engaged in a basic training program as defined by the commission;

(18) To establish rules and regulations recommended by the training standards and education boards prescribing minimum standards relating to physical, mental and moral fitness which shall govern the recruitment of criminal justice personnel where such standards are not prescribed by statute or constitutional provision;

(19) To require county, city, or state law enforcement and corrections agencies that make a conditional offer of employment to an applicant as a fully commissioned peace officer ~~((or))~~, a reserve officer, or a corrections officer to administer a background investigation including a check of criminal history, verification of immigrant or citizenship status as either a citizen of the United States of America or a lawful permanent resident, a psychological examination, and a polygraph test or similar assessment to each applicant, the results of which shall be used by the employer to determine the applicant's suitability for employment as a fully commissioned peace officer ~~((or))~~, a reserve officer, or a corrections officer. The background investigation, psychological examination, and the polygraph examination shall be administered in accordance with the requirements of RCW 43.101.095(2) for peace officers, and section 3 of this act for corrections officers. The employing county, city, or state law enforcement agency may require that each peace officer ~~((or))~~, reserve officer, or corrections officer who is required to take a psychological examination and a polygraph or similar test pay a portion of the testing fee based on the actual cost of the test or four hundred dollars, whichever is less. County, city, and state law enforcement agencies may establish a payment plan if they determine that the peace officer ~~((or))~~, reserve officer, or corrections officer does not readily have the means to pay for his or her portion of the testing fee. This subsection does not apply to corrections officers employed by state agencies;

(20) To promote positive relationships between law enforcement and the citizens of the state of Washington by allowing commissioners and staff to participate in the "chief for a day program." The executive director shall designate staff who may participate. In furtherance of this purpose, the commission may accept grants of funds and gifts and may use its public facilities for such purpose. At all times, the participation of commissioners and staff shall comply with chapter 42.52 RCW and chapter 292-110 WAC.

All rules and regulations adopted by the commission shall be adopted and administered pursuant to the administrative procedure act, chapter 34.05 RCW, and the open public meetings act, chapter 42.30 RCW.

**Sec. 28.** RCW 43.101.220 and 2019 c 415 s 970 are each amended to read as follows:

(1) The corrections personnel of the state and all counties and municipal corporations initially employed on or after January 1, 1982, shall engage in basic corrections training which complies with standards adopted by the commission. The standards adopted must provide for basic corrections training of at least ten weeks in length for any

corrections officers subject to the certification requirement under section 3 of this act who are hired on or after July 1, 2021, or on an earlier date set by the commission. The training shall be successfully completed during the first six months of employment of the personnel, unless otherwise extended or waived by the commission, and shall be requisite to the continuation of employment.

(2) The commission shall provide the training required in this section, together with facilities, supplies, materials, and the room and board for noncommuting attendees, except during the 2017-2019 and 2019-2021 fiscal biennia, when the employing county, municipal corporation, or state agency shall reimburse the commission for twenty-five percent of the cost of training its personnel.

(3)(a) Subsections (1) and (2) of this section do not apply to the Washington state department of corrections prisons division. The Washington state department of corrections is responsible for identifying training standards, designing curricula and programs, and providing the training for those corrections personnel employed by it. In doing so, the secretary of the department of corrections shall consult with staff development experts and correctional professionals both inside and outside of the agency, to include soliciting input from labor organizations.

(b) The commission and the department of corrections share the responsibility of developing and defining training standards and providing training for community corrections officers employed within the community corrections division of the department of corrections.

**NEW SECTION. Sec. 29.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

**NEW SECTION. Sec. 30.** Sections 3 through 9 and 11 of this act are each added to chapter 43.101 RCW."

On page 1, line 1 of the title, after "officers;" strike the remainder of the title and insert "amending RCW 43.101.085, 43.101.010, 43.101.380, 43.101.400, 43.101.080, and 43.101.220; and adding new sections to chapter 43.101 RCW."

and the same is herewith transmitted.

SUBSTITUTE HOUSE BILL NO. 2554, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

**MESSAGE FROM THE SENATE**

March 6, 2020

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2642 with the following amendment:

35.0.

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 36.** (1) The legislature finds that:

(a) Substance use disorder is a treatable brain disease from which people recover;

(b) Electing to go to addiction treatment is an act of great courage; and

(c) When people with substance use disorder are provided rapid access to quality treatment within their window of willingness, recovery happens.

(2) The legislature therefore intends to ensure that there is no wrong door for individuals accessing substance use disorder treatment services by requiring coverage, and prohibiting barriers created by prior authorization and premature utilization management review when persons with substance use disorders are ready or urgently in need of treatment services.

**NEW SECTION. Sec. 37.** A new section is added to chapter 41.05 RCW to read as follows:

(1) Except as provided in subsection (2) of this section, a health plan offered to employees and their covered dependents under this chapter issued or renewed on or after January 1, 2021, may not require an enrollee to obtain prior authorization for withdrawal management services or inpatient or residential substance use disorder treatment services in a behavioral health agency licensed or certified under RCW 71.24.037.

(2)(a) A health plan offered to employees and their covered dependents under this chapter issued or renewed on or after January 1, 2021, must:

(i) Provide coverage for no less than two business days, excluding weekends and holidays, in a behavioral health agency that provides inpatient or residential substance use disorder treatment prior to conducting a utilization review; and

(ii) Provide coverage for no less than three days in a behavioral health agency that provides withdrawal management services prior to conducting a utilization review.

(b) The health plan may not require an enrollee to obtain prior authorization for the services specified in (a) of this subsection as a condition for payment of services prior to the times specified in (a) of this subsection. Once the times specified in (a) of this subsection have passed, the health plan may initiate utilization management review procedures if the behavioral health agency continues to provide services or is in the process of arranging for a seamless transfer to an appropriate facility or lower level of care under subsection (6) of this section.

(c)(i) The behavioral health agency under (a) of this subsection must notify an enrollee's health plan as soon as practicable after admitting the enrollee, but not later than twenty-four hours after admitting the enrollee. The time of notification does not reduce the requirements established in (a) of this subsection.

(ii) The behavioral health agency under (a) of this subsection must provide the health plan with its initial assessment and initial treatment plan for the enrollee within two business days of admission, excluding weekends and holidays, or within three days in the case of a behavioral

health agency that provides withdrawal management services.

(iii) After the time period in (a) of this subsection and receipt of the material provided under (c)(ii) of this subsection, the plan may initiate a medical necessity review process. Medical necessity review must be based on the standard set of criteria established under section 6 of this act. If the health plan determines within one business day from the start of the medical necessity review period and receipt of the material provided under (c)(ii) of this subsection that the admission to the facility was not medically necessary and advises the agency of the decision in writing, the health plan is not required to pay the facility for services delivered after the start of the medical necessity review period, subject to the conclusion of a filed appeal of the adverse benefit determination. If the health plan's medical necessity review is completed more than one business day after start of the medical necessity review period and receipt of the material provided under (c)(ii) of this subsection, the health plan must pay for the services delivered from the time of admission until the time at which the medical necessity review is completed and the agency is advised of the decision in writing.

(3) The behavioral health agency shall document to the health plan the patient's need for continuing care and justification for level of care placement following the current treatment period, based on the standard set of criteria established under section 6 of this act, with documentation recorded in the patient's medical record.

(4) Nothing in this section prevents a health carrier from denying coverage based on insurance fraud.

(5) If the behavioral health agency under subsection (2)(a) of this section is not in the enrollee's network:

(a) The health plan is not responsible for reimbursing the behavioral health agency at a greater rate than would be paid had the agency been in the enrollee's network; and

(b) The behavioral health agency may not balance bill, as defined in RCW 48.43.005.

(6) When the treatment plan approved by the health plan involves transfer of the enrollee to a different facility or to a lower level of care, the care coordination unit of the health plan shall work with the current agency to make arrangements for a seamless transfer as soon as possible to an appropriate and available facility or level of care. The health plan shall pay the agency for the cost of care at the current facility until the seamless transfer to the different facility or lower level of care is complete. A seamless transfer to a lower level of care may include same day or next day appointments for outpatient care, and does not include payment for nontreatment services, such as housing services. If placement with an agency in the health plan's network is not available, the health plan shall pay the current agency until a seamless transfer arrangement is made.

(7) The requirements of this section do not apply to treatment provided in out-of-state facilities.

(8) For the purposes of this section "withdrawal management services" means twenty-four hour medically

managed or medically monitored detoxification and assessment and treatment referral for adults or adolescents withdrawing from alcohol or drugs, which may include induction on medications for addiction recovery.

**NEW SECTION. Sec. 38.** A new section is added to chapter 48.43 RCW to read as follows:

(1) Except as provided in subsection (2) of this section, a health plan issued or renewed on or after January 1, 2021, may not require an enrollee to obtain prior authorization for withdrawal management services or inpatient or residential substance use disorder treatment services in a behavioral health agency licensed or certified under RCW 71.24.037.

(2)(a) A health plan issued or renewed on or after January 1, 2021, must:

(i) Provide coverage for no less than two business days, excluding weekends and holidays, in a behavioral health agency that provides inpatient or residential substance use disorder treatment prior to conducting a utilization review; and

(ii) Provide coverage for no less than three days in a behavioral health agency that provides withdrawal management services prior to conducting a utilization review.

(b) The health plan may not require an enrollee to obtain prior authorization for the services specified in (a) of this subsection as a condition for payment of services prior to the times specified in (a) of this subsection. Once the times specified in (a) of this subsection have passed, the health plan may initiate utilization management review procedures if the behavioral health agency continues to provide services or is in the process of arranging for a seamless transfer to an appropriate facility or lower level of care under subsection (6) of this section.

(c)(i) The behavioral health agency under (a) of this subsection must notify an enrollee's health plan as soon as practicable after admitting the enrollee, but not later than twenty-four hours after admitting the enrollee. The time of notification does not reduce the requirements established in (a) of this subsection.

(ii) The behavioral health agency under (a) of this subsection must provide the health plan with its initial assessment and initial treatment plan for the enrollee within two business days of admission, excluding weekends and holidays, or within three days in the case of a behavioral health agency that provides withdrawal management services.

(iii) After the time period in (a) of this subsection and receipt of the material provided under (c)(ii) of this subsection, the plan may initiate a medical necessity review process. Medical necessity review must be based on the standard set of criteria established under section 6 of this act. If the health plan determines within one business day from the start of the medical necessity review period and receipt of the material provided under (c)(ii) of this subsection that the admission to the facility was not medically necessary and advises the agency of the decision in writing, the health plan is not required to pay the facility for services delivered after

the start of the medical necessity review period, subject to the conclusion of a filed appeal of the adverse benefit determination. If the health plan's medical necessity review is completed more than one business day after start of the medical necessity review period and receipt of the material provided under (c)(ii) of this subsection, the health plan must pay for the services delivered from the time of admission until the time at which the medical necessity review is completed and the agency is advised of the decision in writing.

(3) The behavioral health agency shall document to the health plan the patient's need for continuing care and justification for level of care placement following the current treatment period, based on the standard set of criteria established under section 6 of this act, with documentation recorded in the patient's medical record.

(4) Nothing in this section prevents a health carrier from denying coverage based on insurance fraud.

(5) If the behavioral health agency under subsection (2)(a) of this section is not in the enrollee's network:

(a) The health plan is not responsible for reimbursing the behavioral health agency at a greater rate than would be paid had the agency been in the enrollee's network; and

(b) The behavioral health agency may not balance bill, as defined in RCW 48.43.005.

(6) When the treatment plan approved by the health plan involves transfer of the enrollee to a different facility or to a lower level of care, the care coordination unit of the health plan shall work with the current agency to make arrangements for a seamless transfer as soon as possible to an appropriate and available facility or level of care. The health plan shall pay the agency for the cost of care at the current facility until the seamless transfer to the different facility or lower level of care is complete. A seamless transfer to a lower level of care may include same day or next day appointments for outpatient care, and does not include payment for nontreatment services, such as housing services. If placement with an agency in the health plan's network is not available, the health plan shall pay the current agency until a seamless transfer arrangement is made.

(7) The requirements of this section do not apply to treatment provided in out-of-state facilities.

(8) For the purposes of this section "withdrawal management services" means twenty-four hour medically managed or medically monitored detoxification and assessment and treatment referral for adults or adolescents withdrawing from alcohol or drugs, which may include induction on medications for addiction recovery.

**NEW SECTION. Sec. 39.** A new section is added to chapter 71.24 RCW to read as follows:

(1) Beginning January 1, 2021, a managed care organization may not require an enrollee to obtain prior authorization for withdrawal management services or inpatient or residential substance use disorder treatment services in a behavioral health agency licensed or certified under RCW 71.24.037.

(2)(a) Beginning January 1, 2021, a managed care organization must:

(i) Provide coverage for no less than two business days, excluding weekends and holidays, in a behavioral health agency that provides inpatient or residential substance use disorder treatment prior to conducting a utilization review; and

(ii) Provide coverage for no less than three days in a behavioral health agency that provides withdrawal management services prior to conducting a utilization review.

(b) The managed care organization may not require an enrollee to obtain prior authorization for the services specified in (a) of this subsection as a condition for payment of services prior to the times specified in (a) of this subsection. Once the times specified in (a) of this subsection have passed, the managed care organization may initiate utilization management review procedures if the behavioral health agency continues to provide services or is in the process of arranging for a seamless transfer to an appropriate facility or lower level of care under subsection (6) of this section.

(c)(i) The behavioral health agency under (a) of this subsection must notify an enrollee's managed care organization as soon as practicable after admitting the enrollee, but not later than twenty-four hours after admitting the enrollee. The time of notification does not reduce the requirements established in (a) of this subsection.

(ii) The behavioral health agency under (a) of this subsection must provide the managed care organization with its initial assessment and initial treatment plan for the enrollee within two business days of admission, excluding weekends and holidays, or within three days in the case of a behavioral health agency that provides withdrawal management services.

(iii) After the time period in (a) of this subsection and receipt of the material provided under (c)(ii) of this subsection, the managed care organization may initiate a medical necessity review process. Medical necessity review must be based on the standard set of criteria established under section 6 of this act. If the health plan determines within one business day from the start of the medical necessity review period and receipt of the material provided under (c)(ii) of this subsection that the admission to the facility was not medically necessary and advises the agency of the decision in writing, the health plan is not required to pay the facility for services delivered after the start of the medical necessity review period, subject to the conclusion of a filed appeal of the adverse benefit determination. If the managed care organization's medical necessity review is completed more than one business day after start of the medical necessity review period and receipt of the material provided under (c)(ii) of this subsection, the managed care organization must pay for the services delivered from the time of admission until the time at which the medical necessity review is completed and the agency is advised of the decision in writing.

(3) The behavioral health agency shall document to the managed care organization the patient's need for continuing care and justification for level of care placement following the current treatment period, based on the standard set of criteria established under section 6 of this act, with documentation recorded in the patient's medical record.

(4) Nothing in this section prevents a health carrier from denying coverage based on insurance fraud.

(5) If the behavioral health agency under subsection (2)(a) of this section is not in the enrollee's network:

(a) The managed care organization is not responsible for reimbursing the behavioral health agency at a greater rate than would be paid had the agency been in the enrollee's network; and

(b) The behavioral health agency may not balance bill, as defined in RCW 48.43.005.

(6) When the treatment plan approved by the managed care organization involves transfer of the enrollee to a different facility or to a lower level of care, the care coordination unit of the managed care organization shall work with the current agency to make arrangements for a seamless transfer as soon as possible to an appropriate and available facility or level of care. The managed care organization shall pay the agency for the cost of care at the current facility until the seamless transfer to the different facility or lower level of care is complete. A seamless transfer to a lower level of care may include same day or next day appointments for outpatient care, and does not include payment for nontreatment services, such as housing services. If placement with an agency in the managed care organization's network is not available, the managed care organization shall pay the current agency at the service level until a seamless transfer arrangement is made.

(7) The requirements of this section do not apply to treatment provided in out-of-state facilities.

(8) For the purposes of this section "withdrawal management services" means twenty-four hour medically managed or medically monitored detoxification and assessment and treatment referral for adults or adolescents withdrawing from alcohol or drugs, which may include induction on medications for addiction recovery.

**NEW SECTION. Sec. 40.** (1) The health care authority shall develop an action plan to support admission to and improved transitions between levels of care for both adults and adolescents.

(2) The health care authority shall develop the action plan in partnership with the office of the insurance commissioner, medicaid managed care organizations, commercial health plans, providers of substance use disorder services, and Indian health care agencies.

(3) The health care authority must include the following in the action plan:

(a) Identification of barriers in order to facilitate transfers to the appropriate level of care, and specific actions to remove those barriers; and

(b) Specific actions that may lead to the increase in the number of persons successfully transitioning from one level of care to the next appropriate level of care.

(4) The barriers and action items to be identified and addressed in the action plan under subsection (3) of this section include, but are not limited to:

(a) Having the health care authority and department of health explore systems to allow higher acuity withdrawal management facilities to bill for appropriate lower levels of care while maintaining financial stability;

(b) Developing protocols for the initial notification by a substance use disorder treatment agency to fully insured health plans and managed care organizations in regards to an enrollee's admission to a facility and uniformity in the plan's response to the agency in regards to the receipt of this information;

(c) Facilitating direct transfers to withdrawal management and residential substance use disorder treatment from hospitals and jails;

(d) Addressing concerns related to individuals being denied withdrawal management services based on their drug of choice;

(e) Exploring options for allowing medicaid managed care organizations to pay an administrative rate and establishing the equivalent reimbursement mechanism for commercial health plans for a plan enrollee who needs to remain in withdrawal management or residential care until a seamless transfer can occur, but no longer requires the higher acuity level that was the reason for the initial admission; and

(f) Establishing the minimum amount of medical information necessary to gather from the patient for utilization reviews in a withdrawal management setting.

(5) For medicaid services, specific actions must align with federal and state medicaid requirements regarding medical necessity, minimize duplicative or unnecessary burdens for agencies, and be patient-centered for medicaid managed care organizations.

(6) The health care authority shall develop options for best communicating the action plan to substance use disorder agencies by December 1, 2020.

**NEW SECTION. Sec. 41.** For the purposes of promoting standardized training for behavioral health professionals and facilitating communications between behavioral health agencies, executive agencies, managed care organizations, private health plans, and plans offered through the public employees' benefits board, it is the policy of the state to adopt a single standard set of criteria to define medical necessity for substance use disorder treatment and to define substance use disorder levels of care in Washington. The criteria selected must be comprehensive, widely understood and accepted in the field, and based on continuously updated research and evidence. The health care authority and the office of the insurance commissioner must independently review their regulations and practices by January 1, 2021. The health care authority may make rules

if necessary to promulgate the selected standard set of criteria."

#### MESSAGE FROM THE SENATE

March 5, 2020

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2660 with the following amendment:  
41.0.

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 42.** This act may be known and cited as the hunger-free schools act.

**Sec. 43.** RCW 28A.235.290 and 2019 c 208 s 2 are each amended to read as follows:

(1) The office of the superintendent of public instruction shall develop and implement a plan to increase the number of schools participating in the United States department of agriculture community eligibility provision for the 2018-19 school year and subsequent years. The office shall work jointly with community-based organizations and national experts focused on hunger and nutrition and familiar with the community eligibility provision, at least two school representatives who have successfully implemented community eligibility, and the state agency responsible for medicaid direct certification. The plan must describe how the office of the superintendent of public instruction will:

(a) Identify and recruit eligible schools to implement the community eligibility provision, with the goal of increasing the participation rate of eligible schools to at least the national average;

(b) Provide comprehensive outreach and technical assistance to school districts and schools to implement the community eligibility provision;

(c) Support breakfast after the bell programs authorized by the legislature to adopt the community eligibility provision;

(d) Work with school districts to group schools in order to maximize the number of schools implementing the community eligibility provision; and

(e) Determine the maximum percentage of students eligible for free meals where participation in the community eligibility provision provides the most support for a school, school district, or group of schools.

(2) Until June 30, (~~2019~~) 2021, the office of the superintendent of public instruction shall convene the organizations working jointly on the plan monthly to report on the status of the plan and coordinate outreach and technical assistance efforts to schools and school districts. In completing the duties required by this subsection (2), the office of the superintendent of public instruction and the organizations working jointly on the plan shall also, by December 1, 2020, examine the impacts to schools and districts that can result from participation in the community eligibility provision and identify approaches to addressing those impacts.

(3) Beginning in 2018, the office of the superintendent of public instruction shall report annually the number of schools that have implemented the community eligibility provision to the legislature by December 1st of each year. The report shall identify:

- (a) Any barriers to implementation;
- (b) Recommendations on policy and legislative solutions to overcome barriers to implementation;
- (c) Reasons potentially eligible schools and school districts decide not to adopt the community eligibility provision; and
- (d) Approaches in other states to adopting the community eligibility provision.

**NEW SECTION. Sec. 44.** A new section is added to chapter 28A.235 RCW to read as follows:

(1) Except as provided otherwise by this section, each school with students in or below grade eight that has an identified student percentage of at least sixty-two and one-half percent, as determined annually by April 1st, must participate in the United States department of agriculture's community eligibility provision in the subsequent school year and throughout the duration of the community eligibility provision's four-year cycle.

(2) Schools that, through an arrangement with a local entity, provide meals to all students and at no costs to the students are exempt from the requirements of this section.

(3) For the purposes of this section, "identified student" means a student who is directly certified for free school meals based on the student's participation in other means-tested assistance programs, and students who are categorically eligible for free school meals without an application and not subject to income verification.

**Sec. 45.** RCW 28A.150.260 and 2018 c 266 s 101 are each amended to read as follows:

The purpose of this section is to provide for the allocation of state funding that the legislature deems necessary to support school districts in offering the minimum instructional program of basic education under RCW 28A.150.220. The allocation shall be determined as follows:

(1) The governor shall and the superintendent of public instruction may recommend to the legislature a formula for the distribution of a basic education instructional allocation for each common school district.

(2)(a) The distribution formula under this section shall be for allocation purposes only. Except as may be required under subsections (4)(b) and (c) and (9) of this section, chapter 28A.155, 28A.165, 28A.180, or 28A.185 RCW, or federal laws and regulations, nothing in this section requires school districts to use basic education instructional funds to implement a particular instructional approach or service. Nothing in this section requires school districts to maintain a particular classroom teacher-to-student ratio or other staff-to-student ratio or to use allocated funds to pay for particular types or classifications of staff. Nothing in this section entitles an individual teacher to a particular teacher planning period.

(b) To promote transparency in state funding allocations, the superintendent of public instruction must report state per-pupil allocations for each school district for

the general apportionment, special education, learning assistance, transitional bilingual, highly capable, and career and technical education programs. The superintendent must also report state general apportionment per-pupil allocations by grade for each school district. The superintendent must report this information in a user-friendly format on the main page of the office's web site and on school district apportionment reports. School districts must include a link to the superintendent's per-pupil allocations report on the main page of the school district's web site. In addition, the budget documents published by the legislature for the enacted omnibus operating appropriations act must report statewide average per-pupil allocations for general apportionment and the categorical programs listed in this subsection.

(3)(a) To the extent the technical details of the formula have been adopted by the legislature and except when specifically provided as a school district allocation, the distribution formula for the basic education instructional allocation shall be based on minimum staffing and nonstaff costs the legislature deems necessary to support instruction and operations in prototypical schools serving high, middle, and elementary school students as provided in this section. The use of prototypical schools for the distribution formula does not constitute legislative intent that schools should be operated or structured in a similar fashion as the prototypes. Prototypical schools illustrate the level of resources needed to operate a school of a particular size with particular types and grade levels of students using commonly understood terms and inputs, such as class size, hours of instruction, and various categories of school staff. It is the intent that the funding allocations to school districts be adjusted from the school prototypes based on the actual number of annual average full-time equivalent students in each grade level at each school in the district and not based on the grade-level configuration of the school to the extent that data is available. The allocations shall be further adjusted from the school prototypes with minimum allocations for small schools and to reflect other factors identified in the omnibus appropriations act.

(b) For the purposes of this section, prototypical schools are defined as follows:

(i) A prototypical high school has six hundred average annual full-time equivalent students in grades nine through twelve;

(ii) A prototypical middle school has four hundred thirty-two average annual full-time equivalent students in grades seven and eight; and

(iii) A prototypical elementary school has four hundred average annual full-time equivalent students in grades kindergarten through six.

(4)(a)(i) The minimum allocation for each level of prototypical school shall be based on the number of full-time equivalent classroom teachers needed to provide instruction over the minimum required annual instructional hours under RCW 28A.150.220 and provide at least one teacher planning period per school day, and based on the following general education average class size of full-time equivalent students per teacher:

## General education

## average class size

Grades K-3 .....	17.00
Grade 4 .....	27.00
Grades 5-6 .....	27.00
Grades 7-8 .....	28.53
Grades 9-12 .....	28.74

(ii) The minimum class size allocation for each prototypical high school shall also provide for enhanced funding for class size reduction for two laboratory science classes within grades nine through twelve per full-time equivalent high school student multiplied by a laboratory science course factor of 0.0833, based on the number of full-time equivalent classroom teachers needed to provide instruction over the minimum required annual instructional hours in RCW 28A.150.220, and providing at least one teacher planning period per school day:

## Laboratory science

## average class size

Grades 9-12 .....	19.98
-------------------	-------

(b)(i) Beginning September 1, 2019, funding for average K-3 class sizes in this subsection (4) may be provided only to the extent of, and proportionate to, the school district's demonstrated actual class size in grades K-3, up to the funded class sizes.

(ii) The office of the superintendent of public instruction shall develop rules to implement this subsection (4)(b).

(c)(i) The minimum allocation for each prototypical middle and high school shall also provide for full-time equivalent classroom teachers based on the following number of full-time equivalent students per teacher in career and technical education:

## Career and technical

## education average

## class size

Approved career and technical education offered at the middle school and high school level.....	23.00

(ii) Funding allocated under this subsection (4)(c) is subject to RCW 28A.150.265.

(d) In addition, the omnibus appropriations act shall at a minimum specify:

(i) A high-poverty average class size in schools where more than fifty percent of the students are eligible for free and reduced-price meals; and

(ii) A specialty average class size for advanced placement and international baccalaureate courses.

(5) The minimum allocation for each level of prototypical school shall include allocations for the following types of staff in addition to classroom teachers:

(b) The minimum allocation of staff units for each school district to support certificated and classified staffing of central administration shall be 5.30 percent of the staff units generated under subsections (4)(a) and (5) of this section and (a) of this subsection.

(7) The distribution formula shall include staffing allocations to school districts for career and technical education and skill center administrative and other school-level certificated staff, as specified in the omnibus appropriations act.

(8)(a) Except as provided in (b) of this subsection, the minimum allocation for each school district shall include allocations per annual average full-time equivalent student for the following materials, supplies, and operating costs as provided in the 2017-18 school year, after which the allocations shall be adjusted annually for inflation as specified in the omnibus appropriations act:

(9) In addition to the amounts provided in subsection (8) of this section and subject to RCW 28A.150.265, the omnibus appropriations act shall provide an amount based on full-time equivalent student enrollment in each of the following:

(a) Exploratory career and technical education courses for students in grades seven through twelve;

(b) Preparatory career and technical education courses for students in grades nine through twelve offered in a high school; and

(c) Preparatory career and technical education courses for students in grades eleven and twelve offered through a skill center.

(10) In addition to the allocations otherwise provided under this section, amounts shall be provided to support the following programs and services:

(a)(i) To provide supplemental instruction and services for students who are not meeting academic standards through the learning assistance program under RCW 28A.165.005 through 28A.165.065, allocations shall be based on the greater of either: The district percentage of students in kindergarten through grade twelve who were eligible for free or reduced-price meals for the school year immediately preceding the district's participation, in whole or part, in the United States department of agriculture's community eligibility provision, or the district percentage of students in grades K-12 who were eligible for free or reduced-price meals in the prior school year. The minimum allocation for the program shall provide for each level of prototypical school resources to provide, on a statewide average, 2.3975 hours per week in extra instruction with a class size of fifteen learning assistance program students per teacher.

(ii) In addition to funding allocated under (a)(i) of this subsection, to provide supplemental instruction and services for students who are not meeting academic standards in qualifying schools. A qualifying school means a school in which the three-year rolling average of the prior year total annual average enrollment that qualifies for free or reduced-price meals equals or exceeds fifty percent or more of its

total annual average enrollment. A school continues to meet the definition of a qualifying school if the school: Participates in the United States department of agriculture's community eligibility provision; and met the definition of a qualifying school in the year immediately preceding their participation. The minimum allocation for this additional high poverty-based allocation must provide for each level of prototypical school resources to provide, on a statewide average, 1.1 hours per week in extra instruction with a class size of fifteen learning assistance program students per teacher, under RCW 28A.165.055, school districts must distribute the high poverty-based allocation to the schools that generated the funding allocation.

(b)(i) To provide supplemental instruction and services for students whose primary language is other than English, allocations shall be based on the head count number of students in each school who are eligible for and enrolled in the transitional bilingual instruction program under RCW 28A.180.010 through 28A.180.080. The minimum allocation for each level of prototypical school shall provide resources to provide, on a statewide average, 4.7780 hours per week in extra instruction for students in grades kindergarten through six and 6.7780 hours per week in extra instruction for students in grades seven through twelve, with fifteen transitional bilingual instruction program students per teacher. Notwithstanding other provisions of this subsection (10), the actual per-student allocation may be scaled to provide a larger allocation for students needing more intensive intervention and a commensurate reduced allocation for students needing less intensive intervention, as detailed in the omnibus appropriations act.

(ii) To provide supplemental instruction and services for students who have exited the transitional bilingual program, allocations shall be based on the head count number of students in each school who have exited the transitional bilingual program within the previous two years based on their performance on the English proficiency assessment and are eligible for and enrolled in the transitional bilingual instruction program under RCW 28A.180.040(1)(g). The minimum allocation for each prototypical school shall provide resources to provide, on a statewide average, 3.0 hours per week in extra instruction with fifteen exited students per teacher.

(c) To provide additional allocations to support programs for highly capable students under RCW 28A.185.010 through 28A.185.030, allocations shall be based on 5.0 percent of each school district's full-time equivalent basic education enrollment. The minimum allocation for the programs shall provide resources to provide, on a statewide average, 2.1590 hours per week in extra instruction with fifteen highly capable program students per teacher.

(11) The allocations under subsections (4)(a), (5), (6), and (8) of this section shall be enhanced as provided under RCW 28A.150.390 on an excess cost basis to provide supplemental instructional resources for students with disabilities.

(12)(a) For the purposes of allocations for prototypical high schools and middle schools under subsections (4) and

(10) of this section that are based on the percent of students in the school who are eligible for free and reduced-price meals, the actual percent of such students in a school shall be adjusted by a factor identified in the omnibus appropriations act to reflect underreporting of free and reduced-price meal eligibility among middle and high school students.

(b) Allocations or enhancements provided under subsections (4), (7), and (9) of this section for exploratory and preparatory career and technical education courses shall be provided only for courses approved by the office of the superintendent of public instruction under chapter 28A.700 RCW.

(13)(a) This formula for distribution of basic education funds shall be reviewed biennially by the superintendent and governor. The recommended formula shall be subject to approval, amendment or rejection by the legislature.

(b) In the event the legislature rejects the distribution formula recommended by the governor, without adopting a new distribution formula, the distribution formula for the previous school year shall remain in effect.

(c) The enrollment of any district shall be the annual average number of full-time equivalent students and part-time students as provided in RCW 28A.150.350, enrolled on the first school day of each month, including students who are in attendance pursuant to RCW 28A.335.160 and 28A.225.250 who do not reside within the servicing school district. The definition of full-time equivalent student shall be determined by rules of the superintendent of public instruction and shall be included as part of the superintendent's biennial budget request. The definition shall be based on the minimum instructional hour offerings required under RCW 28A.150.220. Any revision of the present definition shall not take effect until approved by the house ways and means committee and the senate ways and means committee.

(d) The office of financial management shall make a monthly review of the superintendent's reported full-time equivalent students in the common schools in conjunction with RCW 43.62.050.

**Sec. 46.** RCW 28A.405.415 and 2013 2nd sp.s. c 5 s 4 are each amended to read as follows:

(1) Certificated instructional staff who have attained certification from the national board for professional teaching standards shall receive a bonus each year in which they maintain the certification. The bonus shall be calculated as follows: The annual bonus shall be five thousand dollars in the 2007-08 school year. Thereafter, the annual bonus shall increase by inflation, except that the bonus shall not be increased during the 2013-14 and 2014-15 school years.

(2)(a) Certificated instructional staff who have attained certification from the national board for professional teaching standards shall be eligible for bonuses in addition to that provided by subsection (1) of this section if the individual is in an instructional assignment in a school in which at least seventy percent of the students qualify for the free and reduced-price lunch program.

(b) An individual is eligible for bonuses authorized under this subsection (2) if he or she is in an instructional assignment in a school that meets the definition of high poverty school as defined in rule by the office of the superintendent of public instruction in the school year immediately preceding the school's participation in the United States department of agriculture's community eligibility provision.

(3) The amount of the additional bonus under subsection (2) of this section for those meeting the qualifications of subsection (2) of this section is five thousand dollars.

(4) The bonuses provided under this section are in addition to compensation received under a district's salary schedule adopted in accordance with RCW 28A.405.200 and shall not be included in calculations of a district's average salary and associated salary limitations under RCW 28A.400.200.

(5) The bonuses provided under this section shall be paid in a lump sum amount."

On page 1, line 2 of the title, after "cost;" strike the remainder of the title and insert "amending RCW 28A.235.290, 28A.150.260, and 28A.405.415; adding a new section to chapter 28A.235 RCW; and creating a new section."

and the same is herewith transmitted.

#### **MESSAGE FROM THE SENATE**

March 6, 2020

Madame Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 2793 with the following amendment:

46.0.

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 47.** (1) The administrative office of the courts shall conduct a study and a pilot project on streamlining the vacation of criminal convictions under RCW 9.96.060 (2)(b) and (5)(a) and 9.94A.640(2) through an administrative, court-driven process established under section 2 of this act.

(2) The administrative office of the courts shall:

(a) Determine the types of data currently available to the administrative office of the courts to assess eligibility under RCW 9.96.060 (2)(b) and (5)(a) and 9.94A.640(2);

(b) Evaluate additional types of information that should be reported to judicial information systems or directly to sentencing courts or the administrative office of the courts to improve the reliability of the screening process;

(c) Propose procedures for conducting queries of available records to assess eligibility, which may include, for example: (i) If applicable, whether a person is currently incarcerated for a criminal offense may be determined by reviewing the term of confinement reflected in the judgment and sentence document for his or her most recent criminal conviction; (ii) if applicable, whether a person completed his or her sentencing conditions, excluding legal financial obligations, and satisfied the waiting period under RCW 9.96.060(2)(b) (vi)(D) or (vii) or 9.94A.640(2) (e) or (f) may be determined by adding the waiting period to the terms of confinement and community custody reflected in the applicable judgment and sentence document; (iii) if applicable, the period for which a person must not have been convicted of any new criminal offense under RCW 9.96.060(2)(b)(viii) or 9.94A.640(2) (c) or (d) may be determined based on the date of the query conducted by the administrative office of the courts, rather than the date of

application; and (iv) any other procedures deemed necessary by the administrative office of the courts;

(d) Assess whether any changes to laws, policies, or practices or additional resources are necessary to improve the reliability of the process for the pilot program and for launching a similar program statewide;

(e) Develop an implementation plan for the pilot program under section 2 of this act; and

(f) Make additional recommendations deemed appropriate and necessary by the administrative office of the courts.

(3) The administrative office of the courts shall report to the governor and the appropriate committees of the legislature, as follows:

(a) A report with findings, recommendations, and an implementation plan must be submitted by December 1, 2020;

(b) A status update on the pilot program must be submitted by December 1, 2021; and

(c) A final report on the pilot program, including a summary of data collected under section 2 of this act and other findings and recommendations, must be submitted by December 1, 2022.

(4) When conducting the evaluation and pilot program required under this section and section 2 of this act, the administrative office of the courts shall consult with county clerks and court administrators, judges, prosecuting attorneys, defense attorneys, the department of corrections, county and city departments, national and local organizations with interest or experience in vacating or sealing criminal convictions, national and local organizations with experience in developing automated vacating or sealing procedures in other states, organizations and persons with relevant technical expertise in computer and records systems, and any other entities with relevant records.

(5) This section expires June 30, 2025.

**NEW SECTION. Sec. 48.** (1) Beginning July 1, 2021, through June 30, 2022, the administrative office of the courts shall conduct a pilot program for streamlining the vacation of criminal convictions under RCW 9.96.060 (2)(b) and (5)(a) and 9.94A.640(2) through an administrative, court-driven process. After consulting with courts of general and limited jurisdiction, the administrative office of the courts shall select a county in which to conduct the pilot program. The sentencing courts within the county selected for the pilot program shall comply with the requirements of this section, and further provide information to the administrative office of the courts necessary for the reporting requirement under subsection (4) of this section.

(2) When conducting the pilot program, the administrative office of the courts shall review convictions from the participating county for the purpose of determining whether those convictions should be scheduled for administrative vacation hearings. If appropriate and necessary for producing reliable notifications to sentencing

courts participating in the pilot program, the administrative office of the courts may limit the screening process to certain types or classes of convictions or defendants. The process must:

(a) Review convictions beginning at the earliest period for which electronic court records are reliable, provided that the review applies to convictions beginning no later than January 1, 2000;

(b) Rely upon records available to the administrative office of the courts through judicial information systems and other agencies including, but not limited to, the Washington state patrol and the department of corrections;

(c) Determine whether a defendant is currently incarcerated for a criminal offense, and whether available records indicate that he or she is precluded from qualifying to vacate his or her misdemeanor conviction under RCW 9.96.060 (2)(b) or (5)(a) or his or her felony conviction under RCW 9.94A.640(2), which may be based on queries and other procedures developed by the administrative office of the courts including, but not limited to, those referenced in section 1(2)(c) of this act;

(d) Notify sentencing courts to schedule an administrative vacation hearing for any defendant where a review of available records does not indicate that the defendant is precluded from qualifying to vacate his or her conviction;

(e) Prioritize potentially qualifying defendants according to criteria established by the administrative office of the courts so as not to hinder sentencing courts with excessing notifications; and

(f) Review records and provide notifications on a monthly or quarterly basis, as determined by the administrative office of the courts.

(3)(a) Beginning July 1, 2021, through June 30, 2022, sentencing courts within the county selected for the pilot program under this section shall conduct regularly scheduled administrative vacation hearings.

(b) When a participating sentencing court receives notice from the administrative office of the courts under subsection (2) of this section regarding a defendant potentially qualifying to vacate his or her conviction, the court shall set an administrative vacation hearing. At an administrative vacation hearing, the court shall determine whether to vacate the conviction based on the requirements for the particular offense under RCW 9.96.060 (2)(b) or (5)(a) or 9.94A.640(2). The defendant is presumed to meet the requirements and the court shall vacate the conviction, unless: Court records indicate that the defendant does not meet the requirements; or the prosecutor objects on the basis that the defendant does not meet the requirements or that the defendant is currently incarcerated for a criminal offense, provided that such objection is made with sufficient particularity and supporting information. If the court determines the defendant is not currently eligible, but is likely to become eligible in the future, the court may set a subsequent administrative vacation hearing at an appropriate date determined by the court. Otherwise, the court may

decline to vacate the conviction without setting a subsequent hearing.

(c) For the purposes of conducting proceedings under this section, the requirements under RCW 9.96.060 (2)(b) and (5)(a) apply to misdemeanors and the requirements under RCW 9.94A.640(2) apply to felonies, except a defendant is not required to: File a petition or application; provide notice to relevant parties; or appear at an administrative hearing. If the court vacates a conviction under this section, it shall achieve the vacation through the procedure provided in RCW 9.96.060(1). A vacation under this section is processed in the same manner and has the same effect as provided under RCW 9.96.060 (6) and (7) for a misdemeanor or RCW 9.94A.640(3) for a felony. Regardless of whether a hearing under this section has previously occurred or is scheduled at a future date, nothing in this section prohibits a defendant from applying to the court to: Vacate a conviction under RCW 9.96.060 or 9.94A.640; or seal his or her conviction or vacation records under court rules.

(4) The administrative office of the courts shall collect the following information with respect to convictions where notifications were sent to sentencing courts through the pilot program, including: The number of notifications sent to sentencing courts; the number of administrative hearings held; the number of vacations granted at administrative hearings; the number of convictions where the court set a future administrative hearing based on predicted eligibility; the number of convictions where the court declined to vacate the convictions without setting a future administrative hearing; and other data deemed relevant by the administrative office of the courts. The administrative office of the courts shall include a summary of the data, including by type of court and for the entire pilot program, in its reports required under section 1(3) (b) and (c) of this act.

(5) This section expires June 30, 2025.

**Sec. 49.** RCW 9.96.060 and 2019 c 400 s 1, 2019 c 331 s 4, and 2019 c 46 s 5010 are each reenacted and amended to read as follows:

(1) When vacating a conviction under this section, the court effectuates the vacation by: (a)(i) Permitting the applicant to withdraw the applicant's plea of guilty and to enter a plea of not guilty; or (ii) if the applicant has been convicted after a plea of not guilty, the court setting aside the verdict of guilty; and (b) the court dismissing the information, indictment, complaint, or citation against the applicant and vacating the judgment and sentence.

(2)(a) Every person convicted of a misdemeanor or gross misdemeanor offense may apply to the sentencing court for a vacation of the applicant's record of conviction for the offense. If the court finds the applicant meets the requirements of (b) of this subsection, the court may in its discretion vacate the record of conviction.

(b) Except as provided in subsections (3), (4), and (5) of this section, ~~((an applicant))~~ a defendant may not have the record of conviction for a misdemeanor or gross misdemeanor offense vacated if any one of the following is present:

~~((a))~~ (i) The ~~((applicant))~~ defendant has not completed all of the terms of the sentence for the offense;

~~((b))~~ (ii) There are any criminal charges against the ~~((applicant))~~ defendant pending in any court of this state or another state, or in any federal or tribal court, at the time of application;

~~((c))~~ (iii) The offense was a violent offense as defined in RCW 9.94A.030 or an attempt to commit a violent offense;

~~((d))~~ (iv) The offense was a violation of RCW 46.61.502 (driving while under the influence), 46.61.504 (actual physical control while under the influence), 9.91.020 (operating a railroad, etc. while intoxicated), or the offense is considered a "prior offense" under RCW 46.61.5055 and the ~~((applicant))~~ defendant has had a subsequent alcohol or drug violation within ten years of the date of arrest for the prior offense or less than ten years has elapsed since the date of the arrest for the prior offense;

~~((e))~~ (v) The offense was any misdemeanor or gross misdemeanor violation, including attempt, of chapter 9.68 RCW (obscenity and pornography), chapter 9.68A RCW (sexual exploitation of children), or chapter 9A.44 RCW (sex offenses), except for failure to register as a sex offender under RCW 9A.44.132;

~~((f))~~ (vi) The ~~((applicant))~~ defendant was convicted of a misdemeanor or gross misdemeanor offense as defined in RCW 10.99.020, or the court determines after a review of the court file that the offense was committed by one family member or household member against another, or the court, after considering the damage to person or property that resulted in the conviction, any prior convictions for crimes defined in RCW 10.99.020, or for comparable offenses in another state or in federal court, and the totality of the records under review by the court regarding the conviction being considered for vacation, determines that the offense involved domestic violence, and any one of the following factors exist:

~~((i))~~ ~~The applicant~~ (A) If the defendant is requesting a vacation through an application, the defendant has not provided written notification of the vacation petition to the prosecuting attorney's office that prosecuted the offense for which vacation is sought, or has not provided that notification to the court;

~~((ii))~~ (B) The ~~((applicant))~~ defendant has two or more domestic violence convictions stemming from different incidents. For purposes of this subsection, however, if the current application is for more than one conviction that arose out of a single incident, none of those convictions counts as a previous conviction;

~~((iii))~~ (C) The ~~((applicant))~~ defendant has signed an affidavit under penalty of perjury affirming that the applicant has not previously had a conviction for a domestic violence offense, and a criminal history check reveals that the applicant has had such a conviction; or

~~((iv))~~ (D) Less than five years have elapsed since the person completed the terms of the original conditions of the sentence, including any financial obligations and successful

completion of any treatment ordered as a condition of sentencing;

~~((g))~~ (vii) For any offense other than those described in ~~((f))~~ (vi) of this subsection, less than three years have passed since the person completed the terms of the sentence, including any financial obligations;

~~((h))~~ (viii) The offender has been convicted of a new crime in this state, another state, or federal or tribal court in the three years prior to the vacation application; or

~~((i))~~ (ix) The ~~((applicant))~~ defendant is currently restrained by a domestic violence protection order, a no-contact order, an antiharassment order, or a civil restraining order which restrains one party from contacting the other party or was previously restrained by such an order and was found to have committed one or more violations of the order in the five years prior to the vacation application.

(3) Subject to RCW 9.96.070, every person convicted of prostitution under RCW 9A.88.030 who committed the offense as a result of being a victim of trafficking, RCW 9A.40.100, promoting prostitution in the first degree, RCW 9A.88.070, promoting commercial sexual abuse of a minor, RCW 9.68A.101, or trafficking in persons under the trafficking victims protection act of 2000, 22 U.S.C. Sec. 7101 et seq. may apply to the sentencing court for vacation of the applicant's record of conviction for the prostitution offense. An applicant may not have the record of conviction for prostitution vacated if any one of the following is present:

(a) There are any criminal charges against the applicant pending in any court of this state or another state, or in any federal court, for any crime other than prostitution; or

(b) The offender has been convicted of another crime, except prostitution, in this state, another state, or federal court since the date of conviction. The limitation in this subsection (3)(b) does not apply to convictions where the offender proves by a preponderance of the evidence that he or she committed the crime as a result of being a victim of trafficking, RCW 9A.40.100, promoting prostitution in the first degree, RCW 9A.88.070, promoting commercial sexual abuse of a minor, RCW 9.68A.101, or trafficking in persons under the trafficking victims protection act of 2000, 22 U.S.C. Sec. 7101 et seq., according to the requirements provided in RCW 9.96.070 for each respective conviction.

(4) Every person convicted prior to January 1, 1975, of violating any statute or rule regarding the regulation of fishing activities, including, but not limited to, RCW 75.08.260, 75.12.060, 75.12.070, 75.12.160, 77.16.020, 77.16.030, 77.16.040, 77.16.060, and 77.16.240 who claimed to be exercising a treaty Indian fishing right, may apply to the sentencing court for vacation of the applicant's record of the misdemeanor, gross misdemeanor, or felony conviction for the offense. If the person is deceased, a member of the person's family or an official representative of the tribe of which the person was a member may apply to the court on behalf of the deceased person. Notwithstanding the requirements of RCW 9.94A.640, the court shall vacate the record of conviction if:

(a) The applicant is a member of a tribe that may exercise treaty Indian fishing rights at the location where the offense occurred; and

(b) The state has been enjoined from taking enforcement action of the statute or rule to the extent that it interferes with a treaty Indian fishing right as determined under *United States v. Washington*, 384 F. Supp. 312 (W.D. Wash. 1974), or *Sohappy v. Smith*, 302 F. Supp. 899 (D. Oregon 1969), and any posttrial orders of those courts, or any other state supreme court or federal court decision.

(5)(a) Every person convicted of a misdemeanor marijuana offense, who was twenty-one years of age or older at the time of the offense, ~~((may apply to the sentencing court for a vacation of the applicant's))~~ qualifies to have his or her record of conviction for the offense vacated by the sentencing court. A misdemeanor marijuana offense includes, but is not limited to: Any offense under RCW 69.50.4014, from July 1, 2004, onward, and its predecessor statutes, including RCW 69.50.401(e), from March 21, 1979, to July 1, 2004, and RCW 69.50.401(d), from May 21, 1971, to March 21, 1979, and any offense under an equivalent municipal ordinance.

~~((b) If ((an applicant qualifies)) a qualifying defendant applies to the sentencing court under this subsection, the court shall vacate the record of conviction.~~

(6)(a) Except as provided in (c) of this subsection, once the court vacates a record of conviction under this section, the person shall be released from all penalties and disabilities resulting from the offense and the fact that the person has been convicted of the offense shall not be included in the person's criminal history for purposes of determining a sentence in any subsequent conviction. For all purposes, including responding to questions on employment or housing applications, a person whose conviction has been vacated under this section may state that he or she has never been convicted of that crime. However, nothing in this section affects the requirements for restoring a right to possess a firearm under RCW 9.41.040. Except as provided in (b) of this subsection, nothing in this section affects or prevents the use of an offender's prior conviction in a later criminal prosecution.

(b) When a court vacates a record of domestic violence as defined in RCW 10.99.020 under this section, the state may not use the vacated conviction in a later criminal prosecution unless the conviction was for: (i) Violating the provisions of a restraining order, no-contact order, or protection order restraining or enjoining the person or restraining the person from going on to the grounds of or entering a residence, workplace, school, or day care, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location (RCW 10.99.040, 10.99.050, 26.09.300, 26.10.220, 26.26B.050, 26.44.063, 26.44.150, 26.50.060, 26.50.070, 26.50.130, 26.52.070, or 74.34.145); or (ii) stalking (RCW 9A.46.110). A vacated conviction under this section is not considered a conviction of such an offense for the purposes of 27 C.F.R. 478.11.

(c) A conviction vacated on or after July 28, 2019, qualifies as a prior conviction for the purpose of charging a

present recidivist offense as defined in RCW 9.94A.030 occurring on or after July 28, 2019.

(7) The clerk of the court in which the vacation order is entered shall immediately transmit the order vacating the conviction to the Washington state patrol identification section and to the local police agency, if any, which holds criminal history information for the person who is the subject of the conviction. The Washington state patrol and any such local police agency shall immediately update their records to reflect the vacation of the conviction, and shall transmit the order vacating the conviction to the federal bureau of investigation. A conviction that has been vacated under this section may not be disseminated or disclosed by the state patrol or local law enforcement agency to any person, except other criminal justice enforcement agencies.

**NEW SECTION. Sec. 50.** Sections 1 and 2 of this act constitute a new chapter in Title 10 RCW."

On page 1, line 1 of the title, after "records;" strike the remainder of the title and insert "reenacting and amending RCW 9.96.060; adding a new chapter to Title 10 RCW; and providing expiration dates."

#### MESSAGE FROM THE SENATE

March 6, 2020

Madame Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 2811 with the following amendment:  
50.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** The legislature finds that environmental and sustainability education offers a rich and meaningful context for integrated learning and teaching. The legislature also finds that nonprofit community-based organizations are uniquely positioned to strengthen classroom learning by partnering and collaborating with schools and local employers to offer K-12 educators work-integrated learning experiences that address the Washington state science learning standards including next generation science standards. Close collaboration with educational service district's regional science coordinators can optimize learning by helping align next generation science standards implementation with community-based organization initiatives to ensure all students have access to engaging field experiences allowing them to understand the scientific, social, and economic impacts of healthy community resources such as gardens, watersheds and water systems, energy systems, or forests so they can participate in solutions to problems such as ocean acidification, rural economic development, or ecosystems impacted by megafires.

**NEW SECTION. Sec. 2.** A new section is added to chapter 28A.300 RCW to read as follows:

(1) The office of the superintendent of public instruction shall provide state leadership for the integration of environmental and sustainability content with curriculum, instruction, and assessment.

(2)(a) Subject to funds appropriated for this specific purpose, the office of the superintendent of public instruction shall contract on a competitive basis with a Washington state-based qualified 501(c)(3) nonprofit community-based organization to integrate the state learning standards in English language arts, mathematics, and science with outdoor field studies and project-based and work-based learning opportunities aligned with the environmental, natural resources, and agricultural sectors.

(b) The selected Washington state nonprofit organization must work collaboratively with the office of the

superintendent of public instruction and educational service districts to:

(i) Build systemic programming that connects administrators, school boards, and communities to support teacher practice and student opportunities for the strengthened delivery of environmental and sustainability education;

(ii) Support K-12 educators to teach students integrated, equitable, locally relevant, real-world environmental science and engineering outdoors, aligned to Washington science and environmental and sustainability education standards, and provide opportunities to engage students in renewable natural resource career awareness; and

(iii) Deliver learning materials, opportunities, and resources including, but not limited to:

(A) Providing opportunities outside the classroom to connect transdisciplinary content, concepts, and skills in the context of the local community;

(B) Encouraging application of critical and creative thinking skills to identify and analyze issues, seek answers, and engineer solutions;

(C) Creating community-connected, local opportunities to engage students in stewardship projects that enhance their interest in sustaining the ecosystem and respecting natural resources;

(D) Providing work-based learning opportunities for careers in the environmental science and engineering, natural resources, sustainability, renewable energy, agriculture, and outdoor recreation sectors and build skills for completion of industry recognized certifications; and

(E) Providing models for integrating since time immemorial in teaching materials so that students learn the unique heritage, history, culture, and government of the nearest federally recognized Indian tribe or tribes.

(c) Priority focus must be given to schools that have been identified for improvement through the Washington school improvement framework and communities historically underserved by science education. These communities can include, but are not limited to, tribal nations including tribal compact schools, migrant students, schools with high free and reduced-price lunch populations, rural and remote schools, students in alternative learning environments, students of color, English language learner students, and students receiving special education services.

(3) For the purposes of this section, a "qualified 501(c)(3) nonprofit community-based organization" means a nonprofit organization physically located in Washington state that:

(a) Has multiple years of experience collaborating with school districts across the state to provide high quality professional development to kindergarten through twelfth grade educators to teach students real-world environmental science and engineering outside the classroom;

(b) Whose materials and instructional practices align with Washington's environmental and sustainability learning

standards and the Washington state learning standards, including the common core standards for mathematics and English language arts;

(c) Whose materials and instructional practices emphasize the next generation science standards to support local, relevant, and field-based learning experiences; and

(d) Delivers project-based learning materials and resources that incorporate career connections to local businesses and community-based organizations, contain professional development support for classroom teachers, have measurable assessment objectives, and have demonstrated community support."

and the same is herewith transmitted.

### MESSAGE FROM THE SENATE

March 6, 2020

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2905 with the following amendment:

2.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 3.** The legislature recognizes that oral disease is the most common childhood chronic disease, yet is almost entirely preventable, impacting school readiness, future employability, and overall well-being and quality of life. The access to baby and child dentistry program has made Washington a leader in oral health care access across the nation, providing greater levels of access and utilization for medicaid eligible children under six years old. The legislature further recognizes that the access to baby and child dentistry program connects children to a dental home in their communities, enabling children to get off to a healthy start. While the state has made great strides, children of color continue to experience higher rates of tooth decay than their peers and children under the age of two are not accessing care at the same rate as older children. Therefore, it is the legislature's intent to expand on the program investments the state has already made to provide additional outreach and support to eligible families and providers, increase very young children's access to care, and further reduce racial and ethnic disparities in access to care and oral health outcomes.

**NEW SECTION. Sec. 4.** A new section is added to chapter 74.09 RCW to read as follows:

(1) The authority, in consultation with the office of equity, created in chapter . . . (Engrossed Second Substitute House Bill No. 1783), Laws of 2020, shall work with the statewide managing partner of the access to baby and child dentistry program to develop a local access to baby and child dentistry program fund allocation formula, key deliverables, and target metrics for increased outreach and provider engagement and support with the goal of reducing racial and ethnic disparities.

(2) The authority, in consultation with the office of equity, created in chapter . . . (Engrossed Second Substitute House Bill No. 1783), Laws of 2020, shall collaborate with stakeholders to monitor progress toward the goals articulated in subsection (1) of this section and provide support to local access to baby and child dentistry programs and providers."

On page 1, line 2 of the title, after "programs;" strike the remainder of the title and insert "adding a new section to chapter 74.09 RCW; and creating a new section."

and the same is herewith transmitted.

March 6, 2020

Mme. SPEAKER:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2816, with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 6.** The legislature finds that each school community member should be treated with dignity, should have the opportunity to learn, work, interact, and socialize in physically, emotionally, and intellectually safe, respectful, and positive school environments, and should have the opportunity to experience high quality relationships. The legislature recognizes that schools have the responsibility to promote conditions designed to create, maintain, and nurture a positive social and emotional school and classroom climate. Therefore, the legislature intends to require the Washington state school directors' association to develop a model policy and procedure for nurturing a positive social and emotional school and classroom climate for all students. The legislature intends to require school districts to adopt elements of the model policy and procedure that protect the integrity of learning environments and allow school districts to adopt other elements of the model.

**NEW SECTION. Sec. 7.** A new section is added to chapter 28A.345 RCW to read as follows:

(1) The Washington state school directors' association shall develop a model policy and procedure for nurturing a positive social and emotional school and classroom climate. The goal of the policy and procedure is to support and promote school and school district action plans that create, maintain, and nurture physically, emotionally, and intellectually safe, respectful, and positive school and classroom environments that foster equitable, ethical, social, emotional, and academic education for all students. The association shall update the model policy and procedure periodically to align with the work of the social-emotional learning committee created under RCW 28A.300.477.

(2) The model policy and procedure must include the following elements:

(a) Recognize that there is not one best way to create, maintain, and nurture a positive social and emotional school and classroom climate and consider each school's history, strengths, needs, and goals;

(b) Define and describe the essential elements of a positive social and emotional school and classroom climate, which must align with the social-emotional learning standards and benchmarks adopted by the office of the superintendent of public instruction under RCW 28A.300.478;

(c) Recognize the important role that students' families play in collaborating with the school and school district in creating, maintaining, and nurturing a positive social and emotional school and classroom climate; and

(d) Describe a framework for an effective and informed positive social and emotional school and classroom climate improvement process that includes a continuous cycle of planning and preparation, evaluation, action planning, and implementation.

(3)(a) The model policy and procedure must also protect the integrity of learning environments with the following elements:

(i) School districts must provide information to the parents and guardians of enrolled students regarding students' rights to a free public education, regardless of immigration status or religious beliefs.

(ii) School districts must provide meaningful access to this information for families with limited English proficiency.

(b) The elements described in this subsection (3) may be included in a separate model policy and procedure.

(4) In developing the model policy and procedure described in this section, the Washington state school directors' association must:

(a) Consult with staff at the office of the superintendent of public instruction and organizations with expertise in social and emotional health and in equity, race, and inclusive learning environments;

(b) Work with the social-emotional learning committee created under RCW 28A.300.477 to align the climate improvement framework with the statewide framework for social-emotional learning;

(c) Consider the relationship between the model policy and procedure and policies related to student behaviors and student discipline; and

(d) Review research on, and examples of effective implementation of, restorative practices, collaborative and proactive practices, trauma-sensitive and trauma-informed practices, classroom management, and other topics related to the goal of the policy as identified in subsection (1) of this section.

(5) The model policy and procedure developed under this section must be posted publicly on the Washington state school directors' association's web site by March 1, 2021. Updates to the model policy and procedure must be posted publicly within a reasonable time of development.

(6)(a) By the beginning of the 2021-22 school year, each school district must adopt or amend if necessary policies and procedures that, at a minimum, incorporate all the elements described in subsection (3) of this section. School districts must periodically review their policies and procedures for consistency with updated versions of the model policy.

(b) By the beginning of the 2021-22 school year, each school district may adopt or amend if necessary policies and procedures that incorporate the elements described in subsection (2) of this section. School districts may periodically review their policies and procedures for consistency with updated versions of the model policy."

# SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to ENGROSSED SUBSTITUTE HOUSE BILL NO. 2816 and asked the Senate to recede therefrom.

## MESSAGE FROM THE SENATE

March 6, 2020

Mme. SPEAKER:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2320, with the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1) The legislature finds that human trafficking is a serious problem in the United States and in the state of Washington. Polaris project, the largest anti-human trafficking organization in the United States, hosts the national human trafficking hotline. Since the hotline's inception in 2007, over fifty thousand human trafficking cases have been discovered. In 2018, the hotline identified over twenty-three thousand survivors of human trafficking nationally. Human trafficking is an international problem that will continue to exploit the most vulnerable individuals in a community if proper training and identification support is not provided to the community at large.

(2) The legislature also recognizes that human trafficking is prevalent within hotels and motels across the country and in Washington. In 2018, eighty-one percent of the active sex trafficking cases in the United States involved a victim who was compelled to provide a commercial sexual act at a hotel. In 2017, forty-five percent of youth victims surveyed reported having been exploited in hotels. There is evidence to suggest that training can be an effective way of raising awareness about human trafficking. According to the Washington-based anti-trafficking group businesses ending slavery and trafficking, hoteliers who received human trafficking awareness training reported a significant increase in the likelihood that they would call law enforcement if they suspected trafficking.

(3) It is the intent of the legislature to work toward the goal of ridding hotels and other places of accommodation in Washington of human trafficking.

**NEW SECTION. Sec. 2.** A new section is added to chapter 70.62 RCW to read as follows:

(1) A transient accommodation shall provide annual training regarding human trafficking to each of its employees.

(2) Training must be provided to all employees no later than January 1, 2021, and to new employees no later than ninety days after they begin their employment.

(3) The training required under this section must include, at a minimum, the following:

(a) The definition of human trafficking and commercial exploitation of children, and the difference between sex trafficking and labor trafficking;

(b) Content that is culturally responsive;

(c) Guidance specific to the public lodging sector concerning how to identify individuals who may be victims of human trafficking based on behaviors and traits of trafficking regardless of race, creed, color, national origin, sex, sexual orientation, or class;

(d) Guidance concerning the role of the employees in appropriately responding to suspected human trafficking; and

(e) The contact information of appropriate agencies, including a national human trafficking hotline telephone number and the telephone numbers of appropriate local law enforcement agencies.

(4) By January 1, 2021, every operator of a transient accommodation shall post in a location conspicuous to employees signage regarding human trafficking awareness, printed in an easily legible font in English and any other language spoken by at least ten percent of the employees.

(5) By January 1, 2021, every operator of a transient accommodation shall implement procedures for the voluntary reporting of suspected human trafficking to the national human trafficking hotline or to a local law enforcement agency, and a policy to act as a guide for all employees on human trafficking prevention.

(6) Contents of the training and copies of the signage must be made available for inspection, upon request by the department.

**Sec. 3.** RCW 70.62.260 and 2004 c 162 s 1 are each amended to read as follows:

(1)(a) No person shall operate a transient accommodation as defined in this chapter without having a valid license issued by the department. Applications for a transient accommodation license shall be filed with the department sixty days or more before initiating business as a transient accommodation. All licenses issued under the provisions of this chapter shall expire one year from the effective date.

(b) The department may not renew or issue a license to an applicant without first receiving written certification from the applicant that the human trafficking training requirements under section 2 of this act regarding training, signage, and procedures for reporting have been met.

(2) All applications for renewal of licenses shall be either: (a) Postmarked no later than midnight on the date the license expires; or (b) if personally presented to the department or sent by electronic means, received by the department by 5:00 p.m. on the date the license expires.

(3) A licensee that submits a license renewal application in accordance with this section and the rules and fee schedule adopted under this chapter shall be deemed to

possess a valid license for the year following the expiration date of the expiring license, or until the department suspends or revokes the license pursuant to RCW 70.62.270.

(4) The license of a licensee that fails to submit a license renewal application in accordance with this section, and the rules and fee schedule adopted under this chapter, shall become invalid on the thirty-fifth day after the expiration date, unless the licensee shall have corrected any and all deficiencies in the renewal application and paid a penalty fee as established by rule by the department before the thirty-fifth day following the expiration date. An invalid license may be reinstated upon reapplication as an applicant for a new license under subsection (1) of this section.

(5) Each license shall be issued only for the premises and persons named in the application."

On page 1, line 1 of the title, after "trafficking;" strike the remainder of the title and insert "amending RCW 70.62.260; adding a new section to chapter 70.62 RCW; and creating a new section."

### MESSAGE FROM THE SENATE

March 3, 2020

Madame Speaker:

The Senate has passed THIRD SUBSTITUTE HOUSE BILL NO. 1504 with the following amendment:

4.0.

Strike everything after the enacting clause and insert the following:

"Sec. 5. RCW 9.94A.533 and 2018 c 7 s 8 are each amended to read as follows:

(1) The provisions of this section apply to the standard sentence ranges determined by RCW 9.94A.510 or 9.94A.517.

(2) For persons convicted of the anticipatory offenses of criminal attempt, solicitation, or conspiracy under chapter 9A.28 RCW, the standard sentence range is determined by locating the sentencing grid sentence range defined by the appropriate offender score and the seriousness level of the completed crime, and multiplying the range by seventy-five percent.

(3) The following additional times shall be added to the standard sentence range for felony crimes committed after July 23, 1995, if the offender or an accomplice was armed with a firearm as defined in RCW 9.41.010 and the offender is being sentenced for one of the crimes listed in this subsection as eligible for any firearm enhancements based on the classification of the completed felony crime. If the offender is being sentenced for more than one offense, the firearm enhancement or enhancements must be added to the total period of confinement for all offenses, regardless of which underlying offense is subject to a firearm enhancement. If the offender or an accomplice was armed with a firearm as defined in RCW 9.41.010 and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection as eligible for any firearm enhancements, the following additional times shall be added to the standard sentence range determined under subsection (2) of this section based on the felony crime of conviction as classified under RCW 9A.28.020:

(a) Five years for any felony defined under any law as a class A felony or with a statutory maximum sentence of at least twenty years, or both, and not covered under (f) of this subsection;

(b) Three years for any felony defined under any law as a class B felony or with a statutory maximum sentence of ten years, or both, and not covered under (f) of this subsection;

(c) Eighteen months for any felony defined under any law as a class C felony or with a statutory maximum sentence of five years, or both, and not covered under (f) of this subsection;

(d) If the offender is being sentenced for any firearm enhancements under (a), (b), and/or (c) of this subsection and the offender has previously been sentenced for any deadly weapon enhancements after July 23, 1995, under (a), (b), and/or (c) of this subsection or subsection (4)(a), (b), and/or (c) of this section, or both, all firearm enhancements under this subsection shall be twice the amount of the enhancement listed;

(e) Notwithstanding any other provision of law, all firearm enhancements under this section are mandatory,

shall be served in total confinement, and shall run consecutively to all other sentencing provisions, including other firearm or deadly weapon enhancements, for all offenses sentenced under this chapter. However, whether or not a mandatory minimum term has expired, an offender serving a sentence under this subsection may be:

(i) Granted an extraordinary medical placement when authorized under RCW 9.94A.728(1)(c); or

(ii) Released under the provisions of RCW 9.94A.730;

(g) If the standard sentence range under this section exceeds the statutory maximum sentence for the offense, the statutory maximum sentence shall be the presumptive sentence unless the offender is a persistent offender. If the addition of a firearm enhancement increases the sentence so that it would exceed the statutory maximum for the offense, the portion of the sentence representing the enhancement may not be reduced.

(4) The following additional times shall be added to the standard sentence range for felony crimes committed after July 23, 1995, if the offender or an accomplice was armed with a deadly weapon other than a firearm as defined in RCW 9.41.010 and the offender is being sentenced for one of the crimes listed in this subsection as eligible for any deadly weapon enhancements based on the classification of the completed felony crime. (e) Notwithstanding any other provision of law, all deadly weapon enhancements under this section are mandatory, shall be served in total confinement, and shall run consecutively to all other sentencing provisions, including other firearm or deadly weapon enhancements, for all offenses sentenced under this chapter. However, whether or not a mandatory minimum term has expired, an offender serving a sentence under this subsection may be:

(i) Granted an extraordinary medical placement when authorized under RCW 9.94A.728(1)(c); or

(ii) Released under the provisions of RCW 9.94A.730;

(f) The deadly weapon enhancements in this section shall apply to all felony crimes except the following: Possession of a machine gun or bump-fire stock, possessing a stolen firearm, drive-by shooting, theft of a firearm, unlawful possession of a firearm in the first and second degree, and use of a machine gun or bump-fire stock in a felony;

(g) If the standard sentence range under this section exceeds the statutory maximum sentence for the offense, the statutory maximum sentence shall be the presumptive sentence unless the offender is a persistent offender. If the addition of a deadly weapon enhancement increases the sentence so that it would exceed the statutory maximum for the offense, the portion of the sentence representing the enhancement may not be reduced.

(5) The following additional times shall be added to the standard sentence range if the offender or an accomplice committed the offense while in a county jail or state correctional facility and the offender is being sentenced for one of the crimes listed in this subsection. If the offender or an accomplice committed one of the crimes listed in this subsection while in a county jail or state correctional facility, and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection, the following additional times shall be added to the standard sentence range determined under subsection (2) of this section:

(a) Eighteen months for offenses committed under RCW 69.50.401(2) (a) or (b) or 69.50.410;

(b) Fifteen months for offenses committed under RCW 69.50.401(2) (c), (d), or (e);

(c) Twelve months for offenses committed under RCW 69.50.4013.

For the purposes of this subsection, all of the real property of a state correctional facility or county jail shall be deemed to be part of that facility or county jail.

(6) An additional twenty-four months shall be added to the standard sentence range for any ranked offense involving a violation of chapter 69.50 RCW if the offense was also a violation of RCW 69.50.435 or 9.94A.827. All enhancements under this subsection shall run consecutively to all other sentencing provisions, for all offenses sentenced under this chapter.

(7) An additional two years shall be added to the standard sentence range for vehicular homicide committed while under the influence of intoxicating liquor or any drug as defined by RCW 46.61.502 for each prior offense as defined in RCW 46.61.5055.

Notwithstanding any other provision of law, all impaired driving enhancements under this subsection are mandatory, shall be served in total confinement, and shall run consecutively to all other sentencing provisions, including other impaired driving enhancements, for all offenses sentenced under this chapter.

An offender serving a sentence under this subsection may be granted an extraordinary medical placement when authorized under RCW 9.94A.728(1)(c).

(8)(a) The following additional times shall be added to the standard sentence range for felony crimes committed on or after July 1, 2006, if the offense was committed with sexual motivation, as that term is defined in RCW 9.94A.030. If the offender is being sentenced for more than one offense, the sexual motivation enhancement must be added to the total period of total confinement for all offenses, regardless of which underlying offense is subject to a sexual motivation enhancement. If the offender committed the offense with sexual motivation and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW, the following additional times shall be added to the standard sentence range determined under subsection (2) of this section based on the felony crime of conviction as classified under RCW 9A.28.020:

(i) Two years for any felony defined under the law as a class A felony or with a statutory maximum sentence of at least twenty years, or both;

(ii) Eighteen months for any felony defined under any law as a class B felony or with a statutory maximum sentence of ten years, or both;

(iii) One year for any felony defined under any law as a class C felony or with a statutory maximum sentence of five years, or both;

(iv) If the offender is being sentenced for any sexual motivation enhancements under (a)(i), (ii), and/or (iii) of this subsection and the offender has previously been sentenced for any sexual motivation enhancements on or after July 1, 2006, under (a)(i), (ii), and/or (iii) of this subsection, all sexual motivation enhancements under this subsection shall be twice the amount of the enhancement listed;

(b) Notwithstanding any other provision of law, all sexual motivation enhancements under this subsection are mandatory, shall be served in total confinement, and shall run consecutively to all other sentencing provisions, including other sexual motivation enhancements, for all

offenses sentenced under this chapter. However, whether or not a mandatory minimum term has expired, an offender serving a sentence under this subsection may be:

(i) Granted an extraordinary medical placement when authorized under RCW 9.94A.728(1)(c); or

(ii) Released under the provisions of RCW 9.94A.730;

(c) The sexual motivation enhancements in this subsection apply to all felony crimes;

(d) If the standard sentence range under this subsection exceeds the statutory maximum sentence for the offense, the statutory maximum sentence shall be the presumptive sentence unless the offender is a persistent offender. If the addition of a sexual motivation enhancement increases the sentence so that it would exceed the statutory maximum for the offense, the portion of the sentence representing the enhancement may not be reduced;

(e) The portion of the total confinement sentence which the offender must serve under this subsection shall be calculated before any earned early release time is credited to the offender;

(f) Nothing in this subsection prevents a sentencing court from imposing a sentence outside the standard sentence range pursuant to RCW 9.94A.535.

(9) An additional one-year enhancement shall be added to the standard sentence range for the felony crimes of RCW 9A.44.073, 9A.44.076, 9A.44.079, 9A.44.083, 9A.44.086, or 9A.44.089 committed on or after July 22, 2007, if the offender engaged, agreed, or offered to engage the victim in the sexual conduct in return for a fee. If the offender is being sentenced for more than one offense, the one-year enhancement must be added to the total period of total confinement for all offenses, regardless of which underlying offense is subject to the enhancement. If the offender is being sentenced for an anticipatory offense for the felony crimes of RCW 9A.44.073, 9A.44.076, 9A.44.079, 9A.44.083, 9A.44.086, or 9A.44.089, and the offender attempted, solicited another, or conspired to engage, agree, or offer to engage the victim in the sexual conduct in return for a fee, an additional one-year enhancement shall be added to the standard sentence range determined under subsection (2) of this section. For purposes of this subsection, "sexual conduct" means sexual intercourse or sexual contact, both as defined in chapter 9A.44 RCW.

(10)(a) For a person age eighteen or older convicted of any criminal street gang-related felony offense for which the person compensated, threatened, or solicited a minor in order to involve the minor in the commission of the felony offense, the standard sentence range is determined by locating the sentencing grid sentence range defined by the appropriate offender score and the seriousness level of the completed crime, and multiplying the range by one hundred twenty-five percent. If the standard sentence range under this subsection exceeds the statutory maximum sentence for the offense, the statutory maximum sentence is the presumptive sentence unless the offender is a persistent offender.

(b) This subsection does not apply to any criminal street gang-related felony offense for which involving a minor in the commission of the felony offense is an element of the offense.

(c) The increased penalty specified in (a) of this subsection is unavailable in the event that the prosecution gives notice that it will seek an exceptional sentence based on an aggravating factor under RCW 9.94A.535.

(11) An additional twelve months and one day shall be added to the standard sentence range for a conviction of attempting to elude a police vehicle as defined by RCW 46.61.024, if the conviction included a finding by special allegation of endangering one or more persons under RCW 9.94A.834.

(12) An additional twelve months shall be added to the standard sentence range for an offense that is also a violation of RCW 9.94A.831.

(13) An additional twelve months shall be added to the standard sentence range for vehicular homicide committed while under the influence of intoxicating liquor or any drug as defined by RCW 46.61.520 or for vehicular assault committed while under the influence of intoxicating liquor or any drug as defined by RCW 46.61.522, or for any felony driving under the influence (RCW 46.61.502(6)) or felony physical control under the influence (RCW 46.61.504(6)) for each child passenger under the age of sixteen who is an occupant in the defendant's vehicle. These enhancements shall be mandatory, shall be served in total confinement, and shall run consecutively to all other sentencing provisions, including other minor child enhancements, for all offenses sentenced under this chapter. If the addition of a minor child enhancement increases the sentence so that it would exceed the statutory maximum for the offense, the portion of the sentence representing the enhancement ~~((may not be reduced))~~ shall be mandatory, shall be served in total confinement, and shall run consecutively to all other sentencing provisions.

(14) An additional twelve months shall be added to the standard sentence range for an offense that is also a violation of RCW 9.94A.832.

**Sec. 6.** RCW 9.94A.729 and 2015 c 134 s 4 are each amended to read as follows:

(1)(a) The term of the sentence of an offender committed to a correctional facility operated by the department may be reduced by earned release time in accordance with procedures that shall be developed and adopted by the correctional agency having jurisdiction in which the offender is confined. The earned release time shall be for good behavior and good performance, as determined by the correctional agency having jurisdiction. The correctional agency shall not credit the offender with earned release credits in advance of the offender actually earning the credits.

(b) Any program established pursuant to this section shall allow an offender to earn early release credits for presentence incarceration. If an offender is transferred from a county jail to the department, the administrator of a county

jail facility shall certify to the department the amount of time spent in custody at the facility and the number of days of early release credits lost or not earned. The department may approve a jail certification from a correctional agency that calculates early release time based on the actual amount of confinement time served by the offender before sentencing when an erroneous calculation of confinement time served by the offender before sentencing appears on the judgment and sentence. The department must adjust an offender's rate of early release listed on the jail certification to be consistent with the rate applicable to offenders in the department's facilities. However, the department is not authorized to adjust the number of presentence early release days that the jail has certified as lost or not earned.

(2)(a) An offender who has been convicted of a felony committed after July 23, 1995, that involves any applicable deadly weapon enhancements under RCW 9.94A.533 (3) or (4), or both, shall not receive any good time credits or earned release time for that portion of his or her sentence that results from any deadly weapon enhancements.

(b) An offender whose sentence includes any impaired driving enhancements under RCW 9.94A.533(7), minor child enhancements under RCW 9.94A.533(13), or both, shall not receive any good time credits or earned release time for any portion of his or her sentence that results from those enhancements.

(3) An offender may earn early release time as follows:

(a) In the case of an offender sentenced pursuant to RCW 10.95.030(3) or 10.95.035, the offender may not receive any earned early release time during the minimum term of confinement imposed by the court; for any remaining portion of the sentence served by the offender, the aggregate earned release time may not exceed ten percent of the sentence.

(b) In the case of an offender convicted of a serious violent offense, or a sex offense that is a class A felony, committed on or after July 1, 1990, and before July 1, 2003, the aggregate earned release time may not exceed fifteen percent of the sentence.

(c) In the case of an offender convicted of a serious violent offense, or a sex offense that is a class A felony, committed on or after July 1, 2003, the aggregate earned release time may not exceed ten percent of the sentence.

(d) An offender is qualified to earn up to fifty percent of aggregate earned release time if he or she:

(i) Is not classified as an offender who is at a high risk to reoffend as provided in subsection (4) of this section;

(ii) Is not confined pursuant to a sentence for:

(A) A sex offense;

(B) A violent offense;

(C) A crime against persons as defined in RCW 9.94A.411;

(D) A felony that is domestic violence as defined in RCW 10.99.020;

(E) A violation of RCW 9A.52.025 (residential burglary);

(F) A violation of, or an attempt, solicitation, or conspiracy to violate, RCW 69.50.401 by manufacture or delivery or possession with intent to deliver methamphetamine; or

(G) A violation of, or an attempt, solicitation, or conspiracy to violate, RCW 69.50.406 (delivery of a controlled substance to a minor);

(iii) Has no prior conviction for the offenses listed in (d)(ii) of this subsection;

(iv) Participates in programming or activities as directed by the offender's individual reentry plan as provided under RCW 72.09.270 to the extent that such programming or activities are made available by the department; and

(v) Has not committed a new felony after July 22, 2007, while under community custody.

(e) In no other case shall the aggregate earned release time exceed one-third of the total sentence.

(4) The department shall perform a risk assessment of each offender who may qualify for earned early release under subsection (3)(d) of this section utilizing the risk assessment tool recommended by the Washington state institute for public policy. Subsection (3)(d) of this section does not apply to offenders convicted after July 1, 2010.

(5)(a) A person who is eligible for earned early release as provided in this section and who will be supervised by the department pursuant to RCW 9.94A.501 or 9.94A.5011, shall be transferred to community custody in lieu of earned release time;

(b) The department shall, as a part of its program for release to the community in lieu of earned release, require the offender to propose a release plan that includes an approved residence and living arrangement. All offenders with community custody terms eligible for release to community custody in lieu of earned release shall provide an approved residence and living arrangement prior to release to the community;

(c) The department may deny transfer to community custody in lieu of earned release time if the department determines an offender's release plan, including proposed residence location and living arrangements, may violate the conditions of the sentence or conditions of supervision, place the offender at risk to violate the conditions of the sentence, place the offender at risk to reoffend, or present a risk to victim safety or community safety. The department's authority under this section is independent of any court-ordered condition of sentence or statutory provision regarding conditions for community custody;

(d) If the department is unable to approve the offender's release plan, the department may do one or more of the following:

(i) Transfer an offender to partial confinement in lieu of earned early release for a period not to exceed three months. The three months in partial confinement is in

addition to that portion of the offender's term of confinement that may be served in partial confinement as provided in RCW 9.94A.728(~~(5))~~ (1)(e);

(ii) Provide rental vouchers to the offender for a period not to exceed three months if rental assistance will result in an approved release plan.

A voucher must be provided in conjunction with additional transition support programming or services that enable an offender to participate in services including, but not limited to, substance abuse treatment, mental health treatment, sex offender treatment, educational programming, or employment programming;

(e) The department shall maintain a list of housing providers that meets the requirements of RCW 72.09.285. If more than two voucher recipients will be residing per dwelling unit, as defined in RCW 59.18.030, rental vouchers for those recipients may only be paid to a housing provider on the department's list;

(f) For each offender who is the recipient of a rental voucher, the department shall gather data as recommended by the Washington state institute for public policy in order to best demonstrate whether rental vouchers are effective in reducing recidivism.

(6) An offender serving a term of confinement imposed under RCW 9.94A.670(5)(a) is not eligible for earned release credits under this section.

**Sec. 7.** RCW 10.21.055 and 2016 c 203 s 16 are each amended to read as follows:

(1)(a) When any person charged with a violation of RCW 46.61.502, 46.61.504, 46.61.520, or 46.61.522, in which the person has a prior offense as defined in RCW 46.61.5055 and the current offense involves alcohol, is released from custody at arraignment or trial on bail or personal recognizance, the court authorizing the release shall require, as a condition of release that person comply with one of the following four requirements:

(i) Have a functioning ignition interlock device installed on all motor vehicles operated by the person, with proof of installation filed with the court by the person or the certified interlock provider within five business days of the date of release from custody or as soon thereafter as determined by the court based on availability within the jurisdiction; or

(ii) Comply with 24/7 sobriety program monitoring, as defined in RCW 36.28A.330; or

(iii) Have an ignition interlock device on all motor vehicles operated by the person pursuant to (a)(i) of this subsection and submit to 24/7 sobriety program monitoring pursuant to (a)(ii) of this subsection, if available, or alcohol monitoring, at the expense of the person, as provided in RCW 46.61.5055(5) (b) and (c); or

(iv) Have an ignition interlock device on all motor vehicles operated by the person and that such person agrees not to operate any motor vehicle without an ignition interlock device as required by the court. Under this subsection (1)(a)(iv), the person must file a sworn statement

with the court upon release at arraignment that states the person will not operate any motor vehicle without an ignition interlock device while the ignition interlock restriction is imposed by the court. Such person must also submit to 24/7 sobriety program monitoring pursuant to (a)(ii) of this subsection, if available, or alcohol monitoring, at the expense of the person, as provided in RCW 46.61.5055(5) (b) and (c).

(b) The court shall immediately notify the department of licensing when an ignition interlock restriction is imposed ~~((: (i) As))~~ as a condition of release ~~((pursuant to (a) of this subsection:))~~ or ~~((: (ii)))~~ after conviction in instances where a person is charged with, or convicted of, a violation of RCW 46.61.502, 46.61.504, 46.61.520, or 46.61.522 ~~((, and the offense involves alcohol))~~. If the court imposes an ignition interlock restriction, the department of licensing shall attach or imprint a notation on the driving record of any person restricted under this section stating that the person may operate only a motor vehicle equipped with a functioning ignition interlock device.

(2)(a) Upon acquittal or dismissal of all pending or current charges relating to a violation of RCW 46.61.502, 46.61.504, 46.61.520, or 46.61.522, or equivalent local ordinance, the court shall authorize removal of the ignition interlock device and lift any requirement to comply with electronic alcohol/drug monitoring imposed under subsection (1) of this section. Nothing in this section limits the authority of the court or department under RCW 46.20.720.

(b) If the court authorizes removal of an ignition interlock device imposed under this section, the court shall immediately notify the department of licensing regarding the lifting of the ignition interlock restriction and the department of licensing shall release any attachment, imprint, or notation on such person's driving record relating to the ignition interlock requirement imposed under this section.

(3) When an ignition interlock restriction imposed as a condition of release is canceled, the court shall provide a defendant with a written order confirming release of the restriction. The written order shall serve as proof of release of the restriction until which time the department of licensing updates the driving record.

**Sec. 8.** RCW 38.52.430 and 2012 c 183 s 6 are each amended to read as follows:

A person whose intoxication causes an incident resulting in an appropriate emergency response, and who, in connection with the incident, has been found guilty of or has had their prosecution deferred for (1) driving while under the influence of intoxicating liquor or any drug, RCW 46.61.502; (2) physical control of a motor vehicle while under the influence of intoxicating liquor or any drug, RCW 46.61.504; (3) operating an aircraft under the influence of intoxicants or drugs, RCW 47.68.220; ~~((: (3)))~~ (4) use of a vessel while under the influence of alcohol or drugs, RCW 79A.60.040; ~~((: (4)))~~ (5) vehicular homicide while under the influence of intoxicating liquor or any drug, RCW 46.61.520(1)(a); or ~~((: (5)))~~ (6) vehicular assault while under the influence of intoxicating liquor or any drug, RCW

46.61.522(1)(b), is liable for the expense of an emergency response by a public agency to the incident.

The expense of an emergency response is a charge against the person liable for expenses under this section. The charge constitutes a debt of that person and is collectible by the public agency incurring those costs in the same manner as in the case of an obligation under a contract, expressed or implied. Following a conviction of an offense listed in this section, and prior to sentencing, the prosecution may present to the court information setting forth the expenses incurred by the public agency for its emergency response to the incident. Upon a finding by the court that the expenses are reasonable, the court shall order the defendant to reimburse the public agency. The cost reimbursement shall be included in the sentencing order as an additional monetary obligation of the defendant and may not be substituted for any other fine or cost required or allowed by statute. The court may establish a payment schedule for the payment of the cost reimbursement, separate from any payment schedule imposed for other fines and costs. All payments for the cost reimbursement must be remitted directly to the public agency or agencies that incurred the cost associated with the emergency response.

In no event shall a person's liability under this section for the expense of an emergency response exceed two thousand five hundred dollars for a particular incident.

If more than one public agency makes a claim for payment from an individual for an emergency response to a single incident under the provisions of this section, and the sum of the claims exceeds the amount recovered, the division of the amount recovered shall be determined by an interlocal agreement consistent with the requirements of chapter 39.34 RCW.

**Sec. 9.** RCW 46.20.245 and 2005 c 288 s 1 are each amended to read as follows:

(1) Whenever the department proposes to withhold the driving privilege of a person or disqualify a person from operating a commercial motor vehicle and this action is made mandatory by the provisions of this chapter or other law, the department must give notice to the person in writing by posting in the United States mail, appropriately addressed, postage prepaid, or by personal service. Notice by mail is given upon deposit in the United States mail. Notice given under this subsection must specify the date upon which the driving privilege is to be withheld which shall not be less than forty-five days after the original notice is given.

(2) For persons subject to suspension, revocation, or denial of a driver's license who are eligible for full credit under RCW 46.61.5055(9)(b)(ii), the notice in subsection (1) of this section must also notify the person of the obligation to complete the requirements under RCW 46.20.311 and pay the probationary license fee under RCW 46.20.355 by the date specified in the notice in order to avoid license suspension.

(3) Within fifteen days after notice has been given to a person under subsection (1) of this section, the person may request in writing an administrative review before the

department. If the request is mailed, it must be postmarked within fifteen days after the date the department has given notice. If a person fails to request an administrative review within fifteen days after the date the department gives notice, the person is considered to have defaulted and loses his or her right to an administrative review unless the department finds good cause for a request after the fifteen-day period.

(a) An administrative review under this subsection shall consist solely of an internal review of documents and records submitted or available to the department, unless the person requests an interview before the department, in which case all or any part of the administrative review may, at the discretion of the department, be conducted by telephone or other electronic means.

(b) The only issues to be addressed in the administrative review are:

(i) Whether the records relied on by the department identify the correct person; and

(ii) Whether the information transmitted from the court or other reporting agency or entity regarding the person accurately describes the action taken by the court or other reporting agency or entity.

(c) For the purposes of this section, the notice received from a court or other reporting agency or entity, regardless of form or format, is prima facie evidence that the information from the court or other reporting agency or entity regarding the person is accurate. A person requesting administrative review has the burden of showing by a preponderance of the evidence that the person is not subject to the withholding of the driving privilege.

(d) The action subject to the notification requirements of subsection (1) of this section shall be stayed during the administrative review process.

(e) Judicial review of a department order affirming the action subject to the notification requirements of subsection (1) of this section after an administrative review shall be available in the same manner as provided in RCW 46.20.308~~((4))~~ (8). The department shall certify its record to the court within thirty days after service upon the department of the petition for judicial review. The action subject to the notification requirements of subsection (1) of this section shall not automatically be stayed during the judicial review. If judicial relief is sought for a stay or other temporary remedy from the department's action, the court shall not grant relief unless the court finds that the appellant is likely to prevail in the appeal and that without a stay the appellant will suffer irreparable injury.

~~((3))~~ (4) The department may adopt rules that are considered necessary or convenient by the department for purposes of administering this section, including, but not limited to, rules regarding expedited procedures for issuing orders and expedited notice procedures.

~~((4))~~ (5) This section does not apply where an opportunity for an informal settlement, driver improvement interview, or formal hearing is otherwise provided by law or rule of the department.

**Sec. 10.** RCW 46.20.3101 and 2016 c 203 s 18 are each amended to read as follows:

Pursuant to RCW 46.20.308, the department shall suspend, revoke, or deny the arrested person's license, permit, or privilege to drive as follows:

(1) In the case of a person who has refused a test or tests:

(a) For a first refusal within seven years, where there has not been a previous incident within seven years that resulted in administrative action under this section, revocation or denial for one year;

(b) For a second or subsequent refusal within seven years, or for a first refusal where there has been one or more previous incidents within seven years that have resulted in administrative action under this section, revocation or denial for two years or until the person reaches age twenty-one, whichever is longer.

(2) In the case of an incident where a person has submitted to or been administered a test or tests indicating that the alcohol concentration of the person's breath or blood was 0.08 or more, or that the THC concentration of the person's blood was 5.00 or more:

(a) For a first incident within seven years, where there has not been a previous incident within seven years that resulted in administrative action under this section, suspension for ninety days, unless the person successfully completes or is enrolled in a pretrial 24/7 sobriety program;

(b) For a second or subsequent incident within seven years, revocation or denial for two years.

(3) In the case of an incident where a person under age twenty-one has submitted to or been administered a test or tests indicating that the alcohol concentration of the person's breath or blood was 0.02 or more, or that the THC concentration of the person's blood was above 0.00:

(a) For a first incident within seven years, suspension or denial for ninety days;

(b) For a second or subsequent incident within seven years, revocation or denial for one year or until the person reaches age twenty-one, whichever is longer.

(4) The department shall grant credit on a day-for-day basis for ~~((any portion of))~~ a suspension, revocation, or denial ~~((already served))~~ imposed under this section for any portion of a suspension, revocation, or denial ~~((imposed))~~ already served under RCW 46.61.5055 arising out of the same incident. If a person has already served a suspension, revocation, or denial under RCW 46.61.5055 for a period equal to or greater than the period imposed under this section, the department shall provide notice of full credit, shall provide for no further suspension or revocation under this section, and shall impose no additional reissue fees for this credit.

**Sec. 11.** RCW 46.20.311 and 2016 c 203 s 12 are each amended to read as follows:

(1)(a) The department shall not suspend a driver's license or privilege to drive a motor vehicle on the public

highways for a fixed period of more than one year, except as specifically permitted under RCW 46.20.267, 46.20.342, or other provision of law.

(b) Except for a suspension under RCW 46.20.267, 46.20.289, 46.20.291(5), 46.61.740, or 74.20A.320, whenever the license or driving privilege of any person is suspended by reason of a conviction, a finding that a traffic infraction has been committed, pursuant to chapter 46.29 RCW, or pursuant to RCW 46.20.291 or 46.20.308, the suspension shall remain in effect until the person gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW.

(c) If the suspension is the result of a nonfelony violation of RCW 46.61.502 or 46.61.504, the department shall determine the person's eligibility for licensing based upon the reports provided by the ~~((alcoholism))~~ substance use disorder agency or probation department designated under RCW 46.61.5056 and shall deny reinstatement until enrollment and participation in an approved program has been established and the person is otherwise qualified. If the suspension is the result of a violation of RCW 46.61.502(6) or 46.61.504(6), the department shall determine the person's eligibility for licensing based upon the reports provided by the ~~((alcohol or drug dependency))~~ substance use disorder agency required under RCW 46.61.524 and shall deny reinstatement until satisfactory progress in an approved program has been established and the person is otherwise qualified. If the suspension is the result of a violation of RCW 46.61.502 or 46.61.504, and the person is required pursuant to RCW 46.20.720 to drive only a motor vehicle equipped with a functioning ignition interlock, the department shall determine the person's eligibility for licensing based upon written verification by a company doing business in the state that it has installed the required device on a vehicle owned or operated by the person seeking reinstatement. The department may waive the requirement for written verification under this subsection if it determines to its satisfaction that a device previously verified as having been installed on a vehicle owned or operated by the person is still installed and functioning or as permitted by RCW 46.20.720(8). If, based upon notification from the interlock provider or otherwise, the department determines that an interlock required under RCW 46.20.720 is no longer installed or functioning as required, the department shall suspend the person's license or privilege to drive. Whenever the license or driving privilege of any person is suspended or revoked as a result of noncompliance with an ignition interlock requirement, the suspension shall remain in effect until the person provides notice issued by a company doing business in the state that a vehicle owned or operated by the person is equipped with a functioning ignition interlock device.

(d) Whenever the license or driving privilege of any person is suspended as a result of certification of noncompliance with a child support order under chapter 74.20A RCW, the suspension shall remain in effect until the person provides a release issued by the department of social and health services stating that the person is in compliance with the order.

(e)(i) The department shall not issue to the person a new, duplicate, or renewal license until the person pays a reissue fee of seventy-five dollars.

(ii) ~~((H))~~ Except as provided in subsection (4) of this section, if the suspension is the result of a violation of RCW 46.61.502 or 46.61.504, or is the result of administrative action under RCW 46.20.308, the reissue fee shall be one hundred ~~((fifty))~~ seventy dollars.

(2)(a) Any person whose license or privilege to drive a motor vehicle on the public highways has been revoked, unless the revocation was for a cause which has been removed, is not entitled to have the license or privilege renewed or restored until: (i) After the expiration of one year from the date the license or privilege to drive was revoked; (ii) after the expiration of the applicable revocation period provided by RCW 46.20.3101 or 46.61.5055; (iii) after the expiration of two years for persons convicted of vehicular homicide; or (iv) after the expiration of the applicable revocation period provided by RCW 46.20.265.

(b)(i) After the expiration of the appropriate period, the person may make application for a new license as provided by law together with a reissue fee in the amount of seventy-five dollars.

(ii) ~~((H))~~ Except as provided in subsection (4) of this section, if the revocation is the result of a violation of RCW 46.20.308, 46.61.502, or 46.61.504, the reissue fee shall be one hundred ~~((fifty))~~ seventy dollars. If the revocation is the result of a nonfelony violation of RCW 46.61.502 or 46.61.504, the department shall determine the person's eligibility for licensing based upon the reports provided by the ~~((alcoholism))~~ substance use disorder agency or probation department designated under RCW 46.61.5056 and shall deny reissuance of a license, permit, or privilege to drive until enrollment and participation in an approved program has been established and the person is otherwise qualified. If the suspension is the result of a violation of RCW 46.61.502(6) or 46.61.504(6), the department shall determine the person's eligibility for licensing based upon the reports provided by the ~~((alcohol or drug dependency))~~ substance use disorder agency required under RCW 46.61.524 and shall deny reinstatement until satisfactory progress in an approved program has been established and the person is otherwise qualified. If the revocation is the result of a violation of RCW 46.61.502 or 46.61.504, and the person is required pursuant to RCW 46.20.720 to drive only a motor vehicle equipped with a functioning ignition interlock or other biological or technical device, the department shall determine the person's eligibility for licensing based upon written verification by a company doing business in the state that it has installed the required device on a vehicle owned or operated by the person applying for a new license. The department may waive the requirement for written verification under this subsection if it determines to its satisfaction that a device previously verified as having been installed on a vehicle owned or operated by the person is still installed and functioning or as permitted by RCW 46.20.720(8). If, following issuance of a new license, the department determines, based upon notification from the interlock provider or otherwise, that an interlock required under RCW 46.20.720 is no longer

functioning, the department shall suspend the person's license or privilege to drive until the department has received written verification from an interlock provider that a functioning interlock is installed.

(c) Except for a revocation under RCW 46.20.265, the department shall not then issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant the privilege of driving a motor vehicle on the public highways, and until the person gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW. For a revocation under RCW 46.20.265, the department shall not issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant that person the privilege of driving a motor vehicle on the public highways.

(3)(a) Whenever the driver's license of any person is suspended pursuant to Article IV of the nonresident violators compact or RCW 46.23.020 or 46.20.289 or 46.20.291(5), the department shall not issue to the person any new or renewal license until the person pays a reissue fee of seventy-five dollars.

(b) ~~((f))~~ Except as provided in subsection (4) of this section, if the suspension is the result of a violation of the laws of this or any other state, province, or other jurisdiction involving (i) the operation or physical control of a motor vehicle upon the public highways while under the influence of intoxicating liquor or drugs, or (ii) the refusal to submit to a chemical test of the driver's blood alcohol content, the reissue fee shall be one hundred ~~((fifty))~~ seventy dollars.

(4) When the department reinstates a person's driver's license following a suspension, revocation, or denial under RCW 46.20.3101 or 46.61.5055, and the person is entitled to full day-for-day credit under RCW 46.20.3101(4) or 46.61.5055(9)(b)(ii) for an additional restriction arising from the same incident, the department shall impose no additional reissue fees under subsection (1)(e)(ii), (2)(b)(ii), or (3)(b) of this section associated with the additional restriction.

**Sec. 12.** RCW 46.20.355 and 1998 c 209 s 3 and 1998 c 41 s 5 are each reenacted and amended to read as follows:

(1) Upon receipt of an abstract indicating a deferred prosecution has been granted under RCW 10.05.060, or upon receipt of a notice of conviction of RCW 46.61.502 or 46.61.504, the department of licensing shall order the person to surrender any nonprobationary Washington state driver's license that may be in his or her possession. The department shall revoke the license, permit, or privilege to drive of any person who fails to surrender it as required by this section for one year, unless the license has been previously surrendered to the department, a law enforcement officer, or a court, or the person has completed an affidavit of lost, stolen, destroyed, or previously surrendered license, such revocation to take effect thirty days after notice is given of the requirement for license surrender.

(2) The department shall place a person's driving privilege in probationary status as required by RCW

10.05.060 or 46.61.5055 for a period of five years from the date the probationary status is required to go into effect.

(3) Following receipt of an abstract indicating a deferred prosecution has been granted under RCW 10.05.060, or upon reinstatement or reissuance of a driver's license suspended or revoked as the result of a conviction of RCW 46.61.502 or 46.61.504, the department shall require the person to obtain a probationary license in order to operate a motor vehicle in the state of Washington, except as otherwise exempt under RCW 46.20.025. The department shall not issue the probationary license unless the person is otherwise qualified for licensing, and the person must renew the probationary license on the same cycle as the person's regular license would have been renewed until the expiration of the five-year probationary status period imposed under subsection (2) of this section.

(4) If a person is eligible for full credit under RCW 46.61.5055(9)(b)(ii) and, by the date specified in the notice issued under RCW 46.20.245, has completed the requirements under RCW 46.20.311 and paid the fee under subsection (5) of this section, the department shall issue a probationary license on the date specified in the notice with no further action required of the person.

(5) For each original issue or renewal of a probationary license under this section, the department shall charge a fee of fifty dollars in addition to any other licensing fees required. Except for when renewing a probationary license, the department shall waive the requirement to obtain an additional probationary license and the fifty dollar fee if the person has a probationary license in his or her possession at the time a new probationary license is required.

~~((5))~~ (6) A probationary license shall enable the department and law enforcement personnel to determine that the person is on probationary status. The fact that a person's driving privilege is in probationary status or that the person has been issued a probationary license shall not be a part of the person's record that is available to insurance companies.

**Sec. 13.** RCW 46.20.385 and 2017 c 336 s 4 are each amended to read as follows:

(1)(a) Any person licensed under this chapter or who has a valid driver's license from another state, who is convicted of: (i) A violation of RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state statute or ordinance, or (ii) a violation of RCW 46.61.520(1)(a) or an equivalent local or out-of-state statute or ordinance, or (iii) a conviction for a violation of RCW 46.61.520(1) (b) or (c) if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.520(1)(a), or (iv) RCW 46.61.522(1)(b) or an equivalent local or out-of-state statute or ordinance, or (v) RCW 46.61.522(1) (a) or (c) if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.522(1)(b) committed while under the influence of intoxicating liquor or any drug, or (vi) who has had or will have his or her license suspended, revoked, or denied under RCW 46.20.3101, or who is otherwise permitted under subsection (8) of this section, may submit to the department an application for an ignition interlock driver's license. The department, upon receipt of the prescribed fee and upon determining that the petitioner

is eligible to receive the license, may issue an ignition interlock driver's license.

(b) A person may apply for an ignition interlock driver's license anytime, including immediately after receiving the notices under RCW 46.20.308 or after his or her license is suspended, revoked, or denied.

(c) An applicant under this subsection shall provide proof to the satisfaction of the department that a functioning ignition interlock device has been installed on all vehicles operated by the person.

(i) The department shall require the person to maintain the device on all vehicles operated by the person and shall restrict the person to operating only vehicles equipped with the device, for the remainder of the period of suspension, revocation, or denial, unless otherwise permitted under RCW 46.20.720(6).

(ii) Subject to any periodic renewal requirements established by the department under this section and subject to any applicable compliance requirements under this chapter or other law, an ignition interlock driver's license granted upon a suspension or revocation under RCW 46.61.5055 or 46.20.3101 extends through the remaining portion of any concurrent or consecutive suspension or revocation that may be imposed as the result of administrative action and criminal conviction arising out of the same incident.

(2) An applicant for an ignition interlock driver's license who qualifies under subsection (1) of this section is eligible to receive a license only if the applicant files satisfactory proof of financial responsibility under chapter 46.29 RCW.

(3) Upon receipt of evidence that a holder of an ignition interlock driver's license granted under this subsection no longer has a functioning ignition interlock device installed on all vehicles operated by the driver, the director shall give written notice by first-class mail to the driver that the ignition interlock driver's license shall be canceled. If at any time before the cancellation goes into effect the driver submits evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver, the cancellation shall be stayed. If the cancellation becomes effective, the driver may obtain, at no additional charge, a new ignition interlock driver's license upon submittal of evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver.

(4) A person aggrieved by the decision of the department on the application for an ignition interlock driver's license may request a hearing as provided by rule of the department.

(5) The director shall cancel an ignition interlock driver's license after receiving notice that the holder thereof has been convicted of operating a motor vehicle in violation of its restrictions, no longer meets the eligibility requirements, or has been convicted of or found to have committed a separate offense or any other act or omission that under this chapter would warrant suspension or

revocation of a regular driver's license. The department must give notice of the cancellation as provided under RCW 46.20.245. A person whose ignition interlock driver's license has been canceled under this section may reapply for a new ignition interlock driver's license if he or she is otherwise qualified under this section and pays the fee required under RCW 46.20.380.

(6)(a) Unless costs are waived by the ignition interlock company or the person is indigent under RCW 10.101.010, the applicant shall pay the cost of installing, removing, and leasing the ignition interlock device and shall pay an additional fee of ~~((twenty))~~ twenty-one dollars per month. Payments shall be made directly to the ignition interlock company. The company shall remit the additional fee to the department, except that the company may retain twenty-five cents per month of the additional fee to cover the expenses associated with administering the fee.

(b) The department shall deposit the proceeds of the ~~((twenty))~~ twenty-one dollar fee into the ignition interlock device revolving account. Expenditures from the account may be used only to administer and operate the ignition interlock device revolving account program. The department shall adopt rules to provide monetary assistance according to greatest need and when funds are available.

(7) The department shall adopt rules to implement ignition interlock licensing. The department shall consult with the administrative office of the courts, the state patrol, the Washington association of sheriffs and police chiefs, ignition interlock companies, and any other organization or entity the department deems appropriate.

(8)(a) Any person licensed under this chapter who is convicted of a violation of RCW 46.61.500 when the charge was originally filed as a violation of RCW 46.61.502 or 46.61.504, or an equivalent local ordinance, may submit to the department an application for an ignition interlock driver's license under this section.

(b) A person who does not have any driver's license under this chapter, but who would otherwise be eligible under this section to apply for an ignition interlock license, may submit to the department an application for an ignition interlock license. The department may require the person to take any driver's licensing examination under this chapter and may require the person to also apply and qualify for a temporary restricted driver's license under RCW 46.20.391.

**Sec. 14.** RCW 46.20.720 and 2019 c 232 s 22 are each amended to read as follows:

(1) **Ignition interlock restriction.** The department shall require that a person may drive only a motor vehicle equipped with a functioning ignition interlock device:

(a) **Pretrial release.** Upon receipt of notice from a court that an ignition interlock device restriction has been imposed under RCW 10.21.055;

(b) **Ignition interlock driver's license.** As required for issuance of an ignition interlock driver's license under RCW 46.20.385;

(c) **Deferred prosecution.** Upon receipt of notice from a court that the person is participating in a deferred prosecution program under RCW 10.05.020 for a violation of:

(i) RCW 46.61.502 or 46.61.504 or an equivalent local ordinance; or

(ii) RCW 46.61.5249 or 46.61.500 or an equivalent local ordinance if the person would be required under RCW 46.61.5249(4) or 46.61.500(3) (a) or (b) to install an ignition interlock device on all vehicles operated by the person in the event of a conviction;

(d) **Post conviction.** After any applicable period of mandatory suspension, revocation, or denial of driving privileges, or upon fulfillment of day-for-day credit under RCW 46.61.5055(9)(b)(ii) for a suspension, revocation, or denial of driving privileges:

(i) Due to a conviction of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state statute or ordinance; or

(ii) Due to a conviction of a violation of RCW 46.61.5249 or 46.61.500 or an equivalent local ordinance if the person is required under RCW 46.61.5249(4) or 46.61.500(3) (a) or (b) to install an ignition interlock device on all vehicles operated by the person; or

(e) **Court order.** Upon receipt of an order by a court having jurisdiction that a person charged or convicted of any offense involving the use, consumption, or possession of alcohol while operating a motor vehicle may drive only a motor vehicle equipped with a functioning ignition interlock. The court shall establish a specific ~~((calibration setting))~~ alcohol set point at which the ignition interlock will prevent the vehicle from being started. The court shall also establish the period of time for which ignition interlock use will be required.

(2) ~~((Calibration))~~ **Alcohol set point.** Unless otherwise specified by the court for a restriction imposed under subsection (1)(e) of this section, the ignition interlock device shall ~~((be calibrated to prevent))~~ have an alcohol set point that prevents the motor vehicle from being started when the breath sample provided has an alcohol concentration of ~~((0.025))~~ 0.020 or more.

(3) **Duration of restriction.** A restriction imposed under:

(a) Subsection (1)(a) of this section shall remain in effect until:

(i) The court has authorized the removal of the device under RCW 10.21.055; or

(ii) The department has imposed a restriction under subsection (1)(b), (c), or (d) of this section arising out of the same incident.

(b) Subsection (1)(b) of this section remains in effect during the validity of any ignition interlock driver's license that has been issued to the person.

(c) Subsection (1)(c)(i) or (d)(i) of this section shall be for no less than:

(i) For a person who has not previously been restricted under this subsection, a period of one year;

(ii) For a person who has previously been restricted under (c)(i) of this subsection, a period of five years;

(iii) For a person who has previously been restricted under (c)(ii) of this subsection, a period of ten years.

The restriction of a person who is convicted of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local ordinance and who committed the offense while ~~((a passenger))~~ one or more passengers under the age of sixteen ~~((was))~~ were in the vehicle shall be extended for an additional ~~((six-month))~~ period as required by RCW 46.61.5055(6)(a).

(d) Subsection (1)(c)(ii) or (d)(ii) of this section shall be for a period of no less than six months.

(e) The period of restriction under (c) or (d) of this subsection shall be extended by one hundred eighty days whenever the department receives notice that the restricted person has been convicted under RCW 46.20.740 or 46.20.750. If the period of restriction under (c) or (d) of this subsection has been fulfilled and cannot be extended, the department must add a new one hundred eighty-day restriction that is imposed from the date of conviction and is subject to the requirements for removal under subsection (4) of this section.

(f) Subsection (1)(e) of this section shall remain in effect for the period of time specified by the court.

(g) The period of restriction under (c) and (d) of this subsection based on incidents occurring on or after June 9, 2016, must be tolled for any period in which the person does not have an ignition interlock device installed on a vehicle owned or operated by the person unless the person receives a determination from the department that the person is unable to operate an ignition interlock device due to a physical disability. The department's determination that a person is unable to operate an ignition interlock device must be reasonable and be based upon good and substantial evidence. This determination is subject to review by a court of competent jurisdiction. The department may charge a person seeking a medical exemption under this subsection a reasonable fee for the assessment.

(4) **Requirements for removal.** A restriction imposed under subsection (1)(c) or (d) of this section shall remain in effect until the department receives a declaration from the person's ignition interlock device vendor, in a form provided or approved by the department, certifying ~~((that))~~ the following:

(a) That there have been none of the following incidents in the one hundred eighty consecutive days prior to the date of release:

~~((a))~~ (i) Any attempt to start the vehicle with a breath alcohol concentration of 0.04 or more unless a subsequent test performed within ten minutes registers a breath alcohol concentration lower than 0.04 and the digital image confirms the same person provided both samples;

~~((b))~~ (ii) Failure to take any random test unless a review of the digital image confirms that the vehicle was not occupied by the driver at the time of the missed test;

~~((c))~~ (iii) Failure to pass any random retest with a breath alcohol concentration of ~~((0.025 or))~~ lower than 0.020 unless a subsequent test performed within ten minutes registers a breath alcohol concentration lower than ~~((0.025))~~ 0.020, and the digital image confirms the same person provided both samples; ~~((e))~~

~~((d))~~ (iv) Failure of the person to appear at the ignition interlock device vendor when required for maintenance, repair, calibration, monitoring, inspection, or replacement of the device; or

(v) Removal of the ignition interlock device by a person other than an ignition interlock technician certified by the Washington state patrol; and

(b) That the ignition interlock device was inspected at the conclusion of the one hundred eighty-day period by an ignition interlock technician certified by the Washington state patrol and no evidence was found that the device was tampered with in the manner described in RCW 46.20.750.

(5) **Day-for-day credit.** (a) The time period during which a person has an ignition interlock device installed in order to meet the requirements of subsection (1)(b) of this section shall apply on a day-for-day basis toward satisfying the period of time the ignition interlock device restriction is imposed under subsection (1)(c) or (d) of this section arising out of the same incident.

(b) The department must also give the person a day-for-day credit for any time period, beginning from the date of the incident, during which the person kept an ignition interlock device installed on all vehicles the person operates, other than those subject to the employer exemption under subsection (6) of this section.

(c) If the day-for-day credit granted under this subsection equals or exceeds the period of time the ignition interlock device restriction is imposed under subsection (1)(c) or (d) of this section arising out of the same incident, and the person has already met the requirements for removal of the device under subsection (4) of this section, the department may waive the requirement that a device be installed or that the person again meet the requirements for removal.

(6) **Employer exemption.** (a) Except as provided in (b) of this subsection, the installation of an ignition interlock device is not necessary on vehicles owned, leased, or rented by a person's employer and on those vehicles whose care and/or maintenance is the temporary responsibility of the employer, and driven at the direction of a person's employer as a requirement of employment during working hours. The person must provide the department with a declaration pursuant to chapter 5.50 RCW from his or her employer stating that the person's employment requires the person to operate a vehicle owned by the employer or other persons during working hours. When the department receives a declaration under this subsection, it shall attach or imprint a

notation on the person's driving record stating that the employer exemption applies.

(b) The employer exemption does not apply when the employer's vehicle is assigned exclusively to the restricted driver and used solely for commuting to and from employment.

(7) **Ignition interlock device revolving account.** In addition to any other costs associated with the use of an ignition interlock device imposed on the person restricted under this section, the person shall pay an additional fee of ~~((twenty))~~ twenty-one dollars per month. Payments must be made directly to the ignition interlock company. The company shall remit the additional fee to the department to be deposited into the ignition interlock device revolving account, except that the company may retain twenty-five cents per month of the additional fee to cover the expenses associated with administering the fee. The department may waive the monthly fee if the person is indigent under RCW 10.101.010.

(8) **Foreign jurisdiction.** For a person restricted under this section who is residing outside of the state of Washington, the department may accept verification of installation of an ignition interlock device by an ignition interlock company authorized to do business in the jurisdiction in which the person resides, provided the device meets any applicable requirements of that jurisdiction. The department may waive one or more requirements for removal under subsection (4) of this section if compliance with the requirement or requirements would be impractical in the case of a person residing in another jurisdiction, provided the person is in compliance with any equivalent requirement of that jurisdiction. The department may waive the monthly fee required by subsection (7) of this section if collection of the fee would be impractical in the case of a person residing in another jurisdiction.

**Sec. 15.** RCW 46.20.740 and 2015 2nd sp.s. c 3 s 4 are each amended to read as follows:

(1) The department shall attach or imprint a notation on the driving record of any person restricted under RCW 46.20.720, 46.61.5055, or 10.05.140 stating that the person may operate only a motor vehicle equipped with a functioning ignition interlock device. The department shall determine the person's eligibility for licensing based upon written verification by a company doing business in the state that it has installed the required device on a vehicle owned or operated by the person seeking reinstatement. If, based upon notification from the interlock provider or otherwise, the department determines that an ignition interlock required under this section is no longer installed or functioning as required, the department shall suspend the person's license or privilege to drive. Whenever the license or driving privilege of any person is suspended or revoked as a result of noncompliance with an ignition interlock requirement, the suspension shall remain in effect until the person provides notice issued by a company doing business in the state that a vehicle owned or operated by the person is equipped with a functioning ignition interlock device.

(2) It is a gross misdemeanor for a person with such a notation on his or her driving record to operate a motor

vehicle that is not so equipped, unless the notation resulted from a restriction imposed as a condition of release and the restriction has been released by the court prior to driving. Any time a person is convicted under this section, the court shall immediately notify the department for purposes of RCW 46.20.720(3)(e).

(3) Any sentence imposed for a violation of subsection (2) of this section shall be served consecutively with any sentence imposed under RCW 46.20.750, 46.61.502, 46.61.504, or 46.61.5055.

**Sec. 16.** RCW 46.20.750 and 2015 2nd sp.s. c 3 s 6 are each amended to read as follows:

(1) A person who is restricted to the use of a vehicle equipped with an ignition interlock device is guilty of a gross misdemeanor if the restricted driver:

(a) Tampers with the device or any components of the device, or otherwise interferes with the proper functionality of the device, by modifying, detaching, disconnecting, or otherwise disabling it to allow the restricted driver to operate the vehicle;

(b) Uses or requests another person to use a filter or other device to circumvent the ignition interlock or to start or operate the vehicle to allow the restricted driver to operate the vehicle;

(c) Has, directs, authorizes, or requests another person to tamper with the device or any components of the device, or otherwise interfere with the proper functionality of the device, by modifying, detaching, disconnecting, or otherwise disabling it to allow the restricted driver to operate the vehicle; or

(d) Has, allows, directs, authorizes, or requests another person to blow or otherwise exhale into the device in order to circumvent the device to allow the restricted driver to operate the vehicle.

(2) A person who knowingly assists another person who is restricted to the use of a vehicle equipped with an ignition interlock device to circumvent the device or any components of the device, or otherwise interfere with the proper functionality of the device, or to start and operate that vehicle is guilty of a gross misdemeanor. The provisions of this subsection do not apply if the starting of a motor vehicle, or the request to start a motor vehicle, equipped with an ignition interlock device is done for the purpose of safety or mechanical repair of the device or the vehicle and the person subject to the court order does not operate the vehicle.

(3) Any sentence imposed for a violation of subsection (1) of this section shall be served consecutively with any sentence imposed under RCW 46.20.740, 46.61.502, 46.61.504, 46.61.5055, 46.61.520(1)(a), or 46.61.522(1)(b).

(4) Any time a person is convicted under subsection (1) of this section, the court shall immediately notify the department for purposes of RCW 46.20.720(3)(e).

**Sec. 17.** RCW 46.55.113 and 2011 c 167 s 6 are each amended to read as follows:

(1) Whenever the driver of a vehicle is arrested for a violation of RCW 46.20.342 or 46.20.345, the vehicle is subject to summary impoundment, pursuant to the terms and conditions of an applicable local ordinance or state agency rule at the direction of a law enforcement officer.

(2) In addition, a police officer may take custody of a vehicle, at his or her discretion, and provide for its prompt removal to a place of safety under any of the following circumstances:

(a) Whenever a police officer finds a vehicle standing upon the roadway in violation of any of the provisions of RCW 46.61.560, the officer may provide for the removal of the vehicle or require the driver or other person in charge of the vehicle to move the vehicle to a position off the roadway;

(b) Whenever a police officer finds a vehicle unattended upon a highway where the vehicle constitutes an obstruction to traffic or jeopardizes public safety;

(c) Whenever a police officer finds an unattended vehicle at the scene of an accident or when the driver of a vehicle involved in an accident is physically or mentally incapable of deciding upon steps to be taken to protect his or her property;

(d) Whenever the driver of a vehicle is arrested and taken into custody by a police officer;

(e) Whenever a police officer discovers a vehicle that the officer determines to be a stolen vehicle;

(f) Whenever a vehicle without a special license plate, placard, or decal indicating that the vehicle is being used to transport a person with disabilities under RCW 46.19.010 is parked in a stall or space clearly and conspicuously marked under RCW 46.61.581 which space is provided on private property without charge or on public property;

(g) Upon determining that a person is operating a motor vehicle without a valid and, if required, a specially endorsed driver's license or with a license that has been expired for ninety days or more;

(b) For each violation of mandatory conditions of probation under (a)(i), (ii), (iii), (iv), or (v) of this subsection, the court shall order the convicted person to be confined for thirty days, which shall not be suspended or deferred.

(c) For each incident involving a violation of a mandatory condition of probation imposed under this subsection, the license, permit, or privilege to drive of the person shall be suspended by the court for thirty days or, if such license, permit, or privilege to drive already is suspended, revoked, or denied at the time the finding of probation violation is made, the suspension, revocation, or denial then in effect shall be extended by thirty days. The court shall notify the department of any suspension, revocation, or denial or any extension of a suspension, revocation, or denial imposed under this subsection.

**(12) Waiver of electronic home monitoring.** A court may waive the electronic home monitoring requirements of this chapter when:

(a) The offender does not have a dwelling, telephone service, or any other necessity to operate an electronic home monitoring system. However, if a court determines that an alcohol monitoring device utilizing wireless reporting technology is reasonably available, the court may require the person to obtain such a device during the period of required electronic home monitoring;

(b) The offender does not reside in the state of Washington; or

(c) The court determines that there is reason to believe that the offender would violate the conditions of the electronic home monitoring penalty.

Whenever the mandatory minimum term of electronic home monitoring is waived, the court shall state in writing the reason for granting the waiver and the facts upon which the waiver is based, and shall impose an alternative sentence with similar punitive consequences. The alternative sentence

may include, but is not limited to, use of an ignition interlock device, the 24/7 sobriety program monitoring, additional jail time, work crew, or work camp.

Whenever the combination of jail time and electronic home monitoring or alternative sentence would exceed three hundred sixty-four days, the offender shall serve the jail portion of the sentence first, and the electronic home monitoring or alternative portion of the sentence shall be reduced so that the combination does not exceed three hundred sixty-four days.

**(13) Extraordinary medical placement.** An offender serving a sentence under this section, whether or not a mandatory minimum term has expired, may be granted an extraordinary medical placement by the jail administrator subject to the standards and limitations set forth in RCW 9.94A.728(1)(c).

**(14) Definitions.** For purposes of this section and RCW 46.61.502 and 46.61.504:

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2421, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

### MESSAGE FROM THE SENATE

March 7, 2020

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2645 with the following amendment:  
20.0.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 70.355.010 and 2017 3rd sp.s. c 36 s 12 are each amended to read as follows:

(1) ~~((Findings.))~~ The legislature finds that a convenient, safe, and environmentally sound system for the recycling of photovoltaic modules, minimization of hazardous waste, and recovery of commercially valuable materials must be established. The legislature further finds that the responsibility for this system must be shared among all stakeholders, with manufacturers financing the takeback and recycling system.

(2) ~~((Definitions. For purposes of this section the following definitions apply.))~~ The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Consumer electronic device" means any device containing an electronic circuit board that is intended for everyday use by individuals, such as a watch or calculator.

(b) "Department" means the department of ecology.

(c) "Distributor" means a person who markets and sells photovoltaic modules to retailers in Washington.

(d) "Installer" means a person who assembles, installs, and maintains photovoltaic module systems.

(e) "Manufacturer" means any person in business or no longer in business but having a successor in interest who, irrespective of the selling technique used, including by means of distance or remote sale:

(i) Manufactures or has manufactured a photovoltaic module under its own brand names for use or sale in or into this state;

(ii) Assembles or has assembled a photovoltaic module that uses parts manufactured by others for use or sale in or into this state under the assembler's brand names;

(iii) Resells or has resold in or into this state under its own brand names a photovoltaic module produced by other suppliers, including retail establishments that sell photovoltaic modules under their own brand names;

(iv) Manufactures or has manufactured a cobranded photovoltaic module product for use or sale in or into this state that carries the name of both the manufacturer and a retailer;

(v) Imports or has imported a photovoltaic module into the United States that is used or sold in or into this state. However, if the imported photovoltaic module is manufactured by any person with a presence in the United States meeting the criteria of manufacturer under ~~((e))~~ (e)(i) through ~~((f))~~ (vi) of this subsection, that person is the manufacturer;

(vi) Sells at retail a photovoltaic module acquired from an importer that is the manufacturer and elects to register as the manufacturer for those products; or

(vii) Elects to assume the responsibility and register in lieu of a manufacturer as defined under ~~((f))~~ (e)(i) through (vi) of this subsection.

~~((f))~~ (f) "Photovoltaic module" means the smallest nondivisible, environmentally protected assembly of photovoltaic cells or other photovoltaic collector technology and ancillary parts intended to generate electrical power under sunlight, except that "photovoltaic module" does not include a photovoltaic cell that is part of a consumer electronic device for which it provides electricity needed to make the consumer electronic device function. "Photovoltaic module" includes but is not limited to interconnections, terminals, and protective devices such as diodes that:

(i) Are installed on, connected to, or integral with buildings; ~~((g))~~

(ii) Are used as components of freestanding, off-grid, power generation systems, such as for powering water pumping stations, electric vehicle charging stations, fencing, street and signage lights, and other commercial or agricultural purposes; or

(iii) Are part of a system connected to the grid or utility service.

~~((g))~~ (g) "Predecessor" means an entity from which a manufacturer purchased a photovoltaic module brand, its warranty obligations, and its liabilities. "Predecessor" does not include entities from which a manufacturer purchased only manufacturing equipment.

(h) "Rare earth element" means lanthanum, cerium, praseodymium, neodymium, promethium, samarium, europium, gadolinium, terbium, dysprosium, holmium, erbium, thulium, ytterbium, lutetium, yttrium, or scandium.

~~((f))~~ (i) "Reuse" means any operation by which a photovoltaic module or a component of a photovoltaic module changes ownership and is used for the same purpose for which it was originally purchased.

~~((g))~~ (j) "Retailer" means a person who offers photovoltaic modules for retail sale in the state through any means including, but not limited to, remote offerings such as sales outlets, catalogs, or internet sales.

(k) "Stewardship plan" means the plan developed by a manufacturer or its designated stewardship organization for a self-directed stewardship program.

~~((h))~~ (l) "Stewardship program" means the activities conducted by a manufacturer or a stewardship organization to fulfill the requirements of this chapter and implement the activities described in its stewardship plan.

~~(3) ((Program guidance, review, and approval.))~~  
The department must develop guidance for a photovoltaic module stewardship and takeback program to guide manufacturers in preparing and implementing a self-directed program to ensure the convenient, safe, and environmentally sound takeback and recycling of photovoltaic modules and their components and materials. By January 1, 2018, the department must establish a process to develop guidance for photovoltaic module stewardship plans by working with manufacturers, stewardship organizations, and other stakeholders on the content, review, and approval of stewardship plans. The department's process must be fully implemented and stewardship plan guidance completed by July 1, 2019.

~~(4) ((Stewardship organization as agent of manufacturer.))~~ A stewardship organization may be designated to act as an agent on behalf of a manufacturer or manufacturers in operating and implementing the stewardship program required under this chapter. Any stewardship organization that has obtained such designation must provide to the department a list of the manufacturers and brand names that the stewardship organization represents within sixty days of its designation by a manufacturer as its agent, or within sixty days of removal of such designation.

~~(5) ((Stewardship plans.))~~ Each manufacturer must prepare and submit a stewardship plan to the department by the later of ~~((January 1, 2020))~~ July 1, 2022, or within thirty days of its first sale of a photovoltaic module in or into the state.

(a) A stewardship plan must, at a minimum:

(i) Describe how manufacturers will finance the takeback and recycling system, and include an adequate funding mechanism to finance the costs of collection, management, and recycling of photovoltaic modules and residuals sold in or into the state by the manufacturer with a mechanism that ensures that photovoltaic modules can be delivered to takeback locations without cost to the last owner or holder;

(ii) Accept all of their photovoltaic modules sold in or into the state after July 1, 2017;

(iii) Describe how the program will minimize the release of hazardous substances into the environment and maximize the recovery of other components, including rare earth elements and commercially valuable materials;

(iv) Provide for takeback of photovoltaic modules at locations that are within the region of the state in which ~~((the))~~ their photovoltaic modules were used and are as convenient as reasonably practicable, and if no such location within the region of the state exists, include an explanation for the lack of such location;

(v) Identify how relevant stakeholders, including consumers, installers, building demolition firms, and recycling and treatment facilities, will receive information required in order for them to properly dismantle, transport, and treat the end-of-life photovoltaic modules in a manner consistent with the objectives described in (a)(iii) of this subsection;

(vi) Establish performance goals, including a goal for the rate of combined reuse and recycling of collected photovoltaic modules as a percentage of the total weight of photovoltaic modules collected, which rate must be no less than eighty-five percent.

(b) A manufacturer must implement the stewardship plan.

(c) A manufacturer may periodically amend its stewardship plan. The department must approve the amendment if it meets the requirements for plan approval outlined in the department's guidance. When submitting proposed amendments, the manufacturer must include an explanation of why such amendments are necessary.

~~(6) ((Plan approval.))~~ The department must approve a stewardship plan if it determines the plan addresses each element outlined in the department's guidance.

~~(7) ((Annual report.))~~ (a) Beginning April 1, ~~((2022))~~ 2024, and by April 1st in each subsequent year, a manufacturer, or its designated stewardship organization, must provide to the department a report for the previous calendar year that documents implementation of the plan and assesses achievement of the performance goals established in subsection (5)(a)(vi) of this section.

(b) The report may include any recommendations to the department or the legislature on modifications to the program that would enhance the effectiveness of the program, including management of program costs and mitigation of environmental impacts of photovoltaic modules.

(c) The manufacturer or stewardship organization must post this report on a publicly accessible web site.

~~(8) ((Enforcement.))~~ Beginning ~~((January 1, 2021))~~ July 1, 2023, no manufacturer, distributor, retailer, or installer may sell or offer for sale a photovoltaic module in or into the state unless the manufacturer of the photovoltaic module has submitted to the department a stewardship plan and received plan approval.

(a) The department must send a written warning to a manufacturer that is not participating in a plan. The written

warning must inform the manufacturer that it must submit a plan or participate in a plan within thirty days of the notice. The department may assess a penalty of up to ten thousand dollars upon a manufacturer for each sale that occurs in or into the state of a photovoltaic module ((in or into the state that occurs)) for which a stewardship plan has not been submitted by the manufacturer and approved by the department after the initial written warning. A manufacturer may appeal a penalty issued under this section to the superior court of Thurston county within one hundred eighty days of receipt of the notice.

(b) The department must send a written warning to a distributor, retailer, or installer that sells or installs a photovoltaic module made by a manufacturer that is not participating in a plan. The written warning must inform the distributor, retailer, or installer that they may no longer sell or install a photovoltaic module if a stewardship plan for that brand has not been submitted by the manufacturer and approved by the department within thirty days of the notice.

(9) ~~((Fee.))~~ The department may collect a flat fee from participating manufacturers to recover costs associated with the plan guidance, review, and approval process described in subsection (3) of this section. Other administrative costs incurred by the department for program implementation activities, including stewardship plan review and approval, enforcement, and any rule making, may be recovered by charging every manufacturer an annual fee calculated by dividing department administrative costs by the manufacturer's pro rata share of the Washington state photovoltaic module sales in the most recent preceding calendar year, based on best available information. The sole purpose of assessing the fees authorized in this subsection is to predictably and adequately fund the department's costs of administering the photovoltaic module recycling program.

(10) ~~((Account.))~~ The photovoltaic module recycling account is created in the custody of the state treasurer. All fees collected from manufacturers under this chapter must be deposited in the account. Expenditures from the account may be used only for administering this chapter. Only the director of the department or the director's designee may authorize expenditures from the account. The account is subject to the allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures. Funds in the account may not be diverted for any purpose or activity other than those specified in this section.

(11) ~~((Rule-making.))~~ The department may adopt rules as necessary for the purpose of implementing, administering, and enforcing this chapter.

(12) ~~((National program.))~~ In lieu of preparing a stewardship plan and as provided by subsection (5) of this section, a manufacturer may participate in a national program for the convenient, safe, and environmentally sound takeback and recycling of photovoltaic modules and their components and materials, if substantially equivalent to the intent of the state program. The department may determine substantial equivalence if it determines that the national program adequately addresses and fulfills each of the elements of a stewardship plan outlined in subsection (5)(a) of this section and includes an enforcement mechanism

reasonably calculated to ensure a manufacturer's compliance with the national program. Upon issuing a determination of substantial equivalence, the department must notify affected stakeholders including the manufacturer. If the national program is discontinued or the department determines the national program is no longer substantially equivalent to the state program in Washington, the department must notify the manufacturer and the manufacturer must provide a stewardship plan as described in subsection (5)(a) of this section to the department for approval within thirty days of notification.

NEW SECTION. Sec. 2. (1) Subject to the availability of amounts appropriated for this specific purpose, the Washington State University extension energy program must convene a photovoltaic module recovery, reuse, and recycling work group to review and provide recommendations on potential methodologies for the management of end-of-life photovoltaic modules, including modules from utility scale solar projects.

(2) The membership of the work group convened under this section must include, but is not limited to, members representing:

(a) A manufacturer of photovoltaic modules located in the state;

(b) A manufacturer of photovoltaic modules located outside the state;

(c) A national solar industry group;

(d) Solar installers in the state;

(e) A utility scale solar project;

(f) A nonprofit environmental organization with expertise in waste minimization;

(g) A city solid waste program;

(h) A county solid waste program;

(i) An organization with expertise in photovoltaic module recycling;

(j) A community-based environmental justice group; and

(k) The department of ecology.

(3) Participation in the work group convened under this section is strictly voluntary and without compensation or reimbursement.

(4) The Washington State University extension energy program must submit its findings and recommendations in a final report to the legislature and the governor, consistent with RCW 43.01.036, by December 1, 2021.

(5) This section expires January 31, 2022."

On page 1, line 2 of the title, after "program;" strike the remainder of the title and insert "amending RCW 70.355.010; creating a new section; and providing an expiration date."

and the same is herewith transmitted.

(ii) The employee is released to full-time employment; has not received additional medical treatment for his or her current condition or any other qualifying condition for at least six months; and the employee's doctor has declined, in writing, the employee's request for a statement indicating the employee's condition has been resolved.

(b) If a shared leave account is closed and an employee later has a need to use shared leave due to the same condition listed in the closed account, the agency head must approve a new shared leave request for the employee.

(c) To the extent administratively feasible, the value of unused leave which was transferred by more than one employee shall be returned on a pro rata basis.

(11) An employee who uses leave that is transferred to him or her under this section may not be required to repay the value of the leave that he or she used.

**"NEW SECTION. Sec. 24.** (1) The legislature finds that additional efforts are necessary to reduce barriers to entry to the cannabis industry for individuals and communities most adversely impacted by the enforcement of cannabis-related laws. In the interest of establishing a cannabis industry that is equitable and accessible to those most adversely impacted by the enforcement of drug-related laws, including cannabis-related laws, the legislature finds a social equity program should be created.

(2) The legislature finds that individuals who have been arrested or incarcerated due to drug laws, and those who have resided in areas of high poverty, suffer long-lasting adverse consequences, including impacts to employment, business ownership, housing, health, and long-term financial well-being. The legislature also finds that family members, especially children, and communities of those who have been arrested or incarcerated due to drug laws, suffer from emotional, psychological, and financial harms as a result of such arrests and incarceration. The legislature further finds that individuals in disproportionately impacted areas suffered the harms of enforcement of cannabis-related laws. Those communities

face greater difficulties accessing traditional banking systems and capital for establishing businesses.

(3) The legislature therefore finds that in the interest of remedying harms resulting from the enforcement of cannabis-related laws in disproportionately impacted areas, creating a social equity program will further an equitable cannabis industry by promoting business ownership among individuals who have resided in areas of high poverty and high enforcement of cannabis-related laws. The social equity program should offer, among other things, financial and technical assistance and license application benefits to individuals most directly and adversely impacted by the enforcement of cannabis-related laws who are interested in starting cannabis business enterprises. It is the intent of the legislature that implementation of the social equity program authorized by this act not result in an increase in the number of marijuana retailer licenses above the limit on the number of marijuana retailer licenses in the state established by the board before January 1, 2020.

**NEW SECTION. Sec. 25.** A new section is added to chapter 69.50 RCW to read as follows:

(1) Beginning December 1, 2020, and until July 1, 2028, marijuana retailer licenses that have been subject to forfeiture, revocation, or cancellation by the board, or marijuana retailer licenses that were not previously issued by the board but could have been issued without exceeding the limit on the statewide number of marijuana retailer licenses established before January 1, 2020, by the board, may be issued or reissued to an applicant who meets the marijuana retailer license requirements of this chapter.

(2)(a) In order to be considered for a retail license under subsection (1) of this section, an applicant must be a social equity applicant and submit a social equity plan along with other marijuana retailer license application requirements to the board. If the application proposes ownership by more than one person, then at least fifty-one percent of the proposed ownership structure must reflect the qualifications of a social equity applicant.

(b) Persons holding an existing marijuana retailer license or title certificate for a marijuana retailer business in a local jurisdiction subject to a ban or moratorium on marijuana retail businesses may apply for a license under this section.

(3)(a) In determining the issuance of a license among applicants, the board may prioritize applicants based on the extent to which the application addresses the components of the social equity plan.

(b) The board may deny any application submitted under this subsection if the board determines that:

(i) The application does not meet social equity goals or does not meet social equity plan requirements; or

(ii) The application does not otherwise meet the licensing requirements of this chapter.

(4) The board may adopt rules to implement this section. Rules may include strategies for receiving advice on the social equity program from individuals the program is

intended to benefit. Rules may also require that licenses awarded under this section be transferred or sold only to individuals or groups of individuals who comply with the requirements for initial licensure as a social equity applicant with a social equity plan under this section.

(5) The annual fee for issuance, reissuance, or renewal for any license under this section must be equal to the fee established in RCW 69.50.325.

(6) For the purposes of this section:

(a) "Disproportionately impacted area" means a census tract or comparable geographic area that satisfies the following criteria, which may be further defined in rule by the board after consultation with the commission on African American affairs and other agencies and stakeholders as determined by the board:

- (i) The area has a high poverty rate;
- (ii) The area has a high rate of participation in income-based federal or state programs;
- (iii) The area has a high rate of unemployment; and
- (iv) The area has a high rate of arrest, conviction, or incarceration related to the sale, possession, use, cultivation, manufacture, or transport of marijuana.

(b) "Social equity applicant" means:

- (i) An applicant who has at least fifty-one percent ownership and control by one or more individuals who have resided for at least five of the preceding ten years in a disproportionately impacted area; or
- (ii) An applicant who has at least fifty-one percent ownership and control by at least one individual who has been convicted of a marijuana offense or is a family member of such an individual.

(c) "Social equity goals" means:

- (i) Increasing the number of marijuana retailer licenses held by social equity applicants from disproportionately impacted areas; and
- (ii) Reducing accumulated harm suffered by individuals, families, and local areas subject to severe impacts from the historical application and enforcement of marijuana prohibition laws.

(d) "Social equity plan" means a plan that addresses at least some of the elements outlined in this subsection (6)(d), along with any additional plan components or requirements approved by the board following consultation with the task force created in section 5 of this act. The plan may include:

- (i) A statement that the social equity applicant qualifies as a social equity applicant and intends to own at least fifty-one percent of the proposed marijuana retail business or applicants representing at least fifty-one percent of the ownership of the proposed business qualify as social equity applicants;
- (ii) A description of how issuing a marijuana retail license to the social equity applicant will meet social equity goals;

(iii) The social equity applicant's personal or family history with the criminal justice system including any offenses involving marijuana;

(iv) The composition of the workforce the social equity applicant intends to hire;

(v) Neighborhood characteristics of the location where the social equity applicant intends to operate, focusing especially on disproportionately impacted areas; and

(vi) Business plans involving partnerships or assistance to organizations or residents with connection to populations with a history of high rates of enforcement of marijuana prohibition.

**NEW SECTION. Sec. 26.** A new section is added to chapter 43.330 RCW to read as follows:

(1) The marijuana social equity technical assistance competitive grant program is established and is to be administered by the department.

(2) The marijuana social equity technical assistance competitive grant program must award grants on a competitive basis to marijuana retailer license applicants who are social equity applicants submitting social equity plans under section 2 of this act. The department must award grants primarily based on the strength of the social equity plans submitted by applicants but may also consider additional criteria if deemed necessary or appropriate by the department. Technical assistance activities eligible for funding under the marijuana social equity technical assistance competitive grant program include, but are not limited to:

- (a) Assistance navigating the marijuana retailer licensure process;
- (b) Marijuana-business specific education and business plan development;
- (c) Regulatory compliance training;
- (d) Financial management training and assistance in seeking financing; and
- (e) Connecting social equity applicants with established industry members and tribal marijuana enterprises and programs for mentoring and other forms of support approved by the board.

(3) Funding for the marijuana social equity technical assistance competitive grant program must be provided through the dedicated marijuana account under RCW 69.50.540. Additionally, the department may solicit, receive, and expend private contributions to support the grant program.

(4) The department may adopt rules to implement this section.

**Sec. 27.** RCW 69.50.540 and 2019 c 415 s 978 are each amended to read as follows:

(a) Individuals participating in an advisory capacity under this subsection are not members of the task force, may not vote, and are not subject to the appointment process established in this section.

(b) There is no limit to the number of individuals who may participate in task force meetings in an advisory capacity under this subsection.

(c) A majority of the task force members constitutes a quorum. If a member has not been designated for a position

(4) The task force shall hold its first meeting by July 1, 2020. The task force shall elect a chair from among its legislative members at the first meeting. The task force is encouraged to submit individual recommendations, as soon as possible, to facilitate the board's early work to implement the recommendations. The final recommendations must be submitted by December 1, 2020. The recommendations must include:

(a) Factors the board must consider in distributing the licenses currently available from marijuana retailer licenses that have been subject to forfeiture, revocation, or cancellation by the board, or marijuana retailer licenses that were not previously issued by the board but could have been issued without exceeding the limit on the statewide number of marijuana retailer licenses established by the board before January 1, 2020; and

(b) Whether any additional marijuana licenses should be issued beyond the total number of marijuana licenses that have been issued as of the effective date of this section. For purposes of determining the total number of licenses issued

#### MESSAGE FROM THE SENATE

March 10, 2020

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2632 with the following amendment:

20.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 21.** The legislature recognizes that false reporting laws criminalize the knowingly false reporting of certain occurrences that are likely to cause unwarranted evacuations, public inconvenience, or alarm.

Recently, however, false reporting and the 911 system have been weaponized, resulting in serious dangers and even lost lives. The term "swatting" describes the false reporting of an emergency with the goal of having a police unit or special weapons and tactics team deployed. The reckless act of swatting, often motivated by the perpetrator's bias towards protected classes, has caused death and trauma in some cases. As such, the legislature finds that a gross misdemeanor is insufficient as a legal response and hereby create felony false reporting punishments when the false reporting leads to injury or death.

**Sec. 22.** RCW 9A.84.040 and 2011 c 336 s 411 are each amended to read as follows:

(1) A person ~~((is guilty of))~~ commits false reporting if, with knowledge that the information reported, conveyed, or circulated is false, he or she initiates or circulates a false report or warning of an alleged occurrence or impending occurrence ~~((of a fire, explosion, crime, catastrophe, or emergency))~~ knowing that such false report is likely to cause ~~((evacuation))~~; Evacuation of a building, place of assembly, or transportation facility((, or to cause)); public inconvenience or alarm; or an emergency response.

(2)(a) A person is guilty of false reporting in the first degree if the report was made with reckless disregard for the safety of others, the false reporting caused an emergency response, and death is sustained by any person as a proximate result of an emergency response. False reporting in the first degree is a class B felony.

(b) A person is guilty of false reporting in the second degree if the report was made with reckless disregard for the safety of others, the false reporting caused an emergency response, and substantial bodily harm is sustained by any person as a proximate result of an emergency response. False reporting in the second degree is a class C felony.

(c) A person is guilty of false reporting in the third degree if he or she commits false reporting under circumstances not constituting false reporting in the first or second degree. False reporting in the third degree is a gross misdemeanor.

(3) Any criminal offense committed under this section may be deemed to have been committed either at the place from which the false report was made, at the place where the false report was received by law enforcement, or at the place where an evacuation, public inconvenience or alarm, or emergency response occurred.

(4) Where a case is legally sufficient to charge a person under the age of eighteen with the crime of false reporting and the alleged offense is the offender's first violation of this section, the prosecutor may divert the case.

(5) For the purposes of this section, "emergency response" means any action to protect life, health, or property by:

(a) A peace officer or law enforcement agency of the United States, the state, or a political subdivision of the state; or

(b) An agency of the United States, the state, or a political subdivision of the state, or a private not-for-profit organization that provides fire, rescue, or emergency medical services.

(6) Nothing in this section will be construed to: (a) Impose liability on a person who contacts law enforcement for the purpose of, or in connection with, the reporting of unlawful conduct; (b) conflict with Title 47 U.S.C. Sec. 230 of the communication decency act; or (c) conflict with Title 42 U.S.C. Sec. 1983 of the civil rights act.

**NEW SECTION. Sec. 23.** A new section is added to chapter 4.24 RCW to read as follows:

(1)(a) An individual who is a victim of an offense under RCW 9A.84.040 may bring a civil action against the person who committed the offense or against any person who knowingly benefits, financially or by receiving anything of value, from participation in a venture that the person knew or should have known has engaged in an act in violation of RCW 9A.84.040, and may recover damages and any other appropriate relief, including reasonable attorneys' fees.

(b) A person who is found liable under RCW 9A.84.040 shall be jointly and severally liable with each other person, if any, who is found liable under RCW 9A.84.040 for damages arising from the same violation of RCW 9A.84.040.

(2) Any person convicted of violating RCW 9A.84.040 and that resulted in an emergency response may be liable to a public agency for the reasonable costs of the emergency response by, and at the discretion of, the public agency that incurred the costs.

**Sec. 24.** RCW 9.94A.515 and 2019 c 271 s 7, 2019 c 243 s 5, 2019 c 64 s 3, and 2019 c 46 s 5009 are each reenacted and amended to read as follows:

#### MESSAGE FROM THE SENATE

March 10, 2020

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2722 with the following amendment: 24.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 25.** (1) Sustainable and resilient markets for recycled materials are essential to any successful recycling system. For many years, Washington has depended on foreign markets to accept the recyclable materials that are collected for recycling in the state. Developing domestic markets for recycled materials benefits the environment and the state's economy and is critical due to the loss of foreign markets.

(2) China's 2018 national sword policy bans the importation of recycled mixed paper and certain types of recycled plastic and imposes a stringent one-half of one percent contamination limit on all other recycled material imports. Washington's recycling facilities are struggling to find markets for recycled materials, resulting in the stockpiling of these materials. Washington must reduce its reliance on unpredictable foreign markets for its recycled materials.

(3) Plastic bottles can be recycled and can contain recycled content in order to close the loop in the recycling stream. Many companies have already taken the initiative at closing the loop by using plastic bottles that contain one hundred percent recycled content. Since November 2010, one national juice company has been using bottles made with one hundred percent postconsumer recycled content for all of its juices and juice smoothies. In January 2018, an international beverage producer announced that it will make all its bottles from one hundred percent recycled plastic by 2025.

(4) The requirements imposed by this act are reasonable and are achievable at minimal cost relative to the burden imposed by the continued excessive use of virgin materials in beverage containers in Washington.

(5) The legislature encourages beverage manufacturers to use plastic beverage containers that exceed the standards set forth in this act.

**NEW SECTION. Sec. 26.** The definitions in this section apply throughout sections 3 through 8 of this act unless the context clearly requires otherwise.

(1) "Beverage manufacturer" means a manufacturer of one or more beverages described in section 3(1) of this act, that are sold, offered for sale, or distributed in Washington.

(2) "Beverage manufacturing industry" means an association that represents companies that manufacture beverages.

(3) "Department" means the department of ecology.

**NEW SECTION. Sec. 27.** (1) Beginning January 1, 2022, beverage manufacturers that offer for sale, sell, or distribute in Washington beverages, intended for human or animal consumption and in a quantity more than or equal to two fluid ounces and less than or equal to one gallon, must meet minimum postconsumer recycled content as required under section 4 of this act, on average for the total number of plastic beverage containers for the following beverages:

(a) Water and flavored water;

(b) Beer or other malt beverages;

(c) Wine;

(d) Mineral waters, soda water, and similar carbonated soft drinks; and

(e) Any beverage other than those specified in this subsection, except infant formula.

(2) The following containers are exempt from sections 3 through 6 of this act:

(a) Refillable plastic beverage containers;

(b) Rigid plastic containers or rigid plastic bottles that are medical devices, medical products that are required to be sterile, prescription medicine, and packaging used for those products; and

(c) Bladders or pouches that contain wine.

(3) The department may adopt rules to exempt beverages.

**NEW SECTION. Sec. 28.** (1) Every year, a beverage manufacturer must meet the following minimum postconsumer recycled plastic content on average for the total number of plastic beverage containers for beverages as established in section 3 of this act that are sold, offered for sale, or distributed in Washington effective:

(a) January 1, 2022, through December 31, 2024: No less than ten percent postconsumer recycled plastic;

(b) January 1, 2025, through December 31, 2029: No less than twenty-five percent postconsumer recycled plastic;

(c) On and after January 1, 2030: No less than fifty percent postconsumer recycled plastic.

(2)(a) Beginning in 2021, and every other year thereafter, or at the petition of the beverage manufacturing industry but not more than annually, the department shall consider whether the minimum postconsumer recycled content requirements established under subsection (1) of this section should be waived or reduced. The department must consider a petition from the beverage manufacturing industry within sixty days of receipt.

(b) If the department determines that a minimum postconsumer recycled content requirement should be adjusted, the adjusted rate must be in effect until a new determination is made or upon the expiration of the minimum postconsumer recycled content requirement's effective period, whichever occurs first. The department may not adjust the minimum postconsumer recycled content requirements above the minimum postconsumer recycled plastic content percentages, as established under subsection (1) of this section. In making a determination to adjust the minimum postconsumer recycled content requirements the department must at least consider the following:

(i) Changes in market conditions, including supply and demand for postconsumer recycled plastics, collection rates, and bale availability;

(ii) Recycling rates;

(iii) The availability of recycled plastic suitable to meet the minimum postconsumer recycled content requirements, including the availability of high quality recycled plastic, and food grade recycled plastic from beverage container recycling programs;

(iv) The capacity of recycling or processing infrastructure;

(v) The progress made by beverage manufacturers in meeting the requirements of this section; and

(vi) The carbon footprint of the transportation of the recycled resin.

(3) The beverage manufacturing industry or a beverage manufacturer may appeal adjustments to the requirement for minimum postconsumer recycled content as determined under subsection (1) of this section to the pollution control hearings board within thirty days of the department's determination.

(4) The department may grant extensions of time for beverage manufacturers to meet the minimum postconsumer recycled plastic content requirements established under subsection (1) of this section if the department determines that a beverage manufacturer has made a substantial effort but has failed to meet the minimum recycled plastic content requirements due to extenuating circumstances beyond the beverage manufacturer's control.

(5) A beverage manufacturer that does not meet the minimum postconsumer recycled plastic content requirements established in subsection (1) of this section is subject to a fee established in section 6 of this act.

**NEW SECTION. Sec. 29.** (1)(a) On or before March 1, 2022, and annually thereafter, a beverage manufacturer, under penalty of perjury, must report to the department, in pounds and by resin type, the amount of virgin plastic and postconsumer recycled plastic used for plastic beverage containers containing a beverage as established under section 3 of this act sold, offered for sale, or distributed in Washington in the previous calendar year.

(b) The department must post the information reported under this subsection on its web site.

(2) The department may: (a) Conduct audits and investigations for the purpose of ensuring compliance with this section based on the information reported under subsection (1) of this section; and (b) adopt rules to implement, administer, and enforce the requirements of this act.

(3) The department shall keep confidential all business trade secrets and proprietary information about manufacturing processes and equipment that the department gathers or becomes aware of through the course of conducting audits or investigations pursuant to this chapter.

**NEW SECTION. Sec. 30.** (1) Beginning January 1, 2022, a beverage manufacturer that does not meet the minimum postconsumer recycled plastic content requirements as established under section 4 of this act, based upon the amount in pounds and in the aggregate, is subject to an annual fee.

(2) The following violation levels are based on a beverage manufacturer's overall compliance rate of the minimum postconsumer recycled plastic content requirements.

(a) Level one violation: At least seventy-five percent but less than one hundred percent of the minimum recycled plastic content requirements;

(b) Level two violation: At least fifty percent but less than seventy-five percent of the minimum recycled plastic content requirements;

(c) Level three violation: At least twenty-five percent but less than fifty percent of the minimum recycled plastic content requirements;

(d) Level four violation: At least fifteen percent but less than twenty-five percent of the minimum recycled plastic content requirements; and

(e) Level five violation: Less than fifteen percent of the minimum recycled plastic content requirements.

(3) Beginning March 1, 2023, the department may assess fees for violations as follows:

(a) Level one violation, the fee range is five cents to fifteen cents per pound;

(b) Level two violation, the fee range is ten cents to twenty cents per pound;

(c) Level three violation, the fee range is fifteen cents to twenty-five cents per pound;

(d) Level four violation, the fee range is twenty cents to thirty cents per pound;

(e) Level five violation, the fee range is twenty-five cents to thirty cents per pound.

(4) In lieu of or in addition to assessing a fee under subsection (3) of this section, the department may require a beverage manufacturer to submit a corrective action plan detailing how the beverage manufacturer plans to come into compliance with section 4 of this act.

(5) The department shall consider equitable factors in determining whether to assess a fee under subsection (3) of this section and the amount of the fee including, but not limited to: The nature and circumstances of the violation; actions taken by the beverage manufacturer to correct the violation; the beverage manufacturer's history of compliance; the size and economic condition of the beverage manufacturer; and whether the violation or conditions giving rise to the violation were due to circumstances beyond the reasonable control of the beverage manufacturer or were otherwise unavoidable under the circumstances including, but not limited to, unforeseen changes in market conditions.

(6) A beverage manufacturer must:

(a) Pay to the department assessed fees in quarterly installments; or

(b) Arrange an alternative payment schedule subject to the approval of the department.

(7) A beverage manufacturer may appeal fees assessed under this section to the pollution control hearings board within thirty days of assessment.

(8)(a) The department shall consider waiving or reducing the fees or extending the time frame for assessing fees established under subsection (3) of this section for a beverage manufacturer that has demonstrated progress toward meeting the minimum postconsumer recycled content requirements, as established under section 4 of this act, if the beverage manufacturer:

(i) Has failed to meet the minimum postconsumer recycled content requirements; or

(ii) Anticipates it will not be able to meet the minimum postconsumer recycled content requirements.

(b) In determining whether to grant a waiver of, or reduce a fee, or extend the time frame for assessing a fee, the department shall consider, at a minimum, all of the following:

(i) Anomalous market conditions;

(ii) Disruption in, or lack of supply of, recycled plastics; and

(iii) Other factors that have prevented a beverage manufacturer from meeting the requirements.

(9) A beverage manufacturer shall pay the fees assessed pursuant to this section, as applicable, based on the information reported to the department as required under section 5(1) of this act in the form and manner prescribed by the department.

**NEW SECTION. Sec. 31.** The recycling enhancement fee account is created in the state treasury. All fees collected by the department pursuant to section 6 of this act must be deposited in the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used by the department only for providing funding to the recycling development center created in RCW 70.370.030 for the purpose of furthering the development of recycling infrastructure in this state.

**NEW SECTION. Sec. 32.** (1) A city, town, county, or municipal corporation may not implement local recycled content requirements for plastic beverage containers that must meet minimum postconsumer recycled content as required under sections 3 and 4 of this act.

(2) Local laws and ordinances that are inconsistent with, more restrictive than, or exceed the requirements of this act, may not be enacted and are preempted.

**NEW SECTION. Sec. 33.** A new section is added to chapter 42.56 RCW to read as follows:

Information submitted to the department of ecology under chapter 70.--- RCW (the new chapter created in section 14 of this act), that contains business trade secrets or proprietary information about manufacturing processes and equipment, is exempt from disclosure under this chapter.

WHEREAS, Representative Sherry Appleton has ably and proudly served the people of Washington's 23rd

legislative district since taking the oath of office as a state representative on January 10, 2005; and

WHEREAS, During her sixteen years in the Legislature, she has been an unswervingly progressive voice, with a fierce commitment to her constituents in Kitsap County and a deep compassion for society's underdogs; and

WHEREAS, As a proud Navy widow with thousands of active-duty sailors and retired Naval personnel in her district, Sherry has been a staunch and effective advocate for the military, serving on related boards, commissions, and legislative committees, and was named "Outstanding Legislator of the Year" by the Department of Veterans Affairs and the governor's Veterans Affairs Advisory Committee for her years of often behind-the-scenes work on behalf of the state's approximately seven hundred thousand military veterans; and

WHEREAS, During her tenure in the Legislature, Sherry has chaired two standing House panels, the Committee on Local Government and the Committee on Community Development, Housing & Tribal Affairs, facilitating the passage of scores of bills designed to make Washington a better place to live, work, do business, and raise a family; and

WHEREAS, Sherry's commitment to seniors, especially those living with dementia, earned her the title of Mother of the Silver Alert for her multiyear effort to create a public safety law that has saved countless lives since its passage in 2015; and

WHEREAS, Living amid the natural beauty and bounty of the Kitsap Peninsula helped Sherry become a conservationist before conservation was cool, and her consistency in advancing this cause led the nonpartisan Washington Conservation Voters to induct her into its "Lifetime 100 Club," an honor based on how consistently an elected official votes to "protect our clean air, water and forests, while accelerating the transition to a good-job, clean-energy economy"; and

WHEREAS, Our four-footed or feathered friends have no greater legislative ally than Sherry, who includes them in the category of the voiceless for whom she is privileged to speak, a fact obvious in the wide range of animal-welfare bills that she has sponsored over the years, including the breed-ban bill that she pursued for years, and her successful efforts to secure funding in the capital budget for much-needed improvements to the puppy room at Kitsap Humane Society; and

WHEREAS, This continuing dedication to animals and animal rights led the Washington state chapter of the Humane Society of the United States to name Sherry "Humane Legislator of the Year" in 2018, prompting her to say at the award ceremony, "A society, a culture, can be judged by how it treats those with the least power: Children, seniors, persons living with disabilities, and yes, our animals. I'm grateful to have colleagues in the Legislature on both sides of the party aisle who recognize this and work with me to make this a better place for all of us"; and

WHEREAS, Sherry has fought hard for her beloved 23rd legislative district, bringing home victories for the people of Kitsap County, its cities and towns, and its valuable institutions, including Martha & Mary, Olympic College, the Marine Science Center (SEA Discovery Center), Village Green Community Center, and Fishline Food Bank, among many, many others during her legislative tenure; and

WHEREAS, Sherry's commitment to public service is evident in her work outside of and prior to her election to the Legislature, including her appointments by Presidents George H.W. Bush and Bill Clinton to serve on the Washington State Advisory Committee to the U.S. Commission on Civil Rights, and her service on the board of directors of the Association of Washington Cities, on the Northwest Women's Law Center Legislative Committee, on the board of NARAL, and as vice-chair of the Washington State Women's Political Caucus; and

WHEREAS, Last, but certainly not least, Sherry has continually called the Legislature's attention to the fact that the people she represents live on a peninsula and an island, and that the Washington state ferry system is their economic and recreational lifeline, and she has been a fierce and tireless advocate for safer, more affordable, and more dependable ferry service for Kitsap County;

NOW, THEREFORE, BE IT RESOLVED, That the Washington State House of Representatives honor Representative Sherry Appleton upon her retirement from the Legislature for her sixteen years of service to her constituents in the 23rd legislative district, to the House of Representatives, and to the entire State of Washington.

Representative Pettigrew moved adoption of HOUSE RESOLUTION NO. 4685.

Representative Pettigrew: "Thank you Madam Speaker, I am incredibly honored to be allowed to speak on behalf of this resolution and urge the body to support it. You know when I think of the good member from the 23<sup>rd</sup>, I think of two words – feisty and fun. Feisty, one of the first arguments I ever had in the Legislature was with Sherry Appleton. In the wings, not in the wings, actually in the hallway there, we were talking about some education stuff and I was like "Who in the world is this person yelling and screaming at me about this particular issue. But it was at that moment that I realized that I was completely and totally just head over heels in love with Sherry Appleton. She is the one person that I know, and you probably are aware of, who has coined the phrase "I will not vote for that" which I appreciate that, and has been an incredible friend and leader. You know, Sherry and I, when I first got here, we sat on the floor together and she sat next to me and believe it or not, when I first got to the Legislature, I was a little playful, and maybe a little immature as far as being a prankster; I did things like snakes in a can and throwing the football across the floor with the good member from the 26<sup>th</sup> but Sherry was my partner that sat next to me and one particular time, I just remember, I was going to play a joke on Sherry; I was going to play this prank on her and so I got a message from the security that had on it to Sherry to call this number right away, this is from this constituent that wants to talk to you Right Now! You've got

to call them Right Now, and I kept going "Sherry, your LA called again; you've got to call them right now!" and it was from, the constituent's name was Alley, her last name was Gator, and she actually resided at the Woodland Park Zoo. And so of course, Sherry picked up the phone in her urgency and called to speak to Miss Alley Gator and of course the Woodland Park Zoo. She eventually figured it out but she was, it was just an absolute blast to have her sit next to me and she's always been just the one person, one of the people, that I have absolutely loved when I come to the Legislature, whenever we have our advances or anything else that I will love to see. It just does my heart so good to be in the caucus and seeing her sit to my left and being able to, we make eyes at each other and make fun of each other while we're sitting up there and even though I'm not going to be here and you're not going to be here, I'm just going to so, just so, so so sincerely just truly miss you. I so appreciate your honesty, and I always knew exactly where you were on everything, including how you felt about me and I so appreciate it, thank you."

Representative Klippert: "Thank you Madam Speaker. *Hums the Odd Couple theme.* Ladies and gentlemen, how the, as stated in the resolution, the most unswervingly progressive and the most to the right conservative, ever passed bills off this House floor I don't know but I want to let you know that Appleton-Klippert bills passed off this floor almost unanimously at least twice, so Madam Appleton, thank you very much for the honor and pleasure of being number two on bills that you prime-sponsored. One of my favorite things, memories, of Sherry Appleton – the gentlelady from the 23<sup>rd</sup> is her floor speeches in committee that were questions "wouldn't you agree" As someone who has served in the military for over 30 years now and the commander of the State Guards, Sherry Appleton, thank you for your love of our military, thank you for honoring our veterans and especially those who serve in the Navy even though they are squids and we thank you for that. How a pitbull like Sherry Appleton ever got a breed ban bill passed through this Legislature I don't know because everyone knows as was previously stated what a pitbull; you don't want to get in her way, she will take you out on her way to success. So ladies and gentlemen, without any further ado, the mother of Silver Alert, my honored associate, I want to give praise to Sherry Veterlene Appleton. Thank you Sherry, for your service to our state; you are loved by myself and the members of this body. Thank you very much.

Representative Gregerson: I stand here really spending a lot of time thinking about all the years that we spent together, Sherry, and a few things that come to mind as I stand here to give you so much thanks on behalf of so many of us is that you've been travelling this campus for over almost three decades. You know every place in this place and you are an unshakable moral compass for us; you are going to be missed. You also are loved by your district and I don't know if any of us are as loved by our district as much as you are and I think that speaks to who you are, the depth of your kindness and your thoughtfulness and the things that you stand for and that people trust you. On a personal note, when I first got here, I was scared to death of you actually. I would come in a little bit late and you would yell at me as

a chair; or if I were typing on my computer too loud, you'd look at me and yell at me but hopefully you think better thoughts of me now. But on a more serious note, I'm going to miss you, especially in the member's cafeteria; I love coming downstairs and seeking you out and trying to figure out what part of the menu you grabbed and how much you like it and how kind you are to the staff and you're always so complimentary to them about how great of a job they are doing and how the food that they're cooking and they're making is just made with love and this is the best part of your day. I also want to remind you how thankful we all are of all the years of service you've given us and the time away from your pup Bear and reading all those mystery novels and the times that you weren't feeling well but we needed you for that vote and you stayed up late. So I hope that now that you go on to the next parts of your life that you don't miss us too much and that you spend more time having a good time and come back."

Representative Griffey: "Thank you Madam Speaker. It is an honor for me to stand in support of this resolution. Madam Chair, I know you always laugh at me when I do that but my background from the fire services we respect an earned title and Madam Chair, you've earned that. We had a good time sitting next to each other. We did a lot of fun things, and yes I was chastised for how loud I was in committee many times but we got through it, didn't we Madam Chair, we made a good team. The one thing about Sherry I think is unique, at least from the minority side is you never really knew in committee which way she was going to vote. We sometimes would get a bump out of Sherry and that was great, thank you for that. You know, there's a lot of sad times when you're in the minority, you lose most of those but a lot of times you went our way because you thought we were being picked on, thank you Sherry for that. I'm always going to fondly remember her floor speeches because you never knew how those were going to go either and quite often in committee how she could just in the end have to wrap it up by "don't you agree" because she had to get her point out and by goodness, nobody was going to stop Sherry from getting her point out. It is an honor to have worked with you Sherry, you have a good retirement, you will always have friends in this Legislature. Thank you so much Madam Speaker."

Representative Goodman: "Thank you very much Madam Speaker. I rise in honor of Representative Larry Haler. So Sherry, you, many people don't know that you and I were born in the same hospital in Providence Rhode Island, 19 years apart, of course. I've always felt like you're my big sister and we've eaten in the cafeteria together and the gentlelady from the 33<sup>rd</sup> is so right, you really cared about everyone, including those who prepared our food and I just, really, we are the two longest serving members of the Jewish caucus in the Legislature and we believe in furthering policy that reflects, that our society should be based on compassion and justice and you have articulated that probably better than anyone. I have highly valued you sitting on my committee, protecting public safety, but also protecting individual rights and you have never hesitated to speak up for those who don't have a voice, including animals and the most vulnerable and our veterans, and we could go

on and on. But I think there's no one more principled who was undaunted in standing up and speaking up, even though we didn't really feel comfortable listening to it, we needed to hear it and on the floor as well. And so on behalf of the body, I just want to thank you for your service and for, we hope we can name swimming pools and elementary schools after you, but we really value your service here and thank you so much."

Representative Caldier: "Thank you Madam Speaker. So Representative Appleton, when I first got elected, I wasn't quite sure what to think of you. I remember I had a whole bunch of great ideas and I had all these blue sheets and I brought them to former Representative Norm Johnson and he looked at them and he said "Oh my goodness, just because you're from Kitsap County doesn't mean you need to run a bunch of bills like Sherry Appleton." And so I thought ok, alrighty and I'd listen to the long marijuana floor speeches and I'd sit there and hear you lobby, you know, some of the members, about the horse meat bill and I was thinking I don't know if we have a whole lot in common. And then I lost my vision and it was a really low point in my life and I couldn't drive anymore and you came to me across the floor and you said "I heard that you were having some problems and I want to give you a ride." And we hadn't had much to say to each other for the first couple of years and I thought, wow, Wow, that's pretty amazing, and throughout those rides, we developed a friendship that only the odd couple could ever understand. And I got to know you really well. I learned a couple things about you. First of all I learned how calm you are in crisis and when the car would veer off the road and I would say "Oh my God we're driving by braille!" and you're like "Calm down Michelle, calm down." I learned how much you care about animals and you know you didn't care just about any animals I mean even about the ones that were most vulnerable and I remember the day that you got Bear and we had a forum and everyone was waiting for Sherry and so I called you and you said "Oh I can't go to a forum, I have a dog, his name is Bear and I'm going to love him and I'm going to take care of him so tell them I'm not coming." And I was like "Ok" and most of all I learned about how kind you are and what a big heart you have. I mean it takes an awful big heart to voluntarily sit in the car with me for a couple hundred hours – not many people would do that and I really appreciate you personally. I know that you are going to be missed, not only by myself, but the entire body here, but also by your feathered friends, by your furry friends, by your silver friends and all of our friends at Kitsap County, so thank you very much for your service."

HOUSE RESOLUTION NO. 4685 was adopted.

Representative DeBolt moved adoption of HOUSE RESOLUTION NO. 4684.

Speaker Jenkins: “Before I call on you, Representative DeBolt, I would just like to acknowledge that Representative Smith's children and grandchildren are joining us from across the globe remotely and we would like to welcome them.”

Representative DeBolt: “Thank you Madam Speaker, and it's funny because I feel like she's part of my family too so hello to all of my relatives out there. It was interesting, Norma and I have had a wonderful career together; she's one of my best friends in the building; she's one of my best advisors; she's made me a better person. You know, when I stepped away from leadership, I had the opportunity to go and work on policy and Norma would always get upset when I was leader because I would always do politics first and they sent me to Norma's committees – I think it was for her to keep an eye on me and she taught me a lot about how to be gracious, how to be a good listener, about how to put the people of Washington first and the other thing that Norma did was that she led with kindness in her heart. So often we get so upset here about such trivial things and Norma's kindness would always shine through. Even when she was really mad at you. So, she was the Ranking, I was the Assistant Ranking on ITED and I was the Ranking and she was the Assistant Ranking on Capital and we spent, for the last three years, an exorbitant amount of time together, which is a curse and a blessing. She is one of those people, though, that you can't help but be in a good mood when you're with Norma Smith and I will tell you, Norma, this institution is better because you've been here and if it's not

just your kindness and your spirituality, because you're one of the most spiritual women I've ever met, well nix that, spiritual person I've ever met because you're up there with my pastor and I look to you for spiritual guidance all the time. You prayed for me when I was sick, you've taught me to pray for myself, you've done so much to make me a better person but this institution is better because you're here and your citizens were better because you're here and you actually taught us about consumption which is a really hard thing to take a group of people and have them stop and think about what they consume and how they consume and where it comes from. So often it's so easy for us to think that we're driving an electric car and we're ok, but you remembered the children in the Congo and the batteries, and the rare-earth minerals and we always used to, during the legislature, go "Ok, here comes Norma. It's going to be a speech on rare-earth minerals." But you know, by the time we were done, we would just be like "Oh, we need to think about that." And the last thing, though, is I love how much you love your kids and your grandkids and, you know, my wife and I would come up and visit you over the summer and I appreciate all your hospitality and if you haven't gone on a tour of Norma's island, you need to because it's her island and meet her donkey and spend time with her and see the places that she values and holds dear and you are such an inspirational woman and I know why you're leaving, to go make the world a better place and to teach spirituality and to give people hope and inspiration in other parts of the world and I know how much you're going to change the world – even more than you ever changed it here but from one heart that's a better heart and a better Christian for knowing you, I just wanted to thank you and I am so sorry you're leaving but thank you."

Representative Mosbrucker: "Thank you Madam Speaker. I stand in full support and it's an honor to be here today for this resolution. So, not all angels live in heaven and some of our angels here are on earth and I would say that Norma's one of them. Permission to read? This is by Janet McCauley and this fits my love and affection for Norma. So, *Angels sent by God. Some angels live among us in an ordinary way. To carry out their mission, and with all of that they're ok. They do the work that glorifies the Father from above and every step they take on earth is filled with God's own love. They redirect the wayward and they comfort others still, they rescue and they enlighten, they share with us all, goodwill. So be careful who you talk to for you never really know that if you're talking with an angel sent by God to help you grow.* And Norma's helped me to grow. She's helped me to grow from the day I met her, from pizza at Vic's Pizzeria to pictures of her perfect grandchildren to just sitting next to her in the prayer group every Tuesday morning. It's a blessing to have her – she is the heartbeat of our caucus. I have no idea what it's going to be like without her in there, and she continued to bring faith to the Capitol, and for that I am grateful."

Representative Tharinger: Thank you, Madam Speaker. I'm honored to be able to speak to this resolution honoring Norma Smith. I think in the resolution I heard the words "loving" and "caring" many times, and that's very fitting. Norma brought loving and caring to our work and I work

with her probably most closely on the Capital Budget and her viewpoint on children's issues, mental health issues, behavioral health issues was loving and caring and I think our budgets were better for that. I will say, as Chair of the Capital Budget I had to negotiate the number of questions Representative Smith could ask at certain times because as people know, she has a lot of questions. They're good questions but they tend to be numerous and so we sometimes would negotiate how many questions she would get at any particular time. It was a gentle, friendly negotiation but I think it did move our committee along faster to not let Norma dominate the question periods with her questions because she's very involved, very engaged and has a lot of questions. But, we have, as you know, we've worked hard at having a Capital Budget team that is very bipartisan and Norma really brought that loving caring voice to our capital budget decisions and our capital budgets are more humane and more caring because of her Norma, so thank you."

Representative Wilcox: "Thank you Madam Speaker. Madam Speaker, some people come and go from the chamber and they're remembered for a while. We've got an analogy that gets used in our caucus quite a bit that talks about how easy it is to just slide that nameplate out and it is true. We've all seen members leave and, you know, I know we all want to be remembered but this is a place that's built around change and there's a new person that comes in, sits at their desk and pretty soon, you know, it's a whole new Legislature and the past is just forgotten. I'm pretty sure that that's not going to be the case with Norma. Norma has had, it turns out, maybe you've noticed this Madam Speaker, that we have a little bit of idle time on our hands here so we get to visit with people, sometimes late at night and so you learn an awful lot about people and I know that Norma is one of those people who've had several different lives. I know that one of those periods came to an end in a hard way and Norma has shared that with us. Norma's the kind of person that all of us share with too. I can think of many things that have troubled me that I probably haven't shared with anybody but Norma because you know that you can trust Norma. Boy, what a rare thing to say in the House of Representatives that here's a person that you can trust every second of the day. We know that that's a lot more common among politicians than people think but those watching on TVW may be surprised to hear that. There's a lot of words that you can associate with Norma: Obviously, sincerity – nobody here would ever question Norma's sincerity. Honesty, is always there, sometimes when it's painful and I'll tell you a little bit more about how my different roles in the Legislature has changed, given me different perspectives on Norma, and every one of them has been valuable. Nobody, that I've ever known in my life is both so sweet, nice and determined. People talk about Norma as if she's sort of this caricature of the person that you would always go to but they forget that the best way to describe her determination is that it is steely. You cannot divert Norma from her path when she knows that she's right. And that steely determination is driven by compassion. Nobody here is as undeviating when it comes to pursuing compassion in politics and in policy and I'm sure it's because these important human characteristics are behind all of her decisions that she is so determined. When I was the floor leader, the best arrow in the quiver of the

House Republican Caucus, I think, was Norma as a closer. I have never known anybody that just packs up the moral high-ground, puts it in her purse and carries it around and unpack it in a speech, because, Norma, when you're done with a speech that you believe in to and by the way, you can't ask Norma to give every speech. You can't ask Norma to close every debate. It's got to be a debate that she believes in but as the last speaker, in something we thought was important, when she was a believer, even though the votes go against us, the House Republicans go off feeling like winners. I don't mean this to diminish anybody else, but that's the power of Norma Smith to all of us. I think the last thing that I want to talk about when it comes to, maybe the second to last thing I want to talk about when it comes to Norma is all of those qualities put together. Some of you know that she has recently been on a different side on an important issue from most of our caucus; it's not easy to accommodate that in a caucus, especially as leader where you feel like you have to balance a lot of different issues. What made this such a great life lesson for me is that we were able to approach this from a position of perfect honesty and perfect openness and I learned more about how to do politics, you know in the inside the building way, and in the best possible way in the last two years from engaging with Norma in this and figuring out how can we do this with the greatest possible integrity and engaging with a person you know is unflinchingly honest and has unflinching integrity. What a great experience for me and I hope that it was plain to other people that that's the way Norma approaches this and what a great thing if we can all be more like Norma when it comes to politics inside this building. The last thing that I think is so critical, I think I mentioned that Norma has had a series of different segments in her life. Some people say I've lived a lot of different lives, or, that person's lived a million lives to my one. Norma's got at least one more, I know, and when you talk to Norma about this day, it's painful to lose her but she's excited. She's not someone that's looking back with regret, she's looking forward because one more time, Norma Smith is on a mission and I am so happy for you Norma. I am sad for us, like Richard said, but I am so happy because there are a bunch of people whose lives are going to be way better because you're leaving here and moving on to that life. So thanks for your life here, we won't forget you."

Representative Peterson: "Thank you Speaker Jenkins. Start off by saying I think it's ok that if you're speaking about Norma Smith and you get a little choked up, I think that's acceptable. I was honored to be asked to speak today and I've heard some great words about her compassion and her caring, all true. She's also a bit of a troublemaker. To the gentlemen from the 20<sup>th</sup> and 24<sup>th</sup> who spoke before me, yeah, she would really pull one over on you guys. As you might be arguing about oh, what's the other body doing with their Capital Budget, Norma would lean over to me and say "What kind of trouble can we cause" and it was really that attitude of causing trouble that probably 90% of us put in our newsletter that the Washington State Legislature has spent record amounts of money on mental health. That's the kind of trouble she would cause. She was still causing trouble but it was trouble for the people of Washington and really the people of the world. We love to bring things back to our

districts, here especially in the Capital Budget, that's some of the fun, but Norma never worried about what was going back to the 10<sup>th</sup> Legislative district, she was worried about what was going back to the people of Washington and it was great to watch and an honor to be a part of, an honor to be her partner in crime, at times, and cause trouble, and as has been said before, this is a better place because of you, Norma. This is a better state because of you. I am a better person because of you, and while I very much look forward to the ribbon cutting of the firelight toilet and coming up and meeting your miniature donkey, I will miss you every day that I am here. Thank you so much."

Representative Hansen: "Thank you Madam Speaker. Fortunately I got a heads-up about Representative Smith's announcement last week from the former Representative from the 10<sup>th</sup> district, Representative Hayes, before it happened, otherwise you would have to carry me out of here. So, this is very bad news. I know everyone says this is good news and good this will happen; for me this is very bad news. It is horrible to lose Representative Smith as a colleague and to that end, you may think we are done with introducing bills, I'd like you all to know that that is not correct, House Bill 2997 by Representative Hansen says that there will be mandatory run for reelection for anyone from the 10<sup>th</sup> district, position 1 who's name rhymes with Smorma Smith. We already have 97 co-sponsors, so I'm sorry, you will be staying with us for a little while. I've worked very closely with Representative Smith. We have this bad habit in politics of saying on the floor "my friend" or "my good friend" when really this just means someone else who serves in this body with me. Representative Smith actually is my good friend. We worked together for two years on derelict vessels; we both represent island communities and it's no small thing if a boat goes down and pollutes the sea floor and you have to shut down shellfish harvesting. We spent two years putting together a series of bipartisan proposals to totally re-write that area of environmental law and we passed them with overwhelming bipartisan support. We spent a year on net neutrality; the Representative and I co-wrote the first state level net-neutrality bill in the country that passed, as newspapers later said, with "rare bipartisanship." Maybe more importantly than all, we co-chaired the Governor's prayer breakfast for two years and that's really where we got to know each other first. When I walked in here for the first time, that was one of the first things I did was join the prayer fellowship where Norma was every Tuesday, reliably, and you know, look, people have been talking about her deep faith, that's really where Representative Smith and I kind of align most closely. Our politics, there's a little bit of a Ven diagram where we cross but our faith in the risen Lord is the complete overlap. I know in our faith, at least, everyone is equal in the eyes of the Lord and the Lord hears everyone's prayers and the Lord loves everyone; I am totally convinced that the Lord really really particularly loves Norma because there is, as I've said about her publicly before, there's a line in the psalms about blessed are the pure in heart for they shall see God in Jesus' teachings in the Beatitudes and that is Representative Smith. When I have needed prayer, I have pulled her out of her caucus to ask for prayer and when the Lord has put her on my heart, I have texted her and let her know and we end up speaking and praying together not

infrequently, more frequently than you would think for a Republican and a Democrat. But I think Norma's faith is not just something about her personal relationship with Jesus Christ, it deeply affects her policy positions; repeatedly and, as been mentioned before, she will be on the side of people who doesn't seem like has anyone to speak up for them as loudly as maybe they should and she is always the reminder that we do not serve in this body to represent a particular powerful interest whoever that may be. We serve in this body to represent people who may not feel like they have anyone to be their voice; that's fundamental to our shared faith and fundamental to Representative Smith's policies. So, it is horrible, obviously, to lose you as a colleague and I feel like I'm still learning new things about you, even today; I didn't know you had a donkey - this confirms for me what I always suspected, that you are truly a secret Democrat. But I've now had enough time to grieve and realize that ok, for now, we will have to say good bye but it is not forever and it is very hard, even for now, to say good bye to my good friend and my colleague and my sister in the Lord, but that we will be together again when we sing the song that never ends in the presence of the Savior. Thank you."

Representative Tarleton: "Well, thank you, Madam Speaker. A lot of you on this floor may or may not know I have been a roommate of Norma Smith for seven years. It is an astonishing experience to share stories that have nothing to do with this place when you know that what you're trying to figure out every morning is who takes a shower first, but we have sorted that out. Norma and I share, and we didn't know this until we started talking, we both have this really odd interest in national security policy going back to the very first parts of our careers. She was ahead of me but we overlapped in Washington DC and found that regardless of our different views, perhaps on politics, we shared very similar views on U.S. Congress. Norma and I also share an intense desire to tell stories about our dogs and we've shared many photos about dogs and our families and we've shared many fears about our colleagues here and family members who are suffering from all kinds of illness and concerns and we've also managed to cheer together even when we have just finished 14 hours on this floor when there was a well fought floor debate - whether or not we were on the same side of the debate. Norma, I just want to honor your love of music and family and community with quoting a song that has surrounded me my whole life from my family and my friends and, Madam Speaker, if you will allow me to recite this song, I'm not going to sing it but I can recite it from memory but I don't want to take credit for it. It is a Crosby, Stills, Nash & Young song, may I recite? Thank you Madam Speaker. This is for you Norma: *You who are on the road must have a code that you can live by and so become yourself because the past is just a good-bye. Teach your children well, their father's hell did slowly go by, and feed them on your dreams the one they picks, the one you'll know by. Don't you ever ask them why, if they told you, you would cry, so just look at them and sigh and know they love you. And you, of tender years, can't know the fears that your elders grew by, and so please feed them on your dreams the one you picks, the one they'll know by. And don't you ever ask them why, if they told you, you would cry, So just look at*

*them and sigh and know they love you.* Thank you Norma for all of your service to our state."

Representative Appleton: "Thank you Madam Speaker. Oh they changed it. They had Appleton up there this whole time and I thought oh geeze, we're inexplicably tied together and when I say that, I got on a plane for Florida, who do I see but Norma and I went "Huh" and she was visiting her son and grandchildren, right? Anyway, it was wonderful having someone I know on the plane. The other thing is, is that we did a widow's dinner at Marcia Fromhold's and there were six of us who went and it was a joyous time. It wasn't a sad time but it was really something to know that your fellow ladies, six of them, were widows at the same time. It seemed like our husbands all died around the same year. So, we won't go back to 2006, please. The last thing I have to say is Norma, you are terrific. I can't say the same things that everybody else said but I can tell you that I have respected and loved you since the beginning and I wish you Godspeed."

HOUSE RESOLUTION NO. 4684 was adopted.

The Speaker called upon Representative Orwall to preside.

#### SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to SUBSTITUTE HOUSE BILL NO. 1154 and asked the Senate to recede therefrom.

#### MESSAGE FROM THE SENATE

March 10, 2020

Madame Speaker:

The Senate has passed HOUSE BILL NO. 2848 with the following amendment:

42.0.

Strike everything after the enacting clause and insert the following:

This performance statement is only intended to be used for subsequent evaluation of the tax preference. (b) By June 30, 2021, the department must report on its web site the following for every previous funding cycle: The number of homeownership and multifamily rental projects funded by housing trust fund moneys; the percentage of housing trust fund investments made to homeownership and multifamily rental projects; and the total number of households being served at up to eighty percent of the area median income, up to fifty percent of the area median income, and up to thirty percent of the area median income, for both homeownership and multifamily rental projects.

(4)(a) The department, in cooperation with the housing finance commission, must develop and implement a process for the collection of certified final development cost data from each grant or loan recipient under this section. The department must use this data as part of its cost containment policy.

(b) Beginning December 1, 2019, and continuing annually, the department must provide the legislature with a report of its final cost data for each project under this section. Such cost data must, at a minimum, include total development cost per unit for each project completed within the past year, descriptive statistics such as average and median per unit costs, regional cost variation, and other costs that the department deems necessary to improve cost controls and enhance understanding of development costs. The department must coordinate with the housing finance commission to identify relevant development costs data and ensure that the measures are consistent across relevant agencies.

Clean Energy Transition 4 (40000042)

The appropriations in this section are subject to the following conditions and limitations:

(1) The appropriations are provided solely for projects that provide a benefit to the public through development, demonstration, and deployment of clean energy technologies that save energy and reduce energy costs, reduce harmful air emissions, or increase energy independence for the state. Priority must be given to projects that benefit vulnerable populations, including tribes and communities with high environmental or energy burden.

(2) In soliciting and evaluating proposals, awarding contracts, and monitoring projects under this section, the department must:

(a) Ensure that competitive processes, rather than sole source contracting processes, are used to select all projects, except as otherwise noted in this section; and

(b) Conduct due diligence activities associated with the use of public funds including, but not limited to, oversight of the project selection process, project monitoring, and ensuring that all applications and contracts fully comply with all applicable laws including disclosure and conflict of interest statutes.

(3)(a) Pursuant to chapter 42.52 RCW, the ethics in public service act, the department must require a project applicant to identify in application materials any state of Washington employees or former state employees employed by the firm or on the firm's governing board during the past twenty-four months. Application materials must identify the individual by name, the agency previously or currently employing the individual, job title or position held, and separation date. If it is determined by the department that a conflict of interest exists, the applicant may be disqualified from further consideration for award of funding.

(b) If the department finds, after due notice and examination, that there is a violation of chapter 42.52 RCW, or any similar statute involving a grantee who received funding under this section, either in procuring or performing under the grant, the department in its sole discretion may

terminate the funding grant by written notice. If the grant is terminated, the department must reserve its right to pursue all available remedies under law to address the violation.

(4) The requirements in subsections (2) and (3) of this section must be specified in funding agreements issued by the department.

(5) \$6,107,000 of the state building construction account—state appropriation is provided solely for grid modernization grants for projects that: Advance clean and renewable energy technologies and transmission and distribution control systems; support integration of renewable energy sources, deployment of distributed energy resources, and sustainable microgrids; and increase utility customer options for energy sources, energy efficiency, energy equipment, and utility services.

(a) Projects must be implemented by public and private electrical utilities that serve retail customers in the state. Priority must be given to: (i) Projects that benefit vulnerable populations, including tribes and communities with high environmental or energy burden; and (ii) projects that have a partner that is a tribe or nonprofit organization that serves community eligible entities. Utilities may partner with other public and private sector research organizations, businesses, tribes, and nonprofit organizations in applying for funding.

(b) The department shall develop a grant application process to competitively select projects for grant awards, to include scoring conducted by a group of qualified experts with application of criteria specified by the department. In development of the application criteria, the department shall, to the extent possible, allow smaller utilities or consortia of small utilities to apply for funding.

(c) Applications for grants must disclose all sources of public funds invested in a project.

(d) \$4,400,000 of the state building construction account—state appropriation is provided solely for providing shore power electrification at terminal five for the northwest seaport alliance. In order to receive this grant, the northwest seaport alliance must demonstrate that they applied to the VW settlement for this project and were denied.

(6)(a) \$8,100,000 of the state building construction account—state appropriation is provided solely for competitive grants for strategic research and development for new and emerging clean energy technologies. These grants will be used to match federal or other nonstate funds to research, develop, and demonstrate clean energy technologies.

(b) The department shall consult and coordinate with the University of Washington, Washington State University, the Pacific Northwest national laboratory and other clean energy organizations to design the grant program. Clean energy organizations who compete for grants from the program may not participate in the design of the grant program. Criteria for the grant program must include life cycle cost analysis for projects that are part of the competitive process.

(c) The program may include, but is not limited to: Solar technologies, advanced bioenergy and biofuels, development of new earth abundant materials or lightweight materials, advanced energy storage, battery components recycling, and new renewable energy and energy efficiency technologies.

(d) \$1,000,000 of the state building construction account—state appropriation is provided solely for grants that enhance the viability of dairy digester bioenergy projects, energy efficiency, and resource recovery to demonstrate advanced nutrient recovery systems that produce value added biofertilizers, reduce trucking of lagoon water, and improve soil health and air and water quality. Grants shall include at least one project east of the Cascades and one project west of the Cascades. State agencies must promote and demonstrate the use of such recovered biofertilizers through state procurement and contracts.

(7)(a) \$3,000,000 of the state taxable building construction account—state appropriation is provided solely as grants to nonprofit lenders to create a revolving loan fund to support the widespread use of proven energy efficiency and renewable energy technologies by or for the benefit of households with high energy burden or environmental health risk now inhibited by lack of access to capital.

(b) The department shall provide grant funds to one or more competitively selected nonprofit lenders that will provide at least fifteen percent matching private capital and will administer the loan fund. The department must select the loan fund administrator or administrators through a competitive process, with scoring conducted by a group of qualified experts, applying criteria specified by the department.

(c) The department must establish guidelines that specify applicant eligibility, the screening process, and evaluation and selection criteria. The guidelines must be used by the nonprofit lenders.

The instruments will support collaborations with the University of Washington and the Washington State University.

(10) \$593,000 of the state building construction account—state appropriation is provided solely to the port of Grays Harbor for an offshore ocean wave renewable energy demonstration project.

Amounts provided in this section may be used for construction and equipment costs associated with establishment of the facilities. The department of commerce may approve funding for the acquisition of a facility or land if the project results in increased capacity.

Amounts provided in this section may not be used for operating costs associated with the treatment of patients using these services.

(2) The department must establish criteria for the issuance of the grants, which must include:

(a) Evidence that the application was developed in collaboration with one or more regional behavioral health entities that administer the purchasing of services;

(b) Evidence that the applicant has assessed and would meet gaps in geographical behavioral health services needs in their region;

(c) Evidence that the applicant is able to meet applicable licensing and certification requirements in the facility that will be used to provide services;

(d) A commitment by applicants to serve persons who are publicly funded and persons detained under the involuntary treatment act under chapter 71.05 RCW;

(e) A commitment by the applicant to maintain and operate the beds or facility for a time period commensurate to the state investment, but for at least a fifteen-year period;

(3) In awarding funding for projects in subsection (5) of this section, the department, in consultation with the advisory group established in subsection (1) of this section, must strive for geographic distribution and allocate funding based on population and service needs of an area. The department must consider current services available, anticipated services available based on projects underway, and the service delivery needs of an area.

(f) \$8,000,000 is provided solely for the department to provide grants to community hospitals, freestanding evaluation and treatment providers, or freestanding psychiatric hospitals to develop capacity for beds to serve individuals on ninety-day or one hundred eighty-day civil commitments as an alternative to treatment in the state hospitals. In awarding this funding, the department must coordinate with the department of social and health services, the health care authority, and the department of health and must only select facilities that meet the following conditions:

#### FOR THE DEPARTMENT OF COMMERCE

##### 2020 Local and Community Projects (40000116)

The appropriation in this section is subject to the following conditions and limitations:

(1) The department shall not expend the appropriation in this section unless and until the nonstate share of project costs have been either expended or firmly committed, or both, in an amount sufficient to complete the project or a distinct phase of the project that is useable to the public for the purpose intended by the legislature. This requirement does not apply to projects where a share of the appropriation is for design costs only.

(2) Prior to receiving funds, project recipients must demonstrate that the project site is under control for a minimum of ten years, either through ownership or a long-term lease. This requirement does not apply to appropriations for preconstruction activities or appropriations in which the sole purpose is to purchase real property that does not include a construction or renovation component.

(3) Projects funded in this section may be required to comply with Washington's high performance building standards as required by chapter 39.35D RCW.

(4) Project funds are available on a reimbursement basis only, and shall not be advanced under any circumstances.

The predesign must include details and costs for temporary office space on Capitol Campus, for which modular space is an option, to be used at least during the construction of the building for Irv Newhouse occupants. The predesign must also consider an additional floor for the Irv Newhouse building, and this component of predesign must not delay nor impact the final predesign deliverable date. The predesign must assume the following:

(ii) A building facade similar to the American neoclassical style of existing legislative buildings on Capitol Campus;

(iii) Member offices of similar size as member offices in the John A. Cherberg building;

(iv) Design and construction of a high performance building that meets net-zero-ready energy standards, with an energy use intensity of no greater than thirty-five;

(v) Building construction that must be procured using a performance-based contracting method, such as design-build, and must include an energy performance guarantee comparing actual performance data with the energy design target;

(vi) Temporary office space on Capitol Campus, for which modular space is an option, to be used during the construction of the building. Maximizing efficient use of modular space with Pritchard renovation or replacement must be considered;

(vii) Demolition of the buildings, not including the visitor center, located on opportunity site six. Demolition costs must not exceed six hundred thousand dollars; and

(viii) At least bimonthly consultation with the senate facilities and operations committee or their designee(s).

(b) With respect to the Pritchard building replacement or renovation, and renovation of the third and fourth floors of the John L. O'Brien building, the predesign must assume the following:

(i) The necessary program space required to support house of representatives offices and support functions;

(ii) Building construction that must be procured using a performance-based contracting method, such as design-build, and must include an energy performance guarantee comparing actual performance data with the energy design target;

(iii) Design and construction that meets net-zero-ready energy standards, with an energy use intensity of no greater than thirty-five;

(iv) The detail and cost of temporary office space on Capitol Campus, for which modular space is an option, to be used during the construction of the buildings for state employed occupants of any impacted building. Maximizing efficient use of modular space with the Newhouse replacement must be considered; and

(ii) The amount of parking on the capitol campus remains the same or increases as a result of the legislative campus modernization construction projects; and

(iii) Options for relocation of the occupants of impacted buildings that are not employed by the state to alternative locations, including, but not limited to, the visitor center.

(d) The legislative campus modernization predesign must include an analysis of comparative costs and benefits of locations for needed space, to include the following considerations:

(i) An additional floor added to the Irv Newhouse building replacement, and this component of design must not delay nor impact the final predesign deliverable date;

(ii) Additional space added to the Pritchard replacement or renovation;

(iii) The impact to options to maintain, or increase, the amount of parking on Capitol Campus; and

(iv) Space needed for legislative support agencies.

(e) The final predesign must include an analysis of the relative costs and benefits of designing and constructing the projects authorized under this section under a single contract or individual subproject contracts, based on an evaluation of, at least, the following criteria:

(i) The interdependency and interaction of the design and construction phases of the subprojects;

(ii) Subproject phasing and sequencing, including the timing and utilization of modular temporary office space on Capitol Campus during the construction phases;

(iii) Potential cost efficiencies under each subproject;

(iv) Provide an evaluation for the most efficient and effective contracting method for subproject delivery, including design-bid-build, general contractor/construction manager, and design-build for each subproject; and

(v) Other collateral impacts.

(f) The department must have a check-in meeting by October 1, 2020, with the administrative office of the senate, the administrative office of the house of representatives, and the legislative capital budget leads. This check-in meeting must be after the predesign is submitted to the office of financial management and legislative fiscal committees.

(1) Nothing in this section alters the obligation set forth in the permanent injunction, including the compliance deadline, entered on March 29, 2013, in *United States v. Washington*, sub-proceeding 01-1 (Culverts), or the guidelines for compliance within the specified timeline with the permanent injunction as developed by the state agencies during the implementation process.

(2) Nothing in this section creates an obligation on the part of the state to provide funding for corrections for nonstate-owned culverts. Nothing in this section precludes the state from providing funding for corrections for nonstate-owned culverts.

(3) In order to provide recommendations, the Brian Abbott fish barrier removal board must develop a comprehensive statewide culvert remediation plan that works in conjunction with the state approach and that fully satisfies the requirements of the *United States v. Washington* permanent injunction and makes both local and state funding recommendations for additional nonstate barrier corrections across state culvert correction programs that maximize the fisheries habitat gain and other benefits to prey available for southern resident killer whale and salmon recovery.

(4) The comprehensive statewide culvert remediation plan must be consistent with the principles and requirements of the *United States v. Washington* permanent injunction and RCW 77.95.180 and must achieve coordinated investment strategy goals of permanent injunction compliance and the following additional resource benefits. The Brian Abbott fish barrier removal board chair, representing the board and the appropriate department of fish and wildlife executive management, shall consult with tribes to develop a watershed approach. Provided it is consistent with the *United States v. Washington* permanent injunction, prioritization of barrier corrections must be developed on a watershed basis and must maximize the following resource priorities:

(a) Stocks that are listed as threatened or endangered under the federal endangered species act;

(b) Stocks that contribute to protection and recovery of southern resident orca whales;

(c) Critical stocks of anadromous fish that limit or prevent harvest of anadromous fish, as identified in the Pacific salmon treaty; and

(d) Weak stocks of anadromous fish that limit or prevent harvest of anadromous fish, as determined in North of Cape Falcon process.

(5) The comprehensive statewide culvert remediation plan must include recommendations on methods and procedures for state agencies and local governments to complete and maintain accurate barrier inventories. This plan must also allow for efficient bundling of projects to minimize disruption to the public due to construction as well as adjustments in response to obstacles and opportunities encountered during delivery.

(6) The Brian Abbott fish barrier removal board must also:

(a) Provide to the office of financial management and the fiscal committees of the legislature its recommendation as to statutory or policy changes, or budget needs for the board or state capital budget programs, for better implementation and coordination among the state's culvert correction programs by January 15, 2021; and

(b) Develop a plan to seek and maximize the chances of success of significant federal investment in the comprehensive statewide culvert remediation plan.

(7) It is the intent of the legislature that, in developing future budgets, state agencies administering state culvert correction programs will recommend, to the maximum extent possible, funding in their culvert correction programs for correction of barriers that are part of the comprehensive statewide culvert remediation plan developed by the Brian Abbott fish barrier removal board under this section.

(8) By November 1, 2020, and March 1, 2021, the Brian Abbott fish barrier removal board and the department of transportation must provide updates on the development of the statewide culvert remediation plan to the office of financial management and the legislative fiscal committees. The first update must include a project timeline and plan to ensure that all agencies with culvert correction programs are involved in the creation of the comprehensive plan.

(9) Prior to presenting the comprehensive statewide culvert remediation plan, the Brian Abbott fish barrier removal board must present the status of the plan to the annual Washington state and Western Washington treaty tribes fish passage barrier repair progress and coordination meeting. The board must submit the comprehensive statewide culvert remediation plan and the process by which it will be adaptively managed over time to the governor and the legislative fiscal committees by January 15, 2021.

**FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION**

2019-21 Small District Modernization Grants (92000139)

The appropriation in this section is subject to the following conditions and limitations:

(1) The legislature finds that small school districts with total enrollments of one thousand students or less may have school facilities with significant building systems deficiencies and low property values, and that raising enough funds to participate in the school construction assistance program to replace or modernize their school facilities would present an extraordinary tax burden on property owners or would exceed allowable debt.

(2) \$200,000 of the appropriation is provided solely for the office of the superintendent of public instruction to administer the grant program and provide technical assistance to small school districts seeking grants funded in this section.

(3) ~~(\$1,000,000))~~ \$957,000 of the appropriation is provided solely for planning grants for small school districts interested in seeking modernization grants in subsection (4) of this section. The superintendent may prioritize planning grants for school districts with the most serious building deficiencies and the most limited financial capacity. Planning grants may not exceed \$50,000 per district.

(4) The remaining portion of the appropriation is provided solely for modernization grants for small school districts with significant building system deficiencies and limited financial capacity with the following conditions:

(a) The superintendent of public instruction must appoint an advisory committee whose members have experience in financing and managing school facilities in small school districts to assist the office in designing the grant application process, developing the prioritization criteria, and evaluating the grant applications. Advisory committee members may not be involved in developing projects or applying for grants funded in this section.

(b) In addition to prioritization criteria developed by the office of the superintendent of public instruction and the advisory committee pursuant to (4)(a) of this section, the office and the advisory committee must also prioritize projects that: (i) Improve student health, safety, and academic performance for the largest number of students; (ii) provide the most available school district resources, including in-kind resources; and (iii) make use of mass-timber products, including cross-laminated timber, or aggregates and concretes materials.

(c) The superintendent must submit a list of small school district modernization projects, as prioritized by the advisory committee, to the legislature by January 15, 2020. The list must include: (i) A description of the project; (ii) the proposed state funding level, not to exceed \$5,000,000; (iii) estimated total project costs; and (iv) local funding

resources. The appropriated funds in this subsection may be awarded only ~~((after the legislature approves the list))~~ to projects approved by the legislature, as identified in LEAP capital document No. 2020-51, developed March 6, 2020.

(5) For projects in this section that are also eligible for funding through the school construction assistance program, the office of the superintendent of public instruction must expedite and streamline the administrative requirements, timelines, and matching requirements for the funds provided in this section to be used promptly. Funds provided in this section plus state funds provided in the school construction assistance program grant must not exceed total project costs minus available local resources.

"Total anticipated cost" means the sum of the anticipated cost of the predesign, design, and construction phases of the project.

(2) Appropriations for design may not be expended or encumbered until the office of financial management has reviewed and approved the agency's predesign.

(3) The predesign must explore at least three project alternatives. These alternatives must be both distinctly different and viable solutions to the issue being addressed. The chosen alternative should be the most reasonable and cost-effective solution. The predesign document must include, but not be limited to, program, site, and cost analysis, and an analysis of the life-cycle costs of the alternatives explored, in accordance with the predesign manual adopted by the office of financial management.

(4) The office of financial management may make an exception to some or all of the predesign requirements in this section ((after notifying the legislative fiscal committees and waiting ten days for comment by the legislature regarding the proposed exception)). (f) Whether any other factors related to project complexity or risk, as determined by the office of financial management, could reduce the need for, or scope of, a predesign.

(6) If under this section some or all predesign requirements are waived, the office of financial management may instead propose a professional project cost estimate instead of a request for predesign funding.

**NEW SECTION. Sec. 7004.** If Substitute House Bill No. 2936 (predesign) is not enacted by June 30, 2020, section 7003 of this act is null and void.

(4) The terms and conditions of the sale must meet the business needs of the state tenants.

The total amount of recommended state funding for projects on a biennial project list shall not exceed twelve million dollars, except that lists submitted during the 2019-2021 fiscal biennium may not exceed sixteen million dollars.

(b) The department shall establish a competitive process to prioritize applications for state assistance as follows:

(i) The department shall conduct a statewide solicitation of project applications from nonprofit

organizations, local governments, and other entities, as determined by the department. The department shall evaluate and rank applications in consultation with a citizen advisory committee, including a representative from the state arts commission, using objective criteria. The evaluation and ranking process shall also consider local community support for projects and an examination of existing assets that applicants may apply to projects.

(ii) The department may establish the amount of state grant assistance for individual project applications but the amount shall not exceed twenty percent, or thirty-three and one-third percent for lists submitted during the 2019-2021 fiscal biennium, of the estimated total capital cost or actual cost of a project, whichever is less. The remaining portions of the project capital cost shall be a match from nonstate sources. The nonstate match may include cash, the value of real property when acquired solely for the purpose of the project, and in-kind contributions. The department is authorized to set matching requirements for individual projects. State assistance may be used to fund separate definable phases of a project if the project demonstrates adequate progress and has secured the necessary match funding.

(iii) The department shall not sign contracts or otherwise financially obligate funds under this section until the legislature has approved a specific list of projects. In contracts for grants authorized under this section, the department shall include provisions requiring that capital improvements be held by the grantee for a specified period of time appropriate to the amount of the grant and that facilities be used for the express purpose of the grant. If the grantee is found to be out of compliance with provisions of the contract, the grantee shall repay to the state general fund the principal amount of the grant plus interest calculated at the rate of interest on state of Washington general obligation bonds issued most closely to the date of authorization of the grant.

#### MESSAGE FROM THE SENATE

March 10, 2020

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2116 with the following amendment:  
7011.0.

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 7012.** The legislature recognizes that the federal every student succeeds act of 2015, P.L. 114-95, reauthorized and amended the elementary and secondary education act of 1965, the federal policy and funding assistance framework for the nation's public education system.

Two of the stated purposes of the every student succeeds act are to provide all children with a significant opportunity to receive a fair, equitable, and high quality education, and to close educational achievement gaps.

The legislature further recognizes that Article IX of the state Constitution provides that it is the paramount duty of the state to make ample provision for the education of all children residing within its borders, without distinction or preference on account of race, color, caste, or sex.

While the partnership of federal and state law is critical in ensuring that the civil and education rights of students are upheld, efforts in Washington to fully realize state and federal objectives, especially with respect to the delivery of education services in institutional facilities, remain unfinished.

The legislature, therefore, intends to establish a task force on improving institutional education programs and outcomes, with tasks and duties generally focused on educational programs in the juvenile justice system. In so doing, the legislature intends to examine issues that have not been significantly explored in recent years, build a shared understanding of past and present circumstances, and develop recommendations for improving the delivery of education services, and associated outcomes, for youth in institutional facilities.

**NEW SECTION. Sec. 7013.** (1)(a) The task force on improving institutional education programs and outcomes is established, with members as provided in this subsection.

(i) The president of the senate shall appoint one member from each of the two largest caucuses of the senate, with each member serving on the committee with jurisdiction over education issues, and one member serving on the committee with jurisdiction over basic education funding.

(ii) The speaker of the house of representatives shall appoint one member from each of the two largest caucuses of the house of representatives, with one member serving on the committee with jurisdiction over education issues, and one member serving on the committee with jurisdiction over basic education funding.

(iii) The governor shall appoint one member each from the state board of education and the department of children, youth, and families, and one member representing an organization that provides free legal advice to youth who are involved in, or at risk of being involved in, the juvenile justice system.

(iv) The superintendent of public instruction shall appoint three members: One member representing the superintendent of public instruction; one member who is a principal from a school district with at least twenty thousand enrolled students that provides education services to a juvenile rehabilitation facility; and one member who is a teacher with expertise in providing education services to residents of a juvenile rehabilitation facility.

(v) The task force must also include one member representing the educational opportunity gap oversight and accountability committee, selected by the educational opportunity gap oversight and accountability committee.

(b) The task force shall choose its cochair from among its legislative membership. One cochair must be from a minority caucus in one of the two chambers of the legislature. A member from the majority caucus of the house of representatives shall convene the initial meeting of the task force by May 1, 2020.

(2) The task force shall examine the following issues:

(a) Goals and strategies for improving the coordination and delivery of education services to youth involved with the juvenile justice system, especially youth in juvenile rehabilitation facilities, and children receiving education services, including home or hospital instruction, under RCW 28A.155.090;

(b) The transmission of student records, including individualized education programs and plans developed under section 504 of the rehabilitation act of 1973, for students in institutional facilities, and recommendations for ensuring that those records are available to the applicable instructional staff within two business days of a student's admission to the institution;

(c) Goals and strategies for increasing the graduation rate of youth in institutional facilities, and in recognition of the transitory nature of youth moving through the juvenile

justice system, issues related to grade level progression and academic credit reciprocity and consistency to ensure that:

(i) Core credits earned in an institutional facility are considered core credits by public schools that the students subsequently attend; and

(ii) Public school graduation requirements, as they applied to a student prior to entering an institutional facility, remain applicable for the student upon returning to a public school;

(d) Goals and strategies for assessing adverse childhood experiences of students in institutional education and providing trauma-informed care;

(e) An assessment of the level and adequacy of basic and special education funding for institutional facilities. The examination required by this subsection (2)(e) must include information about the number of students receiving special education services in institutional facilities, and a comparison of basic and special education funding in institutional facilities and public schools during the previous ten school years;

(f) An assessment of the delivery methods, and their adequacy, that are employed in the delivery of special education services in institutional facilities, including associated findings;

(g) School safety, with a focus on school safety issues that are applicable in institutional facilities; and

(h) Special skills and services of faculty and staff, including associated professional development and nonacademic supports necessary for addressing social emotional and behavioral health needs presenting as barriers to learning for youth in institutional facilities.

(3) The task force, in completing the duties prescribed by this section, shall solicit and consider information and perspectives provided by the department of corrections and persons and entities with relevant interest and expertise, including from persons with experience reintegrating youth from institutional facilities into school and the community at large, and from persons who provide education services in secure facilities housing persons under the age of twenty-five, examples of which include county jails, juvenile justice facilities, and community facilities as defined in RCW 72.05.020.

(4) Staff support for the task force must be provided by the senate committee services and the house of representatives office of program research. The office of financial management, the office of the superintendent of public instruction, the department of children, youth, and families, and the department of corrections shall cooperate with the task force and provide information as the cochair requests.

(5) Legislative members of the task force are to be reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, government

entity, or other organization. Any reimbursement for other nonlegislative members is subject to chapter 43.03 RCW.

(6) The expenses of the task force must be paid jointly by the senate and the house of representatives. Task force expenditures are subject to approval by the senate facilities and operations committee and the house of representatives executive rules committee, or their successor committees.

(7) In accordance with RCW 43.01.036, the task force shall report its findings and recommendations to the governor and the appropriate committees of the house of representatives and the senate by December 15, 2020, in time for the legislature to take action on legislation that is consistent with the findings and recommendations during the 2021 legislative session. The findings and recommendations may also include recommendations for extending the duration of the task force.

(8) This section expires June 30, 2021.

**NEW SECTION. Sec. 7014.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

On page 1, line 2 of the title, after "outcomes;" strike the remainder of the title and insert "creating new sections; providing an expiration date; and declaring an emergency."

and the same is herewith transmitted.

### MESSAGE FROM THE SENATE

March 10, 2020

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2711 with the following amendment:

7018.0.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1) The legislature finds that students in foster care, experiencing homelessness, or both, have the lowest high school graduation and postsecondary completion outcomes compared to other student populations. The legislature also finds that these students change schools at significantly higher rates than their general student population peers, and that these changes can disrupt academic progress. The legislature further finds that these students have disproportionate suspension and expulsion rates, and require special education services at much higher rates than other students.

(2) The legislature acknowledges that, as a result, only forty-six percent of Washington students who experienced foster care during high school, and fifty-five percent of students experiencing homelessness, graduated from high school on time in 2018. By comparison, the statewide four-year graduation rate for the class of 2019 was nearly eighty-one percent. Furthermore, students of color are disproportionately represented in the foster care system and in homeless student populations, and their academic outcomes are significantly lower than their white peers. Additionally, students who do not achieve positive education outcomes experience high rates of unemployment, poverty, adult homelessness, and incarceration.

(3) The legislature, therefore, intends to provide the opportunity for an equitable education for students in foster care, experiencing homelessness, or both. In accomplishing this goal, the legislature intends to achieve parity in education outcomes for these students, both in comparison to their general student population peers and throughout the education continuum of prekindergarten to postsecondary education.

(4) In 2018 the legislature directed the department of children, youth, and families and other entities in chapter 299, Laws of 2018, to convene a work group focused on students in foster care and students experiencing homelessness. The legislature resolves to continue this work group to improve education outcomes for these students.

**NEW SECTION. Sec. 2.** A new section is added to chapter 28A.300 RCW to read as follows:

(1) The office of the superintendent of public instruction, in collaboration with the department of children, youth, and families, the office of homeless youth prevention and protection programs of the department of commerce, and the student achievement council, shall convene a work group to address the needs of students in foster care, experiencing homelessness, or both. Nothing in this section prevents the office of the superintendent of public instruction from using an existing work group created under the authority of section 223(1)(bb), chapter 299, Laws of 2018, with modifications to the membership and duties, to meet the requirements of this section. The work group, which shall seek to promote continuity with efforts resulting from section 223(1)(bb), chapter 299, Laws of 2018, must include representatives of nongovernmental agencies and representation from the educational opportunity gap oversight and accountability committee. The work group must also include four legislative members who possess experience in issues of education, the foster care system, and homeless youth, appointed as follows:

(a) The president of the senate shall appoint one member from each of the two largest caucuses of the senate.

(b) The speaker of the house of representatives shall appoint one member from each of the two largest caucuses of the house of representatives.

(2) The work group shall develop recommendations to promote the following for students who are in foster care, experiencing homelessness, or both:

(a) The achievement of parity in education outcomes with the general student population; and

(b) The elimination of racial and ethnic disparities for education outcomes in comparison to the general student population.

(3) In developing the recommendations required by subsection (2) of this section, the work group shall:

(a) Review the education outcomes of students in foster care, experiencing homelessness, or both, by examining data, disaggregated by race and ethnicity, on:

(i) Kindergarten readiness, early grade reading and math, eighth and ninth grade students on track to graduate, high school completion, postsecondary enrollment, and postsecondary completion; and

(ii) School attendance, school mobility, special education status, and school discipline;

(b) Evaluate the outcomes, needs, and service array for students in foster care, experiencing homelessness, or both, and the specific needs of students of color and students with special education needs;

(c) Engage stakeholders, including students in foster care, experiencing homelessness, or both, foster parents and relative caregivers, birth parents, caseworkers, school districts and educators, early learning providers, postsecondary institutions, and federally recognized tribes, to provide input on the development of recommendations; and

(d)(i) Submit annual reports to the governor, the appropriate committees of the legislature, and the educational opportunity gap oversight and accountability committee by October 31, 2021, 2022, and 2023 that identify:

(A) Progress the state has made toward achieving education parity for students in foster care, experiencing homelessness, or both; and

(B) Recommendations that can be implemented using existing resources, rules, and regulations, and those that would require policy, administrative, and resource allocation changes prior to implementation.

(ii) Reports required by (d) of this subsection may include findings and recommendations regarding the feasibility of developing a case study to examine or implement recommendations of the work group.

(4) The work group, in accordance with RCW 43.01.036, must submit a final report to the governor, the appropriate committees of the legislature, and the educational opportunity gap oversight and accountability committee by July 1, 2024. The final report must include the recommendations required by subsection (2) of this section and may include a plan for achieving the recommendations specified in subsection (2) of this section.

(5) To assist the work group in the completion of its duties, the following apply:

(a) The office of the superintendent of public instruction, department of children, youth, and families, the student achievement council, and the office of homeless youth prevention and protection programs of the department of commerce shall provide updated education data and other necessary data to the education data center established under RCW 43.41.400; and

(b) The education data center shall provide annual reports to the work group regarding education outcomes specified in subsection (3)(a)(i) and (ii) of this section by March 31, 2021, 2022, and 2023. If state funds are not available to produce the reports, the work group may pursue supplemental private funds to fulfill the requirements of this subsection (5)(b).

(6) Nothing in this section permits disclosure of confidential information protected from disclosure under federal or state law, including but not limited to information protected under chapter 13.50 RCW. Confidential information received by the work group retains its confidentiality and may not be further disseminated except as permitted by federal and state law.

(7) For the purposes of this section, "students in foster care, experiencing homelessness, or both" includes students who are in foster care or experiencing homelessness, and students who have been homeless or in foster care, or both.

(8) This section expires December 31, 2024.

**Sec. 3.** RCW 74.13.1051 and 2017 3rd sp.s. c 6 s 405 are each amended to read as follows:

(1) In order to proactively support foster youth to complete high school, enroll and complete postsecondary education, and successfully implement their own plans for their futures, the department, the student achievement council, and the office of the superintendent of public instruction shall enter into, or revise existing, memoranda of understanding that:

(a) Facilitate student referral, data and information exchange, agency roles and responsibilities, and cooperation and collaboration among state agencies and nongovernmental entities; and

(b) Effectuate the transfer of responsibilities from the department to the office of the superintendent of public instruction with respect to the programs in RCW 28A.300.592, and from the department to the student achievement council with respect to the program in RCW 28B.77.250 in a smooth, expedient, and coordinated fashion.

(2) The student achievement council and the office of the superintendent of public instruction shall establish a set of indicators relating to the outcomes provided in RCW 28A.300.590 and 28A.300.592 to provide consistent services for youth, facilitate transitions among contractors, and support outcome-driven contracts. The student achievement council and the superintendent of public instruction shall collaborate with nongovernmental contractors and the department to develop a list of the most critical indicators, establishing a common set of indicators to be used in the outcome-driven contracts in RCW 28A.300.590 and 28A.300.592. ~~((A list of these indicators~~

must be included in the report provided in subsection (3) of this section.

~~(3) By November 1, 2017, and biannually thereafter, the department, the student achievement council, and the office of the superintendent of public instruction, in consultation with the nongovernmental entities engaged in public-private partnerships shall submit a joint report to the governor and the appropriate education and human services committees of the legislature regarding each of these programs, individually, as well as the collective progress the state has made toward the following goals:~~

~~(a) To make Washington number one in the nation for foster care graduation rates;~~

~~(b) To make Washington number one in the nation for foster care enrollment in postsecondary education; and~~

~~(c) To make Washington number one in the nation for foster care postsecondary completion.~~

~~(4) The department, the student achievement council, and the office of the superintendent of public instruction, in consultation with the nongovernmental entities engaged in public-private partnerships, shall also submit one report by November 1, 2018, to the governor and the appropriate education and human service committees of the legislature regarding the transfer of responsibilities from the department to the office of the superintendent of public instruction with respect to the programs in RCW 28A.300.592, and from the department to the student achievement council with respect to the program in RCW 28B.77.250 and whether these transfers have resulted in better coordinated services for youth.))~~

NEW SECTION. Sec. 4. RCW 28A.300.8001 (Plan for cross-system collaboration to promote educational stability and improve educational outcomes for foster children—Reports) and 2012 c 163 s 10 are each repealed."

(a) Information on the travel times and travel time reliability (at a minimum, average and 90th percentile travel times) maintained during peak and nonpeak periods in the express toll lanes and general purpose lanes for both the entire corridor and commonly made trips in the corridor including, but not limited to, northbound from Bellevue to Rose Hill, state route number 520 at NE 148th to Interstate 405 at state route number 522, Bellevue to Bothell (both NE 8th to state route number 522 and NE 8th to state route number 527), and a trip internal to the corridor (such as NE 85th to NE 160th) and similar southbound trips;

(b) A month-to-month comparison of travel times and travel time reliability for the entire corridor and commonly made trips in the corridor as specified in (a) of this subsection since implementation of the express toll lanes and, to the extent available, a comparison to the travel times and travel time reliability prior to implementation of the express toll lanes;

(c) Total express toll lane and total general purpose lane traffic volumes, as well as per lane traffic volumes for each type of lane (i) compared to total express toll lane and total general purpose lane traffic volumes, as well as per lane traffic volumes for each type of lane, on this segment of Interstate 405 prior to implementation of the express toll lanes and (ii) compared to total express toll lane and total general purpose lane traffic volumes, as well as per lane traffic volumes for each type of lane, from month to month since implementation of the express toll lanes; and

(d) Underlying congestion measurements, that is, speeds, that are being used to generate the summary graphs provided, to be made available in a digital file format.

(3)(a) ~~((~~\$71,000~~))~~ \$2,114,000 of the ~~((high occupancy))~~ Interstate 405 and state route number 167 express toll lanes ((operations)) account—state appropriation, ~~((~~\$1,238,000~~))~~ \$4,920,000 of the state route

(b) The department shall continue to work with the office of financial management, office of the chief information officer, and the transportation committees of the legislature on the project management plan that includes a provision for independent verification and validation of contract deliverables from the successful bidder and a provision for quality assurance that includes reporting independently to the office of the chief information officer on an ongoing basis during system implementation.

(4) The department shall make detailed quarterly reports to the transportation committees of the legislature and the public on the department's web site on the following:

(a) The use of consultants in the tolling program, including the name of the contractor, the scope of work, the type of contract, timelines, deliverables, any new task orders, and any extensions to existing consultant contracts;

(b) The nonvendor costs of administering toll operations, including the costs of staffing the division, consultants, and other personal service contracts required for technical oversight and management assistance, insurance, payments related to credit card processing, transponder purchases and inventory management, facility operations and maintenance, and other miscellaneous nonvendor costs;

(c) The vendor-related costs of operating tolled facilities, including the costs of the customer service center, cash collections on the Tacoma Narrows bridge, electronic payment processing, and toll collection equipment maintenance, renewal, and replacement;

(6) In calendar year 2021, toll equipment on the Tacoma Narrows Bridge will have reached the end of its operational life. During the 2019-2021 fiscal biennium, the department plans to issue a request for proposals as the first stage of a competitive procurement process that will replace the toll equipment and select a new tolling operator for the Tacoma Narrows Bridge. The request for proposals and subsequent competitive procurement must incorporate elements that prioritize the overall goal of lowering costs per transaction for the facility, such as incentives for innovative approaches which result in lower transactional costs, requests for efficiencies on the part of the bidder that lower operational costs, and incorporation of technologies such as self-serve credit card machines or other point-of-payment technologies that lower costs or improve operational efficiencies.

(7) (~~(\$19,362,000))~~ \$18,840,000 of the Alaskan Way viaduct replacement project account—state appropriation is provided solely for the new state route number 99 tunnel toll facility's expected share of collecting toll revenues, operating customer services, and maintaining toll collection systems. The legislature expects to see appropriate reductions to the other toll facility accounts once tolling on the new state route number 99 tunnel toll facility commences and any previously incurred costs for start-up of the new facility are charged back to the Alaskan Way viaduct replacement project account. The office of financial management shall closely monitor the application of the cost allocation model and ensure that the new state route number 99 tunnel toll facility is adequately sharing costs and the other toll facility accounts are not being overspent or subsidizing the new state route number 99 tunnel toll facility.

The department shall provide this data in a report to the transportation committees of the legislature on at least a calendar quarterly basis.

(9) The department shall develop an ongoing cost allocation method to assign appropriate costs to each of the toll funds for services provided by each Washington state department of transportation program and all relevant transportation agencies, including the Washington state patrol and the transportation commission. This method should update the toll cost allocation method used in the 2020 supplemental transportation appropriations act. By December 1, 2020, a report with the recommended method

and any changes or potential impacts to toll rates shall be submitted to the transportation committees of the legislature and the office of financial management.

The appropriations in this section are subject to the following conditions and limitations:

(1) The legislature recognizes that the trail known as the Rocky Reach Trail, and its extensions, serve to separate motor vehicle traffic from pedestrians and bicyclists, increasing motor vehicle safety on state route number 2 and the coincident section of state route number 97. Consistent with chapter 47.30 RCW and pursuant to RCW 47.12.080, the legislature declares that transferring portions of WSDOT

Inventory Control (IC) No. 2-09-04686 containing the trail and associated buffer areas to the Washington state parks and recreation commission is consistent with the public interest. The legislature directs the department to transfer the property to the Washington state parks and recreation commission.

(a) The department must be paid fair market value for any portions of the transferred real property that is later abandoned, vacated, or ceases to be publicly maintained for trail purposes.

(b) Prior to completing the transfer in this subsection (1), the department must ensure that provisions are made to accommodate private and public utilities and any facilities that predate the department's acquisition of the property, at no cost to those entities. Adjoining property owners must be given the first opportunity to acquire such property that abuts their property, and applicable boundary line or other adjustments must be made to the legal descriptions for recording purposes.

(2) With respect to Parcel 12 of the real property conveyed by the state of Washington to the city of Mercer Island under that certain quitclaim deed, dated April 19, 2000, recorded in King county under recording no. 20000425001234, the requirement in the deed that the property be used for road/street purposes only will be deemed satisfied by the department of transportation so long as commuter parking, as part of the vertical development of the property, is one of the significant uses of the property.

(3) \$1,600,000 of the motor vehicle account—state appropriation is provided solely for real estate services activities. Consistent with RCW 47.12.120 and during the 2019-2021 fiscal biennium, when initiating, extending, or renewing any rent or lease agreements with a regional transit authority, consideration of value must be equivalent to one hundred percent of economic or market rent.

(4)(a) \$100,000 of the motor vehicle account—state appropriation is provided solely for the department to:

(i) Determine the real property owned by the state of Washington and under the jurisdiction of the department in King county that is surplus property located in an area encompassing south of Dearborn Street in Seattle, south of Newcastle, west of SR 515, and north of South 216th to SR 515; and

(ii) Use any remaining funds after (a)(i) of this subsection is completed to identify additional real property across the state owned by the state of Washington and under the jurisdiction of the department that is surplus property.

(2) \$350,000 of the multimodal transportation account—state appropriation is provided solely for the department to execute a transit oriented development pilot project at Kingsgate park and ride in Kirkland intended to be completed by December 31, 2023. The purpose of the pilot project is to demonstrate how appropriate department properties may be used to provide multiple public benefits such as affordable and market rate housing, commercial development, and institutional facilities in addition to transportation purposes. To accomplish the pilot project, the department is authorized to exercise all legal and administrative powers authorized in statute that may include, but is not limited to, the transfer, lease, or sale of some or all of the property to another governmental agency, public development authority, or nonprofit developer approved by the department and partner agencies. (2)(a) During the 2019-2021 fiscal biennium, the department shall continue a pilot program that expands private transportation providers' access to high occupancy vehicle lanes. Under the pilot program, when the department reserves a portion of a highway based on the number of passengers in a vehicle, the following vehicles must be authorized to use the reserved portion of the highway if the vehicle has the capacity to carry eight or more passengers, regardless of the number of passengers in the vehicle: (i) Auto transportation company vehicles regulated under chapter 81.68 RCW; (ii) passenger charter carrier vehicles regulated under chapter 81.70 RCW, except marked or unmarked stretch limousines and stretch sport utility vehicles as defined under department of licensing rules; (iii) private nonprofit transportation provider vehicles regulated under chapter 81.66 RCW; and (iv) private employer transportation service vehicles. Under the pilot program, when the department reserves a portion of a highway based on the number of passengers in a vehicle, wheelchair-accessible taxicabs that are clearly and identifiably marked as such on all sides of the vehicle are considered public transportation vehicles and must be authorized to use the reserved portion of the highway.

(16) As a short-term solution, appropriation authority for the public transportation program in this section is reduced to reflect anticipated underruns in this program, based on historical reappropriation levels. It is the intent of the legislature that no public transportation grants or projects be eliminated or substantially delayed as a result of revenue reductions.

(17) The appropriations in this section include savings due to anticipated project underruns; however, it is unknown which projects will provide savings. The legislature intends to provide sufficient flexibility for the department to manage to this savings target. To provide this flexibility, the office of financial management may authorize, through an allotment modification, reductions in the appropriated amounts that are provided solely for a particular purpose

within this section subject to the following conditions and limitations:

(a) No allotment modifications may be made to amounts provided solely for the special needs transportation grant program;

(b) The department must confirm that any modification requested under this subsection of amounts provided solely for a specific purpose are not expected to be used for that purpose in this biennium;

(c) Allotment modifications authorized under this subsection may not result in increased funding for any project beyond the amount provided for that project in the 2019-2021 fiscal biennium in LEAP Transportation Document 2020-2 ALL PROJECTS as developed March 11, 2020;

(d) Allotment modifications authorized under this subsection apply only to amounts appropriated in this section from the multimodal transportation account—state; and

(e) By December 1, 2020, the department must submit a report to the transportation committees of the legislature regarding the actions taken under this subsection.

(18)(a) The Washington state department of transportation public transportation division, working with the Thurston regional planning council, shall provide state agency management, the office of financial management, and the transportation committees of the legislature with results of their regional mobility grant program demonstration project I-5/US 101 Practical Solutions: State Capitol Campus Transportation Demand Management – Mobile Work. This includes reporting after the 2020 legislative session on the measurable results of an early pilot initiative, "Telework Tuesday," beginning in January 2020.

(b) Capitol campus state agency management is directed to fully participate in this work, which aims to reduce greenhouse gases, require less office space and parking investments; provide low cost congestion relief on I-5 during peak periods, US 101, and the local transportation network; and improve retention and recruitment of public employees. The agencies should actively: Encourage employees qualified to telework to participate in this program and increase the number of employees who qualify for mobile work and schedule shifts.

(c) If measurable success is achieved, the capitol campus state agencies shall provide options to expand the project to other jurisdictions concentrated with large employers. Expansion and encouragement of telework will help reduce demand on the transportation system, reduce traffic during peak hours, and reduce greenhouse gas emissions.

(b) Recognizing that the department of transportation requires full possession of parcel number 1-23190 to complete the Montlake Phase of the West End project, the department is directed to:

(i) Work with the operator of the Montlake boulevard market located on parcel number 1-23190 to negotiate a lease allowing continued operations up to January 1, 2020. After that time, the department shall identify an area in the vicinity of the Montlake property for a temporary market or other food service to be provided during the period of project

construction. Should the current operator elect not to participate in providing that temporary service, the department shall then develop an outreach plan with the city to solicit community input on the food services provided, and then advertise the opportunity to other potential vendors. Further, the department shall work with the city of Seattle and existing permit processes to facilitate vendor access to and use of the area in the vicinity of the Montlake property.

(ii) Upon completion of the Montlake Phase of the West End project (current anticipated contract completion of 2023), WSDOT shall sell that portion of the property not used for permanent transportation improvements and initiate a process to convey that surplus property to a subsequent owner.

(c) \$60,000 of the motor vehicle account—state appropriation is provided solely for grants to nonprofit organizations located in a city with a population exceeding six hundred thousand persons and that empower artists through equitable access to vital expertise, opportunities, and business services. Funds may be used only for the purpose of preserving, commemorating, and sharing the history of the city of Seattle's freeway protests and making the history of activism around the promotion of more integrated transportation and land use planning accessible to current and future generations through the preservation of Bent 2 of the R. H. Thompson freeway ramp.

~~((14))~~ (13) It is the intent of the legislature that for the I-5 JBLM Corridor Improvements project (M00100R), the department shall actively pursue \$50,000,000 in federal funds to pay for this project to supplant state funds in the future. \$50,000,000 in connecting Washington account funding must be held in unallotted status during the 2021-2023 fiscal biennium. These funds may only be used after the department has provided notice to the office of financial management that it has exhausted all efforts to secure federal funds from the federal highway administration and the department of defense.

(a) Any savings on the project must stay on the Puget Sound Gateway corridor until the project is complete.

(b) Proceeds from the sale of any surplus real property acquired for the purpose of building the SR 167/SR 509 Puget Sound Gateway (M00600R) project must be deposited into the motor vehicle account for the purpose of constructing the project.

(c) In making budget allocations to the Puget Sound Gateway project, the department shall implement the project's construction as a single corridor investment. The department shall develop a coordinated corridor construction and implementation plan for state route number 167 and state route number 509 in collaboration with affected stakeholders. Specific funding allocations must be based on where and when specific project segments are ready for construction to move forward and investments can be best optimized for timely project completion. Emphasis

must be placed on avoiding gaps in fund expenditures for either project.

(d) It is the legislature's intent that the department shall construct a full single-point urban interchange at the junction of state route number 161 (Meridian avenue) and state route number 167 and a full single-point urban interchange at the junction of state route number 509 and 188th Street. If the department receives additional funds from an outside source for this project after the base project is fully funded, the funds must first be applied toward the completion of these two full single-point urban interchanges.

(e) In designing the state route number 509/state route number 516 interchange component of the SR 167/SR 509 Puget Sound Gateway project (M00600R), the department shall make every effort to utilize the preferred "4B" design.

(f) The department shall explore the development of a multiuse trail for bicyclists, pedestrians, skateboarders, and similar users along the SR 167 right-of-way acquired for the project to connect a network of new and existing trails from Mount Rainier to Point Defiance Park.

(g) If sufficient bonding authority to complete this project is not provided within chapter 421 (~~((Engrossed Substitute Senate Bill No. 5825))~~), Laws of 2019 (addressing tolling) (~~((or chapter ... If sufficient bonding authority is provided, it is the intent of the legislature to advance the project to allow for earlier completion and inflationary savings.

~~((16))~~ (15) It is the intent of the legislature that, for the I-5/North Lewis County Interchange project (L2000204), the department develop and design the project with the objective of significantly improving access to the industrially zoned properties in north Lewis county. The design must consider the county's process of investigating alternatives to improve such access from Interstate 5 that began in March 2015.

It is the intent of the legislature that new facility construction must be transparent and not appropriated within larger highway construction projects.

~~((20))~~ (18) Any advisory group that the department convenes during the 2019-2021 fiscal biennium must consider the interests of the entire state of Washington.

~~((24))~~ (19) The legislature finds that there are sixteen companies involved in wood preserving in the state that employ four hundred workers and have an annual payroll of fifteen million dollars. Before the department's switch to steel guardrails, ninety percent of the twenty-five hundred mile guardrail system was constructed of preserved wood and one hundred ten thousand wood guardrail posts were produced annually for state use. Moreover, the policy of using steel posts requires the state to use imported steel. Given these findings, where practicable, and until June 30, 2021, the department shall include the design option to use wood guardrail posts, in addition to steel posts, in new guardrail installations. The selection of posts must be consistent with the agency design manual policy that existed before December 2009.

(ii) SR 305 Construction - Safety Improvements (N30500R);

(iii) SR 14/Bingen Underpass (L2220062);

~~((23))~~ (21) The legislature continues to prioritize the replacement of the state's aging infrastructure and recognizes the importance of reusing and recycling construction aggregate and recycled concrete materials in our transportation system. To accomplish Washington state's sustainability goals in transportation and in accordance with RCW 70.95.805, the legislature reaffirms its determination that recycled concrete aggregate and other transportation building materials are natural resource construction materials that are too valuable to be wasted and landfilled, and are a commodity as defined in WAC 173-350-100.

Further, the legislature determines construction aggregate and recycled concrete materials substantially meet widely recognized international, national, and local standards and specifications referenced in American society for testing and materials, American concrete institute, Washington state department of transportation, Seattle department of transportation, American public works association, federal aviation administration, and federal highway administration specifications, and are described as necessary and desirable products for recycling and reuse by state and federal agencies.

As these recyclable materials have well established markets, are substantially a primary or secondary product of necessary construction processes and production, and are managed as an item of commercial value, construction aggregate and recycled concrete materials are exempt from chapter 173-350 WAC.

The director of the office of financial management shall consult with the

chairs and ranking members of the transportation committees of the legislature prior to making a decision to allot these funds.

(c) The work of this project office includes, but is not limited to, the reevaluation of the purpose and need identified for the project previously known as the Columbia river crossing, the reevaluation of permits and development of a finance plan, the reengagement of key stakeholders and the public, and the reevaluation of scope, schedule, and budget for a reinvigorated bistate effort for replacement of the Interstate 5 Columbia river bridge. When reevaluating the finance plan for the project, the department shall assume that some costs of the new facility may be covered by tolls. The project office must also study the possible different governance structures for a bridge authority that would provide for the joint administration of the bridges over the Columbia river between Oregon and Washington. As part of this study, the project office must examine the feasibility and necessity of an interstate compact in conjunction with the national center for interstate compacts.

(d) Within the amount provided in this subsection, the department must implement chapter 137 (~~((Engrossed Substitute House Bill No. 1994)))~~, Laws of 2019 (projects of statewide significance).

(e) The department shall have as a goal to:

(i) Reengage project stakeholders and reevaluate the purpose and need and environmental permits by July 1, 2020;

amounts that are provided solely for a particular purpose within this section subject to the following conditions and limitations:

(a) The department must confirm that any modification requested under this subsection of amounts provided solely for a specific purpose are not expected to be used for that purpose in this biennium;

(b) Allotment modifications authorized under this subsection may not result in increased funding for any project beyond the amount provided for that project in the 2019-2021 fiscal biennium in LEAP Transportation Document 2020-2 ALL PROJECTS as developed March 11, 2020;

(c) Allotment modifications authorized under this subsection apply only to amounts appropriated in this section from the following accounts: Multimodal transportation account—state, transportation partnership account—state, connecting Washington account—state, and special category C account—state; and

to the conditions, limitations, and review provided in section 701 of this act. The land mobile radio project is subject to technical oversight by the office of the chief information officer. The department, in collaboration with the office of the chief information officer, shall identify where existing or proposed mobile radio technology investments should be consolidated, identify when existing or proposed mobile radio technology investments can be reused or leveraged to meet multiagency needs, increase mobile radio interoperability between agencies, and identify how redundant investments can be reduced over time. The department shall also provide quarterly reports to the technology services board on project progress.

(5) (~~(\$2,500,000)~~) \$4,000,000 of the motor vehicle account—state appropriation is provided solely for extraordinary costs incurred from litigation awards, settlements, or dispute mitigation activities not eligible for funding from the self-insurance fund. The department shall provide a report that identifies the progress of each project funded in this subsection as part of its annual agency budget request.

(8) The department must consult with the Washington state patrol and the office of financial management during the design phase of any improvement or preservation project that could impact Washington state patrol weigh station operations. During the design phase of any such project, the department must estimate the cost of designing around the affected weigh station's current operations, as well as the cost of moving the affected weigh station.

(9) During the course of any planned resurfacing or other preservation activity on state route number 26 between Colfax and Othello in the 2019-2021 fiscal biennium, the department must add dug-in reflectors.

(10)(~~(a) For projects funded as part of the 2015 connecting Washington transportation package listed on the~~

~~LEAP transportation document identified in subsection (1) of this section, if the department expects to have substantial reappropriations for the 2021-2023 fiscal biennium, the department may, on a pilot basis, apply funding from a project in this section with an appropriation that cannot be used for the current fiscal biennium to advance the SR 4/Abernathy Creek Br—Replace Bridge project (400411A).~~

~~(b) At least ten business days before advancing the project pursuant to this subsection, the department must notify the office of financial management and the transportation committees of the legislature. The department's next budget submittal after using this subsection must appropriately reflect the transfer.

The plan includes, but is not limited to, vessel technology and feasibility, vessel and terminal deployment schedules, project financing, and workforce requirements. The plan shall be submitted to the office of financial management and the transportation committees of the legislature by June 30, 2020.

(7) \$35,000,000 of the Puget Sound capital construction account—state appropriation and ~~(\$6,500,000))~~ \$8,000,000 of the Puget Sound capital construction account—federal appropriation are provided solely for the conversion of up to two Jumbo Mark II vessels to electric hybrid propulsion (G2000084). (8) \$400,000 of the Puget Sound capital construction account—state appropriation is provided solely for a request for proposals for a new maintenance management system

The commencement of construction of new vessels for the ferry system is important not only for safety reasons, but also to keep skilled marine construction jobs in the Puget Sound region and to sustain the capacity of the region to meet the ongoing construction and preservation needs of the ferry system fleet of vessels. The legislature has determined that the current vessel procurement process must move forward with all due speed, balancing the interests of both the taxpayers and shipyards. To accomplish construction of vessels in accordance with RCW 47.60.810, the prevailing shipbuilder, for vessels initially funded after July 1, 2020, is encouraged to follow the historical practice of subcontracting the construction of ferry superstructures to a separate nonaffiliated contractor located within the Puget Sound region, that is qualified in accordance with RCW 47.60.690.

(12) The appropriations in this section include savings due to anticipated project underruns; however, it is unknown which projects will provide savings. The legislature intends to provide sufficient flexibility for the department to manage to this savings target. To provide this flexibility, the office of financial management may authorize, through an allotment modification, reductions in the appropriated amounts that are provided solely for a particular purpose within this section subject to the following conditions and limitations:

(a) The department must confirm that any modification requested under this subsection of amounts provided solely for a specific purpose are not expected to be used for that purpose in this biennium;

(b) Allotment modifications authorized under this subsection may not result in increased funding for any project beyond the amount provided for that project in the 2019-2021 fiscal biennium in LEAP Transportation Document 2020-2 ALL PROJECTS as developed March 11, 2020;

(c) Allotment modifications authorized under this subsection apply only to amounts appropriated in this section from the following accounts: Puget Sound capital construction account—state, transportation partnership account—state, and capital vessel replacement account—state; and

(d) By December 1, 2020, the department must submit a report to the transportation committees of the legislature regarding the actions taken under this subsection.

(26) It is the intent of the legislature that no capital projects will be eliminated or substantially delayed as a result of revenue reductions, but that as a short-term solution appropriation authority for this program is reduced to reflect anticipated underruns in this program, based on historical reappropriation levels.

2019-2021 fiscal biennium in LEAP Transportation Document 2020-2 ALL PROJECTS as developed March 11, 2020;

(c) Allotment modifications authorized under this subsection apply only to amounts appropriated in this section from the following accounts: Connecting Washington account—state and multimodal transportation account—state; and

(d) By December 1, 2020, the department must submit a report to the transportation committees of the legislature regarding the actions taken under this subsection.
