MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 28B.92.030 and 2019 c 406 s 21 are each amended to read as follows:

((As used in this chapter:)) The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Council" means the student achievement council.

(2) "Financial aid" means either loans, grants, or both, to students who demonstrate financial need enrolled or accepted for enrollment as a student at institutions of higher education.

(3) "Financial need" means a demonstrated financial inability to bear the total cost of education as directed in rule by the office.

(4) "Institution" or "institutions of higher education" means:

(a) Any public university, college, community college, or technical college operated by the state of Washington or any political subdivision thereof; or

(b) Any other university, college, school, or institute in the state of Washington offering instruction beyond

the high school level that is a member institution of an accrediting association recognized by rule of the council for the purposes of this section and that agrees to and complies with program rules adopted pursuant to RCW 28B.92.150. However, any institution, branch, extension or facility operating within the state of Washington that is affiliated with an institution operating in another state must be:

(i) A separately accredited member institution of any such accrediting association;

(ii) A branch of a member institution of an accrediting association recognized by rule of the council for purposes of this section, that is eligible for federal student financial aid assistance and has operated as a nonprofit college or university delivering on-site classroom instruction for a minimum of twenty consecutive years within the state of Washington, and has an annual enrollment of at least seven hundred full-time equivalent students;

(iii) A nonprofit institution recognized by the state of Washington as provided in RCW 28B.77.240; or

(iv) An approved apprenticeship program under chapter 49.04 RCW.

(5) "Maximum Washington college grant":

(a) For students attending two or four-year institutions of higher education as defined in RCW 28B.10.016, is tuition and estimated fees for fifteen quarter credit hours or the equivalent, as determined by the office, including operating fees, building fees, and services and activities fees.

(b) For students attending private four-year not-for-profit institutions of higher education in Washington, in the 2019-20 academic year, is nine thousand seven hundred thirty-nine dollars and may increase each year afterwards by no more than the tuition growth factor.

(c) For students attending two-year private not-for-profit institutions of higher education in Washington, in the 2019-20 academic year, is three thousand six hundred ninety-four dollars and may increase each year afterwards by no more than the tuition growth factor.

(d) For students attending four-year private for-profit institutions of higher education in Washington, in the

2019-20 academic year, is eight thousand five hundred seventeen dollars and may increase each year afterwards by no more than the tuition growth factor.

(e) For students attending two-year private for-profit institutions of higher education in Washington, in the 2019-20 academic year, is two thousand eight hundred twenty-three dollars and may increase each year afterwards by no more than the tuition growth factor.

(f) For students attending Western Governors University-Washington, as established in RCW 28B.77.240, in the 2019-20 academic year, is five thousand six hundred nineteen dollars and may increase each year afterwards by no more than the tuition growth factor.

(g) For students attending approved apprenticeship programs, beginning in the 2022-23 academic year, is ((tuition and fees, as determined by the office, in addition to required program supplies and equipment)) the same amount as the maximum Washington college grant for students attending two-year institutions of higher education as defined in (a) of this subsection to be used for tuition and fees, program supplies and equipment, and other costs that facilitate educational endeavors.

(6) "Office" means the office of student financial assistance.

(7) "Tuition growth factor" means an increase of no more than the average annual percentage growth rate of the median hourly wage for Washington for the previous fourteen years as the wage is determined by the federal bureau of labor statistics.

NEW SECTION. Sec. 2. (1) It is the intent of the legislature to remove barriers for students enrolled in a state registered apprenticeship program under chapter 49.04 RCW to access the Washington college grant.

(2) It is the goal of the legislature that students enrolled in state registered apprenticeship programs and receiving related supplemental instruction at a community and technical college have access to the Washington college grant through the financial aid office at their college. The Washington student achievement council shall verify access to the Washington college grant for students enrolled in state registered apprenticeship programs receiving their related supplemental instruction other

than at a community and technical college.

(3) The state board for community and technical colleges must fully implement this goal by the beginning of the 2025-26 academic year.

(4) As part of the implementation process, the state board for community and technical colleges must collaborate with the office of student financial assistance, as defined in RCW 28B.92.030, to create a student information technology interface to simplify the application, verification of registration, eligibility, and award to students.

(5) The state board for community and technical colleges and the office of student financial assistance must establish data-sharing agreements with other state agencies to verify student data.

NEW SECTION. Sec. 3. (1) The student achievement council shall contract with the William D. Ruckelshaus Center to do the following:

(a) Evaluate paths to credentials for apprentices, including recommendations on the requirements and benefits of expanding the multioccupational trades degree, and exploration of other credentials that will support transfer to baccalaureate degrees or other advanced credentials for apprentices. This evaluation may include options for instructional modality and analysis of the opportunities and limitations for incorporating general education course requirements into degree pathways for apprentices. The evaluation may also include reviewing credit articulation within the college system, prior learning assessments, and competency-based models, as applicable;

(b) Examine national best practices in delivery and award of educational credentials to apprentices. This exploration may include assessment of the governance structures and operational models for delivery of apprenticeship degree pathways, including operational considerations and costs associated with those models, and make recommendations on the model or models best suited for implementation in Washington with consideration on sustainably funding and growing state registered apprenticeships in the future;

(c) Research apprentices' demand for degrees, for individuals in, or who have completed, a state registered apprenticeship program;

(d) Review the current funding model for apprentices within the community and technical college system, with consideration on the use of state funds for apprenticeships, and national funding structures for apprenticeship programs that could be applied within Washington state. The center must consult with the Washington state apprenticeship council established under chapter 49.04 RCW, the state board for community and technical colleges, the associated general contractors of Washington, the association of Washington business, and any other relevant or impacted parties as needed to provide recommendations to the legislature on a sustainable funding model for related supplemental instruction and credit for apprentices through the community and technical college system to ensure it fully covers institutional and apprenticeship program costs of related supplemental instruction. This funding model review may include institutional costs of developing, administering, delivering, hosting, instructing, and contracting. These recommendations must be included in the annual report established in subsection (2) of this section;

(e) Consult with the state board for community and technical colleges, an organization representing the presidents of the public four-year institutions of higher education, the office of the superintendent of public instruction, the joint transfer council of Washington, the department of labor and industries, the Washington state labor council, the associated general contractors of Washington, the association of Washington business, the Washington building trades council, the student achievement council, the independent colleges of Washington, private career colleges, an accrediting body, career connect, and other stakeholders with interests and expertise in apprenticeship training and higher education mobility;

(f) Identify and remove barriers for apprentices to access the Washington college grant program, established under RCW 28B.92.200, and all other student services and support programs and resources.

(2) The student achievement council shall report annually by December 1st, beginning in 2023, in compliance with RCW 43.01.036, the William D. Ruckelshaus Center's progress, findings, and recommendations to the appropriate higher education committees of the legislature on the evaluations in subsection (1) of this section. The annual report in 2026 shall provide viable policy options for degree pathways for individuals who complete state registered apprenticeship programs.

(3) The apprenticeship council, in consultation with the state board for community and technical colleges, the student achievement council, an organization representing the presidents of the public four-year institutions of higher education, and any other relevant or impacted parties as needed, shall explore whether the state should establish an institution, or centralized program, for apprentices to receive related supplemental instruction for credit towards a degree. A report on their findings, with a recommendation, must be included in the December 1, 2023, annual report established in subsection (2) of this section.

(4) This section expires July 1, 2028.

NEW SECTION. Sec. 4. All institutions of higher education, as defined in RCW 28B.10.016, must establish a policy for granting as many credits as possible and appropriate, for related supplemental instruction in active state apprenticeship programs, registered during or before July 1, 2022, by the 2028-29 school year. For all state registered apprenticeship programs approved after July 1, 2022, all institutions of higher education, as defined in RCW 28B.10.016, must establish a policy for granting as many credits, as possible and appropriate, for related supplemental instruction within six years of the program's registration. While establishing credits, institutions of higher education must consult with their faculty representatives. Credits are at the sole discretion of each institution of higher education and must be determined in consultation with their faculty representatives. Credits established by institutions of higher education are not intended to impact the possible revision of previously approved related supplemental instruction in a state registered apprenticeship program.

2SSB 5789 Prime Sponsor, Committee on Ways & Means: Creating the Washington career and college pathways innovation challenge program. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on College & Workforce Development.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 28B.120 RCW to read as follows:

(1) The Washington career and college pathways innovation challenge program is established. The purpose of the program is to meet statewide educational attainment goals established in RCW 28B.77.020 by developing local and regional partnerships that foster innovations to:

(a) Increase postsecondary enrollment and completion for students enrolling directly from high school and adults returning to education; and

(b) Eliminate educational opportunity gaps for students of color, English language learners, students with disabilities, and foster and homeless youth.

(2)(a) The student achievement council shall administer the program and award grants, based on a competitive grant process, to local and regional partnerships that represent cross-sector collaborations among education and higher education agencies and institutions, local education agencies, local government, community-based organizations, employers, and other local entities. The student achievement council must consult, in both the design of the grant program as well as in the administration of the grant program, with stakeholders including representatives of:

(i) The state board for community and technical colleges;

(ii) An organization representing the presidents of the public four-year institutions of higher education;

(iii) The workforce training and education coordinating board;

(iv) An organization representing the private, not-for-profit, four-year institutions of higher education;

(v) The commission on African American affairs;

(vi) The commission on Hispanic affairs;

(vii) The commission on Asian Pacific American affairs;

(viii) The Washington state LGBTQ commission;

(ix) The governor's office of Indian affairs; and

(x) The Washington state women's commission.

(b) In awarding the grants, the student achievement council shall consider applications that:

(i) Plan and pilot innovative initiatives to raise educational attainment and decrease opportunity gaps;

(ii) Engage community-based organizations and resources;

(iii) Expand the use of integrated work-based learning;

(iv) Provide financial support to cover expenses beyond educational tuition and fees, and other services and supports for students to enroll and complete education and training; and

(v) Include local matching funds.

(c) In administering the program the student achievement council may hire staff to support grant oversight and provide technical assistance to grantees.

(d) The student achievement council may solicit and receive such gifts, grants, and endowments from public or private sources as may be made from time to time, in trust or otherwise, for the use and benefit of the purposes of the program and may expend the same or any income therefrom according to the terms of the gifts, grants, or endowments.

(3) The student achievement council shall provide a report each year beginning September 1, 2022, to the governor and the education and higher education committees of the legislature in accordance with RCW 43.01.036. The report shall:

(a) Describe grants awarded;

(b) Report the progress of each local and regional partnership by reporting on high school graduation, postsecondary enrollment, and completion for each of the regions that partnerships serve; and

(c) Disaggregate data by income, race, ethnicity, and other demographic characteristics.

Sec. 2. RCW 28B.120.040 and 2012 c 229 s 575 are each amended to read as follows:

The ~~((student achievement council fund for innovation and quality))~~ Washington career and college pathways innovation challenge program account is hereby established in the custody of the state treasurer. The student achievement council shall deposit in the fund all moneys received ~~((under RCW 28B.120.030))~~ for the Washington career and college pathways innovation challenge program. Moneys in the fund may be spent only for the purposes of ~~((RCW 28B.120.010 and 28B.120.020))~~ awarding grants under the Washington career and college pathways innovation challenge program. Disbursements from the fund shall be on the authorization of the student achievement council. The fund is subject to the allotment procedure

provided under chapter 43.88 RCW, but ~~((no))~~ an appropriation is not required for disbursements.

Sec. 3. RCW 43.79A.040 and 2021 c 175 s 10 and 2021 c 108 s 5 are each reenacted and amended to read as follows:

(1) Money in the treasurer's trust fund may be deposited, invested, and reinvested by the state treasurer in accordance with RCW 43.84.080 in the same manner and to the same extent as if the money were in the state treasury, and may be commingled with moneys in the state treasury for cash management and cash balance purposes.

(2) All income received from investment of the treasurer's trust fund must be set aside in an account in the treasury trust fund to be known as the investment income account.

(3) The investment income account may be utilized for the payment of purchased banking services on behalf of treasurer's trust funds including, but not limited to, depository, safekeeping, and disbursement functions for the state treasurer or affected state agencies. The investment income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for payments to financial institutions. Payments must occur prior to distribution of earnings set forth in subsection (4) of this section.

(4)(a) Monthly, the state treasurer must distribute the earnings credited to the investment income account to the state general fund except under (b), (c), and (d) of this subsection.

(b) The following accounts and funds must receive their proportionate share of earnings based upon each account's or fund's average daily balance for the period: The 24/7 sobriety account, the Washington promise scholarship account, the Gina Grant Bull memorial legislative page scholarship account, the Rosa Franklin legislative internship program scholarship ~~((account))~~ account, the Washington advanced college tuition payment program account, the Washington college savings program account, the accessible communities account, the Washington achieving a better life experience program account, the Washington career and college pathways innovation challenge program account, the community and technical college innovation account, the agricultural local fund, the American Indian

SSB 5790 Prime Sponsor, Committee on Ways & Means: Strengthening critical community support services for individuals with intellectual and developmental disabilities. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 74.29.010 and 2010 c 94 s 26 are each reenacted and amended to read as follows:

(1) "Independence" means a reasonable degree of restoration from dependency upon others to self-direction and greater control over circumstances of one's life for personal needs and care and includes

but is not limited to the ability to live in one's home.

(2) "Individual with disabilities" means an individual:

(a) Who has a physical, mental, or sensory disability, which requires vocational rehabilitation services to prepare for, enter into, engage in, retain, or engage in and retain gainful employment consistent with his or her capacities and abilities; or

(b) Who has a physical, mental, or sensory impairment whose ability to function independently in the family or community or whose ability to obtain, maintain, or advance in employment is substantially limited and for whom the delivery of vocational rehabilitation or independent living services will improve the ability to function, continue functioning, or move towards functioning independently in the family or community or to continue in employment.

(3) "Individual with severe disabilities" means an individual with disabilities:

(a) Who has a physical, mental, or sensory impairment that seriously limits one or more functional capacities, such as mobility, communication, self-care, self-direction, interpersonal skills, work tolerance, or work skills, in terms of employment outcome, and/or independence and participation in family or community life;

(b) Whose rehabilitation can be expected to require multiple rehabilitation services over an extended period of time; and

(c) Who has one or more physical, mental, or sensory disabilities resulting from amputation, arthritis, autism, blindness, burn injury, cancer, cerebral palsy, cystic fibrosis, deafness, head injury, heart disease, hemiplegia, hemophilia, respiratory or pulmonary dysfunction, intellectual disability, mental illness, multiple sclerosis, muscular dystrophy, musculoskeletal disorders, neurological disorders (including stroke and epilepsy), paraplegia, quadriplegia, other spinal cord conditions, sickle cell anemia, specific learning disability, end-stage renal disease, or another disability or combination of disabilities determined on the basis of an assessment for determining eligibility and rehabilitation needs to

cause comparable substantial functional limitation.

(4) "Job support services" means ongoing goods and services provided after vocational rehabilitation, subject to available funds, that support an individual with severe disabilities in employment. Such services include, but are not limited to, extraordinary supervision or job coaching.

(5) "Physical, mental, or sensory disability" means a physical, mental, or sensory condition which materially limits, contributes to limiting or, if not corrected or accommodated, will probably result in limiting an individual's activities or functioning.

(6) "Rehabilitation services" means goods or services provided to: (a) Determine eligibility and rehabilitation needs of individuals with disabilities, and/or (b) enable individuals with disabilities to attain or retain employment and/or independence, and/or (c) contribute substantially to the rehabilitation of a group of individuals with disabilities. To the extent federal funds are available, goods and services may include, but are not limited to, the establishment, construction, development, operation and maintenance of community rehabilitation programs and independent living centers, as well as special demonstration projects.

(7) "~~(State agency)~~ Department" means the department of social and health services.

Sec. 2. RCW 74.29.020 and 1993 c 213 s 3 are each amended to read as follows:

Subject to available funds, and consistent with federal law and regulations the ~~((state agency))~~ department shall:

(1) Develop statewide rehabilitation programs;

(2) Provide vocational rehabilitation services, independent living services, and/or job support services to individuals with disabilities or severe disabilities;

(3) Disburse all funds provided by law and may receive, accept and disburse such gifts, grants, conveyances, devises and bequests of real and personal property from public or private sources, as may be made from time to time, in trust or otherwise, whenever the terms and conditions thereof will aid in carrying

out rehabilitation services as specified by law and the regulations of the ~~((state agency))~~ department; and may sell, lease or exchange real or personal property according to the terms and conditions thereof. Any money so received shall be deposited in the state treasury for investment, reinvestment or expenditure in accordance with the conditions of its receipt and RCW 43.88.180;

(4) Appoint and fix the compensation and prescribe the duties, of the personnel necessary for the administration of this chapter, unless otherwise provided by law;

(5) Make exploratory studies, do reviews, and research relative to rehabilitation;

(6) Coordinate with the state rehabilitation advisory council and the state independent living advisory council on the administration of the programs;

(7) Report to the governor and to the legislature on the administration of this chapter, as requested; and

(8) Adopt rules, in accord with chapter 34.05 RCW, necessary to carry out the purposes of this chapter.

Sec. 3. RCW 74.29.037 and 1993 c 213 s 6 are each amended to read as follows:

The ~~((state agency))~~ department may establish cooperative agreements with other state and local agencies.

Sec. 4. RCW 74.29.050 and 1969 ex.s. c 223 s 28A.10.050 are each amended to read as follows:

The state of Washington does hereby:

(1) Accept the provisions and maximum possible benefits resulting from any acts of congress which provide benefits for the purposes of this chapter;

(2) Designate the state treasurer as custodian of all moneys received by the state from appropriations made by the congress of the United States for purposes of this chapter, and authorize the state treasurer to make disbursements therefrom upon the order of the ~~((state agency))~~ department; and

(3) Empower and direct the ~~((state agency))~~ department to cooperate with the federal government in carrying out the provisions of this chapter or of any federal law or regulation pertaining to vocational rehabilitation, and to comply

with such conditions as may be necessary to assure the maximum possible benefits resulting from any such federal law or regulation.

Sec. 5. RCW 74.29.080 and 1993 c 213 s 4 are each amended to read as follows:

(1) Determination of eligibility and need for rehabilitation services and determination of eligibility for job support services shall be made by the (~~(state agency)~~) department for each individual according to its established rules, policies, procedures, and standards.

(2) The (~~(state agency)~~) department may purchase, from any source, rehabilitation services and job support services for individuals with disabilities, subject to the individual's income or other resources that are available to contribute to the cost of such services.

(3) The (~~(state agency)~~) department shall maintain registers of individuals and organizations which meet required standards and qualify to provide rehabilitation services and job support services to individuals with disabilities. Eligibility of such individuals and organizations shall be based upon standards and criteria promulgated by the (~~(state agency)~~) department.

NEW SECTION. Sec. 6. A new section is added to chapter 74.29 RCW to read as follows:

The department of social and health services shall:

(1) Establish a school to work program in all counties in the state to work with all students with intellectual and developmental disabilities who are potentially eligible to receive adult support services from the developmental disabilities administration of the department and are receiving high school transition services in order to connect these students with supported employment services; and

(2) In collaboration with the office of the superintendent of public instruction, the counties administering supported employment services in collaboration with the developmental disabilities administration of the department, the department of services for the blind, and any other relevant state agency working with students who

are potentially eligible for adult support services from the developmental disabilities administration of the department shall:

(a) Create a statewide council to:

(i) Establish common guidelines and outcome goals across regional interagency transition networks to ensure equitable access through system navigation for individuals receiving high school transition services and connection to services after leaving the school system; and

(ii) Establish a referral and information system that helps students who are potentially eligible for adult support services from the developmental disabilities administration of the department who are transitioning from high school, and their families or guardians, connect to the necessary services and agencies that support the needs of adults with intellectual and developmental disabilities; and

(b) Establish regional interagency transition networks as proposed in the 2020 transition collaborative summative report. Each regional network shall include representation from schools, counties, the developmental disabilities administration of the department, the regional division of vocational rehabilitation, service providers, community members, and students and families. The regional networks shall identify improvement goals and report no less than annually on progress or barriers to achieving these goals to the statewide council.

Sec. 7. RCW 28A.155.220 and 2015 c 217 s 2 are each amended to read as follows:

(1) The office of the superintendent of public instruction must establish interagency agreements with the department of social and health services, the department of services for the blind, and any other state agency that provides high school transition services for special education students. Such interagency agreements shall not interfere with existing individualized education programs, nor override any individualized education program team's decision-making power. The purpose of the interagency agreements is to foster effective collaboration among the multiple agencies providing transition services for individualized education program-eligible special education

students from the beginning of transition planning, as soon as educationally and developmentally appropriate, through age twenty-one, or through high school graduation, whichever occurs first. Interagency agreements are also intended to streamline services and programs, promote efficiencies, and establish a uniform focus on improved outcomes related to self-sufficiency.

(2)(a) When educationally and developmentally appropriate, the interagency responsibilities and linkages with transition services under subsection (1) of this section must be addressed in a transition plan to a postsecondary setting in the individualized education program of a student with disabilities.

(b) Transition planning shall be based upon educationally and developmentally appropriate transition assessments that outline the student's individual needs, strengths, preferences, and interests. Transition assessments may include observations, interviews, inventories, situational assessments, formal and informal assessments, as well as academic assessments.

(c) The transition services that the transition plan must address include activities needed to assist the student in reaching postsecondary goals and courses of study to support postsecondary goals.

(d) Transition activities that the transition plan may address include instruction, related services, community experience, employment and other adult living objectives, daily living skills, and functional vocational evaluation.

(e) When educationally and developmentally appropriate, a discussion must take place with the student and parents, and others as needed, to determine the postsecondary goals or postschool vision for the student. This discussion may be included as part of an annual individualized education program review, high school and beyond plan meeting, or any other meeting that includes parents, students, and educators. The postsecondary goals included in the transition plan shall be goals that are measurable and must be based on appropriate transition assessments related to training, education, employment, and independent living skills, when necessary. The goals must also be based on the student's

needs, while considering the strengths, preferences, and interests of the student.

(f) As the student gets older, changes in the transition plan may be noted in the annual update of the student's individualized education program.

(g) A ~~((student with disabilities who has a high school and beyond plan may use the plan to comply with the))~~ transition plan required under this subsection (2) must be aligned with a student's high school and beyond plan.

(3) To the extent that data is available through data-sharing agreements established by the education data center under RCW 43.41.400, the education data center must monitor the following outcomes for individualized education program-eligible special education students after high school graduation:

(a) The number of students who, within one year of high school graduation:

(i) Enter integrated employment paid at the greater of minimum wage or competitive wage for the type of employment, with access to related employment and health benefits; or

(ii) Enter a postsecondary education or training program focused on leading to integrated employment;

(b) The wages and number of hours worked per pay period;

(c) The impact of employment on any state and federal benefits for individuals with disabilities;

(d) Indicators of the types of settings in which students who previously received transition services primarily reside;

(e) Indicators of improved economic status and self-sufficiency;

(f) Data on those students for whom a postsecondary or integrated employment outcome does not occur within one year of high school graduation, including:

(i) Information on the reasons that the desired outcome has not occurred;

(ii) The number of months the student has not achieved the desired outcome; and

(iii) The efforts made to ensure the student achieves the desired outcome.

(4) To the extent that the data elements in subsection (3) of this section are available to the education data center through data-sharing agreements, the office of the superintendent of public instruction must prepare an annual report using existing resources and submit the report to the legislature.

(5) To minimize gaps in services through the transition process, no later than three years before students receiving special education services leave the school system, the office of the superintendent of public instruction shall transmit a list of potentially eligible students to the department of social and health services, the counties, the department of services for the blind, and any other state agency working with individuals with intellectual and developmental disabilities. The office of the superintendent of public instruction shall ensure that consent be obtained prior to the release of this information as required in accordance with state and federal requirements.

2SSB 5793 Prime Sponsor, Committee on Ways & Means: Allowing compensation for lived experience on boards, commissions, councils, committees, and other similar groups. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on State Government & Tribal Relations.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that equitable public policy discussions should include individuals directly impacted by that policy. In order to do so, the legislature supports removing barriers to that participation. The legislature finds that asking community members with lower financial means to volunteer their time and expertise while state employees and representatives of advocacy organizations receive compensation from their respective agency or organization for their time and experience ultimately hinders full and open public participation. As a result, the legislature finds that removing financial barriers for those individuals fosters increased access to government and enriches public policy discussions and decisions, ultimately leading to more equitable and sustainable policy outcomes.

Sec. 2. RCW 43.03.220 and 2011 1st sp.s. c 21 s 55 and 2011 c 5 s 902 are each reenacted and amended to read as follows:

(1) Any part-time board, commission, council, committee, or other similar group which is established by the executive, legislative, or judicial branch to participate in state government and which functions primarily in an advisory, coordinating, or planning capacity shall be identified as a class one group. Unless otherwise identified in law, all newly formed and existing groups are a class one group.

(2) Absent any other provision of law to the contrary, ~~((no money beyond the customary reimbursement or allowance for expenses may be paid by or through the state to members of class one groups for attendance at meetings of such groups))~~ a stipend may be provided to a member of a class one group in accordance with this subsection.

(a) Subject to available funding, an agency may provide a stipend to individuals who are low income or have lived experience to support their participation in class one groups when the agency determines such participation is desirable in order to implement the principles of equity described in RCW 43.06D.020, provided that the individuals are not otherwise

compensated for their attendance at meetings.

(b) Stipends shall not exceed \$200 for each day during which the member attends an official meeting or performs statutorily prescribed duties approved by the chairperson of the group.

(c) Individuals eligible for stipends under this section are eligible for reasonable allowances for child and adult care reimbursement, lodging, and travel expenses as provided in RCW 43.03.050 and 43.03.060 in addition to stipend amounts.

(d) Nothing in this subsection creates an employment relationship, or any membership or qualification in any state or other publicly supported retirement system, for this or any other title due to the payment of a stipend, lodging and travel expenses, or child care expenses provided under this section where such a relationship, membership, or qualification did not already exist.

(e) As allowable by federal and state law, state agencies will minimize, to the greatest extent possible, the impact of stipends and reimbursements on public assistance eligibility and benefit amounts.

(3)((a) No) Except for members who qualify for a stipend under subsection (2) of this section, no person designated as a member of a class one board, commission, council, committee, or similar group may receive an allowance for subsistence, lodging, or travel expenses if the allowance cost is funded by the state general fund. Exceptions may be granted under RCW 43.03.049. Class one groups, when feasible, shall use an alternative means of conducting a meeting that does not require travel while still maximizing member and public participation and may use a meeting format that requires members to be physically present at one location only when necessary or required by law.

((b)) (4) Class one groups that are funded by sources other than the state general fund are encouraged to reduce travel, lodging, and other costs associated with conducting the business of the group including use of other meeting formats that do not require travel.

(5) Agencies exercising their authority to provide stipends and allowances under this section must follow the guidelines established by the office

of equity pursuant to section 3 of this act.

(6) For purposes of this section:

(a) "Lived experience" means direct personal experience in the subject matter being addressed by the board, commission, council, committee, or other similar group.

(b) "Low income" means an individual whose income is not more than 400 percent of the federal poverty level, adjusted for family size.

NEW SECTION. Sec. 3. A new section is added to chapter 43.03 RCW to read as follows:

(1) By December 1, 2022, the office of equity shall develop uniform equity-driven guidelines for agencies on the issuance of stipends and allowances authorized under RCW 43.03.220 to provide for consistent application of the law. In developing the guidelines, the office of equity shall consult with stakeholders including, but not limited to, state agencies and impacted communities. The guidelines for providing allowances must include the reasonable allowances as prescribed by the office of financial management under RCW 43.03.050.

(2) Agencies exercising their authority under RCW 43.03.220 to provide stipends or allowances to members of class one groups shall adhere to the guidelines established under subsection (1) of this section.

Sec. 4. RCW 28A.300.802 and 2011 1st sp.s. c 21 s 53 are each amended to read as follows:

In addition to any board, commission, council, committee, or other similar group established by statute or executive order, the superintendent of public instruction may appoint advisory groups on subject matters within the superintendent's responsibilities or as may be required by any federal legislation as a condition to the receipt of federal funds by the federal department. The advisory groups shall be constituted as required by federal law or as the superintendent may determine.

Members of advisory groups under the authority of the superintendent may be paid their travel expenses in accordance with RCW 43.03.050 and 43.03.060.

Except as provided in this section or as authorized by RCW 43.03.220, members

of advisory groups under the authority of the superintendent are volunteering their services and are not eligible for compensation. A person is eligible to receive compensation in an amount not to exceed one hundred dollars for each day during which the member attends an official meeting of the group or performs statutorily prescribed duties approved by the chairperson of the group if the person (1) occupies a position, normally regarded as full-time in nature, as a certificated employee of a local school district; (2) is participating as part of their employment with the local school district; and (3) the meeting or duties are performed outside the period in which school days as defined by RCW 28A.150.030 are conducted. The superintendent may reimburse local school districts for substitute certificated employees to enable members to meet or perform duties on school days. A person is eligible to receive compensation from federal funds in an amount to be determined by personal service contract for groups required by federal law.

Sec. 5. RCW 43.03.050 and 2011 1st sp.s. c 21 s 61 are each amended to read as follows:

(1) The director of financial management shall prescribe reasonable allowances to cover reasonable and necessary subsistence and lodging expenses for elective and appointive officials and state employees while engaged on official business away from their designated posts of duty. The director of financial management may prescribe and regulate the allowances provided in lieu of subsistence and lodging expenses and may prescribe the conditions under which reimbursement for subsistence and lodging may be allowed. The schedule of allowances adopted by the office of financial management may include special allowances for foreign travel and other travel involving higher than usual costs for subsistence and lodging. The allowances established by the director shall not exceed the rates set by the federal government for federal employees. However, during the 2003-05 fiscal biennium, the allowances for any county that is part of a metropolitan statistical area, the largest city of which is in another state, shall equal the allowances prescribed for that larger city.

(2) Those persons appointed to serve without compensation on any state board,

commission, or committee, if entitled to payment of travel expenses, shall be paid pursuant to special per diem rates prescribed in accordance with subsection (1) of this section by the office of financial management.

(3) The director of financial management may prescribe reasonable allowances to cover reasonable expenses for meals, coffee, and light refreshment served to elective and appointive officials and state employees regardless of travel status at a meeting where: (a) The purpose of the meeting is to conduct official state business or to provide formal training to state employees or state officials; (b) the meals, coffee, or light refreshment are an integral part of the meeting or training session; (c) the meeting or training session takes place away from the employee's or official's regular workplace; and (d) the agency head or authorized designee approves payments in advance for the meals, coffee, or light refreshment. In order to prevent abuse, the director may regulate such allowances and prescribe additional conditions for claiming the allowances.

(4) Upon approval of the agency head or authorized designee, an agency may serve coffee or light refreshments at a meeting where: (a) The purpose of the meeting is to conduct state business or to provide formal training that benefits the state; and (b) the coffee or light refreshment is an integral part of the meeting or training session. The director of financial management shall adopt requirements necessary to prohibit abuse of the authority authorized in this subsection.

(5) The director of financial management shall prescribe reasonable allowances to cover reasonable and necessary child and adult care expenses incurred by eligible members of a class one board, commission, council, committee, or similar group, who are authorized under RCW 43.03.220 to receive such allowances, while attending an official meeting or performing statutorily prescribed duties approved by the chairperson of the group.

(6) The schedule of allowances prescribed by the director under the terms of this section and any subsequent increases in any maximum allowance or special allowances for areas of higher than usual costs shall be reported to the ways and means committees of the house of

representatives and the senate at each regular session of the legislature.

~~((6))~~ (7) No person designated as a member of a class one through class three or class five board, commission, council, committee, or similar group may receive an allowance for subsistence, lodging, or travel expenses if the allowance cost is funded by the state general fund(~~(- Exceptions may be granted)~~), unless authorized under RCW 43.03.220 or granted an exception under RCW 43.03.049.

Sec. 6. RCW 43.03.060 and 2011 1st sp.s. c 21 s 62 are each amended to read as follows:

(1) Whenever it becomes necessary for elective or appointive officials or employees of the state to travel away from their designated posts of duty while engaged on official business, and it is found to be more advantageous or economical to the state that travel be by a privately-owned vehicle rather than a common carrier or a state-owned or operated vehicle, a mileage rate established by the director of financial management shall be allowed. The mileage rate established by the director shall not exceed any rate set by the United States treasury department above which the substantiation requirements specified in Treasury Department Regulations section 1.274-5T(a)(1), as now law or hereafter amended, will apply.

(2) The director of financial management may prescribe and regulate the specific mileage rate or other allowance for the use of privately-owned vehicles or common carriers on official business and the conditions under which reimbursement of transportation costs may be allowed. The reimbursement or other payment for transportation expenses of any employee or appointive official of the state shall be based on the method deemed most advantageous or economical to the state.

(3) The mileage rate established by the director of financial management pursuant to this section and any subsequent changes thereto shall be reported to the ways and means committees of the house of representatives and the senate at each regular session of the legislature.

(4) No person designated as a member of a class one through class three or class five board, commission, council, committee, or similar group may receive an allowance for subsistence, lodging, or

travel expenses if the allowance cost is funded by the state general fund(~~(- Exceptions may be granted)~~), unless authorized under RCW 43.03.220 or granted an exception under RCW 43.03.049.

NEW SECTION. Sec. 7. A new section is added to chapter 43.03 RCW to read as follows:

(1) An agency exercising its authority to provide stipends under RCW 43.03.220(2) must report to the Washington state office of equity by August 30, 2023, and August 30, 2024, for state fiscal years 2023 and 2024 respectively, the following information:

(a) A brief description of the groups for which stipends have been made available including:

(i) Number of members receiving a stipend or allowance; and

(ii) Aggregate demographic information of members of class one groups including race, ethnicity, income, and geographic representation by county;

(b) The amount of stipends distributed;

(c) The amount of allowances distributed;

(d) An analysis of whether and how the availability of stipends and allowances has reduced barriers to participation and increased the diversity of group participants; and

(e) An analysis of whether the provision of stipends and allowances resulted in more applications and willingness to participate.

(2) The Washington state office of equity shall:

(a) Compile and analyze the information received from agencies under this section; and

(b) Prepare a report, in compliance with RCW 43.01.036, to the governor and legislature by December 1, 2024. The report must include:

(i) An overall evaluation of the stipend process authorized in RCW 43.03.220(2);

(ii) Recommendations for improving the process; and

(iii) Recommendations to further decrease barriers to participation and

increase the diversity of group applicants.

Sec. 8. RCW 41.40.035 and 1987 c 146 s 1 are each amended to read as follows:

(1) No person appointed to membership on any committee, board, or commission on or after July 1, 1976, who is compensated for service on such committee, board, or commission for fewer than ten days or seventy hours in any month, whichever amount is less, shall receive service credit for such service for that month: PROVIDED, That on and after October 1, 1977, appointive and elective officials who receive monthly compensation earnable from an employer in an amount equal to or less than ninety times the state minimum hourly wage shall not receive any service credit for such employment.

(2) No person appointed on or after the effective date of this subsection to membership on any committee, board, or commission described in RCW 43.03.220 may receive service credit for service on such committee, board, or commission due to the payment of a stipend or allowance as authorized under RCW 43.03.220.

(3) This section does not apply to any person serving on a committee, board, or commission on June 30, 1976, who continued such service until subsequently appointed by the governor to a different committee, board, or commission."

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The joint legislative audit and review committee shall conduct a review of the appropriation and expenditure of cannabis revenues pursuant to RCW 69.50.540 and report to the appropriate legislative committees by July 1, 2023. The report shall include an examination on the appropriation and expenditure of these funds to evaluate: how these funds have been appropriated and expended; whether the appropriations and expenditures are consistent with the provisions of RCW 69.50.540; and whether information related to the appropriations and expenditures is readily available to the general public. The report shall include options for increasing the transparency and accountability related to the appropriation and expenditure of cannabis related revenues."

E2SSB 5803 Prime Sponsor, Committee on Ways & Means: Mitigating the risk of wildfires caused by an electric utility's equipment. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Rural Development, Agriculture & Natural Resources.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** (1) It is in the best interest of the state, our citizens, and our landscapes to identify the sources of wildland fires; identify and implement best practices to reduce the prevalence and intensity of those wildland fires; put those practices in place; and by putting those practices in place, reduce the risk of wildland fires and damage resulting from those fires.

(2) The legislature finds that electric utilities are partners with relevant state agencies, emergency responders, and public and private entities in identifying best practices to reduce the risk of and prevent wildland fires. Many electric utilities have developed and are implementing wildfire mitigation plans. The legislature further finds that electric utilities should adopt and implement wildfire mitigation plans, and that electric utilities should be informed by recognized best practices, as applicable to their geography, terrain, vegetation, and other characteristics specific in their service area, for reducing wildland fire risk and reducing damage from wildland fires as may be ignited by electric utility equipment.

(3) Therefore, the legislature intends to authorize the development of best practices guidelines and to require that electric utilities provide their wildfire mitigation plans to the state in order to promote public transparency and to obtain review of the plans for inclusion of applicable best practices guidelines.

NEW SECTION. **Sec. 2.** A new section is added to chapter 76.04 RCW to read as follows:

(1) The department shall contract with an independent consultant with experience in developing utility wildfire mitigation plans to recommend a format and a list of elements to be included in electric utility wildfire mitigation plans, including best practices guidance that may apply to each element as appropriate. In developing the format and list of elements, the department shall seek input from the utilities and transportation commission, the energy emergency management office of the department of commerce, the utility wildland fire prevention advisory committee, electric utilities, the state

fire marshal, the governor's office of Indian affairs, and the public. By July 1, 2023, the department shall make public a recommended format and list of elements for electric utility wildfire mitigation plans.

(2) The recommended elements must acknowledge that utilities serve areas that vary in topography, vegetation, population, and other characteristics, and that best practices guidelines within each element must recognize that a utility's wildfire mitigation plan will be designed to fit site-specific circumstances. The recommended elements must include, but are not limited to:

(a) Vegetation management along transmission and distribution lines and near associated equipment;

(b) Infrastructure inspection and maintenance repair activities, schedules, and recordkeeping;

(c) Modifications or upgrades to facilities and construction of new facilities to incorporate cost-effective measures to minimize fire risk;

(d) Preventative programs, including adoption of new technologies to harden utility infrastructure; and

(e) Operational procedures.

(3) The recommended format and list of elements developed by the department must be forwarded to the utilities and transportation commission, the energy emergency management office of the department of commerce, and all electric utilities in Washington state for a review period of three months prior to finalizing the format and list of elements that utilities will use to adopt or update their electric utility wildfire mitigation plan.

(4) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Consumer-owned utility" means a municipal electric utility, public utility district, irrigation district, cooperative, or mutual corporation association.

(b) "Electric utility" means: (i) An electrical company as defined in RCW 80.04.010 that is engaged in the business of distributing electricity to one or more electric customers in the state; or (ii) a consumer-owned utility that is engaged in the business of distributing

electricity to one or more electric customers in the state.

NEW SECTION. **Sec. 3.** A new section is added to chapter 80.28 RCW to read as follows:

(1) By October 31, 2023, and at a minimum every two years thereafter, each electrical company must review and revise, if appropriate, its wildfire mitigation plan and submit it to the commission. The plan should include a review of specific circumstances of that electrical company and incorporate as appropriate the recommendations developed pursuant to section 2 of this act. The electrical company must submit its plan to the commission and make the plan publicly available. Within six months of submission by the electrical company, the commission shall review the plan and confirm whether or not the plan contains the recommended elements. In reviewing the plan, the commission must consult with the department of natural resources and the energy emergency management office of the department of commerce. The commission's review of an electrical company's wildfire mitigation plan does not relieve an electrical company from proactively managing wildfire risk, including by monitoring emerging practices and technologies, and mitigating and responding to wildfires. The commission is not liable for an electrical company's performance implementing its wildfire mitigation plan. An electrical company may pursue recovery of reasonable costs and investments associated with a wildfire mitigation plan through a proceeding to set rates at the commission. Nothing in this section or sections 2, 4, and 6 of this act may be construed to preclude electrical companies from continuing to develop and implement wildfire mitigation measures. After the commission's review, the electrical company must provide a copy of the plan to the department of natural resources along with a list and description of wildland fires within its customer service area over the previous two years as reported by the department of natural resources. The plan must be posted as specified in section 6 of this act.

(2) For the purposes of this section, "electrical company" means a company owned by investors that meets the definition of "corporation" in RCW 80.04.010 and is engaged in distributing

electricity to more than one retail electric customer in the state.

NEW SECTION. **Sec. 4.** A new section is added to chapter 19.29A RCW to read as follows:

(1) By December 31, 2023, and every two years thereafter, each consumer-owned utility must review and revise, if appropriate, its wildfire mitigation plan. The plan should include a review of specific circumstances of that utility and incorporate as appropriate the recommendations developed pursuant to section 2 of this act.

(a) The governing board of each consumer-owned utility shall review the plan and confirm whether the plan contains the recommended elements. Local fire districts must be provided the opportunity to review and provide feedback during this period. After the governing board's review, the utility must provide a copy to the department of natural resources, along with a list and description of wildland fires within its customer service area over the previous two years as reported by the department of natural resources. The plan must be posted as specified in section 6 of this act.

(b) Each consumer-owned utility must also provide its plan to the energy emergency management office of the department of commerce for review, which must review the plans and provide feedback within six months for consideration for inclusion in the next plan revision.

(c) By December 31, 2022, each utility must provide a copy of their most recent plan to the department of natural resources and it must be posted on a website.

(d) By December 31, 2023, the energy emergency management office will be available to provide technical assistance to consumer-owned utilities to include the best practices guidelines in their revision of plans.

(2) Two or more abutting utilities may codevelop a wildfire mitigation plan. Wildfire mitigation plans that are codeveloped by more than one utility may identify areas of common implementation, including communication protocols, that will assist in implementing the recommended elements pursuant to section 2 of this act.

(3) Nothing in this section prohibits a utility from reviewing or updating its wildfire mitigation plan more often than every two years or requires that the utility submit their plan beyond the requirements of subsection (1) of this section.

Sec. 5. RCW 76.04.780 and 2021 c 183 s 1 are each amended to read as follows:

(1) The commissioner shall convene a utility wildland fire prevention advisory committee with electrical power distribution utilities by August 1, 2021. The duties of the advisory committee are to advise the department on issues including, but not limited to:

(a) Matters related to the ongoing implementation of the relevant recommendations of the electric utility wildland fire prevention task force established in chapter 77, Laws of 2019, and by August 1, 2021:

(i) Finalizing a model agreement for managing danger trees and other vegetation adjacent to utility rights-of-way on state uplands managed by the department;

(ii) Implementing recommendations of the task force related to communications and information exchanges between the department and utilities;

(iii) Implementing recommendations of the task force related to protocols and thresholds when implementing provisions of RCW 76.04.015; and

(iv) Implementing recommendations of the task force related to creating rosters of certified wildland fire investigator firms or persons and qualified utility operations personnel who may be called upon as appropriate;

(b) Providing a forum for electric utilities, the department, and other fire suppression organizations of the state to identify and develop solutions to issues of ~~((wildfire))~~ wildland fire prevention and risk mitigation specifically related to electric utilities transmission and distribution networks, identification of best management practices, electric utility infrastructure protection, and wildland fire suppression and response;

(c) Establishing joint public communications protocols among members of the advisory committee, and other entities, to inform residents of the state of potential critical fire weather

events and the potential for power outages or disruptions;

(d) Providing comment to the wildland fire advisory committee established in RCW 76.04.179 through an annual presentation addressing policies and priorities of the utility wildland fire prevention advisory committee; and

(e) All other related issues deemed necessary by the commissioner.

(2) By August 1, 2021, the department must post on its website and update quarterly as necessary:

(a) Communication protocols and educational exchanges between the department and electric utilities;

(b) A voluntary model danger tree management agreement to utilities for their consideration for execution with the department;

(c) Protocols and thresholds that may be utilized when the department's investigation involves electric utility infrastructure or potential electric utility liability; and

(d) A roster of third-party certified wildland fire investigators and qualified utility personnel that may assist the department or utility in understanding and reducing risks and liabilities from wildland fire.

(3) Beginning July 1, 2022, and at the beginning of each subsequent biennium thereafter, the department must submit, in compliance with RCW 43.01.036, a report describing the prior biennium proceedings of the advisory committee, including identification of recommended legislation, if any, necessary to prevent wildfires related to electric utilities. In addition, by July 1, 2023, the department must submit to the appropriate committees of the senate and house of representatives:

(a) A compilation and summary of existing wildfire mitigation plans maintained by electric utilities;

(b) An analysis of the costs and benefits of preparing and maintaining a comprehensive statewide wildland fire risk map that identifies relative risk classes, with detail at a level to assist property owners, local governments, utilities, wildland management agencies, and fire response agencies in taking actions to minimize wildland fire starts and resulting damage. The analysis must

also address incorporating the boundaries of the wildland urban interface as mapped pursuant to RCW 19.27.031; and

(c) Recommendations for strengthening state agency coordination of wildland fire risk reduction, prevention, and suppression. In this work the utility wildland fire prevention advisory committee shall seek the views of the wildland fire advisory committee created under RCW 76.04.179, as well as the views of the department of commerce energy policy division and the emergency management division of the military department.

(4) The commissioner or the commissioner's designee must chair the advisory committee created in subsection (1) of this section and must appoint advisory committee members. The advisory committee must include a representative of the energy emergency management office of the department of commerce and a representative of the utilities and transportation commission. Advisory committee membership should also include:

(a) Entities providing retail electric service, including:

(i) One person representing each investor-owned utility;

(ii) Two persons representing municipal utilities;

(iii) Two persons representing public utility districts;

(iv) Two persons representing rural electric cooperatives;

(v) One person representing small forestland owners;

(vi) One person representing industrial forestland owners;

(b) Other persons with expertise in wildland fire risk reduction and prevention; and

(c) No more than two other persons designated by the commissioner.

(5) In addition to the advisory committee membership established in subsection (4) of this section, the commissioner shall designate two additional advisory committee members representing historically marginalized or underrepresented communities.

(6) The commissioner or the commissioner's designee shall convene the initial meeting of the advisory committee. The advisory committee chair must schedule and hold meetings on a regular basis in order to expeditiously accomplish the duties and make recommendations regarding the elements described in subsection (3) of this section.

(7) The members of the advisory committee, or individuals acting on their behalf, are immune from civil liability for official acts performed in the course of their duties specifically related to the advisory committee.

(8) Participation on the advisory committee created in subsection (1) of this section is strictly voluntary and without compensation.

(9) Any requirements in this section are subject to the availability of amounts appropriated for the specific purposes described.

NEW SECTION. Sec. 6. A new section is added to chapter 76.04 RCW to read as follows:

(1) The department must create a public website to host electric utility wildfire mitigation plans developed under sections 3 and 4 of this act.

(2) Nothing in this act may be construed to preclude electric utilities from continuing to develop and implement their wildfire mitigation plans. Electric utilities are encouraged to submit their 2022 plans to the department's energy emergency management office for inclusion on the website under subsection (1) of this section.

(3) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Consumer-owned utility" means a municipal electric utility, public utility district, irrigation district, cooperative, or mutual corporation association.

(b) "Electric utility" means: (i) An electrical company as defined in RCW 80.04.010 that is engaged in the business of distributing electricity to one or more electric customers in the state; or (ii) a consumer-owned utility that is engaged in the business of distributing electricity to one or more electric customers in the state."

"NEW SECTION. **Sec. 1.** A new section is added to chapter 71A.10 RCW to read as follows:

(1) The department shall hire two permanent, full-time employees to regularly review and maintain the no-paid services caseload. This includes, but is not limited to, updating the no-paid services caseload to accurately reflect a current headcount of eligible individuals and identifying the number of individuals contacted who are currently interested in receiving a paid service from the developmental disabilities administration and if the individual would like services now or within the next year. Beginning December 1, 2022, the department shall annually report this information to the governor and the appropriate committees of the legislature.

(2) A client on the no-paid services caseload shall receive case resource management services. The case resource manager's duties include: (a) Contacting and responding to the client to discuss the client's service needs, and (b) explaining to the client the service options available through the department or other community resources.

ESSB 5847 Prime Sponsor, Committee on Higher Education & Workforce Development: Providing information to public service employees about the public service loan forgiveness program. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on College & Workforce Development.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** (1) The legislature recognizes that our country faces a student loan debt crisis. Nationally, Americans owe \$1.73 trillion in student loans. In Washington state, about 767,300 student loan borrowers owe nearly \$27.4 billion of outstanding debt, more than \$35,700 per borrower on average.

(2) Student loan debt is a multigenerational issue that affects borrowers of all ages and jeopardizes millions of families' long-term financial security. While student loan balances have risen for all age groups, older borrowers have seen the largest increase. Student loan defaults rise with the borrower's age, and parents and grandparents take on debt to help their children and grandchildren pay for their education. Borrowers are increasingly defaulting on their debts, resulting in income garnishment and deductions from federal tax refunds or social security payments.

(3) The legislature further recognizes that the federal government offers and provides loan forgiveness for individuals who have worked in a public service job full time and have made qualifying payments towards their student loans. Unfortunately, the eligibility criteria to qualify for this program has been complex, leading to low approval rates for individuals who would otherwise qualify. By providing more public awareness of this program, the legislature intends to help alleviate the student loan debt burden of those who have committed their lives to public service.

(4) It is the intent of the legislature to do the following:

(a) Develop materials to increase awareness of the federal public service loan forgiveness program;

(b) Create a program for state agencies to certify employment for the purpose of the public service loan forgiveness program;

(c) Have public service employers collaborate on a statewide initiative to improve access and remove barriers to the public service loan forgiveness program for all public service employees in the state; and

(d) Acknowledge the work done outside the classroom by part-time academic employees, allowing for those hours to be counted towards the definition of full time for the public service loan forgiveness program as set forth in 34 C.F.R. Sec. 685.219.

NEW SECTION. **Sec. 2.** A new section is added to chapter 28B.77 RCW to read as follows:

(1) The student loan advocate, established in RCW 28B.77.007, shall develop, and update annually as necessary, materials designed to increase awareness of the public service loan forgiveness program. Materials include, at a minimum:

(a) A standardized letter for public service employers to send to their employees briefly summarizing the public service loan forgiveness program, information about what eligible employees are required to do in order to benefit from the program, and how an eligible employee may contact their student loan servicer for additional resources;

(b) A detailed fact sheet describing the public service loan forgiveness program, including the official website address maintained by the United States department of education for the program and contact information for the student loan advocate; and

(c) A document containing frequently asked questions about the public service loan forgiveness program.

(2) The student loan advocate shall coordinate with the office of financial management, the secretary of state, local governmental entities, and other relevant agencies and public service employer entities to ensure that public service employers receive materials developed in subsection (1) of this section.

(3) For purposes of this section, the definitions in this subsection apply:

(a) "Public service employer" includes the following:

(i) Any governmental entity including state, county, city, or other local government entity including political subdivisions, such as office, department, independent agency, school district, public college or university system, public library system,

authority, or other body including the legislature and the judiciary;

(ii) Any employer that has received designation as a tax-exempt organization pursuant to Title 26 U.S.C. Sec. 501(c)(3) of the federal internal revenue code of 1986, as amended;

(iii) Any other entities identified as a public service job in Title 20 U.S.C. Sec. 1087e(m).

(b) "Public service loan forgiveness program" means the federal loan forgiveness program established pursuant to Title 20 U.S.C. Sec. 1087e(m) and 34 C.F.R. Sec. 685.219.

NEW SECTION. Sec. 3. A new section is added to chapter 43.41 RCW to read as follows:

(1) The office shall:

(a) Develop a program for state agencies to certify employment for the purposes of the public service loan forgiveness program by July 1, 2023.

(b) Assist the student loan advocate in creating and distributing materials designed to increase awareness of the public service loan forgiveness program set forth in section 1 of this act.

(c) Collaborate with the student achievement council, the employment security department, the department of retirement systems, nonprofit entities, local government representatives, and other public service employers in developing a statewide initiative to improve access and remove barriers to the public service loan forgiveness program for all public service employees. The program established for state agencies in this section and the certification process in section 4 of this act may be considered in the development of the initiative. A plan for a statewide initiative must be developed and submitted to the higher education committees of the legislature by December 1, 2024, in compliance with RCW 43.01.036.

(2) For purposes of this section, the definitions in this subsection apply:

(a) "Certifying employment" means either completing the employer sections of the public service loan forgiveness form or sharing data directly with the United States department of education that corresponds to the information required for the public service loan

forgiveness form, as allowed by the United States department of education.

(b) "Public service employer" includes the following:

(i) Any governmental entity including state, county, city, or other local government entity including political subdivisions, such as office, department, independent agency, school district, public college or university system, public library system, authority, or other body including the legislature and the judiciary;

(ii) Any employer that has received designation as a tax-exempt organization pursuant to Title 26 U.S.C. Sec. 501(c)(3) of the federal internal revenue code of 1986, as amended;

(iii) Any other entities identified as a public service job in Title 20 U.S.C. Sec. 1087e(m).

(c) "Public service loan forgiveness program" means the federal loan forgiveness program established pursuant to Title 20 U.S.C. Sec. 1087e(m) and 34 C.F.R. Sec. 685.219.

(d) "State agency" or "agency" means departments, offices, agencies, or institutions of state government, the legislature, institutions of higher education, school districts, and educational service districts.

NEW SECTION. Sec. 4. A new section is added to chapter 41.04 RCW to read as follows:

(1) As soon as available, a state agency shall provide the materials described in section 2 of this act in written or electronic form to:

(a) All employees annually;

(b) Newly hired employees within 30 days of the employee's first day of employment.

(2) A state agency must certify employment for the purposes of the public service loan forgiveness program in accordance with the program established in section 3 of this act beginning July 1, 2023.

(a) If a state agency does not directly certify employment with the United States department of education, the state agency must annually provide notice of renewal and a copy of the public service loan forgiveness form with employer information and employment certification

sections of the form already completed reflecting at least the last 12 months of employment to:

(i) An employee who requests a public service loan forgiveness form;

(ii) Any current employee for whom the state agency has previously certified employment, unless the employee has opted out; and

(iii) An employee upon separation from service or employment, unless the employee has opted out. The notice of renewal and completed employer sections of the public service loan forgiveness form provided to a separated employee must be sent within 60 days of separation and are exempted from the annual requirement set forth in subsection (2)(a) of this section.

(b) A state agency shall not unreasonably delay in certifying employment.

(c) A state agency must seek permission from its employees prior to certifying their employment.

(d) Institutions of higher education must use the calculation established in section 5 of this act and may apply it retroactively to determine whether a part-time academic employee is considered full time for the public service loan forgiveness program.

(e) A state agency may send the information necessary for public service loan forgiveness employment certification to the United States department of education, or its agents, if the United States department of education permits public service employers to certify employment for past or present individual employees or groups of employees directly, notwithstanding other provisions of law.

(f) The office of financial management is authorized to adopt rules for the purpose of this section.

(3) An employee of a state agency may opt out of the employment certification process established in section 3 of this act at any time.

(4) For purposes of this section, the definitions in this subsection apply:

(a) "Certifying employment" means either completing the employer sections of the public service loan forgiveness form or sharing data directly with the United States department of education

that corresponds to the information required for the public service loan forgiveness form.

(b) "Full time" has the same meaning as set forth in 34 C.F.R. Sec. 685.219.

(c) "Public service employer" includes the following:

(i) Any governmental entity including state, county, city, or other local government entity including political subdivisions, such as office, department, independent agency, school district, public college or university system, public library system, authority, or other body including the legislature and the judiciary;

(ii) Any employer that has received designation as a tax-exempt organization pursuant to Title 26 U.S.C. Sec. 501(c)(3) of the federal internal revenue code of 1986, as amended;

(iii) Any other entities identified as a public service job in Title 20 U.S.C. Sec. 1087e(m).

(d) "Public service loan forgiveness program" means the federal loan forgiveness program established pursuant to Title 20 U.S.C. Sec. 1087e(m) and 34 C.F.R. Sec. 685.219.

(e) "State agency" or "agency" means departments, offices, agencies, or institutions of state government, the legislature, institutions of higher education, school districts, and educational service districts.

NEW SECTION. Sec. 5. A new section is added to chapter 41.04 RCW to read as follows:

For the purpose of determining whether a part-time academic employee at an institution of higher education is considered full time for certifying employment for the public service loan forgiveness program, duties performed in support of, or in addition to, contractually assigned in-class teaching hours must be included. To calculate this, each hour of in-class teaching time shall be multiplied by 3.35 hours. This section shall not supersede any calculation or adjustment established by a collective bargaining agreement or employer policy for additional work done outside of in-class teaching. An institution of higher education shall not treat any adjusted total hours worked differently from hours worked without an adjustment when determining whether an

employee is full time. "Institution of higher education" has the same meaning as "institutions of higher education" in RCW 28B.10.016.

NEW SECTION. **Sec. 6.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

NEW SECTION. **Sec. 7.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2022, in the omnibus appropriations act, this act is null and void."

ESSB 5874 Prime Sponsor, Committee on Higher Education & Workforce Development: Concerning residency of students affiliated with the military. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on College & Workforce Development.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 28B.15.012 and 2021 c 272 s 9 are each amended to read as follows:

Whenever used in this chapter:

(1) The term "institution" shall mean a public university, college, or

community or technical college within the state of Washington.

(2) The term "resident student" shall mean:

(a) A financially independent student who has had a domicile in the state of Washington for the period of one year immediately prior to the time of commencement of the first day of the semester or quarter for which the student has registered at any institution and has in fact established a bona fide domicile in this state primarily for purposes other than educational;

(b) A dependent student, if one or both of the student's parents or legal guardians have maintained a bona fide domicile in the state of Washington for at least one year immediately prior to commencement of the semester or quarter for which the student has registered at any institution;

(c) A student classified as a resident based upon domicile by an institution on or before May 31, 1982, who was enrolled at a state institution during any term of the 1982-1983 academic year, so long as such student's enrollment (excepting summer sessions) at an institution in this state is continuous;

(d) Any student who has spent at least seventy-five percent of both his or her junior and senior years in high schools in this state, whose parents or legal guardians have been domiciled in the state for a period of at least one year within the five-year period before the student graduates from high school, and who enrolls in a public institution of higher education within six months of leaving high school, for as long as the student remains continuously enrolled for three quarters or two semesters in any calendar year;

(e) Any person who has completed and obtained a high school diploma, or a person who has received the equivalent of a diploma; who has continuously lived in the state of Washington for at least a year primarily for purposes other than postsecondary education before the individual is admitted to an institution of higher education under subsection (1) of this section; and who provides to the institution an affidavit indicating that the individual will file an application to become a permanent resident at the earliest opportunity the individual is eligible to do so and a willingness to engage in any other activities necessary

to acquire citizenship, including but not limited to citizenship or civics review courses;

(f) Any person who has lived in Washington, primarily for purposes other than ~~((educational))~~ postsecondary education, for at least one year immediately before the date on which the person has enrolled in an institution, and who holds lawful nonimmigrant status pursuant to 8 U.S.C. Sec. (a)(15) (E)(iii), (H)(i), or (L), or who holds lawful nonimmigrant status as the spouse or child of a person having nonimmigrant status under one of those subsections, or who, holding or having previously held such lawful nonimmigrant status as a principal or derivative, has filed an application for adjustment of status pursuant to 8 U.S.C. Sec. 1255(a);

(g) A student who is on active military duty stationed in the state or who is a member of the Washington national guard;

(h) A student who is on active military duty or a member of the Washington national guard who meets the following conditions:

(i) Entered service as a Washington resident;

(ii) Has maintained a Washington domicile; and

(iii) Is stationed out-of-state;

(i) A student who is on active military duty who is stationed out-of-state after having been stationed in Washington and is either:

(i) Admitted to an institution of higher education in Washington before the reassignment and enrolls in that institution for the term the student was admitted;

(ii) Enrolled in an institution of higher education in Washington and remains continuously enrolled at the institution; or

(iii) Enrolls in an institution of higher education in Washington within three years from the date of reassignment out-of-state;

(j) A student who is the spouse, state registered domestic partner, or a dependent as defined in Title 10 U.S.C. Sec. 1072(2) as it existed on January 18, 2022, or such subsequent date as the student achievement council may determine by rule of a person defined in (g) or (h) of this subsection. If the

person defined in (g) of this subsection is reassigned out-of-state, the student maintains the status as a resident student so long as the student is either:

(i) Admitted to an institution before the reassignment and enrolls in that institution for the term the student was admitted; ~~((or))~~

(ii) Enrolled in an institution and remains continuously enrolled at the institution; or

~~(n) A student who is on terminal, transition, or separation leave pending separation, or release from active duty, from the uniformed services with any period of honorable service after at least ninety days of active duty service and is eligible for educational assistance benefits under Title 38 U.S.C.;~~

~~(o) A student who is entitled to veterans administration educational assistance benefits based on the student's relationship as a spouse, former spouse, or child to an individual who has separated from the uniformed services with any period of honorable service after at least ninety days of active duty service, and who enters an institution of higher education in~~

~~Washington within three years of the service member's date of separation;~~

~~(p)) (k) A student who is eligible for veterans administration educational assistance or rehabilitation benefits under Title 38 U.S.C. or educational assistance under Title 10 U.S.C. chapter 1606 as the titles existed on January 18, 2022, or such subsequent date as the student achievement council may determine by rule;~~

~~(l) A student who ((is the spouse or child to an individual who)) has separated or retired from the uniformed services with at least ((ten)) 10 years of honorable service and at least ((ninety)) 90 days of active duty service, and who enters an institution of higher education in Washington within three years of the ((service member's)) date of separation or retirement;~~

~~((q)) (m) A student who is the spouse, state registered domestic partner, or child under the age of 26 years of an individual who has separated or retired from the uniformed services with at least 10 years of honorable service and at least 90 days of active duty service, and who enters an institution of higher education in Washington within three years of the service member's date of separation or retirement;~~

~~(n) A student who has separated from the uniformed services who was discharged due to the student's sexual orientation or gender identity or expression;~~

~~((r) A student who is entitled to veterans administration educational assistance benefits based on the student's relationship with a deceased member of the uniformed services who died in the line of duty;~~

~~(s) A student who is entitled to federal vocational rehabilitation and employment services for veterans with service connected disabilities under 38 U.S.C. Sec. 3102(a);~~

~~(t)) (o) A student who is defined as a covered individual in 38 U.S.C. Sec. 3679(c)(2) as it existed on ((July 28, 2019)) January 18, 2022, or such subsequent date as the student achievement council may determine by rule;~~

~~((u)) (p) A student of an out-of-state institution of higher education who is attending a Washington state~~

institution of higher education pursuant to a home tuition agreement as described in RCW 28B.15.725;

~~((v)) (q) A student who meets the requirements of RCW 28B.15.0131 or 28B.15.0139: PROVIDED, That a nonresident student enrolled for more than six hours per semester or quarter shall be considered as attending for primarily educational purposes, and for tuition and fee paying purposes only such period of enrollment shall not be counted toward the establishment of a bona fide domicile of one year in this state unless such student proves that the student has in fact established a bona fide domicile in this state primarily for purposes other than educational;~~

~~((w)) (r) A student who resides in Washington and is on active military duty stationed in the Oregon counties of Columbia, Gilliam, Hood River, Multnomah, Clatsop, Clackamas, Morrow, Sherman, Umatilla, Union, Wallowa, Wasco, or Washington; or~~

~~((x)) (s) A student who resides in Washington and is the spouse or a dependent of a person defined in ((w)) (r) of this subsection. If the person defined in ((w)) (r) of this subsection moves from Washington or is reassigned out of the Oregon counties of Columbia, Gilliam, Hood River, Multnomah, Clatsop, Clackamas, Morrow, Sherman, Umatilla, Union, Wallowa, Wasco, or Washington, the student maintains the status as a resident student so long as the student resides in Washington and is either:~~

~~(i) Admitted to an institution before the reassignment and enrolls in that institution for the term the student was admitted; or~~

~~(ii) Enrolled in an institution and remains continuously enrolled at the institution.~~

~~(3)(a) A student who qualifies under subsection (2)(k), (l), (m), (n), or (o)((, (p), (q), (r), (s), or (t))) of this section and who remains continuously enrolled at an institution of higher education shall retain resident student status.~~

~~(b) Nothing in subsection (2)(k), (l), (m), (n), or (o)((, (p), (q), (r), (s), or (t))) of this section applies to students who have a dishonorable discharge from the uniformed services, or to students who are the spouse or child of an individual who has had a~~

dishonorable discharge from the uniformed services, unless the student is receiving veterans administration educational assistance benefits.

(4) The term "nonresident student" shall mean any student who does not qualify as a "resident student" under the provisions of this section and RCW 28B.15.013. Except for students qualifying under subsection (2)(e) or ~~((+))~~ (p) of this section, a nonresident student shall include:

(a) A student attending an institution with the aid of financial assistance provided by another state or governmental unit or agency thereof, such nonresidency continuing for one year after the completion of such semester or quarter. This condition shall not apply to students from Columbia, Multnomah, Clatsop, Clackamas, or Washington county, Oregon participating in the border county pilot project under RCW 28B.76.685, 28B.76.690, and 28B.15.0139.

(b) A person who is not a citizen of the United States of America, unless the person meets and complies with all applicable requirements in this section and RCW 28B.15.013 and is one of the following:

(i) A lawful permanent resident;

(ii) A temporary resident;

(iii) A person who holds "refugee-parolee," "conditional entrant," or U or T nonimmigrant status with the United States citizenship and immigration services;

(iv) A person who has been issued an employment authorization document by the United States citizenship and immigration services that is valid as of the date the person's residency status is determined;

(v) A person who has been granted deferred action for childhood arrival status before, on, or after June 7, 2018, regardless of whether the person is no longer or will no longer be granted deferred action for childhood arrival status due to the termination, suspension, or modification of the deferred action for childhood arrival program; or

(vi) A person who is otherwise permanently residing in the United States under color of law, including deferred action status.

(5) The term "domicile" shall denote a person's true, fixed and permanent home and place of habitation. It is the place where the student intends to remain, and to which the student expects to return when the student leaves without intending to establish a new domicile elsewhere. The burden of proof that a student, parent or guardian has established a domicile in the state of Washington primarily for purposes other than educational lies with the student.

(6) The term "dependent" shall mean a person who is not financially independent. Factors to be considered in determining whether a person is financially independent shall be set forth in rules adopted by the student achievement council and shall include, but not be limited to, the state and federal income tax returns of the person and/or the student's parents or legal guardian filed for the calendar year prior to the year in which application is made and such other evidence as the council may require.

(7) The term "active military duty" means the person is serving on active duty in:

(a) The armed forces of the United States government; or

(b) The Washington national guard; or

(c) The coast guard, merchant mariners, or other nonmilitary organization when such service is recognized by the United States government as equivalent to service in the armed forces.

(8) The term "active duty service" means full-time duty, other than active duty for training, as a member of the uniformed services of the United States. Active duty service as a national guard member under Title 32 U.S.C. for the purpose of organizing, administering, recruiting, instructing, or training and active service under Title 32 U.S.C. Sec. 502(f) for the purpose of responding to a national emergency is recognized as active duty service.

(9) The term "uniformed services" is defined by Title 10 U.S.C.; subsequently structured and organized by Titles 14, 33, and 42 U.S.C.; consisting of the United States army, United States marine corps, United States navy, United States air force, United States coast guard, United States space force, United States public health service commissioned

corps, and the national oceanic and atmospheric administration commissioned officer corps.

(10) "Washington national guard" means that part of the military force of the state that is organized, equipped, and federally recognized under the provisions of the national defense act of the United States, and in the event the national guard is called into federal service or in the event the state guard or any part or individual member thereof is called into active state service by the commander-in-chief. National guard service includes being subject to call up for active duty under Title 32 U.S.C. or Title 10 U.S.C. status or when called to state active service by the governor under the provisions of RCW 38.08.040.

(11) "Child" includes, but is not limited to:

- (a) A legitimate child;
- (b) An adopted child;
- (c) A stepchild;
- (d) A foster child; and
- (e) A legal dependent."

SSB 5880 Prime Sponsor, Committee on Business, Financial Services & Trade: Concerning fire protection sprinkler system contractors. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 18.160.030 and 2003 c 74 s 1 are each amended to read as follows:

(1) This chapter shall be administered by the state director of fire protection.

(2) The state director of fire protection shall have the authority, and it shall be his or her duty to:

(a) Issue such administrative regulations as necessary for the administration of this chapter;

(b)(i) Set reasonable fees for licenses, certificates, testing, and other aspects of the administration of this chapter. However, the license fee for fire protection sprinkler system contractors engaged solely in the installation, inspection, maintenance, or servicing of NFPA 13-D fire protection sprinkler systems shall not exceed (~~one hundred dollars~~) \$125, and the license fee for fire protection sprinkler system contractors engaged solely in the installation, inspection, maintenance, or servicing of NFPA 13-R fire protection sprinkler systems shall not exceed (~~three hundred dollars~~) \$375;

(ii) Adopt rules establishing a special category restricted to contractors registered under chapter 18.27 RCW who install underground systems that service fire protection sprinkler systems. The rules shall be adopted within ninety days of March 31, 1992;

(iii) Subject to RCW 18.160.120, adopt rules defining infractions under this chapter and fines to be assessed for those infractions;

(c) Enforce the provisions of this chapter;

(d) Conduct investigations of complaints to determine if any infractions of this chapter or the regulations developed under this chapter have occurred;

(e) Assign a certificate number to each certificate of competency holder; and

(f) Adopt rules necessary to implement and administer a program which requires the affixation of a seal any time a fire protection sprinkler system is installed, which seal shall include the certificate number of any certificate of competency holder who installs, in whole or in part, the fire protection sprinkler system.

Sec. 2. RCW 18.160.050 and 2018 c 37 s 1 are each amended to read as follows:

(1)(a) All certificate of competency holders that desire to continue in the fire protection sprinkler business shall annually, prior to January 1st, secure from the state director of fire protection a renewal certificate of competency upon payment of the fee as prescribed by the state director of fire protection. Application for renewal shall be upon a form prescribed by the state director of fire protection and the certificate holder shall furnish the information required by the director.

(b) Failure of any certificate of competency holder to secure his or her renewal certificate of competency within (~~sixty~~) 60 days after the due date shall constitute sufficient cause for the state director of fire protection to suspend the certificate of competency.

(c) The state director of fire protection may, upon the receipt of payment of all delinquent fees including a late charge, restore a certificate of competency that has been suspended for failure to pay the renewal fee.

(d) A certificate of competency holder may voluntarily surrender his or her certificate of competency to the state director of fire protection and be relieved of the annual renewal fee. After surrendering the certificate of competency, he or she shall not be known as a certificate of competency holder and shall desist from the practice thereof. Within two years from the time of surrender of the certificate of competency, he or she may again qualify for a certificate of competency, without examination, by the payment of the required fee. If two or more years have elapsed, he or she shall return to the status of a new applicant.

(2)(a) All licensed fire protection sprinkler system contractors desiring to continue to be licensed shall annually, prior to January 1st, secure from the state director of fire protection a renewal license upon payment of the fee as prescribed by the state director of fire protection. Application for renewal shall be upon a form prescribed by the state director of fire protection and the license holder shall furnish the information required by the director.

(b) Failure of any license holder to secure his or her renewal license within (~~sixty~~) 60 days after the due date shall constitute sufficient cause for the

state director of fire protection to suspend the license.

(c) The state director of fire protection may, upon the receipt of payment of all delinquent fees including a late charge, restore a license that has been suspended for failure to pay the renewal fee.

(3) The initial certificate of competency or license fee shall be prorated based upon the portion of the year such certificate of competency or license is in effect, prior to renewal on January 1st.

(4) The fire protection contractor license fund is created in the custody of the state treasurer. (~~All~~) Except for penalties received under RCW 18.160.120, all receipts from license and certificate fees and charges or from the money generated by the rules and regulations promulgated under this chapter shall be deposited into the fund. Expenditures from the fund may be used only for purposes authorized under this chapter and for providing assistance in identifying fire sprinkler system components that have been subject to either a recall or voluntary replacement program by a manufacturer of fire sprinkler products, a nationally recognized testing laboratory, or the federal consumer product safety commission; and for use in developing and publishing educational materials related to the effectiveness of residential fire sprinklers. Assistance shall include, but is not limited to, aiding in the identification of recalled components, information sharing strategies aimed at ensuring the consumer is made aware of recalls and voluntary replacement programs, and providing training and assistance to local fire authorities, the fire sprinkler industry, and the public. Only the state director of fire protection or the director's designee may authorize expenditures from the fund. The fund is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures.

Sec. 3. RCW 18.160.120 and 2003 c 74 s 2 are each amended to read as follows:

(1) A fire protection sprinkler system contractor found to have committed an infraction under this chapter as defined in rule under RCW 18.160.030(2)(b)(iii) shall be assessed a fine of not less than (~~two hundred dollars~~) \$300 and not more

than ~~((five thousand dollars))~~ \$7,500 for the first infraction, a fine of not less than \$400 and not more than \$10,000 for a second infraction by the same contractor, and a fine of not less than \$1,000 and not more than \$15,000 for the third and any subsequent infractions by the same contractor.

(2) A fire protection sprinkler system contractor who fails to obtain a certificate of competency under RCW 18.160.040 shall be assessed a fine of not less than ~~((one thousand dollars))~~ \$1,500 and not more than ~~((five thousand dollars))~~ \$7,500 for the first infraction, and a fine of not less than \$2,500 and not more than \$10,000 for a second infraction by the same contractor, and a fine of not less than \$5,000 and not more than \$25,000 for the third and any subsequent infractions by the same contractor.

(3) All fines collected under this section shall be deposited into the fire protection ~~((contractor license fund))~~ compliance account.

NEW SECTION. Sec. 4. A new section is added to chapter 18.160 RCW to read as follows:

The fire protection compliance account is created in the custody of the state treasurer. All fines collected under RCW 18.160.120 and the rules and regulations adopted under RCW 18.160.120 must be deposited into the account. Expenditures from the account may only be used for the purposes of enforcing this chapter. Only the state director of fire protection or their designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures.

Sec. 5. RCW 18.270.050 and 2007 c 435 s 6 are each amended to read as follows:

(1) A certificate expires on December 31st.

(2) The certificate shall be renewed every other year.

(3) Before the expiration date of the certificate, every applicant shall reapply to the director on an application form provided by the director and pay the application fee as provided by rule.

(4) If a certificate is not renewed before its expiration date, an applicant must:

(a) Apply to the director on an application form provided by the director;

(b) Pay an application fee to the director as provided by rule;

(c) Pay an examination fee as provided by rule; and

(d) Successfully pass the written examination required by this chapter.

(5) Upon approval of a certificate renewal, the director must provide the certificate holder with the renewal directly through certified mail.

Sec. 6. RCW 18.270.070 and 2007 c 435 s 8 are each amended to read as follows:

An authorized representative of the director ~~((may))~~ must investigate alleged violations of this chapter upon receipt of a complaint submitted to the director or an authorized representative of the director. The director must adopt rules providing the procedures and process for submitting a complaint, and must also provide a form for use in the submission of a complaint. Upon request of an authorized representative, a person performing fire protection sprinkler fitting or residential sprinkler fitting work must produce evidence of a certificate issued by the director in accordance with this chapter. Failure to produce such evidence is an infraction as provided by RCW 18.270.020."

SSB 5910 Prime Sponsor, Committee on Environment, Energy & Technology: Accelerating the availability and use of renewable hydrogen in Washington state. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Environment & Energy.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** INTENT AND FINDINGS. (1) The legislature finds that while hydrogen fuel has been used in a variety of applications in the state, the source of hydrogen has been derived from fossil fuel feedstocks, such as natural gas. Hydrogen is an essential building block and energy carrier molecule that is necessary in the production of conventional and renewable fuels and a valuable decarbonization tool when used in sectors such as marine, aviation, steel, aluminum, and cement, as well as surface transportation including heavy-duty vehicles, such as transit, trucking, and drayage equipment. Hydrogen can be a carbon-free fuel with an energy per unit mass that is three to four times greater than jet fuel, whose energy can be extracted either through thermochemical (combustion) or electrochemical (fuel cell) processes. In both cases, the only by-product is water, instead of the greenhouse gases and other conventional and toxic pollutants that are emitted from using fossil fuels.

(2) The legislature further finds that the use of renewable hydrogen and hydrogen produced from carbon-free feedstocks through electrolysis is an essential tool to a clean energy ecosystem and emissions reduction for challenging infrastructure needs. Clean hydrogen fuel can be produced or "charged" closer to the generation of the electricity when the electrical supply grid has surplus energy, at times of low electricity use, such as evenings, then made available at times of higher need and convenient locations, such as fueling stations, avoiding the need to build or upgrade larger electrical infrastructure, including distribution systems, to meet higher peak demand for electricity.

(3) Therefore, the legislature intends by this act to establish policies and a framework for the state to become a national and global leader in the production and use of these hydrogen fuels. This act will create an office of renewable fuels to: Promote partnerships among industrial, transportation, agriculture, and commercial interests as well as fuel producers, the technology research sector, and public sector agencies; identify barriers to and opportunities for market development; provide greater clarity and certainty in regulatory and siting standards; provide incentives and financial assistance in the deployment of hydrogen fuel infrastructure; support a clean and just energy transition; help create good quality, clean energy jobs; and improve air quality in degraded areas, particularly in communities that have borne disproportionate levels of air pollution from the combustion of fossil fuels.

Part 1

OFFICE OF RENEWABLE FUELS

NEW SECTION. **Sec. 101.** A new section is added to chapter 43.330 RCW to read as follows:

The definitions in this section apply throughout sections 102, 103, and 104 of this act unless the context clearly requires otherwise.

(1) "Department" means the department of commerce.

(2) "Green electrolytic hydrogen" means hydrogen produced through electrolysis and does not include hydrogen manufactured using steam

reforming or any other conversion technology that produces hydrogen from a fossil fuel feedstock.

(3) "Office" means the statewide office of renewable fuels established in section 102 of this act.

(4) "Overburdened communities" has the same meaning as defined in RCW 70A.02.010.

(5) "Renewable fuel" means fuel produced using renewable resources and includes renewable hydrogen.

(6) "Renewable hydrogen" has the same meaning as defined in RCW 54.04.190.

(7) "Renewable resource" has the same meaning as defined in RCW 19.405.020.

NEW SECTION. Sec. 102. A new section is added to chapter 43.330 RCW to read as follows:

(1) The statewide office of renewable fuels is established within the department. The office shall report to the director of the department. The office may employ staff as necessary to carry out the office's duties as prescribed by this act, subject to the availability of amounts appropriated for this specific purpose.

(2) The purpose of the office is to leverage, support, and integrate with other state agencies to:

(a) Accelerate comprehensive market development with assistance along the entire life cycle of renewable fuel projects;

(b) Support research into and development and deployment of renewable fuel and the production, distribution, and use of renewable and green electrolytic hydrogen and their derivatives, as well as product engineering and manufacturing relating to the production and use of such hydrogen and its derivatives;

(c) Drive job creation, improve economic vitality, and support the transition to clean energy;

(d) Enhance resiliency by using renewable fuels and green electrolytic hydrogen to support climate change mitigation and adaptations; and

(e) Partner with overburdened communities to ensure communities equitably benefit from renewable and clean fuels efforts.

NEW SECTION. Sec. 103. A new section is added to chapter 43.330 RCW to read as follows:

(1) The office shall:

(a) Coordinate with federally recognized tribes, local government, state agencies, federal agencies, private entities, the state's public four-year institutions of higher education, labor unions, and others to facilitate and promote multi-institution collaborations to drive research, development, and deployment efforts in the production, distribution, and use of renewable fuels including, but not limited to, green electrolytic hydrogen;

(b) Review existing renewable fuels and green electrolytic hydrogen initiatives, policies, and public and private investments;

(c) Consider funding opportunities that provide for the coordination of public and private funds for the purposes of developing and deploying renewable fuels and green electrolytic hydrogen;

(d) Assess opportunities for and barriers to deployment of renewable fuels and green electrolytic hydrogen in hard to decarbonize sectors of the state economy;

(e) Request recommendations from the Washington state association of fire marshals regarding fire and other safety standards adopted by the United States department of energy and recognized national and international fire and safety code development authorities regarding renewable fuels and green electrolytic hydrogen;

(f) By December 1, 2023, develop a plan and recommendations for consideration by the legislature and governor on renewable fuels and green electrolytic hydrogen policy and public funding including, but not limited to, project permitting, state procurement, and pilot projects; and

(g) Encourage new and support existing public-private partnerships to increase coordinated planning and deployment of renewable fuels and green electrolytic hydrogen.

(2) The office may take all appropriate steps to seek and apply for federal funds for which the office is eligible, and other grants, and accept donations, and must deposit these funds in the renewable fuels accelerator

account created in section 104 of this act.

(3) In carrying out its duties, the office must collaborate with the department, the department of ecology, the department of transportation, the utilities and transportation commission, electric utilities in Washington state, the Washington State University extension energy program, and all other relevant state agencies. The office must also consult with and seek to involve federally recognized tribes, project developers, labor and industry trade groups, and other interested parties, in the development of policy analysis and recommended programs or projects.

(4) The office may cooperate with other state agencies in compiling data regarding the use of renewable fuels and green electrolytic hydrogen in state operations, including motor vehicle fleets, the state ferry system, and nonroad equipment.

NEW SECTION. Sec. 104. A new section is added to chapter 43.330 RCW to read as follows:

The renewable fuels accelerator account is created in the state treasury. Revenues to the account consist of appropriations made by the legislature, federal funds, gifts or grants from the private sector or foundations, and other sources deposited in the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for purposes designated in sections 102, 103, and 201 of this act. Only the director or the director's designee may authorize expenditures from the account.

Part 2

FEDERAL FUNDING

NEW SECTION. Sec. 201. (1)(a) The legislature finds that the federal infrastructure investment and jobs act, P.L. 117-58, provides \$8,000,000,000 over five years to support the development of regional clean hydrogen hubs. The federal infrastructure investment and jobs act requires the United States secretary of energy to establish a program to fund at least four regional hubs to aid in achieving a hydrogen fuel production carbon intensity standard provided in that legislation; to demonstrate the production, processing, delivery, storage, and end use of hydrogen; and

that can be developed into a national network to facilitate a clean hydrogen economy. The federal infrastructure investment and jobs act requires the secretary of energy to select regional hubs that demonstrate a diversity of feedstocks, a diversity of end uses, and a diversity of geographic regions of the country. The federal infrastructure investment and jobs act requires the secretary of energy to solicit proposals for regional hubs by May 15, 2022, and to make selections of the hubs within one year after the deadline for submission of proposals.

(b) The legislature further finds that Washington state is strongly positioned to develop a regional clean energy hub meeting the criteria of the federal infrastructure investment and jobs act because the state:

(i) Has adopted a state energy strategy that recognizes hydrogen as an integral part of the state's decarbonization pathway;

(ii) Has an abundance of low cost, low carbon, reliable electricity as the primary energy resource for production of clean hydrogen;

(iii) Already has under construction the nation's first renewable hydrogen electrolyzer and has several hydrogen fueling facilities as well as production facilities in planning and design phases;

(iv) Has multiple manufacturers designing, engineering, and manufacturing fuel cell electric engines and zero-emission vehicles, vessels, and airplanes;

(v) Has numerous industrial, maritime, and freight shipping concerns that are moving toward cleaner fuels and that would help provide demand for hydrogen, as well as state and local governments currently considering hydrogen uses;

(vi) Has a demonstrated track record of building partnerships across the public and private sector to advance clean energy technologies;

(vii) Has policies in place supporting and engaging overburdened communities, including the healthy environment for all act, which will facilitate alignment with the justice40 initiative; and

(viii) Has policies, including tax incentives, that support high labor standards in clean energy production.

(c) The legislature further finds that the state may help to promote and strengthen applications for regional hydrogen hub federal funding through state funding assistance to support a timely and competitive application to the United States department of energy by a public-private partnership entity that leverages private sector leadership and is composed of multiple interests, including public and private project developers, manufacturers and end users, research institutions, academia, government, and communities around the state.

(2) Subject to amounts appropriated for this specific purpose, the director of the department of commerce must provide support to a public-private partnership entity as described in subsection (1)(c) of this section, which may include department staff support and direct funding. The entity should:

(a) Agree to prepare a timely and responsive application for federal funding to develop a regional clean hydrogen hub in Washington state, consistent with the requirements of the federal application process and the policies and strategy of the state of Washington;

(b) Demonstrate meaningful engagement with a range of entities across the state, including federally recognized tribes, labor unions, and communities around the state including overburdened communities, in the development of a hydrogen hub;

(c) Include entities that provide training and expand employment opportunities for the hydrogen workforce, including labor organizations, institutions of higher education, community and technical colleges, and vocational institutions; and

(d) Include specific commitments, as required by the federal application, from industries, transportation agencies, utilities, and other public and private sector entities to assist in funding the application and to develop plans to either construct infrastructure for or to incorporate, or both, the production, distribution, and end use of renewable hydrogen and green electrolytic hydrogen fuels into their transition to cleaner energy.

(3) In addition to the assistance in applying for federal funding provided

through subsection (2) of this section, the legislature intends that the state fully support a regional clean energy hub in the state, including further direct financial assistance in developing the hub and the acquisition of hydrogen fuels for state agency and local government uses.

Part 3

VALUATION OF PROPERTY RELATED TO RENEWABLE ENERGY

NEW SECTION. Sec. 301. A new section is added to chapter 84.40 RCW to read as follows:

(1) It is the policy of this state to promote the development of renewable energy projects to support the state's renewable energy goals.

(2) The department must publish guidance, in cooperation with industry stakeholders, to advise county assessors when appraising renewable energy facilities for determining true and fair value, in accordance with RCW 84.40.030. This guidance must include a cost-based appraisal method, and the development of industry-specific valuation tables for the following types of renewable energy property:

(a) A cost-based appraisal method and industry-specific valuation tables for equipment used to generate solar power must be published by January 1, 2023, for property taxes levied for collection in calendar year 2024;

(b) A cost-based appraisal method and industry-specific valuation tables for equipment used to generate wind power must be published by January 1, 2023, for property taxes levied for collection in calendar year 2024; and

(c) A cost-based appraisal method and industry-specific valuation tables for equipment used to store electricity must be published by January 1, 2024, for property taxes levied for collection in calendar year 2025.

(3) County assessors must refer to this guidance, including cost-based appraisal method and industry-specific valuation tables, when valuing renewable energy property but may also consider one or more additional valuation methods in determining the true and fair value of a property when there is a compelling reason to do so.

(4) For the purposes of this section, "renewable energy property" means property that uses solar or wind energy as the sole fuel source for the generation of at least one megawatt of nameplate capacity, alternating current, and all other equipment and materials that comprise the property, including equipment used to store electricity from the property to be released at a later time. "Renewable energy property" does not include any equipment or materials attached to a single-family residential building.

Part 4

EXPANDING THE PRODUCTION, DISTRIBUTION, AND USE OF HYDROGEN NOT PRODUCED FROM A FOSSIL FUEL FEEDSTOCK

Sec. 401. RCW 82.08.816 and 2019 c 287 s 11 are each amended to read as follows:

(1) The tax imposed by RCW 82.08.020 does not apply to:

(a) The sale of batteries or fuel cells for electric vehicles, including batteries or fuel cells sold as a component of an electric bus at the time of the vehicle's sale;

(b) The sale of or charge made for labor and services rendered in respect to installing, repairing, altering, or improving electric vehicle batteries or fuel cells;

(c) The sale of or charge made for labor and services rendered in respect to installing, constructing, repairing, or improving battery or fuel cell electric vehicle infrastructure, including hydrogen fueling stations;

(d) The sale of tangible personal property that will become a component of battery or fuel cell electric vehicle infrastructure during the course of installing, constructing, repairing, or improving battery or fuel cell electric vehicle infrastructure; and

(e) The sale of zero emissions buses.

(2) Sellers may make tax exempt sales under this section only if the buyer provides the seller with an exemption certificate in a form and manner prescribed by the department. The seller must retain a copy of the certificate for the seller's files.

(3) On the last day of January, April, July, and October of each year, the state treasurer, based upon information

provided by the department, must transfer from the multimodal transportation account to the general fund a sum equal to the dollar amount that would otherwise have been deposited into the general fund during the prior calendar quarter but for the exemption provided in this section. Information provided by the department to the state treasurer must be based on the best available data, except that the department may provide estimates of taxes exempted under this section until such time as retailers are able to report such exempted amounts on their tax returns.

(4) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Battery charging station" means an electrical component assembly or cluster of component assemblies designed specifically to charge batteries within electric vehicles, which meet or exceed any standards, codes, and regulations set forth by chapter 19.28 RCW and consistent with rules adopted under RCW 19.27.540.

(b) "Battery exchange station" means a fully automated facility that will enable an electric vehicle with a swappable battery to enter a drive lane and exchange the depleted battery with a fully charged battery through a fully automated process, which meets or exceeds any standards, codes, and regulations set forth by chapter 19.28 RCW and consistent with rules adopted under RCW 19.27.540.

(c) "Electric vehicle infrastructure" means structures, machinery, and equipment necessary and integral to support a battery or fuel cell electric vehicle, including battery charging stations, rapid charging stations, battery exchange stations, fueling stations that provide hydrogen for fuel cell electric vehicles, green electrolytic hydrogen production facilities, and renewable hydrogen production facilities.

(d) "Green electrolytic hydrogen" means hydrogen produced through electrolysis, and does not include hydrogen manufactured using steam reforming or any other conversion technology that produces hydrogen from a fossil fuel feedstock.

(e) "Rapid charging station" means an industrial grade electrical outlet that allows for faster recharging of electric vehicle batteries through higher power levels, which meets or exceeds any standards, codes, and regulations set

forth by chapter 19.28 RCW and consistent with rules adopted under RCW 19.27.540.

~~((e))~~ (f) "Renewable hydrogen" means hydrogen produced using renewable resources both as the source for hydrogen and the source for the energy input into the production process.

~~((f))~~ (g) "Renewable resource" means (i) water; (ii) wind; (iii) solar energy; (iv) geothermal energy; (v) renewable natural gas; (vi) renewable hydrogen; (vii) wave, ocean, or tidal power; (viii) biodiesel fuel that is not derived from crops raised on land cleared from old growth or first growth forests; or (ix) biomass energy.

~~((g))~~ (h) "Zero emissions bus" means a bus that emits no exhaust gas from the onboard source of power, other than water vapor.

(5) This section expires July 1, 2025.

Sec. 402. RCW 82.12.816 and 2019 c 287 s 12 are each amended to read as follows:

(1) The tax imposed by RCW 82.12.020 does not apply to the use of:

(a) Electric vehicle batteries or fuel cells, including batteries or fuel cells sold as a component of an electric bus at the time of the vehicle's sale;

(b) Labor and services rendered in respect to installing, repairing, altering, or improving electric vehicle batteries or fuel cells;

(c) Tangible personal property that will become a component of battery or fuel cell electric vehicle infrastructure during the course of installing, constructing, repairing, or improving battery or fuel cell electric vehicle infrastructure; and

(d) Zero emissions buses.

(2) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Battery charging station" means an electrical component assembly or cluster of component assemblies designed specifically to charge batteries within electric vehicles, which meet or exceed any standards, codes, and regulations set forth by chapter 19.28 RCW and consistent with rules adopted under RCW 19.27.540.

(b) "Battery exchange station" means a fully automated facility that will enable

an electric vehicle with a swappable battery to enter a drive lane and exchange the depleted battery with a fully charged battery through a fully automated process, which meets or exceeds any standards, codes, and regulations set forth by chapter 19.28 RCW and consistent with rules adopted under RCW 19.27.540.

(c) "Electric vehicle infrastructure" means structures, machinery, and equipment necessary and integral to support a battery or fuel cell electric vehicle, including battery charging stations, rapid charging stations, battery exchange stations, fueling stations that provide hydrogen for fuel cell electric vehicles, green electrolytic hydrogen production facilities, and renewable hydrogen production facilities.

(d) "Green electrolytic hydrogen" means hydrogen produced through electrolysis, and does not include hydrogen manufactured using steam reforming or any other conversion technology that produces hydrogen from a fossil fuel feedstock.

(e) "Rapid charging station" means an industrial grade electrical outlet that allows for faster recharging of electric vehicle batteries through higher power levels, which meets or exceeds any standards, codes, and regulations set forth by chapter 19.28 RCW and consistent with rules adopted under RCW 19.27.540.

~~((e))~~ (f) "Renewable hydrogen" means hydrogen produced using renewable resources both as the source for hydrogen and the source for the energy input into the production process.

~~((f))~~ (g) "Renewable resource" means (i) water; (ii) wind; (iii) solar energy; (iv) geothermal energy; (v) renewable natural gas; (vi) renewable hydrogen; (vii) wave, ocean, or tidal power; (viii) biodiesel fuel that is not derived from crops raised on land cleared from old growth or first growth forests; or (ix) biomass energy.

~~((g))~~ (h) "Zero emissions bus" means a bus that emits no exhaust gas from the onboard source of power, other than water vapor.

(3) On the last day of January, April, July, and October of each year, the state treasurer, based upon information provided by the department, must transfer from the multimodal transportation account to the general fund a sum equal

to the dollar amount that would otherwise have been deposited into the general fund during the prior calendar quarter but for the exemption provided in this section. Information provided by the department to the state treasurer must be based on the best available data, except that the department may provide estimates of taxes exempted under this section until such time as retailers are able to report such exempted amounts on their tax returns.

(4) This section expires July 1, 2025.

Sec. 403. RCW 82.29A.125 and 2019 c 287 s 14 are each amended to read as follows:

(1) Leasehold excise tax may not be imposed on leases to tenants of public lands for purposes of installing, maintaining, and operating electric vehicle infrastructure.

(2) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Battery charging station" means an electrical component assembly or cluster of component assemblies designed specifically to charge batteries within electric vehicles, which meet or exceed any standards, codes, and regulations set forth by chapter 19.28 RCW and consistent with rules adopted under RCW 19.27.540.

(b) "Battery exchange station" means a fully automated facility that will enable an electric vehicle with a swappable battery to enter a drive lane and exchange the depleted battery with a fully charged battery through a fully automated process, which meets or exceeds any standards, codes, and regulations set forth by chapter 19.28 RCW and consistent with rules adopted under RCW 19.27.540.

(c) "Electric vehicle infrastructure" means structures, machinery, and equipment necessary and integral to support an electric vehicle, including battery charging stations, rapid charging stations, battery exchange stations, fueling stations that provide hydrogen for fuel cell electric vehicles, green electrolytic hydrogen production facilities, and renewable hydrogen production facilities.

(d) "Green electrolytic hydrogen" means hydrogen produced through electrolysis, and does not include hydrogen manufactured using steam reforming or any other conversion

technology that produces hydrogen from a fossil fuel feedstock.

(e) "Rapid charging station" means an industrial grade electrical outlet that allows for faster recharging of electric vehicle batteries through higher power levels, which meets or exceeds any standards, codes, and regulations set forth by chapter 19.28 RCW and consistent with rules adopted under RCW 19.27.540.

~~((e))~~ (f) "Renewable hydrogen" means hydrogen produced using renewable resources both as the source for hydrogen and the source for energy input into the production process.

~~((f))~~ (g) "Renewable resource" means (i) water; (ii) wind; (iii) solar energy; (iv) geothermal energy; (v) renewable natural gas; (vi) renewable hydrogen; (vii) wave, ocean, or tidal power; (viii) biodiesel fuel that is not derived from crops raised on land cleared from old growth or first growth forests; or (ix) biomass energy.

(3) This section expires July 1, 2025.

Sec. 404. RCW 54.04.190 and 2019 c 24 s 1 are each amended to read as follows:

(1) In addition to any other authority provided by law, public utility districts are authorized to produce and distribute biodiesel, ethanol, and ethanol blend fuels, including entering into crop purchase contracts for a dedicated energy crop for the purpose of generating electricity or producing biodiesel produced from Washington feedstocks, cellulosic ethanol, and cellulosic ethanol blend fuels for use in internal operations of the electric utility and for sale or distribution.

(2) In addition to any other authority provided by law:

(a) Public utility districts are authorized to produce renewable natural gas, green electrolytic hydrogen, and renewable hydrogen and utilize the renewable natural gas, green electrolytic hydrogen, or renewable hydrogen they produce for internal operations.

(b) Public utility districts may sell renewable natural gas, green electrolytic hydrogen, or renewable hydrogen that is delivered into a gas transmission pipeline located in the state of Washington or delivered in pressurized containers:

(i) At wholesale;

(ii) To an end-use customer; or

(iii) If delivered in a pressurized container, or if the end-use customer takes delivery of the renewable natural gas, green electrolytic hydrogen, or renewable hydrogen through a pipeline, and the end-use customer is an eligible purchaser of natural gas from sellers other than the gas company from which that end-use customer takes transportation service and:

(A) When the sale is made to an end-use customer in the state of Washington, the sale is made pursuant to a transportation tariff approved by the Washington utilities and transportation commission; or

(B) When the sale to an end-use customer is made outside of the state of Washington, the sale is made pursuant to a transportation tariff approved by the state agency which regulates retail sales of natural gas.

(c) Public utility districts may sell renewable natural gas, green electrolytic hydrogen, or renewable hydrogen at wholesale or to an end-use customer through a pipeline directly from renewable natural gas, green electrolytic hydrogen, or renewable hydrogen production facilities to facilities that compress, liquefy, or dispense compressed natural gas, liquefied natural gas, green electrolytic hydrogen, or renewable hydrogen fuel for end use as a transportation fuel.

(d) Public utility districts may sell green electrolytic hydrogen or renewable hydrogen at wholesale or to an end-use customer in pressurized containers directly from green electrolytic hydrogen or renewable hydrogen production facilities to facilities that utilize green electrolytic hydrogen or renewable hydrogen as a nonutility related input for a manufacturing process.

(3) Except as provided in subsection (2)(b)(iii) of this section, nothing in this section authorizes a public utility district to sell renewable natural gas, green electrolytic hydrogen, or renewable hydrogen delivered by pipeline to an end-use customer of a gas company.

(4)(a) Except as provided in this subsection (4), nothing in this section

authorizes a public utility district to own or operate natural gas distribution pipeline systems used to serve retail customers.

(b) For the purposes of subsection (2)(b) of this section, public utility districts are authorized to own and operate interconnection pipelines that connect renewable natural gas, green electrolytic hydrogen, or renewable hydrogen production facilities to gas transmission pipelines.

(c) For the purposes of subsection (2)(c) of this section, public utility districts may own and/or operate pipelines to supply, and/or compressed natural gas, liquefied natural gas, green electrolytic hydrogen, or renewable hydrogen facilities to provide, renewable natural gas, green electrolytic hydrogen, or renewable hydrogen for end use as a transportation fuel if all such pipelines and facilities are located in the county in which the public utility district is authorized to provide utility service.

(5) Exercise of the authorities granted under this section to public utility districts does not subject them to the jurisdiction of the utilities and transportation commission, except that public utility districts are subject only to administration and enforcement by the commission of state and federal requirements related to pipeline safety and fees payable to the commission that are applicable to such administration and enforcement.

(6) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Green electrolytic hydrogen" means hydrogen produced through electrolysis, and does not include hydrogen manufactured using steam reforming or any other conversion technology that produces hydrogen from a fossil fuel feedstock.

(b) "Renewable natural gas" means a gas consisting largely of methane and other hydrocarbons derived from the decomposition of organic material in landfills, wastewater treatment facilities, and anaerobic digesters.

~~((b))~~ (c) "Renewable hydrogen" means hydrogen produced using renewable resources both as the source for the hydrogen and the source for the energy input into the production process.

~~((e))~~ (d) "Renewable resource" means: (i) Water; (ii) wind; (iii) solar energy; (iv) geothermal energy; (v) renewable natural gas; (vi) renewable hydrogen; (vii) wave, ocean, or tidal power; (viii) biodiesel fuel that is not derived from crops raised on land cleared from old growth or first growth forests; or (ix) biomass energy.

~~((d))~~ (e) "Gas company" has the same meaning as in RCW 80.04.010.

Sec. 405. RCW 35.92.050 and 2002 c 102 s 3 are each amended to read as follows:

A city or town may also construct, condemn and purchase, purchase, acquire, add to, alter, maintain, and operate works, plants, facilities for the purpose of furnishing the city or town and its inhabitants, and any other persons, with gas, electricity, green electrolytic hydrogen as defined in RCW 54.04.190, renewable hydrogen as defined in RCW 54.04.190, and other means of power and facilities for lighting, including streetlights as an integral utility service incorporated within general rates, heating, fuel, and power purposes, public and private, with full authority to regulate and control the use, distribution, and price thereof, together with the right to handle and sell or lease, any meters, lamps, motors, transformers, and equipment or accessories of any kind, necessary and convenient for the use, distribution, and sale thereof; authorize the construction of such plant or plants by others for the same purpose, and purchase gas, electricity, or power from either within or without the city or town for its own use and for the purpose of selling to its inhabitants and to other persons doing business within the city or town and regulate and control the use and price thereof.

March 1, 2022

Mme. SPEAKER:

The President has signed:

SUBSTITUTE HOUSE BILL NO. 1286,
HOUSE BILL NO. 1719,
SUBSTITUTE HOUSE BILL NO. 1735,
HOUSE BILL NO. 1798,

SUBSTITUTE HOUSE BILL NO. 1878,
HOUSE BILL NO. 1899,

and the same are herewith transmitted.

Sarah Bannister, Secretary

There being no objection, the House advanced to the sixth order of business.

SECOND READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 5974, by Senate Committee on Transportation (originally sponsored by Liias, Saldaña, Carlyle, Cleveland, Das, Dhingra, Hunt, Kuderer, Lovelett, Lovick, Mullet, Nguyen, Nobles, Salomon, Trudeau, Wellman and Wilson, C.)

Addressing transportation resources.

The bill was read the second time.

With the consent of the House, amendment (1214) was withdrawn.

Strike everything after the enacting clause and insert the following:

"Part I

Climate Commitment Act Allocations

Sec. 101. RCW 70A.65.240 and 2021 c 316 s 27 are each amended to read as follows:

(1) The carbon emissions reduction account is created in the state treasury. Moneys in the account may be spent only after appropriation. Expenditures from the account are intended to affect reductions in transportation sector carbon emissions through a variety of carbon reducing investments. These can include, but are not limited to: Transportation alternatives to single occupancy passenger vehicles; reductions in single occupancy passenger vehicle miles traveled; reductions in per mile emissions in vehicles, including through the funding of alternative fuel infrastructure and incentive programs; and emission reduction programs for freight transportation, including motor vehicles and rail, as well as for ferries and other maritime and port activities. Expenditures from the account may only be made for transportation carbon emission reducing purposes and may not be made for highway purposes authorized under the

18th Amendment of the Washington state Constitution, other than specified in this section, and shall be made in accordance with subsection (2) of this section. It is the legislature's intent that expenditures from the account used to reduce carbon emissions be made with the goal of achieving equity for communities that historically have been omitted or adversely impacted by past transportation policies and practices.

(2) Appropriations in an omnibus transportation appropriations act from the carbon emissions reduction account shall be made exclusively to fund the following activities:

(a) Active transportation;

(b) Transit programs and projects;

(c) Alternative fuel and electrification;

(d) Ferries; and

(e) Rail.

NEW SECTION. Sec. 102. The legislature intends to program funding from the carbon emissions reduction account, the climate active transportation account, and the climate transit programs account for the activities identified in LEAP Transportation Document 2022-A as developed February 8, 2022.

NEW SECTION. Sec. 103. A new section is added to chapter 46.68 RCW to read as follows:

(1) The climate active transportation account is hereby created in the state treasury. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for the following active transportation grant programs: Safe routes to schools, school-based bike program, bicycle and pedestrian grant program, complete streets grants program, and connecting communities grant program, as well as pedestrian and bicycle or other active transportation projects identified in an omnibus transportation appropriations act as move ahead WA projects.

(2) Beginning July 1, 2022, the state treasurer shall annually transfer 24 percent of the revenues accruing annually to the carbon emissions reduction account created in RCW 70A.65.240 to the climate active transportation account.

NEW SECTION. Sec. 104. A new section is added to chapter 46.68 RCW to read as follows:

(1) The climate transit programs account is hereby created in the state treasury. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for the following transit grant programs: Transit support grant program, tribal transit mobility grants, transit coordination grants, special needs transit grants, bus and bus facility grant program, green transit grants, and transportation demand management grants, as well as transit projects identified in an omnibus transportation appropriations act as move ahead WA projects.

(2) Beginning July 1, 2022, the state treasurer shall annually transfer 56 percent of the revenues accruing annually to the carbon emissions reduction account created in RCW 70A.65.240 to the climate transit programs account.

Sec. 105. RCW 70A.65.030 and 2021 c 316 s 4 are each amended to read as follows:

(1) Each year or biennium, as appropriate, when allocating funds from the carbon emissions reduction account created in RCW 70A.65.240, the climate investment account created in RCW 70A.65.250, ~~((or))~~ the air quality and health disparities improvement account created in RCW 70A.65.280, the climate transit programs account created in section 104 of this act, or the climate active transportation account created in section 103 of this act, or administering grants or programs funded by the accounts, agencies shall conduct an environmental justice assessment consistent with the requirements of RCW 70A.02.060 and establish a minimum of not less than 35 percent and a goal of 40 percent of total investments that provide direct and meaningful benefits to vulnerable populations within the boundaries of overburdened communities through: (a) The direct reduction of environmental burdens in overburdened communities; (b) the reduction of disproportionate, cumulative risk from environmental burdens, including those associated with climate change; (c) the support of community led project development, planning, and participation costs; or (d) meeting a community need identified by the community that is consistent with the intent of this chapter or RCW 70A.02.010.

(2) The allocation of funding under subsection (1) of this section must adhere to the following principles, additional to the requirements of RCW 70A.02.080: (a) Benefits and programs should be directed to areas and targeted to vulnerable populations and overburdened communities to reduce statewide disparities; (b) investments and benefits should be made roughly proportional to the health disparities that a specific community experiences, with a goal of eliminating the disparities; (c) investments and programs should focus on creating environmental benefits, including eliminating health burdens, creating community and population resilience, and raising the quality of life of those in the community; and (d) efforts should be made to balance investments and benefits across the state and within counties, local jurisdictions, and unincorporated areas as appropriate to reduce disparities by location and to ensure efforts contribute to a reduction in disparities that exist based on race or ethnicity, socioeconomic status, or other factors.

(3) State agencies allocating funds or administering grants or programs from the carbon emissions reduction account created in RCW 70A.65.240, the climate investment account created in RCW 70A.65.250, ~~((or))~~ the air quality and health disparities improvement account created in RCW 70A.65.280, the climate transit programs account created in section 104 of this act, or the climate active transportation account created in section 103 of this act, must:

(a) Report annually to the environmental justice council created in RCW 70A.02.110 regarding progress toward meeting environmental justice and environmental health goals;

(b) Consider recommendations by the environmental justice council; and

(c)(i) If the agency is not a covered agency subject to the requirements of chapter 314, Laws of 2021, create and adopt a community engagement plan to describe how it will engage with overburdened communities and vulnerable populations in allocating funds or administering grants or programs from the climate investment account.

(ii) The plan must include methods for outreach and communication with those who

face barriers, language or otherwise, to participation.

Sec. 106. RCW 70A.65.040 and 2021 c 316 s 5 are each amended to read as follows:

(1) The environmental justice council created in RCW 70A.02.110 must provide recommendations to the legislature, agencies, and the governor in the development and implementation of the program established in RCW 70A.65.060 through 70A.65.210, and the programs funded from the carbon emissions reduction account created in RCW 70A.65.240 ~~((and from))~~, the climate investment account created in RCW 70A.65.250, the climate transit programs account created in section 104 of this act, and the climate active transportation account created in section 103 of this act.

(2) In addition to the duties and authorities granted in chapter 70A.02 RCW to the environmental justice council, the environmental justice council must:

(a) Provide recommendations to the legislature, agencies, and the governor in the development of:

(i) The program established in RCW 70A.65.060 through 70A.65.210 including, but not limited to, linkage with other jurisdictions, protocols for establishing offset projects and securing offset credits, designation of emissions-intensive and trade-exposed industries under RCW 70A.65.110, and administration of allowances under the program; and

(ii) Investment plans and funding proposals for the programs funded from the climate investment account created in RCW 70A.65.250 for the purpose of providing environmental benefits and reducing environmental health disparities within overburdened communities;

(b) Provide a forum to analyze policies adopted under this chapter to determine if the policies lead to improvements within overburdened communities;

(c) Recommend procedures and criteria for evaluating programs, activities, or projects;

(d) Recommend copollutant emissions reduction goals in overburdened communities;

(e) Evaluate the level of funding provided to assist vulnerable populations, low-income individuals, and impacted workers and the funding of projects and activities located within or benefiting overburdened communities;

(f) Recommend environmental justice and environmental health goals for programs, activities, and projects funded from the climate investment account, and review agency annual reports on outcomes and progress toward meeting these goals;

(g) Provide recommendations to implementing agencies for meaningful consultation with vulnerable populations, including community engagement plans under RCW 70A.65.020 and 70A.65.030; and

(h) Recommend how to support public participation through capacity grants for participation.

(3) For the purpose of performing the duties under subsection (2) of this section, two additional tribal members are added to the council.

NEW SECTION. Sec. 201. FINDINGS AND INTENT. (1) The legislature finds that a portion of the state's greenhouse gas emissions are directly related to petroleum fuel products produced by the state's five refineries that are exported to other states and jurisdictions. These carbon emissions have a real impact on the citizens of the state of Washington and these impacts are not adequately compensated for under the existing taxing structures.

(2) The legislature further finds that carbon emissions directly attributable to just the refining process associated with petroleum fuel products that are subsequently exported has been estimated at 3,300,000 metric tons per year.

(3) The legislature further finds that the costs associated with carbon emissions are global in nature and the impacts associated with carbon emissions

are not simply felt by those within a state's geographic boundary. However, applying a standard societal costs of carbon method results in estimated annual impacts over \$250,000,000 associated with the current amount of exported petroleum fuel products.

(4) Therefore, the legislature intends to modify state fuel tax law in a manner that compensates the state for a portion of the societal costs of carbon attributable to the refining process associated with petroleum fuel products that are subsequently exported, but also ensures that the current favorable tax treatment for petroleum fuel products that are exported continues.

Sec. 202. RCW 82.38.020 and 2013 c 225 s 102 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Biofuel" means fuel derived from biomass that has at least 40 percent lower greenhouse gas emissions based on a full life-cycle analysis when compared to petroleum fuel for which biofuel is capable of serving as a substitute.

(2) "Blended fuel" means a mixture of fuel and another liquid, other than a de minimis amount of the liquid.

~~((2))~~ (3) "Blender" means a person who produces blended fuel outside the bulk transfer-terminal system.

~~((3))~~ (4) "Bond" means a bond duly executed with a corporate surety qualified under chapter 48.28 RCW payable to the state of Washington conditioned upon faithful performance of all requirements of this chapter.

~~((4))~~ (5) "Bulk transfer-terminal system" means the fuel distribution system consisting of refineries, pipelines, vessels, and terminals. Fuel in a refinery, pipeline, vessel, or terminal is in the bulk transfer-terminal system.

~~((5))~~ (6) "Bulk transfer" means a transfer of fuel by pipeline or vessel.

~~((6))~~ (7) "Bulk storage" means the placing of fuel into a receptacle other than the fuel supply tank of a motor vehicle.

~~((7))~~ (8) "Department" means the department of licensing.

~~((8))~~ (9) "Distributor" means a person who acquires fuel outside the bulk transfer-terminal system for importation into Washington, from a terminal or refinery rack located within Washington for distribution within Washington, or for immediate export outside the state of Washington.

~~((9))~~ (10) "Dyed special fuel user" means a person authorized by the internal revenue code to operate a motor vehicle on the highway using dyed special fuel, in which the use is not exempt from the fuel tax.

~~((10))~~ (11) "Evasion" or "evade" means to diminish or avoid the computation, assessment, or payment of authorized taxes or fees through:

(a) A knowing: False statement; omission; misrepresentation of fact; or other act of deception;

(b) An intentional: Failure to file a return or report; or other act of deception; or

(c) The unlawful use of dyed special fuel.

~~((11))~~ (12) "Exempt sale" means the sale of fuel to a person whose use of fuel is exempt from the fuel tax.

~~((12))~~ (13) "Export" means to obtain fuel in this state for sales or distribution outside the state. Fuel distributed to a federally recognized Indian tribal reservation located within the state of Washington is not considered exported outside this state.

~~((13))~~ (14) "Exporter" means a person who purchases fuel physically located in this state at the time of purchase and directly exports the fuel by a means other than the bulk transfer-terminal system to a destination outside of the state. If the exporter of record is acting as an agent, the person for whom the agent is acting is the exporter. If there is no exporter of record, the owner of the fuel at the time of exportation is the exporter.

~~((14))~~ (15) "Fuel" means motor vehicle fuel or special fuel.

~~((15))~~ (16) "Fuel user" means a person engaged in uses of fuel that are not specifically exempted from the fuel tax imposed under this chapter.

~~((16))~~ (17) "Highway" means every way or place open to the use of the

public, as a matter of right, for the purpose of vehicular travel.

~~((17))~~ (18) "Import" means to bring fuel into this state by a means of conveyance other than the fuel supply tank of a motor vehicle.

~~((18))~~ (19) "Importer" means a person who imports fuel into the state by a means other than the bulk transfer-terminal system. If the importer of record is acting as an agent, the person for whom the agent is acting is the importer. If there is no importer of record, the owner of the fuel at the time of importation is the importer.

~~((19))~~ (20) "International fuel tax agreement licensee" means a fuel user operating qualified motor vehicles in interstate commerce and licensed by the department under the international fuel tax agreement.

~~((20))~~ (21) "Licensee" means a person holding a license issued under this chapter.

~~((21))~~ (22) "Motor vehicle" means a self-propelled vehicle utilizing fuel as a means of propulsion.

~~((22))~~ (23) "Motor vehicle fuel" means gasoline and any other inflammable gas or liquid, by whatsoever name the gasoline, gas, or liquid may be known or sold the chief use of which is as a fuel for the propulsion of motor vehicles or vessels.

~~((23))~~ (24) "Natural gas" means naturally occurring mixtures of hydrocarbon gases and vapors consisting principally of methane, whether in gaseous or liquid form.

~~((24))~~ (25) "Person" means any individual, partnership, association, public or private corporation, limited liability company, or any other type of legal or commercial entity, including their members, managers, partners, directors, or officers.

~~((25))~~ (26) "Position holder" means a person who holds the inventory position in fuel, as reflected by the records of the terminal operator. A person holds the inventory position if the person has a contractual agreement with the terminal for the use of storage facilities and terminating services. "Position holder" includes a terminal operator that owns fuel in their terminal.

~~((26))~~ (27) "Rack" means a mechanism for delivering fuel from a refinery or terminal into a truck, trailer, railcar, or other means of nonbulk transfer.

~~((27))~~ (28) "Refiner" means a person who owns, operates, or otherwise controls a refinery.

~~((28))~~ (29) "Removal" means a physical transfer of fuel other than by evaporation, loss, or destruction.

~~((29))~~ (30) "Special fuel" means diesel fuel, propane, natural gas, kerosene, biodiesel, and any other combustible liquid or gas by whatever name the liquid or gas may be known or sold for the generation of power to propel a motor vehicle on the highways, except it does not include motor vehicle fuel.

~~((30))~~ (31) "Supplier" means a person who holds a federal certificate of registry issued under the internal revenue code and authorizes the person to engage in tax-free transactions of fuel in the bulk transfer-terminal system.

~~((31))~~ (32) "Terminal" means a fuel storage and distribution facility that has been assigned a terminal control number by the internal revenue service.

~~((32))~~ (33) "Terminal operator" means a person who owns, operates, or otherwise controls a terminal.

~~((33))~~ (34) "Two-party exchange" or "buy-sell agreement" means a transaction in which taxable fuel is transferred from one licensed supplier to another licensed supplier whereby the supplier that is the position holder agrees to deliver taxable fuel to the other supplier or the other supplier's customer at the terminal at which the delivering supplier is the position holder.

(35) "United States" means a state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or a territory or insular possession subject to the jurisdiction of the United States. "United States" also includes all federally recognized tribal reservations and federal trust lands within the geographic boundaries of the United States as they exist now or in the future.

Sec. 203. RCW 82.38.030 and 2015 3rd sp.s. c 44 s 103 are each amended to read as follows:

(1) There is levied and imposed upon fuel licensees a tax at the rate of ~~((twenty three))~~ 23 cents per gallon of fuel.

(2) Beginning July 1, 2003, an additional and cumulative tax rate of five cents per gallon of fuel is imposed on fuel licensees. This subsection (2) expires when the bonds issued for transportation 2003 projects are retired.

(3) Beginning July 1, 2005, an additional and cumulative tax rate of three cents per gallon of fuel is imposed on fuel licensees.

(4) Beginning July 1, 2006, an additional and cumulative tax rate of three cents per gallon of fuel is imposed on fuel licensees.

(5) Beginning July 1, 2007, an additional and cumulative tax rate of two cents per gallon of fuel is imposed on fuel licensees.

(6) Beginning July 1, 2008, an additional and cumulative tax rate of one and one-half cents per gallon of fuel is imposed on fuel licensees.

(7) Beginning August 1, 2015, an additional and cumulative tax rate of seven cents per gallon of fuel is imposed on fuel licensees.

(8) Beginning July 1, 2016, an additional and cumulative tax rate of four and nine-tenths cents per gallon of fuel is imposed on fuel licensees.

(9) ~~((Taxes))~~ Except as provided in subsection (10) of this section, taxes are imposed when:

(a) Fuel is removed in this state from a terminal ~~((if the fuel is removed at the rack))~~ unless the removal is by a licensed supplier or distributor for direct delivery to a destination outside of the ~~((state))~~ United States, or the removal is by a fuel supplier for direct delivery to an international fuel tax agreement licensee under RCW 82.38.320;

(b) Fuel is removed in this state from a refinery if either of the following applies:

(i) The removal is by bulk transfer and the refiner or the owner of the fuel immediately before the removal is not a licensed supplier; or

(ii) The removal is at the refinery rack or by bulk transfer unless the

removal is to a licensed supplier or distributor for direct delivery to a destination outside of the ~~((state))~~ United States, or the removal is to a licensed supplier for direct delivery to an international fuel tax agreement licensee under RCW 82.38.320;

(c) Fuel enters into this state for sale, consumption, use, or storage, unless the fuel enters this state for direct delivery to an international fuel tax agreement licensee under RCW 82.38.320, if either of the following applies:

(i) The entry is by bulk transfer and the importer is not a licensed supplier; or

(ii) The entry is not by bulk transfer;

(d) Fuel enters this state by means outside the bulk transfer-terminal system and is delivered directly to a licensed terminal unless the owner is a licensed distributor or supplier;

(e) Fuel is sold or removed in this state to an unlicensed entity unless there was a prior taxable removal, entry, or sale of the fuel;

(f) Blended fuel is removed or sold in this state by the blender of the fuel. The number of gallons of blended fuel subject to tax is the difference between the total number of gallons of blended fuel removed or sold and the number of gallons of previously taxed fuel used to produce the blended fuel;

(g) Dyed special fuel is used on a highway, as authorized by the internal revenue code, unless the use is exempt from the fuel tax;

(h) Dyed special fuel is held for sale, sold, used, or is intended to be used in violation of this chapter;

(i) Special fuel purchased by an international fuel tax agreement licensee under RCW 82.38.320 is used on a highway; and

(j) Fuel is sold by a licensed fuel supplier to a fuel distributor or fuel blender and the fuel is not removed from the bulk transfer-terminal system.

(10) Taxes are not imposed under subsection (9) of this section when the fuel is a biofuel and the removal is for export.

Sec. 204. RCW 82.38.035 and 2013 c 225 s 105 are each amended to read as follows:

(1) A licensed supplier is liable for and must pay tax on fuel as provided in RCW 82.38.030(~~((7))~~) (9) (a) and (i). On a two-party exchange, or buy-sell agreement between two licensed suppliers, the receiving exchange partner or buyer shall be liable for and pay the tax.

(2) A refiner is liable for and must pay tax on fuel removed from a refinery as provided in RCW 82.38.030(~~((7))~~) (9)(b).

(3) A licensed distributor is liable for and must pay tax on fuel as provided in RCW 82.38.030(~~((7))~~) (9)(c).

(4) A licensed blender is liable for and must pay tax on fuel as provided in RCW 82.38.030(~~((7))~~) (9)(f).

(5) A licensed dyed special fuel user is liable for and must pay tax on fuel as provided in RCW 82.38.030(~~((7))~~) (9)(g).

(6) A terminal operator is jointly and severally liable for and must pay tax on fuel if, at the time of removal:

(a) The position holder of the fuel is a person other than the terminal operator and is not a licensee;

(b) The terminal operator is not a licensee;

(c) The position holder has an expired internal revenue notification certificate;

(d) The terminal operator has reason to believe that information on the internal revenue notification certificate is false.

(7) A terminal operator is jointly and severally liable for and must pay tax on special fuel if the special fuel is removed and is not dyed or marked in accordance with internal revenue service requirements, and the terminal operator provides a person with a bill of lading, shipping paper, or similar document indicating the special fuel is dyed or marked in accordance with internal revenue service requirements.

(8) International fuel tax agreement licensees, or persons operating motor vehicles under other reciprocity agreements entered into with the state of Washington, are liable for and must pay

tax on fuel used to operate motor vehicles on state highways.

(9) Dyed special fuel users are liable for and must pay tax on dyed special fuel used on state highways unless the use of the fuel is exempt from the tax.

(10) The department shall adopt rules under RCW 82.38.260 to ensure compliance with this chapter with respect to fuel exported from the state, including necessary audits and data reporting requirements.

NEW SECTION. Sec. 205. A new section is added to chapter 82.38 RCW to read as follows:

(1) In computing the tax imposed under this chapter, a credit is allowed for fuel exported from the state. Except as provided in subsection (2) of this section, the credit is equal to the number of gallons of fuel exported multiplied by the total rate of tax imposed under this chapter, less six cents per gallon. Fuel distributed to a federally recognized Indian tribal reservation located within the state of Washington is not considered exported from this state.

(2) If the total rate of a comparable fuel tax imposed by the importing state exceeds the total rate of tax imposed under this chapter less six cents per gallon, the credit is equal to the number of gallons of fuel exported multiplied by the total rate of tax imposed by the importing state.

(3) The amount of credit earned under this section may not exceed the tax otherwise due under this chapter with respect to the fuel exported.

(4) The department may adopt rules under chapter 34.05 RCW regarding the administration of the credit under this section.

Sec. 206. RCW 82.38.180 and 2013 c 225 s 119 are each amended to read as follows:

(1) Any person who has purchased fuel on which tax has been paid may file a claim with the department for a refund of the tax for:

(a) Fuel used for purposes other than for the propulsion of motor vehicles upon the public highways in this state. However, a refund may not be made under this subsection (1)(a) for motor vehicle fuel consumed by a motor vehicle required

to be registered under chapter 46.16A RCW or under a comparable motor vehicle registration requirement in an importing state.

(b) Fuel exported for use outside of ~~((this state))~~ the United States. Fuel carried from this state outside of the United States in the fuel tank of a motor vehicle is deemed to be exported from this state under this subsection (1)(b). Fuel distributed to a federally recognized Indian tribal reservation located within the state of Washington is not considered exported outside ~~((this state))~~ of the United States.

(c) Tax, penalty, or interest erroneously or illegally collected or paid.

(d) Fuel which is lost or destroyed, while the licensee is the owner thereof, through fire, lightning, flood, windstorm, or explosion.

(e) Fuel of ~~((five hundred))~~ 500 gallons or more which is lost or destroyed while the licensee is the owner thereof, through leakage or other casualty except evaporation, shrinkage, or unknown causes.

(f) Fuel used in power pumping units or other power take-off equipment of any motor vehicle which is accurately measured by metering devices that have been specifically approved by the department or by a formula determined by the department.

(2) Any person who has purchased special fuel on which tax has been paid may file a claim with the department for a refund of tax for:

(a) Special fuel used for the operation of a motor vehicle as a part of or incidental to logging operations upon a highway under federal jurisdiction within the boundaries of a federal area if the federal government requires a fee for the privilege of operating the motor vehicle upon the highway, the proceeds of which are reserved for constructing or maintaining roads in the federal area, or requires maintenance or construction work to be performed on the highway for the privilege of operating the motor vehicle on the highway;

(b) Special fuel used by special mobile equipment as defined in RCW 46.04.552;

(c) Special fuel used in a motor vehicle for movement between two pieces

of private property wherein the movement is incidental to the primary use of the vehicle; and

(d) Special fuel inadvertently mixed with dyed special fuel.

(3) Any person who has purchased motor vehicle fuel on which tax has been paid may file a claim with the department for a refund of tax for:

(a) Motor vehicle fuel used by a private, nonprofit transportation provider regulated under chapter 81.66 RCW or under a comparable regulation in an importing state to provide transportation services for persons with special transportation needs; and

(b) Motor vehicle fuel used by an urban passenger transportation system. For purposes of this subsection "urban passenger transportation system" means every transportation system, publicly or privately owned, having as its principal source of revenue the income from transporting persons for compensation by means of motor vehicles or trackless trolleys, each having a seating capacity of over ~~((fifteen))~~ 15 persons, over prescribed routes in such a manner that the routes of such motor vehicles or trackless trolleys, either alone or in conjunction with routes of other such motor vehicles or trackless trolleys subject to the routing by the same transportation system, do not extend for a distance exceeding ~~((fifteen))~~ 15 road miles beyond the corporate limits of the city in which the original starting points of such motor vehicles or trackless trolleys are located. No refunds are authorized for fuel used on any trip where any portion of the trip is more than ~~((fifteen))~~ 15 road miles beyond the corporate limits of the city in which the trip originated.

(4) Recovery for such loss or destruction under subsections (1)(d) or (e) or (2)(d) of this section must be susceptible to positive proof thereby enabling the department to conduct such investigation and require such information as it may deem necessary. In the event that the department is not satisfied that the fuel was lost, destroyed, or contaminated as claimed because information or proof as required hereunder is not sufficient to substantiate the accuracy of the claim, it may deem such as sufficient cause to deny all right relating to the refund or

credit for the excise tax paid on fuel alleged to be lost or destroyed.

(5) No refund or claim for credit may be approved by the department unless the gallons of fuel claimed as nontaxable satisfy the conditions specifically set forth in this section and the nontaxable event or use occurred during the period covered by the refund claim. Refunds or claims for credit are not ~~((be))~~ allowed for anticipated nontaxable use or events.

(6) The department shall establish, by rule, minimum acceptable requirements and conditions on refunds subject to the authority in this section.

Sec. 207. RCW 46.68.090 and 2015 3rd sp.s. c 44 s 105 are each amended to read as follows:

(1) ~~((All))~~ Except as provided in subsection (8) of this section, all moneys that have accrued or may accrue to the motor vehicle fund from the fuel tax must be first expended for purposes enumerated in (a) and (b) of this subsection. The remaining net tax amount must be distributed monthly by the state treasurer in accordance with subsections (2) through ~~((8))~~ (9) of this section.

(a) For payment of refunds of fuel tax that has been paid and is refundable as provided by law;

(b) For payment of amounts to be expended pursuant to appropriations for the administrative expenses of the offices of state treasurer, state auditor, and the department of licensing of the state of Washington in the administration of the fuel tax, which sums must be distributed monthly.

(2) All of the remaining net tax amount collected under RCW 82.38.030(1) must be distributed as set forth in (a) through (j) of this subsection.

(a) For distribution to the motor vehicle fund an amount equal to 44.387 percent to be expended for highway purposes of the state as defined in RCW 46.68.130;

(b)(i) For distribution to the special category C account, hereby created in the motor vehicle fund, an amount equal to 3.2609 percent to be expended for special category C projects. Special category C projects are category C projects that, due to high cost only, will require bond financing to complete construction.

(ii) The following criteria, listed in order of priority, must be used in determining which special category C projects have the highest priority:

(A) Accident experience;

(B) Fatal accident experience;

(C) Capacity to move people and goods safely and at reasonable speeds without undue congestion; and

(D) Continuity of development of the highway transportation network.

(iii) Moneys deposited in the special category C account in the motor vehicle fund may be used for payment of debt service on bonds the proceeds of which are used to finance special category C projects under this subsection (2)(b);

(c) For distribution to the Puget Sound ferry operations account in the motor vehicle fund an amount equal to 2.3283 percent;

(d) For distribution to the Puget Sound capital construction account in the motor vehicle fund an amount equal to 2.3726 percent;

(e) For distribution to the transportation improvement account in the motor vehicle fund an amount equal to 7.5597 percent;

(f) For distribution to the transportation improvement account in the motor vehicle fund an amount equal to 5.6739 percent and expended in accordance with RCW 47.26.086;

(g) For distribution to the cities and towns from the motor vehicle fund an amount equal to 10.6961 percent in accordance with RCW 46.68.110;

(h) For distribution to the counties from the motor vehicle fund an amount equal to 19.2287 percent: (i) Out of which there must be distributed from time to time, as directed by the department of transportation, those sums as may be necessary to carry out the provisions of RCW 47.56.725; and (ii) less any amounts appropriated to the county road administration board to implement the provisions of RCW 47.56.725(4), with the balance of such county share to be distributed monthly as the same accrues for distribution in accordance with RCW 46.68.120;

(i) For distribution to the county arterial preservation account, hereby created in the motor vehicle fund an

amount equal to 1.9565 percent. These funds must be distributed by the county road administration board to counties in proportions corresponding to the number of paved arterial lane miles in the unincorporated area of each county and must be used for improvements to sustain the structural, safety, and operational integrity of county arterials. The county road administration board must adopt reasonable rules and develop policies to implement this program and to assure that a pavement management system is used;

(j) For distribution to the rural arterial trust account in the motor vehicle fund an amount equal to 2.5363 percent and expended in accordance with RCW 36.79.020.

(3) The remaining net tax amount collected under RCW 82.38.030(2) must be distributed to the transportation 2003 account (nickel account).

(4) The remaining net tax amount collected under RCW 82.38.030(3) must be distributed as follows:

(a) 8.3333 percent must be distributed to the incorporated cities and towns of the state in accordance with RCW 46.68.110;

(b) 8.3333 percent must be distributed to counties of the state in accordance with RCW 46.68.120; and

(c) The remainder must be distributed to the transportation partnership account created in RCW 46.68.290.

(5) The remaining net tax amount collected under RCW 82.38.030(4) must be distributed as follows:

(a) 8.3333 percent must be distributed to the incorporated cities and towns of the state in accordance with RCW 46.68.110;

(b) 8.3333 percent must be distributed to counties of the state in accordance with RCW 46.68.120; and

(c) The remainder must be distributed to the transportation partnership account created in RCW 46.68.290.

(6) The remaining net tax amount collected under RCW 82.38.030 (5) and (6) must be distributed to the transportation partnership account created in RCW 46.68.290.

(7) The remaining net tax amount collected under RCW 82.38.030 (7) and (8) must be distributed to the connecting

Washington account created in RCW 46.68.395.

(8) Revenues generated from the fuel tax imposed on fuel exported from the state under chapter 82.38 RCW must be deposited into the move ahead WA account created in section 401 of this act.

(9) Nothing in this section or in RCW 46.68.130 may be construed so as to violate any terms or conditions contained in any highway construction bond issues now or hereafter authorized by statute and whose payment is by such statute pledged to be paid from any excise taxes on fuel.

Sec. 208. RCW 82.42.020 and 2013 c 225 s 302 are each amended to read as follows:

There is levied upon every distributor of aircraft fuel, an excise tax at the rate of (~~eleven~~) 18 cents on each gallon of aircraft fuel sold, delivered, or used in this state. There must be collected from every user of aircraft fuel either the use tax imposed by RCW 82.12.020 or the retail sales tax imposed by RCW 82.08.020. The taxes imposed by this chapter must be collected and paid to the state but once in respect to any aircraft fuel.

Sec. 209. RCW 46.17.200 and 2014 c 80 s 4 are each amended to read as follows:

(1) In addition to all other fees and taxes required by law, the department, county auditor or other agent, or subagent appointed by the director shall charge:

(a) The following license plate fees for each license plate, unless the owner or type of vehicle is exempt from payment or qualifies for a reduced original license plate fee as provided in (e) of this subsection:

FEE TYPE	FEE	DISTRIBUTION
Original issue	(10.0) (\$ 0)) <u>\$50.00</u>	RCW 46.68.070
Reflectivity	\$ 2.00	RCW 46.68.070
Replacement	(10.0) (\$ 0)) <u>\$30.00</u>	RCW 46.68.070

FEE TYPE	FEE	DISTRIBUTION
Original issue, motorcycle	(4.00) (\$)) <u>\$20.00</u>	RCW 46.68.070
Replacement, motorcycle	(4.00) (\$)) <u>\$12.00</u>	RCW 46.68.070
Original issue, moped	\$ 1.50	RCW 46.68.070

(b) A license plate retention fee, as required under RCW 46.16A.200(9)(a), of (~~twenty dollars~~) \$20 if the owner wishes to retain the current license plate number upon license plate replacement, unless the owner or type of vehicle is exempt from payment. The (~~twenty dollar~~) \$20 fee must be deposited in the multimodal transportation account created in RCW 47.66.070.

(c) A (~~ten dollar~~) \$10 license plate transfer fee, as required under RCW 46.16A.200(8)(a), when transferring standard issue license plates from one vehicle to another, unless the owner or type of vehicle is exempt from payment. The (~~ten dollar~~) \$10 license plate transfer fee must be deposited in the motor vehicle fund created in RCW 46.68.070.

(d) Former prisoner of war license plates, as described in RCW 46.18.235, may be transferred to a replacement vehicle upon payment of a (~~five dollar~~) \$5 license plate fee, in addition to any other fee required by law.

(e) An original issue license plate fee of \$40 for each plate if the vehicle is a used car as defined in RCW 46.04.660.

(2) The department may, upon request, provide license plates that have been used and returned to the department to individuals for nonvehicular use. The department may charge a fee of up to (~~five dollars~~) \$5 per license plate to cover costs or recovery for postage and handling. The department may waive the fee for license plates used in educational projects and may, by rule, provide standards for the fee waiver and restrictions on the number of license plates provided to any one person. The

fee must be deposited in the motor vehicle fund created in RCW 46.68.070.

(3) \$40 of the original issue license plate fee imposed under subsection (1)(a) of this section, \$30 of the original issue license plate fee imposed under subsection (1)(e) of this section, and \$16 of the original issue motorcycle license plate fee imposed under subsection (1)(a) of this section must be deposited in the move ahead WA account created in section 401 of this act.

(4) \$20 of the replacement license plate fee imposed under subsection (1)(a) of this section and \$8 of the replacement motorcycle license plate fee imposed under subsection (1)(a) of this section must be deposited in the move ahead WA account created in section 401 of this act.

Sec. 210. RCW 46.17.120 and 2020 c 239 s 1 are each amended to read as follows:

(1) Before accepting an application for a certificate of title for a vehicle previously registered in any other state or country, the department, county auditor or other agent, or subagent appointed by the director shall require the applicant to pay a fee of ~~((fifteen dollars))~~ \$50. ~~((The fifteen dollar fee))~~

(a) \$15 of the fee required by this section must be distributed under RCW 46.68.020.

(b) \$35 of the fee required by this section must be deposited in the move ahead WA account created in section 401 of this act.

(2) An applicant is exempt from the ~~((fifteen dollar))~~ \$50 fee if the applicant previously registered the vehicle in Washington state and maintained ownership of the vehicle while registered in another state or country.

Sec. 211. RCW 46.17.400 and 2011 c 171 s 62 are each amended to read as follows:

(1) Before accepting an application for one of the following permits, the department, county auditor or other agent, or subagent appointed by the director shall require the applicant to pay the following permit fee by permit type in addition to any other fee or tax required by law:

PERM IT TYPE	FEE	AUTHORI TY	DISTRIBUTI ON
(a) Dealer temporary	((15.00)) <u>\$40.00</u>	RCW 46.16A.300	RCW 46.68.030
(b) Department temporary	\$.50	RCW 46.16A.305	RCW 46.68.450
(c) Farm vehicle trip	\$ 6.25	RCW 46.16A.330	RCW 46.68.035
(d) Nonresident military	\$ 10.00	RCW 46.16A.340	RCW 46.68.070
(e) Nonresident temporary snowmobile	\$ 5.00	RCW 46.10.450	RCW 46.68.350
(f) Special fuel trip	\$ 30.00	RCW 82.38.100	RCW 46.68.460
(g) Temporary ORV use	\$ 7.00	RCW 46.09.430	RCW 46.68.045
(h) Vehicle trip	\$ 25.00	RCW 46.16A.320	RCW 46.68.455

(2) Permit fees as provided in subsection (1) of this section are in addition to the filing fee required under RCW 46.17.005, except an additional filing fee may not be charged for:

- (a) Dealer temporary permits;
- (b) Special fuel trip permits; and
- (c) Vehicle trip permits.

(3) ~~((Five dollars))~~ \$5 of the ~~((fifteen dollar))~~ \$40 dealer temporary permit fee provided in subsection (1)(a) of this section must be credited to the payment of vehicle license fees at the time application for registration is made. \$25 of the \$40 dealer temporary permit fee provided in subsection (1)(a) of this section must be deposited in the move ahead WA account created in section 401 of this act. The remainder must be deposited to the state patrol highway account created in RCW 46.68.030.

Sec. 212. RCW 46.20.202 and 2021 c 317 s 21 and 2021 c 158 s 9 are each reenacted and amended to read as follows:

(1) The department may enter into a memorandum of understanding with any

federal agency for the purposes of facilitating the crossing of the border between the state of Washington and the Canadian province of British Columbia.

(2) The department may enter into an agreement with the Canadian province of British Columbia for the purposes of implementing a border-crossing initiative.

(3)(a) The department may issue an enhanced driver's license or identicard for the purposes of crossing the border between the state of Washington and the Canadian province of British Columbia to an applicant who provides the department with proof of: United States citizenship, identity, and state residency. The department shall continue to offer a standard driver's license and identicard. If the department chooses to issue an enhanced driver's license, the department must allow each applicant to choose between a standard driver's license or identicard, or an enhanced driver's license or identicard.

(b) The department shall implement a one-to-many biometric matching system for the enhanced driver's license or identicard. An applicant for an enhanced driver's license or identicard shall submit a biometric identifier as designated by the department. The biometric identifier must be used solely for the purpose of verifying the identity of the holders and for any purpose set out in RCW 46.20.037. Applicants are required to sign a declaration acknowledging their understanding of the one-to-many biometric match.

(c) The enhanced driver's license or identicard must include reasonable security measures to protect the privacy of Washington state residents, including reasonable safeguards to protect against unauthorized disclosure of data about Washington state residents. If the enhanced driver's license or identicard includes a radio frequency identification chip, or similar technology, the department shall ensure that the technology is encrypted or otherwise secure from unauthorized data access.

(d) The requirements of this subsection are in addition to the requirements otherwise imposed on applicants for a driver's license or identicard. The department shall adopt such rules as necessary to meet the requirements of this subsection. From

time to time the department shall review technological innovations related to the security of identity cards and amend the rules related to enhanced driver's licenses and identicards as the director deems consistent with this section and appropriate to protect the privacy of Washington state residents.

(e) Notwithstanding RCW 46.20.118, the department may make images associated with enhanced drivers' licenses or identicards from the negative file available to United States customs and border agents for the purposes of verifying identity.

(4) Beginning (~~on July 23, 2017~~) October 1, 2022, the fee for an enhanced driver's license or enhanced identicard is (~~(thirty two dollars)~~) \$56, which is in addition to the fees for any regular driver's license or identicard. If the enhanced driver's license or enhanced identicard is issued, renewed, or extended for a period other than eight years, the fee for each class is (~~four dollars~~) \$7 for each year that the enhanced driver's license or enhanced identicard is issued, renewed, or extended.

(5)(a) The first \$4 per year of issuance, to a maximum of \$32 of the enhanced driver's license and enhanced identicard fee under this section must be deposited into the highway safety fund unless prior to July 1, 2023, the actions described in (a)(i) or (~~(b)~~) (ii) of this subsection occur, in which case the portion of the revenue that is the result of the fee increased in section 209, chapter 44, Laws of 2015 3rd sp. sess. must be distributed to the connecting Washington account created under RCW 46.68.395.

(~~(a)~~) (i) Any state agency files a notice of rule making under chapter 34.05 RCW, absent explicit legislative authorization enacted subsequent to July 1, 2015, for a rule regarding a fuel standard based upon or defined by the carbon intensity of fuel, including a low carbon fuel standard or clean fuel standard.

(~~(b)~~) (ii) Any state agency otherwise enacts, adopts, orders, or in any way implements a fuel standard based upon or defined by the carbon intensity of fuel, including a low carbon fuel standard or clean fuel standard, without explicit legislative authorization enacted subsequent to July 1, 2015.

~~((e))~~ (iii) Nothing in this subsection acknowledges, establishes, or creates legal authority for the department of ecology or any other state agency to enact, adopt, order, or in any way implement a fuel standard based upon or defined by the carbon intensity of fuel, including a low carbon fuel standard or clean fuel standard.

(b) \$24 of the enhanced driver's license and enhanced identicard fee under this section must be deposited into the move ahead WA flexible account created in section 402 of this act. If the enhanced driver's license or enhanced identicard is issued, renewed, or extended for a period other than eight years, the amount deposited into the move ahead WA flexible account created in section 402 of this act is \$3 for each year that the enhanced driver's license or enhanced identicard is issued, renewed, or extended.

Sec. 213. RCW 46.52.130 and 2021 c 93 s 8 are each amended to read as follows:

Upon a proper request, the department may only furnish information contained in an abstract of a person's driving record as permitted under this section.

(1) **Contents of abstract of driving record.** An abstract of a person's driving record, whenever possible, must include:

(a) An enumeration of motor vehicle accidents in which the person was driving, including:

(i) The total number of vehicles involved;

(ii) Whether the vehicles were legally parked or moving;

(iii) Whether the vehicles were occupied at the time of the accident; and

(iv) Whether the accident resulted in a fatality;

(b) Any reported convictions, forfeitures of bail, or findings that an infraction was committed based upon a violation of any motor vehicle law;

(c) The status of the person's driving privilege in this state; and

(d) Any reports of failure to appear in response to a traffic citation or failure to respond to a notice of infraction served upon the named individual by an arresting officer.

(2) **Release of abstract of driving record.** Unless otherwise required in this

section, the release of an abstract does not require a signed statement by the subject of the abstract. An abstract of a person's driving record may be furnished to the following persons or entities:

(a) **Named individuals.** (i) An abstract of the full driving record maintained by the department may be furnished to the individual named in the abstract.

(ii) Nothing in this section prevents a court from providing a copy of the driver's abstract to the individual named in the abstract or that named individual's attorney, provided that the named individual has a pending or open infraction or criminal case in that court. A pending case includes criminal cases that have not reached a disposition by plea, stipulation, trial, or amended charge. An open infraction or criminal case includes cases on probation, payment agreement or subject to, or in collections. Courts may charge a reasonable fee for the production and copying of the abstract for the individual.

(b) **Employers or prospective employers.** (i) An abstract of the full driving record maintained by the department may be furnished to an employer or prospective employer or agents acting on behalf of an employer or prospective employer of the named individual for purposes related to driving by the individual as a condition of employment or otherwise at the direction of the employer.

(ii) The department may provide employers or their agents a three-year insurance carrier driving record of existing employees only for the purposes of sharing the driving record with its insurance carrier for underwriting. Employers may not provide the employees' full driving records to its insurance carrier.

(iii) An abstract of the full driving record maintained by the department may be furnished to an employer or prospective employer or the agent(s) acting on behalf of an employer or prospective employer of the named individual for purposes unrelated to driving by the individual when a driving record is required by federal or state law, or the employee or prospective employee will be handling heavy equipment or machinery.

(iv) Release of an abstract of the driving record of an employee or prospective employee requires a statement signed by: (A) The employee or prospective employee that authorizes the release of the record; and (B) the employer attesting that the information is necessary for employment purposes related to driving by the individual as a condition of employment or otherwise at the direction of the employer. If the employer or prospective employer authorizes agents to obtain this information on their behalf, this must be noted in the statement. The statement must also note that any information contained in the abstract related to an adjudication that is subject to a court order sealing the juvenile record of an employee or prospective employee may not be used by the employer or prospective employer, or an agent authorized to obtain this information on their behalf, unless required by federal regulation or law. The employer or prospective employer must afford the employee or prospective employee an opportunity to demonstrate that an adjudication contained in the abstract is subject to a court order sealing the juvenile record.

(v) Upon request of the person named in the abstract provided under this subsection, and upon that same person furnishing copies of court records ruling that the person was not at fault in a motor vehicle accident, the department must indicate on any abstract provided under this subsection that the person was not at fault in the motor vehicle accident.

(vi) No employer or prospective employer, nor any agents of an employer or prospective employer, may use information contained in the abstract related to an adjudication that is subject to a court order sealing the juvenile record of an employee or prospective employee for any purpose unless required by federal regulation or law. The employer or prospective employer must furnish a copy of the court order sealing the juvenile record to the employer or prospective employer, or the agents of the employer or prospective employer, as may be required to ensure the application of this subsection.

(c) **Volunteer organizations.** (i) An abstract of the full driving record maintained by the department may be furnished to a volunteer organization or an agent for a volunteer organization for

which the named individual has submitted an application for a position that would require driving by the individual at the direction of the volunteer organization.

(ii) Release of an abstract of the driving record of a prospective volunteer requires a statement signed by: (A) The prospective volunteer that authorizes the release of the record; and (B) the volunteer organization attesting that the information is necessary for purposes related to driving by the individual at the direction of the volunteer organization. If the volunteer organization authorizes an agent to obtain this information on their behalf, this must be noted in the statement.

(d) **Transit authorities.** An abstract of the full driving record maintained by the department may be furnished to an employee or agents of a transit authority checking prospective or existing volunteer vanpool drivers for insurance and risk management needs.

(e) **Insurance carriers.** (i) An abstract of the driving record maintained by the department covering the period of not more than the last three years may be furnished to an insurance company or its agents:

(A) That has motor vehicle or life insurance in effect covering the named individual;

(B) To which the named individual has applied; or

(C) That has insurance in effect covering the employer or a prospective employer of the named individual.

(ii) The abstract provided to the insurance company must:

(A) Not contain any information related to actions committed by law enforcement officers or firefighters, as both terms are defined in RCW 41.26.030, or by Washington state patrol officers, while driving official vehicles in the performance of their occupational duty, or by registered tow truck operators as defined in RCW 46.55.010 in the performance of their occupational duties while at the scene of a roadside impound or recovery so long as they are not issued a citation. This does not apply to any situation where the vehicle was used in the commission of a misdemeanor or felony;

(B) Include convictions under RCW 46.61.5249 and 46.61.525, except that the

abstract must report the convictions only as negligent driving without reference to whether they are for first or second degree negligent driving; and

(C) Exclude any deferred prosecution under RCW 10.05.060, except that if a person is removed from a deferred prosecution under RCW 10.05.090, the abstract must show the deferred prosecution as well as the removal.

(iii) Any policy of insurance may not be canceled, nonrenewed, denied, or have the rate increased on the basis of information regarding an accident included in the abstract of a driving record, unless the policyholder was determined to be at fault.

(iv) Any insurance company or its agents, for underwriting purposes relating to the operation of commercial motor vehicles, may not use any information contained in the abstract relative to any person's operation of motor vehicles while not engaged in such employment. Any insurance company or its agents, for underwriting purposes relating to the operation of noncommercial motor vehicles, may not use any information contained in the abstract relative to any person's operation of commercial motor vehicles. For the purposes of this subsection, "commercial motor vehicle" has the same meaning as in RCW 46.25.010(6).

(f) **Alcohol/drug assessment or treatment agencies.** An abstract of the driving record maintained by the department covering the period of not more than the last five years may be furnished to an alcohol/drug assessment or treatment agency approved by the department of health to which the named individual has applied or been assigned for evaluation or treatment, for purposes of assisting employees in making a determination as to what level of treatment, if any, is appropriate, except that the abstract must:

(i) Also include records of alcohol-related offenses, as defined in RCW 46.01.260(2), covering a period of not more than the last ten years; and

(ii) Indicate whether an alcohol-related offense was originally charged as a violation of either RCW 46.61.502 or 46.61.504.

(g) **Attorneys—City attorneys, county prosecuting attorneys, and named individual's attorney of record.** An

abstract of the full driving record maintained by the department, including whether a recorded violation is an alcohol-related offense, as defined in RCW 46.01.260(2), that was originally charged as a violation of either RCW 46.61.502 or 46.61.504, may be furnished to city attorneys, county prosecuting attorneys, or the named individual's attorney of record. City attorneys, county prosecuting attorneys, or the named individual's attorney of record may provide the driving record to alcohol/drug assessment or treatment agencies approved by the department of social and health services to which the named individual has applied or been assigned for evaluation or treatment.

(h) **State colleges, universities, or agencies, or units of local government.** An abstract of the full driving record maintained by the department may be furnished to (i) state colleges, universities, or agencies for employment and risk management purposes or (ii) units of local government authorized to self-insure under RCW 48.62.031, or their agents, for employment and risk management purposes. "Unit of local government" includes an insurance pool established under RCW 48.62.031.

(i) **Superintendent of public instruction.** (i) An abstract of the full driving record maintained by the department may be furnished to the superintendent of public instruction for review of public school bus driver records. The superintendent or superintendent's designee may discuss information on the driving record with an authorized representative of the employing school district for employment and risk management purposes.

(ii) The superintendent of public instruction is exempt from paying the fees related to the reviewing of records and the fee required in subsection (5) of this section.

(j) **State and federal agencies.** An abstract of the driving record maintained by the department may be furnished to state and federal agencies, or their agents, in carrying out its functions.

(k) **Transportation network companies.** An abstract of the full driving record maintained by the department may be furnished to a transportation network company or its agents acting on its behalf of the named individual for purposes related to driving by the

individual as a condition of being a contracted driver.

(1) **Research.** (i) The department may furnish driving record data to state agencies and bona fide scientific research organizations. The department may require review and approval by an institutional review board. For the purposes of this subsection, "research" means a planned and systematic sociological, psychological, epidemiological, biomedical, or other scientific investigation carried out by a state agency, or by a scientific research professional associated with a bona fide scientific research organization with an objective to contribute to scientific knowledge, the solution of social and health problems, or the evaluation of public benefit and service programs. This definition excludes methods of record analysis and data collection that are subjective, do not permit replication, and are not designed to yield reliable and valid results.

(ii) The state agency, or a scientific research professional associated with a bona fide scientific research organization, are exempt from paying the fees related to the reviewing of records and the fee required in subsection (5) of this section. However, the department may charge a cost-recovery fee for the actual cost of providing the data.

(3) **Reviewing of driving records.** (a) In addition to the methods described herein, the director may enter into a contractual agreement for the purpose of reviewing the driving records of existing employees for changes to the record during specified periods of time. The department shall establish a fee for this service, which must be deposited in the highway safety fund. The fee for this service must be set at a level that does not result in a net revenue loss to the state. Any information provided under this subsection must be treated in the same manner and is subject to the same restrictions as driving record abstracts.

(b) The department may provide reviewing services to the following entities:

(i) Employers for existing employees, or their agents;

(ii) Transit authorities for current vanpool drivers, or their agents;

(iii) Insurance carriers for current policyholders, or their agents;

(iv) State colleges, universities, or agencies, or units of local government, or their agents;

(v) The office of the superintendent of public instruction for school bus drivers statewide; and

(vi) Transportation network companies, or their agents.

(4) **Release to third parties prohibited.** (a) Any person or entity receiving an abstract of a person's driving record under subsection (2)(b) through (1) of this section shall use the abstract exclusively for his, her, or its own purposes or as otherwise expressly permitted under this section, and shall not divulge any information contained in the abstract to a third party.

(b) The following release of records to third parties are hereby authorized:

(i) Employers may divulge driving records to regulatory bodies, as defined by the department by rule, such as the United States department of transportation and the federal motor carrier safety administration.

(ii) Employers may divulge a three-year driving record to their insurance carrier for underwriting purposes.

(iii) Employers may divulge driving records to contracted motor carrier consultants for the purposes of ensuring driver compliance and risk management.

(5) ~~((Fee-))~~ **Fees.** (a) The director shall collect a ~~((thirteen dollar))~~ \$15 fee for each abstract of a person's driving record furnished by the department. After depositing \$2 of the driver's abstract fee in the move ahead WA flexible account created in section 402 of this act, the remainder shall be distributed as follows:

(i) Fifty percent ((of the fee)) must be deposited in the highway safety fund((7)); and ((fifty))

(ii) Fifty percent ((of the fee)) must be deposited according to RCW 46.68.038.

(b) Beginning July 1, 2029, the director shall collect an additional \$2 fee for each abstract of a person's driving record furnished by the department. The \$2 additional driver's abstract fee must be deposited in the

move ahead WA flexible account created in section 402 of this act.

(c) City attorneys and county prosecuting attorneys are exempt from paying the fees specified in (a) and (b) of this subsection for an abstract of a person's driving record furnished by the department for use in criminal proceedings.

(6) **Violation.** (a) Any negligent violation of this section is a gross misdemeanor.

(b) Any intentional violation of this section is a class C felony.

(7) Effective July 1, 2019, the contents of a driving abstract pursuant to this section shall not include any information related to sealed juvenile records unless that information is required by federal law or regulation.

Sec. 214. RCW 46.17.015 and 2010 c 161 s 502 are each amended to read as follows:

(1) A person who applies for a vehicle registration or for any other right to operate a vehicle on the highways of this state shall pay a ~~((twenty-five))~~ 25 cent license plate technology fee in addition to any other fees and taxes required by law. The license plate technology fee must be distributed under RCW 46.68.370.

(2) A vehicle registered under RCW 46.16A.455 or 46.17.330 is not subject to the license plate technology fee, except for a vehicle registered under RCW 46.16A.455(3).

(3) The revenue from the license plate technology fee imposed on vehicles registered under RCW 46.16A.455(3) must be deposited in the move ahead WA account created in section 401 of this act.

Sec. 215. RCW 46.17.025 and 2010 c 161 s 503 are each amended to read as follows:

(1) A person who applies for a vehicle registration or for any other right to operate a vehicle on the highways of this state shall pay a ~~((fifty))~~ 50 cent license service fee in addition to any other fees and taxes required by law. The license service fee must be distributed under RCW 46.68.220.

(2) A vehicle registered under RCW 46.16A.455 or 46.17.330 is not subject to the license service fee, except for a vehicle registered under RCW 46.16A.455(3).

(3) The revenue from the license service fee imposed on vehicles registered under RCW 46.16A.455(3) must be deposited in the move ahead WA account created in section 401 of this act.

Sec. 216. RCW 46.20.200 and 2012 c 80 s 10 are each amended to read as follows:

(1) If an instruction permit, identicard, or a driver's license is lost or destroyed, the person to whom it was issued may obtain a duplicate of it upon furnishing proof of such fact satisfactory to the department and payment of a fee of ~~((twenty dollars))~~ \$20 to the department.

(2) A replacement permit, identicard, or driver's license may be obtained to change or correct material information upon payment of a fee of ~~((ten dollars))~~ \$20 and surrender of the permit, identicard, or driver's license being replaced.

Sec. 217. RCW 46.68.041 and 2020 c 330 s 18 are each amended to read as follows:

(1) Except as provided in ~~((subsection))~~ subsections (2) and (3) of this section, the department ~~((shall))~~ must forward all funds accruing under the provisions of chapter 46.20 RCW together with a proper identifying, detailed report to the state treasurer who ~~((shall))~~ must deposit such moneys to the credit of the highway safety fund.

(2) Fifty-six percent of each fee collected by the department under RCW 46.20.311 (1)(e)(ii), (2)(b)(ii), and (3)(b) ~~((shall))~~ must be deposited in the impaired driving safety account.

(3) Fifty percent of the revenue from the fees imposed under RCW 46.20.200(2) must be deposited in the move ahead WA flexible account created in section 402 of this act.

Sec. 218. RCW 46.70.180 and 2017 c 41 s 1 are each amended to read as follows:

Each of the following acts or practices is unlawful:

(1) To cause or permit to be advertised, printed, displayed, published, distributed, broadcasted, televised, or disseminated in any manner whatsoever, any statement or representation with regard to the sale, lease, or financing of a vehicle which is false, deceptive, or misleading,

including but not limited to the following:

(a) That no down payment is required in connection with the sale of a vehicle when a down payment is in fact required, or that a vehicle may be purchased for a smaller down payment than is actually required;

(b) That a certain percentage of the sale price of a vehicle may be financed when such financing is not offered in a single document evidencing the entire security transaction;

(c) That a certain percentage is the amount of the service charge to be charged for financing, without stating whether this percentage charge is a monthly amount or an amount to be charged per year;

(d) That a new vehicle will be sold for a certain amount above or below cost without computing cost as the exact amount of the factory invoice on the specific vehicle to be sold;

(e) That a vehicle will be sold upon a monthly payment of a certain amount, without including in the statement the number of payments of that same amount which are required to liquidate the unpaid purchase price.

(2)(a)(i) To incorporate within the terms of any purchase and sale or lease agreement any statement or representation with regard to the sale, lease, or financing of a vehicle which is false, deceptive, or misleading, including but not limited to terms that include as an added cost to the selling price or capitalized cost of a vehicle an amount for licensing or transfer of title of that vehicle which is not actually due to the state, unless such amount has in fact been paid by the dealer prior to such sale.

(ii) However, an amount not to exceed (~~one hundred fifty dollars~~) \$200 per vehicle sale or lease may be charged by a dealer to recover administrative costs for collecting motor vehicle excise taxes, licensing and registration fees and other agency fees, verifying and clearing titles, transferring titles, perfecting, releasing, or satisfying liens or other security interests, and other administrative and documentary services rendered by a dealer in connection with the sale or lease of a vehicle and in carrying out the

requirements of this chapter or any other provisions of state law.

(b) A dealer may charge the documentary service fee in (a) of this subsection under the following conditions:

(i) The documentary service fee is disclosed in writing to a prospective purchaser or lessee before the execution of a purchase and sale or lease agreement;

(ii) The dealer discloses to the purchaser or lessee in writing that the documentary service fee is a negotiable fee. The disclosure must be written in a typeface that is at least as large as the typeface used in the standard text of the document that contains the disclosure and that is bold faced, capitalized, underlined, or otherwise set out from the surrounding material so as to be conspicuous. The dealer shall not represent to the purchaser or lessee that the fee or charge is required by the state to be paid by either the dealer or prospective purchaser or lessee;

(iii) The documentary service fee is separately designated from the selling price or capitalized cost of the vehicle and from any other taxes, fees, or charges; and

(iv) Dealers disclose in any advertisement that a documentary service fee in an amount up to (~~one hundred fifty dollars~~) \$200 may be added to the sale price or the capitalized cost.

For the purposes of this subsection (2), the term "documentary service fee" means the optional amount charged by a dealer to provide the services specified in (a) of this subsection.

(3) To set up, promote, or aid in the promotion of a plan by which vehicles are to be sold or leased to a person for a consideration and upon further consideration that the purchaser or lessee agrees to secure one or more persons to participate in the plan by respectively making a similar purchase and in turn agreeing to secure one or more persons likewise to join in said plan, each purchaser or lessee being given the right to secure money, credits, goods, or something of value, depending upon the number of persons joining the plan.

(4) To commit, allow, or ratify any act of "bushing" which is defined as

follows: Entering into a written contract, written purchase order or agreement, retail installment sales agreement, note and security agreement, or written lease agreement, hereinafter collectively referred to as contract or lease, signed by the prospective buyer or lessee of a vehicle, which:

(a) Is subject to any conditions or the dealer's or his or her authorized representative's future acceptance, and the dealer fails or refuses within the "bushing" period, which is four calendar days, exclusive of Saturday, Sunday, or legal holiday, and prior to any further negotiations with said buyer or lessee to inform the buyer or lessee either: (i) That the dealer unconditionally accepts the contract or lease, having satisfied, removed, or waived all conditions to acceptance or performance, including, but not limited to, financing, assignment, or lease approval; or (ii) that the dealer rejects the contract or lease, thereby automatically voiding the contract or lease, as long as such voiding does not negate commercially reasonable contract or lease provisions pertaining to the return of the subject vehicle and any physical damage, excessive mileage after the demand for return of the vehicle, and attorneys' fees authorized by law, and tenders the refund of any initial payment or security made or given by the buyer or lessee, including, but not limited to, any down payment, and tenders return of the trade-in vehicle, key, other trade-in, or certificate of title to a trade-in. Tender may be conditioned on return of the subject vehicle if previously delivered to the buyer or lessee.

The provisions of this subsection (4)(a) do not impair, prejudice, or abrogate the rights of a dealer to assert a claim against the buyer or lessee for misrepresentation or breach of contract and to exercise all remedies available at law or in equity, including those under chapter 62A.9A RCW, if the dealer, bank, or other lender or leasing company discovers that approval of the contract or financing or approval of the lease was based upon material misrepresentations made by the buyer or lessee, including, but not limited to, misrepresentations regarding income, employment, or debt of the buyer or lessee, as long as the dealer, or his or her staff, has not, with knowledge of the material misrepresentation, aided, assisted, encouraged, or participated, directly or

indirectly, in the misrepresentation. A dealer shall not be in violation of this subsection (4)(a) if the buyer or lessee made a material misrepresentation to the dealer, as long as the dealer, or his or her staff, has not, with knowledge of the material misrepresentation, aided, assisted, encouraged, or participated, directly or indirectly, in the misrepresentation.

A dealer may inform a buyer or lessee under this subsection (4)(a) regarding the unconditional acceptance or rejection of the contract, lease, or financing by sending an email message to the buyer's or lessee's supplied email address, by phone call, by leaving a voice message or sending a text message to a phone number provided by the buyer or lessee, by in-person oral communication, by mailing a letter by first-class mail if the buyer or lessee expresses a preference for a letter or declines to provide an email address and a phone number capable of receiving a free text message, or by another means agreed to by the buyer or lessee or approved by the department, effective upon the execution, mailing, or sending of the communication and before expiration of the "bushing" period;

(b) Permits the dealer to renegotiate a dollar amount specified as trade-in allowance on a vehicle delivered or to be delivered by the buyer or lessee as part of the purchase price or lease, for any reason except:

(i) Failure to disclose that the vehicle's certificate of title has been branded for any reason, including, but not limited to, status as a rebuilt vehicle as provided in RCW 46.12.540 and 46.12.560; or

(ii) Substantial physical damage or latent mechanical defect occurring before the dealer took possession of the vehicle and which could not have been reasonably discoverable at the time of the taking of the order, offer, or contract; or

(iii) Excessive additional miles or a discrepancy in the mileage. "Excessive additional miles" means the addition of (~~five hundred~~) 500 miles or more, as reflected on the vehicle's odometer, between the time the vehicle was first valued by the dealer for purposes of determining its trade-in value and the time of actual delivery of the vehicle to the dealer. "A discrepancy in the

mileage" means (A) a discrepancy between the mileage reflected on the vehicle's odometer and the stated mileage on the signed odometer statement; or (B) a discrepancy between the mileage stated on the signed odometer statement and the actual mileage on the vehicle; or

(c) Fails to comply with the obligation of any written warranty or guarantee given by the dealer requiring the furnishing of services or repairs within a reasonable time.

(5) To commit any offense relating to odometers, as such offenses are defined in RCW 46.37.540, 46.37.550, 46.37.560, and 46.37.570. A violation of this subsection is a class C felony punishable under chapter 9A.20 RCW.

(6) For any vehicle dealer or vehicle salesperson to refuse to furnish, upon request of a prospective purchaser or lessee, for vehicles previously registered to a business or governmental entity, the name and address of the business or governmental entity.

(7) To commit any other offense under RCW 46.37.423, 46.37.424, or 46.37.425.

(8) To commit any offense relating to a dealer's temporary license permit, including but not limited to failure to properly complete each such permit, or the issuance of more than one such permit on any one vehicle. However, a dealer may issue a second temporary permit on a vehicle if the following conditions are met:

(a) The lienholder fails to deliver the vehicle title to the dealer within the required time period;

(b) The dealer has satisfied the lien; and

(c) The dealer has proof that payment of the lien was made within two calendar days, exclusive of Saturday, Sunday, or a legal holiday, after the sales contract has been executed by all parties and all conditions and contingencies in the sales contract have been met or otherwise satisfied.

(9) For a dealer, salesperson, or mobile home manufacturer, having taken an instrument or cash "on deposit" from a purchaser or lessee prior to the delivery of the bargained-for vehicle, to commingle the "on deposit" funds with assets of the dealer, salesperson, or mobile home manufacturer instead of holding the "on deposit" funds as trustee

in a separate trust account until the purchaser or lessee has taken delivery of the bargained-for vehicle. Delivery of a manufactured home shall be deemed to occur in accordance with RCW 46.70.135(5). Failure, immediately upon receipt, to endorse "on deposit" instruments to such a trust account, or to set aside "on deposit" cash for deposit in such trust account, and failure to deposit such instruments or cash in such trust account by the close of banking hours on the day following receipt thereof, shall be evidence of intent to commit this unlawful practice: PROVIDED, HOWEVER, That a motor vehicle dealer may keep a separate trust account which equals his or her customary total customer deposits for vehicles for future delivery. For purposes of this section, "on deposit" funds received from a purchaser of a manufactured home means those funds that a seller requires a purchaser to advance before ordering the manufactured home, but does not include any loan proceeds or moneys that might have been paid on an installment contract.

(10) For a dealer or manufacturer to fail to comply with the obligations of any written warranty or guarantee given by the dealer or manufacturer requiring the furnishing of goods and services or repairs within a reasonable period of time, or to fail to furnish to a purchaser or lessee, all parts which attach to the manufactured unit including but not limited to the undercarriage, and all items specified in the terms of a sales or lease agreement signed by the seller and buyer or lessee.

(11) For a vehicle dealer to pay to or receive from any person, firm, partnership, association, or corporation acting, either directly or through a subsidiary, as a buyer's agent for consumers, any compensation, fee, purchase moneys or funds that have been deposited into or withdrawn out of any account controlled or used by any buyer's agent, gratuity, or reward in connection with the purchase, sale, or lease of a new motor vehicle.

(12) For a buyer's agent, acting directly or through a subsidiary, to pay to or to receive from any motor vehicle dealer any compensation, fee, gratuity, or reward in connection with the purchase, sale, or lease of a new motor vehicle. In addition, it is unlawful for any buyer's agent to engage in any of the

following acts on behalf of or in the name of the consumer:

(a) Receiving or paying any purchase moneys or funds into or out of any account controlled or used by any buyer's agent;

(b) Signing any vehicle purchase orders, sales contracts, leases, odometer statements, or title documents, or having the name of the buyer's agent appear on the vehicle purchase order, sales contract, lease, or title; or

(c) Signing any other documentation relating to the purchase, sale, lease, or transfer of any new motor vehicle.

It is unlawful for a buyer's agent to use a power of attorney obtained from the consumer to accomplish or effect the purchase, sale, lease, or transfer of ownership documents of any new motor vehicle by any means which would otherwise be prohibited under (a) through (c) of this subsection. However, the buyer's agent may use a power of attorney for physical delivery of motor vehicle license plates to the consumer.

Further, it is unlawful for a buyer's agent to engage in any false, deceptive, or misleading advertising, disseminated in any manner whatsoever, including but not limited to making any claim or statement that the buyer's agent offers, obtains, or guarantees the lowest price on any motor vehicle or words to similar effect.

(13) For a buyer's agent to arrange for or to negotiate the purchase, or both, of a new motor vehicle through an out-of-state dealer without disclosing in writing to the customer that the new vehicle would not be subject to chapter 19.118 RCW. This subsection also applies to leased vehicles. In addition, it is unlawful for any buyer's agent to fail to have a written agreement with the customer that: (a) Sets forth the terms of the parties' agreement; (b) discloses to the customer the total amount of any fees or other compensation being paid by the customer to the buyer's agent for the agent's services; and (c) further discloses whether the fee or any portion of the fee is refundable.

(14) Being a manufacturer, other than a motorcycle manufacturer governed by chapter 46.93 RCW, to:

(a) Coerce or attempt to coerce any vehicle dealer to order or accept

delivery of any vehicle or vehicles, parts or accessories, or any other commodities which have not been voluntarily ordered by the vehicle dealer: PROVIDED, That recommendation, endorsement, exposition, persuasion, urging, or argument are not deemed to constitute coercion;

(b) Cancel or fail to renew the franchise or selling agreement of any vehicle dealer doing business in this state without fairly compensating the dealer at a fair going business value for his or her capital investment which shall include but not be limited to tools, equipment, and parts inventory possessed by the dealer on the day he or she is notified of such cancellation or termination and which are still within the dealer's possession on the day the cancellation or termination is effective, if: (i) The capital investment has been entered into with reasonable and prudent business judgment for the purpose of fulfilling the franchise; and (ii) the cancellation or nonrenewal was not done in good faith. Good faith is defined as the duty of each party to any franchise to act in a fair and equitable manner towards each other, so as to guarantee one party freedom from coercion, intimidation, or threats of coercion or intimidation from the other party: PROVIDED, That recommendation, endorsement, exposition, persuasion, urging, or argument are not deemed to constitute a lack of good faith;

(c) Encourage, aid, abet, or teach a vehicle dealer to sell or lease vehicles through any false, deceptive, or misleading sales or financing practices including but not limited to those practices declared unlawful in this section;

(d) Coerce or attempt to coerce a vehicle dealer to engage in any practice forbidden in this section by either threats of actual cancellation or failure to renew the dealer's franchise agreement;

(e) Refuse to deliver any vehicle publicly advertised for immediate delivery to any duly licensed vehicle dealer having a franchise or contractual agreement for the retail sale or lease of new and unused vehicles sold or distributed by such manufacturer within sixty days after such dealer's order has been received in writing unless caused by inability to deliver because of shortage or curtailment of material, labor,

transportation, or utility services, or by any labor or production difficulty, or by any cause beyond the reasonable control of the manufacturer;

(f) To provide under the terms of any warranty that a purchaser or lessee of any new or unused vehicle that has been sold or leased, distributed for sale or lease, or transferred into this state for resale or lease by the vehicle manufacturer may only make any warranty claim on any item included as an integral part of the vehicle against the manufacturer of that item.

Nothing in this section may be construed to impair the obligations of a contract or to prevent a manufacturer, distributor, representative, or any other person, whether or not licensed under this chapter, from requiring performance of a written contract entered into with any licensee hereunder, nor does the requirement of such performance constitute a violation of any of the provisions of this section if any such contract or the terms thereof requiring performance, have been freely entered into and executed between the contracting parties. This paragraph and subsection (14)(b) of this section do not apply to new motor vehicle manufacturers governed by chapter 46.96 RCW.

(15) Unlawful transfer of an ownership interest in a motor vehicle as defined in RCW 19.116.050.

(16) To knowingly and intentionally engage in collusion with a registered owner of a vehicle to repossess and return or resell the vehicle to the registered owner in an attempt to avoid a suspended license impound under chapter 46.55 RCW. However, compliance with chapter 62A.9A RCW in repossessing, selling, leasing, or otherwise disposing of the vehicle, including providing redemption rights to the debtor, is not a violation of this section.

(17)(a) For a dealer to enter into a new motor vehicle sales contract without disclosing in writing to a buyer of the new motor vehicle, or to a dealer in the case of an unregistered motor vehicle, any known damage and repair to the new motor vehicle if the damage exceeds five percent of the manufacturer's suggested retail price as calculated at the dealer's authorized warranty rate for labor and parts, or ~~((one thousand dollars))~~ \$1,000, whichever amount is greater. A manufacturer or new motor

vehicle dealer is not required to disclose to a dealer or buyer that glass, tires, bumpers, or cosmetic parts of a new motor vehicle were damaged at any time if the damaged item has been replaced with original or comparable equipment. A replaced part is not part of the cumulative damage required to be disclosed under this subsection.

(b) A manufacturer is required to provide the same disclosure to a dealer of any known damage or repair as required in (a) of this subsection.

(c) If disclosure of any known damage or repair is not required under this section, a buyer may not revoke or rescind a sales contract due to the fact that the new motor vehicle was damaged and repaired before completion of the sale.

(d) As used in this section:

(i) "Cosmetic parts" means parts that are attached by and can be replaced in total through the use of screws, bolts, or other fasteners without the use of welding or thermal cutting, and includes windshields, bumpers, hoods, or trim panels.

(ii) "Manufacturer's suggested retail price" means the retail price of the new motor vehicle suggested by the manufacturer, and includes the retail delivered price suggested by the manufacturer for each accessory or item of optional equipment physically attached to the new motor vehicle at the time of delivery to the new motor vehicle dealer that is not included within the retail price suggested by the manufacturer for the new motor vehicle.

Part III

General Fund and Other Related Support

Sec. 301. RCW 82.32.385 and 2020 c 219 s 703 are each amended to read as follows:

(1) Beginning September 2019 and ending December 2019, by the last day of September and December, the state treasurer must transfer from the general fund to the connecting Washington account created in RCW 46.68.395 (~~thirteen million six hundred eighty thousand dollars~~) \$13,680,000.

(2) Beginning March 2020 and ending June 2021, by the last day of September, December, March, and June of each year, the state treasurer must transfer from

the general fund to the multimodal transportation account created in RCW 47.66.070 (~~((thirteen million six hundred eighty thousand dollars))~~) \$13,680,000.

(3) Beginning September 2021 and ending June 2023, by the last day of September, December, March, and June of each year, the state treasurer must transfer from the general fund to the connecting Washington account created in RCW 46.68.395 (~~((thirteen million eight hundred five thousand dollars))~~) \$13,805,000.

(4) Beginning September 2023 and ending June 2025, by the last day of September, December, March, and June of each year, the state treasurer must transfer from the general fund to the connecting Washington account created in RCW 46.68.395 (~~((thirteen million nine hundred eighty seven thousand dollars))~~) \$13,987,000.

(5) Beginning September 2025 and ending June 2027, by the last day of September, December, March, and June of each year, the state treasurer must transfer from the general fund to the connecting Washington account created in RCW 46.68.395 (~~((eleven million six hundred fifty eight thousand dollars))~~) \$11,658,000.

(6) Beginning September 2027 and ending June 2029, by the last day of September, December, March, and June of each year, the state treasurer must transfer from the general fund to the connecting Washington account created in RCW 46.68.395 (~~((seven million five hundred sixty four thousand dollars))~~) \$7,564,000.

(7) Beginning September 2029 and ending June 2031, by the last day of September, December, March, and June of each year, the state treasurer must transfer from the general fund to the connecting Washington account created in RCW 46.68.395 (~~((four million fifty six thousand dollars))~~) \$4,056,000.

(8) For fiscal year 2026 through fiscal year 2038, the state treasurer must transfer from the general fund to the move ahead WA flexible account created in section 402 of this act \$31,000,000 each fiscal year in four equal quarterly transfers. This amount represents the estimated state sales and use tax generated from new transportation projects and activities funded as a result of this act.

Sec. 302. RCW 82.08.993 and 2021 c 171 s 2 are each amended to read as follows:

(1)(a) Subject to the limitations in this subsection, beginning July 1, 2022, with sales made or lease agreements signed on or after this date until the expiration of this section, (~~((fifty))~~) 50 percent of the tax levied by RCW 82.08.020 does not apply to sales or leases of new electric passenger cars, light duty trucks, and medium duty passenger vehicles, that are powered by a fuel cell.

(b)(i) By the end of the fifth working day of each month, until the expiration of the exemption as described in (c) of this subsection, the department must determine the cumulative number of vehicles that have claimed the exemption as described in (a) of this subsection.

(ii) The department of licensing must collect and provide, upon request, information in a form or manner as required by the department to determine the number of exemptions that have been claimed.

(c) The exemption under this section expires after the last day of the calendar month immediately following the month the department determines that the total number of vehicles exempt under (a) of this subsection reaches 650. All leased vehicles that qualified for the exemption before the expiration of the exemption must continue to receive the exemption as described under (a) of this subsection on lease payments due through the remainder of the lease.

(d) The department must provide notification on its website monthly on the amount of exemptions that have been applied for, the amount issued, and the amount remaining before the limit described in (c) of this subsection has been reached, and, once that limit has been reached, the date the exemption expires pursuant to (c) of this subsection.

(e) A person may not claim the exemption under this subsection if the person claims the exemption under RCW 82.08.9999 or 82.12.9999.

(f) The per vehicle exemption must be based on the sales price for purchased vehicles and fair market value at the inception of the lease for leased vehicles.

(2)(a) Subject to the limitations in this subsection (2), beginning July 1, 2022, with sales made or lease agreements signed on or after this date until the expiration of this section, the entire tax levied by RCW 82.08.020 does not apply to the sale or lease of used electric passenger cars, light duty trucks, and medium duty passenger vehicles, that are powered by a fuel cell.

(b) The per vehicle exemption must be based on the sales price for purchased vehicles and fair market value at the inception of the lease for leased vehicles. However, the maximum value amount eligible for the exemption under (a) of this subsection is the lesser of either ~~((sixteen thousand dollars))~~ \$16,000 or the fair market value of the vehicle.

(c) A person may not claim the exemption under this subsection (2) if the person claims the exemption under RCW 82.08.9999 or 82.12.9999.

(3)(a) For qualifying vehicles sold by a person licensed to do business in the state of Washington, the seller must keep records necessary for the department to verify eligibility under this section. The seller reporting the exemption must also submit itemized information to the department for all vehicles for which an exemption is claimed that must include the following: Vehicle make; vehicle model; model year; whether the vehicle has been sold or leased; date of sale or start date of lease; length of lease; sales price for purchased vehicles and fair market value at the inception of the lease for leased vehicles; and the total amount qualifying for the incentive claimed for each vehicle, in addition to the future monthly amount to be claimed for each leased vehicle. This information must be provided in a form and manner prescribed by the department.

(b) For vehicles purchased from (i) a seller that is not licensed to do business in the state of Washington, or (ii) a private party, the buyer must keep records necessary for the department to verify eligibility under this section. The buyer claiming the exemption must also submit itemized information to the department for all vehicles for which an exemption is claimed that must include the following: Vehicle make; vehicle model; model year; date of sale; sales price; and the total amount qualifying for the incentive claimed for each

vehicle. This information must be provided in a form and manner prescribed by the department.

(4)(a) The department of licensing must maintain and publish a list of all vehicle models qualifying for the tax exemptions under this section and RCW 82.12.817 until the expiration of this section, and is authorized to issue final rulings on vehicle model qualification for these criteria.

(b) The department of revenue retains responsibility for determining whether a vehicle meets the applicable qualifying criterion under subsections (1) and (2) of this section.

~~(5) ((On the last day of July, October, January, and April of each year, the state treasurer, based upon information provided by the department, must transfer from the electric vehicle account to the general fund a sum equal to the dollar amount that would otherwise have been deposited into the general fund during the prior fiscal quarter but for the exemptions provided in this section. Information provided by the department to the state treasurer must be based on the best available data, except that the department may provide estimates of taxes exempted under this section until such time as retailers are able to report such exempted amounts on their tax returns.~~

~~(6))~~ By the last day of August 2023, and annually thereafter until this section expires, based on the best available data, the department must report the following information to the transportation committees of the legislature: The cumulative number of fuel cell electric vehicles that qualified for the exemptions under this section and RCW 82.12.817 by month of purchase or lease start and vehicle make and model; the dollar amount of all state retail sales and use taxes exempted on or after the qualification period start date, under this section and RCW 82.12.817; and estimates of the future costs of leased vehicles that qualified for the exemptions under this section and RCW 82.12.817.

~~((7))~~ (6)(a) Sales of vehicles delivered to the buyer after the expiration of this section, or leased vehicles for which the lease agreement was signed after the expiration of this section, do not qualify for the exemptions under this section.

(b) All leased vehicles that qualified for the exemption under this section before the expiration of this section must continue to receive the exemption on any lease payments due through the remainder of the lease.

~~((8))~~ (7) For the purposes of this section:

(a) "Fair market value" has the same meaning as "value of the article used" in RCW 82.12.010.

(b) "Fuel cell" means a technology that uses an electrochemical reaction to generate electric energy by combining atoms of hydrogen and oxygen in the presence of a catalyst.

(c) "New vehicle" has the same meaning as "new motor vehicle" in RCW 46.04.358.

(d) "Selling price" and "sales price" have the same meaning as in RCW 82.08.010.

(e) "Used vehicle" has the same meaning as in RCW 46.04.660.

~~((9))~~ (8) This section expires June 30, 2029.

Sec. 303. RCW 82.12.817 and 2021 c 171 s 3 are each amended to read as follows:

(1) Subject to the limitations in this subsection and RCW 82.08.993(1)(c), beginning July 1, 2022, with sales made or lease agreements signed on or after this date until the expiration of this section, ~~((fifty))~~ 50 percent of the tax levied by RCW 82.12.020 does not apply to sales or leases of new electric passenger cars, light duty trucks, and medium duty passenger vehicles, that are powered by a fuel cell.

(2)(a) Subject to the limitations in this subsection (2), beginning July 1, 2022, with sales made or lease agreements signed on or after this date until the expiration of this section, the entire tax levied by RCW 82.12.020 does not apply to the sale or lease of used electric passenger cars, light duty trucks, and medium duty passenger vehicles, that are powered by a fuel cell.

(b) The per vehicle exemption must be based on the sales price for purchased vehicles and fair market value at the inception of the lease for leased vehicles. However, the maximum value amount eligible for the exemption under (a) of this subsection is the lesser of

either ~~((sixteen thousand dollars))~~ \$16,000 or the fair market value of the vehicle.

(c) A person may not claim the exemption under this subsection (2) if the person claims the exemption under RCW 82.08.9999 or 82.12.9999.

(3) The buyer must keep records necessary for the department to verify eligibility under this section. The buyer claiming the exemption must also submit itemized information to the department for all vehicles for which an exemption is claimed that must include the following: Vehicle make; vehicle model; model year; whether the vehicle has been sold or leased; date of sale or start date of lease; length of lease; sales price for purchased vehicles and fair market value at the inception of the lease for leased vehicles; and the total amount qualifying for the incentive claimed for each vehicle, in addition to the future monthly amount to be claimed for each leased vehicle. This information must be provided in a form and manner prescribed by the department.

~~(4) ((On the last day of July, October, January, and April of each year, the state treasurer, based upon information provided by the department, must transfer from the electric vehicle account to the general fund a sum equal to the dollar amount that would otherwise have been deposited into the general fund during the prior fiscal quarter but for the exemptions provided in this section. Information provided by the department to the state treasurer must be based on the best available data.~~

~~(5))~~(a) Sales of vehicles delivered to the buyer after the expiration of this section, or leased vehicles for which the lease agreement was signed after the expiration of this section, do not qualify for the exemptions under this section.

(b) All leased vehicles that qualified for the exemption under this section before the expiration of this section must continue to receive the exemption on any lease payments due through the remainder of the lease.

~~((6))~~ (5) The definitions in RCW 82.08.993 apply to this section.

~~((7))~~ (6) This section expires June 30, 2029.

Sec. 304. RCW 82.08.9999 and 2021 c 145 s 13 are each amended to read as follows:

(1) Beginning August 1, 2019, with sales made or lease agreements signed on or after the qualification period start date:

(a) The tax levied by RCW 82.08.020 does not apply as provided in (b) of this subsection to sales or leases of new or used passenger cars, light duty trucks, and medium duty passenger vehicles that:

(i) Are exclusively powered by a clean alternative fuel; or

(ii) Use at least one method of propulsion that is capable of being reenergized by an external source of electricity and are capable of traveling at least ~~((thirty))~~ 30 miles using only battery power; and

(iii)(A) Have a vehicle selling price plus trade-in property of like kind for purchased vehicles that:

(I) For a vehicle that is a new vehicle at the time of the purchase date or the date the lease agreement was signed, does not exceed ~~((forty five thousand dollars))~~ \$45,000; or

(II) For a vehicle that is a used vehicle at the time of the purchase date or the date the lease agreement was signed, does not exceed ~~((thirty thousand dollars))~~ \$30,000; or

(B) Have a fair market value at the inception of the lease for leased vehicles that:

(I) For a vehicle that is a new vehicle at the time of the purchase date or the date the lease agreement was signed, does not exceed ~~((forty five thousand dollars))~~ \$45,000; or

(II) For a vehicle that is a used vehicle at the time of the purchase date or the date the lease agreement was signed, does not exceed ~~((thirty thousand dollars))~~ \$30,000;

(b)(i) The exemption in this section is applicable for up to the amounts specified in (b)(ii) or (iii) of this subsection of:

(A) The total amount of the vehicle's selling price, for sales made; or

(B) The total lease payments made plus any additional selling price of the leased vehicle if the original lessee

purchases the leased vehicle before the qualification period end date, for lease agreements signed.

(ii) Based on the purchase date or the date the lease agreement was signed of the vehicle if the vehicle is a new vehicle at the time of the purchase date or the date the lease agreement was signed:

(A) From the qualification period start date until July 31, 2021, the maximum amount eligible under (b)(i) of this subsection is ~~((twenty five thousand dollars))~~ \$25,000;

(B) From August 1, 2021, until July 31, 2023, the maximum amount eligible under (b)(i) of this subsection is ~~((twenty thousand dollars))~~ \$20,000;

(C) From August 1, 2023, until July 31, 2025, the maximum amount eligible under (b)(i) of this subsection is ~~((fifteen thousand dollars))~~ \$15,000.

(iii) If the vehicle is a used vehicle at the time of the purchase date or the date the lease agreement was signed, the maximum amount eligible under (b)(i) of this subsection is ~~((sixteen thousand dollars))~~ \$16,000.

(2) The seller must keep records necessary for the department to verify eligibility under this section. A person claiming the exemption must also submit itemized information to the department for all vehicles for which an exemption is claimed that must include the following: Vehicle make; vehicle model; model year; whether the vehicle has been sold or leased; date of sale or start date of lease; length of lease; sales price for purchased vehicles and fair market value at the inception of the lease for leased vehicles; and the total amount qualifying for the incentive claimed for each vehicle, in addition to the future monthly amount to be claimed for each leased vehicle. This information must be provided in a form and manner prescribed by the department.

(3)(a) The department of licensing must maintain and publish a list of all vehicle models qualifying for the tax exemptions under this section or RCW 82.12.9999 until the expiration date of this section, and is authorized to issue final rulings on vehicle model qualification for these criteria. A seller is not responsible for repayment of the tax exemption under this section and RCW 82.12.9999 for a vehicle if the

department of licensing's published list of qualifying vehicle models on the purchase date or the date the lease agreement was signed includes the vehicle model and the department of licensing subsequently removes the vehicle model from the published list, and, if applicable, the vehicle meets the qualifying criterion under subsection (1)(a)(iii)(B) of this section and RCW 82.12.9999(1)(a)(iii)(B).

(b) The department of revenue retains responsibility for determining whether a vehicle meets the applicable qualifying criterion under subsection (1)(a)(iii)(B) of this section and RCW 82.12.9999(1)(a)(iii)(B).

~~(4) ((On the last day of January, April, July, and October of each year, the state treasurer, based upon information provided by the department, must transfer from the electric vehicle account to the general fund a sum equal to the dollar amount that would otherwise have been deposited into the general fund during the prior calendar quarter but for the exemption provided in this section. Information provided by the department to the state treasurer must be based on the best available data, except that the department may provide estimates of taxes exempted under this section until such time as retailers are able to report such exempted amounts on their tax returns.~~

~~(5))~~ By the last day of October 2019, and every six months thereafter until this section expires, based on the best available data, the department must report the following information to the transportation committees of the legislature: The cumulative number of vehicles that qualified for the exemption under this section and RCW 82.12.9999 by month of purchase or lease start and vehicle make and model; the dollar amount of all state retail sales and use taxes exempted on or after the qualification period start date, under this section and RCW 82.12.9999; and estimates of the future costs of leased vehicles that qualified for the exemption under this section and RCW 82.12.9999.

~~((6))~~ (5) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Clean alternative fuel" means natural gas, propane, hydrogen, or electricity, when used as a fuel in a motor vehicle that meets the California

motor vehicle emission standards in Title 13 of the California Code of Regulations, effective January 1, 2019, and the rules of the Washington state department of ecology.

(b) "Fair market value" has the same meaning as "value of the article used" in RCW 82.12.010.

(c) "New vehicle" has the same meaning as "new motor vehicle" in RCW 46.04.358.

(d) "Qualification period end date" means August 1, 2025.

(e) "Qualification period start date" means August 1, 2019.

(f) "Used vehicle" has the same meaning as in RCW 46.04.660.

~~((7))~~ (6)(a) Sales of vehicles delivered to the buyer or leased vehicles for which the lease agreement was signed after the qualification period end date do not qualify for the exemption under this section.

(b) All leased vehicles that qualified for the exemption under this section before the qualification period end date must continue to receive the exemption as described under subsection (1)(b) of this section on any lease payments due through the remainder of the lease before August 1, 2028.

~~((8))~~ (7) This section expires August 1, 2028.

~~((9))~~ (8) This section is supported by the revenues generated in RCW 46.17.324, and therefore takes effect only if RCW 46.17.324 is enacted by June 30, 2019.

Sec. 305. RCW 82.12.9999 and 2019 c 287 s 10 are each amended to read as follows:

(1) Beginning August 1, 2019, beginning with sales made or lease agreements signed on or after the qualification period start date:

(a) The provisions of this chapter do not apply as provided in (b) of this subsection in respect to the use of new or used passenger cars, light duty trucks, and medium duty passenger vehicles that:

(i) Are exclusively powered by a clean alternative fuel; or

(ii) Use at least one method of propulsion that is capable of being reenergized by an external source of

electricity and are capable of traveling at least (~~(thirty)~~) 30 miles using only battery power; and

(iii)(A) Have a fair market value at the time use tax is imposed for purchased vehicles that:

(I) For a vehicle that is a new vehicle at the time of the purchase date or the date the lease agreement was signed, does not exceed (~~(forty five thousand dollars)~~) \$45,000; or

(II) For a vehicle that is a used vehicle at the time of the purchase date or the date the lease agreement was signed, does not exceed (~~(thirty thousand dollars)~~) \$30,000; or

(B) Have a fair market value at the inception of the lease for leased vehicles that:

(I) For a vehicle that is a new vehicle at the time of the purchase date or the date the lease agreement was signed, does not exceed (~~(forty five thousand dollars)~~) \$45,000; or

(II) For a vehicle that is a used vehicle at the time of the purchase date or the date the lease agreement was signed, does not exceed (~~(thirty thousand dollars)~~) \$30,000;

(b)(i) The exemption in this section is only applicable for up to the amounts specified in (b)(ii) or (iii) of this subsection of:

(A) The total amount of the vehicle's purchase price, for sales made; or

(B) The total lease payments made plus any additional purchase price of the leased vehicle if the original lessee purchases the leased vehicle before the qualification period end date, for lease agreements signed.

(ii) Based on the purchase date or the date the lease agreement was signed of the vehicle if the vehicle is a new vehicle at the time of the purchase date or the date the lease agreement was signed:

(A) From the qualification period start date until July 31, 2021, the maximum amount eligible under (b)(i) of this subsection is (~~(twenty five thousand dollars)~~) \$25,000;

(B) From August 1, 2021, until July 31, 2023, the maximum amount eligible under (b)(i) of this subsection is (~~(twenty thousand dollars)~~) \$20,000;

(C) From August 1, 2023, until July 31, 2025, the maximum amount eligible under (b)(i) of this subsection is (~~(fifteen thousand dollars)~~) \$15,000.

(iii) If the vehicle is a used vehicle at the time of the purchase date or the date the lease agreement was signed, the maximum amount eligible under (b)(i) of this subsection is (~~(sixteen thousand dollars)~~) \$16,000.

(2)(a) The seller must keep records necessary for the department to verify eligibility under this section, except as provided in (b) of this subsection. A person claiming the exemption must also submit itemized information to the department for all vehicles for which an exemption is claimed that must include the following: Vehicle make; vehicle model; model year; whether the vehicle has been sold or leased; date of sale or start date of lease; length of lease; fair market value of the vehicle; and the total amount qualifying for the incentive claimed for each vehicle, in addition to the future monthly amount to be claimed for each leased vehicle. This information must be provided in a form and manner prescribed by the department.

(b) (a) of this subsection applies only if the seller or person claiming the exemption is a vehicle dealer, as defined under RCW 46.70.011. When the seller is not a vehicle dealer, the department of licensing must establish a process for granting the tax exemption under this section for use tax otherwise collected at the time the ownership of a vehicle is transferred when the vehicle qualifies for the use tax exemption under subsection (1)(a) of this section, and must provide any information required under (a) of this subsection that it obtains as part of the vehicle titling and registration process for these vehicles to the department on at least a quarterly basis.

(3) (~~(On the last day of January, April, July, and October of each year, the state treasurer, based upon information provided by the department, must transfer from the electric vehicle account to the general fund a sum equal to the dollar amount that would otherwise have been deposited into the general fund during the prior calendar quarter but for the exemption provided in this section. Information provided by the department to the state treasurer must be based on the best available data.~~)

~~(4)~~(a) Vehicles purchased or leased vehicles for which the lease agreement was signed after the qualification period end date do not qualify for the exemption under this section.

(b) All leased vehicles that qualified for the exemption under this section before the qualification period end date must continue to receive the exemption as described under subsection (1)(b) of this section on any lease payments due through the remainder of the lease before August 1, 2028.

~~(5)~~ (4) The definitions in RCW 82.08.9999 apply to this section.

~~(6)~~ (5) This section is supported by the revenues generated in RCW 46.17.324, and therefore takes effect only if RCW 46.17.324 is enacted by June 30, 2019.

~~(7)~~ (6) This section expires August 1, 2028.

Sec. 306. RCW 82.04.4496 and 2019 c 287 s 8 are each amended to read as follows:

(1)(a)(i) A person who is taxable under this chapter is allowed a credit against the tax imposed in this chapter according to the gross vehicle weight rating of the vehicle and the incremental cost of the vehicle purchased above the purchase price of a comparable conventionally fueled vehicle. The credit is limited, as set forth in the table below, to the lesser of the incremental cost amount or the maximum credit amount per vehicle purchased, and subject to a maximum annual credit amount per vehicle class.

Gross Vehicle Weight	Incremental Cost Amount	Maximum Credit Amount Per Vehicle	Maximum Annual Credit Per Vehicle Class
Up to 14,000 pounds	75% of incremental cost	\$25,000	\$2,000,000
14,001 to 26,500 pounds	75% of incremental cost	\$50,000	\$2,000,000

Above 26,500 pounds	75% of incremental cost	\$100,000	\$2,000,000
---------------------	-------------------------	-----------	-------------

(ii) A person who is taxable under this chapter is allowed a credit against the tax imposed in this chapter for up to ~~(fifty)~~ 50 percent of the cost to purchase alternative fuel vehicle infrastructure, tangible personal property that will become a component of alternative fuel vehicle infrastructure, and installation and construction of alternative fuel vehicle infrastructure, but excluding the cost of property acquisition and site improvement related to the installation of alternative fuel vehicle infrastructure. The credit is subject to a maximum annual credit amount of ~~(two million dollars)~~ \$2,000,000.

(b) On September 1st of each year, any unused credits from any category identified in (a) of this subsection must be made available to applicants applying for credits under any other category identified in (a) of this subsection, subject to the maximum annual and total credit amounts identified in this subsection. The credit established in this section and RCW 82.16.0496 is subject to a maximum annual credit amount of ~~(six million dollars)~~ \$6,000,000, and a maximum total credit amount of ~~(thirty two and one half million dollars)~~ \$32,500,000 since the credit became available on July 15, 2015.

(c) The credit provided in (a)(i) of this subsection is available for the lease of a vehicle. The credit amount for a leased vehicle is equal to the credit in (a)(i) of this subsection multiplied by the lease reduction factor. The person claiming the credit for a leased vehicle must be the lessee as identified in the lease contract.

(2) A person who is taxable under this chapter is allowed, subject to the maximum annual credit per category in subsection (1)(a) of this section, a credit against the tax imposed in this chapter for the lesser of ~~(twenty five thousand dollars)~~ \$25,000 or ~~(fifty)~~ 50 percent of the costs of converting a commercial vehicle to be principally powered by a clean alternative fuel with a United States environmental protection agency certified conversion.

(3) The total credits under subsection (1)(a)(i) of this section may not exceed

the lesser of (~~two hundred fifty thousand dollars~~) \$250,000 or (~~twenty five~~) 25 vehicles per person per calendar year.

(4) A person may not receive credit under this section for amounts claimed as credits under chapter 82.16 RCW.

(5) Credits are available on a first-in-time basis.

(a) The department must disallow any credits, or portion thereof, that would cause the total amount of credits claimed under this section, and RCW 82.16.0496, during any calendar year to exceed (~~six million dollars~~) \$6,000,000. The department must provide notification on its website monthly on the amount of credits that have been applied for, the amount issued, and the amount remaining before the statewide annual limit is reached. In addition, the department must provide written notice to any person who has applied to claim tax credits in excess of the limitation in this subsection.

(b) The department must disallow any credits, or portion thereof, that would cause the total amount of credits claimed beginning July 15, 2015, under this section and RCW 82.16.0496 to exceed (~~thirty two and one half million dollars~~) \$32,500,000. The department must provide notification on its website monthly on the total amount of credits that have been applied for, the amount issued, and the amount remaining before the statewide limit is reached. In addition, the department must provide written notice to any person who has applied to claim tax credits in excess of the limitation in this subsection.

(6) For the purposes of the limits provided in this section, a credit must be counted against such limits for the calendar year in which the credit is earned.

(7) To claim a credit under this section a person must electronically file with the department all returns, forms, and any other information required by the department, in an electronic format as provided or approved by the department. No refunds may be granted for credits under this section.

(8) To claim a credit under this section, the person applying must:

(a) Complete an application for the credit which must include:

(i) The name, business address, and tax identification number of the applicant;

(ii) A quote or unexecuted copy of the purchase requisition or order for the vehicle, infrastructure, infrastructure components, infrastructure construction, or infrastructure installation;

(iii) The type of alternative fuel to be used by the vehicle or supported by the infrastructure;

(iv) The incremental cost of the alternative fuel system for vehicle credits;

(v) The anticipated delivery date of the vehicle, the anticipated delivery date of the infrastructure or infrastructure components, the anticipated construction completion date of the infrastructure, or the anticipated installation completion date of the infrastructure;

(vi) The estimated annual fuel use of the vehicle in the anticipated duties or the estimated annual fuel to be supplied by the infrastructure;

(vii) The gross weight of each vehicle for vehicle credits;

(viii) For leased vehicles, a copy of the lease contract that includes the gross capitalized cost, residual value, and name of the lessee; and

(ix) Any other information deemed necessary by the department to support administration or reporting of the program.

(b) Within (~~fifteen~~) 15 days of notice of credit availability from the department, provide notice of intent to claim the credit including:

(i) A copy of the order for the vehicle or infrastructure-related item, including the total cost for the vehicle or infrastructure-related item;

(ii) The anticipated delivery date of the vehicle or infrastructure or infrastructure component, which must be within one year of acceptance of the credit;

(iii) The anticipated construction or installation completion date of the infrastructure, which must be within two years of acceptance of the credit; and

(iv) Any other information deemed necessary by the department to support

administration or reporting of the program.

(c) Provide final documentation within ~~((thirty))~~ 30 days of receipt of the vehicle or infrastructure or infrastructure components or of completion of construction or installation of the infrastructure, including:

(i) A copy of the final invoice for the vehicle or infrastructure-related items;

(ii) A copy of the factory build sheet or equivalent documentation;

(iii) The vehicle identification number of each vehicle;

(iv) The incremental cost of the alternative fuel system for vehicle credits;

(v) Attestations signed by both the seller and purchaser of each vehicle attesting that the incremental cost of the alternative fuel system includes only the costs necessary for the vehicle to run on alternative fuel and no other vehicle options, equipment, or costs; and

(vi) Any other information deemed necessary by the department to support administration or reporting of the program.

(9) A person applying for credit under subsection (8) of this section may apply for multiple vehicles on the same application, but the application must include the required information for each vehicle included in the application. A separate application is required for infrastructure-related items, but all infrastructure-related items at a single location may be included in a single application provided the required information for each infrastructure-related item is included in the application.

(10) To administer the credits, the department must, at a minimum:

(a) Provide notification on its website monthly of the amount of credits that have been applied for, claimed, and the amount remaining before the statewide annual limit and total limit are reached;

(b) Within ~~((fifteen))~~ 15 days of receipt of the application, notify persons applying of the availability of tax credits in the year in which the vehicles or infrastructure applied for

are anticipated to be delivered, constructed, or installed;

(c) Within ~~((fifteen))~~ 15 days of receipt of the notice of intent to claim the tax credit, notify the applicant of the approval, denial, or missing information in their notice; and

(d) Within ~~((fifteen))~~ 15 days of receipt of final documentation, review the documentation and notify the person applying of the acceptance of their final documentation.

(11) If a person fails to supply the information as required in subsection (8) of this section, the department must deny the application.

(12)(a) Taxpayers are only eligible for a credit under this section based on:

(i) Sales or leases of new commercial vehicles and qualifying used commercial vehicles with propulsion units that are principally powered by a clean alternative fuel;

(ii) Costs to modify a commercial vehicle, including sales of tangible personal property incorporated into the vehicle and labor or service expenses incurred in modifying the vehicle, to be principally powered by a clean alternative fuel; or

(iii) Sales of alternative fuel vehicle infrastructure or infrastructure components, or the cost of construction or installation of alternative fuel vehicle infrastructure.

(b) A credit is earned when the purchaser or the lessee takes receipt of the qualifying commercial vehicle or infrastructure-related item, the vehicle conversion is complete, or the construction or installation of the infrastructure is complete.

(13) A credit earned during one calendar year may be carried over to be credited against taxes incurred in the subsequent calendar year, but may not be carried over a second year.

(14) ~~((a) Beginning November 25, 2015, and on the 25th of February, May, August, and November of each year thereafter, the department must notify the state treasurer of the amount of credits taken under this section as reported on returns filed with the department during the preceding calendar quarter ending on the last day of December, March, June, and September, respectively.~~

~~(b) On the last day of March, June, September, and December of each year, the state treasurer, based upon information provided by the department, must transfer a sum equal to the dollar amount of the credit provided under this section from the multimodal transportation account to the general fund.~~

~~(15))~~ The department must conduct outreach to interested parties to obtain input on how best to streamline the application process required for the credit made available in this section and RCW 82.16.0496 to further adoption of alternative fuel technologies in commercial vehicle fleets, and must incorporate the findings resulting from this outreach effort into the rules and practices it adopts to implement and administer this section and RCW 82.16.0496 to the extent permitted under law.

~~((16))~~ (15) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Alternative fuel vehicle infrastructure" means structures, machinery, and equipment necessary and integral to support a clean alternative fuel vehicle.

(b) "Auto transportation company" means any corporation or person owning, controlling, operating, or managing any motor propelled vehicle, used in the business of transporting persons for compensation over public highways within the state of Washington, between fixed points or over a regular route. For the purposes of this section, "auto transportation company" also includes the following categories of providers irrespective of whether they provide service between fixed points or over a regular route: "Private, nonprofit transportation provider" as defined in RCW 81.66.010, "charter party carrier" as defined in RCW 81.70.020, and paratransit service providers who primarily provide special needs transportation to individuals with disabilities and the elderly.

(c) "Clean alternative fuel" means electricity, dimethyl ether, hydrogen, methane, natural gas, liquefied natural gas, compressed natural gas, or propane.

(d) "Commercial vehicle" means any commercial vehicle that is purchased by a private business and that is used exclusively in the provision of

commercial services or the transportation of commodities, merchandise, produce, refuse, freight, animals, or passengers, and that is displaying a Washington state license plate. All commercial vehicles that provide transportation to passengers must be operated by an auto transportation company.

(e) "Gross capitalized cost" means the agreed upon value of the commercial vehicle and including any other items a person pays over the lease term that are included in such cost.

(f) "Lease reduction factor" means the vehicle gross capitalized cost less the residual value, divided by the gross capitalized cost.

(g) "Qualifying used commercial vehicle" means vehicles that:

(i) Have an odometer reading of less than ~~((four hundred fifty thousand))~~ 450,000 miles;

(ii) Are less than ~~((ten))~~ 10 years past their original date of manufacture;

(iii) Were modified after the initial purchase with a United States environmental protection agency certified conversion that would allow the propulsion units to be principally powered by a clean alternative fuel; and

(iv) Are being sold for the first time after modification.

(h) "Residual value" means the lease-end value of the vehicle as determined by the lessor, at the end of the lease term included in the lease contract.

~~((17))~~ (16) Credits may be earned under this section from January 1, 2016, until the maximum total credit amount in subsection (1)(b) of this section is reached, except for credits for leased vehicles, which may be earned from July 1, 2016, until the maximum total credit amount in subsection (1)(b) of this section is reached.

Sec. 307. RCW 82.16.0496 and 2019 c 287 s 13 are each amended to read as follows:

(1)(a)(i) A person who is taxable under this chapter is allowed a credit against the tax imposed in this chapter according to the gross vehicle weight rating of the vehicle and the incremental cost of the vehicle purchased above the purchase price of a comparable conventionally fueled vehicle. The

credit is limited, as set forth in the table below, to the lesser of the incremental cost amount or the maximum credit amount per vehicle purchased, and subject to a maximum annual credit amount per vehicle class.

Gross Vehicle Weight	Incremental Cost Amount	Maximum Credit Amount Per Vehicle	Maximum Annual Credit Per Vehicle Class
Up to 14,000 pounds	75% of incremental cost	\$25,000	\$2,000,000
14,001 to 26,500 pounds	75% of incremental cost	\$50,000	\$2,000,000
Above 26,500 pounds	75% of incremental cost	\$100,000	\$2,000,000

(ii) A person who is taxable under this chapter is allowed a credit against the tax imposed in this chapter for up to ~~((fifty))~~ 50 percent of the cost to purchase alternative fuel vehicle infrastructure, tangible personal property that will become a component of alternative fuel vehicle infrastructure, and installation and construction of alternative fuel vehicle infrastructure, but excluding the cost of property acquisition and site improvement related to the installation of alternative fuel vehicle infrastructure. The credit is subject to a maximum annual credit amount of ~~((two million dollars))~~ \$2,000,000.

(b) On September 1st of each year, any unused credits from any category identified in (a) of this subsection must be made available to applicants applying for credits under any other category identified in (a) of this subsection, subject to the maximum annual and total credit amounts identified in this subsection. The credit established in this section and RCW 82.04.4496 is subject to a maximum annual credit amount of ~~((six million dollars))~~ \$6,000,000, and a maximum total credit amount of ~~((thirty two and one half million~~

~~dollars))~~ \$32,500,000 beginning July 15, 2015.

(c) The credit provided in (a)(i) of this subsection is available for the lease of a vehicle. The credit amount for a leased vehicle is equal to the credit in (a)(i) of this subsection multiplied by the lease reduction factor. The person claiming the credit for a leased vehicle must be the lessee as identified in the lease contract.

(2) A person who is taxable under this chapter is allowed, subject to the maximum annual credit per category in subsection (1)(a) of this section, a credit against the tax imposed in this chapter for the lesser of ~~((twenty five thousand dollars))~~ \$25,000 or ~~((fifty))~~ 50 percent of the costs of converting a commercial vehicle to be principally powered by a clean alternative fuel with a United States environmental protection agency certified conversion.

(3) The total credits under subsection (1)(a)(i) of this section may not exceed the lesser of ~~((two hundred fifty thousand dollars))~~ \$250,000 or ~~((twenty five))~~ 25 vehicles per person per calendar year.

(4) A person may not receive credit under this section for amounts claimed as credits under chapter 82.04 RCW.

(5) Credits are available on a first-in-time basis.

(a) The department must disallow any credits, or portion thereof, that would cause the total amount of credits claimed under this section, and RCW 82.04.4496, during any calendar year to exceed ~~((six million dollars))~~ \$6,000,000. The department must provide notification on its website monthly on the amount of credits that have been applied for, the amount issued, and the amount remaining before the statewide annual limit is reached. In addition, the department must provide written notice to any person who has applied to claim tax credits in excess of the limitation in this subsection.

(b) The department must disallow any credits, or portion thereof, that would cause the total amount of credits claimed beginning July 15, 2015, under this section and RCW 82.04.4496 to exceed ~~((thirty two and one half million dollars))~~ \$32,500,000. The department must provide notification on its website monthly on the total amount of credits

that have been applied for, the amount issued, and the amount remaining before the statewide limit is reached. In addition, the department must provide written notice to any person who has applied to claim tax credits in excess of the limitation in this subsection.

(6) For the purposes of the limits provided in this section, a credit must be counted against such limits for the calendar year in which the credit is earned.

(7) To claim a credit under this section a person must electronically file with the department all returns, forms, and any other information required by the department, in an electronic format as provided or approved by the department. No refunds may be granted for credits under this section.

(8) To claim a credit under this section, the person applying must:

(a) Complete an application for the credit which must include:

(i) The name, business address, and tax identification number of the applicant;

(ii) A quote or unexecuted copy of the purchase requisition or order for the vehicle, infrastructure, infrastructure components, infrastructure construction, or infrastructure installation;

(iii) The type of alternative fuel to be used by the vehicle or supported by the infrastructure;

(iv) The incremental cost of the alternative fuel system for vehicle credits;

(v) The anticipated delivery date of the vehicle, the anticipated delivery date of the infrastructure or infrastructure components, the anticipated construction completion date of the infrastructure, or the anticipated installation completion date of the infrastructure;

(vi) The estimated annual fuel use of the vehicle in the anticipated duties or the estimated annual fuel to be supplied by the infrastructure;

(vii) The gross weight of each vehicle for vehicle credits;

(viii) For leased vehicles, a copy of the lease contract that includes the gross capitalized cost, residual value, and name of the lessee; and

(ix) Any other information deemed necessary by the department to support administration or reporting of the program.

(b) Within (~~fifteen~~) 15 days of notice of credit availability from the department, provide notice of intent to claim the credit including:

(i) A copy of the order for the vehicle or infrastructure-related item, including the total cost for the vehicle or infrastructure-related item;

(ii) The anticipated delivery date of the vehicle or infrastructure or infrastructure component, which must be within one year of acceptance of the credit;

(iii) The anticipated construction or installation completion date of the infrastructure, which must be within two years of acceptance of the credit; and

(iv) Any other information deemed necessary by the department to support administration or reporting of the program.

(c) Provide final documentation within (~~thirty~~) 30 days of receipt of the vehicle or infrastructure or infrastructure components or of completion of construction or installation of the infrastructure, including:

(i) A copy of the final invoice for the vehicle or infrastructure-related items;

(ii) A copy of the factory build sheet or equivalent documentation;

(iii) The vehicle identification number of each vehicle;

(iv) The incremental cost of the alternative fuel system for vehicle credits;

(v) Attestations signed by both the seller and purchaser of the vehicle attesting that the incremental cost of the alternative fuel system includes only the costs necessary for the vehicle to run on alternative fuel and no other vehicle options, equipment, or costs; and

(vi) Any other information deemed necessary by the department to support administration or reporting of the program.

(9) A person applying for credit under subsection (8) of this section may apply

for multiple vehicles on the same application, but the application must include the required information for each vehicle included in the application. A separate application is required for infrastructure-related items, but all infrastructure-related items at a single location may be included in a single application provided the required information for each infrastructure-related item is included in the application.

(10) To administer the credits, the department must, at a minimum:

(a) Provide notification on its website monthly of the amount of credits that have been applied for, claimed, and the amount remaining before the statewide annual limit and total limit are reached;

(b) Within ~~((fifteen))~~ 15 days of receipt of the application, notify persons applying of the availability of tax credits in the year in which the vehicles or infrastructure applied for are anticipated to be delivered, constructed, or installed;

(c) Within ~~((fifteen))~~ 15 days of receipt of the notice of intent to claim the tax credit, notify the applicant of the approval, denial, or missing information in their notice; and

(d) Within ~~((fifteen))~~ 15 days of receipt of final documentation, review the documentation and notify the person applying of the acceptance of their final documentation.

(11) If a person fails to supply the information as required in subsection (8) of this section, the department must deny the application.

(12)(a) Taxpayers are only eligible for a credit under this section based on:

(i) Sales or leases of new commercial vehicles and qualifying used commercial vehicles with propulsion units that are principally powered by a clean alternative fuel;

(ii) Costs to modify a commercial vehicle, including sales of tangible personal property incorporated into the vehicle and labor or service expenses incurred in modifying the vehicle, to be principally powered by a clean alternative fuel; or

(iii) Sales of alternative fuel vehicle infrastructure or infrastructure components, or the cost of construction

or installation of alternative fuel vehicle infrastructure.

(b) A credit is earned when the purchaser or the lessee takes receipt of the qualifying commercial vehicle or infrastructure-related item, the vehicle conversion is complete, or the construction or installation of the infrastructure is complete.

(13) The definitions in RCW 82.04.4496 apply to this section.

(14) A credit earned during one calendar year may be carried over to be credited against taxes incurred in the subsequent calendar year, but may not be carried over a second year.

~~(15) ((a) Beginning November 25, 2015, and on the 25th of February, May, August, and November of each year thereafter, the department must notify the state treasurer of the amount of credits taken under this section as reported on returns filed with the department during the preceding calendar quarter ending on the last day of December, March, June, and September, respectively.~~

~~(b) On the last day of March, June, September, and December of each year, the state treasurer, based upon information provided by the department, must transfer a sum equal to the dollar amount of the credit provided under this section from the multimodal transportation account to the general fund.~~

~~(16))~~ Credits may be earned under this section from January 1, 2016, until the maximum total credit amount in subsection (1)(b) of this section is reached, except for credits for leased vehicles, which may be earned from July 1, 2016, until the maximum total credit amount in subsection (1)(b) of this section is reached.

Sec. 308. RCW 82.08.816 and 2019 c 287 s 11 are each amended to read as follows:

(1) The tax imposed by RCW 82.08.020 does not apply to:

(a) The sale of batteries or fuel cells for electric vehicles, including batteries or fuel cells sold as a component of an electric bus at the time of the vehicle's sale;

(b) The sale of or charge made for labor and services rendered in respect to installing, repairing, altering, or

improving electric vehicle batteries or fuel cells;

(c) The sale of or charge made for labor and services rendered in respect to installing, constructing, repairing, or improving battery or fuel cell electric vehicle infrastructure, including hydrogen fueling stations;

(d) The sale of tangible personal property that will become a component of battery or fuel cell electric vehicle infrastructure during the course of installing, constructing, repairing, or improving battery or fuel cell electric vehicle infrastructure; and

(e) The sale of zero emissions buses.

(2) Sellers may make tax exempt sales under this section only if the buyer provides the seller with an exemption certificate in a form and manner prescribed by the department. The seller must retain a copy of the certificate for the seller's files.

~~(3) ((On the last day of January, April, July, and October of each year, the state treasurer, based upon information provided by the department, must transfer from the multimodal transportation account to the general fund a sum equal to the dollar amount that would otherwise have been deposited into the general fund during the prior calendar quarter but for the exemption provided in this section. Information provided by the department to the state treasurer must be based on the best available data, except that the department may provide estimates of taxes exempted under this section until such time as retailers are able to report such exempted amounts on their tax returns.~~

~~(4))~~ The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Battery charging station" means an electrical component assembly or cluster of component assemblies designed specifically to charge batteries within electric vehicles, which meet or exceed any standards, codes, and regulations set forth by chapter 19.28 RCW and consistent with rules adopted under RCW 19.27.540.

(b) "Battery exchange station" means a fully automated facility that will enable an electric vehicle with a swappable battery to enter a drive lane and exchange the depleted battery with a

fully charged battery through a fully automated process, which meets or exceeds any standards, codes, and regulations set forth by chapter 19.28 RCW and consistent with rules adopted under RCW 19.27.540.

(c) "Electric vehicle infrastructure" means structures, machinery, and equipment necessary and integral to support a battery or fuel cell electric vehicle, including battery charging stations, rapid charging stations, battery exchange stations, fueling stations that provide hydrogen for fuel cell electric vehicles, and renewable hydrogen production facilities.

(d) "Rapid charging station" means an industrial grade electrical outlet that allows for faster recharging of electric vehicle batteries through higher power levels, which meets or exceeds any standards, codes, and regulations set forth by chapter 19.28 RCW and consistent with rules adopted under RCW 19.27.540.

(e) "Renewable hydrogen" means hydrogen produced using renewable resources both as the source for hydrogen and the source for the energy input into the production process.

(f) "Renewable resource" means (i) water; (ii) wind; (iii) solar energy; (iv) geothermal energy; (v) renewable natural gas; (vi) renewable hydrogen; (vii) wave, ocean, or tidal power; (viii) biodiesel fuel that is not derived from crops raised on land cleared from old growth or first growth forests; or (ix) biomass energy.

(g) "Zero emissions bus" means a bus that emits no exhaust gas from the onboard source of power, other than water vapor.

~~((4))~~ (4) This section expires July 1, 2025.

Sec. 309. RCW 82.12.816 and 2019 c 287 s 12 are each amended to read as follows:

(1) The tax imposed by RCW 82.12.020 does not apply to the use of:

(a) Electric vehicle batteries or fuel cells, including batteries or fuel cells sold as a component of an electric bus at the time of the vehicle's sale;

(b) Labor and services rendered in respect to installing, repairing, altering, or improving electric vehicle batteries or fuel cells;

(c) Tangible personal property that will become a component of battery or fuel cell electric vehicle infrastructure during the course of installing, constructing, repairing, or improving battery or fuel cell electric vehicle infrastructure; and

(d) Zero emissions buses.

(2) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Battery charging station" means an electrical component assembly or cluster of component assemblies designed specifically to charge batteries within electric vehicles, which meet or exceed any standards, codes, and regulations set forth by chapter 19.28 RCW and consistent with rules adopted under RCW 19.27.540.

crops raised on land cleared from old growth or first growth forests; or (ix) biomass energy.

(g) "Zero emissions bus" means a bus that emits no exhaust gas from the onboard source of power, other than water vapor.

~~(3) ((On the last day of January, April, July, and October of each year, the state treasurer, based upon information provided by the department, must transfer from the multimodal transportation account to the general fund a sum equal to the dollar amount that would otherwise have been deposited into the general fund during the prior calendar quarter but for the exemption provided in this section. Information provided by the department to the state treasurer must be based on the best available data, except that the department may provide estimates of taxes exempted under this section until such time as retailers are able to report such exempted amounts on their tax returns.~~

~~(4))~~ This section expires July 1, 2025.

Sec. 310. RCW 82.70.040 and 2016 c 32 s 3 are each amended to read as follows:

(1)(a) The department must keep a running total of all credits allowed under RCW 82.70.020 during each fiscal year. The department may not allow any credits that would cause the total amount allowed to exceed ~~((two million seven hundred fifty thousand dollars))~~ \$2,750,000 in any fiscal year.

(b) If the total amount of credit applied for by all applicants in any year exceeds the limit in this subsection, the department must ratably reduce the amount of credit allowed for all applicants so that the limit in this subsection is not exceeded. If a credit is reduced under this subsection, the amount of the reduction may not be carried forward and claimed in subsequent fiscal years.

(2)(a) Tax credits under RCW 82.70.020 may not be claimed in excess of the amount of tax otherwise due under chapter 82.04 or 82.16 RCW.

(b) Through June 30, 2005, a person with taxes equal to or in excess of the credit under RCW 82.70.020, and therefore not subject to the limitation in (a) of this subsection, may elect to defer tax credits for a period of not more than three years after the year in which the

credits accrue. For credits approved by the department through June 30, 2015, the approved credit may be carried forward and used for tax reporting periods through December 31, 2016. Credits approved after June 30, 2015, must be used for tax reporting periods within the calendar year for which they are approved by the department and may not be carried forward to subsequent tax reporting periods. Credits carried forward as authorized by this subsection are subject to the limitation in subsection (1)(a) of this section for the fiscal year for which the credits were originally approved.

(3) No person may be approved for tax credits under RCW 82.70.020 in excess of ~~((one hundred thousand dollars))~~ \$100,000 in any fiscal year. This limitation does not apply to credits carried forward from prior years under subsection (2)(b) of this section.

(4) No person may claim tax credits after June 30, 2024.

~~((5) No person is eligible for tax credits under RCW 82.70.020 if the additional revenues for the multimodal transportation account created by chapter 361, Laws of 2003 are terminated.))~~

Sec. 311. RCW 82.70.050 and 2015 3rd sp.s. c 44 s 415 are each amended to read as follows:

~~((1))~~ The director must on the 25th of February, May, August, and November of each year advise the state treasurer of the amount of credit taken under RCW 82.70.020 during the preceding calendar quarter ending on the last day of December, March, June, and September, respectively.

~~((2) On the last day of March, June, September, and December of each year, the state treasurer, based upon information provided by the department, must deposit to the general fund a sum equal to the dollar amount of the credit provided under RCW 82.70.020 from the multimodal transportation account.~~

~~((3) This section expires January 1, 2025.))~~

Sec. 312. RCW 82.21.030 and 2021 c 333 s 705 are each amended to read as follows:

(1)(a) A tax is imposed on the privilege of possession of hazardous substances in this state. Except as

provided in (b) of this subsection, the rate of the tax is seven-tenths of one percent multiplied by the wholesale value of the substance. Moneys collected under this subsection (1)(a) must be deposited in the model toxics control capital account.

(b) Beginning July 1, 2019, the rate of the tax on petroleum products is one dollar and nine cents per barrel. The tax collected under this subsection (1)(b) on petroleum products must be deposited as follows, after first depositing the tax as provided in (c) of this subsection, except that during the 2021-2023 biennium the deposit as provided in (c) of this subsection may be prorated equally across each month of the biennium:

(i) Sixty percent to the model toxics control operating account created under RCW 70A.305.180;

(ii) Twenty-five percent to the model toxics control capital account created under RCW 70A.305.190; and

(iii) Fifteen percent to the model toxics control stormwater account created under RCW 70A.305.200.

(c) Until the beginning of the ensuing biennium after the enactment of an additive transportation funding act, ~~((fifty million dollars))~~ \$50,000,000 per biennium to the motor vehicle fund to be used exclusively for transportation stormwater activities and projects. For purposes of this subsection, "additive transportation funding act" means an act enacted after June 30, 2023, in which the combined total of new revenues deposited into the motor vehicle fund and the multimodal transportation account exceed ~~((two billion dollars))~~ \$2,000,000,000 per biennium attributable solely to an increase in revenue from the enactment of the act.

(d) The department must compile a list of petroleum products that are not easily measured on a per barrel basis. Petroleum products identified on the list are subject to the rate under (a) of this subsection in lieu of the volumetric rate under (b) of this subsection. The list will be made in a form and manner prescribed by the department and must be made available on the department's internet website. In compiling the list, the department may accept technical assistance from persons that sell, market, or distribute petroleum products and consider any other resource the

department finds useful in compiling the list.

(2) Chapter 82.32 RCW applies to the tax imposed in this chapter. The tax due dates, reporting periods, and return requirements applicable to chapter 82.04 RCW apply equally to the tax imposed in this chapter.

(3) Beginning July 1, 2020, and every July 1st thereafter, the rate specified in subsection (1)(b) of this section must be adjusted to reflect the percentage change in the implicit price deflator for nonresidential structures as published by the United States department of commerce, bureau of economic analysis for the most recent (~~twelve month~~) 12-month period ending December 31st of the prior year.

Part IV

Account Creation, Local Options, and Other Provisions

NEW SECTION. Sec. 401. A new section is added to chapter 46.68 RCW to read as follows:

The move ahead WA account is created in the motor vehicle fund. Moneys in the account may be spent only after appropriation. Expenditures from the account must be used only for projects or improvements identified as move ahead WA projects or improvements in an omnibus transportation appropriations act, including any principal and interest on bonds authorized for the projects or improvements.

NEW SECTION. Sec. 402. A new section is added to chapter 46.68 RCW to read as follows:

The move ahead WA flexible account is created in the state treasury. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for transportation projects, programs, or activities identified as move ahead WA flexible projects, programs, or activities in an omnibus transportation appropriations act.

Sec. 403. RCW 43.84.092 and 2021 c 199 s 504 are each amended to read as follows:

(1) All earnings of investments of surplus balances in the state treasury shall be deposited to the treasury income account, which account is hereby established in the state treasury.

(2) The treasury income account shall be utilized to pay or receive funds associated with federal programs as required by the federal cash management improvement act of 1990. The treasury income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for refunds or allocations of interest earnings required by the cash management improvement act. Refunds of interest to the federal treasury required under the cash management improvement act fall under RCW 43.88.180 and shall not require appropriation. The office of financial management shall determine the amounts due to or from the federal government pursuant to the cash management improvement act. The office of financial management may direct transfers of funds between accounts as deemed necessary to implement the provisions of the cash management improvement act, and this subsection. Refunds or allocations shall occur prior to the distributions of earnings set forth in subsection (4) of this section.

(3) Except for the provisions of RCW 43.84.160, the treasury income account may be utilized for the payment of purchased banking services on behalf of treasury funds including, but not limited to, depository, safekeeping, and disbursement functions for the state treasury and affected state agencies. The treasury income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for payments to financial institutions. Payments shall occur prior to distribution of earnings set forth in subsection (4) of this section.

(4) Monthly, the state treasurer shall distribute the earnings credited to the treasury income account. The state treasurer shall credit the general fund with all the earnings credited to the treasury income account except:

(a) The following accounts and funds shall receive their proportionate share of earnings based upon each account's and fund's average daily balance for the period: The abandoned recreational vehicle disposal account, the aeronautics account, the Alaskan Way viaduct replacement project account, the ambulance transport fund, the brownfield redevelopment trust fund account, the budget stabilization account, the capital vessel replacement account, the capitol building construction account,

(5) In conformance with Article II, section 37 of the state Constitution, no treasury accounts or funds shall be allocated earnings without the specific affirmative directive of this section.

Sec. 405. RCW 82.47.020 and 1991 c 173 s 1 are each amended to read as follows:

(1) The legislative authority of a border area jurisdiction may, by resolution for the purposes authorized in this chapter and by approval of a majority of the registered voters of the jurisdiction voting on the proposition at a general or special election, fix and impose an excise tax on the retail sale of motor vehicle fuel and special fuel within the jurisdiction. An election held under this section must be held not more than ~~((twelve))~~ 12 months before the date on which the proposed tax is to be levied. The ballot setting forth the proposition ~~((shall))~~ must state the tax rate that is proposed. The rate of such tax ~~((shall be in increments of one tenth of a cent per gallon and shall))~~ may not exceed ((one cent)) two cents per gallon for ballot propositions submitted in calendar year 2022. For ballot propositions submitted after calendar year 2022, this two cents per gallon maximum tax rate may be adjusted to reflect the percentage change in the implicit price deflator for personal consumption expenditures for the United States as published by the bureau of economic analysis of the federal department of commerce, for the period of time between calendar year 2022 and when the tax is placed on the ballot for voter approval.

(2) The tax imposed in this section shall be collected and paid to the jurisdiction but once in respect to any motor vehicle fuel or special fuel. This tax shall be in addition to any other tax authorized or imposed by law.

(3) For purposes of this chapter, the term "border area jurisdictions" means all cities and towns within ~~((ten))~~ 10 miles of an international border crossing and any transportation benefit district established under RCW 36.73.020 which has within its boundaries an international border crossing.

Sec. 406. RCW 36.73.065 and 2015 3rd sp.s. c 44 s 309 are each amended to read as follows:

(1) Except as provided in subsection (4) of this section, taxes, fees, charges, and tolls may not be imposed by a district without approval of a majority of the voters in the district voting on a proposition at a general or special election. The proposition must include a specific description of: (a) The transportation improvement or improvements proposed by the district; (b) any rebate program proposed to be established under RCW 36.73.067; and (c) the proposed taxes, fees, charges, and the range of tolls imposed by the district to raise revenue to fund the improvement or improvements or rebate program, as applicable.

(2) Voter approval under this section must be accorded substantial weight regarding the validity of a transportation improvement as defined in RCW 36.73.015.

(3) A district may not increase any taxes, fees, charges, or range of tolls imposed or change a rebate program under this chapter once the taxes, fees, charges, tolls, or rebate program takes effect, except:

(a) If authorized by the district voters pursuant to RCW 36.73.160;

(b) With respect to a change in a rebate program, a material change policy adopted pursuant to RCW 36.73.160 is followed and the change does not reduce the percentage level or rebate amount;

(c) For up to ~~((forty dollars))~~ \$40 of the vehicle fee authorized in RCW 82.80.140 by the governing board of the district if a vehicle fee of ~~((twenty dollars))~~ \$20 has been imposed for at least ~~((twenty four))~~ 24 months; ~~((or))~~

(d) For up to ~~((fifty dollars))~~ \$50 of the vehicle fee authorized in RCW 82.80.140 by the governing board of the district if a vehicle fee of ~~((forty dollars))~~ \$40 has been imposed for at least ~~((twenty four))~~ 24 months and a

district has met the requirements of subsection (6) of this section; or

(e) For up to three-tenths of one percent of the selling price, in the case of a sales tax, or value of the article used, in the case of a use tax, pursuant to the sales and use tax authorized in RCW 82.14.0455.

(4)(a) A district that includes all the territory within the boundaries of the jurisdiction, or jurisdictions, establishing the district may impose by a majority vote of the governing board of the district the following fees, taxes, and charges:

(i) Up to ~~((twenty dollars))~~ \$20 of the vehicle fee authorized in RCW 82.80.140;

(ii) Up to ~~((forty dollars))~~ \$40 of the vehicle fee authorized in RCW 82.80.140 if a vehicle fee of ~~((twenty dollars))~~ \$20 has been imposed for at least ~~((twenty four))~~ 24 months;

(iii) Up to ~~((fifty dollars))~~ \$50 of the vehicle fee authorized in RCW 82.80.140 if a vehicle fee of forty dollars has been imposed for at least ~~((twenty four))~~ 24 months and a district has met the requirements of subsection (6) of this section; ~~((or))~~

(iv) A fee or charge in accordance with RCW 36.73.120; or

(v) Up to one-tenth of one percent of the sales and use tax in accordance with RCW 82.14.0455.

(b) The vehicle fee authorized in (a) of this subsection may only be imposed for a passenger-only ferry transportation improvement if the vehicle fee is first approved by a majority of the voters within the jurisdiction of the district.

(c)(i) A district solely comprised of a city or cities may not impose the fees or charges identified in (a) of this subsection within ~~((one hundred eighty))~~ 180 days after July 22, 2007, unless the county in which the city or cities reside, by resolution, declares that it will not impose the fees or charges identified in (a) of this subsection within the ~~((one hundred eighty day))~~ 180-day period; or

(ii) A district solely comprised of a city or cities identified in RCW 36.73.020(6)(b) may not impose the fees or charges until after May 22, 2008,

unless the county in which the city or cities reside, by resolution, declares that it will not impose the fees or charges identified in (a) of this subsection through May 22, 2008.

(5) If the interlocal agreement in RCW 82.80.140(2)(a) cannot be reached, a district that includes only the unincorporated territory of a county may impose by a majority vote of the governing body of the district up to: (a) (~~Twenty dollars~~) \$20 of the vehicle fee authorized in RCW 82.80.140, (b) (~~forty dollars~~) \$40 of the vehicle fee authorized in RCW 82.80.140 if a fee of (~~twenty dollars~~) \$20 has been imposed for at least (~~twenty four~~) 24 months, or (c) (~~fifty dollars~~) \$50 of the vehicle fee authorized in RCW 82.80.140 if a vehicle fee of (~~forty dollars~~) \$40 has been imposed for at least (~~twenty four~~) 24 months and a district has met the requirements of subsection (6) of this section.

(6) If a district intends to impose a vehicle fee of more than (~~forty dollars~~) \$40 by a majority vote of the governing body of the district, the governing body must publish notice of this intention, in one or more newspapers of general circulation within the district, by April 1st of the year in which the vehicle fee is to be imposed. If within (~~ninety~~) 90 days of the date of publication a petition is filed with the county auditor containing the signatures of eight percent of the number of voters registered and voting in the district for the office of the governor at the last preceding gubernatorial election, the county auditor must canvass the signatures in the same manner as prescribed in RCW 29A.72.230 and certify their sufficiency to the governing body within two weeks. The proposition to impose the vehicle fee must then be submitted to the voters of the district at a special election, called for this purpose, no later than the date on which a primary election would be held under RCW 29A.04.311. The vehicle fee may then be imposed only if approved by a majority of the voters of the district voting on the proposition.

Sec. 407. RCW 82.14.0455 and 2010 c 105 s 3 are each amended to read as follows:

(1) Subject to the provisions in RCW 36.73.065, a transportation benefit district under chapter 36.73 RCW may fix and impose a sales and use tax in

accordance with the terms of this chapter. The tax authorized in this section is in addition to any other taxes authorized by law and shall be collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the boundaries of the district. The rate of tax shall not exceed (~~two-tenths~~) three-tenths of one percent of the selling price in the case of a sales tax, or value of the article used, in the case of a use tax. Except as provided in subsection (2) of this section, the tax may not be imposed for a period exceeding (~~ten~~) 10 years. This tax, if not imposed under the conditions of subsection (2) of this section, may be extended for a period not exceeding (~~ten~~) 10 years with an affirmative vote of the voters voting at the election or a majority vote of the governing board of the district. The governing board of the district may only fix, impose, or extend a sales and use tax of up to one-tenth of one percent of the selling price in the case of a sales tax, or value of the article used, in the case of a use tax.

(2) The voter-approved sales tax initially imposed under this section after July 1, 2010, may be imposed for a period exceeding (~~ten~~) 10 years if the moneys received under this section are dedicated for the repayment of indebtedness incurred in accordance with the requirements of chapter 36.73 RCW.

(3) Money received from the tax imposed under this section must be spent in accordance with the requirements of chapter 36.73 RCW.

NEW SECTION. Sec. 408. A new section is added to chapter 70A.535 RCW to read as follows:

(1) The department shall adopt rules that establish standards that reduce carbon intensity in transportation fuels used in Washington. The standards established by the rules must be based on the carbon intensity of gasoline and gasoline substitutes and the carbon intensity of diesel and diesel substitutes. The standards:

(a) Must reduce the overall, aggregate carbon intensity of transportation fuels used in Washington;

(b) May only require carbon intensity reductions at the aggregate level of all transportation fuels and may not require a reduction in carbon intensity to be

achieved by any individual type of transportation fuel;

(c) Must assign a compliance obligation to fuels whose carbon intensity exceeds the standards adopted by the department, consistent with the requirements of RCW 70A.535.030; and

(d) Must assign credits that can be used to satisfy or offset compliance obligations to fuels whose carbon intensity is below the standards adopted by the department and that elect to participate in the program, consistent with the requirements of RCW 70A.535.030.

(2) The clean fuels program adopted by the department must be designed such that:

(a) Regulated parties generate deficits and may reconcile the deficits, and thus comply with the clean fuels program standards for a compliance period, by obtaining and retiring credits;

(b) Regulated parties and credit generators may generate credits for fuels used as substitutes or alternatives for gasoline or diesel;

(c) Regulated parties, credit generators, and credit aggregators shall have opportunities to trade credits; and

(d) Regulated parties shall be allowed to carry over to the next compliance period a small deficit without penalty.

(3) The department shall, throughout a compliance period, regularly monitor the availability of fuels needed for compliance with the clean fuels program.

(4)(a) Under the clean fuels program, the department shall monthly calculate the volume-weighted average price of credits and, no later than the last day of the month immediately following the month for which the calculation is completed, post the formula and the nonaggregated data the department used for the calculation and the results of the calculation on the department's website.

(b) In completing the calculation required by this subsection, the department may exclude from the data set credit transfers without a price or other credit transfers made for a price that falls two standard deviations outside of the mean credit price for the month. Data posted on the department's website under this section may not include any

individually identifiable information or information that would constitute a trade secret.

(5)(a) Except as provided in this section, the rules adopted under this section must reduce the greenhouse gas emissions attributable to each unit of the fuels to 20 percent below 2017 levels by 2038 based on the following schedule:

(i) No more than 0.5 percent each year in 2023 and 2024;

(ii) No more than an additional one percent each year beginning in 2025 through 2027;

(iii) No more than an additional 1.5 percent each year beginning in 2028 through 2031; and

(iv) No change in 2032 and 2033.

(b) The rules must establish a start date for the clean fuels program of no later than January 1, 2023.

(6) Beginning with the program year beginning in calendar year 2028, the department may not increase the carbon intensity reductions required by the applicable clean fuels program standard adopted by the department under subsection (5) of this section beyond a 10 percent reduction in carbon intensity until the department demonstrates that the following have occurred:

(a) At least a 15 percent net increase in the volume of in-state liquid biofuel production and the use of feedstocks grown or produced within the state relative to the start of the program; and

(b) At least one new or expanded biofuel production facility representing an increase in production capacity or producing, in total, in excess of 60,000,000 gallons of biofuels per year has or have received after July 1, 2021, all necessary siting, operating, and environmental permits post all timely and applicable appeals. As part of the threshold of 60,000,000 gallons of biofuel under this subsection, at least one new facility producing at least 10,000,000 gallons per year must have received all necessary siting, operating, and environmental permits. Timely and applicable appeals must be determined by the attorney general's office.

(7) Beginning with the program year beginning in calendar year 2031, the department may not increase the carbon

intensity reductions required by the applicable clean fuels program standard adopted by the department under subsection (5) of this section beyond a 10 percent reduction in carbon intensity until the:

(a) Joint legislative audit and review committee report required in RCW 70A.535.140 has been completed; and

(b) 2033 regular legislative session has adjourned, in order to allow an opportunity for the legislature to amend the requirements of this chapter in light of the report required in (a) of this subsection.

(8) Transportation fuels exported from Washington are not subject to the greenhouse gas emissions reduction requirements in this section.

(9) To the extent the requirements of this chapter conflict with the requirements of chapter 19.112 RCW, the requirements of this chapter prevail.

Sec. 409. RCW 70A.535.010 and 2021 c 317 s 2 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly indicates otherwise.

(1) "Carbon dioxide equivalents" has the same meaning as defined in RCW 70A.45.010.

(2) "Carbon intensity" means the quantity of life-cycle greenhouse gas emissions, per unit of fuel energy, expressed in grams of carbon dioxide equivalent per megajoule (gCO₂e/MJ).

(3) "Clean fuels program" means the requirements established under this chapter.

(4) "Cost" means an expense connected to the manufacture, distribution, or other aspects of the provision of a transportation fuel product.

(5) "Credit" means a unit of measure generated when a transportation fuel with a carbon intensity that is less than the applicable standard adopted by the department under ~~((RCW 70A.535.020))~~ section 408 of this act is produced, imported, or dispensed for use in Washington, such that one credit is equal to one metric ton of carbon dioxide equivalents. A credit may also be generated through other activities consistent with this chapter.

(6) "Deficit" means a unit of measure generated when a transportation fuel with a carbon intensity that is greater than the applicable standard adopted by the department under ~~((RCW 70A.535.020))~~ section 408 of this act is produced, imported, or dispensed for use in Washington, such that one deficit is equal to one metric ton of carbon dioxide equivalents.

(7) "Department" means the department of ecology.

(8) "Electric utility" means a consumer-owned utility or investor-owned utility, as those terms are defined in RCW 19.29A.010.

(9) "Greenhouse gas" has the same meaning as defined in RCW 70A.45.010.

(10) "Military tactical vehicle" means a motor vehicle owned by the United States department of defense or the United States military services and that is used in combat, combat support, combat service support, tactical or relief operations, or training for such operations.

(11) "Motor vehicle" has the same meaning as defined in RCW 46.04.320.

(12) "Price" means the amount of payment or compensation provided as consideration for a specified quantity of transportation fuel by a consumer or end user of the transportation fuel.

(13) "Regulated party" means a producer or importer of any amount of a transportation fuel that is ineligible to generate credits under this chapter.

(14)(a) "Tactical support equipment" means equipment using a portable engine, including turbines, that meets military specifications, owned by the United States military services or its allies, and that is used in combat, combat support, combat service support, tactical or relief operations, or training for such operations.

(b) "Tactical support equipment" includes, but is not limited to, engines associated with portable generators, aircraft start carts, heaters, and lighting carts.

(15) "Transportation fuel" means electricity and any liquid or gaseous fuel sold, supplied, offered for sale, or used for the propulsion of a motor vehicle or that is intended for use for transportation purposes.

Sec. 410. RCW 70A.535.030 and 2021 c 317 s 4 are each amended to read as follows:

The rules adopted by the department to achieve the greenhouse gas emissions reductions per unit of fuel energy specified in (~~RCW 70A.535.020~~) section 408 of this act must include, but are not limited to, the following:

(1) Standards for greenhouse gas emissions attributable to the transportation fuels throughout their life cycles, including but not limited to emissions from the production, storage, transportation, and combustion of transportation fuels and from changes in land use associated with transportation fuels and any permanent greenhouse gas sequestration activities.

(a) The rules adopted by the department under this subsection (1) may:

(i) Include provisions to address the efficiency of a fuel as used in a powertrain as compared to a reference fuel;

(ii) Consider carbon intensity calculations for transportation fuels developed by national laboratories or used by similar programs in other states; and

(iii) Consider changes in land use and any permanent greenhouse gas sequestration activities associated with the production of any type of transportation fuel.

(b) The rules adopted by the department under this subsection (1) must:

(i) Neutrally consider the life-cycle emissions associated with transportation fuels with respect to the political jurisdiction in which the fuels originated and may not discriminate against fuels on the basis of having originated in another state or jurisdiction. Nothing in this subsection may be construed to prohibit inclusion or assessment of emissions related to fuel production, storage, transportation, or combustion or associated changes in land use in determining the carbon intensity of a fuel;

(ii) Measure greenhouse gas emissions associated with electricity and hydrogen based on a mix of generation resources specific to each electric utility participating in the clean fuels program. The department may apply an asset-

controlling supplier emission factor certified or approved by a similar program to reduce the greenhouse gas emissions associated with transportation fuels in another state;

(iii) Include mechanisms for certifying electricity that has a carbon intensity of zero. This electricity must include, at minimum, electricity:

(A) For which a renewable energy credit or other environmental attribute has been retired or used; and

(B) Produced using a zero emission resource including, but not limited to, solar, wind, geothermal, or the industrial combustion of biomass consistent with RCW 70A.45.020(3), that is directly supplied as a transportation fuel by the generator of the electricity to a metered customer for electric vehicle charging or refueling;

(iv) Allow the generation of credits associated with electricity with a carbon intensity lower than that of standard adopted by the department. The department may not require electricity to have a carbon intensity of zero in order to be eligible to generate credits from use as a transportation fuel; and

(v) Include procedures for setting and adjusting the amounts of greenhouse gas emissions per unit of fuel energy that is assigned to transportation fuels under this subsection.

(c) If the department determines that it is necessary for purposes of accurately measuring greenhouse gas emissions associated with transportation fuels, the department may require transportation fuel suppliers to submit data or information to be used for purposes of calculating greenhouse gas emissions that is different from or additional to the greenhouse gas emissions data reported under RCW 70A.15.2200(5)(a)(iii).

(d) If the department determines that it is necessary for purposes of accurately measuring greenhouse gas emissions associated with electricity supplied to retail customers or hydrogen production facilities by an electric utility, the department may require electric utilities participating in the clean fuels program to submit data or information to be used for purposes of calculating greenhouse gas emissions that is different from or additional to the fuel mix disclosure information

submitted under chapter 19.29A RCW. To the extent practicable, rules adopted by the department may allow data requested of utilities to be submitted in a form and manner consistent with other required state or federal data submissions;

(2) Provisions allowing for the achievement of limits on the greenhouse gas emissions intensity of transportation fuels in (~~RCW 70A.535.020~~) section 408 of this act to be achieved by any combination of credit generating activities capable of meeting such standards. Where such provisions would not produce results counter to the emission reduction goals of the program or prove administratively burdensome for the department, the rules should provide each participant in the clean fuels program with the opportunity to demonstrate appropriate carbon intensity values taking into account both emissions from production facilities and elsewhere in the production cycle, including changes in land use and permanent greenhouse gas sequestration activities;

(3)(a) Methods for assigning compliance obligations and methods for tracking tradable credits. The department may assign the generation of a credit when a fuel with associated life-cycle greenhouse gas emissions that are lower than the applicable per-unit standard adopted by the department under (~~RCW 70A.535.020~~) section 408 of this act is produced, imported, or dispensed for use in Washington, or when specified activities are undertaken that support the reduction of greenhouse gas emissions associated with transportation in Washington;

(b) Mechanisms that allow credits to be traded and to be banked for future compliance periods; and

(c) Procedures for verifying the validity of credits and deficits generated under the clean fuels program;

(4) Mechanisms to elect to participate in the clean fuels program for persons associated with the supply chains of transportation fuels that are eligible to generate credits consistent with subsection (3) of this section, including producers, importers, distributors, users, or retailers of such fuels, and electric vehicle manufacturers;

(5) Mechanisms for persons associated with the supply chains of transportation fuels that are used for purposes that are exempt from the clean fuels program

compliance obligations including, but not limited to, fuels used by aircraft, vessels, railroad locomotives, and other exempt fuels specified in RCW 70A.535.040, to elect to participate in the clean fuels program by earning credits for the production, import, distribution, use, or retail of exempt fuels with associated life-cycle greenhouse gas emissions lower than the per-unit standard established in (~~RCW 70A.535.020~~) section 408 of this act;

(6) Mechanisms that allow for the assignment of credits to an electric utility for electricity used within its utility service area, at minimum, for residential electric vehicle charging or fueling;

(7) Cost containment mechanisms.

(a) Cost containment mechanisms must include the credit clearance market specified in subsection (8) of this section and may also include, but are not limited to:

(i) Procedures similar to the credit clearance market required in subsection (8) of this section that provide a means of compliance with the clean fuels program requirements in the event that a regulated person has not been able to acquire sufficient volumes of credits at the end of a compliance period; or

(ii) Similar procedures that ensure that credit prices do not significantly exceed credit prices in other jurisdictions that have adopted similar programs to reduce the carbon intensity of transportation fuels.

(b) Any cost containment mechanisms must be designed to provide financial disincentive for regulated persons to rely on the cost containment mechanism for purposes of program compliance instead of seeking to generate or acquire sufficient credits under the program.

(c) The department shall harmonize the program's cost containment mechanisms with the cost containment rules in the states specified in RCW 70A.535.060(1).

(d) The department shall consider mechanisms such as the establishment of a credit price cap or other alternative cost containment measures if deemed necessary to harmonize market credit costs with those in the states specified in RCW 70A.535.060(1);

(8)(a)(i) A credit clearance market for any compliance period in which at

least one regulated party reports that the regulated party has a net deficit balance at the end of the compliance period, after retirement of all credits held by the regulated party, that is greater than a small deficit. A regulated party described by this subsection is required to participate in the credit clearance market.

(ii) If a regulated party has a small deficit at the end of a compliance period, the regulated party shall notify the department that it will achieve compliance with the clean fuels program during the compliance period by either: (A) Participating in a credit clearance market; or (B) carrying forward the small deficit.

(b) For the purposes of administering a credit clearance market required by this section, the department shall:

(i) Allow any regulated party, credit generator, or credit aggregator that holds excess credits at the end of the compliance period to voluntarily participate in the credit clearance market as a seller by pledging a specified number of credits for sale in the market;

(ii) Require each regulated party participating in the credit clearance market as purchaser of credits to:

(A) Have retired all credits in the regulated party's possession prior to participating in the credit clearance market; and

(B) Purchase the specified number of the total pledged credits that the department has determined are that regulated party's pro rata share of the pledged credits;

(iii) Require all sellers to:

(A) Agree to sell pledged credits at a price no higher than a maximum price for credits;

(B) Accept all offers to purchase pledged credits at the maximum price for credits; and

(C) Agree to withhold any pledged credits from sale in any transaction outside of the credit clearance market until the end of the credit clearance market, or if no credit clearance market is held in a given year, then until the date on which the department announces it will not be held.

(c)(i) The department shall set a maximum price for credits in a credit clearance market, consistent with states that have adopted similar clean fuels programs, not to exceed \$200 in 2018 dollars for 2023.

(ii) For 2024 and subsequent years, the maximum price may exceed \$200 in 2018 dollars, but only to the extent that a greater maximum price for credits is necessary to annually adjust for inflation, beginning on January 1, 2024, pursuant to the increase, if any, from the preceding calendar year in the consumer price index for all urban consumers, west region (all items), as published by the bureau of labor statistics of the United States department of labor.

(d) A regulated party that has a net deficit balance after the close of a credit clearance market:

(i) Must carry over the remaining deficits into the next compliance period; and

(ii) May not be subject to interest greater than five percent, penalties, or assertions of noncompliance that accrue based on the carryover of deficits under this subsection.

(e) If a regulated party has been required under (a) of this subsection to participate as a purchaser in two consecutive credit clearance markets and continues to have a net deficit balance after the close of the second consecutive credit clearance market, the department shall complete, no later than two months after the close of the second credit clearance market, an analysis of the root cause of an inability of the regulated party to retire the remaining deficits. The department may recommend and implement any remedy that the department determines is necessary to address the root cause identified in the analysis including, but not limited to, issuing a deferral, provided that the remedy implemented does not:

(i) Require a regulated party to purchase credits for an amount that exceeds the maximum price for credits in the most recent credit clearance market; or

(ii) Compel a person to sell credits.

(f) If credits sold in a credit clearance market are subsequently invalidated as a result of fraud or any

other form of noncompliance on the part of the generator of the credit, the department may not pursue civil penalties against, or require credit replacement by, the regulated party that purchased the credits unless the regulated party was a party to the fraud or other form of noncompliance.

(g) The department may not disclose the deficit balances or pro rata share purchase requirements of a regulated party that participates in the credit clearance market;

(9) Authority for the department to designate an entity to aggregate and use unclaimed credits associated with persons that elect not to participate in the clean fuels program under subsection (4) of this section.

Sec. 411. RCW 70A.535.040 and 2021 c 317 s 5 are each amended to read as follows:

(1) The rules adopted under RCW (~~70A.535.020 and~~) 70A.535.030 and section 408 of this act must include exemptions for, at minimum, the following transportation fuels:

(a) Fuels used in volumes below thresholds adopted by the department;

(b) Fuels used for the propulsion of all aircraft, vessels, and railroad locomotives; and

(c) Fuels used for the operation of military tactical vehicles and tactical support equipment.

(2)(a) The rules adopted under RCW (~~70A.535.020 and~~) 70A.535.030 and section 408 of this act must exempt the following transportation fuels from greenhouse gas emissions intensity reduction requirements until January 1, 2028:

(i) Special fuel used off-road in vehicles used primarily to transport logs;

(ii) Dyed special fuel used in vehicles that are not designed primarily to transport persons or property, that are not designed to be primarily operated on highways, and that are used primarily for construction work including, but not limited to, mining and timber harvest operations; and

(iii) Dyed special fuel used for agricultural purposes exempt from chapter 82.38 RCW.

(b) Prior to January 1, 2028, fuels identified in this subsection (2) are eligible to generate credits, consistent with subsection (5) of this section. Beginning January 1, 2028, the fuels identified in this subsection (2) are subject to the greenhouse gas emissions intensity reduction requirements applicable to transportation fuels specified in (~~RCW 70A.535.020~~) section 408 of this act.

(3) The department may adopt rules to specify the standards for persons to qualify for the exemptions provided in this section. The department may implement the exemptions under subsection (2) of this section to align with the implementation of exemptions for similar fuels exempt from chapter 82.38 RCW.

(4) The rules adopted under RCW (~~70A.535.020 and~~) 70A.535.030 and section 408 of this act may include exemptions in addition to those described in subsections (1) and (2) of this section, but only if such exemptions are necessary, with respect to the relationship between the program and similar greenhouse gas emissions requirements or low carbon fuel standards, in order to avoid:

(a) Mismatched incentives across programs;

(b) Fuel shifting between markets; or

(c) Other results that are counter to the intent of this chapter.

(5) Nothing in this chapter precludes the department from adopting rules under RCW (~~70A.535.020 and~~) 70A.535.030 and section 408 of this act that allow the generation of credits associated with electric or alternative transportation infrastructure that existed prior to July 25, 2021, or to the start date of program requirements. The department must apply the same baseline years to credits associated with electric or alternative transportation infrastructure that apply to gasoline and diesel liquid fuels in any market-based program enacted by the legislature that establishes a cap on greenhouse gas emissions.

Sec. 412. RCW 70A.535.050 and 2021 c 317 s 6 are each amended to read as follows:

(1) The rules adopted under RCW (~~70A.535.020 and~~) 70A.535.030 and section 408 of this act may allow the

generation of credits from activities that support the reduction of greenhouse gas emissions associated with transportation in Washington, including but not limited to:

(a) Carbon capture and sequestration projects, including but not limited to:

(i) Innovative crude oil production projects that include carbon capture and sequestration;

(ii) Project-based refinery greenhouse gas mitigation including, but not limited to, process improvements, renewable hydrogen use, and carbon capture and sequestration; or

(iii) Direct air capture projects;

(b) Investments and activities that support deployment of machinery and equipment used to produce gaseous and liquid fuels from nonfossil feedstocks, and derivatives thereof;

(c) The fueling of battery or fuel cell electric vehicles by a commercial, nonprofit, or public entity that is not an electric utility, which may include, but is not limited to, the fueling of vehicles using electricity certified by the department to have a carbon intensity of zero; and

(d) The use of smart vehicle charging technology that results in the fueling of an electric vehicle during times when the carbon intensity of grid electricity is comparatively low.

(2)(a) The rules adopted under RCW (~~70A.535.020~~ and) 70A.535.030 and section 408 of this act must allow the generation of credits based on capacity for zero emission vehicle refueling infrastructure, including DC fast charging infrastructure and hydrogen refueling infrastructure.

(b) The rules adopted under RCW (~~70A.535.020~~ and) 70A.535.030 and section 408 of this act may allow the generation of credits from the provision of low carbon fuel infrastructure not specified in (a) of this subsection.

(3) The rules adopted under RCW (~~70A.535.020~~ and) 70A.535.030 and section 408 of this act must allow the generation of credits from state transportation investments funded in an omnibus transportation appropriations act for activities and projects that reduce greenhouse gas emissions and decarbonize the transportation sector.

These include, but are not limited to: (a) Electrical grid and hydrogen fueling infrastructure investments; (b) ferry operating and capital investments; (c) electrification of the state ferry fleet; (d) alternative fuel vehicle rebate programs; (e) transit grants; (f) infrastructure and other costs associated with the adoption of alternative fuel use by transit agencies; (g) bike and pedestrian grant programs and other activities; (h) complete streets and safe walking grants and allocations; (i) rail funding; and (j) multimodal investments.

(4) The rules adopted by the department may establish limits for the number of credits that may be earned each year by persons participating in the program for some or all of the activities specified in subsections (1) and (2) of this section. The department must limit the number of credits that may be earned each year under subsection (3) of this section to 10 percent of the total program credits. Any limits established under this subsection must take into consideration the return on investment required in order for an activity specified in subsection (2) of this section to be financially viable.

Sec. 413. RCW 70A.535.120 and 2021 c 317 s 13 are each amended to read as follows:

(1) The director of the department may issue an order declaring an emergency deferral of compliance with the carbon intensity standard established under (~~RCW 70A.535.020~~) section 408 of this act no later than 15 calendar days after the date the department determines, in consultation with the governor's office and the department of commerce, that:

(a) Extreme and unusual circumstances exist that prevent the distribution of an adequate supply of renewable fuels needed for regulated parties to comply with the clean fuels program taking into consideration all available methods of obtaining sufficient credits to comply with the standard;

(b) The extreme and unusual circumstances are the result of a natural disaster, an act of God, a significant supply chain disruption or production facility equipment failure, or another event that could not reasonably have been foreseen or prevented and not the lack of prudent planning on the part of the suppliers of the fuels to the state; and

(c) It is in the public interest to grant the deferral such as when a deferral is necessary to meet projected temporary shortfalls in the supply of the renewable fuel in the state and that other methods of obtaining compliance credits are unavailable to compensate for the shortage of renewable fuel supply.

(2) If the director of the department makes the determination required under subsection (1) of this section, such a temporary extreme and unusual deferral is permitted only if:

(a) The deferral applies only for the shortest time necessary to address the extreme and unusual circumstances;

(b) The deferral is effective for the shortest practicable time period the director of the department determines necessary to permit the correction of the extreme and unusual circumstances; and

(c) The director has given public notice of a proposed deferral.

(3) An order declaring an emergency deferral under this section must set forth:

(a) The duration of the emergency deferral;

(b) The types of fuel to which the emergency deferral applies;

(c) Which of the following methods the department has selected for deferring compliance with the clean fuels program during the emergency deferral:

(i) Temporarily adjusting the scheduled applicable carbon intensity standard to a standard identified in the order that better reflects the availability of credits during the emergency deferral and requiring regulated parties to comply with the temporary standard;

(ii) Allowing for the carryover of deficits accrued during the emergency deferral into the next compliance period without penalty; or

(iii) Suspending deficit accrual during the emergency deferral period.

(4) An emergency deferral may be terminated prior to the expiration date of the emergency deferral if new information becomes available indicating that the shortage that provided the basis for the emergency deferral has ended. The director of the department shall consult with the department of commerce and the

governor's office in making an early termination decision. Termination of an emergency deferral is effective 15 calendar days after the date that the order declaring the termination is adopted.

(5)(a) In addition to the emergency deferral specified in subsection (1) of this section, the department may issue a full or partial deferral for one calendar quarter of a person's obligation to furnish credits for compliance under RCW 70A.535.030 if it finds that the person is unable to comply with the requirements of this chapter due to reasons beyond the person's reasonable control. The department may initiate a deferral under this subsection at its own discretion or at the request of a person regulated under this chapter. The department may renew issued deferrals. In evaluating whether to issue a deferral under this subsection, the department may consider the results of the fuel supply forecast in RCW 70A.535.100, but is not bound in its decision-making discretion by the results of the forecast.

(b) If the department issues a deferral pursuant to this subsection, the department may:

(i) Direct the person subject to the deferral to file a progress report on achieving full compliance with the requirements of this chapter within an amount of time determined to be reasonable by the department; and

(ii) Direct the person to take specific actions to achieve full compliance with the requirements of this chapter.

(c) The issuance of a deferral under this subsection does not permanently relieve the deferral recipient of the obligation to comply with the requirements of this chapter.

NEW SECTION. Sec. 414. RCW 70A.535.020 (Carbon intensity of transportation fuels—Standards to reduce carbon intensity—Adoption of rules) and 2021 c 317 s 3 are each repealed.

NEW SECTION. Sec. 415. (1) A target is established for the state that all publicly owned and privately owned passenger and light duty vehicles of model year 2030 or later that are sold, purchased, or registered in Washington state be electric vehicles.

(2) On or before December 31, 2023, the interagency electric vehicle coordinating council created in section 428 of this act shall complete a scoping plan for achieving the 2030 target.

NEW SECTION. Sec. 416. A new section is added to chapter 47.66 RCW to read as follows:

(1) The department shall establish a bus and bus facilities grant program. The purpose of this competitive grant program is to provide grants to any transit authority for the replacement, expansion, rehabilitation, and purchase of transit rolling stock; construction, modification, or rehabilitation of transit facilities; and funding to adapt to technological change or innovation through the retrofitting of transit rolling stock and facilities.

(2)(a) The department must incorporate environmental justice principles into the grant selection process, with the goal of increasing the distribution of funding to communities based on addressing environmental harms and provide environmental benefits for overburdened communities, as defined in RCW 70A.02.010, and vulnerable populations.

(b) The department must incorporate geographic diversity into the grant selection process.

(c) No grantee may receive more than 35 percent of the amount appropriated for the grant program in a particular biennium.

(d) Fuel type may not be a factor in the grant selection process.

(3) The department must establish an advisory committee to carry out the mandates of this section, including assisting with the establishment of grant criteria.

(4) The department must report annually to the transportation committees of the legislature on the status of any grant projects funded by the program created under this section.

(5) For the purposes of this section:

(a) "Transit authority" means a city transit system under RCW 35.58.2721 or chapter 35.95A RCW, a county public transportation authority under chapter 36.57 RCW, a metropolitan municipal corporation transit system under chapter 36.56 RCW, a public transportation

benefit area under chapter 36.57A RCW, an unincorporated transportation benefit area under RCW 36.57.100, or any special purpose district formed to operate a public transportation system.

(b) "Transit rolling stock" means transit vehicles including, but not limited to, buses, ferries, and vans.

NEW SECTION. Sec. 417. A new section is added to chapter 47.04 RCW to read as follows:

(1) The legislature finds that many communities across Washington state have not equitably benefited from investments in the active transportation network. The legislature also finds that legacy state transportation facilities designed primarily for vehicle use caused disconnections in safe routes for people who walk, bike, and roll to work and to carry out other daily activities.

(2) To address these investment gaps, the connecting communities program is established within the department. The purpose of the program is to improve active transportation connectivity in communities by:

(a) Providing safe, continuous routes for pedestrians, bicyclists, and other nonvehicle users carrying out their daily activities;

(b) Mitigating for the health, safety, and access impacts of transportation infrastructure that bisects communities and creates obstacles in the local active transportation network;

(c) Investing in greenways providing protected routes for a wide variety of nonvehicular users; and

(d) Facilitating the planning, development, and implementation of projects and activities that will improve the connectivity and safety of the active transportation network.

(3) The department must select projects to propose to the legislature for funding. In selecting projects, the department must consider, at a minimum, the following criteria:

(a) Access to a transit facility, community facility, commercial center, or community-identified assets;

(b) The use of minority and women-owned businesses and community-based organizations in planning, community engagement, design, and construction of the project;

(c) Whether the project will serve:

(i) Overburdened communities as defined in RCW 70A.02.010 to mean a geographic area where vulnerable populations face combined, multiple environmental harms and health impacts, and includes, but is not limited to, highly impacted communities as defined in RCW 19.405.020;

(ii) Vulnerable populations as defined in RCW 70A.02.010 to mean population groups that are more likely to be at higher risk for poor health outcomes in response to environmental harms, due to adverse socioeconomic factors, such as unemployment, high housing, and transportation costs relative to income, limited access to nutritious food and adequate health care, linguistic isolation, and other factors that negatively affect health outcomes and increase vulnerability to the effects of environmental harms; and sensitivity factors, such as low birth weight and higher rates of hospitalization. Vulnerable populations include, but are not limited to: Racial or ethnic minorities, low-income populations, populations disproportionately impacted by environmental harms, and populations of workers experiencing environmental harms;

(iii) Household incomes at or below 200 percent of the federal poverty level; and

(iv) People with disabilities;

(d) Environmental health disparities, such as those indicated by the diesel pollution burden portion of the Washington environmental health disparities map developed by the department of health, or other similar indicators;

(e) Location on or adjacent to tribal lands or locations providing essential services to tribal members;

(f) Crash experience involving pedestrians and bicyclists; and

(g) Identified need by the community, for example in the state active transportation plan or a regional, county, or community plan.

(4) It is the intent of the legislature that the connecting communities program comply with the requirements of chapter 314, Laws of 2021.

(5) The department shall submit a report to the transportation committees of the legislature by December 1, 2022, and each December 1st thereafter identifying the selected connecting communities projects for funding by the legislature. The report must also include the status of previously funded projects.

(6) This section expires July 1, 2027.

NEW SECTION. Sec. 418. A new section is added to chapter 47.24 RCW to read as follows:

(1) In order to improve the safety, mobility, and accessibility of state highways, it is the intent of the legislature that the department must incorporate the principles of complete streets with facilities that provide street access with all users in mind, including pedestrians, bicyclists, and public transportation users, notwithstanding the provisions of RCW 47.24.020 concerning responsibility beyond the curb of state rights-of-way. As such, state transportation projects starting design on or after July 1, 2022, and that are \$500,000 or more, must:

(a) Identify those locations on state rights-of-way that do not have a complete and Americans with disabilities act accessible sidewalk or shared-use path, that do not have bicycle facilities in the form of a bike lane or adjacent parallel trail or shared-use path, that have such facilities on a state route within a population center that has a posted speed in excess of 30 miles per hour and no buffer or physical separation from vehicular traffic for pedestrians and bicyclists, and/or that have a design that hampers the ability of motorists to see a crossing pedestrian with sufficient time to stop given posted speed limits and roadway configuration;

(b) Consult with local jurisdictions to confirm existing and planned active transportation connections along or across the location; identification of connections to existing and planned public transportation services, ferry landings, commuter and passenger rail, and airports; the existing and planned facility type(s) within the local jurisdiction that connect to the location; and the potential use of speed management techniques to minimize crash exposure and severity;

(c) Adjust the speed limit to a lower speed with appropriate modifications to roadway design and operations to achieve

the desired operating speed in those locations where this speed management approach aligns with local plans or ordinances, particularly in those contexts that present a higher possibility of serious injury or fatal crashes occurring based on land use context, observed crash data, crash potential, roadway characteristics that are likely to increase exposure, or a combination thereof, in keeping with a safe system approach and with the intention of ultimately eliminating serious and fatal crashes; and

(d) Plan, design, and construct facilities providing context-sensitive solutions that contribute to network connectivity and safety for pedestrians, bicyclists, and people accessing public transportation and other modal connections, such facilities to include Americans with disabilities act accessible sidewalks or shared-use paths, bicyclist facilities, and crossings as needed to integrate the state route into the local network.

(2) Projects undertaken for emergent work required to reopen a state highway in the event of a natural disaster or other emergency repair are not required to comply with the provisions of this section.

(3) Maintenance of facilities constructed under this provision shall be as provided under existing law.

(4) This section does not create a private right of action.

NEW SECTION. Sec. 419. A new section is added to chapter 47.04 RCW to read as follows:

(1) The department shall establish a statewide school-based bicycle education grant program. The grant will support two programs: One for elementary and middle school; and one for junior high and high school aged youth to develop the skills and street safety knowledge to be more confident bicyclists for transportation and/or recreation. In development of the grant program, the department is encouraged to consult with the environmental justice council and the office of equity.

(2)(a) For the elementary and middle school program, the department shall contract with a nonprofit organization with relevant reach and experience, including a statewide footprint and demonstrable experience deploying

bicycling and road safety education curriculum via a train the trainer model in schools. The selected nonprofit shall identify partner schools that serve target populations, based on the criteria in subsection (3) of this section. Partner schools shall receive from the nonprofit: In-school bike and pedestrian safety education curriculum, materials, equipment guidance and consultation, and physical education teacher trainings. Youth grades three through eight are eligible for the program.

(b) Selected school districts shall receive and maintain a fleet of bicycles for the youth in the program. Youth and families participating in the school-base bicycle education grant program shall have an opportunity to receive a bike, lock, helmet, and lights free of cost.

(3) For the junior high and high school program, the department shall contract with a nonprofit organization with relevant reach and experience, including a statewide footprint; demonstrable experience developing and managing youth-based programming serving youth of color in an after-school and/or community setting; and deploying bicycling and road safety education curriculum via a train the trainer model. The selected nonprofit shall use the equity-based criteria in subsection (4) of this section to identify target populations and partner organizations including, but not limited to, schools, community-based organizations, housing authorities, and parks and recreation departments, that work with the eligible populations of youth ages 14 to 18. Partner organizations shall receive from the nonprofit: Education curriculum, materials, equipment guidance and consultation, and initial instructor/volunteer training, as well as ongoing support.

(4) In selecting schools and partner organizations for the school-based bicycle education grant program, the department and nonprofit must consider, at a minimum, the following criteria:

(a) Population impacted by poverty, as measured by free and reduced lunch population or 200 percent federal poverty level;

(b) People of color;

(c) People of Hispanic heritage;

(d) People with disabilities;

(e) Environmental health disparities, such as those indicated by the diesel pollution burden portion of the Washington environmental health disparities map developed by the department of health, or other similar indicators;

(f) Location on or adjacent to an Indian reservation;

(g) Geographic location throughout the state;

(h) Crash experience involving pedestrians and bicyclists;

(i) Access to a community facility or commercial center; and

(j) Identified need in the state active transportation plan or a regional, county, or community plan.

(5) The department shall submit a report for both programs to the transportation committees of the legislature by December 1, 2022, and each December 1st thereafter identifying the selected programs and school districts for funding by the legislature. The report must also include the status of previously funded programs.

NEW SECTION. Sec. 420. A new section is added to chapter 47.04 RCW to read as follows:

For the purposes of submitting a request by October 1, 2022, to Amtrak to adopt a fare policy change, the department shall negotiate with the Oregon department of transportation to determine ridership, revenue, and policy impacts relating to elimination of fares for Amtrak Cascades passengers 18 years of age and younger. It is the intent of the legislature that fares for passengers 18 years of age and younger for service on the Amtrak Cascades corridor be eliminated. The department shall report back to the transportation committees of the legislature with results of negotiations with the Oregon department of transportation and the status of fare policy requests submitted to Amtrak by December 1, 2022.

NEW SECTION. Sec. 421. A new section is added to chapter 47.60 RCW to read as follows:

Consistent with RCW 47.60.315(1)(b), the commission shall adopt an annual fare policy for Washington state ferries to allow all riders 18 years of age and younger to ride free of charge on all

system routes. This fare change must apply to both walk-on passengers and passengers in vehicles. The commission is directed to make the initial fare policy change effective no later than October 1, 2022.

NEW SECTION. Sec. 422. A new section is added to chapter 47.66 RCW to read as follows:

(1) The department shall establish a transit support grant program for the purpose of providing financial support to transit agencies for operating and capital expenses only. Public transit agencies must maintain or increase their local sales tax authority on or after January 1, 2022, in order to qualify for the grants.

(a) Grants for transit agencies must be prorated based on the amount expended for operations in the most recently published report of "Summary of Public Transportation" published by the department.

(b) No transit agency may receive more than 35 percent of these distributions.

(c) Fuel type may not be a factor in the grant selection process.

(2) To be eligible to receive a grant, the transit agency must have adopted, at a minimum, a zero-fare policy that allows passengers 18 years of age and younger to ride free of charge on all modes provided by the agency.

(3) The department shall, for the purposes of the "Summary of Public Transportation" report, require grantees to report the number of trips that were taken under this program.

(4) For the purposes of this section, "transit agency" or "agency" means a city transit system under RCW 35.58.2721 or chapter 35.95A RCW, a county public transportation authority under chapter 36.57 RCW, a metropolitan municipal corporation transit system under chapter 36.56 RCW, a public transportation benefit area under chapter 36.57A RCW, an unincorporated transportation benefit area under RCW 36.57.100, or any special purpose district formed to operate a public transportation system.

Sec. 423. RCW 46.63.170 and 2020 c 224 s 1 are each amended to read as follows:

(1) The use of automated traffic safety cameras for issuance of notices of

infraction is subject to the following requirements:

(a) Except for proposed locations used solely for the pilot program purposes permitted under subsection (6) of this section, the appropriate local legislative authority must prepare an analysis of the locations within the jurisdiction where automated traffic safety cameras are proposed to be located: (i) Before enacting an ordinance allowing for the initial use of automated traffic safety cameras; and (ii) before adding additional cameras or relocating any existing camera to a new location within the jurisdiction. Automated traffic safety cameras may be used to detect one or more of the following: ~~Stoplight, railroad crossing, ((+)) school speed zone violations((+)), speed violations on any roadway identified in a school walk area as defined in RCW 28A.160.160, speed violations in public park speed zones, hospital speed zones, speed violations subject to (c) or (d) of this subsection((+)),~~ or violations included in subsection (6) of this section for the duration of the pilot program authorized under subsection (6) of this section. At a minimum, the local ordinance must contain the restrictions described in this section and provisions for public notice and signage. Cities and counties using automated traffic safety cameras before July 24, 2005, are subject to the restrictions described in this section, but are not required to enact an authorizing ordinance. Beginning one year after June 7, 2012, cities and counties using automated traffic safety cameras must post an annual report of the number of traffic accidents that occurred at each location where an automated traffic safety camera is located as well as the number of notices of infraction issued for each camera and any other relevant information about the automated traffic safety cameras that the city or county deems appropriate on the city's or county's website.

(b)(i) Except as provided in (c) and (d) of this subsection and subsection (6) of this section, use of automated traffic safety cameras is restricted to the following locations only: ~~((+))~~ (A) Intersections of two or more arterials with traffic control signals that have yellow change interval durations in accordance with RCW 47.36.022, which interval durations may not be reduced after placement of the camera; ~~((+))~~ (B) railroad crossings; ~~(and ((+))~~ (C)

~~school speed zones; (D) roadways identified in a school walk area as defined in RCW 28A.160.160; (E) public park speed zones, as defined in (b)(ii) of this subsection; and (F) hospital speed zones, as defined in (b)(ii) of this subsection.~~

(ii) For the purposes of this section:

(A) "Public park speed zone" means the marked area within public park property and extending 300 feet from the border of public park property (I) consistent with active park use; and (II) where signs are posted to indicate the location is within a public park speed zone.

(B) "Hospital speed zone" means the marked area within hospital property and extending 300 feet from the border of hospital property (I) consistent with hospital use; and (II) where signs are posted to indicate the location is within a hospital speed zone, where "hospital" has the same meaning as in RCW 70.41.020.

(c) ~~((Any))~~ In addition to the automated traffic safety cameras authorized under (d) of this subsection, any city west of the Cascade mountains with a population of more than ~~((one hundred ninety five thousand))~~ 195,000 located in a county with a population of fewer than ~~((one million five hundred thousand))~~ 1,500,000 may operate an automated traffic safety camera to detect speed violations subject to the following limitations:

(i) A city may only operate one such automated traffic safety camera within its respective jurisdiction; and

(ii) The use and location of the automated traffic safety camera must have first been authorized by the Washington state legislature as a pilot project for at least one full year.

(d)(i) Cities may operate at least one automated traffic safety camera under this subsection to detect speed violations, subject to the requirements of (d)(ii) of this subsection. Cities may operate one additional automated traffic safety camera to detect speed violations for every 10,000 residents included in the city's population. Cameras must be placed in locations that comply with one of the following:

(A) The location has been identified as a priority location in a local road safety plan that a city has submitted to the Washington state department of

transportation and where other speed reduction measures are not feasible or have not been sufficiently effective at reducing travel speed;

(B) The location has a significantly higher rate of collisions than the city average in a period of at least three years prior to installation and other speed reduction measures are not feasible or have not been sufficiently effective at reducing travel speed; or

(C) The location is in an area within the city limits designated by local ordinance as a zone subject to specified restrictions and penalties on racing and race attendance.

(ii) A city locating an automated traffic safety camera under this subsection (1)(d) must complete an equity analysis that evaluates livability, accessibility, economics, education, and environmental health, and shall consider the outcome of that analysis when identifying where to locate an automated traffic safety camera.

(e) All locations where an automated traffic safety camera is used to detect speed violations on roadways identified in a school walk area, speed violations in public park speed zones, speed violations in hospital speed zones, or speed violations under (d) of this subsection must be clearly marked by placing signs in locations that clearly indicate to a driver either: (i) That the driver is within a school walk area, public park speed zone, or hospital speed zone; or (ii) that the driver is entering an area where speed violations are enforced by an automated traffic safety camera. Signs placed in automated traffic safety camera locations after June 7, 2012, must follow the specifications and guidelines under the manual of uniform traffic control devices for streets and highways as adopted by the department of transportation under chapter 47.36 RCW.

(f) Automated traffic safety cameras may only take pictures of the vehicle and vehicle license plate and only while an infraction is occurring. The picture must not reveal the face of the driver or of passengers in the vehicle. The primary purpose of camera placement is to take pictures of the vehicle and vehicle license plate when an infraction is occurring. Cities and counties shall consider installing cameras in a manner that minimizes the impact of camera flash on drivers.

~~((e))~~ (g) A notice of infraction must be mailed to the registered owner of the vehicle within ~~((fourteen))~~ 14 days of the violation, or to the renter of a vehicle within ~~((fourteen))~~ 14 days of establishing the renter's name and address under subsection (3)(a) of this section. The law enforcement officer issuing the notice of infraction shall include with it a certificate or facsimile thereof, based upon inspection of photographs, microphotographs, or electronic images produced by an automated traffic safety camera, stating the facts supporting the notice of infraction. This certificate or facsimile is prima facie evidence of the facts contained in it and is admissible in a proceeding charging a violation under this chapter. The photographs, microphotographs, or electronic images evidencing the violation must be available for inspection and admission into evidence in a proceeding to adjudicate the liability for the infraction. A person receiving a notice of infraction based on evidence detected by an automated traffic safety camera may respond to the notice by mail.

~~((f))~~ (h) The registered owner of a vehicle is responsible for an infraction under RCW 46.63.030(1)(d) unless the registered owner overcomes the presumption in RCW 46.63.075, or, in the case of a rental car business, satisfies the conditions under subsection (3) of this section. If appropriate under the circumstances, a renter identified under subsection (3)(a) of this section is responsible for an infraction.

~~((g))~~ (i) Notwithstanding any other provision of law, all photographs, microphotographs, or electronic images, or any other personally identifying data prepared under this section are for the exclusive use of law enforcement in the discharge of duties under this section and are not open to the public and may not be used in a court in a pending action or proceeding unless the action or proceeding relates to a violation under this section. No photograph, microphotograph, or electronic image, or any other personally identifying data may be used for any purpose other than enforcement of violations under this section nor retained longer than necessary to enforce this section.

~~((h))~~ (j) All locations where an automated traffic safety camera is used must be clearly marked at least

~~((thirty))~~ 30 days prior to activation of the camera by placing signs in locations that clearly indicate to a driver that he or she is entering a zone where traffic laws are enforced by an automated traffic safety camera. Signs placed in automated traffic safety camera locations after June 7, 2012, must follow the specifications and guidelines under the manual of uniform traffic control devices for streets and highways as adopted by the department of transportation under chapter 47.36 RCW.

~~((+i))~~ (k) If a county or city has established an authorized automated traffic safety camera program under this section, the compensation paid to the manufacturer or vendor of the equipment used must be based only upon the value of the equipment and services provided or rendered in support of the system, and may not be based upon a portion of the fine or civil penalty imposed or the revenue generated by the equipment.

(1) If a city is operating an automated traffic safety camera to detect speed violations on roadways identified in a school walk area, speed violations in public park speed zones, speed violations in hospital speed zones, or speed violations under (d) of this subsection, the city shall remit monthly to the state 50 percent of the noninterest money received for infractions issued by those cameras excess of the cost to administer, install, operate, and maintain the automated traffic safety cameras, including the cost of processing infractions. Money remitted under this subsection to the state treasurer shall be deposited in the Cooper Jones active transportation safety account created in RCW 46.68.480. This subsection (1)(1) does not apply to automated traffic safety cameras authorized for stoplight, railroad crossing, or school speed zone violations.

(2) Infractions detected through the use of automated traffic safety cameras are not part of the registered owner's driving record under RCW 46.52.101 and 46.52.120. Additionally, infractions generated by the use of automated traffic safety cameras under this section shall be processed in the same manner as parking infractions, including for the purposes of RCW 3.50.100, 35.20.220, 46.16A.120, and 46.20.270(2). Except as provided otherwise in subsection (6) of this section, the amount of the fine issued for an infraction generated

through the use of an automated traffic safety camera shall not exceed the amount of a fine issued for other parking infractions within the jurisdiction. However, the amount of the fine issued for a traffic control signal violation detected through the use of an automated traffic safety camera shall not exceed the monetary penalty for a violation of RCW 46.61.050 as provided under RCW 46.63.110, including all applicable statutory assessments.

(3) If the registered owner of the vehicle is a rental car business, the law enforcement agency shall, before a notice of infraction being issued under this section, provide a written notice to the rental car business that a notice of infraction may be issued to the rental car business if the rental car business does not, within ~~((eighteen))~~ 18 days of receiving the written notice, provide to the issuing agency by return mail:

(a) A statement under oath stating the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred; or

(b) A statement under oath that the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred because the vehicle was stolen at the time of the infraction. A statement provided under this subsection must be accompanied by a copy of a filed police report regarding the vehicle theft; or

(c) In lieu of identifying the vehicle operator, the rental car business may pay the applicable penalty.

Timely mailing of this statement to the issuing law enforcement agency relieves a rental car business of any liability under this chapter for the notice of infraction.

(4) Nothing in this section prohibits a law enforcement officer from issuing a notice of traffic infraction to a person in control of a vehicle at the time a violation occurs under RCW 46.63.030(1) (a), (b), or (c).

(5)(a) For the purposes of this section, "automated traffic safety camera" means a device that uses a vehicle sensor installed to work in conjunction with an intersection traffic control system, a railroad grade crossing control system, or a speed measuring device, and a camera synchronized to automatically record one or more

sequenced photographs, microphotographs, or electronic images of the rear of a motor vehicle at the time the vehicle fails to stop when facing a steady red traffic control signal or an activated railroad grade crossing control signal, or exceeds a speed limit as detected by a speed measuring device.

(b) For the purposes of the pilot program authorized under subsection (6) of this section, "automated traffic safety camera" also includes a device used to detect stopping at intersection or crosswalk violations; stopping when traffic obstructed violations; public transportation only lane violations; and stopping or traveling in restricted lane violations. The device, including all technology defined under "automated traffic safety camera," must not reveal the face of the driver or the passengers in vehicles, and must not use any facial recognition technology in real time or after capturing any information. If the face of any individual in a crosswalk or otherwise within the frame is incidentally captured, it may not be made available to the public nor used for any purpose including, but not limited to, any law enforcement action, except in a pending action or proceeding related to a violation under this section.

(6)(a)(i) A city with a population greater than (~~five hundred thousand~~) 500,000 may adopt an ordinance creating a pilot program authorizing automated traffic safety cameras to be used to detect one or more of the following violations: Stopping when traffic obstructed violations; stopping at intersection or crosswalk violations; public transportation only lane violations; and stopping or traveling in restricted lane violations. Under the pilot program, stopping at intersection or crosswalk violations may only be enforced at the (~~twenty~~) 20 intersections where the city would most like to address safety concerns related to stopping at intersection or crosswalk violations. At a minimum, the local ordinance must contain the restrictions described in this section and provisions for public notice and signage.

(ii) Except where specifically exempted, all of the rules and restrictions applicable to the use of automated traffic safety cameras in this section apply to the use of automated traffic safety cameras in the pilot

program established in this subsection (6).

(iii) As used in this subsection (6), "public transportation vehicle" means any motor vehicle, streetcar, train, trolley vehicle, ferry boat, or any other device, vessel, or vehicle that is owned or operated by a transit authority or an entity providing service on behalf of a transit authority that is used for the purpose of carrying passengers and that operates on established routes. "Transit authority" has the meaning provided in RCW 9.91.025.

(b) Use of automated traffic safety cameras as authorized in this subsection (6) is restricted to the following locations only: Locations authorized in subsection (1)(b) of this section; and midblock on arterials. Additionally, the use of automated traffic safety cameras as authorized in this subsection (6) is further limited to the following:

(i) The portion of state and local roadways in downtown areas of the city used for office and commercial activities, as well as retail shopping and support services, and that may include mixed residential uses;

(ii) The portion of state and local roadways in areas in the city within one-half mile north of the boundary of the area described in (b)(i) of this subsection;

(iii) Portions of roadway systems in the city that travel into and out of (b)(ii) of this subsection that are designated by the Washington state department of transportation as noninterstate freeways for up to four miles; and

(iv) Portions of roadway systems in the city connected to the portions of the noninterstate freeways identified in (b)(iii) of this subsection that are designated by the Washington state department of transportation as arterial roadways for up to one mile from the intersection of the arterial roadway and the noninterstate freeway.

(c) However, automated traffic safety cameras may not be used on an on-ramp to an interstate.

(d) From June 11, 2020, through December 31, 2020, a warning notice with no penalty must be issued to the registered owner of the vehicle for a violation generated through the use of an

automated traffic safety camera authorized in this subsection (6). Beginning January 1, 2021, a notice of infraction must be issued, in a manner consistent with subsections (1)~~((e))~~ (g) and (3) of this section, for a violation generated through the use of an automated traffic safety camera authorized in this subsection (6). However, the penalty for the violation may not exceed ~~((seventy five dollars))~~ \$75.

(e) For infractions issued as authorized in this subsection (6), a city with a pilot program shall remit monthly to the state ~~((fifty))~~ 50 percent of the noninterest money received under this subsection (6) in excess of the cost to install, operate, and maintain the automated traffic safety cameras for use in the pilot program. Money remitted under this subsection to the state treasurer shall be deposited in the Cooper Jones active transportation safety account created in RCW 46.68.480. The remaining ~~((fifty))~~ 50 percent retained by the city must be used only for improvements to transportation that support equitable access and mobility for persons with disabilities.

(f) A transit authority may not take disciplinary action, regarding a warning or infraction issued pursuant to this subsection (6), against an employee who was operating a public transportation vehicle at the time the violation that was the basis of the warning or infraction was detected.

(g) A city that implements a pilot program under this subsection (6) must provide a preliminary report to the transportation committees of the legislature by June 30, ~~((2022))~~ 2024, and a final report by January 1, ~~((2023))~~ 2025, on the pilot program that includes the locations chosen for the automated traffic safety cameras used in the pilot program, the number of warnings and traffic infractions issued under the pilot program, the number of traffic infractions issued with respect to vehicles registered outside of the county in which the city is located, the infrastructure improvements made using the penalty moneys as required under (e) of this subsection, an equity analysis that includes any disproportionate impacts, safety, and on-time performance statistics related to the impact on driver behavior of the use of automated traffic safety cameras in the pilot

program, and any recommendations on the use of automated traffic safety cameras to enforce the violations that these cameras were authorized to detect under the pilot program.

Sec. 424. RCW 46.63.170 and 2015 3rd sp.s. c 44 s 406 are each amended to read as follows:

(1) The use of automated traffic safety cameras for issuance of notices of infraction is subject to the following requirements:

(a) The appropriate local legislative authority must prepare an analysis of the locations within the jurisdiction where automated traffic safety cameras are proposed to be located: (i) Before enacting an ordinance allowing for the initial use of automated traffic safety cameras; and (ii) before adding additional cameras or relocating any existing camera to a new location within the jurisdiction. Automated traffic safety cameras may be used to detect one or more of the following: Stoplight, railroad crossing, ~~((ex))~~ school speed zone violations~~((+))~~, speed violations on any roadway identified in a school walk area as defined in RCW 28A.160.160, speed violations in public park speed zones, hospital speed zones, or speed violations subject to (c) or (d) of this subsection. At a minimum, the local ordinance must contain the restrictions described in this section and provisions for public notice and signage. Cities and counties using automated traffic safety cameras before July 24, 2005, are subject to the restrictions described in this section, but are not required to enact an authorizing ordinance. Beginning one year after June 7, 2012, cities and counties using automated traffic safety cameras must post an annual report of the number of traffic accidents that occurred at each location where an automated traffic safety camera is located as well as the number of notices of infraction issued for each camera and any other relevant information about the automated traffic safety cameras that the city or county deems appropriate on the city's or county's website.

(b)(i) Except as provided in (c) and (d) of this subsection, use of automated traffic safety cameras is restricted to the following locations only: ~~((+))~~ (A) Intersections of two arterials with traffic control signals that have yellow change interval durations in accordance with RCW 47.36.022, which interval

durations may not be reduced after placement of the camera; ~~((+ii))~~ (B) railroad crossings; ~~((and +iii))~~ (C) school speed zones; (D) roadways identified in a school walk area as defined in RCW 28A.160.160; (E) public park speed zones, as defined in (b)(ii) of this subsection; and (F) hospital speed zones, as defined in (b)(ii) of this subsection.

(ii) For the purposes of this section:

(A) "Public park speed zone" means the marked area within public park property and extending 300 feet from the border of public park property (I) consistent with active park use; and (II) where signs are posted to indicate the location is within a public park speed zone.

(B) "Hospital speed zone" means the marked area within hospital property and extending 300 feet from the border of hospital property (I) consistent with hospital use; and (II) where signs are posted to indicate the location is within a hospital speed zone, where "hospital" has the same meaning as in RCW 70.41.020.

(c) ~~((Any))~~ In addition to the automated traffic safety cameras authorized under (d) of this subsection, any city west of the Cascade mountains with a population of more than ~~((one hundred ninety five thousand))~~ 195,000 located in a county with a population of fewer than ~~((one million five hundred thousand))~~ 1,500,000 may operate an automated traffic safety camera to detect speed violations subject to the following limitations:

(i) A city may only operate one such automated traffic safety camera within its respective jurisdiction; and

(ii) The use and location of the automated traffic safety camera must have first been authorized by the Washington state legislature as a pilot project for at least one full year.

(d)(i) Cities may operate at least one automated traffic safety camera under this subsection to detect speed violations, subject to the requirements of (d)(ii) of this subsection. Cities may operate one additional automated traffic safety camera to detect speed violations for every 10,000 residents included in the city's population. Cameras must be placed in locations that comply with one of the following:

(A) The location has been identified as a priority location in a local road safety plan that a city has submitted to the Washington state department of transportation and where other speed reduction measures are not feasible or have not been sufficiently effective at reducing travel speed;

(B) The location has a significantly higher rate of collisions than the city average in a period of at least three years prior to installation and other speed reduction measures are not feasible or have not been sufficiently effective at reducing travel speed; or

(C) The location is in an area within the city limits designated by local ordinance as a zone subject to specified restrictions and penalties on racing and race attendance.

(ii) A city locating an automated traffic safety camera under this subsection (1)(d) must complete an equity analysis that evaluates livability, accessibility, economics, education, and environmental health, and shall consider the outcome of that analysis when identifying where to locate an automated traffic safety camera.

(e) All locations where an automated traffic safety camera is used to detect speed violations on roadways identified in a school walk area, speed violations in public park speed zones, speed violations in hospital speed zones, or speed violations under (d) of this subsection must be clearly marked by placing signs in locations that clearly indicate to a driver either: (i) That the driver is within a school walk area, public park speed zone, or hospital speed zone; or (ii) that the driver is entering an area where speed violations are enforced by an automated traffic safety camera. Signs placed in automated traffic safety camera locations after June 7, 2012, must follow the specifications and guidelines under the manual of uniform traffic control devices for streets and highways as adopted by the department of transportation under chapter 47.36 RCW.

(f) Automated traffic safety cameras may only take pictures of the vehicle and vehicle license plate and only while an infraction is occurring. The picture must not reveal the face of the driver or of passengers in the vehicle. The primary purpose of camera placement is to take pictures of the vehicle and vehicle license plate when an infraction is

occurring. Cities and counties shall consider installing cameras in a manner that minimizes the impact of camera flash on drivers.

~~((e))~~ (g) A notice of infraction must be mailed to the registered owner of the vehicle within ~~((fourteen))~~ 14 days of the violation, or to the renter of a vehicle within ~~((fourteen))~~ 14 days of establishing the renter's name and address under subsection (3)(a) of this section. The law enforcement officer issuing the notice of infraction shall include with it a certificate or facsimile thereof, based upon inspection of photographs, microphotographs, or electronic images produced by an automated traffic safety camera, stating the facts supporting the notice of infraction. This certificate or facsimile is prima facie evidence of the facts contained in it and is admissible in a proceeding charging a violation under this chapter. The photographs, microphotographs, or electronic images evidencing the violation must be available for inspection and admission into evidence in a proceeding to adjudicate the liability for the infraction. A person receiving a notice of infraction based on evidence detected by an automated traffic safety camera may respond to the notice by mail.

~~((f))~~ (h) The registered owner of a vehicle is responsible for an infraction under RCW 46.63.030(1)(d) unless the registered owner overcomes the presumption in RCW 46.63.075, or, in the case of a rental car business, satisfies the conditions under subsection (3) of this section. If appropriate under the circumstances, a renter identified under subsection (3)(a) of this section is responsible for an infraction.

~~((g))~~ (i) Notwithstanding any other provision of law, all photographs, microphotographs, or electronic images prepared under this section are for the exclusive use of law enforcement in the discharge of duties under this section and are not open to the public and may not be used in a court in a pending action or proceeding unless the action or proceeding relates to a violation under this section. No photograph, microphotograph, or electronic image may be used for any purpose other than enforcement of violations under this section nor retained longer than necessary to enforce this section.

~~((h))~~ (j) All locations where an automated traffic safety camera is used must be clearly marked at least ~~((thirty))~~ 30 days prior to activation of the camera by placing signs in locations that clearly indicate to a driver that he or she is entering a zone where traffic laws are enforced by an automated traffic safety camera. Signs placed in automated traffic safety camera locations after June 7, 2012, must follow the specifications and guidelines under the manual of uniform traffic control devices for streets and highways as adopted by the department of transportation under chapter 47.36 RCW.

~~((i))~~ (k) If a county or city has established an authorized automated traffic safety camera program under this section, the compensation paid to the manufacturer or vendor of the equipment used must be based only upon the value of the equipment and services provided or rendered in support of the system, and may not be based upon a portion of the fine or civil penalty imposed or the revenue generated by the equipment.

(1) If a city is operating an automated traffic safety camera to detect speed violations on roadways identified in a school walk area, speed violations in public park speed zones, speed violations in hospital speed zones, or speed violations under (d) of this subsection, the city shall remit monthly to the state 50 percent of the noninterest money received for infractions issued by those cameras excess of the cost to administer, install, operate, and maintain the automated traffic safety cameras, including the cost of processing infractions. Money remitted under this subsection to the state treasurer shall be deposited in the Cooper Jones active transportation safety account created in RCW 46.68.480. This subsection (1)(1) does not apply to automated traffic safety cameras authorized for stoplight, railroad crossing, or school speed zone violations.

(2) Infractions detected through the use of automated traffic safety cameras are not part of the registered owner's driving record under RCW 46.52.101 and 46.52.120. Additionally, infractions generated by the use of automated traffic safety cameras under this section shall be processed in the same manner as parking infractions, including for the purposes of RCW 3.50.100, 35.20.220, 46.16A.120, and 46.20.270(2). The amount

of the fine issued for an infraction generated through the use of an automated traffic safety camera shall not exceed the amount of a fine issued for other parking infractions within the jurisdiction. However, the amount of the fine issued for a traffic control signal violation detected through the use of an automated traffic safety camera shall not exceed the monetary penalty for a violation of RCW 46.61.050 as provided under RCW 46.63.110, including all applicable statutory assessments.

(3) If the registered owner of the vehicle is a rental car business, the law enforcement agency shall, before a notice of infraction being issued under this section, provide a written notice to the rental car business that a notice of infraction may be issued to the rental car business if the rental car business does not, within ~~((eighteen))~~ 18 days of receiving the written notice, provide to the issuing agency by return mail:

(a) A statement under oath stating the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred; or

(b) A statement under oath that the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred because the vehicle was stolen at the time of the infraction. A statement provided under this subsection must be accompanied by a copy of a filed police report regarding the vehicle theft; or

(c) In lieu of identifying the vehicle operator, the rental car business may pay the applicable penalty.

Timely mailing of this statement to the issuing law enforcement agency relieves a rental car business of any liability under this chapter for the notice of infraction.

(4) Nothing in this section prohibits a law enforcement officer from issuing a notice of traffic infraction to a person in control of a vehicle at the time a violation occurs under RCW 46.63.030(1)(a), (b), or (c).

(5) For the purposes of this section, "automated traffic safety camera" means a device that uses a vehicle sensor installed to work in conjunction with an intersection traffic control system, a railroad grade crossing control system, or a speed measuring device, and a camera synchronized to automatically record one

or more sequenced photographs, microphotographs, or electronic images of the rear of a motor vehicle at the time the vehicle fails to stop when facing a steady red traffic control signal or an activated railroad grade crossing control signal, or exceeds a speed limit as detected by a speed measuring device.

(6) During the 2011-2013 and 2013-2015 fiscal biennia, this section does not apply to automated traffic safety cameras for the purposes of section 216(5), chapter 367, Laws of 2011 and section 216(6), chapter 306, Laws of 2013.

NEW SECTION. **Sec. 425.** A new section is added to chapter 47.56 RCW to read as follows:

The legislature recognizes the need to reduce congestion and improve mobility on the Interstate 405 and state route number 167 corridors, and finds that performance on the corridors has not met the goal that average vehicle speeds in the express toll lanes remain above 45 miles per hour at least 90 percent of the time during peak hours. Therefore, the legislature intends that the commission reevaluate options at least every two years to improve performance on the Interstate 405 and state route number 167 corridors, pursuant to RCW 47.56.880 and 47.56.850.

Sec. 426. RCW 70A.65.230 and 2021 c 316 s 26 are each amended to read as follows:

(1) It is the intent of the legislature that each year the total investments made through the carbon emissions reduction account created in RCW 70A.65.240, the climate commitment account created in RCW 70A.65.260, the natural climate solutions account created in RCW 70A.65.270, ~~((and))~~ the air quality and health disparities improvement account created in RCW 70A.65.280, the climate transit programs account created in section 104 of this act, and the climate active transportation account created in section 103 of this act, achieve the following:

(a) A minimum of not less than 35 percent and a goal of 40 percent of total investments that provide direct and meaningful benefits to vulnerable populations within the boundaries of overburdened communities identified under chapter 314, Laws of 2021; and

(b) In addition to the requirements of (a) of this subsection, a minimum of not less than 10 percent of total investments that are used for programs, activities, or projects formally supported by a resolution of an Indian tribe, with priority given to otherwise qualifying projects directly administered or proposed by an Indian tribe. An investment that meets the requirements of both this subsection (1)(b) and (a) of this subsection may count toward the minimum percentage targets for both subsections.

(2) The expenditure of moneys under this chapter must be consistent with applicable federal, state, and local laws, and treaty rights including, but not limited to, prohibitions on uses of funds imposed by the state Constitution.

(3) For the purposes of this section, "benefits" means investments or activities that:

(a) Reduce vulnerable population characteristics, environmental burdens, or associated risks that contribute significantly to the cumulative impact designation of highly impacted communities;

(b) Meaningfully protect an overburdened community from, or support community response to, the impacts of air pollution or climate change; or

(c) Meet a community need identified by vulnerable members of the community that is consistent with the intent of this chapter.

(4) The state must develop a process by which to evaluate the impacts of the investments made under this chapter, work across state agencies to develop and track priorities across the different eligible funding categories, and work with the environmental justice council pursuant to RCW 70A.65.040.

~~((5) No expenditures may be made from the carbon emissions reduction account created in RCW 70A.65.240, the climate investment account created in RCW 70A.65.250, or the air quality and health disparities improvement account created in RCW 70A.65.280 if, by April 1, 2023, the legislature has not considered and enacted request legislation brought forth by the department under RCW 70A.65.060 that outlines a compliance pathway specific to emissions intensive, trade exposed businesses for achieving their proportionate share of the state's~~

~~emissions reduction limits through 2050.)~~

NEW SECTION. Sec. 427. The legislature finds that in order to meet the statewide greenhouse gas emissions limits in RCW 70A.45.020 and 70A.45.050, the state must drastically reduce vehicle greenhouse gas emissions. A critical strategy to meet those goals is transitioning to zero emissions vehicles and this transition requires ongoing purposeful interagency coordination and cooperation. As such, it is the intent of the legislature to create a formal interagency council responsible for coordinating the state's transportation electrification efforts to ensure the state is leveraging state and federal resources to the best extent possible and to ensure zero emissions incentives, infrastructure, and opportunities are available and accessible to all Washingtonians.

The legislature further finds that in order to meet the statewide greenhouse gas emissions limits in the transportation sector of the economy, more resources must be directed toward achieving zero emissions transportation and transit, while continuing to relieve energy burdens that exist in overburdened communities.

NEW SECTION. Sec. 428. (1) There is hereby created an interagency electric vehicle coordinating council jointly led by the Washington state department of commerce and the Washington state department of transportation with participation from the following agencies:

(a) The office of financial management;

(b) The department of ecology;

(c) The department of enterprise services;

(d) The state efficiency and environmental performance office;

(e) The department of agriculture;

(f) The department of health;

(g) The utilities and transportation commission;

(h) A representative from the office of the superintendent of public instruction knowledgeable on issues pertaining to student transportation; and

(i) Other agencies with key roles in electrifying the transportation sector.

(2) The Washington state department of commerce and Washington state department of transportation shall assign staff in each agency to lead the council's coordination work and provide ongoing reports to the governor and legislature including, but not limited to, the transportation, energy, economic development, and other appropriate legislative committees.

NEW SECTION. Sec. 429. (1) Interagency electric vehicle coordinating council responsibilities include, but are not limited to:

(a) Development of a statewide transportation electrification strategy to ensure market and infrastructure readiness for all new vehicle sales;

(b) Identification of all electric vehicle infrastructure grant-related funding to include existing and future opportunities, including state, federal, and other funds;

(c) Coordination of grant funding criteria across agency grant programs to most efficiently distribute state and federal electric vehicle-related funding in a manner that is most beneficial to the state, advances best practices, and recommends additional criteria that could be useful in advancing transportation electrification;

(d) Development of a robust public and private outreach plan that includes engaging with:

(i) Community organizers and the environmental justice council to develop community-driven programs to address zero emissions transportation needs and priorities in overburdened communities; and

(ii) Local governments to explore procurement opportunities and work with local government and community programs to support electrification;

(e) Creation of an industry electric vehicle advisory committee; and

(f) Ensuring the statewide transportation electrification strategy, grant distribution, programs, and activities associated with advancing transportation electrification benefit vulnerable and overburdened communities.

(2) The council shall provide an annual report to the appropriate

committees of the legislature summarizing electric vehicle implementation progress, gaps, and resource needs.

Sec. 430. RCW 46.68.480 and 2020 c 224 s 2 are each amended to read as follows:

The Cooper Jones active transportation safety account is created in the state treasury. All receipts from penalties collected under RCW 46.63.170(~~(+e)~~) shall be deposited into the account. Expenditures from the account may be used only to fund grant projects or programs for bicycle, pedestrian, and nonmotorist safety improvement (~~administered by the Washington traffic safety commission~~). The account is subject to allotment procedures under chapter 43.88 RCW. Moneys in the account may be spent only after appropriation.

NEW SECTION. Sec. 431. A new section is added to chapter 47.60 RCW to read as follows:

It is the intent of the legislature to fully fund the vessel and terminal electrification program in accordance with the Washington state ferries 2040 long range plan. The legislature finds that to attain the 2040 target fleet size of 26 vessels, a biennial replacement schedule is necessary to ensure the level of ferry service and reliability expected by the public. Therefore, by June 30, 2025, the legislature will secure funding options, including but not limited to a vessel surcharge, to devote the resources necessary to fulfill the vessel and terminal needs outlined in the 2040 long range plan.

NEW SECTION. Sec. 432. Washington state's target zero program envisions Washington having policies that will lead to zero deaths of people using the transportation system. For almost two decades more than 200 people have lost their lives annually in circumstances where a vehicle unintentionally left its lane of travel. Such fatalities made up 48 percent of all traffic-related fatalities in 2019. There are multiple ways to make improvements on the highway system that have been proven in other locations to help reduce lane departures and fatalities. Sections 433 and 434 of this act are intended to direct resources towards deploying such improvements by requiring the Washington state department of transportation to create a

program that is focused on addressing this specific safety concern.

NEW SECTION. Sec. 433. A new section is added to chapter 47.04 RCW to read as follows:

(1)(a) When an appropriation is made for this purpose, the department shall establish a reducing rural roadway departures program to provide funding for safety improvements specific to preventing lane departures in areas where the departure is likely to cause serious injuries or death. Funding under this program may be used to:

(i) Widen roadway shoulders or modify roadway design to improve visibility or reduce lane departure risks;

(ii) Improve markings and paint on roadways, including making markings on roads more visible for vehicles with lane departure technology;

(iii) Apply high friction surface treatments;

(iv) Install rumble strips, signage, lighting, raised barriers, medians, guardrails, cable barriers, or other safety equipment, including deployment of innovative technology and connected infrastructure devices;

(v) Remove or relocate fixed objects from rights-of-way that pose a significant risk of serious injury or death if a vehicle were to collide with the object due to a lane departure;

(vi) Repair or replace existing barriers that are damaged or nonfunctional; or

(vii) Take other reasonable actions that are deemed likely to address or prevent vehicle lane departures in specific areas of concern.

(b) The department must create a program whereby it can distribute funding or install safety improvements listed in (a) of this subsection on state, county, small city, or town roads in rural areas that have a high risk of having or actually have incidents of serious injuries or fatalities due to vehicle lane departures. Any installation of safety measures that are not under the jurisdiction of the department must be done with permission from the entity that is responsible for operation and maintenance of the roadway.

(c) The department's program must create a form and application process

whereby towns, small cities, counties, and transportation benefit districts may apply for program funding for high risk areas in their jurisdictions in need of safety improvements.

(d) Subject to the availability of amounts appropriated for this specific purpose, the department must issue program funding for purposes defined in (a) and (b) of this subsection in a geographically diverse manner throughout the state. Criteria used to assess a location can include the communities inability or lack of resources to make the corrections themselves and to make corrections where there has been historic disparate impacts.

(e) By December 31st of each year when there is funding distributed in accordance with this program, the department must provide the transportation committees of the legislature and the traffic safety commission with a list of locations that received funding and a description of the safety improvements installed there.

(2) During the first five years of the program, the department must track incidence of lane departures at the locations where the new infrastructure is installed and evaluate the effectiveness of the safety improvements.

Sec. 434. RCW 46.68.060 and 2021 c 333 s 706 are each amended to read as follows:

There is hereby created in the state treasury a fund to be known as the highway safety fund to the credit of which must be deposited all moneys directed by law to be deposited therein. This fund must be used for carrying out the provisions of law relating to driver licensing, driver improvement, financial responsibility, cost of furnishing abstracts of driving records and maintaining such case records, and to carry out the purposes set forth in RCW 43.59.010, ~~((and))~~ chapters 46.72 and 46.72A RCW, and section 433 of this act. During the 2013-2015 and 2015-2017 fiscal biennia, the legislature may transfer from the highway safety fund to the Puget Sound ferry operations account, the motor vehicle fund, and the multimodal transportation account such amounts as reflect the excess fund balance of the highway safety fund. During the 2017-2019, 2019-2021, and 2021-2023 fiscal biennia, the legislature may direct the state treasurer to make transfers of

moneys in the highway safety fund to the multimodal transportation account and the state patrol highway account.

Part V

Miscellaneous

NEW SECTION. Sec. 501. Sections 415 and 427 through 429 of this act constitute a new chapter in Title 43 RCW.

NEW SECTION. Sec. 502. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 503. Sections 310 and 403 of this act expire July 1, 2024.

NEW SECTION. Sec. 504. Section 404 of this act takes effect July 1, 2024.

Sec. 505. 2020 c 224 s 3 (uncodified) is amended to read as follows:

Section 1 of this act expires June 30, (~~2023~~) 2025.

NEW SECTION. Sec. 506. Section 423 of this act expires June 30, 2025.

NEW SECTION. Sec. 507. Section 424 of this act takes effect June 30, 2025.

NEW SECTION. Sec. 508. Sections 312, 408 through 414, and 421 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and take effect immediately.

NEW SECTION. Sec. 509. Sections 212, 213, 216, and 217 of this act take effect October 1, 2022.

NEW SECTION. Sec. 510. Sections 214 and 215 of this act take effect January 1, 2023, and apply to registrations that become due on or after that date.

NEW SECTION. Sec. 511. Sections 201 through 206 of this act take effect July 1, 2023.

NEW SECTION. Sec. 512. Sections 101 through 106, 208 through 211, 218, 301 through 311, 401 through 403, 405 through 407, 415 through 420, 422, 423, 425 through 430, and 505 of this act take effect July 1, 2022."

Correct the title.

Representative Barkis moved the adoption of amendment (1266) to striking amendment (1215):

On page 1, after line 2, insert the following:

"NEW SECTION. Sec. 1. 2022 c ... (ESSB 5693) s 710 (uncodified) is repealed.

Sec. 2. RCW 82.08.020 and 2014 c 140 s 12 are each amended to read as follows:

(1) There is levied and collected a tax equal to six and five-tenths percent of the selling price on each retail sale in this state of:

(a) Tangible personal property, unless the sale is specifically excluded from the RCW 82.04.050 definition of retail sale;

(b) Digital goods, digital codes, and digital automated services, if the sale is included within the RCW 82.04.050 definition of retail sale;

(c) Services, other than digital automated services, included within the RCW 82.04.050 definition of retail sale;

(d) Extended warranties to consumers; and

(e) Anything else, the sale of which is included within the RCW 82.04.050 definition of retail sale.

(2) There is levied and collected an additional tax on each retail car rental, regardless of whether the vehicle is licensed in this state, equal to five and nine-tenths percent of the selling price. The revenue collected under this subsection must be deposited in the multimodal transportation account created in RCW 47.66.070.

(3)(a) Beginning July 1, 2003, there is levied and collected an additional tax of three-tenths of one percent of the selling price on each retail sale of a motor vehicle in this state, other than retail car rentals taxed under subsection (2) of this section. The revenue collected under this subsection must be deposited in the multimodal transportation account created in RCW 47.66.070.

(b) For purposes of this subsection (3), "motor vehicle" has the meaning provided in RCW 46.04.320, but does not include:

(i) Farm tractors or farm vehicles as defined in RCW 46.04.180 and 46.04.181, unless the farm tractor or farm vehicle

is for use in the production of marijuana;

(ii) Off-road vehicles as defined in RCW 46.04.365;

(iii) Nonhighway vehicles as defined in RCW 46.09.310; and

(iv) Snowmobiles as defined in RCW 46.04.546.

~~(4) ((For purposes of subsection (3) of this section, "motor vehicle" has the meaning provided in RCW 46.04.320, but does not include:~~

~~(a) Farm tractors or farm vehicles as defined in RCW 46.04.180 and 46.04.181, unless the farm tractor or farm vehicle is for use in the production of marijuana;~~

~~(b) Off road vehicles as defined in RCW 46.04.365;~~

~~(c) Nonhighway vehicles as defined in RCW 46.09.310; and~~

~~(d) Snowmobiles as defined in RCW 46.04.546.)~~ (a) Beginning July 1, 2022, and every year thereafter, 50 percent of all revenue collected under subsection (1) of this section on each new and used retail sale of a vehicle in this state, including private party sales, but excluding retail car rentals taxed under subsection (2) of this section, must be deposited into the motor vehicle fund.

(b) For purposes of this subsection (4), "vehicle" has the meaning provided in RCW 46.04.670 including, but not limited to, passenger vehicles, light trucks, commercial vehicles, travel trailers, recreational vehicles, intermittent use trailers, motorcycles, and campers, but "vehicle" does not include:

(i) Farm tractors or farm vehicles as defined in RCW 46.04.180 and 46.04.181, unless the farm tractor or farm vehicle is for use in the production of marijuana;

(ii) Off-road vehicles as defined in RCW 46.04.365;

(iii) Nonhighway vehicles as defined in RCW 46.09.310;

(iv) Bicycles as defined in RCW 46.04.071; and

(v) Snowmobiles as defined in RCW 46.04.546.

(5) Beginning on December 8, 2005, 0.16 percent of the taxes collected under subsection (1) of this section must be dedicated to funding comprehensive performance audits required under RCW 43.09.470. The revenue identified in this subsection must be deposited in the performance audits of government account created in RCW 43.09.475.

(6) The taxes imposed under this chapter apply to successive retail sales of the same property.

(7) The rates provided in this section apply to taxes imposed under chapter 82.12 RCW as provided in RCW 82.12.020.

Sec. 3. RCW 82.12.020 and 2017 c 323 s 520 are each amended to read as follows:

(1) There is levied and collected from every person in this state a tax or excise for the privilege of using within this state as a consumer any:

(a) Article of tangible personal property acquired by the user in any manner, including tangible personal property acquired at a casual or isolated sale, and including by-products used by the manufacturer thereof, except as otherwise provided in this chapter, irrespective of whether the article or similar articles are manufactured or are available for purchase within this state;

(b) Prewritten computer software, regardless of the method of delivery, but excluding prewritten computer software that is either provided free of charge or is provided for temporary use in viewing information, or both;

(c) Services defined as a retail sale in RCW 82.04.050 (2) (a) or (g) or (6)(c), excluding services defined as a retail sale in RCW 82.04.050(6)(c) that are provided free of charge;

(d) Extended warranty; or

(e)(i) Digital good, digital code, or digital automated service, including the use of any services provided by a seller exclusively in connection with digital goods, digital codes, or digital automated services, whether or not a separate charge is made for such services.

(ii) With respect to the use of digital goods, digital automated services, and digital codes acquired by purchase, the tax imposed in this subsection (1)(e) applies in respect to:

(A) Sales in which the seller has granted the purchaser the right of permanent use;

(B) Sales in which the seller has granted the purchaser a right of use that is less than permanent;

(C) Sales in which the purchaser is not obligated to make continued payment as a condition of the sale; and

(D) Sales in which the purchaser is obligated to make continued payment as a condition of the sale.

(iii) With respect to digital goods, digital automated services, and digital codes acquired other than by purchase, the tax imposed in this subsection (1)(e) applies regardless of whether or not the consumer has a right of permanent use or is obligated to make continued payment as a condition of use.

(2) The provisions of this chapter do not apply in respect to the use of any article of tangible personal property, extended warranty, digital good, digital code, digital automated service, or service taxable under RCW 82.04.050 (2) (a) or (g) or (6)(c), if the sale to, or the use by, the present user or the present user's bailor or donor has already been subjected to the tax under chapter 82.08 RCW or this chapter and the tax has been paid by the present user or by the present user's bailor or donor.

(3)(a) Except as provided in this section, payment of the tax imposed by this chapter or chapter 82.08 RCW by one purchaser or user of tangible personal property, extended warranty, digital good, digital code, digital automated service, or other service does not have the effect of exempting any other purchaser or user of the same property, extended warranty, digital good, digital code, digital automated service, or other service from the taxes imposed by such chapters.

(b) The tax imposed by this chapter does not apply:

(i) If the sale to, or the use by, the present user or his or her bailor or donor has already been subjected to the tax under chapter 82.08 RCW or this chapter and the tax has been paid by the present user or by his or her bailor or donor;

(ii) In respect to the use of any article of tangible personal property acquired by bailment and the tax has once

been paid based on reasonable rental as determined by RCW 82.12.060 measured by the value of the article at time of first use multiplied by the tax rate imposed by chapter 82.08 RCW or this chapter as of the time of first use;

(iii) In respect to the use of any article of tangible personal property acquired by bailment, if the property was acquired by a previous bailee from the same bailor for use in the same general activity and the original bailment was prior to June 9, 1961; or

(iv) To the use of digital goods or digital automated services, which were obtained through the use of a digital code, if the sale of the digital code to, or the use of the digital code by, the present user or the present user's bailor or donor has already been subjected to the tax under chapter 82.08 RCW or this chapter and the tax has been paid by the present user or by the present user's bailor or donor.

(4)(a) Except as provided in (b) of this subsection (4), the tax is levied and must be collected in an amount equal to the value of the article used, value of the digital good or digital code used, value of the extended warranty used, or value of the service used by the taxpayer, multiplied by the applicable rates in effect for the retail sales tax under RCW 82.08.020.

(b) In the case of a seller required to collect use tax from the purchaser, the tax must be collected in an amount equal to the purchase price multiplied by the applicable rate in effect for the retail sales tax under RCW 82.08.020.

(5) For purposes of the tax imposed in this section, "person" includes anyone within the definition of "buyer," "purchaser," and "consumer" in RCW 82.08.010.

(6) Beginning July 1, 2022, and every year thereafter, 50 percent of all use tax revenue collected under subsection (1) of this section on the use of each new and used vehicle in this state, but excluding retail car rentals taxed under RCW 82.08.020, must be deposited into the motor vehicle fund."

Representative Fey spoke against the adoption of the amendment to the striking amendment.

Amendment (1246) to striking amendment (1215) was not adopted.

Representative Barkis moved the adoption of amendment (1247) to striking amendment (1215):

On page 41, after line 21 of the striking amendment, insert the following:

"NEW SECTION. **Sec. 301.** The legislature finds that many transportation facilities provide a public good where user fares and fees are insufficient to pay for the capital, maintenance, and operating expenses of the facility, activity, service, or program. The majority of revenue appropriated through the omnibus transportation appropriations act for transportation facilities comes from fees or taxes related to driving a vehicle. This is an unsustainable model of funding in light of the trend to adopt laws that are meant to reduce vehicle miles traveled, reduce the quantity of emissions of greenhouse gases per distance traveled in the transportation sector, and reduce the sale of fossil fuels on which many taxes are imposed. In order to provide the caliber of transportation facilities and social services that are being demanded by society, use of general fund resources is the most equitable funding option. It is unfair and unsustainable to make one mode of travel pay for all other modes. The general fund, even during a pandemic, is experiencing substantial revenue growth while the funds associated with the transportation budget are stagnant or below revenue expectations and actual programmatic needs. Sections 301 through 306 of the act designate programs and activities that in the future will receive funding from the general fund.

NEW SECTION. **Sec. 302.** A new section is added to chapter 43.79 RCW to read as follows:

(1)(a) The legislature has created several transportation programs in the omnibus transportation appropriations act over the course of time that continue to this day. These include many transportation grant programs that the legislature intends to continue funding in the future. The connecting Washington transportation plan enacted in 2015 provided intent to fund a number of grants and projects as identified in LEAP Transportation Documents 2015 NL-1 and

NL-2 that will continue to be funded, unless there was a specific legal change in a subsequently adopted act.

(b) The legislature has also created several transportation-related tax incentives, including tax incentives related to the commute trip reduction program and the purchase of electric vehicles. It is the intent of the legislature that beginning with the 2025-2027 fiscal biennium, these tax incentives will be funded by the omnibus appropriations act from accounts and sources of funds other than those appropriated in the omnibus transportation appropriations act.

(c) The legislature has also created several multimodal transportation programs on a pilot basis that have expired or will expire prior to the effective date of this section. Examples include the student ORCA card pilot program first created in section 220(10), chapter 313, Laws of 2017; the transit coordination grant program created in section 4, chapter 11, Laws of 2015 3rd sp. sess.; and the green transportation capital grant program in RCW 47.66.120. It is the intent of the legislature that, if the legislature acts to reprise or recreate any of these programs, beginning with the 2025-2027 fiscal biennium, the reprised or recreated program be funded by the omnibus appropriations act from accounts and sources of funds other than those appropriated in the omnibus transportation appropriations act.

(2) Beginning July 1, 2025, appropriations for the following programs shall be paid out of the general fund:

(a) Projects that correct barriers for fish to swim upstream on public lands;

(b) Americans with disabilities act upgrades to transportation facilities;

(c) New buildings primarily where state transportation employees work;

(d) Mobility and public transit-related grants, social services, and programs, such as, but not limited to, regional mobility grants, rural mobility grants, vanpool grants, and any pilot or expired grants that are to be continued;

(e) Programs related to transitioning transportation programs, systems, facilities, or vehicles designated as green or clean fuel programs authorized in law, such as, but not limited to,

green transportation capital grants, the clean alternative fuel vehicle charging and refueling infrastructure program, and the clean alternative fuel car sharing program for underserved and low-income communities;

(f) Programs that provide tax incentives for the purchase or lease of vehicles with lithium-ion batteries or alternative fuel vehicles, as well as for other equipment that supports vehicle conversions to alternative fuels;

(g) Safe routes to schools grants;

(h) Bicycle and pedestrian pathways that are not an integrated part of a highway project or are administered by any government agency other than the department of transportation;

(i) Capital and operation costs for intercity passenger rail service;

(j) Assistance funding for freight rail programs;

(k) Stormwater facility upgrades and maintenance of such facilities near highways with high-density traffic near salmon-bearing streams where untreated runoff containing 6 CPPD and 6 CPPD quinone are killing significant amounts of salmon; and

(l) Any other programs as directed by law.

(3) Projects agreed to as part of the nickel, transportation partnership, and connecting Washington transportation package will remain funded within the transportation appropriations act. However, in situations where revenues appropriated through the transportation appropriations act are insufficient to pay for the obligations associated with those projects, general funds may be provided to ensure the completion of the projects.

NEW SECTION. Sec. 303. (1)(a) The chairs of the transportation committees of the house of representatives and senate shall convene an internal legislative work group to be known as the budgets transition work group to implement the transition in section 102 of this act. At the end of the process, the budgets transition work group members and staff should have identified the provisions that need to be modified in future budgets to successfully shift funding in accordance with this act. The members of the work group include:

(i) The chairs and ranking members of the committees on transportation, or a designated alternative member of each caucus;

(ii) The chairs and ranking member of the house of representatives' appropriations committee, or a designated alternative member of each caucus; and

(iii) The chair and ranking member of the senate ways and means committee, or a designated alternative member of each caucus.

(b) The director of the office of financial management, or a designated employee of the agency with knowledge of the legislative appropriations acts, may be invited to serve in an advisory capacity.

(2) Staff support for the budgets transition work group shall be provided by senate committee services and the house of representatives office of program research. The employees of the office of financial management shall cooperate with the work group to obtain information from state agencies as necessary to effectuate the transition.

(3) Legislative members of the budgets transition work group shall be reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members, except those representing an employer or organization, are entitled to be reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060.

(4) The expenses of the budgets transition work group shall be paid jointly by the senate and the house of representatives.

Sec. 304. RCW 46.68.135 and 2006 c 337 s 4 are each amended to read as follows:

By July 1, 2006, and each year thereafter, the state treasurer shall transfer two and one-half million dollars from the (~~multimodal account~~) state general fund to the transportation infrastructure account created under RCW 82.44.190. The funds must be distributed for rail capital improvements only.

Sec. 305. RCW 46.68.320 and 2010 c 247 s 702 are each amended to read as follows:

(1) The regional mobility grant program account is hereby created in the

state treasury. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for the grants provided under RCW 47.66.030.

(2) Beginning with September 2007, by the last day of September, December, March, and June of each year, the state treasurer shall transfer from the ~~((multimodal transportation account))~~ state general fund to the regional mobility grant program account five million dollars.

(3) Beginning with September 2015, by the last day of September, December, March, and June of each year, the state treasurer shall transfer from the ~~((multimodal transportation account))~~ state general fund to the regional mobility grant program account six million two hundred fifty thousand dollars.

~~((4) During the 2009-2011 fiscal biennium, the legislature may transfer from the regional mobility grant program account to the multimodal transportation account such amounts as reflect the excess fund balance of the regional mobility grant program account.))~~

Sec. 306. RCW 46.68.325 and 2021 c 333 s 708 are each amended to read as follows:

(1) The rural mobility grant program account is created in the state treasury. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for the grants provided under RCW 47.66.100.

(2) Beginning September 2011, by the last day of September, December, March, and June of each year, the state treasurer shall transfer from the ~~((multimodal transportation account))~~ state general fund to the rural mobility grant program account two million five hundred thousand dollars.

(3) ~~((During the 2015-2017 fiscal biennium, the legislature may transfer from the rural mobility grant program account to the multimodal transportation account such amounts as reflect the excess fund balance of the rural mobility grant program account.~~

~~(4))~~ During the ~~((2017-2019, 2019-2021, and))~~ 2021-2023 fiscal ~~((biennia))~~ biennium, the legislature may direct the state treasurer to make transfers of moneys in the rural mobility grant

program account to the multimodal transportation account."

On page 124, after line 37, insert the following:

"NEW SECTION. Sec. 435. A new section is added to chapter 82.38 RCW to read as follows:

(1) The department of agriculture shall produce a fuel tax sticker for display on each motor fuel pump from which fuel is sold at retail that displays and provides notice of the federal and state fuel tax rates. The sticker must display the rate of each tax, in cents per gallon, for each type of fuel.

(2) The department of agriculture shall provide notice of federal and state fuel tax rates, in the form of a fuel tax sticker, to be displayed on motor fuel pumps.

(3) The department of agriculture shall distribute fuel tax stickers to all individuals who conduct fuel pump

inspections, including department employees and local government employees. Government employees who conduct fuel pump inspections shall display a fuel tax sticker on each motor fuel pump or shall verify that such a sticker is being displayed at the time of inspection as required under this subsection. Fuel tax stickers must:

(a) Be displayed on each face of the motor fuel pump on which the price of the fuel sold from the pump is displayed; and

(b) Be displayed in a clear, conspicuous, and prominent manner.

(4) The department of agriculture shall provide fuel tax stickers by mail to fuel pump owners who request them for the face of each motor fuel pump for which a sticker is requested.

(5) The department of agriculture shall produce updated fuel tax stickers on an annual basis when one or more fuel tax rates have changed. Fuel tax stickers must be replaced at the time of motor fuel pump inspection if the sticker has been updated with any new fuel tax rates."

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) An additive omnibus transportation budget of the state is hereby adopted and, subject to the provisions set forth, the several amounts specified, or as much thereof as may be necessary to accomplish the purposes designated, are hereby appropriated from the several accounts and funds named to the designated state agencies and offices for employee compensation and other expenses, for capital projects, and for other specified purposes, including the payment of any final judgments arising out of such activities, for the period ending June 30, 2023.

(2) It is the intent of the legislature that the funding levels specified in LEAP Transportation Document 2022-A as developed February 8, 2022, represents a commitment to provide climate commitment act-related appropriations to the agencies, programs, and activities at the amounts identified therein through fiscal year 2038.

(3) Unless the context clearly requires otherwise, the definitions in this subsection apply throughout this act.

(a) "Fiscal year 2022" or "FY 2022" means the fiscal year ending June 30, 2022.

(b) "Fiscal year 2023" or "FY 2023" means the fiscal year ending June 30, 2023.

(c) "FTE" means full-time equivalent.

(d) "Lapse" or "revert" means the amount shall return to an unappropriated status.

(e) "Provided solely" means the specified amount may be spent only for the specified purpose. Unless otherwise specifically authorized in this act, any portion of an amount provided solely for a specified purpose that is not expended subject to the specified conditions and limitations to fulfill the specified purpose shall lapse.

(f) "Reappropriation" means appropriation and, unless the context clearly provides otherwise, is subject to the relevant conditions and limitations applicable to appropriations.

(g) "LEAP" means the legislative evaluation and accountability program committee.

Requiring cost sharing for prescription drugs to be counted against an enrollee's obligation, regardless of source.

The bill was read the second time.

Representative Cody moved the adoption of striking amendment (1223):

Strike everything after the enacting clause and insert the following:

"**NEW SECTION. Sec. 1.** A new section is added to chapter 48.43 RCW to read as follows:

(1)(a) Except as provided in (b) of this subsection, when calculating an enrollee's contribution to any applicable cost-sharing or out-of-pocket maximum, a health carrier offering a nongrandfathered health plan with a pharmacy benefit, or a health care benefit manager administering benefits for the health carrier, shall include any cost-sharing amounts paid by the enrollee directly or on behalf of the enrollee by another person for a covered prescription drug that is:

(i) Without a generic equivalent or a therapeutic equivalent preferred under the health plan's formulary;

(ii) With a generic equivalent or a therapeutic equivalent preferred under the health plan's formulary where the enrollee has obtained access to the drug through:

(A) Prior authorization;

(B) Step therapy; or

(C) The prescription drug exception request process under RCW 48.43.420; or

(iii) With a generic equivalent or therapeutic equivalent preferred under the health plan's formulary, throughout an exception request process under RCW 48.43.420, including any appeal of a denial of an exception request. If the health carrier utilizes a health care benefit manager to approve or deny exception requests, the exception request process for the purposes of this subsection (1)(a)(iii) also includes any time between the completion of the exception request process, including any appeal of a denial, and when the health care benefit manager communicates the status of the request to the health carrier.

(b) When calculating an enrollee's contribution to any applicable deductible, any amount paid on behalf of the enrollee by another person for a prescription drug that is not subject to payment of a deductible need not be included in the calculation, unless the terms of the enrollee's health plan require inclusion.

(2) Any cost-sharing amounts paid directly by or on behalf of the enrollee by another person for a covered prescription drug under subsection (1) of this section shall be applied towards the enrollee's applicable cost-sharing or out-of-pocket maximum in full at the time it is rendered.

(3) The commissioner may adopt any rules necessary to implement this section.

(4) This section applies to nongrandfathered health plans issued or renewed on or after January 1, 2023.

(5) This section does not apply to a qualifying health plan for a health savings account to the extent necessary to preserve the enrollee's ability to claim tax exempt contributions and withdrawals from the enrollee's health savings account under internal revenue service laws, regulations, and guidance.

(6) For purposes of this section:

(a) "Health care benefit manager" has the same meaning as in RCW 48.200.020.

(b) "Person" has the same meaning as in RCW 48.01.070.

Sec. 2. RCW 41.05.017 and 2021 c 280 s 2 are each amended to read as follows:

Each health plan that provides medical insurance offered under this chapter, including plans created by insuring entities, plans not subject to the provisions of Title 48 RCW, and plans created under RCW 41.05.140, are subject to the provisions of RCW 48.43.500, 70.02.045, 48.43.505 through 48.43.535, 48.43.537, 48.43.545, 48.43.550, 70.02.110, 70.02.900, 48.43.190, 48.43.083, 48.43.0128, section 1 of this act, and chapter 48.49 RCW."

~~((j))~~ (k) The department of children, youth, and families; and

~~((k))~~ (1) The department.

(5) Each member of the advisory committee is appointed for a four-year term unless a member is appointed to complete an unexpired term. The secretary may adjust the length of term at the time of appointment or reappointment so that approximately one-half of the advisory committee is appointed every two years.

(6) The secretary may remove an advisory committee member:

(a) If the member is unable or unwilling to carry out the member's assigned responsibilities; or

(b) For good cause.

(7) If a vacancy occurs in the advisory committee membership for any reason, a replacement may be appointed for the unexpired term.

(8) The advisory committee shall choose cochairs from among its membership. The secretary shall convene the initial meeting of the advisory committee.

(9) A majority of the advisory committee constitutes a quorum of the advisory committee at any meeting and the action of the majority of members present is the action of the advisory committee.

(10) The advisory committee shall:

(a) Meet quarterly at the request of the task force cochairs or the cochairs of the advisory committee;

(b) Make recommendations to the task force on how the task force and the state can effectively address the needs of children affected by intergenerational poverty and achieve the purposes and duties of the task force as described in RCW 74.08A.505;

(c) Ensure that the advisory committee's recommendations to the task force are supported by verifiable data; and

(d) Gather input from diverse communities about the impact of intergenerational poverty on outcomes such as education, health care, employment, involvement in the child welfare system, and other related areas.

(11) The department shall provide staff support to the advisory committee and shall endeavor to accommodate the participation needs of its members. Accommodations may include considering the location and time of committee meetings, making options available for remote participation by members, and convening meetings of the committee in locations with proximity to available child care whenever feasible.

(12) Members of the advisory committee may receive reimbursement for travel expenses in accordance with RCW 43.03.050 and 43.03.060."

Representative Mosbrucker moved the adoption of amendment (1332):

On page 7, after line 22, insert the following:

"(f) During a visit with an unaccompanied homeless youth who provides informed consent authorized under this subsection (3), a primary care provider as defined under RCW 74.09.010 shall use existing best practices that align with any guidelines developed by the office of crime victims advocacy established in RCW 43.280.080 and the commercially sexually exploited children statewide coordinating committee established under RCW 7.68.801 designed to identify:

(i) Whether the unaccompanied homeless youth may be a victim of human trafficking; and

(ii) Potential referral to additional services, the department of children, youth, and families, or law enforcement."

Representatives Mosbrucker and Senn spoke in favor of the adoption of the amendment.

Amendment (1332) was adopted.

There being no objection, the rules were suspended, the second reading considered the third and the bill, as amended by the House, was placed on final passage.

Representatives Senn, Ortiz-Self and Harris-Talley spoke in favor of the passage of the bill.

Representatives Dent, Dufault, Graham, Klippert, Caldier, Chase, Chambers and Kraft spoke against the passage of the bill.

The Speaker (Representative Bronoske presiding) stated the question before the House to be the final passage of Substitute Senate Bill No. 5883, as amended by the House.

ROLL CALL

The Clerk called the roll on the final passage of Substitute Senate Bill No. 5883, as amended by the House, and the bill passed the House by the following vote: Yeas, 57; Nays, 41; Absent, 0; Excused, 0.

Voting yea: Representatives Bateman, Berg, Bergquist, Berry, Bronoske, Callan, Chapman, Chopp, Cody, Davis, Dolan, Donaghy, Duerr, Entenman, Fey, Fitzgibbon, Frame, Goodman, Gregerson, Hackney, Hansen, Harris-Talley, J. Johnson, Kirby, Kloba, Leavitt, Lekanoff, Macri, Morgan, Ormsby, Ortiz-Self, Orwall, Paul, Peterson, Pollet, Ramel, Ramos, Riccelli, Rule, Ryu, Santos, Sells, Senn, Shewmake, Simmons, Slatter, Springer, Stonier, Sullivan, Taylor, Thai, Tharinger, Valdez, Walen, Wicks, Wylie and Mme. Speaker.

Voting nay: Representatives Abbarno, Barkis, Boehnke, Caldier, Chambers, Chandler, Chase, Corry, Dent, Dufault, Dye, Eslick, Gilday, Goehner, Graham, Griffey, Harris, Hoff, Jacobsen, Klicker, Klippert, Kraft, Kretz, MacEwen, Maycumber, McCaslin, McEntire, Mosbrucker, Orcutt, Robertson, Rude, Schmick, Steele, Stokesbary, Sutherland, Vick, Volz, Walsh, Wilcox, Ybarra and Young.

SUBSTITUTE SENATE BILL NO. 5883, as amended by the House, having received the necessary constitutional majority, was declared passed.

The Speaker (Representative Bronoske presiding) called upon Representative Orwall to preside.

There being no objection, the House reverted to the third order of business.

MESSAGES FROM THE SENATE

March 3, 2022

Mme. SPEAKER:

The Senate has passed:

and the same are herewith transmitted.

Sarah Bannister, Secretary

There being no objection, the House advanced to the eighth order of business.

MOTION

There being no objection, the Committee on Rules was relieved of the following bills and the bills were placed on the second reading calendar:

SUBSTITUTE SENATE BILL NO. 5818
ENGROSSED SUBSTITUTE SENATE BILL NO.
5268
SENATE JOINT MEMORIAL NO. 8006
SENATE BILL NO. 5844
SUBSTITUTE SENATE BILL NO. 5644
SUBSTITUTE SENATE BILL NO. 5756
SUBSTITUTE SENATE BILL NO. 5728

There being no objection, the House reverted to the sixth order of business.

SECOND READING

SUBSTITUTE SENATE BILL NO. 5722, by Senate Committee on Environment, Energy & Technology (originally sponsored by Nguyen, Liias, Lovelett, Nobles, Pedersen, Saldaña and Stanford)

Reducing greenhouse gas emissions in buildings.

The bill was read the second time.

There being no objection, the committee striking amendment by the Committee on Appropriations was not adopted. (For Committee amendment, see Journal, Day 50, February 28, 2022).

With the consent of the House, amendments (1299) and (1274) were withdrawn.

Representative Hackney moved the adoption of striking amendment (1302):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that in order to meet the statewide greenhouse gas emissions limits in RCW 70A.45.020, the state must require performance standards for existing buildings.

In order to have a comprehensive understanding of the need and potential for updating the state's building stock, including the "split incentive issue" in which tenants are responsible for energy costs and building owners are responsible for choices about energy systems and building maintenance, more robust benchmarking and reporting for building performance, operations, and maintenance is needed. While the state has adopted comprehensive reporting requirements for larger buildings, it currently lacks similar requirements for smaller buildings. It is the intent of the legislature to extend existing building benchmarking, energy management, and operations and maintenance planning requirements to smaller commercial and multifamily residential buildings in order to assess the needs and opportunities for job creation and incentives and environmental and public health improvements.

The legislature further finds that in order to meet the statewide greenhouse gas emissions limits in the energy sectors of the economy, more resources must be directed toward achieving decarbonization of building heating and cooling loads, while continuing to relieve energy burdens that exist in overburdened communities. These resources must include comprehensive customer support, outreach, and technical assistance. These efforts must include notifying building owners of requirements through communications campaigns, providing resources to aid in compliance, and delivering training to equip building owners, and the industry, to be successful.

Sec. 2. RCW 19.27A.200 and 2019 c 285 s 2 are each amended to read as follows:

The definitions in this section apply throughout RCW 19.27A.210, 19.27A.220, 19.27A.230, ~~((and))~~ 19.27A.240, and sections 3 and 4 of this act unless the context clearly requires otherwise.

(1) "Agricultural structure" means a structure designed and constructed to house farm implements, hay, grain, poultry, livestock, or other horticultural products, and that is not a place used by the public or a place of human habitation or employment where agricultural products are processed, treated, or packaged.

(2) "Baseline energy use intensity" means a building's ~~((weather normalized))~~ energy use intensity ~~((measured the previous year to making an application for an incentive under RCW 19.27A.220))~~ that is representative of energy use in a normal weather year.

(3)(a) "Building owner" means an individual or entity possessing title to a building.

(b) In the event of a land lease, "building owner" means the entity possessing title to the building on leased land.

(4) "Building tenant" means a person or entity occupying or holding possession of a building or premises pursuant to a rental agreement.

(5) "Conditional compliance" means a temporary compliance method used by covered building owners that demonstrate the owner has implemented energy use reduction strategies required by the standard, but has not demonstrated full compliance with the energy use intensity target.

(6) "Consumer-owned utility" has the same meaning as defined in RCW 19.27A.140.

(7) "Covered ~~((commercial))~~ building" ~~((means a building where the sum of nonresidential, hotel, motel, and dormitory floor areas exceeds fifty thousand gross square feet, excluding the parking garage area))~~ includes a tier 1 covered building and a tier 2 covered building.

(8) "Department" means the department of commerce.

(9) "Director" means the director of the department of commerce or the director's designee.

(10) "Electric utility" means a consumer-owned electric utility or an investor-owned electric utility.

(11) "Eligible building owner" means: (a) The owner of a covered ~~((commercial))~~ building required to comply with the

standard established in RCW 19.27A.210; or (b) ~~((the owner of a multifamily residential building where the floor area exceeds fifty thousand gross square feet, excluding the parking garage area))~~ all eligible tier 2 covered building owners.

(12) "Energy" includes: Electricity, including electricity delivered through the electric grid and electricity generated at the building premises using solar or wind energy resources; natural gas, including natural gas derived from renewable sources, synthetic sources, and fossil fuel sources; district steam; district hot water; district chilled water; propane; fuel oil; wood; coal; or other fuels used to meet the energy loads of a building.

(13) "Energy use intensity" means a measurement that normalizes a building's site energy use relative to its size. A building's energy use intensity is calculated by dividing the total net energy consumed in one year by the gross floor area of the building, excluding the parking garage. "Energy use intensity" is reported as a value of thousand British thermal units per square foot per year.

(14) "Energy use intensity target" means the target for net energy use intensity of a covered ~~((commercial))~~ building ~~((that has been established for the purposes of complying with the standard established under RCW 19.27A.210))~~.

(15) "Gas company" includes every corporation, company, association, joint stock association, partnership, and person, their lessees, trustees, or receiver appointed by any court whatsoever, and every city or town owning, controlling, operating, or managing any gas plant within this state.

(16) "Greenhouse gas" includes carbon dioxide, methane, nitrous oxide, hydrofluorocarbons, perfluorocarbons, and sulfur hexafluoride.

(17)(a) "Gross floor area" means the total number of square feet measured between the exterior surfaces of the enclosing fixed walls of a building, including all supporting functions such as offices, lobbies, restrooms, equipment storage areas, mechanical rooms, break rooms, and elevator shafts.

(b) "Gross floor area" does not include outside bays or docks.

(18) "Investor-owned utility" means a ~~((company owned by investors, that meets one of the definitions of RCW 80.04.010, and that is engaged in distributing electricity))~~ corporation owned by investors that meets the definition of "corporation" as defined in RCW 80.04.010 and is engaged in distributing either electricity or natural gas, or both, to more than one retail electric customer in the state.

(19) "Multifamily residential building" means a covered multifamily building containing sleeping units or more than ~~((two))~~ five dwelling units where occupants are primarily permanent in nature.

(20) "Net energy use" means the sum of metered and bulk fuel energy entering the building, minus the sum of metered energy leaving the building or campus. Renewable energy produced on a campus that is not attached to a covered building may be included.

(21) "Qualifying utility" means a consumer-owned or investor-owned gas or electric utility that serves more than ~~((twenty five thousand))~~ 25,000 customers in the state of Washington.

(22) "Savings-to-investment ratio" means the ratio of the total present value savings to the total present value costs of a bundle of an energy or water conservation measure estimated over the projected useful life of each measure. The numerator of the ratio is the present value of net savings in energy or water and nonfuel or nonwater operation and maintenance costs attributable to the proposed energy or water conservation measure. The denominator of the ratio is the present value of the net increase in investment and replacement costs less salvage value attributable to the proposed energy or water conservation measure.

(23) "Standard" means the state energy performance standard for covered ~~((commercial))~~ buildings established under RCW 19.27A.210.

(24) "Thermal energy company" has the same meaning as defined in RCW 80.04.550.

(25) "Weather normalized" means a method for modifying the measured building energy use in a specific weather year to energy use under normal weather conditions.

(26) "Tier 1 covered building" means a building where the sum of nonresidential, hotel, motel, and dormitory floor areas exceed 50,000 gross square feet, excluding the parking garage area.

(27) "Tier 2 covered building" means a building where the sum of multifamily residential, nonresidential, hotel, motel, and dormitory floor areas exceeds 20,000 gross square feet, but does not exceed 50,000 gross square feet, excluding the parking garage area. Tier 2 covered buildings also include multifamily residential buildings where floor areas are equal to or exceed 50,000 gross square feet, excluding the parking garage area.

NEW SECTION. Sec. 3. A new section is added to chapter 19.27A RCW to read as follows:

(1)(a) By December 1, 2023, the department must adopt by rule a state energy management and benchmarking requirement for tier 2 covered buildings. The department shall include a small business economic impact statement pursuant to chapter 19.85 RCW as part of the rule making.

(b) In establishing the requirements under (a) of this subsection, the department must adopt requirements for building owner implementation consistent with the standard established pursuant to RCW 19.27A.210(1) and limited to energy management planning, operations and maintenance planning, and energy use analysis through benchmarking and associated reporting and administrative procedures. Administrative procedures must include exemptions for financial hardship and an appeals process for administrative determinations, including penalties imposed by the department.

(c) The department must provide a customer support program to building owners including, but not limited to, outreach and informational materials that connect tier 2 covered building owners to utility resources, periodic training, phone and email support, and other technical assistance. The customer support program must include enhanced technical support, such as benchmarking assistance and assistance in developing energy management and operations and maintenance plans, for tier 2 covered buildings whose owners typically do not employ dedicated building managers including, but not limited to, multifamily housing, child care

facilities, and houses of worship. The department shall prioritize underresourced buildings with a high energy use per square foot, buildings in rural communities, buildings whose tenants are primarily small businesses, and buildings located in high-risk communities according to the department of health's environmental health disparities map.

(d)(i) The department may adopt rules related to the imposition of an administrative penalty not to exceed 30 cents per square foot upon a tier 2 covered building owner for failing to submit documentation demonstrating compliance with the requirements of this subsection.

(ii) Administrative penalties collected under this section must be deposited into the low-income weatherization and structural rehabilitation assistance account created in RCW 70A.35.030 and reinvested into the program, where feasible, to support compliance with the standard.

(2) By July 1, 2025, the department must provide the owners of tier 2 covered buildings with notification of the requirements the department has adopted pursuant to this section that apply to tier 2 covered buildings.

(3) The owner of a tier 2 covered building must report the building owner's compliance with the requirements adopted by the department to the department in accordance with the schedule established under subsection (4) of this section and every five years thereafter. For each reporting date, the building owner must submit documentation to demonstrate that the building owner has developed and implemented the procedures adopted by the department by rule, limited to energy management planning, operations and maintenance planning, and energy use analysis through benchmarking.

(4) By July 1, 2027, tier 2 covered building owners must submit reports to the department as required by the rules adopted in subsection (1) of this section.

(5)(a) By July 1, 2029, the department must evaluate benchmarking data to determine energy use and greenhouse gas emissions averages by tier 2 covered building type.

(b) The department must submit a report to the legislature and the

governor by October 1, 2029, with recommendations for cost-effective building performance standards for tier 2 covered buildings. The report must contain information on estimated costs to building owners to implement the performance standards and anticipated implementation challenges.

(c)(i) By December 31, 2030, the department must adopt rules for performance standards for tier 2 covered buildings.

(ii) In adopting these performance standards, the department must consider the age of the building in setting energy use intensity targets.

(iii) The department may adopt performance standards for multifamily residential buildings on a longer timeline schedule than for other tier 2 covered buildings.

(iv) The rules may not take effect before the end of the 2031 regular legislative session.

(v) The department must include a small business economic impact statement pursuant to chapter 19.85 RCW as part of the rule making.

Sec. 4. RCW 19.27A.220 and 2021 c 315 s 18 are each amended to read as follows:

(1) The department must establish a state energy performance standard early adoption incentive program consistent with the requirements of this section. This early adoption incentive program may include incentive payments for early adoption of tier 2 covered building owner requirements as described in subsection (6) of this section.

(2) The department must adopt application and reporting requirements for the incentive program. Building energy reporting for the incentive program must be consistent with the energy reporting requirements established under RCW 19.27A.210.

(3) Upon receiving documentation demonstrating that a building owner qualifies for an incentive under this section, the department must authorize each applicable entity administering incentive payments, as provided in RCW 19.27A.240, to make an incentive payment to the building owner. When a building is served by more than one entity offering incentives or more than one type of fuel, incentive payments must be proportional to the energy use intensity reduction of

each specific fuel provided by each entity for tier 1 buildings. The department may authorize any participating utility, regardless of fuel specific savings, serving a tier 2 building to administer the incentive payment.

(4) ~~((An eligible))~~ A covered building owner may receive an incentive payment in the amounts specified in subsection ~~((6))~~ (8)(a) of this section only if the following requirements are met:

(a) The building is either: (i) A covered commercial building subject to the requirements of the standard established under RCW 19.27A.210; or (ii) a multifamily residential building where the floor area exceeds ~~((fifty thousand))~~ 50,000 gross square feet, excluding the parking garage area;

(b) The building's baseline energy use intensity exceeds its applicable energy use intensity target by at least ~~((fifteen))~~ 15 energy use intensity units;

(c) At least one electric utility, gas company, or thermal energy company providing or delivering energy to the covered commercial building or multifamily residential building is participating in the incentive program by administering incentive payments as provided in RCW 19.27A.240; and

(d) The building owner complies with any other requirements established by the department.

(5) ~~((a) An eligible))~~ A covered building owner who meets the requirements of subsection (4) of this section may submit an application to the department for an incentive payment in a form and manner prescribed by the department. The application must be submitted in accordance with the following schedule:

~~((i))~~ (a) For a building with more than ~~((two hundred twenty thousand))~~ 220,000 gross square feet, beginning July 1, 2021, through June 1, 2025;

~~((ii))~~ (b) For a building with more than ~~((ninety thousand))~~ 90,000 gross square feet but less than ~~((two hundred twenty thousand and one))~~ 220,001 gross square feet, beginning July 1, 2021, through June 1, 2026; and

~~((iii))~~ (c) For a building with more than ~~((fifty thousand))~~ 50,000 gross square feet but less than ~~((ninety thousand and one))~~ 90,001 gross square

feet, beginning July 1, 2021, through June 1, 2027.

~~((b))~~ (6)(a) A tier 2 covered building owner may receive an incentive payment in the amounts specified in subsection (8)(b) of this section only if all required benchmarking, energy management, and operations and maintenance planning documentation as required under section 3 of this act has been submitted to the department and an incentive application has been completed.

(b) An eligible tier 2 covered building owner may submit an application beginning July 1, 2025, through June 1, 2030.

(7) The department must review each application and determine whether the applicant is eligible for the incentive program and if funds are available for the incentive payment within the limitation established in RCW 19.27A.230. If the department certifies an application, it must provide verification to the building owner and each entity participating as provided in RCW 19.27A.240 and providing service to the building owner.

~~((6) An eligible building owner)~~ (8)(a) An eligible owner of a tier 1 covered building or an eligible owner of a multifamily residential building greater than 50,000 gross square feet, excluding the parking area, that demonstrates early compliance with the applicable energy use intensity target under the standard established under RCW 19.27A.210 may receive a base incentive payment of ~~((eighty five))~~ 85 cents per gross square foot of floor area, excluding parking, unconditioned, or semiconditioned spaces.

~~((7))~~ (b) A tier 2 eligible building owner that demonstrates compliance with the applicable benchmarking, energy management, and operations and maintenance planning requirements may receive a base incentive payment of 30 cents per gross square foot of floor area, excluding parking, unconditioned, or semiconditioned spaces. The department may implement a tiered incentive structure for upgrading multifamily buildings to provide an enhanced incentive payment to multifamily building owners willing to commit to antidisplacement provisions.

(9) The incentives provided in subsection ~~((6))~~ (8) of this section

are subject to the limitations and requirements of this section, including any rules or procedures implementing this section.

~~((9))~~ (10) The department must establish requirements for the verification of energy consumption by the building owner and each participating electric utility, gas company, and thermal energy company.

~~((9))~~ (11) The department must provide an administrative process for an eligible building owner to appeal a determination of an incentive eligibility or amount.

~~((10))~~ (12) By September 30, 2025, and every two years thereafter, the department must report to the appropriate committees of the legislature on the results of the incentive program under this section and may provide recommendations to improve the effectiveness of the program. The 2025 report to the legislature must include recommendations for aligning the incentive program established under this section consistent with a goal of reducing greenhouse gas emissions from substitutes, as defined in RCW 70A.60.010.

~~((11))~~ (13) The department may adopt rules to implement this section.

Sec. 5. RCW 19.27A.230 and 2019 c 285 s 5 are each amended to read as follows:

(1) The department may not issue a certification for ~~((an))~~ a tier 1 incentive application under RCW 19.27A.220(8)(a) if doing so is likely to result in total incentive payments under RCW 19.27A.220(8)(a) in excess of ~~((seventy five million dollars))~~ \$75,000,000.

(2) The department may not issue certification for a tier 2 incentive application under RCW 19.27A.220(8)(b) if doing so is likely to result in total incentive payments under RCW 19.27A.220(8)(b) in excess of \$150,000,000.

Sec. 6. RCW 19.27A.240 and 2019 c 285 s 6 are each amended to read as follows:

(1)(a) Each qualifying utility must administer incentive payments for the state energy performance standard early adoption incentive program established in RCW 19.27A.220 on behalf of its customers who are eligible building owners of covered commercial buildings

~~((or))~~, multifamily residential buildings, or other tier 2 covered buildings consistent with the requirements of this section. Any thermal energy company, electric utility, or gas company not otherwise required to administer incentive payments may voluntarily participate by providing notice to the department in a form and manner prescribed by the department.

(b) Nothing in this subsection (1) requires a qualifying utility to administer incentive payments for the state energy performance standard early adoption incentive program established in RCW 19.27A.220 for which the qualifying utility is not allowed a credit against taxes due under this chapter, as described in RCW 82.16.185.

(2) An entity that administers the payments for the incentive program under this section must administer the program in a manner that is consistent with the standard established and any rules adopted by the department under RCW 19.27A.210 ~~((and))~~, 19.27A.220, and section 3 of this act.

(3) Upon receiving notification from the department that a building owner has qualified for an incentive payment, each entity that administers incentive payments under this section must make incentive payments to its customers who are eligible building owners of covered commercial buildings or multifamily residential buildings who qualify as provided under this section and at rates specified in RCW 19.27A.220~~((+6))~~ (8). When a building is served by more than one entity administering incentive payments, incentive payments must be proportional to the energy use intensity reduction of the participating entities' fuel.

(4) The participation by an entity in the administration of incentive payments under this section does not relieve the entity of any obligation that may otherwise exist or be established to provide customer energy efficiency programs or incentives.

(5) An entity that administers the payments for the incentive program under this section is not liable for excess payments made in reliance on amounts reported by the department as due and payable as provided under RCW 19.27A.220, if such amounts are later found to be abnormal or inaccurate due to no fault of the business.

NEW SECTION. Sec. 7. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2022, in the omnibus appropriations act, this act is null and void."

Correct the title.

Representative Dye moved the adoption of amendment (1314) to striking amendment (1302):

On page 1, line 17 of the striking amendment, after "commercial" strike "and multifamily residential"

On page 4, line 32 of the striking amendment, after "(27)" insert "(a)"

On page 4, at the beginning of line 33 of the striking amendment, strike "multifamily residential,"

On page 4, beginning on line 35 of the striking amendment, after "area." strike all material through "area." on line 38

On page 4, after line 38 of the striking amendment, insert the following:

"(b) "Tier 2 covered building" does not include any building that is a:

(i) childcare facility;

(ii) house of worship;

(iii) hospital;

(iv) commercial building, owned or occupied by a tenant, that provides healthcare services;

(v) commercial building owned or occupied by a person to manufacture, or to retail or wholesale sell, pharmaceutical medicine; or

(vi) commercial building that is owned or occupied by a retail or wholesale seller of building materials, including, but not limited to, sellers of lumber, flooring, roofing materials, plumbing fixtures, doors, windows, kitchen appliances, and interior lighting."

On page 5, beginning on line 25 of the striking amendment, after "managers" strike all material through "worship" on line 27

On page 6, beginning on line 33 of the striking amendment, after "(iii)" strike all material through "(iv)" on line 38

Renumber the remaining subsection consecutively and correct any internal references accordingly.

On page 9, beginning on line 7 of the striking amendment, after "spaces." strike all material through "provisions." on line 11

On page 10, line 11 of the striking amendment, after "or" strike "other"

Representatives Dye, Dufault, Klicker, Klippert, Barkis, Chambers, Walsh, Goehner, Ybarra, Kraft and Harris spoke in favor of the adoption of the amendment to the striking amendment.

Representatives Fitzgibbon and Ramel spoke against the adoption of the amendment to the striking amendment.

Amendment (1314) to striking amendment (1302) was not adopted.

Representative Dye moved the adoption of amendment (1313) to striking amendment (1302):

On page 4, line 38 of the striking amendment, after "area." insert "Tier 2 covered buildings do not include any buildings served by an electric utility with a fuel mix that has a greenhouse gas content calculation as defined in RCW 19.405.070 of 10 percent or less, and that are not using natural gas for space or water heating."

Representatives Dye, Dufault, Boehnke and Walsh spoke in favor of the adoption of the amendment to the striking amendment.

Representative Ramel spoke against the adoption of the amendment to the striking amendment.

Amendment (1313) to striking amendment (1302) was not adopted.

Representative Hackney spoke in favor of the adoption of the striking amendment.

Representative Dye spoke against the adoption of the striking amendment.

Striking amendment (1302) was adopted.

There being no objection, the rules were suspended, the second reading considered the third and the bill, as amended by the House, was placed on final passage.

Representatives Hackney, Ramel, Fitzgibbon and Duerr spoke in favor of the passage of the bill.

Representatives McCaslin, Dye, Abbarno, McEntire, Dufault, Barkis, Hoff, Klicker, Jacobsen, Chase, Klippert, Goehner, Harris, Gilday, Kraft, McEntire (again), Ybarra, Walsh and Boehnke spoke against the passage of the bill.

The Speaker (Representative Orwall presiding) stated the question before the House to be the final passage of Substitute Senate Bill No. 5722, as amended by the House.

ROLL CALL

The Clerk called the roll on the final passage of Substitute Senate Bill No. 5722, as amended by the House, and the bill passed the House by the following vote: Yeas, 53; Nays, 45; Absent, 0; Excused, 0.

Voting yea: Representatives Bateman, Berg, Bergquist, Berry, Bronoske, Callan, Chopp, Cody, Davis, Dolan, Donaghy, Duerr, Entenman, Fey, Fitzgibbon, Frame, Goodman, Gregerson, Hackney, Hansen, Harris-Talley, J. Johnson, Kirby, Kloba, Leavitt, Lekanoff, Macri, Morgan, Ormsby, Ortiz-Self, Orwall, Paul, Peterson, Pollet, Ramel, Ramos, Riccelli, Ryu, Santos, Sells, Senn, Shewmake, Simmons, Slatter, Stonier, Sullivan, Taylor, Thai, Valdez, Walen, Wicks, Wylie and Mme. Speaker.

Voting nay: Representatives Abbarno, Barkis, Boehnke, Caldier, Chambers, Chandler, Chapman, Chase, Corry, Dent, Dufault, Dye, Eslick, Gilday, Goehner, Graham, Griffey, Harris, Hoff, Jacobsen, Klicker, Klippert, Kraft, Kretz, MacEwen, Maycumber, McCaslin, McEntire, Mosbrucker, Orcutt, Robertson, Rude, Rule, Schmick, Springer, Steele, Stokesbary, Sutherland, Tharinger, Vick, Volz, Walsh, Wilcox, Ybarra and Young.

SUBSTITUTE SENATE BILL NO. 5722, as amended by the House, having received the necessary constitutional majority, was declared passed.

ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5600, by Senate Committee on Ways & Means (originally sponsored by Keiser, Holy, Conway, Das, Dhingra, Hasegawa, Kuderer, Liias, Lovelett, Lovick, Randall, Rivers, Robinson, Saldaña, Salomon, Stanford, Trudeau, Wagoner, Warnick, Wellman and Wilson, C.)

Concerning the sustainability and expansion of state registered apprenticeship programs.

The bill was read the second time.

There being no objection, the committee striking amendment by the Committee on Appropriations was adopted. (For Committee amendment, see Journal, Day 50, February 28, 2022).

SENATE BILL NO. 5715, having received the necessary constitutional majority, was declared passed.

SECOND SUBSTITUTE SENATE BILL NO. 5664, by Senate Committee on Ways & Means (originally sponsored by Dhingra, Keiser and Nobles)

Concerning forensic competency restoration programs.

The bill was read the second time.

There being no objection, the committee striking amendment by the Committee on Civil Rights & Judiciary was not adopted. (For Committee amendment, see Journal, Day 46, February 24, 2022).

With the consent of the House, amendment (1300) was withdrawn.

Representative Davis moved the adoption of striking amendment (1326):

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 10.77.010 and 2021 c 263 s 9 are each reenacted and amended to read as follows:

As used in this chapter:

(1) "Admission" means acceptance based on medical necessity, of a person as a patient.

(2) "Commitment" means the determination by a court that a person should be detained for a period of either evaluation or treatment, or both, in an inpatient or a less-restrictive setting.

(3) "Community behavioral health agency" has the same meaning as "licensed or certified behavioral health agency" defined in RCW 71.24.025.

(4) "Conditional release" means modification of a court-ordered commitment, which may be revoked upon violation of any of its terms.

(5) A "criminally insane" person means any person who has been acquitted of a

crime charged by reason of insanity, and thereupon found to be a substantial danger to other persons or to present a substantial likelihood of committing criminal acts jeopardizing public safety or security unless kept under further control by the court or other persons or institutions.

(6) "Department" means the state department of social and health services.

(7) "Designated crisis responder" has the same meaning as provided in RCW 71.05.020.

(8) "Detention" or "detain" means the lawful confinement of a person, under the provisions of this chapter, pending evaluation.

(9) "Developmental disabilities professional" means a person who has specialized training and three years of experience in directly treating or working with persons with developmental disabilities and is a psychiatrist or psychologist, or a social worker, and such other developmental disabilities professionals as may be defined by rules adopted by the secretary.

(10) "Developmental disability" means the condition as defined in RCW 71A.10.020(5).

(11) "Discharge" means the termination of hospital medical authority. The commitment may remain in place, be terminated, or be amended by court order.

(12) "Furlough" means an authorized leave of absence for a resident of a state institution operated by the department designated for the custody, care, and treatment of the criminally insane, consistent with an order of conditional release from the court under this chapter, without any requirement that the resident be accompanied by, or be in the custody of, any law enforcement or institutional staff, while on such unescorted leave.

(13) "Habilitative services" means those services provided by program personnel to assist persons in acquiring and maintaining life skills and in raising their levels of physical, mental, social, and vocational functioning. Habilitative services include education, training for employment, and therapy. The habilitative process shall be undertaken with recognition of the risk to the public safety presented by the person

being assisted as manifested by prior charged criminal conduct.

(14) "History of one or more violent acts" means violent acts committed during: (a) The ten-year period of time prior to the filing of criminal charges; plus (b) the amount of time equal to time spent during the ten-year period in a mental health facility or in confinement as a result of a criminal conviction.

(15) "Immediate family member" means a spouse, child, stepchild, parent, stepparent, grandparent, sibling, or domestic partner.

(16) "Incompetency" means a person lacks the capacity to understand the nature of the proceedings against him or her or to assist in his or her own defense as a result of mental disease or defect.

(17) "Indigent" means any person who is financially unable to obtain counsel or other necessary expert or professional services without causing substantial hardship to the person or his or her family.

(18) "Individualized service plan" means a plan prepared by a developmental disabilities professional with other professionals as a team, for an individual with developmental disabilities, which shall state:

(a) The nature of the person's specific problems, prior charged criminal behavior, and habilitation needs;

(b) The conditions and strategies necessary to achieve the purposes of habilitation;

(c) The intermediate and long-range goals of the habilitation program, with a projected timetable for the attainment;

(d) The rationale for using this plan of habilitation to achieve those intermediate and long-range goals;

(e) The staff responsible for carrying out the plan;

(f) Where relevant in light of past criminal behavior and due consideration for public safety, the criteria for proposed movement to less-restrictive settings, criteria for proposed eventual release, and a projected possible date for release; and

(g) The type of residence immediately anticipated for the person and possible future types of residences.

(19) "Professional person" means:

(a) A psychiatrist licensed as a physician and surgeon in this state who has, in addition, completed three years of graduate training in psychiatry in a program approved by the American medical association or the American osteopathic association and is certified or eligible to be certified by the American board of psychiatry and neurology or the American osteopathic board of neurology and psychiatry;

(b) A psychologist licensed as a psychologist pursuant to chapter 18.83 RCW; (~~(e)~~)

(c) A psychiatric advanced registered nurse practitioner, as defined in RCW 71.05.020; or

(d) A social worker with a master's or further advanced degree from a social work educational program accredited and approved as provided in RCW 18.320.010.

(20) "Release" means legal termination of the court-ordered commitment under the provisions of this chapter.

(21) "Secretary" means the secretary of the department of social and health services or his or her designee.

(22) "Treatment" means any currently standardized medical or mental health procedure including medication.

(23) "Treatment records" include registration and all other records concerning persons who are receiving or who at any time have received services for mental illness, which are maintained by the department, by behavioral health administrative services organizations and their staffs, by managed care organizations and their staffs, and by treatment facilities. Treatment records do not include notes or records maintained for personal use by a person providing treatment services for the department, behavioral health administrative services organizations, managed care organizations, or a treatment facility if the notes or records are not available to others.

(24) "Violent act" means behavior that: (a)(i) Resulted in; (ii) if completed as intended would have resulted in; or (iii) was threatened to be carried out by a person who had the intent and opportunity to carry out the threat and would have resulted in, homicide, nonfatal injuries, or substantial damage to property; or (b) recklessly creates an

immediate risk of serious physical injury to another person. As used in this subsection, "nonfatal injuries" means physical pain or injury, illness, or an impairment of physical condition. "Nonfatal injuries" shall be construed to be consistent with the definition of "bodily injury," as defined in RCW 9A.04.110.

(25) "Authority" means the Washington state health care authority.

Sec. 2. RCW 10.77.060 and 2021 c 263 s 5 are each amended to read as follows:

(1)(a) Whenever a defendant has pleaded not guilty by reason of insanity, or there is reason to doubt his or her competency, the court on its own motion or on the motion of any party shall either appoint or request the secretary to designate a qualified expert or professional person, who shall be approved by the prosecuting attorney, to evaluate and report upon the mental condition of the defendant.

(b) The signed order of the court shall serve as authority for the evaluator to be given access to all records held by any mental health, medical, educational, or correctional facility that relate to the present or past mental, emotional, or physical condition of the defendant. If the court is advised by any party that the defendant may have a developmental disability, the evaluation must be performed by a developmental disabilities professional and the evaluator shall have access to records of the developmental disabilities administration of the department.

(c) The evaluator shall assess the defendant in a jail, detention facility, in the community, or in court to determine whether a period of inpatient commitment will be necessary to complete an accurate evaluation. If inpatient commitment is needed, the signed order of the court shall serve as authority for the evaluator to request the jail or detention facility to transport the defendant to a hospital or secure mental health facility for a period of commitment not to exceed fifteen days from the time of admission to the facility. Otherwise, the evaluator shall complete the evaluation.

(d) The court may commit the defendant for evaluation to a hospital or secure mental health facility without an assessment if: (i) The defendant is charged with murder in the first or

second degree; (ii) the court finds that it is more likely than not that an evaluation in the jail will be inadequate to complete an accurate evaluation; or (iii) the court finds that an evaluation outside the jail setting is necessary for the health, safety, or welfare of the defendant. The court shall not order an initial inpatient evaluation for any purpose other than a competency evaluation.

(e) The order shall indicate whether, in the event the defendant is committed to a hospital or secure mental health facility for evaluation, all parties agree to waive the presence of the defendant or to the defendant's remote participation at a subsequent competency hearing or presentation of an agreed order if the recommendation of the evaluator is for continuation of the stay of criminal proceedings, or if the opinion of the evaluator is that the defendant remains incompetent and there is no remaining restoration period, and the hearing is held prior to the expiration of the authorized commitment period.

(f) When a defendant is ordered to be evaluated under this subsection (1), or when a party or the court determines at first appearance that an order for evaluation under this subsection will be requested or ordered if charges are pursued, the court may delay granting bail until the defendant has been evaluated for competency or sanity and appears before the court. Following the evaluation, in determining bail the court shall consider: (i) Recommendations of the evaluator regarding the defendant's competency, sanity, or diminished capacity; (ii) whether the defendant has a recent history of one or more violent acts; (iii) whether the defendant has previously been acquitted by reason of insanity or found incompetent; (iv) whether it is reasonably likely the defendant will fail to appear for a future court hearing; and (v) whether the defendant is a threat to public safety.

(2) The court may direct that a qualified expert or professional person retained by or appointed for the defendant be permitted to witness the evaluation authorized by subsection (1) of this section, and that the defendant shall have access to all information obtained by the court appointed experts or professional persons. The defendant's expert or professional person shall have

the right to file his or her own report following the guidelines of subsection (3) of this section. If the defendant is indigent, the court shall upon the request of the defendant assist him or her in obtaining an expert or professional person.

(3) The report of the evaluation shall include the following:

(a) A description of the nature of the evaluation;

(b) A diagnosis or description of the current mental status of the defendant;

(c) If the defendant suffers from a mental disease or defect, or has a developmental disability, an opinion as to competency;

(d) If the defendant has indicated his or her intention to rely on the defense of insanity pursuant to RCW 10.77.030, and an evaluation and report by an expert or professional person has been provided concluding that the defendant was criminally insane at the time of the alleged offense, an opinion as to the defendant's sanity at the time of the act, and an opinion as to whether the defendant presents a substantial danger to other persons, or presents a substantial likelihood of committing criminal acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions, provided that no opinion shall be rendered under this subsection (3)(d) unless the evaluator or court determines that the defendant is competent to stand trial;

(e) When directed by the court, if an evaluation and report by an expert or professional person has been provided concluding that the defendant lacked the capacity at the time of the offense to form the mental state necessary to commit the charged offense, an opinion as to the capacity of the defendant to have a particular state of mind which is an element of the offense charged;

(f) An opinion as to whether the defendant should be evaluated by a designated crisis responder under chapter 71.05 RCW.

(4) The secretary may execute such agreements as appropriate and necessary to implement this section and may choose to designate more than one evaluator.

(5) In the event that a person remains in jail more than 21 days after service

on the department of a court order to transport the person to a facility designated by the department for inpatient competency restoration treatment, upon the request of any party and with notice to all parties, the department shall perform a competency to stand trial status check to determine if the circumstances of the person have changed such that the court should authorize an updated competency evaluation. The status update shall be provided to the parties and the court. Status updates may be provided at reasonable intervals.

Sec. 3. RCW 10.77.068 and 2015 c 5 s 1 are each amended to read as follows:

(1)(a) The legislature establishes ((the following)) a performance ((targets and maximum time limits for the timeliness of the completion of accurate and reliable evaluations of competency to stand trial and admissions for inpatient restoration services related to competency to proceed or stand trial for adult criminal defendants.)) target of seven days or fewer to extend an offer of admission to a defendant in pretrial custody for inpatient competency evaluation or inpatient competency restoration services, when access to the services is legally authorized;

(b) The legislature establishes a performance target of 14 days or fewer for the following services related to competency to stand trial, when access to the services is legally authorized:

(i) To complete a competency evaluation in jail and distribute the evaluation report; and

(ii) To extend an offer of admission to a defendant ordered to be committed to a state hospital following dismissal of charges based on incompetency to stand trial under RCW 10.77.086.

(c) The legislature establishes a performance target of 21 days or fewer to complete a competency evaluation in the community and distribute the evaluation report.

(2)(a) A maximum time limit of seven days as measured from the department's receipt of the court order, or a maximum time limit of 14 days as measured from signature of the court order, whichever is shorter, is established to complete the services specified in subsection (1)(a) of this section, subject to the

limitations under subsection (9) of this section.

(b) A maximum time limit of 14 days as measured from the department's receipt of the court order, or a maximum time limit of 21 days as measured from signature of the court order, whichever is shorter, is established to complete the services specified in subsection (1)(b) of this section, subject to the limitations under subsection (9) of this section.

(3) The legislature recognizes that these targets may not be achievable in all cases ((without compromise to the quality of competency evaluation and restoration services)), but intends for the department to manage, allocate, and request appropriations for resources in order to meet these targets whenever possible without sacrificing the accuracy and quality of competency ((evaluations and restorations, and to otherwise make sustainable improvements and track performance related to the timeliness of competency services:

(i) For a state hospital to extend an offer of admission to a defendant in pretrial custody for legally authorized evaluation services related to competency, or to extend an offer of admission for legally authorized services following dismissal of charges based on incompetence to proceed or stand trial;

(A) A performance target of seven days or less; and

(B) A maximum time limit of fourteen days;

(ii) For a state hospital to extend an offer of admission to a defendant in pretrial custody for legally authorized inpatient restoration treatment related to competency;

(A) A performance target of seven days or less; and

(B) A maximum time limit of fourteen days;

(iii) For completion of a competency evaluation in jail and distribution of the evaluation report for a defendant in pretrial custody;

(A) A performance target of seven days or less; and

(B) A maximum time limit of fourteen days, plus an additional seven-day extension if needed for clinical reasons

~~to complete the evaluation at the determination of the department;~~

~~(iv) For completion of a competency evaluation in the community and distribution of the evaluation report for a defendant who is released from custody and makes a reasonable effort to cooperate with the evaluation, a performance target of twenty-one days or less)) services.~~

~~((b) The time periods measured in these performance targets and maximum time limits shall run from the date on which the state hospital receives the court referral and charging documents, discovery, police reports, the names and addresses of the attorneys for the defendant and state or county, the name of the judge ordering the evaluation, information about the alleged crime, and criminal history information related to the defendant. The maximum time limits in (a) of this subsection shall be phased in over a one year period beginning July 1, 2015, in a manner that results in measurable incremental progress toward meeting the time limits over the course of the year.~~

~~(e)) (4) It shall be a defense to an allegation that the department has exceeded the maximum time limits for completion of competency services described in ((a) of this)) subsection (2) of this section if the department can demonstrate by a preponderance of the evidence that the reason for exceeding the maximum time limits was outside of the department's control including, but not limited to, the following circumstances:~~

~~((i)) (a) Despite a timely request, the department has not received necessary medical ((clearance)) information regarding the current medical status of a defendant ((in pretrial custody for the purposes of admission to a state hospital));~~

~~((ii)) (b) The individual circumstances of the defendant make accurate completion of an evaluation of competency to ((proceed or)) stand trial dependent upon review of mental health, substance use disorder, or medical history information which is in the custody of a third party and cannot be immediately obtained by the department((. Completion of a competency evaluation)), provided that completion shall not be postponed for procurement of ((mental health, substance use disorder,~~

~~or medical history)) information which is merely supplementary ((to the competency determination));~~

~~((iii)) (c) Additional time is needed for the defendant to no longer show active signs and symptoms of impairment related to substance use so that an accurate evaluation may be completed;~~

~~(d) The defendant is medically unavailable for competency evaluation or admission to a facility for competency restoration;~~

~~(e) Completion of the referral ((is frustrated by lack of)) requires additional time to accommodate the availability or participation ((by)) of counsel, ((jail or)) court personnel, interpreters, or the defendant;~~

~~((iv) The department does not have access to appropriate private space to conduct a competency evaluation for a defendant in pretrial custody;~~

~~(v)) (f) The defendant asserts legal rights that result in a delay in the provision of competency services; or~~

~~((vi)) (g) An unusual spike in the receipt of evaluation referrals or in the number of defendants requiring restoration services has occurred, causing temporary delays until the unexpected excess demand for competency services can be resolved.~~

~~((2)) (5) The department shall provide written notice to the court when it will not be able to meet the maximum time limits under subsection (2) of this section and identify the reasons for the delay and provide a reasonable estimate of the time necessary to complete the competency service. Good cause for an extension for the additional time estimated by the department shall be presumed absent a written response from the court or a party received by the department within seven days.~~

~~(6) The department shall:~~

~~(a) Develop, document, and implement procedures to monitor the clinical status of defendants admitted to a state hospital for competency services that allow the state hospital to accomplish early discharge for defendants for whom clinical objectives have been achieved or may be achieved before expiration of the commitment period;~~

(b) Investigate the extent to which patients admitted to a state hospital under this chapter overstay time periods authorized by law and take reasonable steps to limit the time of commitment to authorized periods; and

(c) Establish written standards for the productivity of forensic evaluators and utilize these standards to internally review the performance of forensic evaluators.

~~((3))~~ (7) Following any quarter in which a state hospital has failed to meet one or more of the performance targets or maximum time limits ~~((is))~~ under subsection (1) or (2) of this section ~~((after full implementation of the performance target or maximum time limit))~~, the department shall report to the executive and the legislature the extent of this deviation and describe any corrective action being taken to improve performance. This report ~~((must))~~ shall be made publicly available. An average may be used to determine timeliness under this subsection.

~~((4 Beginning December 1, 2013, the))~~ (8) The department shall report annually to the legislature and the executive on the timeliness of services related to competency to ~~((proceed or))~~ stand trial and the timeliness with which court referrals accompanied by charging documents, discovery, and criminal history information are provided to the department relative to the signature date of the court order. The report must be in a form that is accessible to the public and that breaks down performance by county.

~~((5))~~ (9) This section does not create any new entitlement or cause of action related to the timeliness of competency ~~((evaluations or admission for inpatient restoration))~~ to stand trial services ~~((related to competency to proceed or stand trial))~~, nor can it form the basis for contempt sanctions under chapter 7.21 RCW or a motion to dismiss criminal charges.

Sec. 4. RCW 10.77.086 and 2019 c 326 s 4 are each amended to read as follows:

(1)~~((a-i))~~ If the defendant is charged with a felony and determined to be incompetent, until he or she has regained the competency necessary to understand the proceedings against him or her and assist in his or her own defense, but in any event for a period of no longer than ~~((ninety))~~ 90 days, the court shall

commit the defendant to the custody of the secretary for inpatient competency restoration~~((Based))~~, or may alternatively order the defendant to receive outpatient competency restoration based on a recommendation from a forensic navigator and input from the parties~~((, the court may order the defendant to receive inpatient competency restoration or outpatient competency restoration))~~.

~~((A))~~ (a) To be eligible for an order for outpatient competency restoration, a defendant must be clinically appropriate and be willing to:

~~((I))~~ (i) Adhere to medications or receive prescribed intramuscular medication; ~~((and~~

~~((II))~~ (ii) Abstain from alcohol and unprescribed drugs; and

(iii) Comply with urinalysis or breathalyzer monitoring if needed.

~~((B))~~ (b) If the court orders inpatient competency restoration, the department shall place the defendant in an appropriate facility of the department for competency restoration.

~~((C))~~ (c) If the court orders outpatient competency restoration, the court shall modify conditions of release as needed to authorize the department to place the person in approved housing, which may include access to supported housing, affiliated with a contracted outpatient competency restoration program. The department, in conjunction with the health care authority, must establish rules for conditions of participation in the outpatient competency restoration program, which must include the defendant being subject to medication management ~~((and))~~. The court may order regular urinalysis testing ~~((for defendants who have a current substance use disorder diagnosis))~~. The outpatient competency restoration program shall monitor the defendant during the defendant's placement in the program and report any noncompliance or significant changes with respect to the defendant to the department and, if applicable, the forensic navigator.

~~((D))~~ (d) If a defendant fails to comply with the restrictions of the outpatient restoration program such that restoration is no longer appropriate in that setting or the defendant is no longer clinically appropriate for

outpatient competency restoration, the ((department shall remove the defendant from the outpatient restoration program and place the defendant instead)) director of the outpatient competency restoration program shall notify the authority and the department of the need to terminate the outpatient competency restoration placement and intent to request placement for the defendant in an appropriate facility of the department for inpatient competency restoration ((for no longer than the time allowed as if the defendant had been initially placed into inpatient competency restoration, in addition to reasonable time for transport to or from the facility)). The outpatient competency restoration program shall coordinate with the authority, the department, and any law enforcement personnel under (d)(i) of this subsection to ensure that the time period between termination and admission into the inpatient facility is as minimal as possible. The time period for inpatient competency restoration shall be reduced by the time period spent in active treatment within the outpatient competency restoration program, excluding time periods in which the defendant was absent from the program and all time from notice of termination of the outpatient competency restoration period through the defendant's admission to the facility. The department shall obtain a placement for the defendant within seven days of the notice of intent to terminate the outpatient competency restoration placement.

(i) The department may authorize a peace officer to detain the defendant into emergency custody for transport to the designated inpatient competency restoration facility. If medical clearance is required by the designated competency restoration facility before admission, the peace officer must transport the defendant to a crisis stabilization unit, evaluation and treatment facility, emergency department of a local hospital, or triage facility for medical clearance once a bed is available at the designated inpatient competency restoration facility. The signed outpatient competency restoration order of the court shall serve as authority for the detention of the defendant under this subsection. This subsection does not preclude voluntary transportation of the defendant to a facility for inpatient competency restoration or for medical clearance, or

authorize admission of the defendant into jail.

(ii) The department shall notify the court and parties of the ((change in placement)) defendant's admission for inpatient competency restoration before the close of the next judicial day. The court shall schedule a hearing within five days to review the ((placement and)) conditions of release of the defendant and anticipated release from treatment and issue appropriate orders. ((The standard of proof shall be a preponderance of the evidence, and the court may in its discretion render its decision based on written submissions, live testimony, or remote testimony.

(E)) (e) The court may not issue an order for outpatient competency restoration unless the department certifies that there is an available appropriate outpatient competency restoration program that has adequate space for the person at the time the order is issued or the court places the defendant under the guidance and control of a professional person identified in the court order.

((ii) The ninety day period for competency restoration under this subsection (1) includes only the time the defendant is actually at the facility and is in addition to reasonable time for transport to or from the facility.

(b)) (2) For a defendant whose highest charge is a class C felony, or a class B felony that is not classified as violent under RCW 9.94A.030, the maximum time allowed for the initial competency restoration period ((of commitment for competency restoration)) is ((forty-five)) 45 days if the defendant is referred for inpatient competency restoration, or 90 days if the defendant is referred for outpatient competency restoration, provided that if the outpatient competency restoration placement is terminated and the defendant is subsequently admitted to an inpatient facility, the period of inpatient treatment during the first competency restoration period under this subsection shall not exceed 45 days. ((The forty-five day period includes only the time the defendant is actually at the facility and is in addition to reasonable time for transport to or from the facility.

(e)) (3) If the court determines or the parties agree before the initial competency restoration period or at any

subsequent stage of the proceedings that the defendant is unlikely to regain competency, the court may dismiss the charges without prejudice without ordering the defendant to undergo an initial or further period of competency restoration treatment, in which case the court shall order that the defendant be referred for evaluation for civil commitment in the manner provided in subsection ((4)) (5) of this section.

((2)) (4) On or before expiration of the initial competency restoration period ((of commitment under subsection (1) of this section)) the court shall conduct a hearing((, at which it shall)) to determine whether ((or not)) the defendant is ((incompetent. (3)) now competent to stand trial. If the court finds by a preponderance of the evidence that ((a) the defendant ((charged with a felony)) is incompetent to stand trial, the court ((shall have the option of extending the)) may order ((of commitment or alternative treatment)) an extension of the competency restoration period for an additional period of ((ninety)) 90 days, but the court must at the same time ((of extension)) set a date for a ((prompt)) new hearing to determine the defendant's competency to stand trial before the expiration of ((the)) this second restoration period. The defendant, the defendant's attorney, ((or)) and the prosecutor ((has)) have the right to demand that the hearing be before a jury. No extension shall be ordered for a second or third competency restoration period ((as provided in subsection (4) of this section)) if the defendant's incompetence has been determined by the secretary to be solely the result of a developmental disability which is such that competence is not reasonably likely to be regained during an extension. ((The ninety day period includes only the time the defendant is actually at the facility and is in addition to reasonable time for transport to or from the facility.

((4) For persons charged with a felony, at))

(5) At the hearing upon the expiration of the second competency restoration period, or at the end of the first competency restoration period ((in the case of a)) if the defendant ((with a developmental disability)) is ineligible for a second or third competency restoration period under subsection (4) of this section, if the jury or court

finds that the defendant is incompetent((, or if the court or jury at any stage finds that the defendant is incompetent and the court determines that the defendant is unlikely to regain competency, the charges shall be dismissed)) to stand trial, the court shall dismiss the charges without prejudice((,)) and ((the court shall)) order the defendant to be committed to a state hospital ((as defined in RCW 72.23.010)) for up to ((seventy two)) 120 hours if the defendant has not undergone competency restoration services or has engaged in outpatient competency restoration services and up to 72 hours if the defendant engaged in inpatient competency restoration services starting from admission to the facility, excluding Saturdays, Sundays, and holidays, for evaluation for the purpose of filing a civil commitment petition under chapter 71.05 RCW. ((The criminal charges)) However, the court shall not ((be dismissed)) dismiss the charges if the court or jury finds that: (a) The defendant (i) is a substantial danger to other persons; or (ii) presents a substantial likelihood of committing criminal acts jeopardizing public safety or security; and (b) there is a substantial probability that the defendant will regain competency within a reasonable period of time. ((In the event that)) If the court or jury makes such a finding, the court may extend the period of commitment for up to an additional six months. ((The six month))

(6) Any period of competency restoration treatment under this section includes only the time the defendant is actually at the facility or is actively participating in an outpatient competency restoration program and is in addition to reasonable time for transport to or from the facility.

Sec. 5. RCW 10.77.088 and 2020 c 18 s 4 are each amended to read as follows:

(1) If the defendant is charged with a nonfelony crime which is a serious offense as identified in RCW 10.77.092 and found by the court to be not competent, then the court:

(a) Shall dismiss the proceedings without prejudice and detain the defendant for sufficient time to allow the designated crisis responder to evaluate the defendant and consider initial detention proceedings under chapter 71.05 RCW, unless the prosecutor objects to the dismissal and provides

notice of a motion for an order for competency restoration treatment, in which case the court shall schedule a hearing within seven days ~~((to determine whether to enter an order of competency restoration))~~.

(b) At the hearing, the prosecuting attorney must establish that there is a compelling state interest to order competency restoration treatment for the defendant. The court may consider prior criminal history, prior history in treatment, prior history of violence, the quality and severity of the pending charges, any history that suggests whether ~~((or not))~~ competency restoration treatment is likely to be successful, in addition to the factors listed under RCW 10.77.092. If the prosecuting attorney proves by a preponderance of the evidence that there is a compelling state interest in ordering competency restoration treatment, then the court shall issue an order ~~((competency restoration))~~ in accordance with subsection (2)~~((a))~~ of this section.

(2)~~((a))~~ If a court finds pursuant to subsection (1)(b) of this section that there is a compelling state interest in pursuing competency restoration treatment, ~~((then))~~ the court shall commit the defendant to the custody of the secretary for inpatient competency restoration~~((Based))~~, or may alternatively order the defendant to receive outpatient competency restoration based on a recommendation from a forensic navigator and input from the parties~~((, the court may order the defendant to receive inpatient competency restoration or outpatient competency restoration))~~.

~~((i))~~ (a) To be eligible for an order for outpatient competency restoration, a defendant must be clinically appropriate and be willing to:

~~((A))~~ (i) Adhere to medications or receive prescribed intramuscular medication; ~~((and~~

~~((B))~~ (ii) Abstain from alcohol and unprescribed drugs; and

(iii) Comply with urinalysis or breathalyzer monitoring if needed.

~~((ii))~~ (b) If the court orders inpatient competency restoration, the department shall place the defendant in an appropriate facility of the department for competency restoration under ~~((b))~~

subsection (3) of this ~~((subsection))~~ section.

~~((iii))~~ (c) If the court orders outpatient competency restoration, the court shall modify conditions of release as needed to authorize the department to place the person in approved housing, which may include access to supported housing, affiliated with a contracted outpatient competency restoration program. The department, in conjunction with the health care authority, must establish rules for conditions of participation in the outpatient competency restoration program, which must include the defendant being subject to medication management ~~((and))~~. The court may order regular urinalysis testing ~~((for defendants who have a current substance use disorder diagnosis))~~. The outpatient competency restoration program shall monitor the defendant during the defendant's placement in the program and report any noncompliance or significant changes with respect to the defendant to the department and, if applicable, the forensic navigator.

~~((iv))~~ (d) If a defendant fails to comply with the restrictions of the outpatient competency restoration program such that restoration is no longer appropriate in that setting or the defendant is no longer clinically appropriate for outpatient competency restoration, the ~~((department shall remove the defendant from the outpatient restoration program. The department shall place the defendant instead))~~ director of the outpatient competency restoration program shall notify the authority and the department of the need to terminate the outpatient competency restoration placement and intent to request placement for the defendant in an appropriate facility of the department for inpatient competency restoration ~~((for no longer than twenty nine days regardless of any time spent in outpatient competency restoration, in addition to reasonable time for transport to or from the facility))~~. The outpatient competency restoration program shall coordinate with the authority, the department, and any law enforcement personnel under (d)(i) of this subsection to ensure that the time period between termination and admission into the inpatient facility is as minimal as possible. The time period for inpatient competency restoration shall be reduced by the time period spent in active

treatment within the outpatient competency restoration program, excluding time periods in which the defendant was absent from the program and all time from notice of termination of the outpatient competency restoration period through the defendant's admission to the facility. The department shall obtain a placement for the defendant within seven days of the notice of intent to terminate the outpatient competency restoration placement.

(i) The department may authorize a peace officer to detain the defendant into emergency custody for transport to the designated inpatient competency restoration facility. If medical clearance is required by the designated competency restoration facility before admission, the peace officer must transport the defendant to a crisis stabilization unit, evaluation and treatment facility, emergency department of a local hospital, or triage facility for medical clearance once a bed is available at the designated inpatient competency restoration facility. The signed outpatient competency restoration order of the court shall serve as authority for the detention of the defendant under this subsection. This subsection does not preclude voluntary transportation of the defendant to a facility for inpatient competency restoration or for medical clearance, or authorize admission of the defendant into jail.

(ii) The department shall notify the court and parties of the ~~((change in placement))~~ defendant's admission for inpatient competency restoration before the close of the next judicial day. The court shall schedule a hearing within five days to review the ~~((placement and))~~ conditions of release of the defendant and anticipated release from treatment and issue appropriate orders. ~~((The standard of proof shall be a preponderance of the evidence, and the court may in its discretion render its decision based on written submissions, live testimony, or remote testimony.~~

~~((v))~~ (e) The court may not issue an order for outpatient competency restoration unless the department certifies that there is an available appropriate outpatient restoration program that has adequate space for the person at the time the order is issued or the court places the defendant under the

guidance and control of a professional person identified in the court order.

~~((b))~~ (3) The placement under ~~((a))~~ subsection (2) of this ~~((subsection))~~ section shall not exceed ~~((twenty nine))~~ 29 days if the defendant is ordered to receive inpatient competency restoration, ~~((or))~~ and shall not exceed ~~((ninety))~~ 90 days if the defendant is ordered to receive outpatient competency restoration. The court may order any combination of this subsection ~~((, not to exceed ninety days. This period must be considered to include only the time the defendant is actually at the facility and shall be in addition to reasonable time for transport to or from the facility))~~, but the total period of inpatient competency restoration may not exceed 29 days.

~~((e))~~ (4) If the court has determined or the parties agree that the defendant is unlikely to regain competency, the court may dismiss the charges without prejudice without ordering the defendant to undergo competency restoration treatment, in which case the court shall order that the defendant be referred for evaluation for civil commitment in the manner provided in ~~((d))~~ subsection (5) of this ~~((subsection))~~ section.

~~((d(i)))~~ (5)(a) If the proceedings are dismissed under RCW 10.77.084 and the defendant was on conditional release at the time of dismissal, the court shall order the designated crisis responder within that county to evaluate the defendant pursuant to chapter 71.05 RCW. The evaluation may be conducted in any location chosen by the professional.

~~((ii))~~ (b) If the defendant was in custody and not on conditional release at the time of dismissal, the defendant shall be detained and sent to an evaluation and treatment facility for up to ~~((seventy two))~~ 120 hours if the defendant has not undergone competency restoration services or has engaged in outpatient competency restoration services and up to 72 hours if the defendant engaged in inpatient competency restoration services, excluding Saturdays, Sundays, and holidays, for evaluation for purposes of filing a petition under chapter 71.05 RCW. The ~~((seventy two))~~ 120-hour or 72-hour period shall commence upon the next nonholiday weekday following the court order and shall run to the end of the last nonholiday weekday within the

~~((seventy-two))~~ 120-hour or 72-hour period.

~~((+3))~~ (6) If the defendant is charged with a nonfelony crime that is not a serious offense as defined in RCW 10.77.092 and found by the court to be not competent, the court may stay or dismiss proceedings and detain the defendant for sufficient time to allow the designated crisis responder to evaluate the defendant and consider initial detention proceedings under chapter 71.05 RCW. The court must give notice to all parties at least ~~((twenty-four))~~ 24 hours before the dismissal of any proceeding under this subsection, and provide an opportunity for a hearing on whether to dismiss the proceedings.

~~((+4))~~ (7) If at any time the court dismisses charges under subsections (1) through ~~((+3))~~ (6) of this section, the court shall make a finding as to whether the defendant has a history of one or more violent acts. If the court so finds, the defendant is barred from the possession of firearms until a court restores his or her right to possess a firearm under RCW 9.41.047. The court shall state to the defendant and provide written notice that the defendant is barred from the possession of firearms and that the prohibition remains in effect until a court restores his or her right to possess a firearm under RCW 9.41.047.

(8) Any period of competency restoration treatment under this section includes only the time the defendant is actually at the facility or is actively participating in an outpatient competency restoration program and is in addition to reasonable time for transport to or from the facility.

Sec. 6. RCW 10.77.250 and 1987 c 75 s 1 are each amended to read as follows:

~~((The))~~ (1) Within amounts appropriated, the department shall be responsible for all costs relating to the evaluation and inpatient treatment of persons committed to it pursuant to any provisions of this chapter, and the logistical and supportive services pertaining thereto except as otherwise provided by law. Reimbursement may be obtained by the department pursuant to RCW 43.20B.330.

(2) Within amounts appropriated, the authority shall be responsible for all costs relating to outpatient competency restoration programs.

NEW SECTION. Sec. 7. A new section is added to chapter 10.77 RCW to read as follows:

No officer of a public or private agency, nor the superintendent, professional person in charge, his or her professional designee, or attending staff of any such agency, nor any public official performing functions necessary to the administration of this chapter, nor peace officer responsible for detaining a person pursuant to this chapter, nor the state, a unit of local government, an evaluation and treatment facility, a secure withdrawal management and stabilization facility, or an approved substance use disorder treatment program shall be civilly or criminally liable for performing duties pursuant to this chapter with regard to the decision of whether to detain a person for medical clearance or treatment, provided that such duties were performed in good faith and without gross negligence.

NEW SECTION. Sec. 8. A new section is added to chapter 10.77 RCW to read as follows:

The authority shall report annually to the governor and relevant committees of the legislature, beginning November 1, 2022, and shall make the report public, describing:

(1) How many individuals are being served by outpatient competency restoration programs and in what locations;

(2) The length of stay of individuals in outpatient competency restoration programs;

(3) The number of individuals who are revoked from an outpatient competency restoration program into inpatient treatment, and the outcomes of other individuals, if any, whose participation in an outpatient competency restoration program were terminated before the completion of the program; and

(4) For individuals who were revoked from an outpatient competency restoration program into an inpatient competency restoration program, how many days the individuals spent in outpatient competency restoration treatment and inpatient competency restoration treatment, and whether the restoration programs resulted in a finding of competent to stand trial or another outcome.

NEW SECTION. **Sec. 9.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

On page 2, after line 22, insert the following:

"Sec. 3. RCW 36.70A.280 and 2011 c 360 s 17 are each amended to read as follows:

(1) The growth management hearings board shall hear and determine only those petitions alleging either:

(a) That, except as provided otherwise by this subsection, a state agency, county, or city planning under this chapter is not in compliance with the requirements of this chapter, chapter 90.58 RCW as it relates to the adoption of shoreline master programs or amendments thereto, or chapter 43.21C RCW as it relates to plans, development regulations, or amendments, adopted under RCW 36.70A.040 or chapter 90.58 RCW. Nothing in this subsection authorizes the board to hear petitions alleging noncompliance with *RCW 36.70A.5801;

(b) That the twenty-year growth management planning population projections adopted by the office of financial management pursuant to RCW 43.62.035 should be adjusted;

(c) That the approval of a work plan adopted under RCW 36.70A.735(1)(a) is not

in compliance with the requirements of the program established under RCW 36.70A.710;

(d) That regulations adopted under RCW 36.70A.735(1)(b) are not regionally applicable and cannot be adopted, wholly or partially, by another jurisdiction; or

(e) That a department certification under RCW 36.70A.735(1)(c) is erroneous.

(2) A petition may be filed only by: (a) The state, or a county or city that plans under this chapter; (b) ~~((a person who has participated orally or in writing before the county or city regarding the matter on which a review is being requested; (c))~~) a person who is certified by the governor within sixty days of filing the request with the board; or ~~((d))~~ (c) a person qualified pursuant to RCW 34.05.530.

(3) For purposes of this section "person" means any individual, partnership, corporation, association, state agency, governmental subdivision or unit thereof, or public or private organization or entity of any character.

~~(4) ((To establish participation standing under subsection (2)(b) of this section, a person must show that his or her participation before the county or city was reasonably related to the person's issue as presented to the board.~~

~~(5))~~When considering a possible adjustment to a growth management planning population projection prepared by the office of financial management, the board shall consider the implications of any such adjustment to the population forecast for the entire state.

The rationale for any adjustment that is adopted by the board must be documented and filed with the office of financial management within ten working days after adoption.

If adjusted by the board, a county growth management planning population projection shall only be used for the planning purposes set forth in this chapter and shall be known as the "board adjusted population projection." None of these changes shall affect the official state and county population forecasts prepared by the office of financial management, which shall continue to be used for state budget and planning purposes."

(c) Sixty days after a proclamation of a state of emergency is signed by the governor, unless extended by the legislature through concurrent resolution. If the legislature is not in session, the state of emergency may be extended in writing by three of the four members of the leadership of the senate and the house of representatives until the legislature can extend the state of emergency by concurrent resolution. No individual extension may exceed 60 days, but the legislature may pass subsequent resolutions of extension and the leadership of the senate and the house of representatives may issue subsequent extensions in writing in accordance with this subsection (3)(c).

(4)"

On page 3, beginning on 21, after "order" strike all material through "of" on line 22 and insert "~~((or orders concerning waiver or suspension of statutory obligations or limitations under subsection (2) of))~~ issued under"

Beginning on page 4, line 1, strike all of sections 3 through 5 and insert the following:

"NEW SECTION. **Sec. 3.** A new section is added to chapter 43.06 RCW to read as follows:

(1)(a) The joint legislative emergency oversight committee is established, with members as provided in this subsection.

(i) The president of the senate shall appoint three members from the senate, two of whom are members of the largest caucus and one of whom is a member of the second largest caucus of the senate.

(ii) The speaker of the house of representatives shall appoint three members from the house of representatives, two of whom are members of the largest caucus and one of whom is a member of the second largest caucus of the house of representatives.

(b) Initial appointments to the committee must be made no later than 15 days after the effective date of this section. Initial terms shall expire when new members are appointed as provided in (c) of this subsection.

(c) Subsequent appointments shall be made by June 1st of the first year in a legislative biennium. Terms shall expire when new members are appointed in the following biennium, or if the member ceases to serve as a legislator of the chamber from which they were appointed. A committee member may be removed by the president of the senate or the speaker of the house of representatives only if an extraordinary circumstance prevents the member from continuing to serve on the committee. Vacancies shall be filled by December 15th in the same manner as the initial appointment, with terms that last until a subsequent appointment is made in the first year of the next legislative biennium.

(d) The committee shall choose its chair from among its membership.

(2) The purpose of the committee is to receive specified information about a governor-declared state of emergency that has lasted at least six months. The chair of the committee shall convene a meeting in every March, August, and December during which a state of emergency has been in place for at least six months. The chair may convene additional meetings, so long as the chair specifically identifies the reason that any additional meetings are necessary.

(a) During each committee meeting, the governor, or the governor's designee, shall appear to provide comprehensive information about the current state of emergency and to respond to questions from committee members.

(b)(i) By the first day of the month in which a committee meeting is scheduled to occur, the office of financial management shall submit a report to the committee, and to the appropriate fiscal committees of the legislature, containing the following information:

(A) The amounts and sources of any money transferred to the state general fund, and any other fund in the custody of the state, related to the state of emergency;

(B) The amounts and recipients of any money spent by the state related to the state of emergency;

(C) The total encumbrances from previous states of emergency at the time that the emergency under consideration was declared;

(D) A list of state agencies that have received funding related to the state of emergency, and the amount each agency has received; and

(E) A list of state agencies that have made expenditures related to the state of emergency, and the amount each agency has spent.

(ii) For each category of information listed in this subsection (2)(b), the report must include total amounts since the beginning of the state of emergency as well as amounts since the last report was provided.

(3) Staff support for the committee shall be provided by the senate committee services and the house of representatives office of program research.

(4) Legislative members of the committee are reimbursed for travel expenses in accordance with RCW 44.04.120.

(5) The expenses of the committee shall be paid jointly by the senate and the house of representatives. Committee expenditures are subject to approval by the senate facilities and operations committee and the house of representatives executive rules committee, or their successor committees."

SUBSTITUTE SENATE BILL NO. 5838, having received the necessary constitutional majority, was declared passed.

SUBSTITUTE SENATE BILL NO. 5528, by Senate Committee on Transportation (originally sponsored by Pedersen, Liias and Hawkins)

Concerning the imposition of additive revenue sources within a regional transit authority area. Revised for 1st Substitute: Concerning the imposition of supplemental revenue sources within a regional transit authority area.

The bill was read the second time.

Representative Stokesbary moved the adoption of amendment (1337):

On page 2, line 2, after "area." insert "An enhanced service zone may not include a city or town that does not allow development of duplexes, triplexes, and fourplexes on all lots zoned for single-family residential uses within one half mile of each transit stop of a regional transit system."

POINT OF ORDER

Representative Stonier requested a scope and object ruling on amendment (1337).

SPEAKER'S RULING

"The title of the bill is an act relating to the imposition of supplemental revenue sources within a regional transit authority area to finance high capacity transportation improvements, serving that area.

The bill permits a regional transit authority to establish one or more enhanced service zones within its boundaries for the purpose of financing improvements to high capacity transportation systems directly benefiting such zones. The bill also permits the authority to levy and collect certain taxes upon approval of the voters.

Amendment (1337) precludes a city or town that prohibits certain kinds of development from inclusion within an enhanced service zone. Local development regulations and zoning are separate and distinct subjects from the question presented in the bill before us—how a regional transit authority finances improvements to a high capacity transportation system.

The Speaker therefore finds and rules that the amendment is outside the scope and object of the bill.
The point of order is well taken."

Representative Chambers moved the adoption of amendment (1346):

On page 2, line 2, after "area." insert "The boundaries of an enhanced service zone must be no more than approximately one half of a mile from the proposed system improvements that benefit the enhanced service zone."

Representative Chambers spoke in favor of the adoption of the amendment.

Representative Fey spoke against the adoption of the amendment.

Amendment (1346) was not adopted.

Representative Entenman moved the adoption of amendment (1329):

On page 2, line 25, after "zone" strike "shall not materially and unreasonably" and insert "may not"

On page 2, line 27, after "plan" insert ", by more than six months. A regional transit authority may not proceed with the construction of any system improvement or improvements financed by an enhanced service zone prior to providing a report regarding the engineering and financing of each such system improvement to the transportation committees of the legislature that confirms that the system improvement will not delay the estimated completion date of high capacity transportation system improvements contained in an existing voter-approved regional transit plan by more than six months"

Representatives Entenman and Barkis spoke in favor of the adoption of the amendment.

Amendment (1329) was adopted.

There being no objection, the rules were suspended, the second reading considered the third and the bill, as amended by the House, was placed on final passage.

Representative Hackney spoke in favor of the passage of the bill.

Representatives Barkis, Stokesbary, Dufault, Kraft, Orcutt and Walsh spoke against the passage of the bill.

The Speaker (Representative Orwall presiding) stated the question before the House to be the final passage of Substitute Senate Bill No. 5528, as amended by the House.

INTRODUCTION & FIRST READING

HB 2136 by Representatives Shewmake and Paul

AN ACT Relating to establishing the Washington state rural commission; adding a new chapter to Title 43 RCW; and creating a new section.

Referred to Committee on State Government & Tribal Relations.

There being no objection, the bill listed on the day's introduction sheet under the fourth order of business was referred to the committee so designated.

There being no objection, the House advanced to the sixth order of business.

SECOND READING

ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5796, by Senate Committee on Ways & Means (originally sponsored by Saldaña, Stanford, Keiser, Lias and Wilson, C.)

Restructuring cannabis revenue appropriations.

The bill was read the second time.

There being no objection, the committee striking amendment by the Committee on Appropriations was not adopted. (For Committee amendment, see Journal, Day 50, February 28, 2022).

Amendment (1320) was ruled out of order.

Representative Sullivan moved the adoption of striking amendment (1333):

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 69.50.530 and 2018 c 299 s 909 are each amended to read as follows:

The dedicated ((~~marijuana~~)) cannabis account is created in the state treasury. All moneys received by the ((~~state liquor~~))

~~and cannabis)) board, or any employee thereof, from marijuana-related activities must be deposited in the account. Unless otherwise provided in chapter 4, Laws of 2015 2nd sp. sess., all marijuana excise taxes collected from sales of marijuana, useable marijuana, marijuana concentrates, and marijuana-infused products under RCW 69.50.535, and the license fees, penalties, and forfeitures derived under this chapter from marijuana producer, marijuana processor, marijuana researcher, and marijuana retailer licenses, must be deposited in the account. Moneys in the account may only be spent after appropriation. ((During the 2015-2017 and 2017-2019 fiscal biennia, the legislature may transfer from the dedicated marijuana account to the basic health plan trust account such amounts as reflect the excess fund balance of the account.))~~

Sec. 2. RCW 69.50.540 and 2021 c 334 s 986 are each amended to read as follows:

~~((The legislature must annually appropriate moneys in the dedicated marijuana account created in RCW 69.50.530 as follows:))~~

~~(1) For the purposes ((listed in)) of this subsection (1), the legislature must appropriate ((to the respective agencies amounts sufficient to make the following expenditures on a quarterly basis or as)) the amounts provided in this subsection:~~

~~(a) ((One hundred twenty five thousand dollars to the health care authority to design and administer the Washington state healthy youth survey, analyze the collected data, and produce reports, in collaboration with the office of the superintendent of public instruction, department of health, department of commerce, family policy council, and board. The survey must be conducted at least every two years and include questions regarding, but not necessarily limited to, academic achievement, age at time of substance use initiation, antisocial behavior of friends, attitudes toward antisocial behavior, attitudes toward substance use, laws and community norms regarding antisocial behavior, family conflict, family management, parental attitudes toward substance use, peer rewarding of antisocial behavior, perceived risk of substance use, and rebelliousness. Funds disbursed under this subsection may be used to expand administration of the~~

~~healthy youth survey to student populations attending institutions of higher education in Washington;~~

~~(b) Fifty thousand dollars to the health care authority for the purpose of contracting with the Washington state institute for public policy to conduct the cost benefit evaluation and produce the reports described in RCW 69.50.550. This appropriation ends after production of the final report required by RCW 69.50.550;~~

~~(c) Five thousand dollars to the University of Washington alcohol and drug abuse institute for the creation, maintenance, and timely updating of web-based public education materials providing medically and scientifically accurate information about the health and safety risks posed by marijuana use;~~

~~(d)(i) An amount not less than one million two hundred fifty thousand dollars to the board for administration of this chapter as appropriated in the omnibus appropriations act;~~

~~(ii) One million three hundred twenty-three thousand dollars for fiscal year 2020 to the health professions account established under RCW 43.70.320 for the development and administration of the marijuana authorization database by the department of health;~~

~~(iii) Two million four hundred fifty-three thousand dollars for fiscal year 2020 and two million four hundred twenty-three thousand dollars for fiscal years 2021, 2022, and 2023 to the Washington state patrol for a drug enforcement task force. It is the intent of the legislature that this policy will be continued in the 2021-2023 fiscal biennium; and~~

~~(iv) Ninety eight thousand dollars for fiscal year 2019 to the department of ecology for research on accreditation of marijuana product testing laboratories;~~

~~(e) Four hundred sixty five thousand dollars for fiscal year 2020, four hundred sixty four thousand dollars for fiscal year 2021, two hundred seventy thousand dollars in fiscal year 2022, and two hundred seventy six thousand dollars in fiscal year 2023 to the department of ecology for implementation of accreditation of marijuana product testing laboratories;~~

~~(f) One hundred eighty nine thousand dollars for fiscal year 2020 to the~~

~~department of health for rule making regarding compassionate care renewals;~~

~~(g) Eight hundred eight thousand dollars for each of fiscal years 2020 through 2023 to the department of health for the administration of the marijuana authorization database;~~

~~(h) Six hundred thirty five thousand dollars for fiscal year 2020, six hundred thirty five thousand dollars for fiscal year 2021, six hundred twenty one thousand dollars for fiscal year 2022, and six hundred twenty seven thousand dollars for fiscal year 2023 to the department of agriculture for compliance based laboratory analysis of pesticides in marijuana;~~

~~(i) One million six hundred fifty thousand dollars for fiscal year 2022 and one million six hundred fifty thousand dollars for fiscal year 2023 to the department of commerce to fund the marijuana social equity technical assistance competitive grant program under RCW 43.330.540; and~~

~~(j) One hundred sixty three thousand dollars for fiscal year 2022 and one hundred fifty nine thousand dollars for fiscal year 2023 to the department of commerce to establish a roster of mentors as part of the cannabis social equity technical assistance grant program under Engrossed Substitute House Bill No. 1443 (cannabis industry/equity) and~~

~~(2) From the amounts in the dedicated marijuana account after appropriation of the amounts identified in subsection (1) of this section, the legislature must appropriate for the purposes listed in this subsection (2) as follows:~~

~~(a)(i) Up to fifteen percent to the health care authority for the development, implementation, maintenance, and evaluation of programs and practices aimed at the prevention or reduction of maladaptive substance use, substance use disorder, substance abuse or substance dependence, as these terms are defined in the Diagnostic and Statistical Manual of Mental Disorders, among middle school and high school age students, whether as an explicit goal of a given program or practice or as a consistently corresponding effect of its implementation, mental health services for children and youth, and services for pregnant and parenting women; PROVIDED, That:~~

~~(A) Of the funds appropriated under (a)(i) of this subsection for new programs and new services, at least eighty five percent must be directed to evidence based or research based programs and practices that produce objectively measurable results and, by September 1, 2020, are cost beneficial; and~~

~~(B) Up to fifteen percent of the funds appropriated under (a)(i) of this subsection for new programs and new services may be directed to proven and tested practices, emerging best practices, or promising practices.~~

~~(ii) In deciding which programs and practices to fund, the director of the health care authority must consult, at least annually, with the University of Washington's social development research group and the University of Washington's alcohol and drug abuse institute.~~

~~(iii) For each fiscal year, the legislature must appropriate a minimum of twenty five million five hundred thirty six thousand dollars under this subsection (2)(a);~~

~~(b)(i) Up to ten percent to the department of health for the following, subject to (b)(ii) of this subsection (2):~~

~~(A) Creation, implementation, operation, and management of a marijuana education and public health program that contains the following:~~

~~(I) A marijuana use public health hotline that provides referrals to substance abuse treatment providers, utilizes evidence based or research based public health approaches to minimizing the harms associated with marijuana use, and does not solely advocate an abstinence only approach;~~

~~(II) A grants program for local health departments or other local community agencies that supports development and implementation of coordinated intervention strategies for the prevention and reduction of marijuana use by youth; and~~

~~(III) Media based education campaigns across television, internet, radio, print, and out of home advertising, separately targeting youth and adults, that provide medically and scientifically accurate information about the health and safety risks posed by marijuana use; and~~

~~(B) The Washington poison control center.~~

~~(ii) For each fiscal year, the legislature must appropriate a minimum of nine million seven hundred fifty thousand dollars under this subsection (2)(b);~~

~~(c)(i) Up to six tenths of one percent to the University of Washington and four tenths of one percent to Washington State University for research on the short and long term effects of marijuana use, to include but not be limited to formal and informal methods for estimating and measuring intoxication and impairment, and for the dissemination of such research.~~

~~(ii) For each fiscal year, except for the 2019-2021 and 2021-2023 fiscal biennia, the legislature must appropriate a minimum of one million twenty one thousand dollars to the University of Washington. For each fiscal year, except for the 2019-2021 and 2021-2023 fiscal biennia, the legislature must appropriate a minimum of six hundred eighty one thousand dollars to Washington State University under this subsection (2)(c). It is the intent of the legislature that this policy will be continued in the 2023-2025 fiscal biennium;~~

~~(d) Fifty percent to the state basic health plan trust account to be administered by the Washington basic health plan administrator and used as provided under chapter 70.47 RCW;~~

~~(e) Five percent to the Washington state health care authority to be expended exclusively through contracts with community health centers to provide primary health and dental care services, migrant health services, and maternity health care services as provided under RCW 41.05.220;~~

~~(f)(i) Up to three tenths of one percent to the office of the superintendent of public instruction to fund grants to building bridges programs under chapter 28A.175 RCW.~~

~~(ii) For each fiscal year, the legislature must appropriate a minimum of five hundred eleven thousand dollars to the office of the superintendent of public instruction under this subsection (2)(f); and~~

~~(g) At the end of each fiscal year, the treasurer must transfer any amounts in the dedicated marijuana account that~~

~~are not appropriated pursuant to subsection (1) of this section and this subsection (2) into the general fund, except as provided in (g)(i) of this subsection (2).~~

~~(i) Beginning in fiscal year 2018, if marijuana excise tax collections deposited into the general fund in the prior fiscal year exceed twenty five million dollars, then each fiscal year the legislature must appropriate an amount equal to thirty percent of all marijuana excise taxes deposited into the general fund the prior fiscal year to the treasurer for distribution to counties, cities, and towns as follows:~~

~~(A) Thirty percent must be distributed to counties, cities, and towns where licensed marijuana retailers are physically located. Each jurisdiction must receive a share of the revenue distribution under this subsection (2)(g)(i)(A) based on the proportional share of the total revenues generated in the individual jurisdiction from the taxes collected under RCW 69.50.535, from licensed marijuana retailers physically located in each jurisdiction. For purposes of this subsection (2)(g)(i)(A), one hundred percent of the proportional amount attributed to a retailer physically located in a city or town must be distributed to the city or town.~~

~~(B) Seventy percent must be distributed to counties, cities, and towns ratably on a per capita basis. Counties must receive sixty percent of the distribution, which must be disbursed based on each county's total proportional population. Funds may only be distributed to jurisdictions that do not prohibit the siting of any state licensed marijuana producer, processor, or retailer.~~

~~(ii) Distribution amounts allocated to each county, city, and town must be distributed in four installments by the last day of each fiscal quarter.~~

~~(iii) By September 15th of each year, the board must provide the state treasurer the annual distribution amount, if any, for each county and city as determined in (g)(i) of this subsection (2).~~

~~(iv) The total share of marijuana excise tax revenues distributed to counties and cities in (g)(i) of this subsection (2) may not exceed fifteen million dollars in fiscal years 2018, 2019, 2020, and 2021, and twenty million~~

~~dollars per fiscal year thereafter))~~
\$12,500,000 annually to the board for administration of this chapter as appropriated in the omnibus appropriations act;

(b) \$11,000,000 annually to the department of health for the following:

(i) Creation, implementation, operation, and management of a marijuana, vapor product, and commercial tobacco education and public health program that contains the following:

(A) A marijuana use public health hotline that provides referrals to substance abuse treatment providers, uses evidence-based or research-based public health approaches to minimizing the harms associated with marijuana use, and does not solely advocate an abstinence-only approach;

(B) Programs that support development and implementation of coordinated intervention strategies for the prevention and reduction of commercial tobacco, vapor product, and marijuana use by youth and marijuana cessation treatment services, including grant programs to local health departments or other local community agencies;

(C) Media-based education campaigns across television, internet, radio, print, and out-of-home advertising, separately targeting youth and adults, that provide medically and scientifically accurate information about the health and safety risks posed by marijuana use; and

(D) Outreach to priority populations regarding commercial tobacco, vapor product, and marijuana use, prevention, and cessation; and

(ii) The Washington poison control center;

(c)(i) \$3,000,000 annually to the department of commerce to fund cannabis social equity grants under RCW 43.330.540; and

(ii) \$200,000 annually to the department of commerce to fund technical assistance through a roster of mentors under RCW 43.330.540;

(d) \$200,000 annually, until June 30, 2032, to the health care authority to contract with the Washington state institute for public policy to conduct the cost-benefit evaluations and produce the reports described in RCW 69.50.550;

(e) \$25,000 annually to the University of Washington alcohol and drug abuse institute for the creation, maintenance, and timely updating of web-based public education materials providing medically and scientifically accurate information about the health and safety risks posed by marijuana use;

(f) \$300,000 annually to the University of Washington and \$175,000 annually to the Washington State University for research on the short-term and long-term effects of marijuana use to include, but not be limited to, formal and informal methods for estimating and measuring intoxication and impairments, and for the dissemination of such research;

(g) \$550,000 annually to the office of the superintendent of public instruction to fund grants to building bridges programs under chapter 28A.175 RCW;

(h) \$2,423,000 for fiscal year 2022 and \$2,423,000 for fiscal year 2023 to the Washington state patrol for a drug enforcement task force;

(i) \$270,000 for fiscal year 2022 and \$290,000 for fiscal year 2023 to the department of ecology for implementation of accreditation of marijuana product testing laboratories;

(j) \$800,000 for each of fiscal years 2020 through 2023 to the department of health for the administration of the marijuana authorization database; and

(k) \$621,000 for fiscal year 2022 and \$635,000 for fiscal year 2023 to the department of agriculture for compliance-based laboratory analysis of pesticides in marijuana.

(2) Subsections (1)(a) through (g) of this section must be adjusted annually based on the United States bureau of labor statistics' consumer price index for the Seattle area.

(3) After appropriation of the amounts identified in subsection (1) of this section, the legislature must annually appropriate such remaining amounts for the purposes listed in this subsection (3) as follows:

(a) Fifty-two percent to the state basic health plan trust account to be administered by the Washington basic health plan administrator and used as provided under chapter 70.47 RCW;

(b) Eleven percent to the health care authority to:

(i) Design and administer the Washington state healthy youth survey, analyze the collected data, and produce reports, in collaboration with the office of the superintendent of public instruction, department of health, department of commerce, family policy council, and board. The survey must be conducted at least every two years and include questions regarding, but not necessarily limited to, academic achievement, age at time of substance use initiation, antisocial behavior of friends, attitudes toward antisocial behavior, attitudes toward substance use, laws and community norms regarding antisocial behavior, family conflict, family management, parental attitudes toward substance use, peer rewarding of antisocial behavior, perceived risk of substance use, and rebelliousness. Funds disbursed under this subsection may be used to expand administration of the healthy youth survey to student populations attending institutions of higher education in Washington;

(ii) Develop, implement, maintain, and evaluate programs and practices aimed at the prevention or reduction of maladaptive substance use, substance use disorder, substance abuse or substance dependence, as these terms are defined in the diagnostic and statistical manual of mental disorders, among middle school and high school-age students, whether as an explicit goal of a given program or practice or as a consistently corresponding effect of its implementation, mental health services for children and youth, and services for pregnant and parenting women. In deciding which programs and practices to fund under this subsection (3)(b)(ii), the director of the health care authority must consult, at least annually, with the University of Washington's social development research group and the University of Washington's alcohol and drug abuse institute; and

(iii) Contract with community health centers to provide primary health and dental care services, migrant health services, and maternity health care services as provided under RCW 41.05.220;

(c)(i) One and one-half percent to counties, cities, and towns where licensed marijuana retailers are physically located. Each jurisdiction must receive a share of the revenue

distribution under this subsection (3)(c)(i) based on the proportional share of the total revenues generated in the individual jurisdiction from the taxes collected under RCW 69.50.535, from licensed marijuana retailers physically located in each jurisdiction. For purposes of this subsection (3)(c), 100 percent of the proportional amount attributed to a retailer physically located in a city or town must be distributed to the city or town;

(ii) Three and one-half percent to counties, cities, and towns ratably on a per capita basis. Counties must receive 60 percent of the distribution based on each county's total proportional population. Funds may only be distributed to jurisdictions that do not prohibit the siting of any state licensed marijuana producer, processor, or retailer;

(iii) By September 15th of each year, the board must provide the state treasurer the annual distribution amount made under this subsection (3)(c), if any, for each county and city as determined in (c)(i) and (ii) of this subsection; and

(iv) Distribution amounts allocated to each county, city, and town in (c)(i) and (ii) of this subsection must be distributed in four installments by the last day of each fiscal quarter; and

(d) Thirty-two percent must be deposited in the state general fund.

NEW SECTION. Sec. 3. The joint legislative audit and review committee shall conduct a review of the appropriation and expenditure of cannabis revenues pursuant to RCW 69.50.540 and report to the appropriate legislative committees by December 1, 2023. The report shall include an examination on the appropriation and expenditure of these funds to evaluate: How these funds have been appropriated and expended; whether the appropriations and expenditures are consistent with the provisions of RCW 69.50.540; and whether information related to the appropriations and expenditures is readily available to the general public. The report shall include options for increasing the transparency and accountability related to the appropriation and expenditure of cannabis-related revenues."

SECOND READING

SUBSTITUTE SENATE BILL NO. 5818, by Senate Committee on Housing & Local Government (originally sponsored by Salomon, Liias, Kuderer, Saldaña and Short)

Promoting housing construction in cities through amendments to and limiting appeals under the state environmental policy act and growth management act.

The bill was read the second time.

Representative Fitzgibbon moved the adoption of striking amendment (1284):

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 36.70A.600 and 2020 c 173 s 1 are each amended to read as follows:

(1) A city planning pursuant to RCW 36.70A.040 is encouraged to take the

following actions in order to increase its residential building capacity:

- (a) Authorize development in one or more areas of not fewer than five hundred acres that include at least one train station served by commuter rail or light rail with an average of at least fifty residential units per acre that require no more than an average of one on-site parking space per two bedrooms in the portions of multifamily zones that are located within the areas;
- (b) Authorize development in one or more areas of not fewer than two hundred acres in cities with a population greater than forty thousand or not fewer than one hundred acres in cities with a population less than forty thousand that include at least one bus stop served by scheduled bus service of at least four times per hour for twelve or more hours per day with an average of at least twenty-five residential units per acre that require no more than an average of one on-site parking space per two bedrooms in portions of the multifamily zones that are located within the areas;
- (c) Authorize at least one duplex, triplex, quadplex, sixplex, stacked flat, townhouse, or courtyard apartment on each parcel in one or more zoning districts that permit single-family residences unless a city documents a specific infrastructure of physical constraint that would make this requirement unfeasible for a particular parcel;
- (d) Authorize a duplex, triplex, quadplex, sixplex, stacked flat, townhouse, or courtyard apartment on one or more parcels for which they are not currently authorized;
- (e) Authorize cluster zoning or lot size averaging in all zoning districts that permit single-family residences;
- (f) Adopt a subarea plan pursuant to RCW 43.21C.420;
- (g) Adopt a planned action pursuant to RCW 43.21C.440(1)(b)(ii), except that an environmental impact statement pursuant to RCW 43.21C.030 is not required for such an action;
- (h) Adopt increases in categorical exemptions pursuant to RCW 43.21C.229 for residential or mixed-use development;
- (i) Adopt a form-based code in one or more zoning districts that permit residential uses. "Form-based code" means a land development regulation that uses physical form, rather than separation of use, as the organizing principle for the code;
- (j) Authorize a duplex on each corner lot within all zoning districts that permit single-family residences;
- (k) Allow for the division or redivision of land into the maximum number of lots through the short subdivision process provided in chapter 58.17 RCW;
- (l) Authorize a minimum net density of six dwelling units per acre in all residential zones, where the residential development capacity will increase within the city. For purposes of this subsection, the calculation of net density does not include the square footage of areas that are otherwise prohibited from development, such as critical areas, the area of buffers around critical areas, and the area of roads and similar features;
- (m) Create one or more zoning districts of medium density in which individual lots may be no larger than three thousand five hundred square feet and single-family residences may be no larger than one thousand two hundred square feet;
- (n) Authorize accessory dwelling units in one or more zoning districts in which they are currently prohibited;
- (o) Remove minimum residential parking requirements related to accessory dwelling units;
- (p) Remove owner occupancy requirements related to accessory dwelling units;
- (q) Adopt new square footage requirements related to accessory dwelling units that are less restrictive than existing square footage requirements related to accessory dwelling units;
- (r) Adopt maximum allowable exemption levels in WAC 197-11-800(1) as it existed on June 11, 2020, or such subsequent date as may be provided by the department of ecology by rule, consistent with the purposes of this section;
- (s) Adopt standards for administrative approval of final plats pursuant to RCW 58.17.100;

(t) Adopt ordinances authorizing administrative review of preliminary plats pursuant to RCW 58.17.095;

(u) Adopt other permit process improvements where it is demonstrated that the code, development regulation, or ordinance changes will result in a more efficient permit process for customers;

(v) Update use matrices and allowable use tables that eliminate conditional use permits and administrative conditional use permits for all housing types, including single-family homes, townhomes, multifamily housing, low-income housing, and senior housing, but excluding essential public facilities;

(w) Allow off-street parking to compensate for lack of on-street parking when private roads are utilized or a parking demand study shows that less parking is required for the project;

(x) Develop a local program that offers homeowners a combination of financing, design, permitting, or construction support to build accessory dwelling units. A city may condition this program on a requirement to provide the unit for affordable home ownership or rent the accessory dwelling unit for a defined period of time to either tenants in a housing subsidy program as defined in RCW 43.31.605(14) or to tenants whose income is less than eighty percent of the city or county median family income. If the city includes an affordability requirement under the program, it must provide additional incentives, such as:

- (i) Density bonuses;
- (ii) Height and bulk bonuses;
- (iii) Fee waivers or exemptions;
- (iv) Parking reductions; or
- (v) Expedited permitting; and

(y) Develop a local program that offers homeowners a combination of financing, design, permitting, or construction support to convert a single-family home into a duplex, triplex, or quadplex where those housing types are authorized. A local government may condition this program on a requirement to provide a certain number of units for affordable home ownership or to rent a certain number of the newly created units for a defined period of time to either tenants in a housing subsidy program as defined in RCW 43.31.605(14) or to tenants whose income is less than eighty

percent of the city or county median family income. If the city includes an affordability requirement, it must provide additional incentives, such as:

- (i) Density bonuses;
- (ii) Height and bulk bonuses;
- (iii) Fee waivers or exemptions;
- (iv) Parking reductions; or
- (v) Expedited permitting.

(2) A city planning pursuant to RCW 36.70A.040 may adopt a housing action plan as described in this subsection. The goal of any such housing plan must be to encourage construction of additional affordable and market rate housing in a greater variety of housing types and at prices that are accessible to a greater variety of incomes, including strategies aimed at the for-profit single-family home market. A housing action plan may utilize data compiled pursuant to RCW 36.70A.610. The housing action plan should:

(a) Quantify existing and projected housing needs for all income levels, including extremely low-income households, with documentation of housing and household characteristics, and cost-burdened households;

(b) Develop strategies to increase the supply of housing, and variety of housing types, needed to serve the housing needs identified in (a) of this subsection;

(c) Analyze population and employment trends, with documentation of projections;

(d) Consider strategies to minimize displacement of low-income residents resulting from redevelopment;

(e) Review and evaluate the current housing element adopted pursuant to RCW 36.70A.070, including an evaluation of success in attaining planned housing types and units, achievement of goals and policies, and implementation of the schedule of programs and actions;

(f) Provide for participation and input from community members, community groups, local builders, local realtors, nonprofit housing advocates, and local religious groups; and

(g) Include a schedule of programs and actions to implement the recommendations of the housing action plan.

(3) ~~((If adopted by April 1, 2023,))~~
The adoption of ordinances, development regulations and amendments to ((development)) such regulations, and other nonproject actions taken by a city to implement the actions specified in subsection (1) of this section, with the exception of the action specified in subsection (1)(f) of this section, are not subject to administrative or judicial appeal under chapter 43.21C RCW.

(4) Any action taken by a city prior to April 1, 2023, to amend ~~((their))~~ its comprehensive plan~~((r))~~ or adopt or amend ordinances or development regulations, solely to enact provisions under subsection (1) of this section is not subject to legal challenge under this chapter.

(5) In taking action under subsection (1) of this section, cities are encouraged to utilize strategies that increase residential building capacity in areas with frequent transit service and with the transportation and utility infrastructure that supports the additional residential building capacity.

(6) A city that is planning to take at least two actions under subsection (1) of this section, and that action will occur between July 28, 2019, and April 1, 2021, is eligible to apply to the department for planning grant assistance of up to one hundred thousand dollars, subject to the availability of funds appropriated for that purpose. The department shall develop grant criteria to ensure that grant funds awarded are proportionate to the level of effort proposed by a city, and the potential increase in housing supply or regulatory streamlining that could be achieved. Funding may be provided in advance of, and to support, adoption of policies or ordinances consistent with this section. A city can request, and the department may award, more than one hundred thousand dollars for applications that demonstrate extraordinary potential to increase housing supply or regulatory streamlining.

(7) A city seeking to develop a housing action plan under subsection (2) of this section is eligible to apply to the department for up to one hundred thousand dollars.

(8) The department shall establish grant award amounts under subsections (6) and (7) of this section based on the

expected number of cities that will seek grant assistance, to ensure that all cities can receive some level of grant support. If funding capacity allows, the department may consider accepting and funding applications from cities with a population of less than twenty thousand if the actions proposed in the application will create a significant amount of housing capacity or regulatory streamlining and are consistent with the actions in this section.

(9) In implementing chapter 348, Laws of 2019, cities are encouraged to prioritize the creation of affordable, inclusive neighborhoods and to consider the risk of residential displacement, particularly in neighborhoods with communities at high risk of displacement.

Sec. 2. RCW 36.70A.070 and 2021 c 254 s 2 are each amended to read as follows:

The comprehensive plan of a county or city that is required or chooses to plan under RCW 36.70A.040 shall consist of a map or maps, and descriptive text covering objectives, principles, and standards used to develop the comprehensive plan. The plan shall be an internally consistent document and all elements shall be consistent with the future land use map. A comprehensive plan shall be adopted and amended with public participation as provided in RCW 36.70A.140. Each comprehensive plan shall include a plan, scheme, or design for each of the following:

(1) A land use element designating the proposed general distribution and general location and extent of the uses of land, where appropriate, for agriculture, timber production, housing, commerce, industry, recreation, open spaces, general aviation airports, public utilities, public facilities, and other land uses. The land use element shall include population densities, building intensities, and estimates of future population growth. The land use element shall provide for protection of the quality and quantity of groundwater used for public water supplies. Wherever possible, the land use element should consider utilizing urban planning approaches that promote physical activity. Where applicable, the land use element shall review drainage, flooding, and stormwater runoff in the area and nearby jurisdictions and provide guidance for corrective actions to mitigate or cleanse those discharges that pollute waters of the state, including

Puget Sound or waters entering Puget Sound.

(2) A housing element ensuring the vitality and character of established residential neighborhoods that:

(a) Includes an inventory and analysis of existing and projected housing needs that identifies the number of housing units necessary to manage projected growth, as provided by the department of commerce, including:

(i) Units for moderate, low, very low, and extremely low-income households; and

(ii) Emergency housing, emergency shelters, and permanent supportive housing;

(b) Includes a statement of goals, policies, objectives, and mandatory provisions for the preservation, improvement, and development of housing, including single-family residences, and within an urban growth area boundary, moderate density housing options including, but not limited to, duplexes, triplexes, and townhomes;

(c) Identifies sufficient capacity of land for housing including, but not limited to, government-assisted housing, housing for moderate, low, very low, and extremely low-income households, manufactured housing, multifamily housing, group homes, foster care facilities, emergency housing, emergency shelters, permanent supportive housing, and within an urban growth area boundary, consideration of duplexes, triplexes, and townhomes;

(d) Makes adequate provisions for existing and projected needs of all economic segments of the community, including:

(i) Incorporating consideration for low, very low, extremely low, and moderate-income households;

(ii) Documenting programs and actions needed to achieve housing availability including gaps in local funding, barriers such as development regulations, and other limitations;

(iii) Consideration of housing locations in relation to employment location; and

(iv) Consideration of the role of accessory dwelling units in meeting housing needs;

(e) Identifies local policies and regulations that result in racially disparate impacts, displacement, and exclusion in housing, including:

(i) Zoning that may have a discriminatory effect;

(ii) Disinvestment; and

(iii) Infrastructure availability;

(f) Identifies and implements policies and regulations to address and begin to undo racially disparate impacts, displacement, and exclusion in housing caused by local policies, plans, and actions;

(g) Identifies areas that may be at higher risk of displacement from market forces that occur with changes to zoning development regulations and capital investments; and

(h) Establishes antidisplacement policies, with consideration given to the preservation of historical and cultural communities as well as investments in low, very low, extremely low, and moderate-income housing; equitable development initiatives; inclusionary zoning; community planning requirements; tenant protections; land disposition policies; and consideration of land that may be used for affordable housing.

In counties and cities subject to the review and evaluation requirements of RCW 36.70A.215, any revision to the housing element shall include consideration of prior review and evaluation reports and any reasonable measures identified. The housing element should link jurisdictional goals with overall county goals to ensure that the housing element goals are met.

The adoption of ordinances, development regulations and amendments to such regulations, and other nonproject actions taken by a city that is required or chooses to plan under RCW 36.70A.040 that increase housing capacity, increase housing affordability, and mitigate displacement as required under this subsection (2) and that apply outside of critical areas are not subject to administrative or judicial appeal under chapter 43.21C RCW unless the adoption of such ordinances, development regulations and amendments to such regulations, or other nonproject actions has a probable significant adverse impact on fish habitat.

(3) A capital facilities plan element consisting of: (a) An inventory of existing capital facilities owned by public entities, showing the locations and capacities of the capital facilities; (b) a forecast of the future needs for such capital facilities; (c) the proposed locations and capacities of expanded or new capital facilities; (d) at least a six-year plan that will finance such capital facilities within projected funding capacities and clearly identifies sources of public money for such purposes; and (e) a requirement to reassess the land use element if probable funding falls short of meeting existing needs and to ensure that the land use element, capital facilities plan element, and financing plan within the capital facilities plan element are coordinated and consistent. Park and recreation facilities shall be included in the capital facilities plan element.

(4) A utilities element consisting of the general location, proposed location, and capacity of all existing and proposed utilities, including, but not limited to, electrical lines, telecommunication lines, and natural gas lines.

(5) Rural element. Counties shall include a rural element including lands that are not designated for urban growth, agriculture, forest, or mineral resources. The following provisions shall apply to the rural element:

(a) Growth management act goals and local circumstances. Because circumstances vary from county to county, in establishing patterns of rural densities and uses, a county may consider local circumstances, but shall develop a written record explaining how the rural element harmonizes the planning goals in RCW 36.70A.020 and meets the requirements of this chapter.

(b) Rural development. The rural element shall permit rural development, forestry, and agriculture in rural areas. The rural element shall provide for a variety of rural densities, uses, essential public facilities, and rural governmental services needed to serve the permitted densities and uses. To achieve a variety of rural densities and uses, counties may provide for clustering, density transfer, design guidelines, conservation easements, and other innovative techniques that will accommodate appropriate rural economic advancement, densities, and uses that are

not characterized by urban growth and that are consistent with rural character.

(c) Measures governing rural development. The rural element shall include measures that apply to rural development and protect the rural character of the area, as established by the county, by:

(i) Containing or otherwise controlling rural development;

(ii) Assuring visual compatibility of rural development with the surrounding rural area;

(iii) Reducing the inappropriate conversion of undeveloped land into sprawling, low-density development in the rural area;

(iv) Protecting critical areas, as provided in RCW 36.70A.060, and surface water and groundwater resources; and

(v) Protecting against conflicts with the use of agricultural, forest, and mineral resource lands designated under RCW 36.70A.170.

(d) Limited areas of more intensive rural development. Subject to the requirements of this subsection and except as otherwise specifically provided in this subsection (5)(d), the rural element may allow for limited areas of more intensive rural development, including necessary public facilities and public services to serve the limited area as follows:

(i) Rural development consisting of the infill, development, or redevelopment of existing commercial, industrial, residential, or mixed-use areas, whether characterized as shoreline development, villages, hamlets, rural activity centers, or crossroads developments.

(A) A commercial, industrial, residential, shoreline, or mixed-use area are subject to the requirements of (d)(iv) of this subsection, but are not subject to the requirements of (c)(ii) and (iii) of this subsection.

(B) Any development or redevelopment other than an industrial area or an industrial use within a mixed-use area or an industrial area under this subsection (5)(d)(i) must be principally designed to serve the existing and projected rural population.

(C) Any development or redevelopment in terms of building size, scale, use, or

intensity shall be consistent with the character of the existing areas. Development and redevelopment may include changes in use from vacant land or a previously existing use so long as the new use conforms to the requirements of this subsection (5);

(ii) The intensification of development on lots containing, or new development of, small-scale recreational or tourist uses, including commercial facilities to serve those recreational or tourist uses, that rely on a rural location and setting, but that do not include new residential development. A small-scale recreation or tourist use is not required to be principally designed to serve the existing and projected rural population. Public services and public facilities shall be limited to those necessary to serve the recreation or tourist use and shall be provided in a manner that does not permit low-density sprawl;

(iii) The intensification of development on lots containing isolated nonresidential uses or new development of isolated cottage industries and isolated small-scale businesses that are not principally designed to serve the existing and projected rural population and nonresidential uses, but do provide job opportunities for rural residents. Rural counties may allow the expansion of small-scale businesses as long as those small-scale businesses conform with the rural character of the area as defined by the local government according to RCW 36.70A.030(23). Rural counties may also allow new small-scale businesses to utilize a site previously occupied by an existing business as long as the new small-scale business conforms to the rural character of the area as defined by the local government according to RCW 36.70A.030(23). Public services and public facilities shall be limited to those necessary to serve the isolated nonresidential use and shall be provided in a manner that does not permit low-density sprawl;

(iv) A county shall adopt measures to minimize and contain the existing areas or uses of more intensive rural development, as appropriate, authorized under this subsection. Lands included in such existing areas or uses shall not extend beyond the logical outer boundary of the existing area or use, thereby allowing a new pattern of low-density sprawl. Existing areas are those that are

clearly identifiable and contained and where there is a logical boundary delineated predominately by the built environment, but that may also include undeveloped lands if limited as provided in this subsection. The county shall establish the logical outer boundary of an area of more intensive rural development. In establishing the logical outer boundary, the county shall address (A) the need to preserve the character of existing natural neighborhoods and communities, (B) physical boundaries, such as bodies of water, streets and highways, and land forms and contours, (C) the prevention of abnormally irregular boundaries, and (D) the ability to provide public facilities and public services in a manner that does not permit low-density sprawl;

(v) For purposes of (d) of this subsection, an existing area or existing use is one that was in existence:

(A) On July 1, 1990, in a county that was initially required to plan under all of the provisions of this chapter;

(B) On the date the county adopted a resolution under RCW 36.70A.040(2), in a county that is planning under all of the provisions of this chapter under RCW 36.70A.040(2); or

(C) On the date the office of financial management certifies the county's population as provided in RCW 36.70A.040(5), in a county that is planning under all of the provisions of this chapter pursuant to RCW 36.70A.040(5).

(e) Exception. This subsection shall not be interpreted to permit in the rural area a major industrial development or a master planned resort unless otherwise specifically permitted under RCW 36.70A.360 and 36.70A.365.

(6) A transportation element that implements, and is consistent with, the land use element.

(a) The transportation element shall include the following subelements:

(i) Land use assumptions used in estimating travel;

(ii) Estimated traffic impacts to state-owned transportation facilities resulting from land use assumptions to assist the department of transportation in monitoring the performance of state facilities, to plan improvements for the facilities, and to assess the impact of

land-use decisions on state-owned transportation facilities;

(iii) Facilities and services needs, including:

(A) An inventory of air, water, and ground transportation facilities and services, including transit alignments and general aviation airport facilities, to define existing capital facilities and travel levels as a basis for future planning. This inventory must include state-owned transportation facilities within the city or county's jurisdictional boundaries;

(B) Level of service standards for all locally owned arterials and transit routes to serve as a gauge to judge performance of the system. These standards should be regionally coordinated;

(C) For state-owned transportation facilities, level of service standards for highways, as prescribed in chapters 47.06 and 47.80 RCW, to gauge the performance of the system. The purposes of reflecting level of service standards for state highways in the local comprehensive plan are to monitor the performance of the system, to evaluate improvement strategies, and to facilitate coordination between the county's or city's six-year street, road, or transit program and the office of financial management's ten-year investment program. The concurrency requirements of (b) of this subsection do not apply to transportation facilities and services of statewide significance except for counties consisting of islands whose only connection to the mainland are state highways or ferry routes. In these island counties, state highways and ferry route capacity must be a factor in meeting the concurrency requirements in (b) of this subsection;

(D) Specific actions and requirements for bringing into compliance locally owned transportation facilities or services that are below an established level of service standard;

(E) Forecasts of traffic for at least ten years based on the adopted land use plan to provide information on the location, timing, and capacity needs of future growth;

(F) Identification of state and local system needs to meet current and future demands. Identified needs on state-owned transportation facilities must be

consistent with the statewide multimodal transportation plan required under chapter 47.06 RCW;

(iv) Finance, including:

(A) An analysis of funding capability to judge needs against probable funding resources;

(B) A multiyear financing plan based on the needs identified in the comprehensive plan, the appropriate parts of which shall serve as the basis for the six-year street, road, or transit program required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems. The multiyear financing plan should be coordinated with the ten-year investment program developed by the office of financial management as required by RCW 47.05.030;

(C) If probable funding falls short of meeting identified needs, a discussion of how additional funding will be raised, or how land use assumptions will be reassessed to ensure that level of service standards will be met;

(v) Intergovernmental coordination efforts, including an assessment of the impacts of the transportation plan and land use assumptions on the transportation systems of adjacent jurisdictions;

(vi) Demand-management strategies;

(vii) Pedestrian and bicycle component to include collaborative efforts to identify and designate planned improvements for pedestrian and bicycle facilities and corridors that address and encourage enhanced community access and promote healthy lifestyles.

(b) After adoption of the comprehensive plan by jurisdictions required to plan or who choose to plan under RCW 36.70A.040, local jurisdictions must adopt and enforce ordinances which prohibit development approval if the development causes the level of service on a locally owned transportation facility to decline below the standards adopted in the transportation element of the comprehensive plan, unless transportation improvements or strategies to accommodate the impacts of development are made concurrent with the development. These strategies may include increased public transportation service, ride-sharing programs, demand

management, and other transportation systems management strategies. For the purposes of this subsection (6), "concurrent with the development" means that improvements or strategies are in place at the time of development, or that a financial commitment is in place to complete the improvements or strategies within six years. If the collection of impact fees is delayed under RCW 82.02.050(3), the six-year period required by this subsection (6)(b) must begin after full payment of all impact fees is due to the county or city.

(c) The transportation element described in this subsection (6), the six-year plans required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems, and the ten-year investment program required by RCW 47.05.030 for the state, must be consistent.

(7) An economic development element establishing local goals, policies, objectives, and provisions for economic growth and vitality and a high quality of life. A city that has chosen to be a residential community is exempt from the economic development element requirement of this subsection.

(8) A park and recreation element that implements, and is consistent with, the capital facilities plan element as it relates to park and recreation facilities. The element shall include: (a) Estimates of park and recreation demand for at least a ten-year period; (b) an evaluation of facilities and service needs; and (c) an evaluation of intergovernmental coordination opportunities to provide regional approaches for meeting park and recreational demand.

(9) It is the intent that new or amended elements required after January 1, 2002, be adopted concurrent with the scheduled update provided in RCW 36.70A.130. Requirements to incorporate any such new or amended elements shall be null and void until funds sufficient to cover applicable local government costs are appropriated and distributed by the state at least two years before local government must update comprehensive plans as required in RCW 36.70A.130.

Sec. 3. RCW 43.21C.495 and 2020 c 173 s 2 are each amended to read as follows:

~~((If adopted by April 1, 2023, amendments to development regulations))~~

Adoption of ordinances, development regulations and amendments to such regulations, and other nonproject actions taken by a city to implement: The actions specified in section 2, chapter . . . , Laws of 2022 (this act) unless the adoption of such ordinances, development regulations and amendments to such regulations, or other nonproject actions has a probable significant adverse impact on fish habitat; and the increased residential building capacity actions identified in RCW 36.70A.600(1) (~~or (4)~~), with the exception of the action specified in RCW 36.70A.600(1)(f), are not subject to administrative or judicial appeals under this chapter.

Sec. 4. RCW 43.21C.501 and 2019 c 348 s 6 are each amended to read as follows:

(1) Project actions described in this section that pertain to residential, multifamily, or mixed-use development evaluated under this chapter by a city or town planning under RCW 36.70A.040 are exempt from appeals under this chapter on the basis of the evaluation of or impacts to the following elements of the environment, provided that the appropriate requirements for a particular element of the environment, as set forth in subsections (2) and (3) of this section, are met.

(2)(a) Transportation. A project action pertaining to residential, multifamily, or mixed-use development evaluated under this chapter by a city or town planning under RCW 36.70A.040 is exempt from appeals under this chapter on the basis of the evaluation of or impacts to transportation elements of the environment, so long as (~~the project does not present significant adverse impacts to the state owned transportation system as determined by the department of transportation and~~) the project is:

~~((a)(i))~~ (i)(A) Consistent with a locally adopted transportation plan; or

~~((ii))~~ (B) Consistent with the transportation element of a comprehensive plan; and

~~((b)(i))~~ (ii)(A) A project for which traffic or parking impact fees are imposed pursuant to RCW 82.02.050 through 82.02.090; or

~~((ii))~~ (B) A project for which traffic or parking impacts are (~~expressly~~) mitigated by an ordinance,

or ordinances, of general application adopted by the city or town.

~~((2))~~ (b) The exemption under this subsection (2) does not apply if the department of transportation has found that the project will present significant adverse impacts to the state-owned transportation system.

(3)(a) Aesthetics. A project action pertaining to residential, multifamily, or mixed-use development evaluated under this chapter by a city or town planning under RCW 36.70A.040 is exempt from appeals under this chapter on the basis of the evaluation of or impacts to the aesthetics element of the environment, so long as the project is subject to design review pursuant to adopted design review requirements at the local government level.

(b) Light and glare. A project action pertaining to residential, multifamily, or mixed-use development evaluated under this chapter by a city or town planning under RCW 36.70A.040 is exempt from appeals under this chapter on the basis of the evaluation of or impacts to the light and glare element of the environment, so long as the project is subject to design review pursuant to adopted design review requirements at the local government level.

(4) For purposes of this section(~~("impacts"))~~):

(a) "Design review" means a formally adopted local government process by which projects are reviewed for compliance with design standards for the type of use adopted through local ordinance.

(b) "Impacts to transportation elements of the environment" include impacts to transportation systems; vehicular traffic; waterborne, rail, and air traffic; parking; movement or circulation of people or goods; and traffic hazards.

NEW SECTION. Sec. 5. (1) The legislature recognizes that certain rule-based categorical exemption thresholds to chapter 43.21C RCW, found in WAC 197-11-800, have not been updated in recent years, and should be modified in light of the increased environmental protections in place under chapters 36.70A and 90.58 RCW, the current affordable housing crisis, and other laws. It is the intent of the legislature to direct the department of ecology to conduct expedited rule making to modify

the thresholds for the categorical exemptions described under subsection (2) of this section.

(2) By December 31, 2022, the department of ecology shall modify the rule-based categorical exemptions to chapter 43.21C RCW found in WAC 197-11-800 as follows:

(a) Include four attached single-family residential units to the current exemption under WAC 197-11-800(1)(b)(i);

(b) Create a new exemption level under WAC 197-11-800(1)(d) for single-family residential project types with a total square footage of fewer than 1,500 square feet in incorporated urban growth areas of at least 100 units;

(c) Increase the exemption level under WAC 197-11-800(1)(d) for multifamily residential project types in incorporated urban growth areas from 60 units to 200 units; and

(d) Add the following sentence to WAC 197-11-800(1)(c)(i): "The city, town, or county must document the result of its outreach with the department of transportation on impacts to state-owned transportation facilities, including consideration of whether mitigation is necessary for impacts to state-owned transportation facilities."

(3) This section expires January 1, 2024.

NEW SECTION. Sec. 6. A new section is added to chapter 43.21C RCW to read as follows:

Any applicant whose project qualifies as exempt or categorically exempt under either this chapter or under rules adopted pursuant to this chapter is not required to file an environmental checklist if other information is available to establish that a project qualifies for an exemption."

The Clerk called the roll on the final passage of Engrossed House Bill No. 1990, and the bill passed the House by the following vote: Yeas, 96; Nays, 2; Absent, 0; Excused, 0.

Voting yea: Representatives Abbarno, Barkis, Bateman, Berg, Bergquist, Berry, Boehnke, Bronoske, Caldier, Callan, Chambers, Chandler, Chapman, Chase, Chopp, Cody, Corry, Davis, Dent, Dolan, Donaghy, Duerr, Dye, Entenman, Eslick, Fey, Fitzgibbon, Frame, Gilday, Goehner, Goodman, Graham, Gregerson, Griffey, Hackney, Hansen, Harris, Harris-Talley, Hoff, Jacobsen, J. Johnson, Kirby, Klicker, Klippert, Kloba, Kretz, Leavitt, Lekanoff, MacEwen, Macri, Maycumber, McCaslin, McEntire, Morgan, Mosbrucker, Orcutt, Ormsby, Ortiz-Self, Orwall, Paul, Peterson, Pollet, Ramel, Ramos, Riccelli, Robertson, Rude, Rule, Ryu, Santos, Schmick, Sells, Senn, Shewmake, Simmons, Slatter, Springer, Steele, Stokesbary, Stonier, Sullivan, Sutherland, Taylor, Thai, Tharinger, Valdez, Vick, Volz, Walen, Walsh, Wicks, Wilcox, Wylie, Ybarra, Young and Mme. Speaker.

Voting nay: Representatives Dufault and Kraft.

ENGROSSED HOUSE BILL NO. 1990, having received the necessary constitutional majority, was declared passed.

ENGROSSED SENATE BILL NO. 5919, by Senators Van De Wege, Mullet, Conway, Gildon, Honeyford, Lovick, Randall, Salomon and Wagoner

Concerning the standard for law enforcement authority to detain or pursue persons. (REVISED FOR ENGROSSED: Concerning the definition of "physical force," "necessary," and "totality of the circumstances," and the standard for law enforcement authority to use physical force and providing the authority for a peace

officer to engage in a vehicular pursuit when there is reasonable suspicion a person has violated the law and the officer follows appropriate safety standards.)

The bill was read the second time.

There being no objection, the committee striking amendment by the Committee on Public Safety was before the House for purpose of amendment. (For Committee amendment, see Journal, Day 46, February 24, 2022).

Representative Graham moved the adoption of amendment (1368) to the committee striking amendment:

On page 1, line 9 of the striking amendment, after "violent offense" strike "~~((or sex offense))~~" and insert "or sex offense"

Representatives Graham and Goodman spoke in favor of the adoption of the amendment to the committee striking amendment.

Amendment (1368) to the committee striking amendment was adopted.

Representative Goodman moved the adoption of amendment (1366) to the committee striking amendment:

On page 1, beginning on line 14 of the striking amendment, after "(b)" strike all material through "person" on line 17 and insert "The pursuit is necessary for the purpose of identifying or apprehending the person;

(c) The person poses ~~((an imminent threat to the safety of))~~ a serious risk of harm to others"

Renumber the remaining subsections consecutively and correct any internal references accordingly.

Representatives Goodman and Mosbrucker spoke in favor of the adoption of the amendment to the committee striking amendment.

Amendment (1366) to the committee striking amendment was adopted.

Representative Rule moved the adoption of amendment (1369) to the committee striking amendment:

On page 1, beginning on line 20, after "circumstances;" strike all material through "pursuit" on line 29 and insert "and

~~((d))~~ (c)(i) Except as provided in ~~((d))~~(c)(ii) of this subsection, the ~~((officer has received authorization to~~

On page 2, beginning on line 2, after "~~not~~" strike all material through "~~The~~" on line 10 and insert "~~met~~";

(ii) For those jurisdictions with fewer than 10 commissioned officers, if a supervisor is not on duty at the time, the pursuing officer ((will request)) requests the on-call supervisor be notified of the pursuit according to the agency's procedures((-The)), and the pursuing officer ((must consider)) considers alternatives to the vehicular pursuit, the justification for the vehicular pursuit, and other safety considerations, including but not limited to speed, weather, traffic, road conditions, and the known presence of minors in the vehicle. ((The"

On page 2, beginning on line 12, after "~~not~~" strike all material through "~~comply~~" on line 14 and insert "~~met~~".)

(2) ((A)) In any vehicular pursuit under this section:

(a) The pursuing officer and supervising officer, if applicable, shall comply"

On page 2, at the beginning of line 18, strike "~~(f)~~" insert "~~(b)~~"

On page 2, at the beginning of line 19, strike "~~notifies~~" and insert "~~shall notify~~"

On page 2, line 22, after "~~officer~~" insert ", if applicable, shall"

On page 2, at the beginning of line 25, strike "~~(g) The pursuing officer is~~" and insert "(c) The pursuing officer must be"

On page 2, line 26, after "~~officer,~~" insert "if applicable,"

On page 2, at the beginning of line 29, strike "~~(h)~~" and insert "~~(d)~~"

On page 2, line 30, after "~~supervising officer,~~" insert "if applicable,"

On page 2, at the beginning of line 31, strike "~~develops~~" and insert "~~shall develop~~"

On page 2, at the beginning of line 36, strike all of subsection (1)(i) and insert the following:

"(e) The pursuing officer must have completed an emergency vehicle operator's course, must have completed updated emergency vehicle operator training in the previous two years, where applicable, and must be certified in at least one pursuit intervention option."

On page 3, at the beginning of line 1, strike "~~(2)~~" and insert "~~(3)~~"

Renumber the remaining subsections consecutively and correct any internal references accordingly.

On page 3, at the beginning of line 2, strike "~~subsection (1) of~~"

Representatives Rule and Mosbrucker spoke in favor of the adoption of the amendment to the committee striking amendment.

Amendment (1369) to the committee striking amendment was adopted.

The committee striking amendment, as amended, was adopted.

There being no objection, the rules were suspended, the second reading considered the third and the bill as amended by the House, was placed on final passage.

Representatives Goodman and Mosbrucker spoke in favor of the passage of the bill.

The Speaker (Representative Bronoske presiding) stated the question before the House to be the final passage of Engrossed Senate Bill No. 5919, as amended by the House.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 5919, as amended by the House, and the bill passed the House by the following vote: Yeas, 86; Nays, 12; Absent, 0; Excused, 0.

Voting yea: Representatives Abbarno, Barkis, Bateman, Berg, Bergquist, Boehnke, Bronoske, Caldier, Callan, Chambers, Chandler, Chapman, Chase, Cody, Corry, Davis, Dent, Dolan, Donaghy, Duerr, Dufault, Dye, Eslick, Fey, Gilday, Goehner, Goodman, Graham, Gregerson, Griffey, Hackney, Hansen, Harris, Hoff, Jacobsen, Kirby, Klicker, Klippert, Kloba, Kraft, Kretz, Leavitt, Lekanoff, MacEwen, Maycumber, McCaslin, McEntire, Morgan, Mosbrucker, Orcutt, Ormsby, Ortiz-Self, Orwall, Paul, Peterson, Ramel, Ramos, Riccelli, Robertson, Rude, Rule, Ryu, Schmick, Sells, Senn, Shewmake, Simmons, Slatter, Springer, Steele,

Stokesbary, Stonier, Sullivan, Sutherland, Taylor, Tharinger, Vick, Volz, Walen, Walsh, Wicks, Wilcox, Wylie, Ybarra, Young and Mme. Speaker.

Voting nay: Representatives Berry, Chopp, Entenman, Fitzgibbon, Frame, Harris-Talley, J. Johnson, Macri, Pollet, Santos, Thai and Valdez.

ENGROSSED SENATE BILL NO. 5919, as amended by the House, having received the necessary constitutional majority, was declared passed.

HOUSE BILL NO. 1846, by Representatives Berg and Ramel

Providing a tax preference for rural and nonrural data centers.

The bill was read the second time.

There being no objection, Substitute House Bill No. 1846 was substituted for House Bill No. 1846 and the substitute bill was placed on the second reading calendar.

SUBSTITUTE HOUSE BILL NO. 1846 was read the second time.

Representative Berg moved the adoption of striking amendment (1340):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** (1) The legislature finds that data centers are a cornerstone for strong internet infrastructure that is critical to the continuing prosperity of Washington's vibrant digital economy.

(2) The legislature further finds that the data center industry is experiencing explosive growth across the nation and the competition among states for data center investments has increased dramatically. A department of commerce study, *2018 State of the Data Center Industry, An Analysis of Washington's Competitiveness*, found that data center growth in rural Washington is at the lower end of the growth rate experienced by other major competitive markets.

(3) The legislature recognizes that rural county data center investments are necessary but insufficient for the state's total economy and competitiveness. Washington is the only state that restricts incentives geographically. As a result, data centers serving urban counties requiring higher performance and that offer colocation services for multiple tenants that foster technology ecosystems are lost to other states, particularly neighboring Oregon.

(4) The legislature further finds that data centers are one of the most energy-intensive building types, consuming 10 to 50 times the energy per floor space of a typical commercial office building. In addition, the legislature finds that it is imperative that the economic expansion of data centers not result in negative environmental impacts to the communities in which the data centers are located. To this end, the legislature encourages data centers to be good environmental stewards for their community through adopting practices to mitigate negative environmental impacts of data centers, such as the use of energy derived from renewable resources, redirecting waste heat for alternative uses, or other industrial symbiosis practices.

(5) The legislature therefore intends to encourage additional investments in data technology facilities through expanding and extending the current sales and use tax exemption for rural county data centers and establishing a sales and use tax exemption pilot program for data centers in counties with populations over 800,000, which will in turn incentivize local economic development, increased local tax revenues, and construction and trade jobs across Washington through the development of additional data center facilities.

NEW SECTION. **Sec. 2.** (1) This section is the tax preference performance statement for the tax preferences contained in sections 3, 4, 5, and 6, chapter . . . , Laws of 2022 (sections 3, 4, 5, and 6 of this act). This performance statement is only intended to be used for subsequent evaluation of the tax preferences. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes these sales and use tax exemptions on eligible server equipment and eligible power infrastructure equipment at eligible computer data centers as ones intended to: Induce certain designated behavior by taxpayers as indicated in RCW 82.32.808(2)(a); improve industry competitiveness as indicated in RCW 82.32.808(2)(b); create or retain jobs as indicated in RCW 82.32.808(2)(c); and reduce structural inefficiencies in the tax structure as indicated in RCW 82.32.808(2)(d).

(3) It is the legislature's specific public policy objective to:

(a) Maintain and grow the existing data center sector in Washington state, and encourage development of new data center facilities and refurbishment of existing data centers, thereby increasing the competitiveness of Washington's tax structure, which will increase or maintain construction and trade job growth in rural areas, and increase local tax revenue streams.

(b) Improve industry competitiveness and to increase, create, or retain jobs in computer data centers in counties with a population over 800,000, as determined by the April 1, 2021, office of financial management population estimates, thereby increasing family wage jobs. It is the legislature's intent to establish a pilot program that would provide a sales and use tax exemption on eligible server equipment and power infrastructure installed in eligible computer data centers, charges made for labor and services rendered in respect to installing eligible server equipment, and for construction, installation, repair, alteration, or improvement of eligible power infrastructures in order to increase investment in data center construction, leasing, and other investment throughout rural counties and counties with a population over 800,000, as determined by the April 1, 2021, office of financial management population estimates, thereby growing employment in the technology industry while adding real and personal property to state and local property tax rolls, thereby increasing the county tax base.

(4) The legislature intends to extend the expiration date of the tax preference. The joint legislative audit and review committee shall conduct a review and determine if the tax preference is (a) generating capital investment in new computer data centers, refurbished data centers, or existing data centers (e.g., replacement server equipment), (b) generating state and local tax collections from data center investment and operations, and (c) generating or maintaining construction and trade jobs in the state. The review must factor in changing economic conditions.

(5) In order to obtain the data necessary to perform the review in subsection (4) of this section, the joint legislative audit and review committee may refer to any available data source, including data available from the

department of revenue regarding rural county property tax assessments and employment data from the employment security department.

Sec. 3. RCW 82.08.986 and 2017 c 135 s 26 are each amended to read as follows:

(1)(a) An exemption from the tax imposed by RCW 82.08.020 is provided for sales to qualifying businesses and to qualifying tenants of eligible server equipment to be installed, without intervening use, in an eligible computer data center to which a valid exemption certificate applies, and to charges made for labor and services rendered in respect to installing eligible server equipment. ~~((Until January 1, 2026, the))~~

(b) This exemption also applies to sales to qualifying businesses and to qualifying tenants of eligible power infrastructure, including labor and services rendered in respect to constructing, installing, repairing, altering, or improving eligible power infrastructure at an eligible computer data center for which an exemption certificate has been issued.

(c) No new exemption certificates may be issued on or after July 1, 2036.

(d) The exemptions provided in this section expire July 1, 2048.

(e) Each calendar year, the department may issue no more than six certificates for data centers which qualify through refurbishment. Certificates are available for refurbished data centers on a first-in-time basis based on the date the application required under this section is received by the department. Each qualifying business may apply for only one certificate for a refurbished data center each calendar year.

(2)(a) In order to ~~((claim the exemption))~~ obtain an exemption certificate under this section, a qualifying business or a qualifying tenant must submit an application to the department for an exemption certificate. The application must include the information necessary, as required by the department, to determine that a business or tenant qualifies for the exemption under this section. The department must issue exemption certificates to qualifying businesses and qualifying tenants. The department may assign a unique identification number to each exemption certificate issued under this section.

(b) A qualifying business or a qualifying tenant claiming the exemption under this section must present the seller with an exemption certificate in a form and manner prescribed by the department. The seller must retain a copy of the certificate for the seller's files.

(c) With respect to computer data centers for which the commencement of construction occurs after July 1, 2015, but before July 1, 2019, the exemption provided in this section is limited to no more than eight computer data centers, with total eligible data centers provided under this section limited to twelve from July 1, 2015, through ~~((July 1, 2025))~~ the effective date of this section. Tenants of qualified data centers do not constitute additional data centers under the limit. The exemption is available on a first-in-time basis based on the date the application required under this section is received by the department.

(d) The exemption certificate is effective on the date the application is received by the department, which is deemed to be the date of issuance. Only purchases on or after the date of issuance qualify for the exemption under this section. No tax refunds are authorized for purchases made before the effective date of the exemption certificate.

(e) Exemption certificates expire two years after the date of issuance, unless construction has been commenced.

(3)(a)(i) Within six years of the date that the department issued an exemption certificate under this section to a qualifying business or a qualifying tenant with respect to an eligible computer data center, the qualifying business or qualifying tenant must establish that net employment ~~((at the))~~ assigned to an eligible computer data center has increased by a minimum of:

~~((+i))~~ (A) Thirty-five family wage employment positions; or, if lower

~~((+ii))~~ (B) Three family wage employment positions for each twenty thousand square feet of space or less that is newly dedicated to housing working servers at the eligible computer data center. For qualifying tenants, the number of family wage employment positions that must be increased under this subsection (3)(a)(~~((+i))~~) (i)(B) is based only on the space occupied by the

qualifying tenant in the eligible computer data center.

(ii) After the minimum number of family wage employment positions as required under (a)(i) of this subsection (3) is established, a qualifying business or a qualifying tenant must maintain the minimum family wage employment positions required under (a)(i) of this subsection (3) while the exemption certificate is valid.

(b) In calculating the net increase in family wage employment positions:

(i) The owner of an eligible computer data center, in addition to its own net increase in family wage employment positions, may include:

(A) The net increase, since the date of issuance of the qualifying business's exemption certificate, in family wage employment positions employed by qualifying tenants; and

(B) The net increase in family wage employment positions described in (c)(ii)(B) of this subsection (3).

(ii)(A) Qualifying tenants, in addition to their own net increase in family wage employment positions, may include:

(I) A portion of the net increase in family wage employment positions employed by the owner; and

(II) A portion of the net increase in family wage employment positions described in (c)(ii)(B) of this subsection (3).

(B) The portion of the net increase in family wage employment positions to be counted under this subsection (3)(b)(ii) by each qualifying tenant ~~((must be in proportion to the amount of space in the eligible computer data center occupied by the qualifying tenant compared to the total amount of space in the eligible computer data center occupied by all qualifying tenants))~~ is equal to the net increase in family wage employment positions assigned to an eligible computer data center as described in (b)(ii)(A)(I) and (II) of this subsection (3), multiplied by the percentage of total space within the eligible computer data center occupied by the qualifying tenant. Any combination of qualifying business and qualifying tenant family wage employment positions may meet this requirement.

(C)(I) In the instance of an existing data center facility that was ineligible, regardless of the date of commencement of construction, that later obtains an exemption certificate under this section, the data center may count the existing employment positions that are dedicated to the data center toward the family wage employment position requirements if the employment positions meet the requirements of a family wage employment position as described in (c)(i)(B) and (C) of this subsection (3).

(II) In the instance of the refurbishment of an existing data center that previously qualified under the data center program, the data center may count the existing employment positions dedicated to the data center toward the family wage employment position requirements if the employment positions meet the requirements of a family wage employment position as described in (c)(i)(B) and (C) of this subsection (3).

(c)(i) For purposes of this subsection((7)):

(A) For exemption certificates issued before the effective date of this section, family wage employment positions are new permanent employment positions requiring forty hours of weekly work, or their equivalent, on a full-time basis ((at the)) assigned to an eligible computer data center and receiving a wage equivalent to or greater than one hundred fifty percent of the per capita personal income of the county in which the qualified project is located as published by the employment security department. The per capita personal income to be used to determine qualification for any year is the amount that was established for the immediate prior year.

(B) For exemption certificates issued on or after the effective date of this section, family wage employment positions are new permanent employment positions requiring 40 hours of weekly work, or their equivalent, on a full-time basis assigned to an eligible computer data center and receiving a wage equivalent to or greater than 125 percent of the per capita personal income of the county in which the qualified project is located as published by the employment security department. The per capita personal income to be used to determine qualification for any year is the amount that was established for the immediate prior year.

(C) An employment position may not be counted as a family wage employment position unless the employment position is entitled to health insurance coverage provided by the employer of the employment position. ((For purposes of this subsection (3)(c), "new"))

(D) "New permanent employment position" means an employment position that did not exist or that had not previously been filled as of the date that the department issued an exemption certificate to the ((owner)) qualifying business or qualifying tenant of an eligible computer data center, as the case may be.

(ii)(A) Family wage employment positions include positions filled by employees of the ((owner of the eligible computer data center)) qualifying business and by employees of qualifying tenants.

(B) Family wage employment positions also include individuals performing work at an eligible computer data center as an independent contractor hired by the owner of the eligible computer data center or as an employee of an independent contractor hired by the owner of the eligible computer data center, if the work is necessary for the operation of the computer data center, such as security and building maintenance, and provided that all of the applicable requirements in (c)(i) of this subsection (3) are met.

(d) ((All)) (i) For a qualifying business or qualifying tenant that does not meet the requirements of this subsection (3), previously exempted sales and use taxes are immediately due and payable ((for a qualifying business or qualifying tenant that does not meet the requirements of this subsection)) and any exemption certificate issued to that qualifying business or qualifying tenant under this section is canceled, except as described in (d)(iii) of this subsection (3).

(ii) The department of labor and industries must, at the request of the department, assist in determining whether the requirements of this subsection (3) have been met.

(iii) If the department, with the assistance of the department of labor and industries, finds that a failure to meet the requirements of this subsection (3) is due to circumstances beyond the control of the qualifying business or

qualifying tenant including, but not limited to, a declaration of an economic recession, pandemic, or natural disaster affecting data center operations, the department may provide exceptions or extensions to the requirements of this subsection (3).

(iv) Any repayment of taxes triggered by the failure of a qualifying business or qualifying tenant to meet the requirements of this subsection (3) must be calculated in proportion to the duration of time for which any applicable requirement was not met.

(v) If the department is notified that a qualifying business or qualifying tenant fails to meet the requirements of this subsection (3), the department may require a qualifying business or qualifying tenant to submit records necessary to determine whether the requirements have been met.

(4) For exemption certificates issued on or after the effective date of this section:

(a) Within three years after being placed in service, the qualifying business operating a newly constructed data center must certify to the department that it has attained certification under one or more of the following sustainable design or green building standards:

(i) BREEAM for new construction or BREEAM in-use;

(ii) Energy star;

(iii) Envision;

(iv) ISO 50001-energy management;

(v) LEED for building design and construction or LEED for operations and maintenance;

(vi) Green globes for new construction or green globes for existing buildings;

(vii) UL 3223; or

(viii) Other reasonable standards approved by the department.

(b) The department may require qualifying businesses and qualifying tenants to submit records necessary to verify the requirements under (a) of this subsection have been met.

(c)(i) For a qualifying business or qualifying tenant that does not meet the requirements of (a) of this subsection (4), all previously exempted sales and

use taxes may be immediately due and payable, any exemption certificate issued to that qualifying business or qualifying tenant under this section is canceled, and an additional 10 percent penalty is assessed, except as described in (c)(ii) of this subsection (4).

(ii) If the department finds that a failure to meet the requirements of this subsection (4) is due to circumstances beyond the control of the qualifying business or qualifying tenant including, but not limited to, a declaration of an economic recession, pandemic, or natural disaster affecting data center operations, the department may, at its discretion, provide exceptions or extensions to the requirements of this subsection (4). The department may, at its discretion, coordinate with agencies with relevant expertise to assist in determining whether the requirements have been met.

(5) A qualifying business or a qualifying tenant claiming the exemption under this section is encouraged to take direct steps to adopt practices to mitigate negative environmental impacts resulting from expanded use of data centers, including through:

(a) Coordinating with the industrial waste coordination program established under RCW 43.31.625 to identify and provide technical assistance in implementing industrial symbiosis projects;

(b) To the extent possible, procuring or contracting for power from renewable sources;

(c) Adopting practices to improve the energy efficiency of existing data centers, including through upgrading and consolidating technology, managing data center airflow, and adjusting and improving heating, ventilation, and air conditioning systems; and

(d) Taking actions to conserve, reuse, and replace water. This includes using water efficient fixtures and practices; treating, infiltrating, and harvesting rainwater; recycling water before discharging; partnering with local water utilities to use discharged water for irrigation and other water conservation purposes; using reclaimed water where possible for data center operations; and supporting water restoration in local watersheds.

(6) A qualifying business or a qualifying tenant claiming an exemption under this section or RCW 82.12.986 must complete an annual tax performance report with the department as required under RCW 82.32.534. The report must identify construction firm names and employment levels used for constructing, renovating, refurbishing, or remodeling the data centers.

~~((+5)) (7)(a) ((The exemption provided in this section does not apply to:~~

~~(i) Any person who has received the benefit of the deferral program under chapter 82.60 RCW on: (A) The construction, renovation, or expansion of a structure or structures used as a computer data center; or (B) machinery or equipment used in a computer data center; and~~

~~(ii) Any person affiliated with a person within the scope of (a)(i) of this subsection (5).~~

~~(b) If a person claims an exemption under this section and subsequently receives the benefit of the deferral program under chapter 82.60 RCW on either the construction, renovation, or expansion of a structure or structures used as a computer data center or machinery or equipment used in a computer data center, the person must repay the amount of taxes exempted under this section. Interest as provided in chapter 82.32 RCW applies to amounts due under this section until paid in full.~~

~~(6)) The certificate holder may not at any time assign or transfer a certificate without the prior written consent of the department. The department must allow certificate transfers if the certificate holder meets the following requirements:~~

~~(i) The certificate assignee or transferee is qualified to do business in the state;~~

~~(ii) The assignee or transferee acknowledges the transfer of the certificate in writing;~~

~~(iii) The assignee or transferee agrees to keep and perform all the terms of the certificates; and~~

~~(iv) An assignment or transfer of the certificate is to an entity that:~~

(A) Controls, is controlled by, or under common control with, the certificate holder;

(B) Acquires all or substantially all of the stock or assets of the certificate holder; or

(C) Is the resulting entity of a merger or consolidation with the certificate holder.

(b) In the event the assignee or transferee acquires eligible server equipment in a qualifying asset sale under (a)(iv)(B) of this subsection, the purchaser shall be deemed to purchase the eligible server equipment pursuant to the transferred certificate.

(8) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Affiliated" means that one person has a direct or indirect ownership interest of at least twenty percent in another person.

(b) "Building" means a fully enclosed structure with a weather resistant exterior wall envelope or concrete or masonry walls designed in accordance with the requirements for structures under chapter 19.27 RCW. This definition of "building" only applies to computer data centers for which commencement of construction occurs on or after July 1, 2015.

(c) "Certificate of occupancy" means:

(i) For a newly constructed eligible computer data center, the certificate of occupancy issued by a local governing authority for the structure or structures which comprise the eligible computer data center; or

(ii) For renovations of an eligible computer data center, the certificate of occupancy issued by a local governing authority for the renovated structure or structures that comprise the eligible computer data center.

(d)(i) "Computer data center" means a facility comprised of one or more buildings, which may be comprised of multiple businesses, constructed or refurbished specifically, and used primarily, to house working servers, where the facility has the following characteristics: (A) Uninterruptible power supplies, generator backup power, or both; (B) sophisticated fire suppression and prevention systems; and

(C) enhanced physical security, such as: Restricted access to the facility to selected personnel; permanent security guards; video camera surveillance; an electronic system requiring passcodes, keycards, or biometric scans, such as hand scans and retinal or fingerprint recognition; or similar security features.

(ii) For a computer data center comprised of multiple buildings, each separate building constructed or refurbished specifically, and used primarily, to house working servers is considered a computer data center if it has all of the characteristics listed in ~~((e))~~ (d)(i)(A) through (C) of this subsection ~~((6))~~ (8).

(iii) A facility comprised of one building or more than one building must have a combined square footage of at least one hundred thousand square feet.

~~((d))~~ (e) "Electronic data storage and data management services" include, but are not limited to: Providing data storage and backup services, providing computer processing power, hosting enterprise software applications, and hosting websites. The term also includes providing services such as email, web browsing and searching, media applications, and other online services, regardless of whether a charge is made for such services.

~~((e))~~ (f)(i) "Eligible computer data center" means a computer data center:

(A) Located in a rural county as defined in RCW 82.14.370 at the time an application for an exemption under this section is received;

(B) Having at least twenty thousand square feet dedicated to housing working servers ~~(, where the server space has not previously been dedicated to housing working servers);~~ and

(C) For which the commencement of construction occurs:

(I) After March 31, 2010, and before July 1, 2011;

(II) After March 31, 2012, and before July 1, 2015; or

(III) After June 30, 2015, and before July 1, ~~((2025))~~ 2035.

(ii) For purposes of this section, "commencement of construction" means the date that a building permit is issued under the building code adopted under RCW

19.27.031 for construction of the computer data center. The construction of a computer data center includes the expansion, renovation, or ~~((other improvements made to))~~ refurbishment of existing facilities regardless of whether the existing facility was previously ineligible and regardless of whether commencement of construction of the existing facility occurred outside of the dates listed in (f)(i)(C)(I) through (III) of this subsection, including leased or rented space. "Commencement of construction" does not include soil testing, site clearing and grading, site preparation, or any other related activities that are initiated before the issuance of a building permit for the construction of the foundation of a computer data center. If no building permit is required for renovation or refurbishment, then the date that renovation or refurbishment begins is the "commencement of construction."

~~((iii) With respect to facilities in existence on April 1, 2010, that are expanded, renovated, or otherwise improved after March 31, 2010, or facilities in existence on April 1, 2012, that are expanded, renovated, or otherwise improved after March 31, 2012, or facilities in existence on July 1, 2015, that are expanded, renovated, or otherwise improved after June 30, 2015, an eligible computer data center includes only the portion of the computer data center meeting the requirements in (e)(i)(B) of this subsection (6).~~

~~((f))~~ (g) "Eligible power infrastructure" means all fixtures and equipment owned by a qualifying business or qualifying tenant and necessary for the transformation, distribution, or management of electricity that is required to operate eligible server equipment within an eligible computer data center. The term includes generators; wiring; cogeneration equipment; and associated fixtures and equipment, such as electrical switches, batteries, and distribution, testing, and monitoring equipment. The term does not include substations.

~~((g))~~ (h) "Eligible server equipment" means:

(i) For a qualifying business whose computer data center qualifies as an eligible computer data center under ~~((e))~~ (f)(i)(C)(I) of this subsection ~~((6))~~ (8), the original server equipment installed in an eligible

computer data center on or after April 1, 2010, and before January 1, 2026, and replacement server equipment. For purposes of this subsection ~~((+6)(g))~~ (8)(h)(i), "replacement server equipment" means server equipment that:

(A) Replaces existing server equipment, if the sale or use of the server equipment to be replaced qualified for an exemption under this section or RCW 82.12.986; and

(B) Is installed and put into regular use before April 1, 2018.

(ii) For a qualifying business whose computer data center qualifies as an eligible computer data center under ~~((+e))~~ (f)(i)(C)(II) of this subsection ~~((+6))~~ (8), "eligible server equipment" means the original server equipment installed in an eligible computer data center on or after April 1, 2012, and before January 1, 2026, and replacement server equipment. For purposes of this subsection ~~((+6)(g))~~ (8)(h)(ii), "replacement server equipment" means server equipment that:

(A) Replaces existing server equipment, if the sale or use of the server equipment to be replaced qualified for an exemption under this section or RCW 82.12.986; and

(B) Is installed and put into regular use before April 1, 2024.

~~((+A))~~ (iii) For a qualifying business whose computer data center qualifies as an eligible computer data center under ~~((+e))~~ (f)(i)(C)(III) of this subsection ~~((+6))~~ (8), "eligible server equipment" means the original server equipment installed in a building within an eligible computer data center on or after July 1, 2015, and replacement server equipment. Server equipment installed in movable or fixed stand-alone, prefabricated, or modular units, including intermodal shipping containers, is not "directly installed in a building." For purposes of this subsection ~~((+6)(g))~~ (8)(h)(iii)~~((+A))~~, "replacement server equipment" means server equipment that ~~((replaces))~~:

(A)(I) Replaces existing server equipment, if the sale or use of the server equipment to be replaced qualified for an exemption under this section or RCW 82.12.986; or

(II) Replaces existing server equipment in a computer data center that meets the following requirements: Was ineligible before the effective date of this section for the exemptions provided under this section and RCW 82.12.986; has been refurbished; and to which a valid exemption certificate applies; and

(B) Is installed and put into regular use no later than twelve years after the date of the certificate of occupancy or completion of refurbishment of the computer data center.

(iv) For a qualifying tenant who leases space within an eligible computer data center, "eligible server equipment" means the original server equipment installed within the space it leases from an eligible computer data center with an exemption certificate on or after April 1, 2010, ~~((and before January 1, 2026,))~~ and replacement server equipment. For purposes of this subsection ~~((+6)(g))~~ (8)(h)(iv), "replacement server equipment" means server equipment that:

(A)(I) Replaces existing server equipment, if the sale or use of the server equipment to be replaced qualified for an exemption under this section or RCW 82.12.986; or

(II) Replaces existing server equipment in a computer data center that meets the following requirements: Was ineligible before the effective date of this section for the exemptions provided under this section and RCW 82.12.986; has been refurbished; and to which a valid exemption certificate applies; and

(B) Is installed and put into regular use ~~((before April 1, 2024; and~~

~~((C) For tenants leasing space in an eligible computer data center built after July 1, 2015, is installed and put into regular use no later than twelve years after the date of the certificate of occupancy))~~ no later than 12 years after the date of the certificate of occupancy or completion of refurbishment of the computer data center.

~~((+h))~~ (i) "Qualifying business" means a business entity that exists for the primary purpose of engaging in commercial activity for profit and that is the owner of an eligible computer data center. The term does not include the state or federal government or any of their departments, agencies, and institutions; tribal governments; political subdivisions of this state; or

any municipal, quasi-municipal, public, or other corporation created by the state or federal government, tribal government, municipality, or political subdivision of the state.

~~((i))~~ (j) "Qualifying tenant" means a business entity that exists for the primary purpose of engaging in commercial activity for profit and that leases space from a qualifying business within an eligible computer data center. The term does not include the state or federal government or any of their departments, agencies, and institutions; tribal governments; political subdivisions of this state; or any municipal, quasi-municipal, public, or other corporation created by the state or federal government, tribal government, municipality, or political subdivision of the state. The term also does not include a lessee of space in an eligible computer data center under ~~((e))~~ (f)(i)(C)(I) of this subsection ~~((6))~~ (8), if the lessee and lessor are affiliated and:

(i) That space will be used by the lessee to house server equipment that replaces server equipment previously installed and operated in that eligible computer data center by the lessor or another person affiliated with the lessee; or

(ii) Prior to May 2, 2012, the primary use of the server equipment installed in that eligible computer data center was to provide electronic data storage and data management services for the business purposes of either the lessor, persons affiliated with the lessor, or both.

~~((j))~~ (k)(i) "Refurbished" or "refurbishment" means a substantial improvement to an eligible computer data center to update or modernize servers, server space, ventilation, or power infrastructure in an eligible computer data center.

(ii) For a qualifying computer data center to be considered refurbished, the qualifying business must certify, in a form and manner prescribed by the department, that the refurbishment of an eligible computer data center is complete. The refurbishment is considered complete on the date that the improved portion of the computer data center is operationally complete and able to be used for its intended purpose.

(1) "Server equipment" means the computer hardware located in an eligible

computer data center and used exclusively to provide electronic data storage and data management services, including cloud services, for internal use by the owner or lessee of the computer data center, for clients of the owner or lessee of the computer data center, or both. "Server equipment" also includes computer software necessary to operate the computer hardware. "Server equipment" does not include personal computers, the racks upon which the server equipment is installed, and computer peripherals such as keyboards, monitors, printers, and mice.

(9) This section expires July 1, 2048.

Sec. 4. RCW 82.12.986 and 2015 3rd sp.s. c 6 s 303 are each amended to read as follows:

(1)(a) An exemption from the tax imposed by RCW 82.12.020 is provided for the use by qualifying businesses or qualifying tenants of eligible server equipment to be installed, without intervening use, in an eligible computer data center for which an exemption certificate under RCW 82.08.986 has been issued, and to the use of labor and services rendered in respect to installing such server equipment.

~~((The))~~ (b) Until July 1, 2048, this exemption also applies to the use by a qualifying business or qualifying tenant of eligible power infrastructure, including labor and services rendered in respect to installing, repairing, altering, or improving such infrastructure at an eligible computer data center for which an exemption certificate under RCW 82.08.986 has been issued.

(c) The exemptions provided in this section expire July 1, 2048.

(2) A qualifying business or a qualifying tenant is not eligible for the exemption under this section unless the department issued an exemption certificate to the qualifying business or a qualifying tenant for the exemption provided in RCW 82.08.986.

~~(3)((a) The exemption provided in this section does not apply to:~~

~~(i) Any person who has received the benefit of the deferral program under chapter 82.60 RCW on: (A) The construction, renovation, or expansion of a structure or structures used as a computer data center; or (B) machinery or~~

~~equipment used in a computer data center; and~~

~~(ii) Any person affiliated with a person within the scope of (a)(i) of this subsection (3).~~

~~(b) If a person has received the benefit of the exemption under this section and subsequently receives the benefit of the deferral program under chapter 82.60 RCW on either the construction, renovation, or expansion of a structure or structures used as a computer data center or machinery or equipment used in a computer data center, the person must repay the amount of taxes exempted under this section. Interest as provided in chapter 82.32 RCW applies to amounts due under this subsection (3)(b) until paid in full. A person is not required to repay taxes under this subsection with respect to property and services for which the person is required to repay taxes under RCW 82.08.986(5).~~

~~(4)) The definitions and requirements in RCW 82.08.986 apply to this section.~~

(4) The exemption provided in subsection (1) of this section does not apply to the use of eligible server equipment and eligible power infrastructure, and the labor and services provided in subsection (1) of this section, if first used by qualifying businesses or qualifying tenants on or after July 1, 2048.

(5) This section expires July 1, 2053.

NEW SECTION. Sec. 5. A new section is added to chapter 82.08 RCW to read as follows:

(1)(a) An exemption from the tax imposed by RCW 82.08.020 is provided for sales to qualifying businesses and to qualifying tenants of eligible server equipment to be installed, without intervening use, in an eligible computer data center to which a valid exemption certificate applies, and to charges made for labor and services rendered in respect to installing eligible server equipment.

(b) The exemption also applies to sales to qualifying businesses and to qualifying tenants of eligible power infrastructure, including labor, material, equipment, and services rendered in respect to constructing, installing, repairing, altering, or improving eligible power infrastructure at an eligible computer data center for

which an exemption certificate has been issued.

(c) No new exemption certificates may be issued on or after July 1, 2028.

(d) The exemptions provided in this section expire July 1, 2038.

(2)(a)(i) In order to obtain an exemption, a qualifying business must be located in a county with a population over 800,000, as determined by the April 1, 2021, office of financial management population estimates and must submit an application to the department for an exemption certificate. The application must include the information necessary, as required by the department, to determine that a business or tenant qualifies for the exemption under this section. The department must issue exemption certificates to qualifying businesses and qualifying tenants. The department may assign a unique identification number to each exemption certificate issued under this section.

(ii) For the purposes of demonstrating that the requirements of this subsection (2)(a) are met, a qualifying business must submit records of available power for customers at the time of the application for the exemption under this section. The qualifying business must demonstrate that it has a minimum of 1.5 megawatts of available power. The qualifying business must provide requests for proposals, pricing offered, and marketing materials associated with the requirements of this subsection, as required by the department, as supporting documentation that the requirements of this subsection (2)(a) have been met.

(b) A qualifying business or a qualifying tenant claiming the exemption under this section must present the seller with an exemption certificate in a form and manner prescribed by the department. The seller must retain a copy of the certificate for the seller's files.

(c)(i) The exemptions provided in this section are limited to qualifying businesses or tenants, and the department is authorized to approve:

(A) Six applications to obtain the exemptions for qualifying businesses in the first calendar year of the exemption; and

(B) Six applications to obtain the exemptions for qualifying businesses in

each year, calendar year three through calendar year six, of the exemption.

(ii) The exemption is available on a first-in-time basis based on the date the application required under this section is received by the department.

(d) The exemption certificate is effective on the date the application is received by the department, which is deemed to be the date of issuance. Only purchases on or after the date of issuance qualify for the exemption under this section. No tax refunds are authorized for purchases made before the effective date of the exemption certificate.

(e) Exemption certificates expire two years after the date of issuance, unless construction has been commenced.

(f) A qualifying tenant must contract for a minimum electrical capacity of 150 kilowatts for server and computer equipment in a qualifying business. Tenants that previously qualified under RCW 82.08.986 or 82.12.986 must reapply if they intend to expand into a qualifying business.

(3)(a)(i) Within six years of the date that the department issued an exemption certificate under this section to a qualifying business or a qualifying tenant with respect to an eligible computer data center, the qualifying business or qualifying tenant must establish that net employment assigned to an eligible computer data center has increased by a minimum of three family wage employment positions for each incremental increase of 20,000 square feet of space that is newly dedicated to housing working servers at the eligible computer data center. For qualifying tenants, the number of family wage employment positions that must be increased under this subsection (3)(a)(i) is based only on the space occupied by the qualifying tenant in the eligible computer data center.

(ii) After the minimum number of family wage employment positions as required under (a)(i) of this subsection (3) is established, a qualifying business or a qualifying tenant must maintain the minimum family wage employment positions required under (a)(i) of this subsection (3) while the exemption certificate is valid.

(b) In calculating the number of family wage employment positions:

(i) The owner of an eligible computer data center, in addition to its own net increase in family wage employment positions, may include:

(A) The net increase, since the date of issuance of the qualifying business's exemption certificate, in family wage employment positions employed by qualifying tenants; and

(B) The net increase in family wage employment positions described in (c)(ii)(B) of this subsection (3).

(ii)(A) Qualifying tenants, in addition to their own net increase in family wage employment positions, may include:

(I) A portion of the net increase in family wage employment positions employed by the owner; and

(II) A portion of the net increase in family wage employment positions described in (c)(ii)(B) of this subsection (3).

(B) The portion of the net increase in family wage employment positions to be counted under this subsection (3)(b)(ii) by each qualifying tenant is equal to the net increase in family wage employment positions assigned to an eligible computer data center as described in (b)(ii)(A)(I) and (II) of this subsection (3), multiplied by the percentage of total space within the eligible computer data center occupied by the qualifying tenant. Any combination of qualifying business and qualifying tenant family wage employment positions may meet this requirement.

(c)(i) For purposes of this subsection:

(A) For exemption certificates issued on or after the effective date of this section, family wage employment positions are new permanent employment positions requiring 40 hours of weekly work, or their equivalent, on a full-time basis assigned to an eligible computer data center and receiving a wage equivalent to or greater than 125 percent of the per capita personal income of the county in which the qualified project is located as published by the employment security department. The per capita personal income to be used to determine qualification for any year is the amount that was established for the immediate prior year.

(B) An employment position may not be counted as a family wage employment position unless the employment position is entitled to health insurance coverage provided by the employer of the employment position.

(C) "New permanent employment position" means an employment position that did not exist or that had not previously been filled as of the date that the department issued an exemption certificate to the qualifying business or qualifying tenant of an eligible computer data center, as the case may be.

(ii)(A) Family wage employment positions include positions filled by employees of the qualifying business and by employees of qualifying tenants.

(B) Family wage employment positions also include individuals performing work at an eligible computer data center as an independent contractor hired by the owner of the eligible computer data center or as an employee of an independent contractor hired by the owner of the eligible computer data center, if the work is necessary for the operation of the computer data center, such as security and building maintenance, and provided that all of the requirements in (c)(i) of this subsection (3) are met.

(d)(i) For a qualifying business or qualifying tenant that does not meet the requirements of this subsection (3), all previously exempted sales and use taxes immediately due and payable, and any exemption certificate issued to that qualifying business or qualifying tenant under this section is canceled, except as described in (d)(iii) of this subsection (3).

(ii) The department of labor and industries must, at the request of the department, assist in determining whether the requirements of this subsection (3) have been met.

(iii) If the department, with the assistance of the department of labor and industries, finds that a failure to meet the requirements of this subsection (3) is due to circumstances beyond the control of the qualifying business or qualifying tenant including, but not limited to, a declaration of an economic recession, pandemic, or natural disaster affecting data center operations, the department may provide exceptions or extensions to the requirements of this subsection (3).

(iv) Any repayment of taxes triggered by the failure of a qualifying business or qualifying tenant to meet the requirements of this subsection (3) must be calculated in proportion to the duration of time for which any applicable requirement was not met.

(v) If the department is notified that a qualifying business or qualifying tenant fails to meet the requirements of this subsection (3), the department may require a qualifying business or qualifying tenant to submit records necessary to determine whether the requirements have been met.

(4) For exemption certificates issued on or after the effective date of this section:

(a) Within three years after being placed in service, the qualifying business operating a newly constructed data center must certify to the department that it has attained certification under one or more of the following sustainable design or green building standards:

(i) BREEAM for new construction or BREEAM in-use;

(ii) Energy star;

(iii) Envision;

(iv) ISO 50001-energy management;

(v) LEED for building design and construction or LEED for operations and maintenance;

(vi) Green globes for new construction or green globes for existing buildings;

(vii) UL 3223; or

(viii) Other reasonable standards approved by the department.

(b) The department may require qualifying businesses and qualifying tenants to submit records necessary to verify the requirements under this subsection (4) have been met.

(c)(i) For a qualifying business or qualifying tenant that does not meet the requirements of this subsection (4), all previously exempted sales and use taxes are immediately due and payable, any exemption certificate issued to that qualifying business or qualifying tenant under this section is canceled, and an additional 10 percent penalty is assessed, except as described in (c)(ii) of this subsection (4).

(ii) If the department finds that a failure to meet the requirements of this subsection (4) is due to circumstances beyond the control of the qualifying business or qualifying tenant including, but not limited to, a declaration of an economic recession, pandemic, or natural disaster affecting data center operations, the department may, at its discretion, provide exceptions or extensions to the requirements of this subsection (4). The department may, at its discretion, coordinate with agencies with relevant expertise to assist in determining whether the requirements of this subsection (4) have been met.

(5) A qualifying business or a qualifying tenant claiming the exemption under this section is encouraged to take direct steps to adopt practices to mitigate negative environmental impacts resulting from expanded use of data centers, including through:

(a) Coordinating with the industrial waste coordination program established under RCW 43.31.625 to identify and provide technical assistance in implementing industrial symbiosis projects;

(b) To the extent possible, procuring or contracting for power from renewable sources;

(c) Adopting practices to improve the energy efficiency of existing data centers, including through upgrading and consolidating technology, managing data center airflow, and adjusting and improving heating, ventilation, and air conditioning systems; and

(d) Taking actions to conserve, reuse, and replace water. This includes using water efficient fixtures and practices; treating, infiltrating, and harvesting rainwater; recycling water before discharging; partnering with local water utilities to use discharged water for irrigation and other water conservation purposes; using reclaimed water where possible for data center operations; and supporting water restoration in local watersheds.

(6) Qualifying businesses and tenants must claim an exemption under this section in the current tax year when the taxes would have been due unless an extension is filed with the department.

(7) A qualifying business or a qualifying tenant claiming an exemption under this section must complete an

annual tax performance report as required in RCW 82.32.534. The report must identify construction firm names and employment levels used for constructing, renovating, refurbishing, or remodeling the data centers.

(8)(a) The certificate holder may not at any time assign or transfer a certificate without the prior written consent of the department. The department must allow certificate transfers if the certificate holder meets the following requirements:

(i) The certificate assignee or transferee is qualified to do business in the state;

(ii) The assignee or transferee acknowledges the transfer of the certificate in writing;

(iii) The assignee or transferee agrees to keep and perform all the terms of the certificates; and

(iv) An assignment or transfer of the certificate is to an entity that:

(A) Controls, is controlled by, or under common control with, the certificate holder;

(B) Acquires all or substantially all of the stock or assets of the certificate holder; or

(C) Is the resulting entity of a merger or consolidation with the certificate holder.

(b) Information submitted on the tax performance report is not subject to the confidentiality provisions of RCW 82.32.330 and may be disclosed to the public upon request, except as provided otherwise in RCW 82.32.330.

(9) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Affiliated" means that one person has a direct or indirect ownership interest of at least 20 percent in another person.

(b) "Building" means a fully enclosed structure with a weather resistant exterior wall envelope or concrete or masonry walls designed in accordance with the requirements for structures under chapter 19.27 RCW.

(c) "Certificate of occupancy" means:

(i) For a newly constructed eligible computer data center, the certificate of

occupancy issued by a local governing authority for the structure or structures which comprise the eligible computer data center; or

(ii) For renovations of an eligible computer data center, the certificate of occupancy issued by a local governing authority for the renovated structure or structures that comprise the eligible computer data center.

(d)(i) "Computer data center" means a facility comprised of one or more buildings, which may be comprised of multiple businesses, constructed or refurbished specifically, and used primarily, to house working servers, where the facility has the following characteristics: (A) Uninterruptible power supplies, generator backup power, or both; (B) sophisticated fire suppression and prevention systems; and (C) enhanced physical security, such as: Restricted access to the facility to selected personnel; continuous on-site security guards; video camera surveillance; an electronic system requiring passcodes, keycards, or biometric scans, such as hand scans and retinal or fingerprint recognition; or similar security features.

(ii) For a computer data center comprised of multiple buildings, each separate building constructed or refurbished specifically, and used primarily, to house working servers is considered a computer data center if it has all of the characteristics listed in (d)(i)(A) through (C) of this subsection (9).

(iii) A facility comprised of one building or more than one building must have a combined square footage of at least 100,000 square feet.

(e) "Electronic data storage and data management services" includes, but is not limited to: Providing data storage and backup services, providing computer processing power, hosting enterprise software applications, and hosting websites. The term also includes providing services such as email, web browsing and searching, media applications, and other online services, regardless of whether a charge is made for such services.

(f) "Eligible computer data center" means a computer data center having at least 20,000 square feet dedicated for housing working servers. Movable or fixed stand-alone, prefabricated, or modular

units, including intermodal shipping containers, do not qualify as "eligible computer data centers."

(g) "Eligible power infrastructure" means all fixtures and equipment owned by a qualifying business or qualifying tenant and necessary for the transformation, distribution, or management of electricity that is required to operate eligible server equipment within an eligible computer data center. The term includes generators; wiring; cogeneration equipment; and associated fixtures and equipment, such as electrical switches, batteries, and distribution, testing, and monitoring equipment. The term does not include substations.

(h)(i) "Eligible server equipment" means for a qualifying business whose computer data center qualifies as an eligible computer data center, the original server equipment installed in an eligible computer data center on or after the effective date of this section, and replacement server equipment.

(ii) For purposes of this subsection (9)(h), "replacement server equipment" means server equipment that:

(A) Replaces existing server equipment, if the sale or use of the server equipment to be replaced qualified for an exemption under this section or section 6 of this act; and

(B) Is installed and put into regular use within 10 years of the effective date of this section.

(iii) For a qualifying tenant who leases space within an eligible computer data center, "eligible server equipment" means the original server equipment installed within the space it leases from an eligible computer data center with an exemption certificate on or within 10 years of the effective date of this section, and replacement server equipment. For purposes of this subsection (9)(h)(iii), "replacement server equipment" means server equipment that:

(A)(I) Replaces existing server equipment, if the sale or use of the server equipment to be replaced qualified for an exemption under this section or section 6 of this act and is installed and put into regular use before July 1, 2027; or

(II) Replaces existing server equipment in a computer data center that meets the following requirements: Was ineligible before the effective date of this section for the exemptions provided under this section and section 6 of this act; has been refurbished; and to which a valid exemption certificate applies; and

(B) Is installed and put into regular use no later than 12 years after the date of the certificate of occupancy or completion of refurbishment of the computer data center.

(i) "Qualifying business" means a business entity that exists for the primary purpose of engaging in commercial activity for profit and that is the owner of an eligible computer data center. The term does not include the state or federal government or any of their departments, agencies, and institutions; tribal governments; political subdivisions of this state; or any municipal, quasi-municipal, public, or other corporation created by the state or federal government, tribal government, municipality, or political subdivision of the state.

(j) "Qualifying tenant" means a business entity that exists for the primary purpose of engaging in commercial activity for profit and that leases space from a qualifying business within an eligible computer data center. The term does not include the state or federal government or any of their departments, agencies, and institutions; tribal governments; political subdivisions of this state; or any municipal, quasi-municipal, public, or other corporation created by the state or federal government, tribal government, municipality, or political subdivision of the state.

(k)(i) "Refurbished" or "refurbishment" means a substantial improvement to an eligible computer data center for which a certificate of occupancy is not issued. Such an improvement must update or modernize servers, server space, ventilation, or power infrastructure in an eligible computer data center.

(ii) For a qualifying computer data center to be considered refurbished, the qualifying business must certify, in a form and manner prescribed by the department, that the refurbishment of an eligible computer data center is

complete. The refurbishment is considered complete on the date that the improved portion of the computer data center is operationally complete and able to be used for its intended purpose.

(1) "Server equipment" means the computer hardware located in an eligible computer data center and used exclusively to provide electronic data storage and data management services for internal use by the owner or lessee of the computer data center, for clients of the owner. For the purposes of this subsection, "electronic data storage and data management services" include, but are not limited to: Providing data storage and backup services, providing computer processing power, hosting enterprise software applications, and hosting websites. The term also includes providing services such as email, web browsing and searching, media applications, and other online services, regardless of whether a charge is made for such services. "Server equipment" also includes computer software necessary to operate the computer hardware. "Server equipment" does not include personal computers, the racks upon which the server equipment is installed, and computer peripherals such as keyboards, monitors, printers, and mice, unless used within the eligible computer data center.

(10) This section expires July 1, 2038.

NEW SECTION. **Sec. 6.** A new section is added to chapter 82.12 RCW to read as follows:

(1) An exemption from the tax imposed by RCW 82.12.020 is provided for the use by qualifying businesses or qualifying tenants of eligible server equipment to be installed, without intervening use, in an eligible computer data center, and to the use of labor and services rendered in respect to installing such server equipment. The exemption also applies to the use by a qualifying business or qualifying tenant of eligible power infrastructure, including labor and services rendered in respect to installing, repairing, altering, or improving such infrastructure.

(2) The exemption provided in this section does not apply to any person for whom the exemption under section 5 of this act does not apply.

(3) A qualifying business or a qualifying tenant claiming an exemption

under this section must complete an annual tax performance report as required in RCW 82.32.534. The report must identify construction firm names and employment levels used for constructing, renovating, refurbishing, or remodeling the data centers.

(4) The definitions and requirements in section 5 of this act apply to this section.

(5) The exemption provided in subsection (1) of this section does not apply to the use of eligible server equipment and eligible power infrastructure, and the labor and services provided in subsection (1) of this section, if first used by qualifying businesses or qualifying tenants on or after July 1, 2038.

(6) This section expires July 1, 2043.

NEW SECTION. Sec. 7. A new section is added to chapter 82.08 RCW to read as follows:

From the effective date of this section, in order to obtain the exemption provided in RCW 82.08.986 or section 5 of this act, a qualifying business or qualifying tenant must certify to the department that, for new construction work to be performed on the site of the computer data center, the computer data center receiving an exemption under RCW 82.08.986 or section 5 of this act will be constructed by the prime contractor and its subcontractors in a way that includes community workforce agreements or project labor agreements and the payment of area standard prevailing wages and apprenticeship utilization requirements, provided the following apply:

(1) The owner and the prime contractor and all of its subcontractors regardless of tier have the absolute right to select any qualified and responsible bidder for the award of contracts on a specified project without reference to the existence or nonexistence of any agreements between such bidder and any party to such project labor agreement, and only when such bidder is willing, ready, and able to become a party to, signs a letter of assent, and complies with such agreement or agreements, should it be designated the successful bidder; and

(2) It is understood that this is a self-contained, stand-alone agreement, and that by virtue of having become bound

to such agreement or agreements, neither the project contractor nor the subcontractors are obligated to sign any other local, area, or national agreement.

NEW SECTION. Sec. 8. (1) The department of commerce shall contract with the Pacific Northwest national laboratory to:

(a) Evaluate Washington's current and future electric grid resilience and reliability based on current and projected electric energy production, the state's ability to produce energy in state, Washington's reliance on energy production outside of the state, and its energy grid interdependence with other western states;

(b) Identify key grid resilience and reliability challenges that could emerge under multiple future scenarios given adoption of new energy technologies, changes in residential and industrial energy demand, and changes in energy production and availability from both in and out-of-state sources;

(c) Study the impact to the future electric grid resulting from the growth of the information technology sector, including the impact of increased data center energy demand from the tax exemptions provided in RCW 82.08.986 or section 5 of this act;

(d) Review and incorporate existing models, data, and study findings including, but not limited to, the "Washington 2021 state energy strategy and the 2021 northwest power plan," to ensure a duplication of efforts does not occur and to highlight modeling gaps related to regional grid resilience planning;

(e) Convene an advisory group to inform scenario development and review results, which may include representatives from the Washington State University Pacific Northwest national laboratory advanced grid institute, utilities and transportation commission, relevant legislative committees, energy producers, utilities, labor, environmental organizations, tribes, and communities at high risk of rolling blackouts and power supply inadequacy; and

(f) Develop recommendations for enhancing electric grid reliability and resiliency for Washington that includes considerations of affordability, equity, and federal funding opportunities.

(2) The department of commerce shall report by December 1, 2022, in compliance with RCW 43.01.036, the Pacific Northwest national laboratory's findings and recommendations to the appropriate committees of the legislature concerning electric grid resilience and reliability evaluated in subsection (1) of this section.

(3) This section expires December 1, 2023.

NEW SECTION. Sec. 9. If specific funding for the purposes of section 8 of this act, referencing section 8 of this act by bill or chapter number and section number, is not provided by June 30, 2022, in the omnibus appropriations act, section 8 of this act is null and void."

Correct the title.

The legislature recognizes the motion picture industry in Washington as a valuable commodity contributing greatly to the economic vitality of the state and the cultural integrity of our communities. The legislature further recognizes the production of in-state motion pictures, television programs, and television commercials creates a marked increase in tourism, family-wage jobs, and the sale of local goods and services generating revenue for the state. Furthermore, with captive national and international audiences, the world is introduced to the state's pristine scenic venues and reminded that the Pacific Northwest is a great place to

live and raise a family. The legislature also recognizes the inherent educational value of promoting arts and culture as well as the benefits of training young motion picture professionals who will build a fruitful industry for years to come.

The legislature finds in recent years that the state has realized a drastic decline in motion picture production that precludes economic expansion and threatens the state's reputation as a production destination. With the emergence of tax incentives in (~~(thirty)~~) other states nationwide, in-state producers are taking their projects to more competitive economic climates, such as Oregon and Vancouver, British Columbia, where compelling tax incentive packages and subsidies are already in effect.

The legislature also finds that in recent years increasingly workers in Washington state are without health insurance coverage and retirement income protections, causing hardships on workers and their families and higher costs to the state.

The legislature also recognizes that there are significant barriers to entry for those from marginalized communities to enter the motion picture workforce. This results in lost opportunity for people to tell stories in film that reflect a breadth of diversity in experience across race, gender, ability, sexual orientation, and place of origin.

The legislature also finds that more investment in the film industry will increase revenue with Washington state businesses and create family-wage jobs that pay health and retirement benefits for Washington workers. Moreover, targeted investments in rural and marginalized communities will create opportunities to build an equitable workforce and film industry.

Therefore, it is the intent of the legislature to recognize both national and international competition in the motion picture production marketplace. The legislature is committed to leveling the competitive playing field and promoting an equitable film industry and is interested in a partnership with the private sector to regain Washington's place as a premier destination to make motion pictures, television, and television commercials. While at the same time the legislature is committed to

ensuring that workers in the motion picture and television industry are covered under health insurance and retirement income plans and that motion picture production sets and stories reflect the diversity of Washington residents.

Sec. 2. RCW 43.365.010 and 2017 3rd sp.s. c 37 s 1103 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Approved motion picture competitiveness program" and "program" mean ~~((s))~~ a nonprofit organization under the internal revenue code, section 501(c)(6), with the sole purpose of revitalizing the state's economic, cultural, and educational standing in the national and international market of motion picture production and associated creative industries and assisting and providing services for attracting the film industry and associated creative industries, by recommending and awarding financial assistance for costs associated with motion pictures in the state of Washington.

(2) "Board of directors" and "board" mean the board of directors established in RCW 43.365.030.

(3) "Contribution" means cash contributions.

~~((3))~~ (4) "Costs" means actual expenses of production and postproduction expended in Washington state for the production of motion pictures, including but not limited to payments made for salaries, wages, and health insurance and retirement benefits, the rental costs of machinery and equipment and the purchase of services, food, property, lodging, and permits for work conducted in Washington state.

~~((4))~~ (5) "Department" means the department of commerce.

~~((5))~~ (6) "Funding assistance" means cash expenditures from an approved motion picture competitiveness program.

~~((6))~~ (7) "Motion picture" means a recorded audiovisual production intended for distribution to the public for exhibition in public and/or private settings by means of any and all delivery systems and/or delivery platforms now or hereafter known, including without

limitation, screenings in motion picture theaters, broadcasts and cablecast transmissions for viewing on televisions, computer screens, and other audiovisual receivers, viewings on screens by means of digital video disc (DVD) players, video on demand (VOD) services, and digital video recording (DVR) services, direct internet transmission, and viewing on digital computer-based systems which respond to the users' actions (interactive media).

~~((7))~~ (8) "Person" has the same meaning as provided in RCW 82.04.030.

(9) "Rural community" has the same meaning as "rural county" in RCW 82.14.370.

Sec. 3. RCW 43.365.030 and 2012 c 189 s 3 are each amended to read as follows:

(1) A Washington motion picture competitiveness program under this chapter must be administered by a board of directors appointed by the governor, and the appointments must be made within sixty days following enactment. The department, after consulting with the board, must adopt rules for the standards that shall be used to evaluate the applications for funding assistance prior to June 30, 2006.

(2) The board must evaluate and award financial assistance to motion picture projects under rules set forth under RCW 43.365.020.

(3) The board must consist of the following members:

(a) ~~((One member))~~ Two members representing the Washington motion picture production industry, one of whom must demonstrate expertise in the financing of motion picture projects;

(b) ~~((One member representing the Washington motion picture postproduction industry))~~

~~((c))~~ One member representing technologies impacting the Washington ~~((interactive media or))~~ emerging motion picture industry;

~~((d))~~ (c) Two members representing labor unions affiliated with Washington motion picture production;

~~((e))~~ One member representing the Washington visitors and convention bureaus;

~~((f))~~ One member representing the Washington tourism industry;

~~(g) One member representing the Washington restaurant, hotel, and airline industry))~~ (d) Three members representing industries and businesses impacted by motion picture production, one of whom must represent industries or businesses located east of the crest of the Cascade mountain range and one of whom must represent industries or businesses located west of the crest of the Cascade mountain range;

(e) Two cochair of the board's equity committee, not already serving on the board, recommended by the board to the governor;

(f) Two cochair of the board's advisory committee, also known as the film leadership council, not already serving on the board, recommended by the board to the governor; and

~~((h))~~ (g) A chairperson, chosen at large, must serve at the pleasure of the governor.

(4) The term of the board members, other than the chair, is four years, except as provided in subsection (5) of this section.

(5) The governor must appoint board members ~~((in 2010)) to ((two year or)) four-year staggered terms((. Once the initial two year or four year terms expire, all subsequent terms are for four years. The terms of the initial board members are as follows:~~

~~(a) The board positions in subsection (3)(b), (c), and (g) of this section, and one position from subsection (3)(d) of this section must be appointed to two-year terms; and~~

~~(b) The remaining board positions in subsection (3) of this section shall be appointed to four-year terms)), except the board member initially appointed to the position in subsection (3)(b) of this section and the board member initially appointed to the position in subsection (3)(f) of this section must each be appointed to a two-year term. Once those initial two-year terms expire, all subsequent terms are for four years.~~

(6) A board member appointed by the governor may be removed by the governor for cause under RCW 43.06.070 and 43.06.080.

(7) ~~((Five))~~ Seven members of the board constitute a quorum.

(8) The board must elect a treasurer and secretary annually, and other officers as the board members determine necessary, and may adopt bylaws or rules for its own government.

(9) The board must make any information available at the request of the department to administer this chapter.

(10) Contributions received by a board must be deposited into the account described in RCW 43.365.020(2).

(11) Board members must comply with all requirements of a 501(c)(6) organization, including the prohibition on using information obtained as a board member for personal gain. Board members must act in the best interest of the approved motion picture competitiveness program. Each board member is required to complete an annual conflicts of interest form to disclose all conflicts and potential conflicts of interest with board actions. If a board member has a conflict of interest with respect to an application for funding assistance, the board member must disclose the board member's conflict and not be present for a discussion or vote on the application.

Sec. 4. RCW 43.365.020 and 2012 c 189 s 2 are each amended to read as follows:

(1) The department must adopt criteria for the approved motion picture competitiveness program with the sole purpose of revitalizing the state's economic, cultural, and educational standing in the national and international market of motion picture production. Rules adopted by the department shall allow the program, within the established criteria, to provide funding assistance only when it captures economic opportunities for Washington's communities and businesses and shall only be provided under a contractual arrangement with a private entity. In establishing the criteria, the department shall consider:

(a) The additional income and tax revenue to be retained in the state for general purposes;

(b) The creation and retention of family-wage jobs which provide health insurance and payments into a retirement plan;

(c) The impact of motion picture projects to maximize in-state labor and

the use of in-state film production and film postproduction companies;

(d) The impact upon the local economies and the state economy as a whole, including multiplier effects;

(e) The intangible impact on the state and local communities that comes with motion picture projects;

(f) The regional, national, and international competitiveness of the motion picture filming industry;

(g) The revitalization of the state as a premier venue for motion picture production and national television commercial campaigns;

(h) Partnerships with the private sector to bolster film production in the state and serve as an educational and cultural purpose for its citizens;

(i) The vitality of the state's motion picture industry as a necessary and critical factor in promoting the state as a premier tourist and cultural destination;

(j) Giving preference to additional seasons of television series that have previously qualified and to motion picture productions that tell stories of marginalized communities; and

(k) Other factors the department may deem appropriate for the implementation of this chapter.

(2) The board of directors (~~created under RCW 43.365.030~~) shall create and administer an account for carrying out the purposes of subsection ~~((3))~~ (4) of this section.

(3) The board's goal must be to commit at least 20 percent of funding assistance to motion picture productions located or filmed in rural communities and 20 percent of funding assistance to motion picture productions that tell stories of marginalized communities.

(4) Money received by the approved motion picture competitiveness program shall be used only for:

(a) Health insurance and payments into a retirement plan, and other costs associated with film production; ~~((and))~~

(b) Staff and related expenses to maintain the program's proper administration and operation;

(c) Supporting the growth and development of the Washington state film

industry through career connected learning, workforce development, and business development with a focus on better supporting people from marginalized or rural communities; and

(d) Developing resources to facilitate filming in rural communities including, but not limited to, economic development grants for filming, training for film liaisons, information about film permitting processes, and grants to support the expansion of location database collateral.

~~((4))~~ (5) Except as provided otherwise in subsections ~~((7))~~ (8) and (9) of this section, maximum funding assistance from the approved motion picture competitiveness program is limited to an amount up to thirty percent of the total actual investment in the state of at least:

(a) Five hundred thousand dollars for a single motion picture produced in Washington state; or

(b) One hundred fifty thousand dollars for a television commercial associated with a national or regional advertisement campaign produced in Washington state.

~~((5))~~ (6) Except as provided otherwise in subsections ~~((7))~~ (8) and (9) of this section, maximum funding assistance from the approved motion picture competitiveness program is limited to an amount up to thirty-five percent of the total actual investment of at least three hundred thousand dollars per episode produced in Washington state. A minimum of six episodes of a series must be produced to qualify under this subsection. A maximum of up to thirty percent of the total actual investment from the approved motion picture competitiveness program may be awarded to an episodic series of less than six episodes.

~~((6))~~ (7) With respect to costs associated with nonstate labor for motion pictures and episodic services, funding assistance from the approved motion picture competitiveness program is limited to an amount up to fifteen percent of the total actual investment used for costs associated with nonstate labor. To qualify under this subsection, the production must have a labor force of at least eighty-five percent of Washington residents. The board may establish additional criteria to maximize the use of in-state labor.

~~((7))~~ (8)(a) The approved motion picture competitiveness program may allocate an annual aggregate of no more than ten percent of the qualifying contributions by the program under RCW 82.04.4489 to provide funding support for filmmakers who are Washington residents, new forms of production, and emerging technologies.

(i) Up to thirty percent of the actual investment for a motion picture with an actual investment lower than that of motion pictures under subsection ~~((4))~~ (5)(a) of this section; or

(ii) Up to thirty percent of the actual investment of an interactive motion picture intended for multiplatform exhibition and distribution.

(b) Subsections ~~((4) and)~~ (5) and (6) of this section do not apply to this subsection.

~~((8))~~ (9)(a) In addition to the maximum funding assistance established in subsections (5) and (6) of this section, up to a 10 percent enhancement award on a motion picture production's state investment must be given for motion pictures: (i) Located or filmed in a rural community; or (ii) that tell stories of marginalized communities.

(b) Total actual investment requirements established in subsections (5) and (6) of this section apply to this subsection (9).

(10)(a) Funding assistance must include up to \$3,000,000 for small motion picture productions produced in Washington state, subject to subsection (11) of this section, that are creatively driven by Washington residents. To qualify, the small motion picture production must have at least two Washington residents in any combination of the following positions: Writer, director, producer, or lead actor. An entity seeking funding assistance for a small motion picture production must demonstrate that the amount of the total actual investment for the production is less than \$1,000,000.

(b) Maximum funding assistance and total actual investment requirements, established in subsections (5), (6), (7), (8), and (9) of this section apply to small motion picture productions. The department shall adopt rules as necessary to implement this subsection (10).

(11) Funding assistance approval must be determined by the approved motion picture competitiveness program within a maximum of thirty calendar days from when the application is received, if the application is submitted after August 15, 2006. For small motion picture productions, the approved motion picture competitiveness program, after determining a conditional approval of the production, shall hold the production's funding assistance in reserve while the entity seeking funding assistance for the production secures financing for the remainder of the budget. Once the entity seeking funding assistance for the production demonstrates to the program that it has secured the necessary financing, the program shall certify the small motion picture production as approved. If the entity seeking funding assistance cannot demonstrate within six months from the date of conditional approval that it has secured the total budget, the program must make the funding assistance available to other eligible applicants with funding assistance approval.

(12) By December 31, 2022, and annually thereafter, the department, on behalf of the board, must report to the legislature on the approved motion picture competitiveness program. This report may include information required in the survey established in RCW 43.365.040. At a minimum, the report must include an annual list of recipients awarded financial assistance from the prior year with total estimated production costs, locations of each production, and the board's progress towards the goal of at least 20 percent of its funding assistance provided to motion picture productions located or filmed in rural communities and 20 percent of its funding assistance provided to motion picture productions that tell stories of marginalized communities. The report must also include information on workforce development, career connected learning, and business development activities, including whether they have been scaled up in size from the previous year and how they are meeting the goal of supporting people from marginalized communities.

(13) The approved motion picture competitiveness program must allocate funds for training and job placement for marginalized communities as follows:

(a) For fiscal years 2023 and 2024, a minimum of \$500,000 for each fiscal year; and

(b) For each fiscal year on or after July 1, 2024, a minimum of \$750,000.

Sec. 5. RCW 82.04.4489 and 2017 3rd sp.s. c 37 s 1102 are each amended to read as follows:

(1) Subject to the limitations in this section, a credit is allowed against the tax imposed under this chapter for contributions made by a person to a Washington motion picture competitiveness program.

(2) The person must make the contribution before claiming a credit authorized under this section. Credits earned under this section may be claimed against taxes due for the calendar year in which the contribution is made. The amount of credit claimed for a reporting period may not exceed the tax otherwise due under this chapter for that reporting period. No person may claim more than ~~((seven hundred fifty thousand dollars))~~ \$1,000,000 of credit in any calendar year, including credit carried over from a previous calendar year. No refunds may be granted for any unused credits.

(3) The maximum credit that may be earned for each calendar year under this section for a person is limited to the lesser of ~~((seven hundred fifty thousand dollars))~~ \$1,000,000 or an amount equal to one hundred percent of the contributions made by the person to a program during the calendar year.

(4) Except as provided under subsection (5) of this section, a tax credit claimed under this section may not be carried over to another year.

(5) Any amount of tax credit otherwise allowable under this section not claimed by the person in any calendar year may be carried over and claimed against the person's tax liability for the next succeeding calendar year. Any credit remaining unused in the next succeeding calendar year may be carried forward and claimed against the person's tax liability for the second succeeding calendar year; and any credit not used in that second succeeding calendar year may be carried over and claimed against the person's tax liability for the third succeeding calendar year, but may not be carried over for any calendar year thereafter.

(6) Credits are available on a first-in-time basis. The department must disallow any credits, or portion thereof, that would cause the total amount of credits claimed under this section during any calendar year to exceed ~~((three million five hundred thousand dollars))~~ \$20,000,000. If this limitation is reached, the department must notify all Washington motion picture competitiveness programs that the annual statewide limit has been met. In addition, the department must provide written notice to any person who has claimed tax credits in excess of the limitation in this subsection. The notice must indicate the amount of tax due and provide that the tax be paid within thirty days from the date of the notice. The department may not assess penalties and interest as provided in chapter 82.32 RCW on the amount due in the initial notice if the amount due is paid by the due date specified in the notice, or any extension thereof.

(7) To claim a credit under this section, a person must electronically file with the department all returns, forms, and any other information required by the department, in an electronic format as provided or approved by the department. Any return, form, or information required to be filed in an electronic format under this section is not filed until received by the department in an electronic format. As used in this subsection, "returns" has the same meaning as "return" in RCW 82.32.050.

(8) No application is necessary for the tax credit. The person must keep records necessary for the department to verify eligibility under this section.

(9) A Washington motion picture competitiveness program must provide to the department, upon request, such information needed to verify eligibility for credit under this section, including information regarding contributions received by the program.

(10) The department may not allow any credit under this section before July 1, 2006.

(11) For the purposes of this section, "Washington motion picture competitiveness program" or "program" means an organization established pursuant to chapter 43.365 RCW.

(12) Persons claiming a credit against the tax imposed under this chapter for

contributions made to a Washington motion picture competitiveness program and not otherwise receiving funding assistance under RCW 43.365.020 are exempt from the annual reporting requirements in RCW 82.32.534 and 43.365.040.

(13) No credit may be earned for contributions made on or after July 1, (~~2027~~) 2030.

Sec. 6. RCW 43.365.040 and 2012 c 189 s 5 are each amended to read as follows:

(1) The legislature finds that accountability and effectiveness are important aspects of setting tax policy. In order to make policy choices regarding the best use of limited state resources the legislature needs information on how incentives are used.

(2) Each motion picture production receiving funding assistance under RCW 43.365.020 must report information to the department by filing a complete annual survey. The survey is due by March 31st of the year following any calendar year in which funding assistance under RCW 43.365.020 is taken. The department may extend the due date for timely filing of annual surveys under this section if failure to file was the result of circumstances beyond the control of the motion picture production receiving the funding assistance.

(3) The Washington motion picture competitiveness program established in RCW 43.365.030, in collaboration with the department and the department of revenue, and in consultation with the joint legislative audit and review committee, must develop a survey form and instructions that accompany the survey form by November 1, 2012. The instructions must provide sufficient detail to ensure consistent reporting. The survey must be designed to acquire data to allow the state to better measure the effectiveness of the program and to provide transparency of the motion picture competitiveness program. The survey must include:

(a) The total amount of taxes paid;

(b) The amount of taxes paid classified by type, which may include, but is not limited to, sales taxes, use taxes, business and occupation taxes, unemployment insurance taxes, and workers' compensation premiums;

(c) The amount of funding assistance received; and

(d) The following information for employment positions in Washington by the motion picture production receiving funding assistance, including indirect employment by contractors or other affiliates:

(i) The number of total employment positions;

(ii) The average number of hours worked by employed individuals;

(iii) The average base pay of individuals employed by motion picture companies, including contributions to health care benefits and retirement plans;

(iv) The number of employment positions that have employer-provided medical, dental, and retirement benefits; and

(v) The number of employment positions filled by Washington state residents, and residency information for employment positions filled by people from other locations.

(4) The department may request additional information necessary to measure the results of the funding assistance (~~program~~), to be submitted at the same time as the survey.

(5) If a person fails to submit an annual survey under subsection (2) of this section by the due date of the report or any extension the department must declare the amount of funding assistance for the previous calendar year to be immediately due and payable. The department must assess interest, but not penalties, on the amounts due under this section. The interest is assessed at the rate provided for delinquent taxes under chapter 82.32 RCW, retroactively to the date the funding assistance was received, and accrues until the funding assistance is repaid.

(6) The department must use the information from this section to prepare summary descriptive statistics. The department must report these statistics to the legislature each even-numbered year by September 1st. The department must provide the complete annual surveys to the joint legislative audit and review committee, which shall perform a review as required under RCW 43.365.050.

(7) The motion picture competitiveness program must periodically audit and generally monitor the survey information

submitted by production companies for completeness and accuracy.

Sec. 7. RCW 43.365.050 and 2006 c 247 s 7 are each amended to read as follows:

~~((The provisions of RCW 82.04.4489 are subject to review by the joint legislative audit and review committee.))~~ (1) It is the legislature's specific public policy objective to increase the viability of the motion picture and film industry and associated creative industries in Washington state. It is the legislature's intent to increase the credit available under RCW 82.04.4489 in order to attract additional motion picture and film projects, thereby increasing family-wage jobs.

(2) The joint legislative audit and review committee ((will)) must review and make a recommendation to the ((house finance committee and the senate ways and means committee)) fiscal committees of the legislature by December 1, ((2010)) 2026, regarding the effectiveness of the motion picture competitiveness program including, but not limited to, the amount of state revenue generated, the amount and number of family ((wages {wage})) - wage jobs with benefits created, adherence to the criteria in RCW 43.365.020, changes in Washington's share of the film employment market, and any other factors deemed appropriate by the joint legislative audit and review committee.

(3) In order to obtain the data necessary to perform the review in subsection (2) of this section, the joint legislative audit and review committee may refer to tax data provided to the department of revenue and the annual survey required under RCW 43.365.040.

REPORTS OF STANDING COMMITTEES

March 5, 2022

SSB 5488 Prime Sponsor, Committee on Transportation: Concerning state contributions in support of the Tacoma Narrows toll bridge. Reported by Committee on Transportation

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 47.56.165 and 2009 c 567 s 1 are each amended to read as follows:

A special account to be known as the Tacoma Narrows toll bridge account is created in the motor vehicle fund in the state treasury.

(1) Deposits to the account must include:

(a) All proceeds of bonds issued for construction of the Tacoma Narrows public-private initiative project, including any capitalized interest;

(b) All of the toll charges and other revenues received from the operation of the Tacoma Narrows bridge as a toll facility, to be deposited at least monthly;

(c) Any interest that may be earned from the deposit or investment of those revenues;

(d) Notwithstanding RCW 47.12.063, proceeds from the sale of any surplus real property acquired for the purpose of building the second Tacoma Narrows bridge; ~~((and))~~

(e) All liquidated damages collected under any contract involving the construction of the second Tacoma Narrows bridge; and

(f) Beginning with September 2022 and ending July 1, 2032, by the last day of September, December, March, and June of each year, the state treasurer shall transfer from the general fund to the account the sum of \$3,250,000. The total amount that may be transferred pursuant to this subsection is \$130,000,000.

(2) Proceeds of bonds shall be used consistent with RCW 47.46.130, including the reimbursement of expenses and fees incurred under agreements entered into under RCW 47.46.040 as required by those agreements.

(3) Toll charges, other revenues, and interest may only be used to:

(a) Pay required costs that contribute directly to the financing, operation, maintenance, management, and necessary repairs of the tolled facility, as determined by rule by the transportation commission; and

(b) Repay amounts to the motor vehicle fund as required under RCW 47.46.140.

(4) Toll charges, other revenues, and interest may not be used to pay for costs that do not contribute directly to the financing, operation, maintenance, management, and necessary repairs of the tolled facility, as determined by rule by the transportation commission.

(5) The department shall make detailed quarterly expenditure reports available to the transportation commission and to the public on the department's website using current department resources.

(6) When repaying the motor vehicle fund under RCW 47.46.140, the state treasurer shall transfer funds from the Tacoma Narrows toll bridge account to the motor vehicle fund on or before each debt service date for bonds issued for the Tacoma Narrows public-private initiative project in an amount sufficient to repay the motor vehicle fund for amounts transferred from that fund to the highway bond retirement fund to provide for any bond principal and interest due on that date. The state treasurer may establish subaccounts for the purpose of segregating toll charges, bond sale proceeds, and other revenues.

Sec. 2. RCW 47.46.190 and 2018 c 195 s 1 are each amended to read as follows:

(1) The legislature finds funding of the Tacoma Narrows bridge facility to be distinct from other Washington state tolling facilities due to its increasing debt service costs, which is the primary driver of the facility's escalating costs. Washington state has since recommended and established financing structures with steadier levels of debt service payments for subsequent tolled transportation facilities, supporting better management of the state's debt burden and a lower financial burden for toll ratepayers.

(2) The Tacoma Narrows bridge facility debt service structure resulted, in part, from a decision by the legislature to fund construction of the bridge without drawing from state tax dollars. As a result, toll revenue was committed to fund ~~((ninety-nine))~~ 99 percent of bridge

construction costs, as well as the associated interest payments and other associated debt service costs. This is not the standard more recently utilized by the legislature, as is the case of the state route 520 bridge's construction, ~~((seventy-two))~~ 72 percent of which is to be paid for with toll revenues. In light of the maximum burden for bridge construction that was placed on Tacoma Narrows bridge toll ratepayers, there is no equitable reason that the burden of future debt service payment increases should be borne by these same toll ratepayers.

(3) The legislature established the Tacoma Narrows bridge work group in 2017 and tasked it with identifying opportunities for long-term toll payer relief from increasing toll rates on the Tacoma Narrows bridge. The work group recommended a request of up to ~~((one hundred twenty five million dollars))~~ \$125,000,000 in state funding from the legislature to offset future debt service payment increases, allocated across the remaining years of tolling at levels that result in maintaining toll rates at fiscal year 2018 levels.

(4) Due to the findings aforementioned, an alternative is put forward by the legislature. State contribution loans for each fiscal biennium are to be made through the life of the debt service plan of up to a total of ~~((eighty five million dollars))~~ \$85,000,000, and will be repaid in annual amounts beginning after the debt service and deferred sales tax are fully repaid. It is the intent of the legislature that the commission will(+

~~((a) Maintain tolls at no more than toll rates effective at the fiscal year 2018 level until fiscal year 2022; and~~

~~((b) Maintain tolls at no more than twenty-five cents higher than the toll rates effective at the fiscal year 2018 level beginning in fiscal year 2022))~~ adjust tolls accordingly, in consideration of annual contributions from nontoll sources and the costs required to be covered under RCW 47.46.100, until such time as the debt service and deferred sales tax obligation is fully met according to the repayment schedule in place as of June 7, 2018, and until any state contribution loans are fully repaid.

(5) To offset part of the toll rate increases that would otherwise be

necessary to meet increases in future debt service payments, it is the intent of the legislature that the state treasurer make state contribution loan transfers to the Tacoma Narrows toll bridge account created in RCW 47.56.165 on the first day of each fiscal biennium, beginning in the 2019-2021 fiscal biennium, through the life of the debt service plan. It is the intent of the legislature that the state treasurer make state contribution loan transfers in amounts necessary to ensure debt service payments are made in full after toll revenue from the Tacoma Narrows bridge toll facility is applied to the debt payment amounts and other required costs.

(6) This section does not create a private right of action.

Sec. 3. RCW 47.46.200 and 2018 c 195 s 2 are each amended to read as follows:

(1) Through 2031, the commission shall submit to the transportation committees of the legislature on an annual basis a report that includes sufficient information to enable the legislature to determine an adequate amount of contribution from nontoll sources required for each fiscal biennium to maintain ~~((tolls at no more than twenty-five cents higher than the toll rates effective at the fiscal year 2018 level, while also maintaining))~~ the debt service plan repayment schedule in place as of June 7, 2018. The report must be submitted by January 5th of each year.

(2) Beginning in 2031, and until such time as the state contribution loans described in RCW 47.46.190(4) are repaid, the commission shall submit to the transportation committees of the legislature on an annual basis a report that includes information detailing the annual expected toll revenue to be used for repayment of the state contribution loans ~~((while maintaining tolls at no more than twenty five cents higher than the toll rates effective at the fiscal year 2018 level))~~. The report must be submitted by January 5th of each year.

(3) This section does not create a private right of action."

MESSAGE FROM THE SENATE

March 1, 2022

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1074 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 70.05 RCW to read as follows:

(1) The legislature finds that the mortality rate in Washington state due to overdose, withdrawal related to substance abuse such as opiates, benzodiazepines, and alcohol, and suicide is unacceptably high and that such mortality may be preventable. The legislature further finds that, through the performance of overdose, withdrawal, and suicide fatality reviews, preventable causes of mortality can be identified and addressed, thereby reducing the number of overdose, withdrawal, and suicide fatalities in Washington state.

(2)(a) A local health department may establish multidisciplinary overdose, withdrawal, and suicide fatality review teams to review overdose, withdrawal, and suicide deaths and to develop strategies for the prevention of overdose, withdrawal, and suicide fatalities.

(b) The department shall assist local health departments to collect the reports of any overdose, withdrawal, and suicide fatality reviews conducted by local health departments and assist with entering the reports into a database to the extent that the data is not protected under subsection (3) of this section. Notwithstanding subsection (3) of this section, the department shall respond to any requests for data from the database to the extent permitted for health care

information under chapters 70.02 and 70.225 RCW. In addition, the department shall provide technical assistance to local health departments and overdose, withdrawal, and suicide fatality review teams conducting overdose, withdrawal, and suicide fatality reviews and encourage communication among overdose, withdrawal, and suicide fatality review teams.

(c) All overdose, withdrawal, or suicide fatality reviews undertaken under this section shall be shared with the department, subject to the same confidentiality restrictions described in this section.

(3)(a) All health care information collected as part of an overdose, withdrawal, and suicide fatality review is confidential, subject to the restrictions on disclosure provided for in chapter 70.02 RCW. When documents are collected as part of an overdose, withdrawal, and suicide fatality review, the records may be used solely by local health departments for the purposes of the review.

(b) Information, documents, proceedings, records, and opinions created, collected, or maintained by the overdose, withdrawal, and suicide fatality review team or the local health department in support of the review team are confidential and are not subject to public inspection or copying under chapter 42.56 RCW and are not subject to discovery or introduction into evidence in any civil or criminal action.

(c) Any person who was in attendance at a meeting of the review team or who participated in the creation, collection, or maintenance of the review team's information, documents, proceedings, records, or opinions may not be permitted or required to testify in any civil or criminal action as to the content of such proceedings, or the review team's information, documents, records, or opinions. This subsection does not prevent a member of the review team from testifying in a civil or criminal action concerning facts which form the basis for the overdose, withdrawal, and suicide fatality review team's proceedings of which the review team member had personal knowledge acquired independently of the overdose, withdrawal, and suicide fatality review team or which is public information.

(d) Any person who, in substantial good faith, participates as a member of the review team or provides information to further the purposes of the review team may not be subject to an action for civil damages or other relief as a result of the activity or its consequences.

(e) All meetings, proceedings, and deliberations of the overdose, withdrawal, and suicide fatality review team must be confidential and may be conducted in executive session.

(4) This section does not prevent a local health department from publishing statistical compilations and reports related to the overdose, withdrawal, and suicide fatality review. Any portions of such compilations and reports that identify individual cases and sources of information must be redacted.

(5) To aid in an overdose, withdrawal, and suicide fatality review, the local health department has the authority to:

(a) Request and receive data for specific overdose, withdrawal, and suicide fatalities including, but not limited to, all medical records related to the overdose, withdrawal, and suicide, autopsy reports, medical examiner reports, coroner reports, schools, criminal justice, law enforcement, and social services records; and

(b) Request and receive data as described in (a) of this subsection from health care providers, health care facilities, clinics, schools, criminal justice, law enforcement, laboratories, medical examiners, coroners, professions and facilities licensed by the department of health, local health jurisdictions, the health care authority and its licensees and providers, the department of health and its licensees, the department of social and health services and its licensees and providers, and the department of children, youth, and families and its licensees and providers.

(6) Upon request by the local health department, health care providers, health care facilities, clinics, schools, criminal justice, law enforcement, laboratories, medical examiners, coroners, professions and facilities licensed by the department of health, local health jurisdictions, the health care authority and its licensees and providers, the department of health and its licensees, the department of social and health services and its licensees and providers, and the

department of children, youth, and families and its licensees and providers must provide all medical records related to the overdose, withdrawal, and suicide, autopsy reports, medical examiner reports, coroner reports, social services records, and other data requested for specific overdose, withdrawal, and suicide fatalities to perform an overdose, withdrawal, and suicide fatality review to the local health department.

(7) For the purposes of this section, "overdose, withdrawal, and suicide fatality review" means a confidential process to review minor or adult overdose, withdrawal, and suicide deaths as identified through a death certificate; by a medical examiner or coroner; or by a process defined by the local department of health. The process may include a systematic review of medical, clinical, and hospital records related to the overdose, withdrawal, and suicide; confidential interviews conducted with the protections established in subsection (3) of this section; analysis of individual case information; and review of this information by a team of professionals in order to identify modifiable medical, socioeconomic, public health, behavioral, administrative, educational, and environmental factors associated with each death."

On page 1, line 1 of the title, after "Relating to" strike the remainder of the title and insert "overdose, withdrawal, and suicide fatality reviews; and adding a new section to chapter 70.05 RCW."

and the same is herewith transmitted.

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House concurred in the Senate amendment to SUBSTITUTE HOUSE BILL NO. 1074 and advanced the bill, as amended by the Senate, to final passage.

FINAL PASSAGE OF HOUSE BILL AS SENATE AMENDED

Representatives Peterson and Schmick spoke in favor of the passage of the bill.

The Speaker (Representative Bronoske presiding) stated the question before the House to be the final passage of Substitute House Bill No. 1074, as amended by the Senate.

ROLL CALL

The Clerk called the roll on the final passage of Substitute House Bill No. 1074, as amended by the Senate, and the bill passed the House by the following vote: Yeas, 98; Nays, 0; Absent, 0; Excused, 0.

Voting yea: Representatives Abbarno, Barkis, Bateman, Berg, Bergquist, Berry, Boehnke, Bronoske, Caldier, Callan, Chambers, Chandler, Chapman, Chase, Chopp, Cody, Corry, Davis, Dent, Dolan, Donaghy, Duerr, Dufault, Dye, Entenman, Eslick, Fey, Fitzgibbon, Frame, Gilday, Goehner, Goodman, Graham, Gregerson, Griffey, Hackney, Hansen, Harris, Harris-Talley, Hoff, Jacobsen, J. Speaker.

SUBSTITUTE HOUSE BILL NO. 1074, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 3, 2022

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1329 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds and declares that, due to technological advances since the 1971 adoption of the open public meetings act, elected officials no longer conduct the public's business solely at in-person meetings, but can and do utilize telephonic and other electronic methods to efficiently conduct the business of state and local government remotely. Further, limitations on public gatherings required as the result of a disaster or emergency, for example, to assist in preventing the spread of infectious diseases, may affirmatively necessitate the use of technology and the avoidance of in-person attendance at public meetings for the conduct of governmental business. It is the policy of the state that a governing body's actions, including deliberations, shall be taken and conducted in the open. When the public cannot observe and participate

in person, it may limit participation in democracy. Therefore, this act shall be construed in favor of ensuring access by the public to observe elected officials when they meet pursuant to this act. It is the intent of this act to modernize and update the open public meetings act emergency procedures to reflect technological advances, while maintaining the act's public policy that governing body's actions and deliberations be taken and conducted openly while balancing public safety in emergency conditions. Governing bodies are encouraged to adopt resolutions or ordinances establishing where and how meetings will be held in the event of an emergency, in order to allow the public to more easily learn about and observe public agency action in an emergent situation.

The legislature further finds people participating in their government, especially through public comment, is an essential part of developing public policy. The legislature finds that there are numerous developing technologies that can be used to facilitate public comment, especially for those with disabilities, underserved communities, and those who face time or distance challenges when traveling to public meetings. Therefore, the legislature intends to encourage public agencies to make use of remote access tools as fully as practicable to encourage public engagement and better serve their communities.

Sec. 2. RCW 42.30.010 and 1971 ex.s. c 250 s 1 are each amended to read as follows:

The legislature finds and declares that all public commissions, boards, councils, committees, subcommittees, departments, divisions, offices, and all other public agencies of this state and subdivisions thereof exist to aid in the conduct of the people's business. It is the intent of this chapter that their actions be taken openly and that their deliberations be conducted openly.

The people of this state do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed and informing the people's public servants of their views so that they may retain control over the

instruments they have created. For these reasons, even when not required by law, public agencies are encouraged to incorporate and accept public comment during their decision-making process.

Sec. 3. RCW 42.30.030 and 1971 ex.s. c 250 s 3 are each amended to read as follows:

(1) All meetings of the governing body of a public agency shall be open and public and all persons shall be permitted to attend any meeting of the governing body of a public agency, except as otherwise provided in this chapter.

(2) Public agencies are encouraged to provide for the increased ability of the public to observe and participate in the meetings of governing bodies through real-time telephonic, electronic, internet, or other readily available means of remote access that do not require an additional cost to access the meeting.

NEW SECTION. Sec. 4. A new section is added to chapter 42.30 RCW to read as follows:

(1) Public agencies are encouraged to make an audio or video recording of, or to provide an online streaming option for, all regular meetings of its governing body, and to make recordings of these meetings available online for a minimum of six months.

(2) This section does not alter a local government's recordkeeping requirements under chapter 42.56 RCW.

NEW SECTION. Sec. 5. A new section is added to chapter 42.30 RCW to read as follows:

(1) If, after the declaration of an emergency by a local or state government or agency, or by the federal government, a public agency determines that it cannot hold a meeting of the governing body with members or public attendance in person with reasonable safety because of the emergency, the public agency may:

(a) Hold a remote meeting of the governing body without a physical location; or

(b) Hold a meeting of the governing body at which the physical attendance by some or all members of the public is limited due to a declared emergency.

(2) During a remote meeting, members of the governing body may appear or attend by phone or by other electronic

means that allows real-time verbal communication without being in the same physical location. For a remote meeting or a meeting at which the physical attendance by some or all members of the public is limited due to a declared emergency, the public agency must provide an option for the public to listen to the proceedings telephonically or by using a readily available alternative in real-time that does not require any additional cost for participation. Free readily available options include, but are not limited to, broadcast by the public agency on a locally available cable television station that is available throughout the jurisdiction or other electronic, internet, or other means of remote access that does not require any additional cost for access to the program. The public agency may also allow the other electronic means of remote access.

(3) No action may be taken at a remote meeting or a meeting at which the physical attendance by some or all members of the public is limited due to a declared emergency if the public agency has not provided an option for the public to listen to proceedings pursuant to subsection (2) of this section, except for an executive session as authorized in this chapter.

(4) Notice of a remote meeting without a physical location or a meeting at which the physical attendance by some or all members of the public is limited due to a declared emergency must be provided in accordance with this chapter and must include instructions on how the public may listen live to proceedings and on how the public may access any other electronic means of remote access offered by the public agency.

(5) A remote meeting or a meeting at which the physical attendance by some or all members of the public is limited due to a declared emergency that is held under the provisions of this section shall be considered open and public in compliance with the requirements of this chapter. Nothing in this section alters the ability of public agencies to take action in response to an emergency as provided for in RCW 42.30.070, or to have members of a governing body participate in a meeting remotely with no declared emergency.

(6) Notwithstanding any other provision in this section, any governing body of a public agency which held some

of its regular meetings remotely prior to March 1, 2020, may continue to hold some of its regular meetings remotely with no declared emergency so long as the public agency provides an option for the public to listen to the proceedings pursuant to subsection (2) of this section.

Sec. 6. RCW 42.30.040 and 2012 c 117 s 124 are each amended to read as follows:

A member of the public shall not be required, as a condition to attendance at a meeting of a governing body, to register his or her name and other information, to complete a questionnaire, or otherwise to fulfill any condition precedent to his or her attendance. This section does not prohibit any generally applicable conditions determined by the governing body to be reasonably necessary to protect the public health or safety, or to protect against interruption of the meeting, including a meeting at which the physical attendance by some or all members of the public is limited due to a declared emergency.

Sec. 7. RCW 42.30.050 and 1971 ex.s. c 250 s 5 are each amended to read as follows:

In the event that any meeting is interrupted by a group or groups of persons so as to render the orderly conduct of such meeting unfeasible and order cannot be restored by the removal of individuals who are interrupting the meeting, the members of the governing body conducting the meeting may order the meeting room cleared and continue in session or may adjourn the meeting and reconvene at another location selected by majority vote of the members. In such a session, final disposition may be taken only on matters appearing on the agenda. Representatives of the press or other news media, except those participating in the disturbance, shall be allowed to attend any session held pursuant to this section. Nothing in this section shall prohibit the governing body from establishing a procedure for readmitting an individual or individuals not responsible for disturbing the orderly conduct of the meeting. Nothing in this section prohibits the governing body from stopping people from speaking to the governing body when not recognized by the governing body to speak.

Sec. 8. RCW 42.30.070 and 1983 c 155 s 2 are each amended to read as follows:

The governing body of a public agency shall provide the time for holding regular meetings by ordinance, resolution, bylaws, or by whatever other rule is required for the conduct of business by that body. Unless otherwise provided for in the act under which the public agency was formed, meetings of the governing body need not be held within the boundaries of the territory over which the public agency exercises jurisdiction. If at any time any regular meeting falls on a holiday, such regular meeting shall be held on the next business day. If, by reason of fire, flood, earthquake, or other emergency, there is a need for expedited action by a governing body to meet the emergency, the presiding officer of the governing body may provide for a meeting site other than the regular meeting site, for a remote meeting without a physical location, or for a meeting at which the physical attendance by some or all members of the public is limited due to a declared emergency, and the notice requirements of this chapter shall be suspended during such emergency. It shall not be a violation of the requirements of this chapter for a majority of the members of a governing body to travel together or gather for purposes other than a regular meeting or a special meeting as these terms are used in this chapter: PROVIDED, That they take no action as defined in this chapter.

Sec. 9. RCW 42.30.077 and 2014 c 61 s 2 are each amended to read as follows:

(1) Public agencies with governing bodies must make the agenda of each regular meeting of the governing body available online no later than ((~~twenty-four~~) 24 hours in advance of the published start time of the meeting. An agency subject to provisions of this section ((is not required to post an agenda if it does not have a website or if it employs fewer than ten full time equivalent employees)) may share a website with, or have its website hosted by, another public agency to post meeting agendas, minutes, budgets, contact information, and other records, including any resolution or ordinance adopted by the agency establishing where and how the public agency will meet in the event of an emergency. Nothing in this section prohibits subsequent modifications to agendas nor invalidates any otherwise legal action taken at a meeting where the agenda was not posted in accordance with this section. Nothing

in this section modifies notice requirements or shall be construed as establishing that a public body or agency's online posting of an agenda as required by this section is sufficient notice to satisfy public notice requirements established under other laws. Failure to post an agenda in accordance with this section shall not provide a basis for awarding attorney fees under RCW 42.30.120 or commencing an action for mandamus or injunction under RCW 42.30.130.

(2) A special purpose district, city, or town subject to the provisions of this section is not required to post an agenda online if the district, city, or town:

(a) Has an aggregate valuation of the property subject to taxation by the district, city, or town of less than \$400,000,000, as placed on the last completed and balanced tax rolls of the county preceding the date of the most recent tax levy;

(b) Has a population within its jurisdiction of under 3,000 persons; and

(c) Provides confirmation to the state auditor at the time it files its annual reports under RCW 43.09.230 that the cost of posting notices on a website of its own, a shared website, or on the website of the county in which the largest portion of the district's, city's, or town's population resides, would exceed one-tenth of one percent of the district's, city's, or town's budget.

Sec. 10. RCW 42.30.080 and 2012 c 188 s 1 are each amended to read as follows:

(1) A special meeting may be called at any time by the presiding officer of the governing body of a public agency or by a majority of the members of the governing body by delivering written notice personally, by mail, by fax, or by ~~((electronic mail))~~ email to each member of the governing body. Written notice shall be deemed waived in the following circumstances:

(a) A member submits a written waiver of notice with the clerk or secretary of the governing body at or prior to the time the meeting convenes. A written waiver may be given by telegram, fax, or ~~((electronic mail))~~ email; or

(b) A member is actually present at the time the meeting convenes.

(2) Notice of a special meeting called under subsection (1) of this section shall be:

(a) Delivered to each local newspaper of general circulation and local radio or television station that has on file with the governing body a written request to be notified of such special meeting or of all special meetings;

(b) Posted on the agency's website. An agency is not required to post a special meeting notice on its website if it ~~((i))~~ does not have a website ~~((i))~~ or share a website with another agency. Except in the case of a remote meeting or a meeting at which the physical attendance by some or all members of the public is limited due to a declared emergency as provided for in this chapter, an agency is not required to post a special meeting notice on its website if it employs ~~((fewer than ten))~~ no full-time equivalent employees ~~((i))~~, or ~~((iii))~~ does not employ personnel whose duty, as defined by a job description or existing contract, is to maintain or update the website; and

(c) Prominently displayed at the main entrance of the agency's principal location and the meeting site if it is not held at the agency's principal location and is not held as a remote meeting; except that during a declared emergency which prevents a meeting from being held in-person with reasonable safety an agency that hosts a website or shares a website with another agency may instead post notice of a remote meeting without a physical location on the website hosted or shared by the agency.

Such notice must be delivered or posted, as applicable, at least ~~((twenty-four))~~ 24 hours before the time of such meeting as specified in the notice.

(3) The call and notices required under subsections (1) and (2) of this section shall specify the time and place of the special meeting and the business to be transacted. Final disposition shall not be taken on any other matter at such meetings by the governing body.

(4) The notices provided in this section may be dispensed with in the event a special meeting is called to deal with an emergency involving injury or damage to persons or property or the likelihood of such injury or damage, when time requirements of such notice would make notice impractical and increase the likelihood of such injury or damage, or

when the required notice cannot be posted or displayed with reasonable safety, including but not limited to declared emergencies in which travel to physically post notice is barred or advised against.

Sec. 11. RCW 42.30.090 and 2012 c 117 s 125 are each amended to read as follows:

The governing body of a public agency may adjourn any regular, adjourned regular, special, or adjourned special meeting to a time and place specified in the order of adjournment. Less than a quorum may so adjourn from time to time. If all members are absent from any regular or adjourned regular meeting the clerk or secretary of the governing body may declare the meeting adjourned to a stated time and place. He or she shall cause a written notice of the adjournment to be given in the same manner as provided in RCW 42.30.080 for special meetings, unless such notice is waived as provided for special meetings. (~~Whenever~~) Except in the case of remote meetings without a physical location as provided for in this chapter, whenever any meeting is adjourned a copy of the order or notice of adjournment shall be conspicuously posted immediately after the time of the adjournment on or near the door of the place where the regular, adjourned regular, special, or adjourned special meeting was held. When a regular or adjourned regular meeting is adjourned as provided in this section, the resulting adjourned regular meeting is a regular meeting for all purposes. When an order of adjournment of any meeting fails to state the hour at which the adjourned meeting is to be held, it shall be held at the hour specified for regular meetings by ordinance, resolution, bylaw, or other rule.

Sec. 12. RCW 42.30.110 and 2019 c 162 s 2 are each amended to read as follows:

(1) Nothing contained in this chapter may be construed to prevent a governing body from holding an executive session during a regular or special meeting:

(a)(i) To consider matters affecting national security;

(ii) To consider, if in compliance with any required data security breach disclosure under RCW 19.255.010 and 42.56.590, and with legal counsel available, information regarding the infrastructure and security of computer and telecommunications networks, security and service recovery plans,

security risk assessments and security test results to the extent that they identify specific system vulnerabilities, and other information that if made public may increase the risk to the confidentiality, integrity, or availability of agency security or to information technology infrastructure or assets;

(b) To consider the selection of a site or the acquisition of real estate by lease or purchase when public knowledge regarding such consideration would cause a likelihood of increased price;

(c) To consider the minimum price at which real estate will be offered for sale or lease when public knowledge regarding such consideration would cause a likelihood of decreased price. However, final action selling or leasing public property shall be taken in a meeting open to the public;

(d) To review negotiations on the performance of publicly bid contracts when public knowledge regarding such consideration would cause a likelihood of increased costs;

(e) To consider, in the case of an export trading company, financial and commercial information supplied by private persons to the export trading company;

(f) To receive and evaluate complaints or charges brought against a public officer or employee. However, upon the request of such officer or employee, a public hearing or a meeting open to the public shall be conducted upon such complaint or charge;

(g) To evaluate the qualifications of an applicant for public employment or to review the performance of a public employee. However, subject to RCW 42.30.140(4), discussion by a governing body of salaries, wages, and other conditions of employment to be generally applied within the agency shall occur in a meeting open to the public, and when a governing body elects to take final action hiring, setting the salary of an individual employee or class of employees, or discharging or disciplining an employee, that action shall be taken in a meeting open to the public;

(h) To evaluate the qualifications of a candidate for appointment to elective office. However, any interview of such candidate and final action appointing a

candidate to elective office shall be in a meeting open to the public;

(i) To discuss with legal counsel representing the agency matters relating to agency enforcement actions, or to discuss with legal counsel representing the agency litigation or potential litigation to which the agency, the governing body, or a member acting in an official capacity is, or is likely to become, a party, when public knowledge regarding the discussion is likely to result in an adverse legal or financial consequence to the agency.

This subsection (1)(i) does not permit a governing body to hold an executive session solely because an attorney representing the agency is present. For purposes of this subsection (1)(i), "potential litigation" means matters protected by RPC 1.6 or RCW 5.60.060(2)(a) concerning:

(i) Litigation that has been specifically threatened to which the agency, the governing body, or a member acting in an official capacity is, or is likely to become, a party;

(ii) Litigation that the agency reasonably believes may be commenced by or against the agency, the governing body, or a member acting in an official capacity; or

(iii) Litigation or legal risks of a proposed action or current practice that the agency has identified when public discussion of the litigation or legal risks is likely to result in an adverse legal or financial consequence to the agency;

(j) To consider, in the case of the state library commission or its advisory bodies, western library network prices, products, equipment, and services, when such discussion would be likely to adversely affect the network's ability to conduct business in a competitive economic climate. However, final action on these matters shall be taken in a meeting open to the public;

(k) To consider, in the case of the state investment board, financial and commercial information when the information relates to the investment of public trust or retirement funds and when public knowledge regarding the discussion would result in loss to such funds or in private loss to the providers of this information;

(l) To consider proprietary or confidential nonpublished information related to the development, acquisition, or implementation of state purchased health care services as provided in RCW 41.05.026;

(m) To consider in the case of the life sciences discovery fund authority, the substance of grant applications and grant awards when public knowledge regarding the discussion would reasonably be expected to result in private loss to the providers of this information;

(n) To consider in the case of a health sciences and services authority, the substance of grant applications and grant awards when public knowledge regarding the discussion would reasonably be expected to result in private loss to the providers of this information;

(o) To consider information regarding staff privileges or quality improvement committees under RCW 70.41.205.

(2) Before convening in executive session, the presiding officer of a governing body shall publicly announce the purpose for excluding the public from the meeting place, and the time when the executive session will be concluded. The executive session may be extended to a stated later time by announcement of the presiding officer. The announced purpose of excluding the public must be entered into the minutes of the meeting required by RCW 42.30.035.

NEW SECTION. Sec. 13. A new section is added to chapter 42.30 RCW to read as follows:

(1) Except in an emergency situation, the governing body of a public agency shall provide an opportunity at or before every regular meeting at which final action is taken for public comment. The public comment required under this section may be taken orally at a public meeting, or by providing an opportunity for written testimony to be submitted before or at the meeting. If the governing body accepts written testimony, this testimony must be distributed to the governing body. The governing body may set a reasonable deadline for the submission of written testimony before the meeting.

(2) Upon the request of any individual who will have difficulty attending a meeting of the governing body of a public agency by reason of disability, limited mobility, or for any other reason that

makes physical attendance at a meeting difficult, the governing body shall, when feasible, provide an opportunity for that individual to provide oral comment at the meeting remotely if oral comment from other members of the public will be accepted at the meeting.

(3) Nothing in this section prevents a governing body from allowing public comment on items not on the meeting agenda.

(4) Nothing in this section diminishes the authority of governing bodies to deal with interruptions under RCW 42.30.050, limits the ability of the governing body to put limitations on the time available for public comment or on how public comment is accepted, or requires a governing body to accept public comment that renders orderly conduct of the meeting unfeasible.

Sec. 14. RCW 42.30.900 and 1971 ex.s. c 250 s 16 are each amended to read as follows:

This chapter may be known and cited as the ("Open Public Meetings Act of 1971") Washington state open public meetings act or OPMA.

NEW SECTION. **Sec. 15.** Sections 5 through 11 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and take effect immediately."

On page 1, line 2 of the title, after "participation;" strike the remainder of the title and insert "amending RCW 42.30.010, 42.30.030, 42.30.040, 42.30.050, 42.30.070, 42.30.077, 42.30.080, 42.30.090, 42.30.110, and 42.30.900; adding new sections to chapter 42.30 RCW; creating a new section; and declaring an emergency."

MESSAGE FROM THE SENATE

February 25, 2022

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1646 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that:

(1) In 2020, an estimated 120,000 Washingtonians age 65 and older were living with Alzheimer's disease or another dementia and the number is expected to rise to 140,000 by 2025;

(2) Dementia affects the whole family in many ways, including pulling family members, most often women, out of the workforce to care for their loved ones with the disease;

(3) There are an estimated 295,000 unpaid caregivers in Washington providing 426,000,000 total hours of unpaid care annually;

(4) The legislature authorized the preparation of the first Washington state plan to address Alzheimer's disease and other dementias in 2016; and

(5) There is great value in continuing to improve awareness and services for individuals living with Alzheimer's disease and other dementias, and reestablishing the formal dementia action collaborative to update the state plan and make recommendations is essential.

NEW SECTION. Sec. 2. A new section is added to chapter 43.20A RCW to read as follows:

(1) The dementia action collaborative is established with members as provided in this subsection.

(a) The governor shall appoint the following members, and may appoint additional members at the governor's discretion:

(i) A representative of the governor's office;

(ii) A representative and an alternate from the department in the aging and long-term support administration;

(iii) A representative and an alternate from the department in the developmental disabilities administration;

(iv) A representative and an alternate from the department of health;

(v) A representative and an alternate from the health care authority;

(vi) A representative and an alternate from the office of the state long-term care ombuds;

(vii) At least one person with Alzheimer's disease or another dementia;

(viii) A caregiver of a person with Alzheimer's disease or another dementia;

(ix) A representative of the University of Washington's memory and brain wellness center;

(x) A representative of an organization representing area agencies on aging;

(xi) A representative of an association representing long-term care facilities in Washington;

(xii) A representative of an association representing physicians in Washington;

(xiii) A representative of a Washington-based organization of volunteers, family, and friends of those affected by Alzheimer's disease and other dementias;

(xiv) A representative of an Alzheimer's advocacy organization;

(xv) An attorney who specializes in elder law;

(xvi) An Alzheimer's disease researcher;

(xvii) A representative of an organization representing emergency medical service providers in Washington;

(xviii) An expert in workforce development;

(xix) A representative of the Washington state council on aging;

(xx) A representative of the governor's office of Indian affairs;

(xxi) A licensed behavioral health provider with clinical expertise in Alzheimer's disease or other dementias;

(xxii) A representative of a health care organization that primarily serves people of color, including seniors; and

(xxiii) A nurse with expertise in serving individuals with Alzheimer's disease or other dementias.

(b) In appointing members to the dementia action collaborative, the governor shall give priority to persons who had previously served on the Alzheimer's disease working group established pursuant to chapter 89 (Senate Bill No. 6124), Laws of 2014, and its successor work groups.

(2)(a) The secretary or the secretary's designee shall convene the dementia action collaborative and submit all required reports. The secretary or the secretary's designee shall serve as the cochair with either the member representing an Alzheimer's disease advocacy organization or the member representing the Washington-based organization of volunteers, family, and friends of those affected by Alzheimer's disease and other dementias.

(b) The department shall provide any necessary administrative support to the dementia action collaborative.

(c) Meetings of the dementia action collaborative must be open to the public. At least one meeting each year must accept comments on the dementia action collaborative's proposed recommendations from members of the public, including comments from persons and families affected by Alzheimer's disease or other dementias. The department must use technological means, such as web casts, to assure public participation.

(3)(a) The dementia action collaborative must assess the current and future impacts of Alzheimer's disease and other dementias on Washington residents, including:

(i) Examining progress in implementing the Washington state Alzheimer's plan adopted in 2016;

(ii) Assessing available services and resources for serving persons with Alzheimer's disease and other dementias, as well as their families and caregivers;

(iii) Examining and developing strategies to rectify disparate effects of Alzheimer's disease and other dementias on people of color; and

(iv) Developing a strategy to mobilize a state response to this public health crisis.

(b) In addition to the activities in (a) of this subsection, the dementia action collaborative must review and revise the Washington state Alzheimer's plan adopted in 2016, and any subsequent revisions to that plan. Revisions to the plan must evaluate and address:

(i) Population trends related to Alzheimer's disease and other dementias, including:

(A) Demographic information related to Washington residents living with Alzheimer's disease or other dementias, including average age, average age at first diagnosis, gender, race, and comorbidities; and

(B) Disparities in the prevalence of Alzheimer's disease and other dementias between different racial and ethnic populations;

(ii) Existing services, resources, and health care system capacity, including:

(A) The types, cost, and availability of dementia services, medicaid reimbursement rates for dementia services, and the effect of medicaid reimbursement rates on the availability of dementia services;

(B) Dementia-specific training requirements for long-term services and supports staff;

(C) The needs of public safety and law enforcement to respond to persons with Alzheimer's disease or other dementias;

(D) The availability of home and community-based resources, including respite care and other services to assist families, for persons with Alzheimer's disease or other dementias;

(E) Availability of long-term dementia care beds, regardless of payer;

(F) State funding and Alzheimer's disease research through Washington universities and other resources; and

(G) Advances in knowledge regarding brain health, dementia, and risk reduction related to Alzheimer's disease and other dementias since the adoption of the Washington state Alzheimer's plan established in 2016.

(4) The department must submit a report of the dementia action collaborative's findings and recommendations to the governor and the legislature in the form of an updated Washington state Alzheimer's plan no later than October 1, 2023. The department must submit annual updates and recommendations of the dementia action collaborative for legislative and executive branch agency action to the governor and the legislature each October 1st, beginning October 1, 2024.

(5) This section expires June 30, 2028."

On page 1, line 2 of the title, after "collaborative;" strike the remainder of the title and insert "adding a new section to chapter 43.20A RCW; creating a new section; and providing an expiration date."

and the same is herewith transmitted.

MESSAGE FROM THE SENATE

March 3, 2022

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1725 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that indigenous people experience disproportionate rates of violence in Washington state. Tribes, state leaders, and grassroots activists have done substantial work to identify factors directly affecting the rates of violence and to ensure that addressing the crisis

of missing and murdered indigenous people is a priority at every level. The legislature intends to provide law enforcement with additional tools to disseminate timely, accurate information to engage the public more effectively in assisting with locating missing indigenous people, and to compensate for the unique challenges that indigenous communities face accessing media coverage and the ability to share information.

Sec. 2. RCW 13.60.010 and 2017 3rd sp.s. c 6 s 315 are each amended to read as follows:

(1) The Washington state patrol shall establish a missing children and endangered person clearinghouse which shall include the maintenance and operation of a toll-free telephone hotline. The clearinghouse shall distribute information to local law enforcement agencies, school districts, the department of children, youth, and families, and the general public regarding missing children and endangered persons. The information shall include pictures, bulletins, training sessions, reports, and biographical materials that will assist in local law enforcement efforts to locate missing children and endangered persons. The state patrol shall also maintain a regularly updated computerized link with national and other statewide missing person systems or clearinghouses, and within existing resources, shall develop and implement a plan, commonly known as an "amber alert plan" or an "endangered missing person advisory plan" which includes ((a)) "silver alert" ((~~designation~~)) and "missing indigenous person alert" designations for voluntary cooperation between local, state, tribal, and other law enforcement agencies, state government agencies, radio and television stations, cable and satellite systems, and social media pages and sites to enhance the public's ability to assist in recovering abducted children and missing endangered persons consistent with the state endangered missing person advisory plan.

(2) For the purposes of this chapter:

(a) "Child" or "children" means an individual under ((~~eighteen~~)) 18 years of age.

(b) "Missing endangered person" means ((a)):

(i) A missing indigenous woman or indigenous person; or

(ii) A person who is believed to be in danger because of age, health, mental or physical disability, in combination with environmental or weather conditions, or is believed to be unable to return to safety without assistance and who is:

((+i+)) (A) A person with a developmental disability as defined in RCW 71A.10.020(5);

((+ii+)) (B) A vulnerable adult as defined in RCW 74.34.020; or

((+iii+)) (C) A person who has been diagnosed as having Alzheimer's disease or other age-related dementia.

(c) "Missing indigenous person alert" means the designated title of a missing endangered person advisory that will be used on a variable message sign and text of the highway advisory radio message when used as part of an activated advisory to assist in the recovery of a missing indigenous person.

(d) "Silver alert" means the designated title of a missing endangered person advisory that will be used on a variable message sign and text of the highway advisory radio message when used as part of an activated advisory to assist in the recovery of a missing endangered person age ~~((sixty))~~ 60 or older."

On page 1, line 2 of the title, after "persons;" strike the remainder of the title and insert "amending RCW 13.60.010; and creating a new section."

On page 2, line 20, strike "and"

On page 2, line 22, after "hospitals" insert "; and"

(4) Hospitals that qualify as a medicare dependent hospital"

On page 2, after line 22, insert the following:

"NEW SECTION. Sec. 3. (1) The surgical smoke evacuation account is created in the custody of the state treasurer. Revenues to the account consist of appropriations and transfers by the legislature and all other funding directed for deposit into the account. Only the director of the department of labor and industries or the director's designee may authorize expenditures from the account. The account is subject to the allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures. Expenditures from the account may be used only for

purposes provided in subsection (3) of this section.

(2) By July 1, 2025, the director of the department of labor and industries must certify to the state treasurer the amount of any unobligated moneys in the surgical smoke evacuation account that were appropriated by the legislature from the general fund during the 2023-2025 fiscal biennium, and the treasurer must transfer those moneys back to the general fund.

(3)(a) Subject to the funds available in the surgical smoke evacuation account and beginning January 2, 2025, a hospital described in (b) of this subsection may apply to the department of labor and industries for reimbursement for the costs incurred by the hospital on or before January 1, 2025, to purchase and install smoke evacuation systems as defined in section 1 of this act. The reimbursement may not exceed \$1,000 for each operating room in the hospital. The reimbursements under this subsection are only available until moneys contained in the account are exhausted.

(b) Only the following hospitals may apply for reimbursement:

(i) Hospitals certified as critical access hospitals under 42 U.S.C. Sec. 1395i-4;

(ii) Hospitals with fewer than 25 acute care beds in operation;

(iii) Hospitals certified by the centers for medicare and medicaid services as sole community hospitals; and

(iv) Hospitals that qualify as a medicare dependent hospital.

(c) The department of labor and industries must determine the process for making an application for reimbursement."

SUBSTITUTE HOUSE BILL NO. 1779, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 3, 2022

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1893 with the following amendment:

On page 4, after line 2, insert the following:

"NEW SECTION. **Sec. 2.** A new section is added to chapter 18.71 RCW to read as follows:

(1) Emergency medical services providers who are currently licensed or certified in another state or who hold a current certification from a national certifying agency approved by the department are eligible for a Washington provisional emergency services provider certification.

(2) To be eligible for a Washington provisional emergency services provider certification, the applicant shall:

(a) Be currently licensed or certified in another state and be in good standing with the emergency medical services board of that state or hold a current emergency medical services provider certification from a national certifying agency approved by the department;

(b) Be employed or have a valid employment offer from a Washington emergency medical services agency; and

(c) Be approved for a provisional status from the county medical program director in which the applicant is or will be employed.

(3) If the employer or host agency has:

(a) Fewer than 25 employees holding a current emergency medical technician or paramedic certification or license, up to 20 percent of those employees, rounded to the next whole number, may practice under a provisional certification; or

(b) Twenty-five or more employees holding a current emergency medical technician or paramedic certification or license, up to 10 percent of those employees, rounded to the next whole number, may practice under a provisional certification.

Sec. 3. RCW 18.73.081 and 1993 c 254 s 1 are each amended to read as follows:

In addition to other duties prescribed by law, the secretary shall:

(1) Prescribe minimum requirements for:

(a) Ambulance, air ambulance, and aid vehicles and equipment;

(b) Ambulance and aid services; and

(c) Minimum emergency communication equipment;

(2) Adopt procedures for services that fail to perform in accordance with minimum requirements;

(3) Prescribe minimum standards for first responder and emergency medical technician training including:

(a) Adoption of curriculum and period of certification;

(b) Procedures for provisional certification, certification, recertification, decertification, or modification of certificates;

(c) Adoption of requirements for ongoing training and evaluation, as approved by the county medical program director, to include appropriate evaluation for individual knowledge and skills. The first responder, emergency medical technician, or emergency medical services provider agency may elect a program of continuing education and a written and practical examination instead of meeting the ongoing training and evaluation requirements;

(d) Procedures for reciprocity with other states or national certifying agencies;

(e) Review and approval or disapproval of training programs; and

(f) Adoption of standards for numbers and qualifications of instructional personnel required for first responder and emergency medical technician training programs;

(4) Prescribe minimum requirements for liability insurance to be carried by licensed services except that this requirement shall not apply to public bodies; and

(5) Certify emergency medical program directors.

Sec. 4. RCW 18.71.205 and 2015 c 93 s 3 are each amended to read as follows:

(1) The secretary of the department of health shall prescribe:

(a) Practice parameters, training standards for, and levels of, physician's trained advanced emergency medical technicians and paramedics;

(b) Minimum standards and performance requirements for the certification and recertification of physician's trained advanced emergency medical technicians and paramedics; and

(c) Procedures for provisional certification, certification, recertification, and decertification of physician's trained advanced emergency medical technicians and paramedics.

(2) Initial certification shall be for a period established by the secretary pursuant to RCW 43.70.250 and 43.70.280.

(3) Recertification shall be granted upon proof of continuing satisfactory performance and education, and shall be for a period established by the secretary pursuant to RCW 43.70.250 and 43.70.280.

(4) As used in this chapter and chapter 18.73 RCW, "approved medical program director" means a person who:

(a) Is licensed to practice medicine and surgery pursuant to this chapter or osteopathic medicine and surgery pursuant to chapter 18.57 RCW; and

(b) Is qualified and knowledgeable in the administration and management of emergency care and services; and

(c) Is so certified by the department of health for a county, group of counties, or cities with populations over four hundred thousand in coordination with the recommendations of the local medical community and local emergency medical services and trauma care council.

(5) The uniform disciplinary act, chapter 18.130 RCW, governs uncertified practice, the issuance and denial of certificates, and the disciplining of certificate holders under this section. The secretary shall be the disciplining authority under this section. Disciplinary action shall be initiated against a person credentialed under this chapter in a manner consistent with the responsibilities and duties of the medical program director under whom such person is responsible.

(6) Such activities of physician's trained advanced emergency medical technicians and paramedics shall be limited to actions taken under the express written or oral order of medical program directors and shall not be construed at any time to include freestanding or nondirected actions, for actions not presenting an emergency or life-threatening condition, except nonemergency activities performed pursuant to subsection (7) of this section.

(7) Nothing in this section prohibits a physician's trained advanced emergency medical technician or paramedic, acting under the responsible supervision and direction of an approved medical program director, from participating in a community assistance referral and education services program established under RCW 35.21.930 if such participation does not exceed the participant's training and certification."

On page 1, line 3, after "request;" strike "and amending RCW 18.73.030." and insert "amending RCW 18.73.030, 18.73.081, and 18.71.205; and adding a new section to chapter 18.71 RCW."

and the same is herewith transmitted.

SUBSTITUTE HOUSE BILL NO. 1893, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 3, 2022

Madame Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1181 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) Suicide is a public health issue that affects many Washington families and communities daily. Over the last 10 years, Washington state has been at the forefront of suicide prevention, investing more in upstream suicide prevention strategies and supports with the goal of a noteworthy reduction in suicide by 2025.

(2) At the request of the governor, in 2020 Washington stakeholders engaged in a national and statewide initiative to end veteran and military member suicide. This initiative culminated in a new state plan to educate providers and help them address the unique needs of veterans and military members, particularly those in transition to civilian life; and to provide resources and supports including improved lethal means safety training. The purpose of this act is to support the implementation of that plan.

(3) Service members, veterans, and their families are at a higher risk of being affected by suicide as experiences prior to enlistment, during service, and transition from service can contribute to suicidal thoughts and behaviors. A report on post-9/11 era military deaths by the United States department of veterans affairs found that service members are four times more likely to die by suicide than in military operations. Over 7,000 service members died in combat during the global war on terror, while more than 30,000 active duty members and veterans died by suicide. For veterans of all United States military operations, there is an average of 22 suicide deaths per day across the country, with one occurring every 65 minutes.

(4) Washington is home to 544,290 veterans, 60,699 active duty service members, 17,941 guard and reserve service members, and 2,000,000 military and veteran family members. Although veterans themselves make up only seven percent of the Washington population, they account for 19 percent of total suicides in the state. Nearly 1,000 veterans have died by suicide in Washington state over the last five years. More than two-thirds of veterans who died by suicide in Washington used a firearm.

(5) Family members of veterans who die by suicide are at higher risk for future suicide due to the exposure of experiencing suicide loss. Research shows for every suicide that occurs, 135 people suffer from the effects either

directly or indirectly, meaning veteran suicides impact a community of 2,600,000 people.

(6) There is no one path to suicide, but life experiences, moral injury, trauma, culture, and health can play a major role in suicidal behavior. Military and veteran culture in particular includes stigma around mental wellness and help-seeking behavior, emphasizes reliability on group cohesion, and facilitates access, comfortability, and familiarity with lethal means such as firearms. Additionally, a significant number of veterans do not seek care within the veterans administration system.

(7) The legislature intends to address the tragedy of suicide amongst veterans, military members, and their families through support of professionals and community and peer organizations serving veterans, cultural changes that support help-seeking behaviors, and investments in education, training, prevention, and care.

NEW SECTION. Sec. 2. A new section is added to chapter 43.60A RCW to read as follows:

(1) There is created in the department a suicide prevention community-based services grant program. The purpose of the grant program is to provide suicide prevention, peer support, and other assistance to at-risk and transitioning veterans and military members and their families in their communities.

(2) Subject to the availability of amounts appropriated for the specific purposes provided in this section and amounts disbursed from the veterans and military members suicide prevention account created in section 3 of this act, the department, in consultation with the forefront suicide prevention center, must establish a process to receive, review, process, and award grants to organizations, including nonprofit and peer support community programs, that address veterans, military members, and their families who may be at risk of suicide and other mental health crises. Priority should be given to organizations using peer support models that use evidence-based, research-based, or promising practices.

(3) The department shall report to the legislature annually beginning July 1, 2023, on grant recipients, number of veterans and military members served, and

the types of services offered by grant recipients.

(4) The forefront suicide prevention center shall evaluate the effectiveness of each grant program recipient providing suicide prevention and peer support services to veterans, military members, and their families who may be at risk of suicide and other mental health crises.

(5) For the purposes of this section, "forefront suicide prevention center" means the University of Washington's forefront suicide prevention center of excellence.

NEW SECTION. Sec. 3. A new section is added to chapter 43.60A RCW to read as follows:

(1) The veterans and military members suicide prevention account is created in the custody of the state treasurer. The account shall consist of funds appropriated by the legislature, revenues received from the prevent veteran suicide emblem under section 8 of this act, and all receipts from gifts, grants, bequests, devises, or other donations from public and private sources to support veterans and military members suicide prevention measures. Expenditures from the account may be used only for the purposes provided in subsection (3) of this section. Only the director or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

(2)(a) The department may request and accept nondedicated contributions, grants, or gifts in cash or otherwise, and voluntary donations for deposit into the account, including funds generated by voluntary donations under (b) of this subsection.

(b) The department may accept, for deposit into the account, voluntary donations from persons who are: (i) Applying for a concealed pistol license or renewal of a concealed pistol license; or (ii) undergoing a background check under chapter 9.41 RCW in connection with the purchase of a firearm from a firearms dealer. The department shall coordinate with local law enforcement agencies, the department of licensing, and firearms dealers licensed under chapter 9.41 RCW to develop a form and process for publicizing and collecting voluntary donations under this subsection. The

department and the department of licensing shall post educational information regarding the voluntary donation provisions of this section on their websites.

(3) All moneys deposited into the account must be used for activities that are dedicated to the benefit of veteran and military member suicide education and prevention including, but not limited to: (a) Expanding the department's peer corps program; and (b) providing programs, peer support, and services that assist veterans and military members in addressing mental health and wellness impacts of military service, trauma, moral injury, and transition to civilian life. Funds may also be used for the suicide prevention community-based services grant program established in section 2 of this act. Funds from the account may not be used to supplant existing funds received by the department nor shall grant recipients use the funds to supplant existing funding.

(4) For the purposes of this section the following definitions apply:

(a) "Veteran" has the same meaning as provided in RCW 41.04.005 and 41.04.007.

(b) "Military members" means actively serving members of the national guard or reserves, or active duty military personnel.

(c) "Account" means the veterans and military members suicide prevention account.

NEW SECTION. Sec. 4. A new section is added to chapter 43.60A RCW to read as follows:

Beginning December 2022, subject to the availability of amounts appropriated for this specific purpose, the governor's challenge team and service members, veterans, and their families suicide prevention advisory committee shall report to the legislature on a biannual basis regarding implementation of the plan developed by the committee.

NEW SECTION. Sec. 5. A new section is added to chapter 43.60A RCW to read as follows:

Subject to the availability of amounts appropriated for this specific purpose, the department shall:

(1) Create and maintain a database of information on nonprofit, for-profit, city, county, state, and federal

organizations, providers, and resources that address the mental health, well-being, and suicide prevention of veterans, military members, and their families. The department shall establish criteria for inclusion in the database by July 1, 2022. The department must make the database accessible on its website to veterans, military members, and their families by July 1, 2023;

(2) Provide suicide prevention education training and information for veterans, military members, and their families that is accessible through the internet; and

(3) By December 1, 2023, create, in consultation with the suicide-safer homes task force, a web-based application to be shared by state agencies and primary care providers with veterans, military members, and their families to provide applicable information and resources including but not limited to benefits, mental health resources, and lethal means safety information.

NEW SECTION. **Sec. 6.** A new section is added to chapter 18.130 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the department shall consult with the department of veterans affairs to create educational materials informing health care providers regulated under this chapter about the availability of the nationwide 988 phone number for individuals in crisis to connect with suicide prevention and mental health crisis counselors. The educational materials must include information about the veterans crisis line for veterans and service members, and, beginning July 1, 2023, information about the resources developed under section 5 of this act.

(2) The department shall:

(a) Determine the health professions to which this section shall apply; and

(b) Collaborate with the corresponding disciplining authority under RCW 18.130.020 to ensure that the educational materials are distributed electronically to appropriate licensed health care providers when a provider renews his or her license.

(3) Beginning July 1, 2023, all health care providers are strongly encouraged to inquire with new patients entering care

whether the patient is a veteran, member of the military, or a family member of a veteran or member of the military. If the patient responds in the affirmative, the provider is encouraged to share the educational materials created under this section with the patient.

NEW SECTION. **Sec. 7.** A new section is added to chapter 43.70 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, a suicide-safer homes task force is established to raise public awareness and increase suicide prevention education among new partners who are in key positions to help reduce suicide. The task force shall be administered and staffed by the department of veterans affairs. To the extent possible, the task force membership should include representatives from geographically diverse and priority populations, including tribal populations.

(2) The suicide-safer homes task force shall be cochaired by the director, or the director's designee, of the department of veterans affairs and the director, or the director's designee, of the forefront suicide prevention center and also consist of the following members:

(a) Two representatives of suicide prevention organizations, selected by the cochaairs of the task force;

(b) Two representatives of the firearms industry, selected by the cochaairs of the task force;

(c) Two individuals who are suicide attempt survivors or who have experienced suicide loss, selected by the cochaairs of the task force;

(d) Two representatives of law enforcement agencies, selected by the cochaairs of the task force;

(e) One representative from the department of health;

(f) One representative from the department of fish and wildlife;

(g) One individual representing veterans;

(h) One member of a Washington or federally recognized Indian tribe;

(i) Two veterans;

(j) One representative of the national rifle association;

(k) One representative of the Second Amendment foundation;

(l) One representative of a nonprofit organization working on gun safety issues;

(m) One representative of a national firearms trade association;

(n) One representative of a Washington state pharmacy association; and

(o) No more than five other interested parties, selected by the cochairs of the task force.

(3) The department of veterans affairs shall convene the initial meeting of the task force.

(4) The task force shall:

(a) Develop and prepare to disseminate online trainings on suicide awareness and prevention for firearms dealers and their employees and firearm range owners and their employees;

(b) Partner with medical providers, firearms dealers, firearms ranges, and pharmacies to develop and distribute suicide awareness and prevention messages for posters and brochures;

(c) In consultation with the department of fish and wildlife, develop strategies for creating and disseminating suicide awareness and prevention information for hunting safety classes, including messages to parents that can be shared during online registration, in either follow-up email communications, or in writing, or both;

(d) Create a website that will be a clearinghouse for the newly created suicide awareness and prevention materials developed by the task force;

(e) Continue to support medical providers with suicide prevention and awareness work through the dissemination of collateral education programs;

(f) Allocate funding towards the purchase of lock boxes for dissemination via the forefront suicide prevention center's TeleSAFER program;

(g) Develop and direct advocacy efforts with firearms dealers to pair suicide awareness and prevention training with distribution of safe storage devices;

(h) Partner with a statewide pharmacy association to market and promote medication disposal kits and safe storage devices;

(i) Train health care providers on suicide awareness and prevention, paired with distribution of medication disposal kits and safe storage devices; and

(j) Train local law enforcement officers on suicide awareness and prevention, paired with distribution of medication disposal kits and safe storage devices.

(5) The forefront suicide prevention center shall provide subject matter expertise, technical and programmatic support, and consultation and evaluation to the task force.

(6) Beginning December 1, 2022, the task force shall annually report to the legislature on the status of its work.

(7) This section expires July 1, 2024.

NEW SECTION. **Sec. 8.** A new section is added to chapter 46.18 RCW to read as follows:

(1) The general public may purchase a prevent veteran suicide emblem for a prescribed fee set by the department. The emblem must be displayed on license plates in the manner described by the department, existing vehicular registration procedures, and current laws.

(2) The department, in creating the prevent veteran suicide emblem, must consult with the department of veterans affairs on the design of the emblem. The emblem must incorporate the 988 suicide prevention hotline or its successor.

(3) Revenues from the prevent veteran suicide emblem must be deposited into the veterans and military members suicide prevention account created in section 3 of this act.

NEW SECTION. **Sec. 9.** A new section is added to chapter 74.04 RCW to read as follows:

During the application process for public assistance benefits, the department shall inquire of each applicant whether he or she has ever served in the United States military services or is a family or household member of someone who has ever served in the United States military services. If the applicant answers in the affirmative, the department shall provide the

applicant with information on how to contact the Washington department of veterans affairs to inquire as to whether the applicant may be eligible for any benefits, services, or programs offered to veterans, military members, or their families.

NEW SECTION. Sec. 10. A new section is added to chapter 9.41 RCW to read as follows:

(1) In order to better prevent suicide by veterans, military members, and their families, an expansion of safe storage of firearms and reduced access to lethal means in the community is encouraged.

(2) A dealer who provides a service of allowing a person to temporarily store a firearm on the dealer's premises in a storage locker, box, or container that is locked and not accessible to the dealer does not thereby create a special relationship, for civil liability purposes, between the dealer and the person who temporarily stores the firearm on the dealer's premises.

NEW SECTION. Sec. 11. A new section is added to chapter 39.04 RCW to read as follows:

(1)(a) For any building, bridge, ferry, or park being constructed or replaced after July 1, 2024, as a public works project, there must be installed in appropriate locations signs displaying the 988 national suicide prevention and mental health crisis hotline.

(b) The public body as defined in RCW 39.10.210 in control of a public works project in this subsection must decide where signs under this section would be physically feasible and appropriate. The following facilities are recommended to have such signs:

(i) Bridges where suicides by jumping have occurred or are likely to occur; and

(ii) Locations that provide services to people that have high incidence of suicide or mental health conditions that would benefit from knowing about the hotline.

(c) The signs must be designed to communicate that dialing 988 on a telephone will connect callers to behavioral health and suicide prevention services as provided in accordance with state and federal laws governing the 988 number.

(d) If a sign is located along a state highway or the interstate system, the department of transportation must approve the location prior to erecting the sign, but no permit is necessary.

(e) Signs created under this section may not conflict with provisions of the manual of uniform traffic control devices or existing state laws related to placement and design of signs.

(2) This section does not create a private right of action by, or a legal duty to, any party, and may not be used to impose liability on the public body if a sign has or has not been erected on its property. The state of Washington, including all of its agencies, subdivisions, employees, and agents, shall not be liable in tort for any violation of this section, notwithstanding any other provision of law.

(3) The public body may accept gifts or donations to pay for the creation, installation, or maintenance of signs under this section.

NEW SECTION. Sec. 12. A new section is added to chapter 43.34 RCW to read as follows:

Any memorial established on capitol campus to commemorate the global war on terror must recognize service members who died in Operation Iraqi Freedom, Operation Enduring Freedom, and Operation New Dawn, which are classified under the umbrella term global war on terror. Any such memorial must include a component designed to reflect on the great number of active duty service members and veterans who have died by suicide after serving in these wars. The design of such a memorial must serve to honor those who are lost and provide a sacred space for healing and reflection for veterans and military families.

NEW SECTION. Sec. 13. (1) The Washington state global war on terror memorial account is created in the custody of the state treasurer. The purpose of the account is to support the establishment and maintenance of the memorial. The secretary of state may solicit and accept moneys from gifts, grants, or endowments for this purpose. All receipts from federal funds, gifts, or grants from the private sector, foundations, or other sources must be deposited into the account. Expenditures from the account may be used only for the design, siting, permitting,

construction, maintenance, dedication, or creation of educational materials related to placement of this memorial on the capital campus. Only the secretary of state, or the secretary of state's designee, may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but appropriation is not required for expenditures.

(2) The secretary of state may adopt rules governing the receipt and use of these funds.

NEW SECTION. **Sec. 14.** Section 11 of this act takes effect July 1, 2024.

NEW SECTION. **Sec. 15.** Section 8 of this act takes effect October 1, 2022.

NEW SECTION. **Sec. 16.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2022, in the omnibus appropriations act, this act is null and void."

On page 1, line 2 of the title, after "members;" strike the remainder of the title and insert "adding new sections to chapter 43.60A RCW; adding a new section to chapter 18.130 RCW; adding a new section to chapter 43.70 RCW; adding a new section to chapter 46.18 RCW; adding a new section to chapter 74.04 RCW; adding a new section to chapter 9.41 RCW; adding a new section to chapter 39.04 RCW; adding a new section to chapter 43.34 RCW; creating new sections; providing effective dates; and providing an expiration date."

MESSAGE FROM THE SENATE

March 2, 2022

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1357 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that service and overseas voters have the right to vote for their elected officials. To effectuate this right, service and overseas voters must have access to the same ballot materials as voters present in the state with sufficient time to thoughtfully consider candidates and issues before casting a ballot. Accordingly, the legislature intends to ensure that voters' pamphlets are available to service and overseas voters at the same time as the ballot.

Sec. 2. RCW 29A.32.260 and 2011 c 10 s 30 are each amended to read as follows:

As soon as practicable before the primary, special election, or general election, the county auditor, or if applicable, the city clerk of a first-class or code city, as appropriate, shall mail the local voters' pamphlet to every

residence in each jurisdiction that has included information in the pamphlet. The county auditor or city clerk, as appropriate, may choose to mail the pamphlet to each registered voter in each jurisdiction that has included information in the pamphlet, if in his or her judgment, a more economical and effective distribution of the pamphlet would result. The county auditor shall either mail or send a printable electronic version of the state and local voters' pamphlets to any service or overseas voter registered in the jurisdiction who has requested them.

NEW SECTION. **Sec. 3.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2022, in the omnibus appropriations act, this act is null and void."

On page 1, line 2 of the title, after "voters;" strike the remainder of the title and insert "amending RCW 29A.32.260; and creating new sections."

NEW SECTION. **Sec. 2.** The repeal of the statutes listed in section 1 of this act does not affect any right accrued or established, or any liability or penalty incurred, under those statutes before their repeal.

NEW SECTION. **Sec. 3.** Unless real property subject to the provisions of chapter 65.12 RCW on the effective date of this section is previously withdrawn from the registry system by its owner in the manner provided by section 4 of this act, the real property shall cease to be subject to the provisions of chapter 65.12 RCW upon the effective date of this section.

NEW SECTION. **Sec. 4.** (1) By July 1, 2023, the owner of real property registered under the provisions of chapter 65.12 RCW on the effective date of this section shall surrender their duplicate certificate of title for the real property or their certified copy of the original certificate of title for the real property, as the case may be, to the registrar of titles for the county in which the real property is situated. If such duplicate certificate or certified copy has been lost, mislaid, or destroyed the owner of the real property shall make affidavit before the registrar of titles or any other officer authorized to administer oaths wherein the owner shall state, to the best of his or her knowledge, the circumstances of the loss, the description of the real property, the name and address of each registered owner, and each such owner's interest in the real property.

(2) Except as otherwise provided by subsection (3) of this section, the surrender of the duplicate certificate, certified copy, or the making of an affidavit under subsection (1) of this section shall be considered as a withdrawal of the real property therein described from the registry system in accordance with chapter 65.12 RCW.

(3) The registrar of titles for the county in which the real property is situated shall:

(a) Accept, without charging therefor, the surrender of such duplicate certificate of title, certified copy of the original certificate of title, or affidavit; and

(b) Issue, without charging therefor, a certificate of withdrawal for the real property as required by chapter 65.12 RCW; and

(c) Cause to be duly recorded in the office of the county auditor for the county, without charge, the certificate of withdrawal issued under (b) of this subsection and all instruments filed in the office of the registrar of titles that relate to outstanding interests in such real property and to outstanding liens, mortgages, and other charges upon such real property, referred to in or noted upon the original certificate of title to such real property on the date of the issuance of the certificate of withdrawal for such real property pursuant to (b) of this subsection.

NEW SECTION. Sec. 5. On July 1, 2023, the registrar of titles for the county shall cause the volumes of the register of titles for the county and the accompanying alphabetical indices and tract indices and other files and records in the office of the registrar of titles to be closed and placed in the permanent deed records of the county. At this time all properties remaining in registration are automatically withdrawn according to section 4(3) (b) and (c) of this act.

NEW SECTION. Sec. 6. (1) By December 1, 2022, the registrar of titles for each county shall send to each owner of real property situated in the county that is subject to the provisions of this act a written notice containing the following:

(a) A statement that the registry system has been discontinued by this act;

(b) A statement that such owner's real property will cease to be subject to registration under this act on July 1, 2023;

(c) A statement that such owner may withdraw, without charge, his or her real property from registration and the provisions of this act in the manner provided in section 4 of this act prior to such date;

(d) A statement that the validity and priority of lien interest or ownership is not affected by this process; and

(e) A statement that the registrar of titles for the county, upon completion of the required withdrawal procedures, shall cause the instruments described in section 4(3) of this act to be properly restored to the recording system without charge.

(2) The registrar of titles shall send the notice required by subsection (1) of this section to each such owner at the

most recent address indicated on the original certificate of title for the owner's real property contained in the volumes of the register of titles for the county.

NEW SECTION. Sec. 7. Sections 3 and 5 of this act take effect July 1, 2023."

MESSAGE FROM THE SENATE

February 25, 2022

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1703 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The ongoing modernization of the statewide 911 emergency communications system is essential to public safety. Implementing new technologies with the modernization to next generation 911 requires clarifying changes to update requirements and definitions currently in statute.

Sec. 2. RCW 38.52.010 and 2019 c 471 s 2 and 2019 c 207 s 1 are each reenacted and amended to read as follows:

As used in this chapter:

(1) "911 emergency communications system" means a public 911 communications system consisting of a network, database, and on-premises equipment that is accessed by dialing or accessing 911 and that enables reporting police, fire, medical, or other emergency situations to a public safety answering point. The system includes the capability to selectively route incoming 911 voice and data to the appropriate public safety answering point that operates in a defined 911 service area and the capability to automatically display the name, location, and telephone number of incoming 911 voice and data at the appropriate public safety answering point.

(2) "Automatic location identification" means information about a caller's location that is part of or associated with an enhanced or next generation 911 emergency communications system as defined in this section and RCW 82.14B.020 and intended for the purpose of display at a public safety answering point with incoming 911 voice or data, or both.

(3) "Automatic number identification" means a method for uniquely associating a communication device that has accessed 911 with the incoming 911 voice or data, or both, and intended for the purpose of display at a public safety answering point.

(4) "Baseline level of 911 service" means access to 911 dialing from all communication devices with service from a telecommunications provider within a county's jurisdiction so that incoming 911 voice and data communication is answered, received, and displayed on 911 equipment at a public safety answering point designated by the county.

(5) "Broadcaster" means a person or entity that holds a license issued by the federal communications commission under 47 C.F.R. Part 73, 74, 76, or 78.

~~((2))~~ (6)(a) "Catastrophic incident" means any natural or human-caused incident, including terrorism and enemy attack, that results in extraordinary levels of mass casualties, damage, or disruption severely affecting the

population, infrastructure, environment, economy, or government functions.

(b) "Catastrophic incident" does not include an event resulting from individuals exercising their rights, under the first amendment, of freedom of speech, and of the people to peaceably assemble.

~~((3))~~ (7) "Communication plan," as used in RCW 38.52.070, means a section in a local comprehensive emergency management plan that addresses emergency notification of life safety information.

~~((4))~~ (8) "Continuity of government planning" means the internal effort of all levels and branches of government to provide that the capability exists to continue essential functions and services following a catastrophic incident. These efforts include, but are not limited to, providing for: (a) Orderly succession and appropriate changes of leadership whether appointed or elected; (b) filling vacancies; (c) interoperability communications; and (d) processes and procedures to reconvene government following periods of disruption that may be caused by a catastrophic incident. Continuity of government planning is intended to preserve the constitutional and statutory authority of elected officials at the state and local level and provide for the continued performance of essential functions and services by each level and branch of government.

~~((5))~~ (9) "Continuity of operations planning" means the internal effort of an organization to provide that the capability exists to continue essential functions and services in response to a comprehensive array of potential emergencies or disasters.

~~((6))~~ (10) "Department" means the state military department.

~~((7))~~ (11) "Director" means the adjutant general.

~~((8))~~ (12) "Emergency management" or "comprehensive emergency management" means the preparation for and the carrying out of all emergency functions, other than functions for which the military forces are primarily responsible, to mitigate, prepare for, respond to, and recover from emergencies and disasters, and to aid victims suffering from injury or damage, resulting from disasters caused by all hazards, whether natural, technological,

or human caused, and to provide support for search and rescue operations for persons and property in distress. However, "emergency management" or "comprehensive emergency management" does not mean preparation for emergency evacuation or relocation of residents in anticipation of nuclear attack.

~~((9))~~ (13)(a) "Emergency or disaster" as used in all sections of this chapter except RCW 38.52.430 means an event or set of circumstances which: (i) Demands immediate action to preserve public health, protect life, protect public property, or to provide relief to any stricken community overtaken by such occurrences; or (ii) reaches such a dimension or degree of destructiveness as to warrant the governor proclaiming a state of emergency pursuant to RCW 43.06.010.

(b) "Emergency" as used in RCW 38.52.430 means an incident that requires a normal police, coroner, fire, rescue, emergency medical services, or utility response as a result of a violation of one of the statutes enumerated in RCW 38.52.430.

~~((10))~~ (14) "Emergency response" as used in RCW 38.52.430 means a public agency's use of emergency services during an emergency or disaster as defined in subsection ~~((9))~~ (13)(b) of this section.

~~((11))~~ (15) "Emergency services communication system" means a multicounty or countywide communications network, including an enhanced or next generation 911 emergency communications system, which provides rapid public access for coordinated dispatching of services, personnel, equipment, and facilities for police, fire, medical, or other emergency services.

(16) "Emergency services communications system data" includes voice or audio; multimedia, including pictures and video; text messages; telematics or telemetrics; or other information that is received or displayed, or both, at a public safety answering point in association with a 911 access.

(17) "Emergency worker" means any person who is registered with a local emergency management organization or the department and holds an identification card issued by the local emergency management director or the department for the purpose of engaging in authorized

emergency management activities or is an employee of the state of Washington or any political subdivision thereof who is called upon to perform emergency management activities.

~~((12))~~ (18) "Executive head" and "executive heads" means the county executive in those charter counties with an elective office of county executive, however designated, and, in the case of other counties, the county legislative authority. In the case of cities and towns, it means the mayor in those cities and towns with mayor-council or commission forms of government, where the mayor is directly elected, and it means the city manager in those cities and towns with council manager forms of government. Cities and towns may also designate an executive head for the purposes of this chapter by ordinance.

~~((13))~~ (19) "Expense of an emergency response" as used in RCW 38.52.430 means reasonable costs incurred by a public agency in reasonably making an appropriate emergency response to the incident, but shall only include those costs directly arising from the response to the particular incident. Reasonable costs shall include the costs of providing police, coroner, firefighting, rescue, emergency medical services, or utility response at the scene of the incident, as well as the salaries of the personnel responding to the incident.

~~((14))~~ (20) "First informer broadcaster" means an individual who:

(a) Is employed by, or acting pursuant to a contract under the direction of, a broadcaster; and

(b)(i) Maintains, including repairing or resupplying, transmitters, generators, or other essential equipment at a broadcast station or facility; or (ii) provides technical support services to broadcasters needed during a period of proclaimed emergency.

~~((15))~~ (21) "Incident command system" means: (a) An all-hazards, on-scene functional management system that establishes common standards in organization, terminology, and procedures; provides a means (unified command) for the establishment of a common set of incident objectives and strategies during multiagency/multijurisdiction operations while maintaining individual agency/jurisdiction authority, responsibility, and accountability; and

is a component of the national interagency incident management system; or (b) an equivalent and compatible all-hazards, on-scene functional management system.

~~((16))~~ (22) "Injury" as used in this chapter shall mean and include accidental injuries and/or occupational diseases arising out of emergency management activities.

~~((17))~~ (23) "Interconnected voice over internet protocol service provider" means a provider of interconnected voice over internet protocol service as defined by the federal communications commission in 47 C.F.R. Sec. 9.3 on January 1, 2009, or a subsequent date determined by the department.

(24) "Life safety information" means information provided to people during a response to a life-threatening emergency or disaster informing them of actions they can take to preserve their safety. Such information may include, but is not limited to, information regarding evacuation, sheltering, sheltering-in-place, facility lockdown, and where to obtain food and water.

~~((18))~~ (25) "Local director" means the director of a local organization of emergency management or emergency services.

~~((19))~~ (26) "Local organization for emergency services or management" means an organization created in accordance with the provisions of this chapter by state or local authority to perform local emergency management functions.

~~((20))~~ (27) "Next generation 911" means an internet protocol-based system comprised of managed emergency services internet protocol networks, functional elements (applications), and databases that replicate enhanced 911 features and functions as defined in RCW 82.14B.020(4) that provide additional capabilities designed to provide access to emergency services from all connected communications sources and provide multimedia data capabilities for public safety answering points.

(28) "Next generation 911 demarcation point" means the location and equipment that separates the next generation 911 network from:

(a) A telecommunications provider's network, known as the ingress next generation 911 demarcation point; and

(b) A public safety answering point, known as the egress next generation 911 demarcation point.

(29) "Next generation 911 emergency communications system" means a public communications system consisting of networks, databases, and public safety answering point 911 hardware, software, and technology that is accessed by the public in the state through 911. The system includes the capability to: Route incoming 911 voice and data to the appropriate public safety answering point that operates in a defined 911 service area; answer incoming 911 voice and data; and receive and display incoming 911 voice and data, including automatic location identification and automatic number identification, at a public safety answering point. "Next generation 911 emergency communications system" includes future modernizations to the 911 system.

(30) "Next generation 911 emergency services internet protocol network" means a managed internet protocol network used for 911 emergency services communications that is managed and maintained, including security and credentialing functions, by the state 911 coordination office to provide next generation 911 emergency communications from the ingress next generation 911 demarcation point to the egress next generation 911 demarcation point. It provides the internet protocol transport infrastructure upon which application platforms and core services are necessary for providing next generation 911 services. Next generation 911 emergency services internet protocol networks may be constructed from a mix of dedicated and shared facilities and may be interconnected at local, regional, state, federal, national, and international levels to form an internet protocol-based inter-network (network of networks).

(31) "Next generation 911 service" means public access to the next generation 911 emergency communications system and its capabilities by accessing 911 from communication devices to report police, fire, medical, or other emergency situations to a public safety answering point.

(32) "Political subdivision" means any county, city or town.

((21)) (33) "Public agency" means the state, and a city, county, municipal

corporation, district, town, or public authority located, in whole or in part, within this state which provides or may provide firefighting, police, ambulance, medical, or other emergency services.

((22)) (34) "Public safety answering point" means the public safety location that receives and answers 911 voice and data originating in a given area as designated by the county. Public safety answering points must be equipped with 911 hardware, software, and technology that is accessed through 911 and is capable of answering incoming 911 calls and receiving and displaying incoming 911 data.

(a) "Primary public safety answering point" means a public safety answering point, as designated by the county, to which 911 calls and data originating in a given area and entering the next generation 911 network are initially routed for answering.

(b) "Secondary public safety answering point" means a public safety answering point, as designated by the county, that only receives 911 voice and data that has been transferred by other public safety answering points.

(35) "Radio communications service company" (~~has the meaning ascribed to it in RCW 82.14B.020~~) means every corporation, company, association, joint stock, partnership, and person, their lessees, trustees, or receivers appointed by any court, and every city or town making available facilities to provide commercial mobile radio services, as defined by 47 U.S.C. Sec. 332(d)(1), or cellular communications services for hire, sale, and both facilities-based and nonfacilities-based resellers, and does not include radio paging providers.

((23)) (36) "Search and rescue" means the acts of searching for, rescuing, or recovering by means of ground, marine, or air activity any person who becomes lost, injured, or is killed while outdoors or as a result of a natural, technological, or human caused disaster, including instances involving searches for downed aircraft when ground personnel are used. Nothing in this section shall affect appropriate activity by the department of transportation under chapter 47.68 RCW.

(37) "Telecommunications provider" means a telecommunications company as defined in RCW 80.04.010, a radio

communications service company as defined in RCW 38.52.010, a commercial mobile radio service provider as defined in 47 C.F.R. Sec. 20.3, providers of interconnected voice over internet protocol service as defined in RCW 38.52.010, and providers of data services.

(38) "Washington state patrol public safety answering points" means those designated as primary or secondary public safety answering points by the counties in which they provide service.

Sec. 3. RCW 38.52.030 and 2019 c 471 s 3 are each amended to read as follows:

(1) The director may employ such personnel and may make such expenditures within the appropriation therefor, or from other funds made available for purposes of emergency management, as may be necessary to carry out the purposes of this chapter.

(2) The director, subject to the direction and control of the governor, shall be responsible to the governor for carrying out the program for emergency management of this state. The director shall coordinate the activities of all organizations for emergency management within the state, and shall maintain liaison with and cooperate with emergency management agencies and organizations of other states and of the federal government, and shall have such additional authority, duties, and responsibilities authorized by this chapter, as may be prescribed by the governor.

(3) The director shall develop and maintain a comprehensive, all-hazard emergency plan for the state which shall include an analysis of the natural, technological, or human caused hazards which could affect the state of Washington, and shall include the procedures to be used during emergencies for coordinating local resources, as necessary, and the resources of all state agencies, departments, commissions, and boards. The comprehensive emergency management plan shall direct the department in times of state emergency to administer and manage the state's emergency operations center. This will include representation from all appropriate state agencies and be available as a single point of contact for the authorizing of state resources or actions, including emergency permits. The comprehensive emergency management

plan must specify the use of the incident command system for multiagency/multijurisdiction operations. The comprehensive, all-hazard emergency plan authorized under this subsection may not include preparation for emergency evacuation or relocation of residents in anticipation of nuclear attack. This plan shall be known as the comprehensive emergency management plan.

(4) In accordance with the comprehensive emergency management plans and the programs for the emergency management of this state, the director shall procure supplies and equipment, institute training programs and public information programs, and shall take all other preparatory steps, including the partial or full mobilization of emergency management organizations in advance of actual disaster, to insure the furnishing of adequately trained and equipped forces of emergency management personnel in time of need.

(5) The director shall make such studies and surveys of the industries, resources, and facilities in this state as may be necessary to ascertain the capabilities of the state for emergency management, and shall plan for the most efficient emergency use thereof.

(6) The emergency management council shall advise the director on all aspects of the communications and warning systems and facilities operated or controlled under the provisions of this chapter.

(7) The director, through the state (~~enhanced~~) 911 coordinator, shall coordinate and facilitate implementation and operation of a statewide (~~enhanced~~) 911 emergency communications network.

(8) The director shall appoint a state coordinator of search and rescue operations to coordinate those state resources, services and facilities (other than those for which the state director of aeronautics is directly responsible) requested by political subdivisions in support of search and rescue operations, and on request to maintain liaison with and coordinate the resources, services, and facilities of political subdivisions when more than one political subdivision is engaged in joint search and rescue operations.

(9) The director, subject to the direction and control of the governor, shall prepare and administer a state program for emergency assistance to

individuals within the state who are victims of a natural, technological, or human caused disaster, as defined by RCW 38.52.010(~~(+6)~~) (13). Such program may be integrated into and coordinated with disaster assistance plans and programs of the federal government which provide to the state, or through the state to any political subdivision thereof, services, equipment, supplies, materials, or funds by way of gift, grant, or loan for purposes of assistance to individuals affected by a disaster. Further, such program may include, but shall not be limited to, grants, loans, or gifts of services, equipment, supplies, materials, or funds of the state, or any political subdivision thereof, to individuals who, as a result of a disaster, are in need of assistance and who meet standards of eligibility for disaster assistance established by the department of social and health services: PROVIDED, HOWEVER, That nothing herein shall be construed in any manner inconsistent with the provisions of Article VIII, section 5 or section 7 of the Washington state Constitution.

(10) The director shall appoint a state coordinator for radioactive and hazardous waste emergency response programs. The coordinator shall consult with the state radiation control officer in matters relating to radioactive materials. The duties of the state coordinator for radioactive and hazardous waste emergency response programs shall include:

(a) Assessing the current needs and capabilities of state and local radioactive and hazardous waste emergency response teams on an ongoing basis;

(b) Coordinating training programs for state and local officials for the purpose of updating skills relating to emergency mitigation, preparedness, response, and recovery;

(c) Utilizing appropriate training programs such as those offered by the federal emergency management agency, the department of transportation and the environmental protection agency; and

(d) Undertaking other duties in this area that are deemed appropriate by the director.

(11) The director is responsible to the governor to lead the development and management of a program for interagency coordination and prioritization of

continuity of operations planning by state agencies. Each state agency is responsible for developing an organizational continuity of operations plan that is updated and exercised annually in compliance with the program for interagency coordination of continuity of operations planning.

(12) The director shall maintain a copy of the continuity of operations plan for election operations for each county that has a plan available.

(13) Subject to the availability of amounts appropriated for this specific purpose, the director is responsible to the governor to lead the development and management of a program to provide information and education to state and local government officials regarding catastrophic incidents and continuity of government planning to assist with statewide development of continuity of government plans by all levels and branches of state and local government that address how essential government functions and services will continue to be provided following a catastrophic incident.

Sec. 4. RCW 38.52.440 and 2017 c 295 s 3 are each amended to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the director, through the state (~~enhanced~~) 911 coordinator, and in collaboration with the department of health, the department of social and health services, the Washington state patrol, the Washington association of sheriffs and police chiefs, the Washington council of police and sheriffs, the state fire marshal's office, a representative of a first responder organization with experience in addressing the needs of a person with a disability, and other individuals and entities at the discretion of the director, must assess, and report back to the appropriate committees of the legislature by December 1, 2018, regarding:

(a) The resources, capabilities, techniques, protocols, and procedures available or required in order to include as part of the enhanced 911 emergency service the ability to allow an immediate display on the screen indicating that a person with a disability may be present at the scene of an emergency, the caller's identification, location, phone number, address, and if made available,

additional information on the person with a disability that would assist the first responder in the emergency response;

(b) How best to acquire, implement, and safeguard a secure website and the information in the system provided by a person with a disability, or a parent, guardian, or caretaker of a person with a disability in order to make such information directly available to first responders at the scene of an emergency or on the way to the scene of an emergency;

(c) What information provided by a person must remain confidential under state or federal law, or otherwise should remain confidential without written permission to release it for purposes of chapter 295, Laws of 2017 or the information is otherwise releasable or available under other provisions of law; and

(d) The need to provide various agencies and employees that are first responders and emergency personnel immunity from civil liability for acts or omissions in the performance of their duties, and what standard should apply, such as if the act or omission is the result of simple negligence, gross negligence, or willful misconduct.

(2) For purposes of this section:

(a) Both "accident" and "emergency" mean an unforeseen combination of circumstances or a resulting situation that results in a need for assistance or relief and calls for immediate action; and

(b) "Person with a disability" means an individual who has been diagnosed medically to have a physical, mental, emotional, intellectual, behavioral, developmental, or sensory disability.

Sec. 5. RCW 38.52.500 and 1991 c 54 s 1 are each amended to read as follows:

The legislature finds that a statewide emergency communications network of ~~((enhanced))~~ 911 telephone service, which allows an immediate display of a caller's identification and location, would serve to further the safety, health, and welfare of the state's citizens, and would save lives. The legislature, after reviewing the study outlined in section 1, chapter 260, Laws of 1990, further finds that statewide implementation of ~~((enhanced))~~ 911

telephone service is feasible and should be accomplished as soon as practicable.

Sec. 6. RCW 38.52.501 and 2002 c 341 s 1 are each amended to read as follows:

The legislature finds that statewide ~~((enhanced))~~ 911 emergency communications service has proven to be a lifesaving service and that routing a 911 call to the appropriate public safety answering point with a display of the caller's identification and location should be available for all users of telecommunications services, regardless of the technology used to make and transmit the 911 call. The legislature also finds that it is in the best public interest to ensure that there is adequate ongoing funding to support ~~((enhanced 911 service))~~ necessary 911 system upgrades as technology evolves to next generation 911 technology and beyond for 911 emergency communications baseline service statewide that supports emerging communications devices.

Sec. 7. RCW 38.52.505 and 1999 c 24 s 2 are each amended to read as follows:

The adjutant general shall establish rules on minimum information requirements of automatic location identification for the purposes of ~~((enhanced))~~ 911 emergency service. Such rules shall permit the chief of a local fire department or a chief fire protection officer or such other person as may be designated by the governing body of a city or county to take into consideration local circumstances when approving the accuracy of location information generated when calls are made to 911 from facilities within his or her service area.

Sec. 8. RCW 38.52.510 and 2010 1st sp.s. c 19 s 14 are each amended to read as follows:

(1) Each county, singly or in combination with one or more ~~((adjacent))~~ counties, must ~~((implement))~~ provide or participate in countywide or multicounty-wide ~~((enhanced))~~ 911 emergency communications systems so that ~~((enhanced))~~ 911 is available throughout the state. The county must provide funding for the ~~((enhanced))~~ 911 communications system in the county in an amount equal to the amount the maximum tax under RCW 82.14B.030(1) would generate in the county less any applicable administrative fee charged by the department of revenue or the amount necessary to provide full funding of the

system in the county. The state ~~((enhanced))~~ 911 coordination office established by RCW 38.52.520 must assist and facilitate ~~((enhanced))~~ 911 implementation throughout the state.

(2) A county may request a Washington state patrol public safety answering point to become a primary public safety answering point and receive 911 calls from a specific geographical area and may cancel that designation at any time.

Sec. 9. RCW 38.52.520 and 2010 1st sp.s. c 19 s 15 are each amended to read as follows:

A state ~~((enhanced))~~ 911 coordination office, headed by the state ~~((enhanced))~~ 911 coordinator, is established in the emergency management division of the department. Duties of the office include:

(1) ~~((Coordinating and facilitating the implementation and operation of enhanced 911 emergency communications systems throughout the state))~~ Administering the 911 account established in RCW 38.52.540;

(2) Seeking advice and assistance from, and providing staff support for~~((τ))~~ the enhanced 911 advisory committee;

(3) Providing and supporting 911 emergency communications systems, which may include procurement, funding, ownership, and management;

(4) Assisting the counties and Washington state patrol public safety answering points by distributing state 911 emergency communications system funding within the priorities identified in RCW 38.52.545. When designated as a primary public safety answering point by the county, the state 911 coordination office may provide funding for Washington state patrol public safety answering point 911 emergency communications systems;

(5) Develop forms, submission dates, and methods as necessary for all public safety answering points to submit reports;

(6) Recommending to the utilities and transportation commission by August 31st of each year the level of the state ~~((enhanced))~~ 911 emergency communications system excise tax established in RCW 82.14B.030(5) for the following year;

~~((4) Considering base needs of individual counties for specific assistance, specify rules defining the purposes for which available state enhanced 911 funding may be expended, with the advice and assistance of the enhanced 911 advisory committee; and~~

~~((5) Providing an annual update to the enhanced))~~ (7) Establishing rules that:

(a) Determine eligible components of the 911 emergency communications system, its administration, and operation that the state and county 911 excise taxes, under RCW 82.14B.030, may be used to fund;

(b) Determine how appropriated funds from the state 911 account shall be distributed, considering the baseline level of 911 emergency communications system service needs of individual counties and county-designated Washington state patrol primary public safety answering points for specific assistance; and

(c) Specify statewide 911 emergency communications system and service standards, consistent with applicable state and federal law. The authority given to the state 911 coordinator in this section is limited to setting standards as set forth in this section and does not constitute authority to regulate radio communications service companies or interconnected voice over internet protocol service companies; and

(8) Annually providing a complete report to the 911 advisory committee on ~~((how much money each county has spent on))~~:

(a) Efforts to modernize their existing enhanced 911 emergency communications system; ~~((and~~

~~((b) Enhanced 911 operational costs))~~
(b) All public safety answering points expenditures for administrative and operational costs and expenses of the 911 emergency communications system; and

(c) Any additional data that may be identified by the 911 advisory committee.

Sec. 10. RCW 38.52.525 and 1995 c 243 s 9 are each amended to read as follows:

The state ~~((enhanced))~~ 911 coordination office may develop and ~~((implement))~~ provide public education materials ~~((regarding the capability of specific equipment used as part of a private telecommunications system or in~~

~~the provision of private shared telecommunications services to forward automatic location identification and automatic number identification) relating to the 911 emergency communications system.~~

NEW SECTION. Sec. 11. A new section is added to chapter 38.52 RCW to read as follows:

The 911 advisory committee is created to advise and assist the state 911 coordinator in coordinating and facilitating the implementation and operation of 911 throughout the state. The director shall appoint:

(1) County 911 representatives from diverse urban and rural geographical counties;

(2) The statewide 988 coordinator or designee identified by the office of the governor;

(3) Those who represent diverse geographical areas of the state and include state residents who are members of the national emergency number association, the association of public communications officials Washington chapter, the Washington state fire chiefs association, the Washington association of sheriffs and police chiefs, the Washington state council of firefighters, the Washington state council of police officers, the Washington ambulance association, the Washington state firefighters association, the Washington state association of fire marshals, the Washington fire commissioners association, the Washington state patrol, the association of Washington cities, and the Washington state association of counties;

(4) The utilities and transportation commission or commission staff;

(5) A representative of a voice over internet protocol company;

(6) An equal number of representatives of large and small local exchange telephone companies and large and small radio communications service companies offering commercial mobile radio service in the state;

(7) A representative of the Washington state department of health; and

(8) Other members identified and appointed by the director.

Sec. 12. RCW 38.52.532 and 2010 1st sp.s. c 19 s 17 are each amended to read as follows:

~~((On an annual basis))~~ (1) Annually, the ((enhanced)) 911 advisory committee must provide an update on the status of ((enhanced)) 911 service in the state to the appropriate committees in the legislature. The update must include progress by the state 911 coordination office and the counties towards ((creating greater efficiencies in enhanced)) continual growth and maintenance of a 911 emergency communications system with greater efficiencies in 911 operations including, but not limited to, regionalization of facilities, centralization of equipment, ((and)) statewide purchasing, strategic plan performance, and fiscal health of the 911 emergency communications system.

(2) To assist with modernization of the 911 emergency communications system, all counties operating public safety answering points in Washington state, with the exception of tribal nations, must assist the 911 advisory committee to update the legislature annually within the requirements of RCW 38.52.520(8) by providing annual public safety answering point expenditure reports and additional information as necessary requested by the state 911 coordinator's office.

(3) To assist with modernization of the 911 emergency communications system, public safety answering points providing service in multiple counties shall report to the county where they are physically located. Public safety answering points providing services outside of Washington state borders shall limit reporting to those areas within the boundaries of Washington state. Counties receiving services from a public safety answering point outside of Washington state must report the cost of services into their county.

Sec. 13. RCW 38.52.535 and 1998 c 245 s 32 are each amended to read as follows:

The state ((enhanced)) 911 coordination office and the ((enhanced)) 911 advisory committee may participate in efforts to set uniform national standards for ~~((automatic number identification and automatic location identification data transmission for private telecommunications systems and private shared telecommunications services))~~ the 911 emergency communications system.

Sec. 14. RCW 38.52.540 and 2015 3rd sp.s. c 4 s 949 are each amended to read as follows:

(1) The ~~((enhanced))~~ 911 account is created in the state treasury. All receipts from the state ~~((enhanced))~~ 911 excise taxes imposed by RCW 82.14B.030 must be deposited into the account. Moneys in the account must be used ~~((only))~~ to support the priorities established in RCW 38.52.545, procure, fund, and manage the statewide 911 emergency communications system network, purchase goods and services that support the counties and Washington state patrol public safety answering points in providing 911 baseline level of service statewide, assist the counties and Washington state patrol public safety answering points to provide 911 emergency communications systems and associated administrative and operational costs, acquire 911 hardware, software, and technology appropriate to support a 911 emergency communications system, 911 emergency communications training and public education, support the statewide coordination and management of the ((enhanced)) 911 emergency communications system, ((for the implementation of wireless enhanced 911 statewide,)) and for ((the)) modernization needs as technology evolves of ((enhanced)) the 911 emergency communications systems statewide((, and to help supplement, within available funds, the operational costs of the system, including adequate funding of counties to enable implementation of wireless enhanced 911 service and reimbursement of radio communications service companies for costs incurred in providing wireless enhanced 911 service pursuant to negotiated contracts between the counties or their agents and the radio communications service companies. For the 2013 2015 and the 2015 2017 fiscal biennia, the account may be used for a criminal history system upgrade in the Washington state patrol and for activities and programs in the military department. A county must show just cause, including but not limited to a true and accurate accounting of the funds expended, for any inability to provide reimbursement to radio communications service companies of costs incurred in providing enhanced 911 service)).

(2) Funds generated by the ~~((enhanced))~~ 911 excise tax imposed by RCW 82.14B.030(5), (6), and (8) may not be distributed to any county that has not

imposed the maximum county ~~((enhanced))~~ 911 excise tax allowed under RCW 82.14B.030(1) through (3). ~~((Funds generated by the enhanced 911 excise tax imposed by RCW 82.14B.030(6) may not be distributed to any county that has not imposed the maximum county enhanced 911 excise tax allowed under RCW 82.14B.030(2).))~~

(3) The state ~~((enhanced))~~ 911 coordinator, with the advice and assistance of the ~~((enhanced))~~ 911 advisory committee, is authorized to enter into statewide agreements to improve the efficiency of ~~((enhanced))~~ the 911 ~~((services for all counties))~~ emergency communications system and shall specify by rule the additional purposes for which moneys, if available, may be expended from this account.

Sec. 15. RCW 38.52.545 and 2010 1st sp.s. c 19 s 19 are each amended to read as follows:

In specifying rules defining the purposes for which available state ~~((enhanced))~~ 911 moneys may be expended, the state ~~((enhanced))~~ 911 coordinator, with the advice and assistance of the ~~((enhanced))~~ 911 advisory committee, must consider ~~((base))~~ needs ~~((of individual counties for specific assistance))~~ necessary to provide a baseline level of 911 service by individual counties and their designated Washington state patrol public safety answering points. Priorities for available ((enhanced)) 911 emergency communications system funding are as follows:

(1) To procure, fund, and manage the statewide 911 network and supporting services, and assure that 911 dialing is operational statewide;

(2) To assist counties and Washington state patrol public safety answering points to provide 911 emergency communications systems and associated administrative and operational costs as necessary to assure that they can achieve a ((basic service)) baseline level of service for 911 operations; and

(3) To assist counties ((as practicable to acquire items of a capital nature appropriate to modernize 911 systems and increase 911 effectiveness)) and their designated Washington state patrol public safety answering points to acquire 911 hardware, software, and technology to support a 911 emergency

communications system baseline level of service.

Sec. 16. RCW 38.52.550 and 2010 1st sp.s. c 19 s 20 are each amended to read as follows:

A telecommunications company, radio communications service company, or interconnected voice over internet protocol service company, providing emergency communications systems or services or a business or individual providing database information to ~~((enhanced))~~ 911 emergency communications personnel is not liable for civil damages caused by an act or omission of the company, business, or individual, the state, political subdivisions and any 911 public corporations in the:

(1) Good faith release of information not in the public record, including unpublished or unlisted subscriber information to emergency service providers responding to calls placed to an ~~((enhanced))~~ 911 emergency communications service; or

(2) Design, development, installation, maintenance, or provision of consolidated ~~((enhanced))~~ 911 emergency communications systems or services other than an act or omission constituting gross negligence or wanton or willful misconduct.

Sec. 17. RCW 38.52.561 and 2010 1st sp.s. c 19 s 21 are each amended to read as follows:

The state ~~((enhanced))~~ 911 coordinator, with the advice and assistance of the ~~((enhanced))~~ 911 advisory committee, must set nondiscriminatory, uniform technical and operational standards consistent with the rules of the federal communications commission for the transmission of 911 calls from radio communications service companies and interconnected voice over internet protocol service companies to ~~((enhanced))~~ 911 emergency communications systems. These standards must be modernized to align with national standards adopted by the state of Washington in rule making and not exceed the requirements set by the federal communications commission. The authority given to the state ~~((enhanced))~~ 911 coordinator in this section is limited to setting standards as set forth in this section and does not constitute authority to regulate radio communications service

companies or interconnected voice over internet protocol service companies.

Sec. 18. RCW 38.52.575 and 2015 c 224 s 6 are each amended to read as follows:

(1) Information contained in an automatic number identification or automatic location identification database that is part of a county ~~((enhanced))~~ 911 emergency communications system as defined in RCW 82.14B.020 and intended for display at a public safety answering point with incoming 911 voice or data is exempt from public inspection and copying under chapter 42.56 RCW.

(2) Information voluntarily submitted to be contained in a database that is part of or associated with a county ~~((enhanced))~~ 911 emergency communications system as defined in RCW 82.14B.020 and intended for the purpose of display at a public safety answering point with incoming 911 voice or data is exempt from public inspection and copying under chapter 42.56 RCW.

(3) This section shall not be interpreted to prohibit:

(a) Display of information at a public safety answering point;

(b) Dissemination of information by the public safety answering point to police, fire, or emergency medical responders for display on a device used by police, fire, or emergency medical responders for the purpose of handling or responding to emergency calls or for training;

(c) Maintenance of the database by a county;

(d) Dissemination of information by a county to local agency personnel for inclusion in an emergency notification system that makes outgoing calls to telephone numbers to provide notification of a community emergency event;

(e) Inspection or copying by the subject of the information or an authorized representative; or

(f) The public disclosure of information prepared, retained, disseminated, transmitted, or recorded, for the purpose of handling or responding to emergency calls, unless disclosure of any such information is otherwise exempted under chapter 42.56 RCW or other law.

Sec. 19. RCW 82.14B.010 and 2010 1st sp.s. c 19 s 1 are each amended to read as follows:

The legislature finds that the state and counties should be provided with an additional revenue source to fund ~~((enhanced))~~ 911 emergency communications systems throughout the state on a multicounty or countywide basis. The legislature further finds that the most efficient and appropriate method of deriving additional revenue for this purpose is to impose an excise tax on the use of switched access lines, radio access lines, and interconnected voice over internet protocol service lines.

Sec. 20. RCW 82.14B.020 and 2013 2nd sp.s. c 8 s 102 are each amended to read as follows:

As used in this chapter:

(1) "911 emergency communications system" means a public 911 communications system consisting of a network, database, and on-premises equipment that is accessed by dialing or accessing 911 and that enables reporting police, fire, medical, or other emergency situations to a public safety answering point. The system includes the capability to selectively route incoming 911 voice and data to the appropriate public safety answering point that operates in a defined 911 service area and the capability to automatically display the name, address, and telephone number of incoming 911 voice and data at the appropriate public safety answering point.

(2) "Consumer" means a person who purchases a prepaid wireless telecommunications service in a retail transaction.

~~((2))~~ (3) "Emergency services communication system" means a multicounty or countywide communications network, including an enhanced or next generation 911 emergency communications system, which provides rapid public access for coordinated dispatching of services, personnel, equipment, and facilities for police, fire, medical, or other emergency services.

~~((3))~~ (4) "Enhanced 911 emergency communications system" means a public communications system consisting of a network, database, and on-premises equipment that is accessed by dialing or accessing 911 and that enables reporting police, fire, medical, or other emergency

situations to a public safety answering point. The system includes the capability to selectively route incoming 911 voice or data to the appropriate public safety answering point that operates in a defined 911 service area and the capability to automatically display the name, address, and telephone number of incoming 911 voice or data at the appropriate public safety answering point. "Enhanced 911 emergency communications system" includes the modernization to next generation 911 systems.

~~((4))~~ (5) "Interconnected voice over internet protocol service" has the same meaning as provided by the federal communications commission in 47 C.F.R. Sec. 9.3 on January 1, 2009, or a subsequent date determined by the department.

~~((5))~~ (6) "Interconnected voice over internet protocol service line" means an interconnected voice over internet protocol service that offers an active telephone number or successor dialing protocol assigned by a voice over internet protocol provider to a voice over internet protocol service customer that has inbound and outbound calling capability, which can directly access a public safety answering point when such a voice over internet protocol service customer has a place of primary use in the state.

~~((6))~~ (7) "Local exchange company" has the meaning ascribed to it in RCW 80.04.010.

~~((7))~~ (8) "Next generation 911 emergency communications system" means a public communications system consisting of networks, databases, and public safety answering point 911 hardware, software, and technology that is accessed by the public in the state through 911. The system includes the capability to: Route incoming 911 voice and data to the appropriate public safety answering point that operates in a defined 911 service area; answer incoming 911 voice and data; and receive and display incoming 911 voice and data, including automatic location identification and automatic number identification, at a public safety answering point. "Next Generation 911 emergency communications system" includes future modernizations to the 911 system.

(9) "Place of primary use" means the street address representative of where

the subscriber's use of the radio access line or interconnected voice over internet protocol service line occurs, which must be:

(a) The residential street address or primary business street address of the subscriber; and

(b) In the case of radio access lines, within the licensed service area of the home service provider.

~~((8))~~ (10) "Prepaid wireless telecommunications service" means a telecommunications service that provides the right to use mobile wireless service as well as other nontelecommunications services including the download of digital products delivered electronically, content, and ancillary services, which must be paid for in full in advance and sold in predetermined units or dollars of which the number declines with use in a known amount.

~~((9))~~ (11) "Private telecommunications system" has the meaning ascribed to it in RCW 80.04.010.

~~((10))~~ (12) "Radio access line" means the telephone number assigned to or used by a subscriber for two-way local wireless voice service available to the public for hire from a radio communications service company. Radio access lines include, but are not limited to, radio-telephone communications lines used in cellular telephone service, personal communications services, and network radio access lines, or their functional and competitive equivalent. Radio access lines do not include lines that provide access to one-way signaling service, such as paging service, or to communications channels suitable only for data transmission, or to nonlocal radio access line service, such as wireless roaming service, or to a private telecommunications system.

~~((11))~~ (13) "Radio communications service company" ~~((has the meaning ascribed to it in RCW 80.04.010, except that it does not include radio paging providers. It does include those persons or entities that provide commercial mobile radio services, as defined by 47 U.S.C. Sec. 332(d)(1), and both facilities based and nonfacilities based resellers))~~ means every corporation, company, association, joint stock, partnership, and person, their lessees, trustees, or receivers appointed by any court, and every city or town making available facilities to provide

commercial mobile radio services, as defined by 47 U.S.C. Sec. 332(d)(1), or cellular communications services for hire, sale, and both facilities-based and nonfacilities-based resellers, and does not include radio paging providers.

~~((12))~~ (14) "Retail transaction" means the purchase of prepaid wireless telecommunications service from a seller for any purpose other than resale.

~~((13))~~ (15) "Seller" means a person who sells prepaid wireless telecommunications service to another person.

~~((14))~~ (16) "Subscriber" means the retail purchaser of telecommunications service, a competitive telephone service, or interconnected voice over internet protocol service. "Subscriber" does not include a consumer, as defined in this section.

~~((15))~~ (17) "Switched access line" means the telephone service line which connects a subscriber's main telephone(s) or equivalent main telephone(s) to the local exchange company's switching office.

Sec. 21. RCW 82.14B.030 and 2013 2nd sp.s. c 8 s 105 are each amended to read as follows:

Subject to the enactment into law of the 2013 amendments to RCW 82.08.0289 in section 107, chapter 8, Laws of 2013 2nd sp. sess., the 2013 amendments to RCW 80.36.430 in section 108, chapter 8, Laws of 2013 2nd sp. sess., and the 2013 amendments to RCW 43.20A.725 in section 109, chapter 8, Laws of 2013 2nd sp. sess.:

(1) The legislative authority of a county may impose a county ~~((enhanced))~~ 911 excise tax on the use of switched access lines in an amount not exceeding seventy cents per month for each switched access line. The amount of tax must be uniform for each switched access line. Each county must provide notice of the tax to all local exchange companies serving in the county at least sixty days in advance of the date on which the first payment is due. The tax imposed under this subsection must be remitted to the department by local exchange companies on a tax return provided by the department. The tax must be deposited in the county ~~((enhanced))~~ 911 excise tax account as provided in RCW 82.14B.063.

(2)(a) The legislative authority of a county may also impose a county ((enhanced)) 911 excise tax on the use of radio access lines:

(i) By subscribers whose place of primary use is located within the county in an amount not exceeding seventy cents per month for each radio access line. The amount of tax must be uniform for each radio access line under this subsection (2)(a)(i); and

(ii) By consumers whose retail transaction occurs within the county in an amount not exceeding seventy cents per retail transaction. The amount of tax must be uniform for each retail transaction under this subsection (2)(a)(ii).

(b) The county must provide notice of the tax to all radio communications service companies serving in the county at least sixty days in advance of the date on which the first payment is due. The tax imposed under this section must be remitted to the department by radio communications service companies, including those companies that resell radio access lines, and sellers of prepaid wireless telecommunications services, on a tax return provided by the department. The tax must be deposited in the county ((enhanced)) 911 excise tax account as provided in RCW 82.14B.063.

(3)(a) The legislative authority of a county may impose a county ((enhanced)) 911 excise tax on the use of interconnected voice over internet protocol service lines in an amount not exceeding seventy cents per month for each interconnected voice over internet protocol service line. The amount of tax must be uniform for each line and must be levied on no more than the number of voice over internet protocol service lines on an account that are capable of simultaneous unrestricted outward calling to the public switched telephone network.

(b) The interconnected voice over internet protocol service company must use the place of primary use of the subscriber to determine which county's ((enhanced)) 911 excise tax applies to the service provided to the subscriber.

(c) The tax imposed under this section must be remitted to the department by interconnected voice over internet protocol service companies on a tax return provided by the department.

(d) The tax must be deposited in the county ((enhanced)) 911 excise tax account as provided in RCW 82.14B.063.

(e) To the extent that a local exchange carrier and an interconnected voice over internet protocol service company contractually jointly provide a single service line, only one service company is responsible for remitting the ((enhanced)) 911 excise taxes, and nothing in this section precludes service companies who jointly provide service from agreeing by contract which of them must remit the taxes collected.

(4) Counties imposing a county ((enhanced)) 911 excise tax must provide an annual update to the ((enhanced)) 911 coordinator detailing the proportion of their county ((enhanced)) 911 excise tax that is being spent on:

(a) Efforts to modernize their existing ((enhanced)) 911 communications system; and

(b) ((Enhanced)) 911 operational costs.

(5) A state ((enhanced)) 911 excise tax is imposed on all switched access lines in the state. The amount of tax may not exceed twenty-five cents per month for each switched access line. The tax must be uniform for each switched access line. The tax imposed under this subsection must be remitted to the department by local exchange companies on a tax return provided by the department. Tax proceeds must be deposited by the treasurer in the ((enhanced)) 911 account created in RCW 38.52.540.

(6)(a) A state ((enhanced)) 911 excise tax is imposed on the use of all radio access lines:

(i) By subscribers whose place of primary use is located within the state in an amount of twenty-five cents per month for each radio access line. The tax must be uniform for each radio access line under this subsection (6)(a)(i); and

(ii) By consumers whose retail transaction occurs within the state in an amount of twenty-five cents per retail transaction. The tax must be uniform for each retail transaction under this subsection (6)(a)(ii). Until July 1, 2018, a seller of prepaid wireless telecommunications service may charge an additional five cents per retail transaction as compensation for the cost of collecting and remitting the tax.

(b) The tax imposed under this section must be remitted to the department by radio communications service companies, including those companies that resell radio access lines, and sellers of prepaid wireless telecommunications service, on a tax return provided by the department. Tax proceeds must be deposited by the treasurer in the ((enhanced)) 911 account created in RCW 38.52.540. The tax imposed under this section is not subject to the state sales and use tax or any local tax.

(7) For purposes of the state and county ((enhanced)) 911 excise taxes imposed by subsections (2) and (6) of this section, the retail transaction is deemed to occur at the location where the transaction is sourced to under RCW 82.32.520(3)(c).

(8) A state ((enhanced)) 911 excise tax is imposed on all interconnected voice over internet protocol service lines in the state. The amount of tax may not exceed twenty-five cents per month for each interconnected voice over internet protocol service line whose place of primary use is located in the state. The amount of tax must be uniform for each line and must be levied on no more than the number of voice over internet protocol service lines on an account that are capable of simultaneous unrestricted outward calling to the public switched telephone network. The tax imposed under this subsection must be remitted to the department by interconnected voice over internet protocol service companies on a tax return provided by the department. Tax proceeds must be deposited by the treasurer in the ((enhanced)) 911 account created in RCW 38.52.540.

(9) For calendar year 2011, the taxes imposed by subsections (5) and (8) of this section must be set at their maximum rate. By August 31, 2011, and by August 31st of each year thereafter, the state ((enhanced)) 911 coordinator must recommend the level for the next year of the state ((enhanced)) 911 excise tax imposed by subsections (5) and (8) of this section, based on a systematic cost and revenue analysis, to the utilities and transportation commission. The commission must by the following October 31st determine the level of the state ((enhanced)) 911 excise taxes imposed by subsections (5) and (8) of this section for the following year.

Sec. 22. RCW 82.14B.040 and 2013 2nd sp.s. c 8 s 103 are each amended to read as follows:

Subject to the enactment into law of the 2013 amendments to RCW 82.08.0289 in section 107, chapter 8, Laws of 2013 2nd sp. sess., the 2013 amendments to RCW 80.36.430 in section 108, chapter 8, Laws of 2013 2nd sp. sess., and the 2013 amendments to RCW 43.20A.725 in section 109, chapter 8, Laws of 2013 2nd sp. sess.:

(1) Except as provided otherwise in subsection (2) of this section:

(a) The state ((enhanced)) 911 excise tax and the county ((enhanced)) 911 excise tax on switched access lines must be collected from the subscriber by the local exchange company providing the switched access line.

(b) The state ((enhanced)) 911 excise tax and the county ((enhanced)) 911 excise tax on radio access lines must be collected from the subscriber by the radio communications service company, including those companies that resell radio access lines, providing the radio access line to the subscriber, and the seller of prepaid wireless telecommunications service.

(c) The state and county ((enhanced)) 911 excise taxes on interconnected voice over internet protocol service lines must be collected from the subscriber by the interconnected voice over internet protocol service company providing the interconnected voice over internet protocol service line to the subscriber.

(d) The amount of the tax must be stated separately on the billing statement which is sent to the subscriber.

(2)(a) The state and county ((enhanced)) 911 excise taxes imposed by this chapter must be collected from the consumer by the seller of a prepaid wireless telecommunications service for each retail transaction occurring in this state.

(b) The department must transfer all tax proceeds remitted by a seller under this subsection (2) as provided in RCW 82.14B.030 (2) and (6).

(c) The taxes required by this subsection to be collected by the seller must be separately stated in any sales invoice or instrument of sale provided to the consumer.

Sec. 23. RCW 82.14B.042 and 2013 2nd sp.s. c 8 s 104 are each amended to read as follows:

Subject to the enactment into law of the 2013 amendments to RCW 82.08.0289 in section 107, chapter 8, Laws of 2013 2nd sp. sess., the 2013 amendments to RCW 80.36.430 in section 108, chapter 8, Laws of 2013 2nd sp. sess., and the 2013 amendments to RCW 43.20A.725 in section 109, chapter 8, Laws of 2013 2nd sp. sess.:

(1)(a) The state and county ((enhanced)) 911 excise taxes imposed by this chapter must be paid by:

(i) The subscriber to the local exchange company providing the switched access line, the radio communications service company providing the radio access line, or the interconnected voice over internet protocol service company providing the interconnected voice over internet protocol service line; or

(ii) The consumer to the seller of prepaid wireless telecommunications service.

(b) Each local exchange company, each radio communications service company, and each interconnected voice over internet protocol service company must collect from the subscriber, and each seller of prepaid wireless telecommunications service must collect from the consumer, the full amount of the taxes payable. The state and county ((enhanced)) 911 excise taxes required by this chapter to be collected by a company or seller, are deemed to be held in trust by the company or seller until paid to the department. Any local exchange company, radio communications service company, seller of prepaid wireless telecommunications service, or interconnected voice over internet protocol service company that appropriates or converts the tax collected to its own use or to any use other than the payment of the tax to the extent that the money collected is not available for payment on the due date as prescribed in this chapter is guilty of a gross misdemeanor.

(2) If any local exchange company, radio communications service company, seller of prepaid wireless telecommunications service, or interconnected voice over internet protocol service company fails to collect the state or county ((enhanced)) 911 excise tax or, after collecting the tax,

fails to pay it to the department in the manner prescribed by this chapter, whether such failure is the result of its own act or the result of acts or conditions beyond its control, the company or seller is personally liable to the state for the amount of the tax, unless the company or seller has taken from the buyer in good faith documentation, in a form and manner prescribed by the department, stating that the buyer is not a subscriber or consumer or is otherwise not liable for the state or county ((enhanced)) 911 excise tax.

(3) The amount of tax, until paid by the subscriber to the local exchange company, the radio communications service company, the interconnected voice over internet protocol service company, or to the department, or until paid by the consumer to the seller of prepaid wireless telecommunications service, or to the department, constitutes a debt from the subscriber to the company, or from the consumer to the seller. Any company or seller that fails or refuses to collect the tax as required with intent to violate the provisions of this chapter or to gain some advantage or benefit, either direct or indirect, and any subscriber or consumer who refuses to pay any tax due under this chapter is guilty of a misdemeanor. The state and county ((enhanced)) 911 excise taxes required by this chapter to be collected by the local exchange company, radio communications service company, or interconnected voice over internet protocol service company must be stated separately on the billing statement that is sent to the subscriber.

(4) If a subscriber has failed to pay to the local exchange company, radio communications service company, or interconnected voice over internet protocol service company, or a consumer has failed to pay to the seller of prepaid wireless telecommunications service, the state or county ((enhanced)) 911 excise taxes imposed by this chapter and the company or seller has not paid the amount of the tax to the department, the department may, in its discretion, proceed directly against the subscriber or consumer for collection of the tax, in which case a penalty of ten percent may be added to the amount of the tax for failure of the subscriber or consumer to pay the tax to the company or seller, regardless of when the tax is collected

by the department. Tax under this chapter is due as provided under RCW 82.14B.061.

Sec. 24. RCW 82.14B.050 and 1981 c 160 s 5 are each amended to read as follows:

The proceeds of any tax collected under this chapter shall be used by the state or county only for the ((~~emergency services communication system~~)) 911 emergency communications system and its administrative and operational costs.

Sec. 25. RCW 82.14B.060 and 2010 1st sp.s. c 19 s 8 are each amended to read as follows:

A county legislative authority imposing a tax under this chapter must establish by ordinance all necessary and appropriate procedures for the administration of the county ((~~enhanced~~)) 911 excise taxes by the department. A county legislative authority imposing a tax under this chapter must provide the department notification of the imposition of the tax or a change in the tax no less than seventy-five days before the effective date of the imposition of the tax or the change in the tax.

Sec. 26. RCW 82.14B.061 and 2010 1st sp.s. c 19 s 9 are each amended to read as follows:

(1) The department must administer and adopt rules as may be necessary to enforce and administer the state and county ((~~enhanced~~)) 911 excise taxes imposed or authorized by this chapter. Chapter 82.32 RCW, with the exception of RCW 82.32.045, 82.32.145, and 82.32.380, applies to the administration, collection, and enforcement of the state and county ((~~enhanced~~)) 911 excise taxes.

(2) The state and county ((~~enhanced~~)) 911 excise taxes imposed or authorized by this chapter, along with reports and returns on forms prescribed by the department, are due at the same time the taxpayer reports other taxes under RCW 82.32.045. If no other taxes are reported under RCW 82.32.045, the taxpayer must remit tax on an annual basis in accordance with RCW 82.32.045.

(3) The department may relieve any taxpayer or class of taxpayers from the obligation of remitting monthly and may require the return to cover other longer reporting periods, but in no event may returns be filed for a period greater than one year.

(4) The state and county ((~~enhanced~~)) 911 excise taxes imposed or authorized by this chapter are in addition to any taxes imposed upon the same persons under chapters 82.08, 82.12, and 82.14 RCW.

(5) Returns must be filed electronically using the department's online tax filing service or other method of electronic reporting as the department may authorize as provided in RCW 82.32.080.

Sec. 27. RCW 82.14B.063 and 2010 1st sp.s. c 19 s 4 are each amended to read as follows:

(1) Counties imposing the ((~~enhanced~~)) 911 excise tax under RCW 82.14B.030 must contract with the department for the administration and collection of the tax. The department may deduct a percentage amount, as provided by contract, of no more than two percent of the ((~~enhanced~~)) 911 excise taxes collected to cover administration and collection expenses incurred by the department. If a county imposes ((~~an enhanced~~)) a 911 excise tax with an effective date of January 1, 2011, the county must contract with the department for the administration and collection of the tax by October 15, 2010.

(2) The remainder of any portion of the county ((~~enhanced~~)) 911 excise tax under RCW 82.14B.030 that is collected by the department must be deposited in the county ((~~enhanced~~)) 911 excise tax account hereby created in the custody of the state treasurer. Expenditures from the account may be used only for distribution to counties imposing the ((~~enhanced~~)) 911 excise tax. Only the director of the department or his or her designee may authorize expenditures from the account. The account is not subject to allotment procedures under chapter 43.88 RCW, and an appropriation is not required for expenditures.

Sec. 28. RCW 82.14B.065 and 2010 1st sp.s. c 19 s 5 are each amended to read as follows:

(1) All moneys that accrue in the county ((~~enhanced~~)) 911 excise tax account created in RCW 82.14B.063 must be distributed monthly to the counties in the amount of the taxes collected on behalf of each county, minus the administration and collection fee retained by the department as provided in RCW 82.14B.063.

(2) If a county imposes by resolution or ordinance ((~~an enhanced~~)) a 911 excise tax that is in excess of the maximum allowable county ((~~enhanced~~)) 911 excise tax provided in RCW 82.14B.030, the ordinance or resolution may not be considered void in its entirety, but only with respect to that portion of the ((~~enhanced~~)) 911 excise tax that is in excess of the maximum allowable tax.

Sec. 29. RCW 82.14B.150 and 2010 1st sp.s. c 19 s 10 are each amended to read as follows:

(1) A local exchange company, radio communications service company, or interconnected voice over internet protocol service company must file tax returns on a cash receipts or accrual basis according to which method of accounting is regularly employed in keeping the books of the company. A company filing returns on a cash receipts basis is not required to pay tax on debt subject to credit or refund under subsection (2) of this section.

(2) A local exchange company, radio communications service company, or interconnected voice over internet protocol service company is entitled to a credit or refund for state and county ((~~enhanced~~)) 911 excise taxes previously paid on bad debts, as that term is used in 26 U.S.C. Sec. 166, as amended or renumbered as of January 1, 2003.

Sec. 30. RCW 82.14B.200 and 2013 2nd sp.s. c 8 s 106 are each amended to read as follows:

Subject to the enactment into law of the 2013 amendments to RCW 82.08.0289 in section 107, chapter 8, Laws of 2013 2nd sp. sess., the 2013 amendments to RCW 80.36.430 in section 108, chapter 8, Laws of 2013 2nd sp. sess., and the 2013 amendments to RCW 43.20A.725 in section 109, chapter 8, Laws of 2013 2nd sp. sess.:

(1) Unless a seller, local exchange company, radio communications service company, or interconnected voice over internet protocol service company has taken from the buyer documentation, in a form and manner prescribed by the department, stating that the buyer is not a subscriber, consumer, or is otherwise not liable for the tax, the burden of proving that a sale of the use of a switched access line, radio access line, or interconnected voice over internet protocol service line was not a sale to a subscriber, consumer, or was not

otherwise subject to the tax is upon the person who made the sale.

(2) If a seller, local exchange company, radio communications service company, or interconnected voice over internet protocol service company does not receive documentation, in a form and manner prescribed by the department, stating that the buyer is not a subscriber, consumer, or is otherwise not liable for the tax at the time of the sale, have such documentation on file at the time of the sale, or obtain such documentation from the buyer within a reasonable time after the sale, the seller, local exchange company, radio communications service company, or interconnected voice over internet protocol service company remains liable for the tax as provided in RCW 82.14B.042, unless the seller, local exchange company, radio communications service company, or interconnected voice over internet protocol service company can demonstrate facts and circumstances according to rules adopted by the department that show the sale was properly made without payment of the state or county ((~~enhanced~~)) 911 excise tax.

(3) The penalty imposed by RCW 82.32.291 may not be assessed on state or county ((~~enhanced~~)) 911 excise taxes due but not paid as a result of the improper use of documentation stating that the buyer is not a subscriber or consumer or is otherwise not liable for the state or county ((~~enhanced~~)) 911 excise tax. This subsection does not prohibit or restrict the application of other penalties authorized by law.

Sec. 31. RCW 82.14B.210 and 1998 c 304 s 11 are each amended to read as follows:

(1) Upon termination, dissolution, or abandonment of a corporate or limited liability company business, any officer, member, manager, or other person having control or supervision of state ((~~enhanced~~)) 911 excise tax funds collected and held in trust under RCW 82.14B.042, or who is charged with the responsibility for the filing of returns or the payment of state ((~~enhanced~~)) 911 excise tax funds collected and held in trust under RCW 82.14B.042, is personally liable for any unpaid taxes and interest and penalties on those taxes, if such officer or other person willfully fails to pay or to cause to be paid any state ((~~enhanced~~)) 911 excise taxes due from

the corporation under this chapter. For the purposes of this section, any state ((enhanced)) 911 excise taxes that have been paid but not collected are deductible from the state ((enhanced)) 911 excise taxes collected but not paid. For purposes of this subsection "willfully fails to pay or to cause to be paid" means that the failure was the result of an intentional, conscious, and voluntary course of action.

(2) The officer, member, manager, or other person is liable only for taxes collected that became due during the period he or she had the control, supervision, responsibility, or duty to act for the corporation described in subsection (1) of this section, plus interest and penalties on those taxes.

(3) Persons liable under subsection (1) of this section are exempt from liability if nonpayment of the state ((enhanced)) 911 excise tax funds held in trust is due to reasons beyond their control as determined by the department by rule.

(4) Any person having been issued a notice of assessment under this section is entitled to the appeal procedures under RCW 82.32.160 through 82.32.200.

(5) This section applies only if the department has determined that there is no reasonable means of collecting the state ((enhanced)) 911 excise tax funds held in trust directly from the corporation.

(6) This section does not relieve the corporation or limited liability company of other tax liabilities or otherwise impair other tax collection remedies afforded by law.

(7) Collection authority and procedures prescribed in chapter 82.32 RCW apply to collections under this section.

NEW SECTION. Sec. 32. RCW 38.52.530 (Enhanced 911 advisory committee) and 2010 1st sp.s. c 19 § 16, 2010 1st sp.s. c 7 s 51, 2006 c 210 s 1, 2002 c 341 s 3, 2000 c 34 s 1, 1997 c 49 s 7, & 1991 c 54 s 5 are each repealed."

On page 1, line 2 of the title, after "system;" strike the remainder of the title and insert "amending RCW 38.52.030, 38.52.440, 38.52.500, 38.52.501, 38.52.505, 38.52.510, 38.52.520, 38.52.525, 38.52.532, 38.52.535, 38.52.540, 38.52.545, 38.52.550,

SUBSTITUTE HOUSE BILL NO. 1728, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

January 10, 2022

Madame Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1851 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature affirms that:

(1) It is the longstanding public policy of this state to promote access to affordable, high quality sexual and reproductive health care, including abortion care, without unnecessary burdens or restrictions on patients or providers. In 1970 Washington was one of the first states to decriminalize abortion before Roe v. Wade; and in 1991 the people of Washington passed Initiative Measure 120, the reproductive privacy act, further protecting access to abortion services;

(2) It has been 30 years since the passage of the reproductive privacy act. It is time that we modernize and update the language to reflect current medical practice;

(3) In 2004 and 2019, respectively, Washington attorneys general Christine Gregoire and Robert W. Ferguson issued opinions clarifying that Washington state law allows certain qualified advanced practice clinicians to provide early in-clinic and medication abortion care and recommended that Washington statutes be updated to provide further clarity;

(4) Although the abortion rights movement has historically centered on women in our advocacy, that must no longer be the case and it is critical that we recognize that transgender, nonbinary, and gender expansive people also get pregnant and require abortion care. Washington's law should reflect the most inclusive understanding of who needs abortions and be updated with gender neutral language. All people deserve access to qualified providers in their community who can provide whatever method of abortion care works for them and no individual who chooses to manage their own abortion should fear arrest or prosecution because of their pregnancy decision or outcome; and

(5) All people deserve to make their own decisions about their pregnancies, including deciding to end a pregnancy. It is the public policy of the state of Washington to continue to protect and advance equal rights to access abortion care that meets each individual's needs, regardless of gender or gender identity, race, ethnicity, income level, or place of residence.

Sec. 2. RCW 9.02.100 and 1992 c 1 s 1 are each amended to read as follows:

The sovereign people hereby declare that every individual possesses a fundamental right of privacy with respect to personal reproductive decisions.

Accordingly, it is the public policy of the state of Washington that:

(1) Every individual has the fundamental right to choose or refuse birth control;

(2) Every ~~((woman))~~ pregnant individual has the fundamental right to choose or refuse to have an abortion, except as specifically limited by RCW 9.02.100 through 9.02.170 and 9.02.900 through 9.02.902;

(3) Except as specifically permitted by RCW 9.02.100 through 9.02.170 and 9.02.900 through 9.02.902, the state shall not deny or interfere with a ~~((woman's))~~ pregnant individual's fundamental right to choose or refuse to have an abortion; and

(4) The state shall not discriminate against the exercise of these rights in the regulation or provision of benefits, facilities, services, or information.

Sec. 3. RCW 9.02.110 and 1992 c 1 s 2 are each amended to read as follows:

The state may not deny or interfere with a ~~((woman's))~~ pregnant individual's right to choose to have an abortion prior to viability of the fetus, or to protect ~~((her))~~ the pregnant individual's life or health.

A physician, physician assistant, advanced registered nurse practitioner, or other health care provider acting within the provider's scope of practice may terminate and a health care provider may assist a physician, physician assistant, advanced registered nurse practitioner, or other health care provider acting within the provider's scope of practice in terminating a pregnancy as permitted by this section.

Sec. 4. RCW 9.02.130 and 1992 c 1 s 4 are each amended to read as follows:

The good faith judgment of a physician, physician assistant, advanced registered nurse practitioner, or other health care provider acting within the provider's scope of practice as to viability of the fetus or as to the risk to life or health of a ~~((woman))~~ pregnant individual and the good faith judgment of

a health care provider as to the duration of pregnancy shall be a defense in any proceeding in which a violation of this chapter is an issue.

Sec. 5. RCW 9.02.140 and 1992 c 1 s 5 are each amended to read as follows:

Any regulation promulgated by the state relating to abortion shall be valid only if:

(1) The regulation is medically necessary to protect the life or health of the ~~((woman))~~ pregnant individual who is terminating ~~((her))~~ the pregnancy,

(2) The regulation is consistent with established medical practice, and

(3) Of the available alternatives, the regulation imposes the least restrictions on the ~~((woman's))~~ pregnant individual's right to have an abortion as defined by RCW 9.02.100 through 9.02.170 and 9.02.900 through 9.02.902.

Sec. 6. RCW 9.02.160 and 1992 c 1 s 7 are each amended to read as follows:

If the state provides, directly or by contract, maternity care benefits, services, or information ~~((to women))~~ through any program administered or funded in whole or in part by the state, the state shall also provide ~~((women))~~ pregnant individuals otherwise eligible for any such program with substantially equivalent benefits, services, or information to permit them to voluntarily terminate their pregnancies.

Sec. 7. RCW 9.02.170 and 1992 c 1 s 8 are each amended to read as follows:

For purposes of this chapter:

(1) "Viability" means the point in the pregnancy when, in the judgment of the physician, physician assistant, advanced registered nurse practitioner, or other health care provider acting within the provider's scope of practice on the particular facts of the case before such physician, physician assistant, advanced registered nurse practitioner, or other health care provider acting within the provider's scope of practice, there is a reasonable likelihood of the fetus's sustained survival outside the uterus without the application of extraordinary medical measures.

(2) "Abortion" means any medical treatment intended to induce the termination of a pregnancy except for the purpose of producing a live birth.

(3) "Pregnancy" means the reproductive process beginning with the implantation of an embryo.

(4) "Physician" means a physician licensed to practice under chapter 18.57 or 18.71 RCW in the state of Washington.

(5) "Physician assistant" means a physician assistant licensed to practice under chapter 18.71A RCW in the state of Washington.

(6) "Advanced registered nurse practitioner" means an advanced registered nurse practitioner licensed under chapter 18.79 RCW.

(7) "Health care provider" means a ~~((physician or a))~~ person ~~((acting under the general direction of a physician))~~ regulated under Title 18 RCW to practice health or health-related services or otherwise practicing health care services in this state consistent with state law.

~~((+6))~~ (8) "State" means the state of Washington and counties, cities, towns, municipal corporations, and quasi-municipal corporations in the state of Washington.

~~((+7))~~ (9) "Private medical facility" means any medical facility that is not owned or operated by the state.

Sec. 8. RCW 9.02.120 and 1992 c 1 s 3 are each amended to read as follows:

Unless authorized by RCW 9.02.110, any person who performs an abortion on another person shall be guilty of a class C felony punishable under chapter 9A.20 RCW. The state shall not penalize, prosecute, or otherwise take adverse action against an individual based on their actual, potential, perceived, or alleged pregnancy outcomes. Nor shall the state penalize, prosecute, or otherwise take adverse action against someone for aiding or assisting a pregnant individual in exercising their right to reproductive freedom with their voluntary consent.

On page 1, line 2 of the title, after "care;" strike the remainder of the title and insert "amending RCW 9.02.100, 9.02.110, 9.02.130, 9.02.140, 9.02.160, 9.02.170, and 9.02.120; and creating a new section."

and the same is herewith transmitted.

ENGROSSED HOUSE BILL NO. 1851, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 1, 2022

Mme. SPEAKER:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1821, with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 41.05.700 and 2021 c 157 s 1 are each amended to read as follows:

(1)(a) A health plan offered to employees, school employees, and their covered dependents under this chapter issued or renewed on or after January 1, 2017, shall reimburse a provider for a health care service provided to a covered person through telemedicine or store and forward technology if:

(i) The plan provides coverage of the health care service when provided in person by the provider;

(ii) The health care service is medically necessary;

(iii) The health care service is a service recognized as an essential health benefit under section 1302(b) of the federal patient protection and affordable care act in effect on January 1, 2015;

(iv) The health care service is determined to be safely and effectively provided through telemedicine or store and forward technology according to generally accepted health care practices and standards, and the technology used to provide the health care service meets the standards required by state and federal laws governing the privacy and security of protected health information; and

(v) Beginning January 1, 2023, for audio-only telemedicine, the covered person has an established relationship with the provider.

(b)(i) Except as provided in (b)(ii) of this subsection, a health plan offered to employees, school employees, and their covered dependents under this chapter issued or renewed on or after January 1, 2021, shall reimburse a provider for a health care service provided to a covered person through telemedicine the same amount of compensation the carrier would pay the provider if the health care service was provided in person by the provider.

(ii) Hospitals, hospital systems, telemedicine companies, and provider groups consisting of eleven or more providers may elect to negotiate an amount of compensation for telemedicine services that differs from the amount of compensation for in-person services.

(iii) For purposes of this subsection (1)(b), the number of providers in a provider group refers to all providers within the group, regardless of a provider's location.

(2) For purposes of this section, reimbursement of store and forward technology is available only for those covered services specified in the negotiated agreement between the health plan and health care provider.

(3) An originating site for a telemedicine health care service subject to subsection (1) of this section includes a:

(a) Hospital;

(b) Rural health clinic;

(c) Federally qualified health center;

(d) Physician's or other health care provider's office;

(e) Licensed or certified behavioral health agency;

(f) Skilled nursing facility;

(g) Home or any location determined by the individual receiving the service; or

(h) Renal dialysis center, except an independent renal dialysis center.

(4) Except for subsection (3)(g) of this section, any originating site under subsection (3) of this section may charge a facility fee for infrastructure and preparation of the patient. Reimbursement for a facility fee must be subject to a negotiated agreement between the originating site and the health plan. A distant site, a hospital that is an originating site for audio-only telemedicine, or any other site not identified in subsection (3) of this section may not charge a facility fee.

(5) The plan may not distinguish between originating sites that are rural and urban in providing the coverage required in subsection (1) of this section.

(6) The plan may subject coverage of a telemedicine or store and forward technology health service under subsection (1) of this section to all terms and conditions of the plan including, but not limited to, utilization review, prior authorization, deductible, copayment, or coinsurance requirements that are applicable to coverage of a comparable health care service provided in person.

(7) This section does not require the plan to reimburse:

(a) An originating site for professional fees;

(b) A provider for a health care service that is not a covered benefit under the plan; or

(c) An originating site or health care provider when the site or provider is not a contracted provider under the plan.

(8)(a) If a provider intends to bill a patient or the patient's health plan for an audio-only telemedicine service, the provider must obtain patient consent for the billing in advance of the service being delivered.

(b) If the health care authority has cause to believe that a provider has engaged in a pattern of unresolved violations of this subsection (8), the health care authority may submit information to the appropriate disciplining authority, as defined in RCW 18.130.020, for action. Prior to submitting information to the appropriate disciplining authority, the health care authority may provide the provider with an opportunity to cure the alleged violations or explain why the actions in question did not violate this subsection (8).

(c) If the provider has engaged in a pattern of unresolved violations of this subsection (8), the appropriate disciplining authority may levy a fine or cost recovery upon the provider in an amount not to exceed the applicable statutory amount per violation and take other action as permitted under the authority of the disciplining authority. Upon completion of its review of any potential violation submitted by the health care authority or initiated directly by an enrollee, the disciplining authority shall notify the health care authority of the results of the review, including whether the violation was substantiated and any enforcement action taken as a result of a finding of a substantiated violation.

(9) For purposes of this section:

(a)(i) "Audio-only telemedicine" means the delivery of health care services through the use of audio-only technology, permitting real-time communication between the patient at the originating site and the provider, for the purpose of diagnosis, consultation, or treatment.

(ii) For purposes of this section only, "audio-only telemedicine" does not include:

(A) The use of facsimile or email; or

(B) The delivery of health care services that are customarily delivered by audio-only technology and customarily not billed as separate services by the provider, such as the sharing of laboratory results;

(b) "Disciplining authority" has the same meaning as in RCW 18.130.020;

(c) "Distant site" means the site at which a physician or other licensed provider, delivering a professional service, is physically located at the time the service is provided through telemedicine;

(d) "Established relationship" means the provider providing audio-only telemedicine has access to sufficient health records to ensure safe, effective, and appropriate care services and:

(i) For health care services included in the essential health benefits category of mental health and substance use disorder services, including behavioral health treatment:

(A) The covered person has had, within the past three years, at least one in-person appointment (~~within the past year~~), or at least one real-time interactive appointment using both audio and video technology, with the provider providing audio-only telemedicine or with a provider employed at the same medical group, at the same clinic, or by the same integrated delivery system operated by a carrier licensed under chapter 48.44 or 48.46 RCW as the provider providing audio-only telemedicine; or ((the))

(B) The covered person was referred to the provider providing audio-only telemedicine by another provider who has had, within the past three years, at least one in-person appointment, or at least one real-time interactive appointment using both audio and video technology, with the covered person (~~within the past year~~) and has provided relevant medical information to the provider providing audio-only telemedicine;

(ii) For any other health care service:

(A) The covered person has had, within the past two years, at least one in-person appointment, or at least one real-time interactive appointment using both audio and video technology, with the provider providing audio-only

telemedicine or with a provider employed at the same medical group, at the same clinic, or by the same integrated delivery system operated by a carrier licensed under chapter 48.44 or 48.46 RCW as the provider providing audio-only telemedicine; or

(B) The covered person was referred to the provider providing audio-only telemedicine by another provider who has had, within the past two years, at least one in-person appointment, or at least one real-time interactive appointment using both audio and video technology, with the covered person and has provided relevant medical information to the provider providing audio-only telemedicine;

(e) "Health care service" has the same meaning as in RCW 48.43.005;

(f) "Hospital" means a facility licensed under chapter 70.41, 71.12, or 72.23 RCW;

(g) "Originating site" means the physical location of a patient receiving health care services through telemedicine;

(h) "Provider" has the same meaning as in RCW 48.43.005;

(i) "Store and forward technology" means use of an asynchronous transmission of a covered person's medical information from an originating site to the health care provider at a distant site which results in medical diagnosis and management of the covered person, and does not include the use of audio-only telephone, facsimile, or email; and

(j) "Telemedicine" means the delivery of health care services through the use of interactive audio and video technology, permitting real-time communication between the patient at the originating site and the provider, for the purpose of diagnosis, consultation, or treatment. For purposes of this section only, "telemedicine" includes audio-only telemedicine, but does not include facsimile or email.

Sec. 2. RCW 48.43.735 and 2021 c 157 s 2 are each amended to read as follows:

(1)(a) For health plans issued or renewed on or after January 1, 2017, a health carrier shall reimburse a provider for a health care service provided to a covered person through telemedicine or store and forward technology if:

(i) The plan provides coverage of the health care service when provided in person by the provider;

(ii) The health care service is medically necessary;

(iii) The health care service is a service recognized as an essential health benefit under section 1302(b) of the federal patient protection and affordable care act in effect on January 1, 2015;

(iv) The health care service is determined to be safely and effectively provided through telemedicine or store and forward technology according to generally accepted health care practices and standards, and the technology used to provide the health care service meets the standards required by state and federal laws governing the privacy and security of protected health information; and

(v) Beginning January 1, 2023, for audio-only telemedicine, the covered person has an established relationship with the provider.

(b)(i) Except as provided in (b)(ii) of this subsection, for health plans issued or renewed on or after January 1, 2021, a health carrier shall reimburse a provider for a health care service provided to a covered person through telemedicine the same amount of compensation the carrier would pay the provider if the health care service was provided in person by the provider.

(ii) Hospitals, hospital systems, telemedicine companies, and provider groups consisting of eleven or more providers may elect to negotiate an amount of compensation for telemedicine services that differs from the amount of compensation for in-person services.

(iii) For purposes of this subsection (1)(b), the number of providers in a provider group refers to all providers within the group, regardless of a provider's location.

(2) For purposes of this section, reimbursement of store and forward technology is available only for those covered services specified in the negotiated agreement between the health carrier and the health care provider.

(3) An originating site for a telemedicine health care service subject to subsection (1) of this section includes a:

- (a) Hospital;
- (b) Rural health clinic;
- (c) Federally qualified health center;
- (d) Physician's or other health care provider's office;
- (e) Licensed or certified behavioral health agency;
- (f) Skilled nursing facility;
- (g) Home or any location determined by the individual receiving the service; or
- (h) Renal dialysis center, except an independent renal dialysis center.

(4) Except for subsection (3)(g) of this section, any originating site under subsection (3) of this section may charge a facility fee for infrastructure and preparation of the patient. Reimbursement for a facility fee must be subject to a negotiated agreement between the originating site and the health carrier. A distant site, a hospital that is an originating site for audio-only telemedicine, or any other site not identified in subsection (3) of this section may not charge a facility fee.

(5) A health carrier may not distinguish between originating sites that are rural and urban in providing the coverage required in subsection (1) of this section.

(6) A health carrier may subject coverage of a telemedicine or store and forward technology health service under subsection (1) of this section to all terms and conditions of the plan in which the covered person is enrolled including, but not limited to, utilization review, prior authorization, deductible, copayment, or coinsurance requirements that are applicable to coverage of a comparable health care service provided in person.

(7) This section does not require a health carrier to reimburse:

- (a) An originating site for professional fees;
- (b) A provider for a health care service that is not a covered benefit under the plan; or
- (c) An originating site or health care provider when the site or provider is not a contracted provider under the plan.

(8)(a) If a provider intends to bill a patient or the patient's health plan for

an audio-only telemedicine service, the provider must obtain patient consent for the billing in advance of the service being delivered.

(b) If the commissioner has cause to believe that a provider has engaged in a pattern of unresolved violations of this subsection (8), the commissioner may submit information to the appropriate disciplining authority, as defined in RCW 18.130.020, for action. Prior to submitting information to the appropriate disciplining authority, the commissioner may provide the provider with an opportunity to cure the alleged violations or explain why the actions in question did not violate this subsection (8).

(c) If the provider has engaged in a pattern of unresolved violations of this subsection (8), the appropriate disciplining authority may levy a fine or cost recovery upon the provider in an amount not to exceed the applicable statutory amount per violation and take other action as permitted under the authority of the disciplining authority. Upon completion of its review of any potential violation submitted by the commissioner or initiated directly by an enrollee, the disciplining authority shall notify the commissioner of the results of the review, including whether the violation was substantiated and any enforcement action taken as a result of a finding of a substantiated violation.

(9) For purposes of this section:

(a)(i) "Audio-only telemedicine" means the delivery of health care services through the use of audio-only technology, permitting real-time communication between the patient at the originating site and the provider, for the purpose of diagnosis, consultation, or treatment.

(ii) For purposes of this section only, "audio-only telemedicine" does not include:

- (A) The use of facsimile or email; or
- (B) The delivery of health care services that are customarily delivered by audio-only technology and customarily not billed as separate services by the provider, such as the sharing of laboratory results;

(b) "Disciplining authority" has the same meaning as in RCW 18.130.020;

(c) "Distant site" means the site at which a physician or other licensed

provider, delivering a professional service, is physically located at the time the service is provided through telemedicine;

(d) "Established relationship" means the provider providing audio-only telemedicine has access to sufficient health records to ensure safe, effective, and appropriate care services and:

(i) For health care services included in the essential health benefits category of mental health and substance use disorder services, including behavioral health treatment:

(A) The covered person has had, within the past three years, at least one in-person appointment ((within the past year)), or at least one real-time interactive appointment using both audio and video technology, with the provider providing audio-only telemedicine or with a provider employed at the same medical group, at the same clinic, or by the same integrated delivery system operated by a carrier licensed under chapter 48.44 or 48.46 RCW as the provider providing audio-only telemedicine; or ((the))

(B) The covered person was referred to the provider providing audio-only telemedicine by another provider who has had, within the past three years, at least one in-person appointment, or at least one real-time interactive appointment using both audio and video technology, with the covered person ((within the past year)) and has provided relevant medical information to the provider providing audio-only telemedicine;

(ii) For any other health care service:

(A) The covered person has had, within the past two years, at least one in-person appointment, or at least one real-time interactive appointment using both audio and video technology, with the provider providing audio-only telemedicine or with a provider employed at the same medical group, at the same clinic, or by the same integrated delivery system operated by a carrier licensed under chapter 48.44 or 48.46 RCW as the provider providing audio-only telemedicine; or

(B) The covered person was referred to the provider providing audio-only telemedicine by another provider who has had, within the past two years, at least

one in-person appointment, or at least one real-time interactive appointment using both audio and video technology, with the covered person and has provided relevant medical information to the provider providing audio-only telemedicine;

(e) "Health care service" has the same meaning as in RCW 48.43.005;

(f) "Hospital" means a facility licensed under chapter 70.41, 71.12, or 72.23 RCW;

(g) "Originating site" means the physical location of a patient receiving health care services through telemedicine;

(h) "Provider" has the same meaning as in RCW 48.43.005;

(i) "Store and forward technology" means use of an asynchronous transmission of a covered person's medical information from an originating site to the health care provider at a distant site which results in medical diagnosis and management of the covered person, and does not include the use of audio-only telephone, facsimile, or email; and

(j) "Telemedicine" means the delivery of health care services through the use of interactive audio and video technology, permitting real-time communication between the patient at the originating site and the provider, for the purpose of diagnosis, consultation, or treatment. For purposes of this section only, "telemedicine" includes audio-only telemedicine, but does not include facsimile or email.

~~((9) [(10)]))~~ (10) The commissioner may adopt any rules necessary to implement this section.

Sec. 3. RCW 71.24.335 and 2021 c 157 s 4 and 2021 c 100 s 1 are each reenacted and amended to read as follows:

(1) Upon initiation or renewal of a contract with the authority, behavioral health administrative services organizations and managed care organizations shall reimburse a provider for a behavioral health service provided to a covered person through telemedicine or store and forward technology if:

(a) The behavioral health administrative services organization or managed care organization in which the covered person is enrolled provides

coverage of the behavioral health service when provided in person by the provider;

(b) The behavioral health service is medically necessary; and

(c) Beginning January 1, 2023, for audio-only telemedicine, the covered person has an established relationship with the provider.

(2)(a) If the service is provided through store and forward technology there must be an associated visit between the covered person and the referring provider. Nothing in this section prohibits the use of telemedicine for the associated office visit.

(b) For purposes of this section, reimbursement of store and forward technology is available only for those services specified in the negotiated agreement between the behavioral health administrative services organization, or managed care organization, and the provider.

(3) An originating site for a telemedicine behavioral health service subject to subsection (1) of this section means an originating site as defined in rule by the department or the health care authority.

(4) Any originating site, other than a home, under subsection (3) of this section may charge a facility fee for infrastructure and preparation of the patient. Reimbursement must be subject to a negotiated agreement between the originating site and the behavioral health administrative services organization, or managed care organization, as applicable. A distant site, a hospital that is an originating site for audio-only telemedicine, or any other site not identified in subsection (3) of this section may not charge a facility fee.

(5) Behavioral health administrative services organizations and managed care organizations may not distinguish between originating sites that are rural and urban in providing the coverage required in subsection (1) of this section.

(6) Behavioral health administrative services organizations and managed care organizations may subject coverage of a telemedicine or store and forward technology behavioral health service under subsection (1) of this section to all terms and conditions of the

behavioral health administrative services organization or managed care organization in which the covered person is enrolled, including, but not limited to, utilization review, prior authorization, deductible, copayment, or coinsurance requirements that are applicable to coverage of a comparable behavioral health care service provided in person.

(7) This section does not require a behavioral health administrative services organization or a managed care organization to reimburse:

(a) An originating site for professional fees;

(b) A provider for a behavioral health service that is not a covered benefit; or

(c) An originating site or provider when the site or provider is not a contracted provider.

(8)(a) If a provider intends to bill a patient, a behavioral health administrative services organization, or a managed care organization for an audio-only telemedicine service, the provider must obtain patient consent for the billing in advance of the service being delivered.

(b) If the health care authority has cause to believe that a provider has engaged in a pattern of unresolved violations of this subsection (8), the health care authority may submit information to the appropriate disciplining authority, as defined in RCW 18.130.020, for action. Prior to submitting information to the appropriate disciplining authority, the health care authority may provide the provider with an opportunity to cure the alleged violations or explain why the actions in question did not violate this subsection (8).

(c) If the provider has engaged in a pattern of unresolved violations of this subsection (8), the appropriate disciplining authority may levy a fine or cost recovery upon the provider in an amount not to exceed the applicable statutory amount per violation and take other action as permitted under the authority of the disciplining authority. Upon completion of its review of any potential violation submitted by the health care authority or initiated directly by an enrollee, the disciplining authority shall notify the health care authority of the results of the review,

including whether the violation was substantiated and any enforcement action taken as a result of a finding of a substantiated violation.

(9) For purposes of this section:

(a)(i) "Audio-only telemedicine" means the delivery of health care services through the use of audio-only technology, permitting real-time communication between the patient at the originating site and the provider, for the purpose of diagnosis, consultation, or treatment.

(ii) For purposes of this section only, "audio-only telemedicine" does not include:

(A) The use of facsimile or email; or

(B) The delivery of health care services that are customarily delivered by audio-only technology and customarily not billed as separate services by the provider, such as the sharing of laboratory results;

(b) "Disciplining authority" has the same meaning as in RCW 18.130.020;

(c) "Distant site" means the site at which a physician or other licensed provider, delivering a professional service, is physically located at the time the service is provided through telemedicine;

(d) "Established relationship" means the provider providing audio-only telemedicine has access to sufficient health records to ensure safe, effective, and appropriate care services and:

(i) The covered person has had, within the past three years, at least one in-person appointment ((within the past year)), or at least one real-time interactive appointment using both audio and video technology, with the provider providing audio-only telemedicine or with a provider employed at the same medical group, at the same clinic, or by the same integrated delivery system operated by a carrier licensed under chapter 48.44 or 48.46 RCW as the provider providing audio-only telemedicine; or ((the))

(ii) The covered person was referred to the provider providing audio-only telemedicine by another provider who has had, within the past three years, at least one in-person appointment, or at least one real-time interactive appointment using both audio and video technology, with the covered person

~~((within the past year))~~ and has provided relevant medical information to the provider providing audio-only telemedicine;

(e) "Hospital" means a facility licensed under chapter 70.41, 71.12, or 72.23 RCW;

(f) "Originating site" means the physical location of a patient receiving behavioral health services through telemedicine;

(g) "Provider" has the same meaning as in RCW 48.43.005;

(h) "Store and forward technology" means use of an asynchronous transmission of a covered person's medical or behavioral health information from an originating site to the provider at a distant site which results in medical or behavioral health diagnosis and management of the covered person, and does not include the use of audio-only telephone, facsimile, or email; and

(i) "Telemedicine" means the delivery of health care or behavioral health services through the use of interactive audio and video technology, permitting real-time communication between the patient at the originating site and the provider, for the purpose of diagnosis, consultation, or treatment. For purposes of this section only, "telemedicine" includes audio-only telemedicine, but does not include facsimile or email.

~~((9) [(10)])~~ (10) The authority must adopt rules as necessary to implement the provisions of this section.

Sec. 4. RCW 74.09.325 and 2021 c 157 s 5 are each amended to read as follows:

(1)(a) Upon initiation or renewal of a contract with the Washington state health care authority to administer a medicaid managed care plan, a managed health care system shall reimburse a provider for a health care service provided to a covered person through telemedicine or store and forward technology if:

(i) The medicaid managed care plan in which the covered person is enrolled provides coverage of the health care service when provided in person by the provider;

(ii) The health care service is medically necessary;

(iii) The health care service is a service recognized as an essential health benefit under section 1302(b) of the

federal patient protection and affordable care act in effect on January 1, 2015;

(iv) The health care service is determined to be safely and effectively provided through telemedicine or store and forward technology according to generally accepted health care practices and standards, and the technology used to provide the health care service meets the standards required by state and federal laws governing the privacy and security of protected health information; and

(v) Beginning January 1, 2023, for audio-only telemedicine, the covered person has an established relationship with the provider.

(b)(i) Except as provided in (b)(ii) of this subsection, upon initiation or renewal of a contract with the Washington state health care authority to administer a medicaid managed care plan, a managed health care system shall reimburse a provider for a health care service provided to a covered person through telemedicine the same amount of compensation the managed health care system would pay the provider if the health care service was provided in person by the provider.

(ii) Hospitals, hospital systems, telemedicine companies, and provider groups consisting of eleven or more providers may elect to negotiate an amount of compensation for telemedicine services that differs from the amount of compensation for in-person services.

(iii) For purposes of this subsection (1)(b), the number of providers in a provider group refers to all providers within the group, regardless of a provider's location.

(iv) A rural health clinic shall be reimbursed for audio-only telemedicine at the rural health clinic encounter rate.

(2) For purposes of this section, reimbursement of store and forward technology is available only for those services specified in the negotiated agreement between the managed health care system and health care provider.

(3) An originating site for a telemedicine health care service subject to subsection (1) of this section includes a:

(a) Hospital;

(b) Rural health clinic;

(c) Federally qualified health center;

(d) Physician's or other health care provider's office;

(e) Licensed or certified behavioral health agency;

(f) Skilled nursing facility;

(g) Home or any location determined by the individual receiving the service; or

(h) Renal dialysis center, except an independent renal dialysis center.

(4) Except for subsection (3)(g) of this section, any originating site under subsection (3) of this section may charge a facility fee for infrastructure and preparation of the patient. Reimbursement for a facility fee must be subject to a negotiated agreement between the originating site and the managed health care system. A distant site, a hospital that is an originating site for audio-only telemedicine, or any other site not identified in subsection (3) of this section may not charge a facility fee.

(5) A managed health care system may not distinguish between originating sites that are rural and urban in providing the coverage required in subsection (1) of this section.

(6) A managed health care system may subject coverage of a telemedicine or store and forward technology health service under subsection (1) of this section to all terms and conditions of the plan in which the covered person is enrolled including, but not limited to, utilization review, prior authorization, deductible, copayment, or coinsurance requirements that are applicable to coverage of a comparable health care service provided in person.

(7) This section does not require a managed health care system to reimburse:

(a) An originating site for professional fees;

(b) A provider for a health care service that is not a covered benefit under the plan; or

(c) An originating site or health care provider when the site or provider is not a contracted provider under the plan.

(8)(a) If a provider intends to bill a patient or a managed health care system for an audio-only telemedicine service,

the provider must obtain patient consent for the billing in advance of the service being delivered and comply with all rules created by the authority related to restrictions on billing medicaid recipients. The authority may submit information on any potential violations of this subsection to the appropriate disciplining authority, as defined in RCW 18.130.020(~~(f)~~), or take contractual actions against the provider's agreement for participation in the medicaid program, or both.

(b) If the health care authority has cause to believe that a provider has engaged in a pattern of unresolved violations of this subsection (8), the health care authority may submit information to the appropriate disciplining authority for action. Prior to submitting information to the appropriate disciplining authority, the health care authority may provide the provider with an opportunity to cure the alleged violations or explain why the actions in question did not violate this subsection (8).

(c) If the provider has engaged in a pattern of unresolved violations of this subsection (8), the appropriate disciplining authority may levy a fine or cost recovery upon the provider in an amount not to exceed the applicable statutory amount per violation and take other action as permitted under the authority of the disciplining authority. Upon completion of its review of any potential violation submitted by the health care authority or initiated directly by an enrollee, the disciplining authority shall notify the health care authority of the results of the review, including whether the violation was substantiated and any enforcement action taken as a result of a finding of a substantiated violation.

(9) For purposes of this section:

(a)(i) "Audio-only telemedicine" means the delivery of health care services through the use of audio-only technology, permitting real-time communication between the patient at the originating site and the provider, for the purpose of diagnosis, consultation, or treatment.

(ii) For purposes of this section only, "audio-only telemedicine" does not include:

(A) The use of facsimile or email; or

(B) The delivery of health care services that are customarily delivered by audio-only technology and customarily not billed as separate services by the provider, such as the sharing of laboratory results;

(b) "Disciplining authority" has the same meaning as in RCW 18.130.020;

(c) "Distant site" means the site at which a physician or other licensed provider, delivering a professional service, is physically located at the time the service is provided through telemedicine;

(d) "Established relationship" means the provider providing audio-only telemedicine has access to sufficient health records to ensure safe, effective, and appropriate care services and:

(i) For health care services included in the essential health benefits category of mental health and substance use disorder services, including behavioral health treatment:

(A) The covered person has had, within the past three years, at least one in-person appointment (~~(within the past year)~~), or at least one real-time interactive appointment using both audio and video technology, with the provider providing audio-only telemedicine or with a provider employed at the same medical group, at the same clinic, or by the same integrated delivery system operated by a carrier licensed under chapter 48.44 or 48.46 RCW as the provider providing audio-only telemedicine; or (~~the~~)

(B) The covered person was referred to the provider providing audio-only telemedicine by another provider who has had, within the past three years, at least one in-person appointment, or at least one real-time interactive appointment using both audio and video technology, with the covered person (~~(within the past year)~~) and has provided relevant medical information to the provider providing audio-only telemedicine;

(ii) For any other health care service:

(A) The covered person has had, within the past two years, at least one in-person appointment, or at least one real-time interactive appointment using both audio and video technology, with the provider providing audio-only

telemedicine or with a provider employed at the same medical group, at the same clinic, or by the same integrated delivery system operated by a carrier licensed under chapter 48.44 or 48.46 RCW as the provider providing audio-only telemedicine; or

(B) The covered person was referred to the provider providing audio-only telemedicine by another provider who has had, within the past two years, at least one in-person appointment, or at least one real-time interactive appointment using both audio and video technology, with the covered person and has provided relevant medical information to the provider providing audio-only telemedicine;

(i) "Provider" has the same meaning as in RCW 48.43.005;

(j) "Store and forward technology" means use of an asynchronous transmission of a covered person's medical information from an originating site to the health care provider at a distant site which results in medical diagnosis and management of the covered person, and does not include the use of audio-only telephone, facsimile, or email; and

(k) "Telemedicine" means the delivery of health care services through the use of interactive audio and video

technology, permitting real-time communication between the patient at the originating site and the provider, for the purpose of diagnosis, consultation, or treatment. For purposes of this section only, "telemedicine" includes audio-only telemedicine, but does not include facsimile or email.

NEW SECTION. Sec. 5. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 6. If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and this finding does not affect the operation of the remainder of this act in its application to the agencies concerned. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state."

On page 1, line 2 of the title, after "telemedicine;" strike the remainder of the title and insert "amending RCW 41.05.700, 48.43.735, and 74.09.325; reenacting and amending RCW 71.24.335; and creating a new section."

SECOND READING

SUBSTITUTE SENATE BILL NO. 5910, by Senate Committee on Environment, Energy & Technology (originally sponsored by Carlyle, Billig, Conway, Hawkins, Hunt, Mullet, Saldaña and Stanford)

Accelerating the availability and use of renewable hydrogen in Washington state.

The bill was read the second time.

There being no objection, the committee striking amendment by the Committee on Environment & Energy was not adopted. (For Committee amendment, see Journal, Day 46, February 24, 2022).

There being no objection, the committee striking amendment by the Committee on Appropriations was before the House for purpose of amendment. (For Committee amendment, see Journal, Day 50, February 28, 2022).

Representative Abbarno moved the adoption of amendment (1371) to the committee striking amendment:

On page 16, after line 16 of the striking amendment, insert the following:

"Part 6

GAS COMPANY NOTICE

NEW SECTION. Sec. 601. A new section is added to chapter 80.28 RCW to read as follows:

(1) A gas company must file a notice with the utilities and transportation commission prior to replacing natural gas with renewable hydrogen or green electrolytic hydrogen to serve customers. The notice must establish that the company has received all necessary siting and permitting approvals. The notice must also include a description of the following:

(a) Whether the use of clean electricity to produce hydrogen is consistent with the company's most recent integrated resource plan;

(b) Potential impacts to electrical grid reliability, including resource adequacy, resulting from renewable hydrogen and green electrolytic hydrogen production and deployment; and

(c) Standards, including safety standards, for blending of green electrolytic hydrogen and renewable hydrogen into natural gas distribution infrastructure.

(2) The commission shall consider the recommendations made by the department of commerce through its work outlined in section 103(1)(d), the information contained in the notice, and additional relevant data and analyses when making a determination on a company's request for approval of any tariff related to the use of green electrolytic hydrogen or renewable hydrogen as a replacement for natural gas."

Representatives Abbarno and Ramel spoke in favor of the adoption of the amendment to the committee striking amendment.

Amendment (1371) to the committee striking amendment was adopted.

With the consent of the House, amendment (1370) was withdrawn.

The committee striking amendment, as amended, was adopted.

There being no objection, the rules were suspended, the second reading considered the third and the bill as amended by the House, was placed on final passage.

Representatives Ramel, Dye and Abbarno spoke in favor of the passage of the bill.

The Speaker (Representative Orwall presiding) stated the question before the House to be the final passage of Substitute Senate Bill No. 5910, as amended by the House.

THIRD READING

MESSAGE FROM THE SENATE

March 4, 2022

Madame Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1173 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) State lands development authorities are hereby

authorized to oversee and manage the development or redevelopment of state-owned property that is within or adjacent to manufacturing industrial centers. Any property owned or managed by the department of natural resources is exempt from the provisions of this chapter.

(2) The legislative delegation from a district containing state-owned land that is included within, or is adjacent to, a manufacturing industrial center may propose the formation of a state lands development authority. The proposal must be presented in writing to the relevant legislative committees in both the house of representatives and the senate. The proposal must contain:

(a) The proposed general geographic boundaries of the state lands development authority; and

(b) Legislative findings relating to formation of the state lands development authority which find that:

(i) The state owns property within the boundaries of the proposed state lands development authority;

(ii) The state-owned land is located within or adjacent to a manufacturing industrial center;

(iii) The state agency with custodial responsibility for the property has completed an assessment regarding the current use, future use, and a projected date or conditions when the land is vacant, excess, or surplus to the mission of the state agency;

(iv) The legislature intends that the state lands development authority be appropriately funded and staffed; and

(v) The formation of a state lands development authority to oversee and manage the development or redevelopment of the state-owned land will be useful and beneficial to the community within and adjacent to the boundaries of the state lands development authority.

(3) Formation of a state lands development authority is subject to legislative authorization by statute.

(4) A state lands development authority may only be formed in a county with a population of 2,000,000 or greater.

(5) For the purposes of this chapter, all state lands development authorities are a public body corporate and politic

and instrumentality of the state of Washington.

NEW SECTION. **Sec. 2.** (1) The affairs of a state lands development authority shall be managed by a board of directors.

(2) The initial board of directors of a state lands development authority must be appointed by the governor upon recommendation from the state legislative delegation from the district in which the boundaries of the state lands development authority are contained.

(3) The number of persons on the board of directors must be included in the proposal to establish a state lands development authority under section 1 of this act.

(4) Members of the board of directors must include:

(a) At least one member representing each of the following:

(i) The governing body of each city included in the boundaries of the state lands development authority;

(ii) The mayor's office of each city included in the boundaries of the state lands development authority;

(iii) The governing body of each county included in the boundaries of the state lands development authority; and

(iv) The governing body of each port district included in the boundaries of the state lands development authority;

(b) Additional members if required by the proposal to establish a state lands development authority under section 1 of this act; and

(c) Ex officio, nonvoting members if required by the proposal to establish a state lands development authority under section 1 of this act.

(5) In addition to other applicable provisions of law pertaining to conflicts of interest of public officials, no state lands development authority board member, appointed or otherwise, may participate in any decision on any board contract in which the board member has any interests, direct or indirect, with any firm, partnership, corporation, or association that would be the recipient of any gain or benefit resulting from transactions with the state lands development authority. In any instance where the participation occurs, the board

shall void the transaction, and the involved member shall be subject to whatever sanctions may be provided by law. The board shall frame and adopt a code of ethics for its members, which must be designed to protect the state and its citizens from any unethical conduct by the board.

NEW SECTION. Sec. 3. (1) State lands development authorities have the power to:

(a) Accept gifts, grants, loans, or other aid from public and private entities;

(b) Employ and appoint such agents, attorneys, officers, and employees as may be necessary to implement its purposes and duties;

(c) Contract and enter into partnerships with individuals, associations, corporations, and local, state, and federal governments;

(d) Buy, own, and lease real and personal property;

(e) Sell real and personal property, subject to any rules and restrictions contained in the proposal to establish a state lands development authority under section 1 of this act;

(f) Hold in trust, improve, and develop land;

(g) Invest, deposit, and reinvest its funds;

(h) Incur debt in furtherance of its mission: Provided, however, that state lands development authorities are expressly prohibited from incurring debt on behalf of the state of Washington as defined in Article VIII, section 1 of the state Constitution. A state lands development authority obligation to repay borrowed money does not constitute an obligation, either general, special, or moral, of the state of Washington. State lands development authorities are expressly prohibited from using, either directly or indirectly, "general state revenues" as defined in Article VIII, section 1 of the state Constitution to satisfy any state lands development authority obligation to repay borrowed money;

(i) Lend or grant its funds for any lawful purposes. For purposes of this section, "lawful purposes" includes without limitation, any use of funds, including loans thereof to public or

private parties, authorized by agreements with the United States or any department or agency thereof under which federal or private funds are obtained, or authorized under federal laws and regulations pertinent to such agreements; and

(j) Exercise such additional powers as may be authorized by law.

(2) A state lands development authority that accepts public funds under subsection (1)(a) of this section:

(a) Is subject in all respects to Article VIII, section 5 or 7, as appropriate, of the state Constitution, and RCW 42.17A.550; and

(b) May not use such funds to support or oppose a candidate, ballot proposition, political party, or political committee.

(3) State lands development authorities do not have any authority to levy taxes or assessments.

NEW SECTION. Sec. 4. A state lands development authority has the duty to:

(1) Adopt bylaws for the authority that will govern how the authority will generally conduct its affairs;

(2) Establish specific geographic boundaries for the authority with its bylaws based on the general geographic boundaries established in the proposal approved by the legislature;

(3) Assume responsibility for the development or redevelopment of the state-owned property within the boundaries of the authority;

(4) Create a strategic plan for the development or redevelopment of the state-owned property that includes, but is not limited to, the following elements:

(a) An examination of the existing uses of the property and an assessment of whether such should change in the future in order for the use of the property to achieve maximum public benefit;

(b) An examination of options for development or redevelopment that include industrial uses only, mixed-use commercial and residential development, and mixed-use light industrial and residential development, as well as the incorporation of community-oriented facilities, and an evaluation of which

options would achieve maximum public benefit;

(c) A plan for extensive public engagement throughout the development or redevelopment process, which must include a regular schedule of public meetings and opportunities for public comment; and

(d) A financial plan for the authority that identifies funding sources necessary to carry out the authority's strategic plan;

(5) Use gifts, grants, loans, and other aid from public or private entities to further the development and redevelopment projects identified in the authority's strategic plan; and

(6) Submit a written report to the relevant committees of the legislature by December 1st of each even-numbered year that summarizes the authority's strategic plan and details the progress of the authority in meeting its strategic goals related to development and redevelopment, public engagement, and financial planning.

NEW SECTION. Sec. 5. The state lands development authority operating account is hereby created in the state treasury. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for operating expenses under this chapter.

NEW SECTION. Sec. 6. The state lands development authority capital account is hereby created in the state treasury. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for capital projects under this chapter.

NEW SECTION. Sec. 7. (1) The legislature finds:

(a) The state of Washington owns a property of approximately 25 acres in size located at 1601 West Armory Way within Seattle's Ballard-Interbay northend manufacturing industrial center and Interbay neighborhood, known as the Interbay property. The Interbay property was transferred to the state of Washington in 1971 with deed limitations which limit use of the property for national guard purposes only. The national guard currently uses the Interbay property for the Seattle readiness center, built in 1974. The national guard has determined that it must relocate from the Interbay property

to another site, and an assessment has been completed pursuant to section 1(2)(b) of this act. Once the national guard facilities are funded and constructed and the national guard is relocated in a new, fully operational readiness center, and the department of defense has released its use restrictions on the property, the Interbay property will be available for redevelopment.

(b) The formation of a state lands development authority to oversee and manage the redevelopment of the Interbay property will be useful and beneficial to the community within and adjacent to the Interbay neighborhood in the city of Seattle. The legislature intends that the authority be appropriately funded and staffed.

(2)(a) The legislature authorizes the establishment of the Ballard-Interbay state lands development authority, which boundaries are coextensive with the boundaries of the Interbay property.

(b) The Ballard-Interbay state lands development authority is a public body corporate and politic and instrumentality of the state of Washington.

(3) The Ballard-Interbay state lands development authority may exercise its authority in furtherance of projects that are located only within the boundaries of the Interbay property.

(4) The Ballard-Interbay state lands development authority does not have site control or access until after the national guard relocation and may not sell the Interbay property or portions of the Interbay property to another entity.

(5) The affairs of the Ballard-Interbay state lands development authority shall be managed by a board of directors, consisting of the following members:

(a) One member with experience developing workforce or affordable housing;

(b) One member with knowledge of project financing options for public-private partnerships related to housing;

(c) Two members with architectural design and development experience related to industrial and mixed-use zoning;

(d) One member representing the port of Seattle;

(e) One member representing the governor's office;

(f) One member representing the King county council;

(g) One member representing the city of Seattle mayor's office;

(h) One member representing the Seattle city council; and

(i) The director of the department of commerce or the director's designee as an ex officio, nonvoting member.

(6) No member of the board of directors may hold office for more than four years. Board positions must be numbered one through 11 and the terms staggered as follows:

(a) Board members appointed to positions one through five shall serve two-year terms, and if reappointed, may serve no more than one additional two-year term.

(b) Board members initially appointed to positions six through 11 shall serve a three-year term only.

(c) Board members appointed to positions six through 11 after the initial three-year term shall serve two-year terms, and if reappointed, may serve no more than one additional two-year term.

(7) The initial board of directors of the Ballard-Interbay state lands development authority must be appointed by the governor upon recommendation from the legislative delegation from the district in which the boundaries of the authority are contained, as required by section 2(2) of this act. With respect to the appointment of subsequent boards of directors, the existing board members must develop a list of candidates for each position and deliver the recommendations to the members of the legislative delegation for the district in which the authority is located. The legislative delegation must present the list of candidates for recommendation to the governor for appointment to the board of directors. In developing the list of candidates, the board of directors must consider racial, gender, and geographic diversity so that the board may reflect the diversity of the community.

(8) In addition to other applicable provisions of law pertaining to conflicts of interest of public officials, no Ballard-Interbay state lands development

authority board member, appointive or otherwise, may participate in any decision on any board contract in which the board member has any interests, direct or indirect, with any firm, partnership, corporation, or association that would be the recipient of any gain or benefit resulting from transactions with the state lands development authority. In any instance where the participation occurs, the board shall void the transaction, and the involved member must be subject to whatever sanctions may be provided by law. The board shall frame and adopt a code of ethics for its members, which must be designed to protect the state and its citizens from any unethical conduct by the board.

(9) For purposes of this section, "Interbay property" means a state-owned property with deed limitations indicating it may be used for national guard purposes only located at 1601 West Armory Way, consisting of approximately 25 acres of land within Seattle's Ballard-Interbay northend manufacturing industrial center and Interbay neighborhood.

NEW SECTION. **Sec. 8.** Sections 1 through 7 of this act constitute a new chapter in Title 43 RCW."

On page 1, line 1 of the title, after "authorities;" strike the remainder of the title and insert "and adding a new chapter to Title 43 RCW."

and the same is herewith transmitted.

Speaker.

Voting nay: Representatives Dent, Dufault, Graham, Klippert, Kraft, McCaslin, McEntire, Orcutt, Sutherland, Vick, Volz, Walsh and Young.

SECOND SUBSTITUTE HOUSE BILL NO. 1173, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 4, 2022

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1616 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 70.170.020 and 2018 c 263 s 1 are each amended to read as follows:

As used in this chapter:

(1) "Department" means department of health.

(2) "Hospital" means any health care institution which is required to qualify for a license under RCW 70.41.020(~~(7)~~) (8); or as a psychiatric hospital under chapter 71.12 RCW.

(3) "Secretary" means secretary of health.

(4) "Charity care" means medically necessary hospital health care rendered to indigent persons when third-party coverage, if any, has been exhausted, to the extent that the persons are unable to pay for the care or to pay deductibles or coinsurance amounts required by a third-

party payer, as determined by the department.

(5) "Indigent persons" are those patients or their guarantors who qualify for charity care pursuant to section 2(5) of this act based on the federal poverty level, adjusted for family size, and who have exhausted any third-party coverage.

(6) "Third-party coverage" means an obligation on the part of an insurance company, health care service contractor, health maintenance organization, group health plan, government program, tribal health benefits, or health care sharing ministry as defined in 26 U.S.C. Sec. 5000A to pay for the care of covered patients and services, and may include settlements, judgments, or awards actually received related to the negligent acts of others which have resulted in the medical condition for which the patient has received hospital health care service. The pendency of such settlements, judgments, or awards must not stay hospital obligations to consider an eligible patient for charity care.

~~((6) "Sliding fee schedule" means a hospital determined, publicly available schedule of discounts to charges for persons deemed eligible for charity care; such schedules shall be established after consideration of guidelines developed by the department.))~~

(7) "Special studies" means studies which have not been funded through the department's biennial or other legislative appropriations.

Sec. 2. RCW 70.170.060 and 2018 c 263 s 2 are each amended to read as follows:

(1) No hospital or its medical staff shall adopt or maintain admission practices or policies which result in:

(a) A significant reduction in the proportion of patients who have no third-party coverage and who are unable to pay for hospital services;

(b) A significant reduction in the proportion of individuals admitted for inpatient hospital services for which payment is, or is likely to be, less than the anticipated charges for or costs of such services; or

(c) The refusal to admit patients who would be expected to require unusually costly or prolonged treatment for reasons other than those related to the appropriateness of the care available at the hospital.

(2) No hospital shall adopt or maintain practices or policies which would deny access to emergency care based on ability to pay. No hospital which maintains an emergency department shall transfer a patient with an emergency medical condition or who is in active labor unless the transfer is performed at the request of the patient or is due to the limited medical resources of the transferring hospital. Hospitals must follow reasonable procedures in making transfers to other hospitals including confirmation of acceptance of the transfer by the receiving hospital.

(3) The department shall develop definitions by rule, as appropriate, for subsection (1) of this section and, with reference to federal requirements, subsection (2) of this section. The department shall monitor hospital compliance with subsections (1) and (2) of this section. The department shall report individual instances of possible noncompliance to the state attorney general or the appropriate federal agency.

(4) The department shall establish and maintain by rule, consistent with the definition of charity care in RCW 70.170.020, the following:

(a) Uniform procedures, data requirements, and criteria for identifying patients receiving charity care; and

(b) A definition of residual bad debt including reasonable and uniform standards for collection procedures to be used in efforts to collect the unpaid portions of hospital charges that are the patient's responsibility.

(5) For the purpose of providing charity care, each hospital shall develop, implement, and maintain a (~~charity care~~) policy which (~~is consistent with subsection (1) of this section~~) shall enable (~~people below the federal poverty level~~) indigent persons access to (~~appropriate hospital based medical services, and a sliding fee schedule for determination of discounts from charges for persons who qualify for such discounts by January 1, 1990. The department shall develop specific guidelines to assist hospitals in setting sliding fee schedules required by this section. All persons with family income below one hundred percent of the federal poverty standard shall be deemed charity care patients for the full amount~~

~~of hospital charges, except to the extent the patient has third party coverage for those charges.~~) charity care. The policy shall include procedures for identifying patients who may be eligible for health care coverage through medical assistance programs under chapter 74.09 RCW or the Washington health benefit exchange and actively assisting patients to apply for any available coverage. If a hospital determines that a patient or their guarantor is qualified for retroactive health care coverage through the medical assistance programs under chapter 74.09 RCW, a hospital shall assist the patient or guarantor with applying for such coverage. If a hospital determines that a patient or their guarantor qualifies for retroactive health care coverage through the medical assistance programs under chapter 74.09 RCW, a hospital is not obligated to provide charity care under this section to any patient or their guarantor if the patient or their guarantor fails to make reasonable efforts to cooperate with the hospital's efforts to assist them in applying for such coverage. Hospitals may not impose application procedures for charity care or for assistance with retroactive coverage applications which place an unreasonable burden upon the patient or guarantor, taking into account any physical, mental, intellectual, or sensory deficiencies, or language barriers which may hinder the responsible party's capability of complying with application procedures. It is an unreasonable burden to require a patient to apply for any state or federal program where the patient is obviously or categorically ineligible or has been deemed ineligible in the prior 12 months.

(a) At a minimum, a hospital owned or operated by a health system that owns or operates three or more acute hospitals licensed under chapter 70.41 RCW, an acute care hospital with over 300 licensed beds located in the most populous county in Washington, or an acute care hospital with over 200 licensed beds located in a county with at least 450,000 residents and located on Washington's southern border shall grant charity care per the following guidelines:

(i) All patients and their guarantors whose income is not more than 300 percent of the federal poverty level, adjusted for family size, shall be deemed charity care patients for the full amount of the

patient responsibility portion of their hospital charges;

(ii) All patients and their guarantors whose income is between 301 and 350 percent of the federal poverty level, adjusted for family size, shall be entitled to a 75 percent discount for the full amount of the patient responsibility portion of their hospital charges, which may be reduced by amounts reasonably related to assets considered pursuant to (c) of this subsection;

(iii) All patients and their guarantors whose income is between 351 and 400 percent of the federal poverty level, adjusted for family size, shall be entitled to a 50 percent discount for the full amount of the patient responsibility portion of their hospital charges, which may be reduced by amounts reasonably related to assets considered pursuant to (c) of this subsection.

(b) At a minimum, a hospital not subject to (a) of this subsection shall grant charity care per the following guidelines:

(i) All patients and their guarantors whose income is not more than 200 percent of the federal poverty level, adjusted for family size, shall be deemed charity care patients for the full amount of the patient responsibility portion of their hospital charges;

(ii) All patients and their guarantors whose income is between 201 and 250 percent of the federal poverty level, adjusted for family size, shall be entitled to a 75 percent discount for the full amount of the patient responsibility portion of their hospital charges, which may be reduced by amounts reasonably related to assets considered pursuant to (c) of this subsection; and

(iii) All patients and their guarantors whose income is between 251 and 300 percent of the federal poverty level, adjusted for family size, shall be entitled to a 50 percent discount for the full amount of the patient responsibility portion of their hospital charges, which may be reduced by amounts reasonably related to assets considered pursuant to (c) of this subsection.

(c)(i) If a hospital considers the existence, availability, and value of assets in order to reduce the discount extended, it must establish and make publicly available a policy on asset

considerations and corresponding discount reductions.

(ii) If a hospital considers assets, the following types of assets shall be excluded from consideration:

(A) The first \$5,000 of monetary assets for an individual or \$8,000 of monetary assets for a family of two, and \$1,500 of monetary assets for each additional family member. The value of any asset that has a penalty for early withdrawal shall be the value of the asset after the penalty has been paid;

(B) Any equity in a primary residence;

(C) Retirement plans other than 401(k) plans;

(D) One motor vehicle and a second motor vehicle if it is necessary for employment or medical purposes;

(E) Any prepaid burial contract or burial plot; and

(F) Any life insurance policy with a face value of \$10,000 or less.

(iii) In considering assets, a hospital may not impose procedures which place an unreasonable burden on the responsible party. Information requests from the hospital to the responsible party for the verification of assets shall be limited to that which is reasonably necessary and readily available to substantiate the responsible party's qualification for charity sponsorship and may not be used to discourage application for such sponsorship. Only those facts relevant to eligibility may be verified and duplicate forms of verification may not be demanded.

(A) In considering monetary assets, one current account statement shall be considered sufficient for a hospital to verify a patient's assets.

(B) In the event that no documentation for an asset is available, a hospital shall rely upon a written and signed statement from the responsible party.

(iv) Asset information obtained by the hospital in evaluating a patient for charity care eligibility shall not be used for collection activities.

(v) Nothing in this section prevents a hospital from considering assets as required by the centers for medicare and medicaid services related to medicare cost reporting.

(6) Each hospital shall post and prominently display notice of charity care availability. Notice must be posted in all languages spoken by more than ten percent of the population of the hospital service area. Notice must be displayed in at least the following locations:

(a) Areas where patients are admitted or registered;

(b) Emergency departments, if any; and

(c) Financial service or billing areas where accessible to patients.

(7) Current versions of the hospital's charity care policy, a plain language summary of the hospital's charity care policy, and the hospital's charity care application form must be available on the hospital's website. The summary and application form must be available in all languages spoken by more than ten percent of the population of the hospital service area.

(8)(a) All hospital billing statements and other written communications concerning billing or collection of a hospital bill by a hospital must include the following or a substantially similar statement prominently displayed on the first page of the statement in both English and the second most spoken language in the hospital's service area:

You may qualify for free care or a discount on your hospital bill, whether or not you have insurance. Please contact our financial assistance office at [website] and [phone number].

(b) Nothing in (a) of this subsection requires any hospital to alter any preprinted hospital billing statements existing as of October 1, 2018.

(9) Hospital obligations under federal and state laws to provide meaningful access for limited English proficiency and non-English-speaking patients apply to information regarding billing and charity care. Hospitals shall develop standardized training programs on the hospital's charity care policy and use of interpreter services, and provide regular training for appropriate staff, including the relevant and appropriate staff who perform functions relating to registration, admissions, or billing.

(10) Each hospital shall make every reasonable effort to determine:

(a) The existence or nonexistence of private or public sponsorship which might

cover in full or part the charges for care rendered by the hospital to a patient;

(b) The annual family income of the patient as classified under federal poverty income guidelines as of the time the health care services were provided, or at the time of application for charity care if the application is made within two years of the time of service, the patient has been making good faith efforts towards payment of health care services rendered, and the patient demonstrates eligibility for charity care; and

(c) The eligibility of the patient for charity care as defined in this chapter and in accordance with hospital policy. An initial determination of sponsorship status shall precede collection efforts directed at the patient.

(11) At the hospital's discretion, a hospital may consider applications for charity care at any time, including any time there is a change in a patient's financial circumstances.

(12) The department shall monitor the distribution of charity care among hospitals, with reference to factors such as relative need for charity care in hospital service areas and trends in private and public health coverage. The department shall prepare reports that identify any problems in distribution which are in contradiction of the intent of this chapter. The report shall include an assessment of the effects of the provisions of this chapter on access to hospital and health care services, as well as an evaluation of the contribution of all purchasers of care to hospital charity care.

(13) The department shall issue a report on the subjects addressed in this section at least annually, with the first report due on July 1, 1990.

NEW SECTION. Sec. 3. (1) The office of the insurance commissioner, in consultation with the Washington health benefit exchange, shall study and analyze how increasing eligibility for charity care impacts enrollment in health plans with high deductibles over a four-year time period.

(2) By November 1, 2026, the office of the insurance commissioner shall report to the health care committees of the legislature enrollment trends in health plans with high deductibles from January

1, 2023, through June 30, 2026. The one-time report shall include the number of individuals enrolled in high deductible plans for each year and by each county.

(3) This section expires January 1, 2027.

NEW SECTION. Sec. 4. This act applies prospectively only to care provided on or after July 1, 2022. This act does not affect the ability of a patient who received care prior to July 1, 2022, to receive charity care under RCW 70.170.020 and 70.170.060 as the sections existed before that date."

On page 1, line 1 of the title, after "act;" strike the remainder of the title and insert "amending RCW 70.170.020 and 70.170.060; creating new sections; and providing an expiration date."

and the same is herewith transmitted.

MESSAGE FROM THE SENATE

March 3, 2022

Madame Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1688 with the following amendment:

On page 14, line 30, after "stabilization," insert "or by the end of the business day following the day the stabilization occurs, whichever is later,"

On page 30, beginning on line 4, after "(13)" strike all material through "act)" on line 5 and insert "For dispute resolution proceedings initiated under RCW 48.49.150(2)(b) (as recodified by this act), the arbitration provisions of this section apply except that:

(a) The issue before the arbitrator will be the commercially reasonable payment for applicable services addressed in the alternate access delivery request rather than the commercially reasonable payment for single or multiple claims under subsection (4) of this section. The arbitrator shall issue a decision related to whether payment for the applicable services should be made at the final offer amount of the carrier or the final offer amount of the provider or facility. The arbitrator's decision is final and binding on the parties for services rendered to enrollees from the effective date of the amended alternate access delivery request approved under RCW 48.49.150(2)(b) (as recodified by this act) to either the expiration date of the amended alternate access delivery request, or at the time that a provider contract and provider compensation agreement are executed between the parties, whichever occurs first;

(b) During the period from the effective date of the amended alternate access delivery request to issuance of the arbitrator's decision, the allowed amount paid to providers or facilities

for the applicable services addressed in the amended alternate access delivery request shall be a commercially reasonable amount, based on payments for the same or similar services provided in a similar geographic area; and

(c) The proceedings"

On page 35, line 20, after "facilities" strike "; and" and insert ". If a carrier is submitting an alternate access delivery request for the same service and geographic area as a previously approved request, the carrier shall provide new or additional evidence of good faith efforts to contract associated with the current request;"

On page 35, line 23, after "standards" insert "; and

(iv) For services for which balance billing is prohibited under RCW 48.49.020, notify out-of-network providers or facilities that deliver the services referenced in the alternate access delivery request within five days of submitting the request to the commissioner. Any notification provided under this subsection shall include contact information for carrier staff who can provide detailed information to the affected provider or facility regarding the submitted alternate access delivery request"

On page 35, beginning on line 28, after "unless" strike all material through "services." on line 37 and insert "all requirements of this subsection are met.

(i) If a carrier is unable to obtain a contract with a provider or facility delivering services addressed in an alternate access delivery request to meet network access requirements, the carrier may ask the commissioner to amend the alternate access delivery request if the carrier's communication to the commissioner occurs at least three months after the effective date of the alternate access delivery request and demonstrates substantial evidence of good faith efforts on its part to contract for delivery of services during that three-month time period. If the carrier has demonstrated substantial evidence of good faith efforts on its part to contract, the commissioner shall allow a carrier to use the dispute resolution process provided in RCW 48.49.040 to determine the amount that will be paid to providers or facilities for services referenced in the alternate access delivery request. The commissioner may

determine by rule the associated processes for use of the dispute resolution process under this subsection.

(ii) Once notification is provided by the carrier to a provider or facility under (a) of this subsection, a carrier is not responsible for reimbursing a provider's or facility's charges in excess of the amount charged by the provider or facility for the same or similar service at the time the notification was provided. The provider or facility shall accept this reimbursement as payment in full."

and the same is herewith transmitted.

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1688, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 2, 2022

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1706 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 70.54 RCW to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Drayage truck operator" means the driver of any in-use on-road vehicle with a gross vehicle weight rating greater than 33,000 pounds operating on or transgressing through port or intermodal rail yard property for the purpose of loading, unloading, or transporting cargo, including containerized, bulk, or break-bulk goods.

(b)(i) "Terminal operator" means the business entity operating a marine terminal for loading and unloading cargo to and from marine vessels.

(ii) "Terminal operator" includes the port if the port is directly operating the marine terminal in loading and unloading cargo to and from marine vessels.

(2) A terminal operator must provide a sufficient number of restrooms for use by drayage truck operators in areas of the terminal that drayage truck operators typically have access to, such as inside the gate and truck queuing lots. Restrooms may include fixed bathrooms with flush toilets or portable chemical toilets. At least one restroom provided by the terminal operator must be a private space suitable for and dedicated to expressing breast milk.

(3) A terminal operator is deemed in compliance with this section if the terminal operator:

(a) Allows drayage truck operators access to existing restrooms while the drayage truck operators are on port property in areas of the terminal that drayage truck operators typically have access to and when access does not pose an obvious safety risk to the drayage truck operators and other workers in the area and does not violate federal terminal security requirements;

(b) When necessary, provides additional restrooms at locations where there is the most need. To determine need, the terminal operator must assess the use and accessibility of existing restrooms and conduct a survey of drayage truck operators; and

(c) Has a policy that allows drayage truck operators to leave their vehicles at reasonable times and locations for purposes of accessing restrooms.

(4) Restrooms for drayage truck operators must be located in areas where access would not pose an obvious health or safety risk to the drayage truck operators or other workers in the area.

(5)(a) The departments of health and labor and industries have jurisdiction to enforce this section.

(b) The department of health may issue a warning letter to the port terminal operator for a first violation of this section, informing the port terminal operator of the requirements of this section. A port terminal operator that violates this section after receiving a warning letter is guilty of a class 2 civil infraction under chapter 7.80 RCW.

(c) Failure of a terminal operator to comply with this section is a violation of chapter 49.17 RCW.

(d) The departments may not take duplicate enforcement actions against an individual or business for violations arising from the same conduct."

On page 1, line 2 of the title, after "facilities;" strike the remainder of the title and insert "adding a new section to chapter 70.54 RCW; and prescribing penalties."

and the same is herewith transmitted.

SUBSTITUTE HOUSE BILL NO. 1706, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 4, 2022

Madame Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1723 with the following amendment:

Strike everything after the enacting clause and insert the following:

"PART 1

INTRODUCTION

NEW SECTION. **Sec. 101.** This act may be known and cited as the digital equity act.

NEW SECTION. **Sec. 102.** (1) The legislature finds that:

(a) Access to the internet is essential to participating in modern day society including, but not limited to, attending school and work, accessing health care, paying for basic services, connecting with family and friends, civic participation, and economic survival.

(b) For too many people in both rural and urban areas, the cost of being online is unaffordable. The legislature recognizes that building the last mile of broadband to the home is prohibitively expensive and that urban areas that are home to people earning low incomes continue to face digital redlining. Across the state there is a lack of affordable plans, barriers to enrolling in appropriate broadband plans, and barriers to fully utilize the opportunities that broadband offers.

(c) The COVID-19 pandemic has further highlighted the need for affordable access, devices, and skills to use the internet.

(d) The need for more accessible and affordable internet is felt more acutely among specific sectors of the population, especially Washington residents in rural areas, people who are currently earning low incomes, seniors and others who lack the skills necessary to get online, people with first languages other than English, immigrant communities, and people with disabilities.

(e) The federal government is allocating considerable sums for investment in digital equity that the state broadband office will help to leverage for residents across Washington. Continued comprehensive efforts, including coordination with tribal partners, are needed to ensure truly equitable access. The legislature recognizes that there will be a need for ongoing development and maintenance of broadband infrastructure. The legislature also recognizes that there is a need for ongoing outreach by community-based partnerships to provide enrollment assistance to lower the cost of internet subscriptions and devices.

(2) Therefore, the legislature intends to broaden access to the internet, the appropriate devices, and the skills to operate online safely and effectively so that all people in Washington can fully participate in our society, democracy, and economy by expanding assistance and

support programs offered in the state and establishing the governor's statewide broadband office as a central access point to such programs.

PART 2

STATE DIGITAL EQUITY PLAN

NEW SECTION. Sec. 201. A new section is added to chapter 43.330 RCW to read as follows:

(1) The office, in consultation with the digital equity forum, the utilities and transportation commission, and the department of social and health services, must develop a state digital equity plan.

(a) The office must seek any available federal funding for purposes of developing and implementing the state digital equity plan.

(b) The state digital equity plan must include such elements as the office determines are necessary to leverage federal funding.

(2) In developing the plan, the office must identify measurable objectives for documenting and promoting digital equity among underserved communities located in the state.

(3) By December 1, 2023, the office must submit a report to the governor and the appropriate committees of the legislature, including the following:

(a) The digital equity plan described in subsection (1) of this section and measurable objectives described in subsection (2) of this section;

(b) A description of how the office collaborated with the membership of the digital equity forum, state agencies, and key stakeholders to develop the plan including, but not limited to, the following:

- (i) Community anchor institutions;
- (ii) Local governments;
- (iii) Local educational agencies;
- (iv) Entities that carry out workforce development programs; and
- (v) Broadband service providers;

(c) A description of federal funding available to advance digital equity in the state, including any available information on the extent to which state residents have enrolled in the affordable connectivity program through an approved provider; and

(d) Recommendations of additional state law or policy that can be targeted to help improve broadband adoption and affordability for state residents. This may include recommendations of ongoing subsidies that the state can provide to low-income individuals and anchor institutions, as well as identification of revenue sources that other states or jurisdictions have developed to fund such subsidies or discounted rates.

(4) For the purpose of this section, "office" means the statewide broadband office established in RCW 43.330.532.

PART 3

DIGITAL EQUITY OPPORTUNITY PROGRAM

Sec. 301. RCW 43.330.530 and 2019 c 365 s 2 are each amended to read as follows:

The definitions in this section apply throughout this section and RCW 43.330.532 through 43.330.538, 43.330.412, and sections 305 and 306 of this act unless the context clearly requires otherwise.

(1) "Board" means the public works board established in RCW 43.155.030.

(2) "Broadband" or "broadband service" means any service providing advanced telecommunications capability and internet access with transmission speeds that, at a minimum, provide twenty-five megabits per second download and three megabits per second upload.

(3) "Broadband infrastructure" means networks of deployed telecommunications equipment and technologies necessary to provide high-speed internet access and other advanced telecommunications services to end users.

(4) "Department" means the department of commerce.

(5) "Last mile infrastructure" means broadband infrastructure that serves as the final connection from a broadband service provider's network to the end-use customer's on-premises telecommunications equipment.

(6) "Local government" includes cities, towns, counties, municipal corporations, public port districts, public utility districts, quasi-municipal corporations, special purpose districts, and multiparty entities comprised of public entity members.

(7) "Middle mile infrastructure" means broadband infrastructure that links a broadband service provider's core network infrastructure to last mile infrastructure.

(8) "Office" means the governor's statewide broadband office established in RCW 43.330.532.

(9) "Tribe" means any federally recognized Indian tribe whose traditional lands and territories included parts of Washington.

(10) "Unserved areas" means areas of Washington in which households and businesses lack access to broadband service, as defined by the office, except that the state's definition for broadband service may not be actual speeds less than twenty-five megabits per second download and three megabits per second upload.

(11)(a) "Advanced telecommunications capability" means, without regard to any transmission media or technology, high-speed, switched, broadband telecommunications capability that enables users to originate and receive high quality voice, data, graphics, and video telecommunications using any technology.

(b) "Advanced telecommunications capability" does not include access to a technology that delivers transmission speeds below the minimum download and upload speeds provided in the definition of broadband in this section.

(12) "Aging individual" means an individual 55 years of age or older.

(13) "Broadband adoption" means the process by which an individual obtains daily access to the internet:

(a) At a speed, quality, price, and capacity necessary for the individual to accomplish common tasks, such that the access qualifies as an advanced telecommunications capability;

(b) Providing individuals with the digital skills necessary to participate online;

(c) On a device connected to the internet and other advanced telecommunications services via a secure and convenient network, with associated end-user broadband infrastructure equipment such as wifi mesh router or repeaters to enable the device to adequately use the internet network; and

(d) With technical support and digital navigation assistance to enable continuity of service and equipment use and utilization.

(14) "Digital equity" means the condition in which individuals and communities in Washington have the information technology capacity that is needed for full participation in society and the economy.

(15)(a) "Digital inclusion" means the activities that are necessary to ensure that all individuals in Washington have access to, and the use of, affordable information and communication technologies including, but not limited to:

(i) Reliable broadband internet service;

(ii) Internet-enabled devices that meet the needs of the user; and

(iii) Applications and online content designed to enable and encourage self-sufficiency, participation, and collaboration.

(b) "Digital inclusion" also includes obtaining access to digital literacy training, the provision of quality technical support, and obtaining basic awareness of measures to ensure online privacy and cybersecurity.

(16) "Digital literacy" means the skills associated with using technology to enable users to use information and communications technologies to find, evaluate, organize, create, and communicate information.

(17) "Low-income" means households as defined by the department of social and health services, provided that the definition may not exceed the higher of 80 percent of area median household income or the self-sufficiency standard as determined by the University of Washington's self-sufficiency calculator.

(18) "Underserved population" means any of the following:

(a) Individuals who live in low-income households;

(b) Aging individuals;

(c) Incarcerated individuals;

(d) Veterans;

(e) Individuals with disabilities;

(f) Individuals with a language barrier, including individuals who are English learners or who have low levels of literacy;

(g) Individuals who are members of a racial or ethnic minority group;

(h) Individuals who primarily reside in a rural area;

(i) Children and youth in foster care;
or

(j) Individuals experiencing housing instability.

Sec. 302. RCW 43.330.532 and 2021 c 258 s 2 are each amended to read as follows:

(1) The governor's statewide broadband office is established. The director of the office must be appointed by the governor. The office may employ staff necessary to carry out the office's duties as prescribed by chapter 365, Laws of 2019, subject to the availability of amounts appropriated for this specific purpose.

(2) The purpose of the office is to encourage, foster, develop, and improve affordable, quality broadband within the state in order to:

(a) Drive job creation, promote innovation, improve economic vitality, and expand markets for Washington businesses;

(b) Serve the ongoing and growing needs of Washington's education systems, health care systems, public safety systems, transportation systems, industries and business, governmental operations, and citizens; and

(c) Improve broadband accessibility and adoption for unserved and underserved communities and populations.

Sec. 303. RCW 43.330.534 and 2021 c 258 s 3 are each amended to read as follows:

(1) The office has the power and duty to:

(a) Serve as the central broadband planning body for the state of Washington;

(b) Coordinate with local governments, tribes, public and private entities, public housing agencies, nonprofit organizations, and consumer-owned and investor-owned utilities to develop strategies and plans promoting

deployment of broadband infrastructure and greater broadband access, while protecting proprietary information;

(c) Review existing broadband initiatives, policies, and public and private investments;

(d) Develop, recommend, and implement a statewide plan to encourage cost-effective broadband access and to make recommendations for increased usage, particularly in rural and other unserved areas;

(e) Update the state's broadband goals and definitions for broadband service in unserved areas as technology advances, except that the state's definition for broadband service may not be actual speeds less than twenty-five megabits per second download and three megabits per second upload; and

(f) Encourage public-private partnerships to increase deployment and adoption of broadband services and applications.

(2) When developing plans or strategies for broadband deployment, the office must consider:

(a) Partnerships between communities, tribes, nonprofit organizations, local governments, consumer-owned and investor-owned utilities, and public and private entities;

(b) Funding opportunities that provide for the coordination of public, private, state, and federal funds for the purposes of making broadband infrastructure or broadband services available to rural and unserved areas of the state;

(c) Barriers to the deployment, adoption, and utilization of broadband service, including affordability of service and project coordination logistics; and

(d) Requiring minimum broadband service of twenty-five megabits per second download and three megabits per second upload speed, that is scalable to faster service.

(3) The office may assist applicants for the grant and loan program created in RCW 43.155.160, the digital equity opportunity program created in RCW 43.330.412, and the digital equity planning grant program created in section 305 of this act with seeking federal funding or matching grants and other grant opportunities for deploying or

increasing adoption of broadband services.

(4) The office may take all appropriate steps to seek and apply for federal funds for which the office is eligible, and other grants, and accept donations, and must deposit these funds in the statewide broadband account created in RCW 43.155.165.

(5) The office shall coordinate an outreach effort to hard-to-reach communities and low-income communities across the state to provide information about broadband programs available to consumers of these communities. The outreach effort must include, but is not limited to, providing information to applicable communities about the federal lifeline program and other low-income broadband benefit programs. The outreach effort must be reviewed by the office of equity annually. The office may contract with other public or private entities to conduct outreach to communities as provided under this subsection.

(6) In carrying out its purpose, the office may collaborate with the utilities and transportation commission, the office of the chief information officer, the department of commerce, the community economic revitalization board, the department of transportation, the public works board, the state librarian, and all other relevant state agencies.

Sec. 304. RCW 43.330.412 and 2011 1st sp.s. c 43 s 607 are each amended to read as follows:

The ~~((community technology opportunity program is created to support the efforts of community technology programs throughout the state. The community technology))~~ digital equity opportunity program is created to advance broadband adoption and digital equity and inclusion throughout the state. The digital equity opportunity program must be administered by the department. The department may contract for services in order to carry out the department's obligations under this section.

(1) In implementing the ~~((community technology))~~ digital equity opportunity program the director must, to the extent funds are appropriated for this purpose:

(a) Provide organizational and capacity building support to ~~((community technology))~~ digital equity programs throughout the state~~(, and identify and facilitate the availability of other~~

~~public and private sources of funds to enhance the purposes of the program and the work of community technology programs. No more than fifteen)) and additional support for the purpose of:~~

(i) Evaluating the impact and efficacy of activities supported by grants awarded under the covered programs; and

(ii) Developing, cataloging, disseminating, and promoting the exchange of best practices, with respect to and independent of the covered programs, in order to achieve digital equity. After July 1, 2024, no more than 15 percent of funds received by the director for the program may be expended on these functions;

(b) Establish a competitive grant program and provide grants to community technology programs to ~~((provide training and skill building opportunities; access to hardware and software; internet connectivity; digital media literacy; assistance in the adoption of information and communication technologies in low-income and underserved areas of the state; and development of locally relevant content and delivery of vital services through))~~ advance digital equity and digital inclusion by providing:

(i) Training and skill-building opportunities;

(ii) Access to hardware and software, including online service costs such as application and software;

(iii) Internet connectivity;

(iv) Digital media literacy and cybersecurity training;

(v) Assistance in the adoption of information and communication technologies for low-income and underserved populations of the state;

(vi) Development of locally relevant content and delivery of vital services through technology; and

(vii) Technical support;

(c) Collaborate with broadband stakeholders, including broadband action teams across the state, in implementing the program as provided under this subsection; and

(d) For the purposes of this section, include wireless meshed network technology.

(2) Grant applicants must:

(a) Provide evidence that the applicant is a nonprofit entity or a public entity that is working in partnership with a nonprofit entity;

(b) Define the geographic area or population to be served;

(c) Include in the application the results of a needs assessment addressing, in the geographic area or among the population to be served: The impact of inadequacies in technology access or knowledge, barriers faced, and services needed;

(d) Explain in detail the strategy for addressing the needs identified and an implementation plan including objectives, tasks, and benchmarks for the applicant and the role that other organizations will play in assisting the applicant's efforts;

~~(e) ((Provide evidence of matching funds and resources, which are equivalent to at least one quarter of the grant amount committed to the applicant's strategy;~~

~~(f))~~ Provide evidence that funds applied for, if received, will be used to provide effective delivery of community technology services in alignment with the goals of this program and to increase the applicant's level of effort beyond the current level; and

~~(g))~~ (f) Comply with such other requirements as the director establishes.

(3) The digital equity forum shall review grant applications and provide input to the director regarding the prioritization of applications in awarding grants among eligible applicants under the program.

(4) In awarding grants under the digital equity opportunity program created in this section, the director must:

(a) Consider the input provided by the digital equity forum, as provided in subsection (3) of this section, in awarding grants; and

(b) Consider the extent to which the mix of grants awarded would increase in the number of prekindergarten through 12th grade students gaining access to greater levels of digital inclusion as a factor in awarding grants.

~~((ten))~~ (5) The director may use no more than 10 percent of funds received for the ((community technology)) digital equity opportunity program to cover administrative expenses.

~~((4))~~ (6) The director must establish expected program outcomes for each grant recipient and must require grant recipients to provide an annual accounting of program outcomes.

NEW SECTION. Sec. 305. A new section is added to chapter 43.330 RCW to read as follows:

(1) Subject to the availability of funds appropriated for this specific purpose, the department shall establish a digital equity planning grant program.

(2)(a) This program must provide grants to local governments, institutions of higher education, workforce development councils, or other entities to fund the development of a digital equity plan for a discrete geographic region of the state. Only the director or the director's designee may authorize expenditures.

(b) Priority must be given for grant applications:

(i) Accompanied by express support from community or neighborhood-based nonprofit organizations, public development authorities, federally recognized Indian tribes in the state, or other community partners and partners from the categories of institutions identified in RCW 43.330.421; and

(ii) That intend to use community-based participatory action research methods as a part of the proposed plan.

(3) An applicant must submit an application to the department in order to be eligible for funding under this section.

(4) The digital equity forum shall review grant applications and provide input to the department regarding the prioritization of applications in awarding grants among eligible applicants under the program.

(5) The department must:

(a) Pursuant to subsection (2)(b) of this section, evaluate and rank applications using objective criteria such as the number of underserved populations served and subjective criteria such as the degree of support

and engagement evidenced by the community who will be served;

(b) Consider the input provided by the forum, as provided in subsection (4) of this section, in awarding grants under the digital equity planning grant program; and

(c) Consider the extent to which the mix of grants awarded would increase in the number of prekindergarten through 12th grade students gaining access to greater levels of digital inclusion as a factor in awarding grants under the digital equity planning grant program.

(6) The department shall develop criteria for what the digital equity plans must include.

(7) The department may adopt rules to implement this section.

NEW SECTION. Sec. 306. A new section is added to chapter 43.330 RCW to read as follows:

(1) The Washington digital equity forum is established for the purpose of developing recommendations to advance digital connectivity in Washington state and advising the statewide broadband office on the digital equity opportunity program as provided under RCW 43.330.412 and the digital equity planning grant program as provided under section 305 of this act.

(2) In developing its recommendations to advance digital connectivity, the forum must:

(a) Develop goals that are consistent with the goals of the governor's statewide broadband office, as provided in RCW 43.330.536;

(b) Strengthen public-private partnerships;

(c) Solicit public input through public hearings or informational sessions;

(d) Work to increase collaboration and communication between local, state, and federal governments and agencies; and

(e) Recommend reforms to current universal service mechanisms.

(3) The directors of the governor's statewide broadband office and the Washington state office of equity are responsible for appointing participating members of the digital equity forum and no appointment may be made unless each

director concurs in the appointment. In making appointments, the directors must prioritize appointees representing:

(a) Federally recognized tribes;

(b) State agencies involved in digital equity; and

(c) Underserved and unserved communities, including historically disadvantaged communities.

(4) A majority of the participating members appointed by the directors must appoint an administrative chair for the forum.

(5) In addition to members appointed by the directors, four legislators may serve on the digital equity forum in an ex officio capacity. Legislative participants must be appointed as follows:

(a) The speaker of the house of representatives must appoint one member from each of the two largest caucuses of the house of representatives; and

(b) The president of the senate must appoint one member from each of the two largest caucuses of the senate.

(6)(a) Funds appropriated to the forum may be used to compensate, for any work done in connection with the forum, additional persons who have lived experience navigating barriers to digital connectivity and digital equity.

(b) Each member of the digital equity forum shall serve without compensation but may be reimbursed for travel expenses as authorized in RCW 43.03.050 and 43.03.060.

(7) Staff for the digital equity forum must be provided by the governor's statewide broadband office and the Washington state office of equity. The governor's statewide broadband office and the Washington state office of equity are jointly responsible for transmitting the recommendations of the digital equity forum to the legislature, consistent with RCW 43.01.036, by October 28, 2025, and every odd-numbered year thereafter.

PART 4

DIGITAL EQUITY ACCOUNT

NEW SECTION. Sec. 401. A new section is added to chapter 80.36 RCW to read as follows:

(1) The digital equity account is created in the state treasury. Moneys in

the account may be spent only after appropriation.

(2) Any amounts appropriated by the legislature to the account, private contributions, or any other source directed to the account, must be deposited into the account. Funds from sources outside the state, from private contributions, federal or other sources may be directed to the specific purposes of the digital equity opportunity program or digital equity planning grant program.

(3) The legislature may appropriate moneys in the account only for the purposes of:

(a) RCW 43.330.412, the digital equity opportunity program; and

(b) Section 305 of this act, the digital equity planning grant program.

PART 5

MISCELLANEOUS PROVISIONS

NEW SECTION. Sec. 501. The director of the department of commerce or the director's designee, and the director of the statewide broadband office or the director's designee, may take any actions necessary to ensure that the provisions of this act are implemented on the date identified in section 502 of this act.

NEW SECTION. Sec. 502. Sections 101, 102, 301 through 305, and 401 of this act take effect July 1, 2023.

NEW SECTION. Sec. 503. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 504. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2022, in the omnibus appropriations act, this act is null and void."

On page 1, line 3 of the title, after "training;" strike the remainder of the title and insert "amending RCW 43.330.530, 43.330.532, 43.330.534, and 43.330.412; adding new sections to chapter 43.330 RCW; adding a new section to chapter 80.36 RCW; creating new sections; and providing an effective date."

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1723, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 2, 2022

Madame Speaker:

The Senate has passed HOUSE BILL NO. 1975 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes the important role housing

authorities play in providing much needed affordable housing to more than 35,000 households through their inventory of rental housing, including through workforce housing programs where housing authorities keep rents as low as possible and operate on very thin margins.

The legislature finds that for nearly 30 years without issue, objection, or complaint, housing authorities have been contracting with property management services companies for site operations at unsubsidized workforce housing properties. The legislature further finds that it is critical to continue efforts to preserve and expand naturally occurring workforce housing units statewide. Therefore, the legislature recognizes that, at unsubsidized housing authority properties, tenant rents and deposits paid to property management companies and used to pay for regular maintenance and operations are private funds and such maintenance work is not a public work.

Sec. 2. RCW 35.82.070 and 2002 c 218 s 22 are each amended to read as follows:

An authority shall constitute a public body corporate and politic, exercising public and essential governmental functions, and having all the powers necessary or convenient to carry out and effectuate the purposes and provisions of this chapter, including the following powers in addition to others herein granted:

(1) To sue and be sued; to have a seal and to alter the same at pleasure; to have perpetual succession; to make and execute contracts and other instruments, including but not limited to partnership agreements and joint venture agreements, necessary or convenient to the exercise of the powers of the authority; to participate in the organization or the operation of a nonprofit corporation which has as one of its purposes to provide or assist in the provision of housing for persons of low income; and to make and from time to time amend and repeal bylaws, rules and regulations, not inconsistent with this chapter, to carry into effect the powers and purposes of the authority.

(2) Within its area of operation: To prepare, carry out, acquire, lease and operate housing projects; to provide for the construction, reconstruction, improvement, alteration or repair of any housing project or any part thereof; to

agree to rent or sell dwellings forming part of the projects to or for persons of low income. Where an agreement or option is made to sell a dwelling to a person of low income, the authority may convey the dwelling to the person upon fulfillment of the agreement irrespective of whether the person is at the time of the conveyance a person of low income. Leases, options, agreements, or conveyances may include such covenants as the authority deems appropriate to assure the achievement of the objectives of this chapter.

(3) To acquire, lease, rent, sell, or otherwise dispose of any commercial space located in buildings or structures containing a housing project or projects.

(4) To arrange or contract for the furnishing by any person or agency, public or private, of services, privileges, works, or facilities for, or in connection with, a housing project or the occupants thereof; and (notwithstanding anything to the contrary contained in this chapter or in any other provision of law) to include in any contract let in connection with a project, stipulations requiring that the contractor and any subcontractors comply with requirements as to minimum wages and maximum hours of labor, and comply with any conditions which the federal government may have attached to its financial aid of the project.

(5) To lease or rent any dwellings, houses, accommodations, lands, buildings, structures or facilities embraced in any housing project and (subject to the limitations contained in this chapter) to establish and revise the rents or charges therefor; to own or manage buildings containing a housing project or projects as well as commercial space or other dwelling units that do not constitute a housing project as that term is defined in this chapter. However, notwithstanding the provisions under subsection (1) of this section, dwelling units made available or sold to persons of low income, together with functionally related and subordinate facilities, shall occupy at least (~~fifty~~) 50 percent of the interior space in the total development owned by the authority or at least (~~fifty~~) 50 percent of the total number of units in the development owned by the authority, whichever produces the greater number of units for persons of low income, and for mobile home parks, the mobile home lots made

available to persons of low income shall be at least (~~(fifty)~~) 50 percent of the total number of mobile home lots in the park owned by the authority; to own, hold, and improve real or personal property; to purchase, lease, obtain options upon, acquire by gift, grant, bequest, devise, or otherwise including financial assistance and other aid from the state or any public body, person or corporation, any real or personal property or any interest therein; to acquire by the exercise of the power of eminent domain any real property; to sell, lease, exchange, transfer, assign, pledge, or dispose of any real or personal property or any interest therein; to sell, lease, exchange, transfer, or dispose of any real or personal property or interest therein at less than fair market value to a governmental entity for any purpose when such action assists the housing authority in carrying out its powers and purposes under this chapter, to a low-income person or family for the purpose of providing housing for that person or family, or to a nonprofit corporation provided the nonprofit corporation agrees to sell the property to a low-income person or family or to use the property for the provision of housing for persons of low income for at least (~~(twenty)~~) 20 years; to insure or provide for the insurance of any real or personal property or operations of the authority against any risks or hazards; to procure or agree to the procurement of insurance or guarantees from the federal government of the payment of any bonds or parts thereof issued by an authority, including the power to pay premiums on any such insurance.

(6) To contract with a property management services company for purposes of operating a housing project. Rental and other project revenues collected by a property management services company from the housing project's tenants and used to pay administrative operating and ordinary maintenance costs incurred by the company under the terms of the contract with the authority shall be treated as private funds, and any resulting services as executed at the cost of the property management services company and the housing project's tenants, until the net operating revenues are distributed to the authority for its exclusive use and control. For the purposes of this subsection, "ordinary maintenance" only includes: Routine

repairs related to unit turnover work; grounds and parking lot upkeep; and repairs and cleaning work needed to keep a property in a clean, safe, sanitary, and rentable condition that are customarily undertaken or administered by residential property management services companies. "Ordinary maintenance" does not include repairs that would be considered replacement capital repairs or scheduled regular maintenance work on plumbing, electrical, or HVAC/R systems or their components.

(7) To invest any funds held in reserves or sinking funds, or any funds not required for immediate disbursement, in property or securities in which savings banks may legally invest funds subject to their control; to purchase its bonds at a price not more than the principal amount thereof and accrued interest, all bonds so purchased to be canceled.

~~((47))~~ (8) Within its area of operation: To investigate into living, dwelling and housing conditions and into the means and methods of improving such conditions; to determine where slum areas exist or where there is a shortage of decent, safe and sanitary dwelling accommodations for persons of low income; to make studies and recommendations relating to the problem of clearing, replanning and reconstructing of slum areas, and the problem of providing dwelling accommodations for persons of low income, and to cooperate with the city, the county, the state or any political subdivision thereof in action taken in connection with such problems; and to engage in research, studies and experimentation on the subject of housing.

~~((48))~~ (9) Acting through one or more commissioners or other person or persons designated by the authority: To conduct examinations and investigations and to hear testimony and take proof under oath at public or private hearings on any matter material for its information; to administer oaths, issue subpoenas requiring the attendance of witnesses or the production of books and papers and to issue commissions for the examination of witnesses who are outside of the state or unable to attend before the authority, or excused from attendance; to make available to appropriate agencies (including those charged with the duty of abating or requiring the correction of

nuisances or like conditions, or of demolishing unsafe or insanitary structures within its area of operation) its findings and recommendations with regard to any building or property where conditions exist which are dangerous to the public health, morals, safety or welfare.

~~((9))~~ (10) To initiate eviction proceedings against any tenant as provided by law. Activity occurring in any housing authority unit that constitutes a violation of chapter 69.41, 69.50, or 69.52 RCW shall constitute a nuisance for the purpose of RCW 59.12.030(5).

~~((10))~~ (11) To exercise all or any part or combination of powers herein granted.

No provisions of law with respect to the acquisition, operation or disposition of property by other public bodies shall be applicable to an authority unless the legislature shall specifically so state.

~~((11))~~ (12) To agree (notwithstanding the limitation contained in RCW 35.82.210) to make such payments in lieu of taxes as the authority finds consistent with the achievement of the purposes of this chapter.

~~((12))~~ (13) Upon the request of a county or city, to exercise any powers of a community renewal agency under chapter 35.81 RCW or a public corporation, commission, or authority under chapter 35.21 RCW.

~~((13))~~ (14) To exercise the powers granted in this chapter within the boundaries of any city, town, or county not included in the area in which such housing authority is originally authorized to function: PROVIDED, HOWEVER, The governing or legislative body of such city, town, or county, as the case may be, adopts a resolution declaring that there is a need for the authority to function in such territory.

~~((14))~~ (15) To administer contracts for assistance payments to persons of low income in accordance with section 8 of the United States Housing Act of 1937, as amended by Title II, section 201 of the Housing and Community Development Act of 1974, P.L. 93-383.

~~((15))~~ (16) To sell at public or private sale, with or without public

bidding, for fair market value, any mortgage or other obligation held by the authority.

~~((16))~~ (17) To the extent permitted under its contract with the holders of bonds, notes, and other obligations of the authority, to consent to any modification with respect to rate of interest, time, and payment of any installment of principal or interest security, or any other term of any contract, mortgage, mortgage loan, mortgage loan commitment, contract, or agreement of any kind to which the authority is a party.

~~((17))~~ (18) To make, purchase, participate in, invest in, take assignments of, or otherwise acquire loans to persons of low income to enable them to acquire, construct, reconstruct, rehabilitate, improve, lease, or refinance their dwellings, and to take such security therefor as is deemed necessary and prudent by the authority.

~~((18))~~ (19) To make, purchase, participate in, invest in, take assignments of, or otherwise acquire loans for the acquisition, construction, reconstruction, rehabilitation, improvement, leasing, or refinancing of land, buildings, or developments for housing for persons of low income. For purposes of this subsection, development shall include either land or buildings or both.

(a) Any development financed under this subsection shall be subject to an agreement that for at least ~~((twenty))~~ 20 years the dwelling units made available to persons of low income together with functionally related and subordinate facilities shall occupy at least ~~((fifty))~~ 50 percent of the interior space in the total development or at least ~~((fifty))~~ 50 percent of the total number of units in the development, whichever produces the greater number of units for persons of low income. For mobile home parks, the mobile home lots made available to persons of low income shall be at least ~~((fifty))~~ 50 percent of the total number of mobile home lots in the park. During the term of the agreement, the owner shall use its best efforts in good faith to maintain the dwelling units or mobile home lots required to be made available to persons of low income at rents affordable to persons of low income. The ~~((twenty-year))~~ 20-year requirement under this subsection ~~((18))~~ (19)(a) shall not

apply when an authority finances the development by nonprofit corporations or governmental units of dwellings or mobile home lots intended for sale to persons of low and moderate income, and shall not apply to construction or other short-term financing provided to nonprofit corporations or governmental units when the financing has a repayment term of one year or less.

(b) In addition, if the development is owned by a for-profit entity, the dwelling units or mobile home lots required to be made available to persons of low income shall be rented to persons whose incomes do not exceed ~~((fifty))~~ 50 percent of the area median income, adjusted for household size, and shall have unit or lot rents that do not exceed ~~((fifteen))~~ 15 percent of area median income, adjusted for household size, unless rent subsidies are provided to make them affordable to persons of low income.

For purposes of this subsection ~~((18))~~ (19)(b), if the development is owned directly or through a partnership by a governmental entity or a nonprofit organization, which nonprofit organization is itself not controlled by a for-profit entity or affiliated with any for-profit entity that a nonprofit organization itself does not control, it shall not be treated as being owned by a for-profit entity when the governmental entity or nonprofit organization exercises legal control of the ownership entity and in addition, (i) the dwelling units or mobile home lots required to be made available to persons of low income are rented to persons whose incomes do not exceed ~~((sixty))~~ 60 percent of the area median income, adjusted for household size, and (ii) the development is subject to an agreement that transfers ownership to the governmental entity or nonprofit organization or extends an irrevocable right of first refusal to purchase the development under a formula for setting the acquisition price that is specified in the agreement.

(c) Commercial space in any building financed under this subsection that exceeds four stories in height shall not constitute more than ~~((twenty))~~ 20 percent of the interior area of the building. Before financing any development under this subsection the authority shall make a written finding that financing is important for project feasibility or necessary to enable the

authority to carry out its powers and purposes under this chapter.

~~((19))~~ (20) To contract with a public authority or corporation, created by a county, city, or town under RCW 35.21.730 through 35.21.755, to act as the developer for new housing projects or improvement of existing housing projects."

On page 1, line 2 of the title, after "properties;" strike the remainder of the title and insert "amending RCW 35.82.070; and creating a new section."

HOUSE BILL NO. 1975, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 4, 2022

Madame Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 2008 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that requiring intelligence quotient testing to determine if a person has an intellectual or developmental disability is expensive, inaccessible to marginalized communities, complicated to receive, and time consuming for families already struggling to care for their child with an intellectual or developmental disability. Further, the legislature finds that intelligence quotient testing does not accurately indicate whether a person needs support to be personally and socially productive, which is the goal of the developmental disabilities administration outlined in RCW 71A.10.015. Therefore, the legislature finds that requiring intelligence quotient testing in assessing whether a person has an intellectual or developmental disability is not an appropriate diagnostic tool and eliminating the use of intelligence quotient scores has been a goal of the legislature for more than 40 years.

Sec. 2. RCW 71A.10.020 and 2014 c 139 s 2 are each reenacted and amended to read as follows:

As used in this title, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) "Administration" means the department of social and health services developmental disabilities administration.

(2) "Assessment" means an evaluation is provided by the department to determine:

(a) If the individual meets functional and financial criteria for medicaid services; and

(b) The individual's support needs for service determination.

~~((2))~~ (3) "Community residential support services," or "community support services," and "in-home services" means one or more of the services listed in RCW 71A.12.040.

~~((3))~~ (4) "Crisis stabilization services" means services provided to persons with developmental disabilities who are experiencing behaviors that jeopardize the safety and stability of their current living situation. Crisis stabilization services include:

(a) Temporary intensive services and supports, typically not to exceed sixty days, to prevent psychiatric hospitalization, institutional placement, or other out-of-home placement; and

(b) Services designed to stabilize the person and strengthen their current living situation so the person may continue to safely reside in the community during and beyond the crisis period.

~~((4))~~ (5) "Department" means the department of social and health services.

~~((5))~~ (6) "Developmental disability" means a disability attributable to intellectual disability, cerebral palsy, epilepsy, autism, or another neurological or other condition of an individual found by the secretary to be closely related to an intellectual disability or to require treatment similar to that required for individuals with intellectual disabilities, which disability originates before the individual attains age eighteen, which has continued or can be expected to continue indefinitely, and which constitutes a substantial limitation to the individual. By ~~((January 1, 1989))~~ June 30, 2025, the ~~((department))~~ administration shall promulgate rules ~~((which))~~ to further define ~~((neurological or other conditions in a way that is not limited to))~~ developmental disability without the use of intelligence quotient scores ~~((as the sole determinant of these conditions, and notify the legislature of this action)).~~

~~((6))~~ (7) "Eligible person" means a person who has been found by the secretary under RCW 71A.16.040 to be eligible for services.

~~((7))~~ (8) "Habilitative services" means those services provided by program personnel to assist persons in acquiring and maintaining life skills and to raise

their levels of physical, mental, social, and vocational functioning. Habilitative services include education, training for employment, and therapy.

~~((8))~~ (9) "Legal representative" means a parent of a person who is under eighteen years of age, a person's legal guardian, a person's limited guardian when the subject matter is within the scope of the limited guardianship, a person's attorney-at-law, a person's attorney-in-fact, or any other person who is authorized by law to act for another person.

~~((9))~~ (10) "Notice" or "notification" of an action of the secretary means notice in compliance with RCW 71A.10.060.

~~((10))~~ (11) "Residential habilitation center" means a state-operated facility for persons with developmental disabilities governed by chapter 71A.20 RCW.

~~((11))~~ (12) "Respite services" means relief for families and other caregivers of people with disabilities, typically not to exceed ninety days, to include both in-home and out-of-home respite care on an hourly and daily basis, including twenty-four hour care for several consecutive days. Respite care workers provide supervision, companionship, and personal care services temporarily replacing those provided by the primary caregiver of the person with disabilities. Respite care may include other services needed by the client, including medical care which must be provided by a licensed health care practitioner.

~~((12))~~ (13) "Secretary" means the secretary of social and health services or the secretary's designee.

~~((13))~~ (14) "Service" or "services" means services provided by state or local government to carry out this title.

~~((14))~~ (15) "Service request list" means a list of eligible persons who have received an assessment for service determination and their assessment shows that they meet the eligibility requirements for the requested service but were denied access due to funding limits.

~~((15))~~ (16) "State-operated living alternative" means programs for community residential services which may include assistance with activities of

daily living, behavioral, habilitative, interpersonal, protective, medical, nursing, and mobility supports to individuals who have been assessed by the department as meeting state and federal requirements for eligibility in home and community-based waiver programs for individuals with developmental disabilities. State-operated living alternatives are operated and staffed with state employees.

~~((16))~~ (17) "Supported living" means community residential services and housing which may include assistance with activities of daily living, behavioral, habilitative, interpersonal, protective, medical, nursing, and mobility supports provided to individuals with disabilities who have been assessed by the department as meeting state and federal requirements for eligibility in home and community-based waiver programs for individuals with developmental disabilities. Supported living services are provided under contracts with private agencies or with individuals who are not state employees.

~~((17))~~ (18) "Vacancy" means an opening at a residential habilitation center, which when filled, would not require the center to exceed its biennially budgeted capacity.

Sec. 3. RCW 71A.16.020 and 1988 c 176 s 402 are each amended to read as follows:

(1) A person is eligible for services under this title if the secretary finds that the person has a developmental disability as defined in RCW 71A.10.020~~((2))~~.

(2) The secretary may adopt rules further defining and implementing the criteria in the definition of "developmental disability" under RCW 71A.10.020~~((2))~~. Beginning July 1, 2025, the administration may not use intelligence quotient scores as a determinant of developmental disability. The administration shall maintain eligibility for the administration's services for any persons determined eligible after the age of 18 who were determined eligible using an intelligence quotient score under criteria in place prior to July 1, 2025. The administration shall not disenroll any client upon review at 18 years old who is determined to be eligible based on standards in place prior to or after July 1, 2025."

On page 1, line 3 of the title, after "disabilities;" strike the remainder of the title and insert "amending RCW 71A.16.020; reenacting and amending RCW 71A.10.020; and creating a new section."

and the same is herewith transmitted.

SECOND SUBSTITUTE HOUSE BILL NO. 2008, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 2, 2022

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2057 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** (1) The legislature finds that:

(a) In 2021, the total Washington state patrol workforce was 84 percent white and 67 percent male, the field force workforce was 86 percent white and 86 percent male, and the managerial staff was as high as 93 percent white;

(b) A strong diversity, equity, and inclusion strategic recruitment and retention plan is necessary to:

(i) Provide the state patrol with the benefits of a diverse workforce, improving service to the public, increasing employee productivity, and providing new perspectives and innovative approaches to achieving the agency's mission of enhancing the safety and security of all people and communities; and

(ii) Fill vacancies with those who are from historically and currently marginalized communities;

(c) Public employment opportunities at the Washington state patrol should provide all commissioned and noncommissioned staff full access to the opportunities, power, and resources each needs in the staff person's career; and

(d) The transition to a culture that fosters workforce diversity, equity, and inclusion requires steadfast commitment over the long term.

(2) Therefore, the legislature intends to:

(a) Challenge the state patrol to change and adapt its culture to attract and retain a diverse workforce representative of those who have been historically and currently marginalized and is representative of the labor force as a whole;

(b) Establish effective legislative and executive oversight mechanisms to increase workforce parity by eliminating disparities in the state patrol's workforce;

(c) Increase accountability and transparency relating to the state

patrol's progress in achieving equity in its workforce; and

(d) Provide technical assistance and support for the state patrol's diversity, equity, and inclusion efforts over the long term.

NEW SECTION. **Sec. 2.** A new section is added to chapter 43.06D RCW to read as follows:

(1) Consistent with its purpose of promoting access to equitable opportunities and resources to reduce disparities, the Washington state office of equity shall provide oversight for the development and ongoing implementation of the Washington state patrol's diversity, equity, and inclusion strategic recruitment and retention plan.

(2) To accomplish this purpose, the office of equity shall work with the department of enterprise services, which will run and oversee a competitive procurement process to select and hire an independent, expert consultant to:

(a) Collect benchmark demographic data on the composition of the current Washington state patrol workforce, including applicants in the recruitment process, people in trooper academy classes, and new hires across positions in the agency including, and not limited to, applicants referred for interview; applicants referred for hire; applicant to hire ratios; applicants referred for psychological testing; applicant pass to fail ratios; and turnover rate. In addition, this task must include comparative demographic data for other law enforcement training classes within the state;

(b) Conduct a study of the labor force available for the commissioned and noncommissioned staff of the state patrol, with a focus on the availability of black, indigenous, Latino, Asian, and other groups currently underrepresented in the state patrol workforce;

(c) Using the results of the labor force availability study and Washington state patrol recruitment and retention demographic benchmark data, establish goals for the demographic composition of the state patrol workforce and a plan for reaching the goals;

(d) Develop agency-specific process and outcome measures of performance, taking into consideration community

feedback on whether the performance measures established accurately measure the effectiveness of agency programs and services in the communities served;

(e) Recommend effective agency programs and services to reduce disparities across the agency;

(f) Evaluate and report on progress in the implementation of the diversity, equity, and inclusion strategic recruitment and retention plan developed for the Washington state patrol in 2021;

(g) In coordination with the Washington state patrol, annually update the diversity, equity, and inclusion strategic recruitment and retention plan to reflect activities completed, new strategies, and next steps;

(h) Report biannually to the governor and appropriate committees of the legislature on the composition of the current Washington state patrol workforce compared to established benchmarks and goals; and

(i) Otherwise assist the office of equity in monitoring and reporting the Washington state patrol's implementation of the diversity, equity, and inclusion strategic recruitment and retention plan.

(3) The office is directed to complete the following work in accordance with RCW 43.06D.040:

(a) Provide technical assistance to the Washington state patrol regarding best practices to effectively foster an equitable, just, diverse workforce;

(b) Publish the Washington state patrol's diversity, equity, and inclusion strategic recruitment and retention plan on its performance dashboard;

(c) Report the Washington state patrol's performance on the office's performance dashboard, providing for a process for the Washington state patrol to respond to the report;

(d) Establish accountability procedures for the Washington state patrol, which may include conducting performance reviews related to state patrol compliance with office performance measures consistent with RCW 43.06D.040;

(e) Report annually to the governor and appropriate committees of the legislature on the Washington state

patrol's compliance with developing its diversity, equity, and inclusion strategic recruitment and retention plan in accordance with the office of equity standards and the state patrol's progress made toward performance measures in its diversity, equity, and inclusion strategic recruitment and retention plan.

(4) This section expires June 30, 2032."

On page 1, line 2 of the title, after "workforce;" strike the remainder of the title and insert "adding a new section to chapter 43.06D RCW; creating a new section; and providing an expiration date."

and the same is herewith transmitted.

MESSAGE FROM THE SENATE

March 3, 2022

Madame Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1664 with the following amendment:

On page 1, after line 7, insert the following:

"NEW SECTION. **Sec. 1.** The legislature recognizes that school nurses, social workers, psychologists, and school counselors are uniquely qualified to provide essential supports that address the physical, social, and emotional needs of students. As the COVID-19 pandemic continues to impact the health and well-being of students, the need for comprehensive student supports has grown beyond what is currently funded in the prototypical school model. Therefore, the legislature intends to provide increased allocations to school districts that demonstrate they have hired staff for these roles. The legislature hopes that this enhanced state funding will allow school districts to redirect local levy dollars previously spent on these positions to address learning loss resulting from the COVID-19 pandemic or to hire additional physical, social, and emotional support staff."

Renumber the remaining sections consecutively and correct any internal references accordingly.

On page 1, line 5 of the title, after "creating" strike "a new section" and insert "new sections"

and the same is herewith transmitted.

MESSAGE FROM THE SENATE

March 4, 2022

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1689 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 48.43 RCW to read as follows:

(1) Health plans issued or renewed on or after January 1, 2023, shall exempt an enrollee from prior authorization requirements for coverage of biomarker testing for either of the following:

(a) Stage 3 or 4 cancer; or

(b) Recurrent, relapsed, refractory, or metastatic cancer.

(2) For purposes of this section, "biomarker test" means a single or multigene diagnostic test of the cancer patient's biospecimen, such as tissue, blood, or other bodily fluids, for DNA, RNA, or protein alterations, including phenotypic characteristics of a malignancy, to identify an individual with a subtype of cancer, in order to guide patient treatment.

(3) For purposes of this section, biomarker testing must be:

(a) Recommended in the latest version of nationally recognized guidelines or biomarker compendia, such as those published by the national comprehensive cancer network;

(b) Approved by the United States food and drug administration or a validated clinical laboratory test performed in a clinical laboratory certified under the clinical laboratory improvement amendments or in an alternative laboratory program approved by the centers for medicare and medicaid services;

(c) A covered service; and

(d) Prescribed by an in-network provider.

(4) This section does not limit, prohibit, or modify an enrollee's rights to biomarker testing as part of an approved clinical trial under chapter 69.77 RCW.

(5) Nothing in this section may be construed to mandate coverage of a health care service.

(6) Nothing in this section prohibits a health plan from requiring a biomarker test prior to approving a drug or treatment.

(7) This section does not limit an enrollee's rights to access individual gene tests."

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1689, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 3, 2022

Madame Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1773 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 71.05.020 and 2021 c 264 s 21 and 2021 c 263 s 12 are each reenacted and amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Admission" or "admit" means a decision by a physician, physician assistant, or psychiatric advanced registered nurse practitioner that a person should be examined or treated as a patient in a hospital;

(2) "Alcoholism" means a disease, characterized by a dependency on alcoholic beverages, loss of control over the amount and circumstances of use, symptoms of tolerance, physiological or psychological withdrawal, or both, if use is reduced or discontinued, and impairment of health or disruption of social or economic functioning;

(3) "Antipsychotic medications" means that class of drugs primarily used to treat serious manifestations of mental illness associated with thought disorders, which includes, but is not limited to atypical antipsychotic medications;

(4) "Approved substance use disorder treatment program" means a program for persons with a substance use disorder provided by a treatment program certified by the department as meeting standards adopted under chapter 71.24 RCW;

(5) "Attending staff" means any person on the staff of a public or private agency having responsibility for the care and treatment of a patient;

(6) "Authority" means the Washington state health care authority;

(7) "Behavioral health disorder" means either a mental disorder as defined in this section, a substance use disorder as defined in this section, or a co-occurring mental disorder and substance use disorder;

(8) "Behavioral health service provider" means a public or private agency that provides mental health, substance use disorder, or co-occurring disorder services to persons with behavioral health disorders as defined under this section and receives funding from public sources. This includes, but is not limited to: Hospitals licensed under chapter 70.41 RCW; evaluation and treatment facilities as defined in this section; community mental health service delivery systems or community behavioral health programs as defined in RCW 71.24.025; licensed or certified

behavioral health agencies under RCW 71.24.037; facilities conducting competency evaluations and restoration under chapter 10.77 RCW; approved substance use disorder treatment programs as defined in this section; secure withdrawal management and stabilization facilities as defined in this section; and correctional facilities operated by state and local governments;

(9) "Co-occurring disorder specialist" means an individual possessing an enhancement granted by the department of health under chapter 18.205 RCW that certifies the individual to provide substance use disorder counseling subject to the practice limitations under RCW 18.205.105;

(10) "Commitment" means the determination by a court that a person should be detained for a period of either evaluation or treatment, or both, in an inpatient or a less restrictive setting;

(11) "Community behavioral health agency" has the same meaning as "licensed or certified behavioral health agency" defined in RCW 71.24.025;

(12) "Conditional release" means a revocable modification of a commitment, which may be revoked upon violation of any of its terms;

(13) "Crisis stabilization unit" means a short-term facility or a portion of a facility licensed or certified by the department, such as an evaluation and treatment facility or a hospital, which has been designed to assess, diagnose, and treat individuals experiencing an acute crisis without the use of long-term hospitalization;

(14) "Custody" means involuntary detention under the provisions of this chapter or chapter 10.77 RCW, uninterrupted by any period of unconditional release from commitment from a facility providing involuntary care and treatment;

(15) "Department" means the department of health;

(16) "Designated crisis responder" means a mental health professional appointed by the county, by an entity appointed by the county, or by the authority in consultation with a federally recognized Indian tribe or after meeting and conferring with an

Indian health care provider, to perform the duties specified in this chapter;

(17) "Detention" or "detain" means the lawful confinement of a person, under the provisions of this chapter;

(18) "Developmental disabilities professional" means a person who has specialized training and three years of experience in directly treating or working with persons with developmental disabilities and is a psychiatrist, physician assistant working with a supervising psychiatrist, psychologist, psychiatric advanced registered nurse practitioner, or social worker, and such other developmental disabilities professionals as may be defined by rules adopted by the secretary of the department of social and health services;

(19) "Developmental disability" means that condition defined in RCW 71A.10.020(5);

(20) "Director" means the director of the authority;

(21) "Discharge" means the termination of hospital medical authority. The commitment may remain in place, be terminated, or be amended by court order;

(22) "Drug addiction" means a disease, characterized by a dependency on psychoactive chemicals, loss of control over the amount and circumstances of use, symptoms of tolerance, physiological or psychological withdrawal, or both, if use is reduced or discontinued, and impairment of health or disruption of social or economic functioning;

(23) "Evaluation and treatment facility" means any facility which can provide directly, or by direct arrangement with other public or private agencies, emergency evaluation and treatment, outpatient care, and timely and appropriate inpatient care to persons suffering from a mental disorder, and which is licensed or certified as such by the department. The authority may certify single beds as temporary evaluation and treatment beds under RCW 71.05.745. A physically separate and separately operated portion of a state hospital may be designated as an evaluation and treatment facility. A facility which is part of, or operated by, the department of social and health services or any federal agency will not require certification. No correctional institution or facility, or jail, shall

be an evaluation and treatment facility within the meaning of this chapter;

(24) "Gravely disabled" means a condition in which a person, as a result of a behavioral health disorder: (a) Is in danger of serious physical harm resulting from a failure to provide for his or her essential human needs of health or safety; or (b) manifests severe deterioration in routine functioning evidenced by repeated and escalating loss of cognitive or volitional control over his or her actions and is not receiving such care as is essential for his or her health or safety;

(25) "Habilitative services" means those services provided by program personnel to assist persons in acquiring and maintaining life skills and in raising their levels of physical, mental, social, and vocational functioning. Habilitative services include education, training for employment, and therapy. The habilitative process shall be undertaken with recognition of the risk to the public safety presented by the person being assisted as manifested by prior charged criminal conduct;

(26) "Hearing" means any proceeding conducted in open court that conforms to the requirements of RCW 71.05.820;

(27) "History of one or more violent acts" refers to the period of time ten years prior to the filing of a petition under this chapter, excluding any time spent, but not any violent acts committed, in a behavioral health facility, or in confinement as a result of a criminal conviction;

(28) "Imminent" means the state or condition of being likely to occur at any moment or near at hand, rather than distant or remote;

(29) "In need of assisted outpatient ~~((behavioral health))~~ treatment" ~~((means that a person, as a result of a behavioral health disorder: (a) Has been committed by a court to detention for involuntary behavioral health treatment during the preceding thirty six months; (b) is unlikely to voluntarily participate in outpatient treatment without an order for less restrictive alternative treatment, based on a history of nonadherence with treatment or in view of the person's current behavior; (c) is likely to benefit from less restrictive alternative treatment; and (d) requires less restrictive alternative treatment to prevent a relapse, decompensation, or~~

~~deterioration that is likely to result in the person presenting a likelihood of serious harm or the person becoming gravely disabled within a reasonably short period of time))~~ refers to a person who meets the criteria for assisted outpatient treatment established under RCW 71.05.148;

(30) "Individualized service plan" means a plan prepared by a developmental disabilities professional with other professionals as a team, for a person with developmental disabilities, which shall state:

(a) The nature of the person's specific problems, prior charged criminal behavior, and habilitation needs;

(b) The conditions and strategies necessary to achieve the purposes of habilitation;

(c) The intermediate and long-range goals of the habilitation program, with a projected timetable for the attainment;

(d) The rationale for using this plan of habilitation to achieve those intermediate and long-range goals;

(e) The staff responsible for carrying out the plan;

(f) Where relevant in light of past criminal behavior and due consideration for public safety, the criteria for proposed movement to less-restrictive settings, criteria for proposed eventual discharge or release, and a projected possible date for discharge or release; and

(g) The type of residence immediately anticipated for the person and possible future types of residences;

(31) "Intoxicated person" means a person whose mental or physical functioning is substantially impaired as a result of the use of alcohol or other psychoactive chemicals;

(32) "Judicial commitment" means a commitment by a court pursuant to the provisions of this chapter;

(33) "Legal counsel" means attorneys and staff employed by county prosecutor offices or the state attorney general acting in their capacity as legal representatives of public behavioral health service providers under RCW 71.05.130;

(34) "Less restrictive alternative treatment" means a program of individualized treatment in a less restrictive setting than inpatient treatment that includes the services described in RCW 71.05.585. This term includes: Treatment pursuant to a less restrictive alternative treatment order under RCW 71.05.240 or 71.05.320; treatment pursuant to a conditional release under RCW 71.05.340; and treatment pursuant to an assisted outpatient ~~((behavioral health))~~ treatment order under RCW 71.05.148;

(35) "Licensed physician" means a person licensed to practice medicine or osteopathic medicine and surgery in the state of Washington;

(36) "Likelihood of serious harm" means:

Sec. 3. RCW 71.05.148 and 2019 c 446 s 21 are each amended to read as follows:

~~((This section establishes a process for initial evaluation and filing of a~~

~~petition for assisted outpatient behavioral health treatment, but however does not preclude the filing of a petition for assisted outpatient behavioral health treatment following a period of inpatient detention in appropriate circumstances.))~~

~~(1) ((The designated crisis responder)) A person is in need of assisted outpatient treatment if the court finds by clear, cogent, and convincing evidence pursuant to a petition filed under this section that:~~

~~(a) The person has a behavioral health disorder;~~

~~(b) Based on a clinical determination and in view of the person's treatment history and current behavior, at least one of the following is true:~~

~~(i) The person is unlikely to survive safely in the community without supervision and the person's condition is substantially deteriorating; or~~

~~(ii) The person is in need of assisted outpatient treatment in order to prevent a relapse or deterioration that would be likely to result in grave disability or a likelihood of serious harm to the person or to others;~~

~~(c) The person has a history of lack of compliance with treatment for his or her behavioral health disorder that has:~~

~~(i) At least twice within the 36 months prior to the filing of the petition been a significant factor in necessitating hospitalization of the person, or the person's receipt of services in a forensic or other mental health unit of a state correctional facility or local correctional facility, provided that the 36-month period shall be extended by the length of any hospitalization or incarceration of the person that occurred within the 36-month period;~~

~~(ii) At least twice within the 36 months prior to the filing of the petition been a significant factor in necessitating emergency medical care or hospitalization for behavioral health-related medical conditions including overdose, infected abscesses, sepsis, endocarditis, or other maladies, or a significant factor in behavior which resulted in the person's incarceration in a state or local correctional facility; or~~

~~(iii) Resulted in one or more violent acts, threats, or attempts to cause~~

serious physical harm to the person or another within the 48 months prior to the filing of the petition, provided that the 48-month period shall be extended by the length of any hospitalization or incarceration of the person that occurred during the 48-month period;

(d) Participation in an assisted outpatient treatment program would be the least restrictive alternative necessary to ensure the person's recovery and stability; and

(e) The person will benefit from assisted outpatient treatment.

(2) The following individuals may directly file a petition for less restrictive alternative treatment on the basis that a person is in need of assisted outpatient treatment:

(a) The director of a hospital where the person is hospitalized or the director's designee;

(b) The director of a behavioral health service provider providing behavioral health care or residential services to the person or the director's designee;

(c) The person's treating mental health professional or substance use disorder professional or one who has evaluated the person;

(d) A designated crisis responder;

(e) A release planner from a corrections facility; or

(f) An emergency room physician.

(3) A court order for less restrictive alternative treatment on the basis that the person is in need of assisted outpatient treatment may be effective for up to 18 months. The petitioner must personally interview the person, unless the person refuses an interview, ((and)) to determine whether the person will voluntarily receive appropriate ((evaluation and)) treatment ((at a mental health facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program)).

((+2)) (4) The ((designated crisis responder)) petitioner must ((investigate and evaluate the)) allege specific facts ((alleged and)) based on personal observation, evaluation, or investigation, and must consider the reliability or credibility of any person providing information((. The designated

~~crisis responder may spend up to forty-eight hours to complete the investigation, provided that the person may not be held for investigation for any period except as authorized by RCW 71.05.050 or 71.05.153)) material to the petition.~~

~~((3) If the designated crisis responder finds that the person is in need of assisted outpatient behavioral health treatment, they may file a petition requesting the court to enter an order for up to ninety days of less restrictive alternative treatment.)) (5) The petition must include:~~

~~(a) A statement of the circumstances under which the person's condition was made known and ((stating that there is evidence, as a result of the designated crisis responder's)) the basis for the opinion, from personal observation or investigation, that the person is in need of assisted outpatient ((behavioral health)) treatment(, and stating the)). The petitioner must state which specific facts ((known as a result of)) come from personal observation ((or investigation, upon which the designated crisis responder bases)) and specify what other sources of information the petitioner has relied upon to form this belief;~~

~~(b) A declaration from a physician, physician assistant, advanced registered nurse practitioner, or the person's treating mental health professional or substance use disorder professional, who has examined the person no more than 10 days prior to the submission of the petition and who is willing to testify in support of the petition, or who alternatively has made appropriate attempts to examine the person within the same period but has not been successful in obtaining the person's cooperation, and who is willing to testify to the reasons they believe that the person meets the criteria for assisted outpatient treatment. If the declaration is provided by the person's treating mental health professional or substance use disorder professional, it must be cosigned by a supervising physician, physician assistant, or advanced registered nurse practitioner who certifies that they have reviewed the declaration;~~

~~(c) The declarations of additional witnesses, if any, supporting the petition for assisted outpatient ((behavioral health)) treatment;~~

~~((c) A designation of retained counsel for the person or, if counsel is appointed, the name, business address, and telephone number of the attorney appointed to represent the person;))~~

~~(d) The name of an agency, provider, or facility ((which agreed)) that agrees to ((assume the responsibility of providing)) provide less restrictive alternative treatment if the petition is granted by the court; and~~

~~(e) ((A summons to appear in court at a specific time and place within five judicial days for a probable cause hearing, except as provided in subsection (4) of this section)) If the person is detained in a state hospital, inpatient treatment facility, jail, or correctional facility at the time the petition is filed, the anticipated release date of the person and any other details needed to facilitate successful reentry and transition into the community.~~

~~((4) If the person is in the custody of jail or prison at the time of the investigation, a petition for assisted outpatient behavioral health treatment may be used to facilitate continuity of care after release from custody or the diversion of criminal charges as follows:~~

~~(a) If the petition is filed in anticipation of the person's release from custody, the summons may be for a date up to five judicial days following the person's anticipated release date, provided that a clear time and place for the hearing is provided; or~~

~~(b) The hearing may be held prior to the person's release from custody, provided that (i) the filing of the petition does not extend the time the person would otherwise spend in the custody of jail or prison; (ii) the charges or custody of the person is not a pretext to detain the person for the purpose of the involuntary commitment hearing; and (iii) the person's release from custody must be expected to swiftly follow the adjudication of the petition. In this circumstance, the time for hearing is shortened to three judicial days after the filing of the petition.~~

~~(5) The petition must be served upon the person and the person's counsel with a notice of applicable rights. Proof of service must be filed with the court.))~~

(6)(a) Upon receipt of a petition meeting all requirements of this section, the court shall fix a date for a hearing:

(i) No sooner than three days or later than seven days after the date of service or as stipulated by the parties or, upon a showing of good cause, no later than 30 days after the date of service; or

(ii) If the respondent is hospitalized at the time of filing of the petition, before discharge of the respondent and in sufficient time to arrange for a continuous transition from inpatient treatment to assisted outpatient treatment.

(b) A copy of the petition and notice of hearing shall be served, in the same manner as a summons, on the petitioner, the respondent, the qualified professional whose affidavit accompanied the petition, a current provider, if any, and a surrogate decision maker or agent under chapter 71.32 RCW, if any.

(c) If the respondent has a surrogate decision maker or agent under chapter 71.32 RCW who wishes to provide testimony at the hearing, the court shall afford the surrogate decision maker or agent an opportunity to testify.

(d) The respondent shall be represented by counsel at all stages of the proceedings.

(e) If the respondent fails to appear at the hearing after notice, the court may conduct the hearing in the respondent's absence; provided that the respondent's counsel is present.

(f) If the respondent has refused to be examined by the qualified professional whose affidavit accompanied the petition, the court may order a mental examination of the respondent. The examination of the respondent may be performed by the qualified professional whose affidavit accompanied the petition. If the examination is performed by another qualified professional, the examining qualified professional shall be authorized to consult with the qualified professional whose affidavit accompanied the petition.

(g) If the respondent has refused to be examined by a qualified professional and the court finds reasonable grounds to believe that the allegations of the petition are true, the court may issue a written order directing a peace officer who has completed crisis intervention

training to detain and transport the respondent to a provider for examination by a qualified professional. A respondent detained pursuant to this subsection shall be detained no longer than necessary to complete the examination and in no event longer than 24 hours.

(7) If the petition involves a person whom the petitioner or behavioral health administrative services organization knows, or has reason to know, is an American Indian or Alaska Native who receives medical or behavioral health services from a tribe within this state, the behavioral health administrative services organization shall notify the tribe and Indian health care provider. Notification shall be made in person or by telephonic or electronic communication to the tribal contact listed in the authority's tribal crisis coordination plan as soon as possible.

~~((6))~~ (8) A petition for assisted outpatient ~~((behavioral health))~~ treatment filed under this section ~~((must))~~ shall be adjudicated under RCW 71.05.240.

(9) After January 1, 2023, a petition for assisted outpatient treatment must be filed on forms developed by the administrative office of the courts.

NEW SECTION. Sec. 4. A new section is added to chapter 71.34 RCW to read as follows:

(1) An adolescent is in need of assisted outpatient treatment if the court finds by clear, cogent, and convincing evidence in response to a petition filed under this section that:

(a) The adolescent has a behavioral health disorder;

(b) Based on a clinical determination and in view of the adolescent's treatment history and current behavior, at least one of the following is true:

(i) The adolescent is unlikely to survive safely in the community without supervision and the adolescent's condition is substantially deteriorating; or

(ii) The adolescent is in need of assisted outpatient treatment in order to prevent a relapse or deterioration that would be likely to result in grave disability or a likelihood of serious harm to the adolescent or to others;

(c) The adolescent has a history of lack of compliance with treatment for his or her behavioral health disorder that has:

(i) At least twice within the 36 months prior to the filing of the petition been a significant factor in necessitating hospitalization of the adolescent, or the adolescent's receipt of services in a forensic or other mental health unit of a state correctional facility or local correctional facility, provided that the 36-month period shall be extended by the length of any hospitalization or incarceration of the adolescent that occurred within the 36-month period;

(ii) At least twice within the 36 months prior to the filing of the petition been a significant factor in necessitating emergency medical care or hospitalization for behavioral health-related medical conditions including overdose, infected abscesses, sepsis, endocarditis, or other maladies, or a significant factor in behavior which resulted in the adolescent's incarceration in a state or local correctional facility; or

(iii) Resulted in one or more violent acts, threats, or attempts to cause serious physical harm to the adolescent or another within the 48 months prior to the filing of the petition, provided that the 48-month period shall be extended by the length of any hospitalization or incarceration of the person that occurred during the 48-month period;

(d) Participation in an assisted outpatient treatment program would be the least restrictive alternative necessary to ensure the adolescent's recovery and stability; and

(e) The adolescent will benefit from assisted outpatient treatment.

(2) The following individuals may directly file a petition for less restrictive alternative treatment on the basis that an adolescent is in need of assisted outpatient treatment:

(a) The director of a hospital where the adolescent is hospitalized or the director's designee;

(b) The director of a behavioral health service provider providing behavioral health care or residential services to the adolescent or the director's designee;

(c) The adolescent's treating mental health professional or substance use disorder professional or one who has evaluated the person;

(d) A designated crisis responder;

(e) A release planner from a juvenile detention or rehabilitation facility; or

(f) An emergency room physician.

(3) A court order for less restrictive alternative treatment on the basis that the adolescent is in need of assisted outpatient treatment may be effective for up to 18 months. The petitioner must personally interview the adolescent, unless the adolescent refuses an interview, to determine whether the adolescent will voluntarily receive appropriate treatment.

(4) The petitioner must allege specific facts based on personal observation, evaluation, or investigation, and must consider the reliability or credibility of any person providing information material to the petition.

(5) The petition must include:

(a) A statement of the circumstances under which the adolescent's condition was made known and the basis for the opinion, from personal observation or investigation, that the adolescent is in need of assisted outpatient treatment. The petitioner must state which specific facts come from personal observation and specify what other sources of information the petitioner has relied upon to form this belief;

(b) A declaration from a physician, physician assistant, or advanced registered nurse practitioner, or the adolescent's treating mental health professional or substance use disorder professional, who has examined the adolescent no more than 10 days prior to the submission of the petition and who is willing to testify in support of the petition, or who alternatively has made appropriate attempts to examine the adolescent within the same period but has not been successful in obtaining the adolescent's cooperation, and who is willing to testify to the reasons they believe that the adolescent meets the criteria for assisted outpatient treatment. If the declaration is provided by the adolescent's treating mental health professional or substance use disorder professional, it must be

cosigned by a supervising physician, physician assistant, or advanced registered nurse practitioner who certifies that they have reviewed the declaration;

(c) The declarations of additional witnesses, if any, supporting the petition for assisted outpatient treatment;

(d) The name of an agency, provider, or facility that agrees to provide less restrictive alternative treatment if the petition is granted by the court; and

(e) If the adolescent is detained in a state hospital, inpatient treatment facility, or juvenile detention or rehabilitation facility at the time the petition is filed, the anticipated release date of the adolescent and any other details needed to facilitate successful reentry and transition into the community.

(6)(a) Upon receipt of a petition meeting all requirements of this section, the court shall fix a date for a hearing:

(i) No sooner than three days or later than seven days after the date of service or as stipulated by the parties or, upon a showing of good cause, no later than 30 days after the date of service; or

(ii) If the adolescent is hospitalized at the time of filing of the petition, before discharge of the adolescent and in sufficient time to arrange for a continuous transition from inpatient treatment to assisted outpatient treatment.

(b) A copy of the petition and notice of hearing shall be served, in the same manner as a summons, on the petitioner, the adolescent, the qualified professional whose affidavit accompanied the petition, a current provider, if any, and a surrogate decision maker or agent under chapter 71.32 RCW, if any.

(c) If the adolescent has a surrogate decision maker or agent under chapter 71.32 RCW who wishes to provide testimony at the hearing, the court shall afford the surrogate decision maker or agent an opportunity to testify.

(d) The adolescent shall be represented by counsel at all stages of the proceedings.

(e) If the adolescent fails to appear at the hearing after notice, the court may conduct the hearing in the

adolescent's absence; provided that the adolescent's counsel is present.

(f) If the adolescent has refused to be examined by the qualified professional whose affidavit accompanied the petition, the court may order a mental examination of the adolescent. The examination of the adolescent may be performed by the qualified professional whose affidavit accompanied the petition. If the examination is performed by another qualified professional, the examining qualified professional shall be authorized to consult with the qualified professional whose affidavit accompanied the petition.

(g) If the adolescent has refused to be examined by a qualified professional and the court finds reasonable grounds to believe that the allegations of the petition are true, the court may issue a written order directing a peace officer who has completed crisis intervention training to detain and transport the adolescent to a provider for examination by a qualified professional. An adolescent detained pursuant to this subsection shall be detained no longer than necessary to complete the examination and in no event longer than 24 hours. All papers in the court file must be provided to the adolescent's designated attorney.

(7) If the petition involves an adolescent whom the petitioner or behavioral health administrative services organization knows, or has reason to know, is an American Indian or Alaska Native who receives medical or behavioral health services from a tribe within this state, the behavioral health administrative services organization shall notify the tribe and Indian health care provider. Notification shall be made in person or by telephonic or electronic communication to the tribal contact listed in the authority's tribal crisis coordination plan as soon as possible.

(8) A petition for assisted outpatient treatment filed under this section shall be adjudicated under RCW 71.34.740.

(9) After January 1, 2023, a petition for assisted outpatient treatment must be filed on forms developed by the administrative office of the courts.

Sec. 5. RCW 71.05.150 and 2021 c 264 s 1 are each amended to read as follows:

(1) When a designated crisis responder receives information alleging that a

person, as a result of a behavioral health disorder, presents a likelihood of serious harm or is gravely disabled, (~~or that a person is in need of assisted outpatient behavioral health treatment~~) the designated crisis responder may, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of any person providing information to initiate detention (~~or involuntary outpatient treatment~~), if satisfied that the allegations are true and that the person will not voluntarily seek appropriate treatment, file a petition for initial detention under this section (~~or a petition for involuntary outpatient behavioral health treatment under RCW 71.05.148~~). Before filing the petition, the designated crisis responder must personally interview the person, unless the person refuses an interview, and determine whether the person will voluntarily receive appropriate evaluation and treatment at an evaluation and treatment facility, crisis stabilization unit, triage facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program. As part of the assessment, the designated crisis responder must attempt to ascertain if the person has executed a mental health advance directive under chapter 71.32 RCW. The interview performed by the designated crisis responder may be conducted by video provided that a licensed health care professional or professional person who can adequately and accurately assist with obtaining any necessary information is present with the person at the time of the interview.

(2)(a) A superior court judge may issue a warrant to detain a person with a behavioral health disorder to a designated evaluation and treatment facility, a secure withdrawal management and stabilization facility, or an approved substance use disorder treatment program, for a period of not more than one hundred twenty hours for evaluation and treatment upon request of a designated crisis responder, subject to (d) of this subsection, whenever it appears to the satisfaction of the judge that:

(i) There is probable cause to support the petition; and

(ii) The person has refused or failed to accept appropriate evaluation and treatment voluntarily.

(b) The petition for initial detention, signed under penalty of perjury, or sworn telephonic testimony may be considered by the court in determining whether there are sufficient grounds for issuing the order.

(c) The order shall designate retained counsel or, if counsel is appointed from a list provided by the court, the name, business address, and telephone number of the attorney appointed to represent the person.

(d) A court may not issue an order to detain a person to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program unless there is an available secure withdrawal management and stabilization facility or approved substance use disorder treatment program that has adequate space for the person.

(e) If the court does not issue an order to detain a person pursuant to this subsection (2), the court shall issue an order to dismiss the initial petition.

(3) The designated crisis responder shall then serve or cause to be served on such person(~~(7)~~) and his or her guardian(~~(7) and conservator~~), if any, a copy of the order together with a notice of rights, and a petition for initial detention. After service on such person the designated crisis responder shall file the return of service in court and provide copies of all papers in the court file to the evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program, and the designated attorney. The designated crisis responder shall notify the court and the prosecuting attorney that a probable cause hearing will be held within one hundred twenty hours of the date and time of outpatient evaluation or admission to the evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program. The person shall be permitted to be accompanied by one or more of his or her relatives, friends, an attorney, a personal physician, or other professional or religious advisor to the place of evaluation. An attorney accompanying the person to the place of evaluation shall

be permitted to be present during the admission evaluation. Any other individual accompanying the person may be present during the admission evaluation. The facility may exclude the individual if his or her presence would present a safety risk, delay the proceedings, or otherwise interfere with the evaluation.

(4) The designated crisis responder may notify a peace officer to take such person or cause such person to be taken into custody and placed in an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program. At the time such person is taken into custody there shall commence to be served on such person, his or her guardian, and conservator, if any, a copy of the original order together with a notice of rights and a petition for initial detention.

(5) Tribal court orders for involuntary commitment shall be recognized and enforced in accordance with superior court civil rule 82.5.

(6) In any investigation and evaluation of an individual under (~~RCW 71.05.150~~) this section or RCW 71.05.153 in which the designated crisis responder knows, or has reason to know, that the individual is an American Indian or Alaska Native who receives medical or behavioral health services from a tribe within this state, the designated crisis responder shall notify the tribe and Indian health care provider regarding whether or not a petition for initial detention or involuntary outpatient treatment will be filed. Notification shall be made in person or by telephonic or electronic communication to the tribal contact listed in the authority's tribal crisis coordination plan as soon as possible but no later than three hours subject to the requirements in RCW 70.02.230(2)(ee) and (3). A designated crisis responder may restrict the release of information as necessary to comply with 42 C.F.R. Part 2.

Sec. 6. RCW 71.05.150 and 2021 c 264 s 2 are each amended to read as follows:

(1) When a designated crisis responder receives information alleging that a person, as a result of a behavioral health disorder, presents a likelihood of serious harm or is gravely disabled, (~~or that a person is in need of assisted outpatient behavioral health~~

~~treatment~~)) the designated crisis responder may, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of any person providing information to initiate detention (~~(or involuntary outpatient treatment)~~), if satisfied that the allegations are true and that the person will not voluntarily seek appropriate treatment, file a petition for initial detention under this section (~~(or a petition for involuntary outpatient behavioral health treatment under RCW 71.05.148)~~). Before filing the petition, the designated crisis responder must personally interview the person, unless the person refuses an interview, and determine whether the person will voluntarily receive appropriate evaluation and treatment at an evaluation and treatment facility, crisis stabilization unit, triage facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program. As part of the assessment, the designated crisis responder must attempt to ascertain if the person has executed a mental health advance directive under chapter 71.32 RCW. The interview performed by the designated crisis responder may be conducted by video provided that a licensed health care professional or professional person who can adequately and accurately assist with obtaining any necessary information is present with the person at the time of the interview.

(2)(a) A superior court judge may issue a warrant to detain a person with a behavioral health disorder to a designated evaluation and treatment facility, a secure withdrawal management and stabilization facility, or an approved substance use disorder treatment program, for a period of not more than one hundred twenty hours for evaluation and treatment upon request of a designated crisis responder whenever it appears to the satisfaction of the judge that:

(i) There is probable cause to support the petition; and

(ii) The person has refused or failed to accept appropriate evaluation and treatment voluntarily.

(b) The petition for initial detention, signed under penalty of perjury, or sworn telephonic testimony may be considered by the court in

determining whether there are sufficient grounds for issuing the order.

(c) The order shall designate retained counsel or, if counsel is appointed from a list provided by the court, the name, business address, and telephone number of the attorney appointed to represent the person.

(d) If the court does not issue an order to detain a person pursuant to this subsection (2), the court shall issue an order to dismiss the initial petition.

(3) The designated crisis responder shall then serve or cause to be served on such person((~~τ~~)) and his or her guardian(~~((τ and conservator))~~), if any, a copy of the order together with a notice of rights, and a petition for initial detention. After service on such person the designated crisis responder shall file the return of service in court and provide copies of all papers in the court file to the evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program, and the designated attorney. The designated crisis responder shall notify the court and the prosecuting attorney that a probable cause hearing will be held within one hundred twenty hours of the date and time of outpatient evaluation or admission to the evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program. The person shall be permitted to be accompanied by one or more of his or her relatives, friends, an attorney, a personal physician, or other professional or religious advisor to the place of evaluation. An attorney accompanying the person to the place of evaluation shall be permitted to be present during the admission evaluation. Any other individual accompanying the person may be present during the admission evaluation. The facility may exclude the individual if his or her presence would present a safety risk, delay the proceedings, or otherwise interfere with the evaluation.

(4) The designated crisis responder may notify a peace officer to take such person or cause such person to be taken into custody and placed in an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program. At the time such person is taken into custody there

shall commence to be served on such person, his or her guardian, and conservator, if any, a copy of the original order together with a notice of rights and a petition for initial detention.

(5) Tribal court orders for involuntary commitment shall be recognized and enforced in accordance with superior court civil rule 82.5.

(6) In any investigation and evaluation of an individual under (~~RCW 71.05.150~~) this section or RCW 71.05.153 in which the designated crisis responder knows, or has reason to know, that the individual is an American Indian or Alaska Native who receives medical or behavioral health services from a tribe within this state, the designated crisis responder shall notify the tribe and Indian health care provider regarding whether or not a petition for initial detention or involuntary outpatient treatment will be filed. Notification shall be made in person or by telephonic or electronic communication to the tribal contact listed in the authority's tribal crisis coordination plan as soon as possible but no later than three hours subject to the requirements in RCW 70.02.230(2)(ee) and (3). A designated crisis responder may restrict the release of information as necessary to comply with 42 C.F.R. Part 2.

Sec. 7. RCW 71.05.156 and 2018 c 291 s 12 are each amended to read as follows:

A designated crisis responder who conducts an evaluation for imminent likelihood of serious harm or imminent danger because of being gravely disabled under RCW 71.05.153 must also evaluate the person under RCW 71.05.150 for likelihood of serious harm or grave disability that does not meet the imminent standard for emergency detention(~~((τ and to determine whether the person is in need of assisted outpatient behavioral health treatment))~~).

Sec. 8. RCW 71.05.201 and 2020 c 302 s 24 and 2020 c 256 s 304 are each reenacted and amended to read as follows:

(1) If a designated crisis responder decides not to detain a person for evaluation and treatment under RCW 71.05.150 or 71.05.153 or forty-eight hours have elapsed since a designated crisis responder received a request for investigation and the designated crisis responder has not taken action to have the person detained, an immediate family

member or guardian (~~(or conservator)~~) of the person, or a federally recognized Indian tribe if the person is a member of such tribe, may petition the superior court for the person's initial detention.

(2) A petition under this section must be filed within ten calendar days following the designated crisis responder investigation or the request for a designated crisis responder investigation. If more than ten days have elapsed, the immediate family member, guardian, or conservator may request a new designated crisis responder investigation.

(3)(a) The petition must be filed in the county in which the designated crisis responder investigation occurred or was requested to occur and must be submitted on forms developed by the administrative office of the courts for this purpose. The petition must be accompanied by a sworn declaration from the petitioner, and other witnesses if desired, describing why the person should be detained for evaluation and treatment. The description of why the person should be detained may contain, but is not limited to, the information identified in RCW 71.05.212.

(b) The petition must contain:

(i) A description of the relationship between the petitioner and the person; and

(ii) The date on which an investigation was requested from the designated crisis responder.

(4) The court shall, within one judicial day, review the petition to determine whether the petition raises sufficient evidence to support the allegation. If the court so finds, it shall provide a copy of the petition to the designated crisis responder agency with an order for the agency to provide the court, within one judicial day, with a written sworn statement describing the basis for the decision not to seek initial detention and a copy of all information material to the designated crisis responder's current decision.

(5) Following the filing of the petition and before the court reaches a decision, any person, including a mental health professional, may submit a sworn declaration to the court in support of or in opposition to initial detention.

(6) The court shall dismiss the petition at any time if it finds that a designated crisis responder has filed a petition for the person's initial detention under RCW 71.05.150 or 71.05.153 or that the person has voluntarily accepted appropriate treatment.

(7) The court must issue a final ruling on the petition within five judicial days after it is filed. After reviewing all of the information provided to the court, the court may enter an order for initial detention (~~(or an order instructing the designated crisis responder to file a petition for assisted outpatient behavioral health treatment)~~) if the court finds that: (a) There is probable cause to support a petition for detention (~~(or assisted outpatient behavioral health treatment)~~); and (b) the person has refused or failed to accept appropriate evaluation and treatment voluntarily. The court shall transmit its final decision to the petitioner.

(8) If the court enters an order for initial detention, it shall provide the order to the designated crisis responder agency and issue a (~~(written order for apprehension)~~) warrant. The designated crisis responder agency serving the jurisdiction of the court must collaborate and coordinate with law enforcement regarding apprehensions and detentions under this subsection, including sharing of information relating to risk and which would assist in locating the person. A person may not be detained to jail pursuant to a (~~(written order)~~) warrant issued under this subsection. An order for detention under this section should contain the advisement of rights which the person would receive if the person were detained by a designated crisis responder. An order for initial detention under this section expires one hundred eighty days from issuance.

(9) Except as otherwise expressly stated in this chapter, all procedures must be followed as if the order had been entered under RCW 71.05.150. RCW 71.05.160 does not apply if detention was initiated under the process set forth in this section.

(10) For purposes of this section, "immediate family member" means a spouse, domestic partner, child, stepchild, parent, stepparent, grandparent, or sibling.

Sec. 9. RCW 71.05.212 and 2020 c 256 s 305 are each amended to read as follows:

(1) Whenever a designated crisis responder or professional person is conducting an evaluation under this chapter, consideration shall include all reasonably available information from credible witnesses and records regarding:

(a) Prior recommendations for evaluation of the need for civil commitments when the recommendation is made pursuant to an evaluation conducted under chapter 10.77 RCW;

(b) Historical behavior, including history of one or more violent acts;

(c) Prior determinations of incompetency or insanity under chapter 10.77 RCW; and

(d) Prior commitments under this chapter.

(2) Credible witnesses may include family members, landlords, neighbors, or others with significant contact and history of involvement with the person. If the designated crisis responder relies upon information from a credible witness in reaching his or her decision to detain the individual, then he or she must provide contact information for any such witness to the prosecutor. The designated crisis responder or prosecutor shall provide notice of the date, time, and location of the probable cause hearing to such a witness.

(3) Symptoms and behavior of the respondent which standing alone would not justify civil commitment may support a finding of grave disability or likelihood of serious harm, or a finding that the person is in need of assisted outpatient ((behavioral health)) treatment, when:

(a) Such symptoms or behavior are closely associated with symptoms or behavior which preceded and led to a past incident of involuntary hospitalization, severe deterioration, or one or more violent acts;

(b) These symptoms or behavior represent a marked and concerning change in the baseline behavior of the respondent; and

(c) Without treatment, the continued deterioration of the respondent is probable.

(4) When conducting an evaluation for offenders identified under RCW 72.09.370, the designated crisis responder or professional person shall consider an offender's history of judicially required or administratively ordered antipsychotic medication while in confinement.

~~((5) The authority, in consultation with tribes and coordination with Indian health care providers and the American Indian health commission for Washington state, shall establish written guidelines by June 30, 2021, for conducting culturally appropriate evaluations of American Indians or Alaska Natives.))~~

Sec. 10. RCW 71.05.212 and 2020 c 302 s 28 and 2020 c 256 s 305 are each reenacted and amended to read as follows:

(1) Whenever a designated crisis responder or professional person is conducting an evaluation under this chapter, consideration shall include all reasonably available information from credible witnesses and records regarding:

(a) Prior recommendations for evaluation of the need for civil commitments when the recommendation is made pursuant to an evaluation conducted under chapter 10.77 RCW;

(b) Historical behavior, including history of one or more violent acts;

(c) Prior determinations of incompetency or insanity under chapter 10.77 RCW; and

(d) Prior commitments under this chapter.

(2) Credible witnesses may include family members, landlords, neighbors, or others with significant contact and history of involvement with the person. If the designated crisis responder relies upon information from a credible witness in reaching his or her decision to detain the individual, then he or she must provide contact information for any such witness to the prosecutor. The designated crisis responder or prosecutor shall provide notice of the date, time, and location of the probable cause hearing to such a witness.

(3) Symptoms and behavior of the respondent which standing alone would not justify civil commitment may support a finding of grave disability or likelihood of serious harm, or a finding that the

person is in need of assisted outpatient ~~((behavioral health))~~ treatment, when:

(a) Such symptoms or behavior are closely associated with symptoms or behavior which preceded and led to a past incident of involuntary hospitalization, severe deterioration from safe behavior, or one or more violent acts;

(b) These symptoms or behavior represent a marked and concerning change in the baseline behavior of the respondent; and

(c) Without treatment, the continued deterioration of the respondent is probable.

(4) When conducting an evaluation for offenders identified under RCW 72.09.370, the designated crisis responder or professional person shall consider an offender's history of judicially required or administratively ordered antipsychotic medication while in confinement.

~~((5) The authority, in consultation with tribes and coordination with Indian health care providers and the American Indian health commission for Washington state, shall establish written guidelines by June 30, 2021, for conducting culturally appropriate evaluations of American Indians or Alaska Natives.))~~

Sec. 11. RCW 71.05.230 and 2020 c 302 s 34 are each amended to read as follows:

A person detained for one hundred twenty ~~((hour))~~ hours of evaluation and treatment may be committed for not more than fourteen additional days of involuntary intensive treatment or ninety additional days of a less restrictive alternative treatment. A petition may only be filed if the following conditions are met:

(1) The professional staff of the facility providing evaluation services has analyzed the person's condition and finds that the condition is caused by a behavioral health disorder and results in: (a) A likelihood of serious harm; or (b) the person being gravely disabled; ~~((or (c) the person being in need of assisted outpatient behavioral health treatment.))~~ and are prepared to testify those conditions are met; and

(2) The person has been advised of the need for voluntary treatment and the professional staff of the facility has

evidence that he or she has not in good faith volunteered; and

(3) The facility providing intensive treatment is certified to provide such treatment by the department or under RCW 71.05.745; and

(4)(a)(i) The professional staff of the facility or the designated crisis responder has filed a petition with the court for a fourteen day involuntary detention or a ninety day less restrictive alternative. The petition must be signed by:

(A) One physician, physician assistant, or psychiatric advanced registered nurse practitioner; and

(B) One physician, physician assistant, psychiatric advanced registered nurse practitioner, or mental health professional.

(ii) If the petition is for substance use disorder treatment, the petition may be signed by a substance use disorder professional instead of a mental health professional and by an advanced registered nurse practitioner instead of a psychiatric advanced registered nurse practitioner. The persons signing the petition must have examined the person.

(b) If involuntary detention is sought the petition shall state facts that support the finding that such person, as a result of a behavioral health disorder, presents a likelihood of serious harm, or is gravely disabled and that there are no less restrictive alternatives to detention in the best interest of such person or others. The petition shall state specifically that less restrictive alternative treatment was considered and specify why treatment less restrictive than detention is not appropriate. If an involuntary less restrictive alternative is sought, the petition shall state facts that support the finding that such person, as a result of a behavioral health disorder, presents a likelihood of serious harm ~~((or))~~ or is gravely disabled ~~((or is in need of assisted outpatient behavioral health treatment.))~~ and shall set forth any recommendations for less restrictive alternative treatment services; and

(5) A copy of the petition has been served on the detained person, his or her attorney, and his or her guardian ~~((or conservator))~~, if any, prior to the probable cause hearing; and

(6) The court at the time the petition was filed and before the probable cause hearing has appointed counsel to represent such person if no other counsel has appeared; and

(7) The petition reflects that the person was informed of the loss of firearm rights if involuntarily committed for mental health treatment; and

(8) At the conclusion of the initial commitment period, the professional staff of the agency or facility or the designated crisis responder may petition for an additional period of either ~~((ninety))~~ 90 days of less restrictive alternative treatment or ~~((ninety))~~ 90 days of involuntary intensive treatment as provided in RCW 71.05.290; and

(9) If the hospital or facility designated to provide less restrictive alternative treatment is other than the facility providing involuntary treatment, the outpatient facility so designated to provide less restrictive alternative treatment has agreed to assume such responsibility.

Sec. 12. RCW 71.05.240 and 2021 c 264 s 8 are each amended to read as follows:

(1) If a petition is filed for ~~((fourteen day))~~ up to 14 days of involuntary treatment ~~((or ninety))~~, 90 days of less restrictive alternative treatment, or 18 months of less restrictive alternative treatment under RCW 71.05.148, the court shall hold a probable cause hearing within ~~((one hundred twenty))~~ 120 hours of the initial detention ~~((of such person as determined in))~~ under RCW 71.05.180, or at a time ~~((determined))~~ scheduled under RCW 71.05.148.

(2) If the petition is for mental health treatment, the court or the prosecutor at the time of the probable cause hearing and before an order of commitment is entered shall inform the person both orally and in writing that the failure to make a good faith effort to seek voluntary treatment as provided in RCW 71.05.230 will result in the loss of his or her firearm rights if the person is subsequently detained for involuntary treatment under this section.

(3) If the person or his or her attorney alleges, prior to the commencement of the hearing, that the person has in good faith volunteered for

treatment, the petitioner must show, by preponderance of the evidence, that the person has not in good faith volunteered for appropriate treatment. In order to qualify as a good faith volunteer, the person must abide by procedures and a treatment plan as prescribed by a treatment facility and professional staff.

(4)(a) Subject to (b) of this subsection, at the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that ~~((such))~~ a person detained for behavioral health treatment, as the result of a behavioral health disorder, presents a likelihood of serious harm, or is gravely disabled, and, after considering less restrictive alternatives to involuntary detention and treatment, finds that no such alternatives are in the best interests of such person or others, the court shall order that such person be detained for involuntary treatment not to exceed ~~((fourteen))~~ 14 days in a facility licensed or certified to provide treatment by the department or under RCW 71.05.745.

(b) A court may only order commitment to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program if there is an available facility with adequate space for the person.

(c) At the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that ~~((such))~~ a person detained for behavioral health treatment, as the result of a behavioral health disorder, presents a likelihood of serious harm or is gravely disabled, but that treatment in a less restrictive setting than detention is in the best interest of such person or others, the court shall order an appropriate less restrictive alternative course of treatment for up to ninety days.

(d) If the court finds by a preponderance of the evidence that ~~((such))~~ a person subject to a petition under RCW 71.05.148, as the result of a behavioral health disorder, is in need of assisted outpatient ~~((behavioral health))~~ treatment ~~((, and that the person does not present a likelihood of serious harm and is not gravely disabled))~~, the court shall order an appropriate less restrictive alternative course of

treatment for up to ~~((ninety days))~~ 18 months.

(5) An order for less restrictive alternative treatment must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the treatment recommendations of the behavioral health service provider.

(6) The court shall notify the person orally and in writing that if involuntary treatment is sought beyond the ~~((fourteen day))~~ 14-day inpatient or ~~((ninety day))~~ 90-day less restrictive treatment period, the person has the right to a full hearing or jury trial under RCW 71.05.310. If the commitment is for mental health treatment, the court shall ~~((also))~~ notify the person orally and in writing that the person is barred from the possession of firearms and that the prohibition remains in effect until a court restores his or her right to possess a firearm under RCW 9.41.047.

(7) If the court does not issue an order to detain or commit a person under this section, the court shall issue an order to dismiss the petition.

(8) Nothing in this section precludes the court from subsequently modifying the terms of an order for less restrictive alternative treatment under RCW 71.05.590(3).

Sec. 13. RCW 71.05.240 and 2021 c 264 s 9 are each amended to read as follows:

(1) If a petition is filed for ~~((fourteen day))~~ up to 14 days of involuntary treatment ~~((or ninety))~~, 90 days of less restrictive alternative treatment, or 18 months of less restrictive alternative treatment under RCW 71.05.148, the court shall hold a probable cause hearing within ~~((one hundred twenty))~~ 120 hours of the initial detention ~~((of such person as determined in))~~ under RCW 71.05.180, or at a time ~~((determined))~~ scheduled under RCW 71.05.148.

(2) If the petition is for mental health treatment, the court or the prosecutor at the time of the probable cause hearing and before an order of commitment is entered shall inform the person both orally and in writing that the failure to make a good faith effort to seek voluntary treatment as provided in RCW 71.05.230 will result in the loss

of his or her firearm rights if the person is subsequently detained for involuntary treatment under this section.

(3) If the person or his or her attorney alleges, prior to the commencement of the hearing, that the person has in good faith volunteered for treatment, the petitioner must show, by preponderance of the evidence, that the person has not in good faith volunteered for appropriate treatment. In order to qualify as a good faith volunteer, the person must abide by procedures and a treatment plan as prescribed by a treatment facility and professional staff.

(4)(a) At the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that ~~((such))~~ a person detained for behavioral health treatment, as the result of a behavioral health disorder, presents a likelihood of serious harm, or is gravely disabled, and, after considering less restrictive alternatives to involuntary detention and treatment, finds that no such alternatives are in the best interests of such person or others, the court shall order that such person be detained for involuntary treatment not to exceed fourteen days in a facility licensed or certified to provide treatment by the department or under RCW 71.05.745.

(b) At the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that ~~((such))~~ a person detained for behavioral health treatment, as the result of a behavioral health disorder, presents a likelihood of serious harm or is gravely disabled, but that treatment in a less restrictive setting than detention is in the best interest of such person or others, the court shall order an appropriate less restrictive alternative course of treatment for up to ninety days.

(c) If the court finds by a preponderance of the evidence that ~~((such))~~ a person subject to a petition under RCW 71.05.148, as the result of a behavioral health disorder, is in need of assisted outpatient ~~((behavioral health))~~ treatment ~~((, and that the person does not present a likelihood of serious harm and is not gravely disabled))~~, the court shall order an appropriate less restrictive alternative course of

treatment for up to (~~ninety days~~) 18 months.

(5) An order for less restrictive alternative treatment must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the treatment recommendations of the behavioral health service provider.

(6) The court shall notify the person orally and in writing that if involuntary treatment is sought beyond the (~~fourteen day~~) 14-day inpatient or (~~ninety day~~) 90-day less restrictive treatment period, such person has the right to a full hearing or jury trial under RCW 71.05.310. If the commitment is for mental health treatment, the court shall also notify the person orally and in writing that the person is barred from the possession of firearms and that the prohibition remains in effect until a court restores his or her right to possess a firearm under RCW 9.41.047.

(7) If the court does not issue an order to detain or commit a person under this section, the court shall issue an order to dismiss the petition.

(8) Nothing in this section precludes the court from subsequently modifying the terms of an order for less restrictive alternative treatment under RCW 71.05.590(3).

Sec. 14. RCW 71.05.245 and 2018 c 291 s 14 are each amended to read as follows:

(1) In making a determination of whether a person is gravely disabled, presents a likelihood of serious harm, or is in need of assisted outpatient (~~behavioral health~~) treatment in a hearing conducted under RCW 71.05.240 or 71.05.320, the court must consider the symptoms and behavior of the respondent in light of all available evidence concerning the respondent's historical behavior.

(2) Symptoms or behavior which standing alone would not justify civil commitment may support a finding of grave disability or likelihood of serious harm, or a finding that the person is in need of assisted outpatient (~~behavioral health~~) treatment, when: (a) Such symptoms or behavior are closely associated with symptoms or behavior which preceded and led to a past incident of involuntary hospitalization, severe

deterioration, or one or more violent acts; (b) these symptoms or behavior represent a marked and concerning change in the baseline behavior of the respondent; and (c) without treatment, the continued deterioration of the respondent is probable.

(3) In making a determination of whether there is a likelihood of serious harm in a hearing conducted under RCW 71.05.240 or 71.05.320, the court shall give great weight to any evidence before the court regarding whether the person has: (a) A recent history of one or more violent acts; or (b) a recent history of one or more commitments under this chapter or its equivalent provisions under the laws of another state which were based on a likelihood of serious harm. The existence of prior violent acts or commitments under this chapter or its equivalent shall not be the sole basis for determining whether a person presents a likelihood of serious harm.

For the purposes of this subsection "recent" refers to the period of time not exceeding three years prior to the current hearing.

Sec. 15. RCW 71.05.280 and 2020 c 302 s 41 are each amended to read as follows:

At the expiration of the fourteen-day period of intensive treatment, a person may be committed for further treatment pursuant to RCW 71.05.320 if:

(1) Such person after having been taken into custody for evaluation and treatment has threatened, attempted, or inflicted: (a) Physical harm upon the person of another or himself or herself, or substantial damage upon the property of another, and (b) as a result of a behavioral health disorder presents a likelihood of serious harm; or

(2) Such person was taken into custody as a result of conduct in which he or she attempted or inflicted physical harm upon the person of another or himself or herself, or substantial damage upon the property of others, and continues to present, as a result of a behavioral health disorder, a likelihood of serious harm; or

(3) Such person has been determined to be incompetent and criminal charges have been dismissed pursuant to RCW 10.77.086(4), and has committed acts constituting a felony, and as a result of a behavioral health disorder, presents a

substantial likelihood of repeating similar acts.

(a) In any proceeding pursuant to this subsection it shall not be necessary to show intent, willfulness, or state of mind as an element of the crime;

(b) For any person subject to commitment under this subsection where the charge underlying the finding of incompetence is for a felony classified as violent under RCW 9.94A.030, the court shall determine whether the acts the person committed constitute a violent offense under RCW 9.94A.030; or

(4) Such person is gravely disabled(~~+~~ ~~or~~

~~(5) Such person is in need of assisted outpatient behavioral health treatment)).~~

Sec. 16. RCW 71.05.290 and 2020 c 302 s 42 are each amended to read as follows:

(1) At any time during a person's (~~fourteen~~) 14-day intensive treatment period, the professional person in charge of a treatment facility or his or her professional designee or the designated crisis responder may petition the superior court for an order requiring such person to undergo an additional period of treatment. Such petition must be based on one or more of the grounds set forth in RCW 71.05.280.

(2)(a)(i) The petition shall summarize the facts which support the need for further commitment and shall be supported by affidavits based on an examination of the patient and signed by:

(A) One physician, physician assistant, or psychiatric advanced registered nurse practitioner; and

(B) One physician, physician assistant, psychiatric advanced registered nurse practitioner, or mental health professional.

(ii) If the petition is for substance use disorder treatment, the petition may be signed by a substance use disorder professional instead of a mental health professional and by an advanced registered nurse practitioner instead of a psychiatric advanced registered nurse practitioner.

(b) The affidavits shall describe in detail the behavior of the detained person which supports the petition and shall explain what, if any, less restrictive treatments which are

alternatives to detention are available to such person, and shall state the willingness of the affiant to testify to such facts in subsequent judicial proceedings under this chapter. If less restrictive alternative treatment is sought, the petition shall set forth any recommendations for less restrictive alternative treatment services.

(3) If a person has been determined to be incompetent pursuant to RCW 10.77.086(4), then the professional person in charge of the treatment facility or his or her professional designee or the designated crisis responder may directly file a petition for (~~one hundred eighty day~~) 180-day treatment under RCW 71.05.280(3), or for (~~ninety day~~) 90-day treatment under RCW 71.05.280 (1), (2), or (4)(~~or~~ ~~(5)~~). No petition for initial detention or (~~fourteen~~) 14-day detention is required before such a petition may be filed.

Sec. 17. RCW 71.05.320 and 2021 c 264 s 10 and 2021 c 263 s 2 are each reenacted and amended to read as follows:

(1)(a) Subject to (b) of this subsection, if the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department for a further period of intensive treatment not to exceed ninety days from the date of judgment.

(b) If the order for inpatient treatment is based on a substance use disorder, treatment must take place at an approved substance use disorder treatment program. The court may only enter an order for commitment based on a substance use disorder if there is an available approved substance use disorder treatment program with adequate space for the person.

(c) If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment to the custody of the department of social and health services or to a facility certified for (~~one hundred eighty day~~) 180-day

treatment by the department or under RCW 71.05.745.

(2) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven, but finds that treatment less restrictive than detention will be in the best interest of the person or others, then the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department or to a less restrictive alternative for a further period of less restrictive treatment not to exceed ~~((ninety))~~ 90 days from the date of judgment. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed ~~((one hundred eighty))~~ 180 days from the date of judgment. If the court has made an affirmative special finding under RCW 71.05.280(3)(b), the court shall appoint a multidisciplinary transition team as provided in subsection (6)(a)(i) of this section. ~~((If the court or jury finds that the grounds set forth in RCW 71.05.280(5) have been proven, and provide the only basis for commitment, the court must enter an order for less restrictive alternative treatment for up to ninety days from the date of judgment and may not order inpatient treatment.))~~

(3) An order for less restrictive alternative treatment entered under subsection (2) of this section must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the behavioral health service provider.

(4) The person shall be released from involuntary treatment at the expiration of the period of commitment imposed under subsection (1) or (2) of this section unless the superintendent or professional person in charge of the facility in which he or she is confined, or in the event of a less restrictive alternative, the designated crisis responder, files a new petition for involuntary treatment on the grounds that the committed person:

(a) During the current period of court ordered treatment: (i) Has threatened, attempted, or inflicted physical harm upon the person of another, or substantial damage upon the property of another, and (ii) as a result of a

behavioral health disorder or developmental disability presents a likelihood of serious harm; or

(b) Was taken into custody as a result of conduct in which he or she attempted or inflicted serious physical harm upon the person of another, and continues to present, as a result of a behavioral health disorder or developmental disability, a likelihood of serious harm; or

(c)(i) Is in custody pursuant to RCW 71.05.280(3) and as a result of a behavioral health disorder or developmental disability continues to present a substantial likelihood of repeating acts similar to the charged criminal behavior, when considering the person's life history, progress in treatment, and the public safety.

(ii) In cases under this subsection where the court has made an affirmative special finding under RCW 71.05.280(3)(b), the commitment shall continue for up to an additional one hundred eighty-day period whenever the petition presents prima facie evidence that the person continues to suffer from a behavioral health disorder or developmental disability that results in a substantial likelihood of committing acts similar to the charged criminal behavior, unless the person presents proof through an admissible expert opinion that the person's condition has so changed such that the behavioral health disorder or developmental disability no longer presents a substantial likelihood of the person committing acts similar to the charged criminal behavior. The initial or additional commitment period may include transfer to a specialized program of intensive support and treatment, which may be initiated prior to or after discharge from the state hospital; or

(d) Continues to be gravely disabled(~~(+or~~

~~(e) Is in need of assisted outpatient behavioral health treatment)).~~

If the conduct required to be proven in (b) and (c) of this subsection was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to prove such conduct again.

If less restrictive alternative treatment is sought, the petition shall set forth any recommendations for less

restrictive alternative treatment services.

(5) A new petition for involuntary treatment filed under subsection (4) of this section shall be filed and heard in the superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by the state.

(6)(a) The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this section are present, subject to subsection (1)(b) of this section, the court may order the committed person returned for an additional period of treatment not to exceed ~~((one hundred eighty))~~ 180 days from the date of judgment, except as provided in subsection (7) of this section. ~~((If the court's order is based solely on the grounds identified in subsection (4)(e) of this section, the court may enter an order for less restrictive alternative treatment not to exceed one hundred eighty days from the date of judgment, and may not enter an order for inpatient treatment.))~~ An order for less restrictive alternative treatment must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the behavioral health service provider.

(i) In cases where the court has ordered less restrictive alternative treatment and has previously made an affirmative special finding under RCW 71.05.280(3)(b), the court shall appoint a multidisciplinary transition team to supervise and assist the person on the order for less restrictive treatment, which shall include a representative of the community behavioral health agency providing treatment under RCW 71.05.585, and a specially trained supervising community corrections officer. The court may omit the appointment of a community corrections officer if it makes a special finding that the appointment of a community corrections officer would not facilitate the success of the person, or the safety of the person and the community under (a)(ii) of this subsection.

(ii) The role of the transition team shall be to facilitate the success of the person on the less restrictive alternative order by monitoring the person's progress in treatment, compliance with court-ordered conditions, and to problem solve around extra support the person may need or circumstances which may arise that threaten the safety of the person or the community. The transition team may develop a monitoring plan which may be carried out by any member of the team. The transition team shall meet according to a schedule developed by the team, and shall communicate as needed if issues arise that require the immediate attention of the team.

(iii) The department of corrections shall collaborate with the department to develop specialized training for community corrections officers under this section. The lack of a trained community corrections officer must not be the cause of delay to entry of a less restrictive alternative order.

(b) At the end of the ~~((one hundred eighty day))~~ 180-day period of commitment, or one-year period of commitment if subsection (7) of this section applies, the committed person shall be released unless a petition for an additional ~~((one hundred eighty day))~~ 180-day period of continued treatment is filed and heard in the same manner as provided in this section. Successive ~~((one hundred eighty day))~~ 180-day commitments are permissible on the same grounds and pursuant to the same procedures as the original ~~((one hundred eighty day))~~ 180-day commitment.

(7) An order for less restrictive treatment entered under subsection (6) of this section may be for up to one year when the person's previous commitment term was for intensive inpatient treatment in a state hospital.

(8) No person committed ~~((as provided in))~~ under this section may be detained unless a valid order of commitment is in effect. No order of commitment ~~((can))~~ under this section may exceed ~~((one hundred eighty))~~ 180 days in length except as provided in subsection (7) of this section.

(9) Nothing in this section precludes the court from subsequently modifying the terms of an order for less restrictive alternative treatment under RCW 71.05.590(3).

Sec. 18. RCW 71.05.320 and 2021 c 264 s 11 and 2021 c 263 s 3 are each reenacted and amended to read as follows:

(1) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department for a further period of intensive treatment not to exceed ninety days from the date of judgment.

If the order for inpatient treatment is based on a substance use disorder, treatment must take place at an approved substance use disorder treatment program. If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment to the custody of the department of social and health services or to a facility certified for ~~((one hundred eighty day))~~ 180-day treatment by the department or under RCW 71.05.745.

(2) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven, but finds that treatment less restrictive than detention will be in the best interest of the person or others, then the court shall remand him or her to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department or to a less restrictive alternative for a further period of less restrictive treatment not to exceed ~~((ninety))~~ 90 days from the date of judgment. (3) An order for less restrictive alternative treatment entered under subsection (2) of this section must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the behavioral health service provider.

(4) The person shall be released from involuntary treatment at the expiration of the period of commitment imposed under subsection (1) or (2) of this section unless the superintendent or professional person in charge of the facility in which he or she is confined, or in the event of a less restrictive alternative, the designated crisis responder, files a new petition for involuntary treatment on the grounds that the committed person:

(a) During the current period of court ordered treatment: (i) Has threatened, attempted, or inflicted physical harm upon the person of another, or substantial damage upon the property of another, and (ii) as a result of a behavioral health disorder or developmental disability presents a likelihood of serious harm; or

(b) Was taken into custody as a result of conduct in which he or she attempted or inflicted serious physical harm upon the person of another, and continues to present, as a result of a behavioral health disorder or developmental disability, a likelihood of serious harm; or

(c)(i) Is in custody pursuant to RCW 71.05.280(3) and as a result of a behavioral health disorder or developmental disability continues to present a substantial likelihood of repeating acts similar to the charged criminal behavior, when considering the person's life history, progress in treatment, and the public safety.

(ii) In cases under this subsection where the court has made an affirmative special finding under RCW 71.05.280(3)(b), the commitment shall continue for up to an additional one hundred eighty-day period whenever the petition presents prima facie evidence that the person continues to suffer from a behavioral health disorder or developmental disability that results in a substantial likelihood of committing acts similar to the charged criminal

behavior, unless the person presents proof through an admissible expert opinion that the person's condition has so changed such that the behavioral health disorder or developmental disability no longer presents a substantial likelihood of the person committing acts similar to the charged criminal behavior. The initial or additional commitment period may include transfer to a specialized program of intensive support and treatment, which may be initiated prior to or after discharge from the state hospital; or

(d) Continues to be gravely disabled(~~(+ or~~

~~(e) Is in need of assisted outpatient behavioral health treatment)).~~

If the conduct required to be proven in (b) and (c) of this subsection was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to prove such conduct again.

If less restrictive alternative treatment is sought, the petition shall set forth any recommendations for less restrictive alternative treatment services.

(5) A new petition for involuntary treatment filed under subsection (4) of this section shall be filed and heard in the superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by the state.

(6)(a) The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this section are present, the court may order the committed person returned for an additional period of treatment not to exceed ~~((one hundred eighty))~~ 180 days from the date of judgment, except as provided in subsection (7) of this section. ~~((If the court's order is based solely on the grounds identified in subsection (4)(c) of this section, the court may enter an order for less restrictive alternative treatment not to exceed one hundred eighty days from the date of judgment, and may not enter an order for inpatient treatment.))~~ An order for less restrictive alternative treatment must name the behavioral health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585,

and must include a requirement that the person cooperate with the services planned by the behavioral health service provider.

(i) In cases where the court has ordered less restrictive alternative treatment and has previously made an affirmative special finding under RCW 71.05.280(3)(b), the court shall appoint a multidisciplinary transition team to supervise and assist the person on the order for less restrictive treatment, which shall include a representative of the community behavioral health agency providing treatment under RCW 71.05.585, and a specially trained supervising community corrections officer. The court may omit the appointment of a community corrections officer if it makes a special finding that the appointment of a community corrections officer would not facilitate the success of the person, or the safety of the person and the community under (a)(ii) of this subsection.

(ii) The role of the transition team shall be to facilitate the success of the person on the less restrictive alternative order by monitoring the person's progress in treatment, compliance with court-ordered conditions, and to problem solve around extra support the person may need or circumstances which may arise that threaten the safety of the person or the community. The transition team may develop a monitoring plan which may be carried out by any member of the team. The transition team shall meet according to a schedule developed by the team, and shall communicate as needed if issues arise that require the immediate attention of the team.

(iii) The department of corrections shall collaborate with the department to develop specialized training for community corrections officers under this section. The lack of a trained community corrections officer must not be the cause of delay to entry of a less restrictive alternative order.

(b) At the end of the ~~((one hundred eighty day))~~ 180-day period of commitment, or one-year period of commitment if subsection (7) of this section applies, the committed person shall be released unless a petition for an additional ~~((one hundred eighty day))~~ 180-day period of continued treatment is filed and heard in the same manner as provided in this section. Successive

~~((one hundred eighty day))~~ 180-day commitments are permissible on the same grounds and pursuant to the same procedures as the original ~~((one hundred eighty day))~~ 180-day commitment.

(7) An order for less restrictive treatment entered under subsection (6) of this section may be for up to one year when the person's previous commitment term was for intensive inpatient treatment in a state hospital.

(8) No person committed ~~((as provided in))~~ under this section may be detained unless a valid order of commitment is in effect. No order of commitment ~~((can))~~ under this section may exceed ~~((one hundred eighty))~~ 180 days in length except as provided in subsection (7) of this section.

(9) Nothing in this section precludes the court from subsequently modifying the terms of an order for less restrictive alternative treatment under RCW 71.05.590(3).

Sec. 19. RCW 71.05.365 and 2019 c 325 s 3008 are each amended to read as follows:

When a person has been involuntarily committed for treatment to a hospital for a period of ~~((ninety))~~ 90 or ~~((one hundred eighty))~~ 180 days, and the superintendent or professional person in charge of the hospital determines that the person no longer requires active psychiatric treatment at an inpatient level of care, the behavioral health administrative services organization, managed care organization, or agency providing oversight of long-term care or developmental disability services that is responsible for resource management services for the person must work with the hospital to develop an individualized discharge plan, including whether a petition should be filed for less restrictive alternative treatment on the basis that the person is in need of assisted outpatient treatment, and arrange for a transition to the community in accordance with the person's individualized discharge plan within ~~((fourteen))~~ 14 days of the determination.

Sec. 20. RCW 71.05.585 and 2021 c 264 s 13 are each amended to read as follows:

(1) Less restrictive alternative treatment, at a minimum, includes the following services:

- (a) Assignment of a care coordinator;
- (b) An intake evaluation with the provider of the less restrictive alternative treatment;
- (c) A psychiatric evaluation, a substance use disorder evaluation, or both;
- (d) A schedule of regular contacts with the provider of the treatment services for the duration of the order;
- (e) A transition plan addressing access to continued services at the expiration of the order;
- (f) An individual crisis plan;
- (g) Consultation about the formation of a mental health advance directive under chapter 71.32 RCW; and

(h) Notification to the care coordinator assigned in (a) of this subsection if reasonable efforts to engage the client fail to produce substantial compliance with court-ordered treatment conditions.

(2) Less restrictive alternative treatment may additionally include requirements to participate in the following services:

- (a) Medication management;
- (b) Psychotherapy;
- (c) Nursing;
- (d) Substance use disorder counseling;
- (e) Residential treatment;
- (f) Partial hospitalization;
- (g) Intensive outpatient treatment;
- (h) Support for housing, benefits, education, and employment; and
- ~~((g))~~ (i) Periodic court review.

(3) If the person was provided with involuntary medication under RCW 71.05.215 or pursuant to a judicial order during the involuntary commitment period, the less restrictive alternative treatment order may authorize the less restrictive alternative treatment provider or its designee to administer involuntary antipsychotic medication to the person if the provider has attempted and failed to obtain the informed consent of the person and there is a concurring medical opinion approving the medication by a psychiatrist, physician assistant working with a supervising psychiatrist,

psychiatric advanced registered nurse practitioner, or physician or physician assistant in consultation with an independent mental health professional with prescribing authority.

(4) Less restrictive alternative treatment must be administered by a provider that is certified or licensed to provide or coordinate the full scope of services required under the less restrictive alternative order and that has agreed to assume this responsibility.

(5) The care coordinator assigned to a person ordered to less restrictive alternative treatment must submit an individualized plan for the person's treatment services to the court that entered the order. An initial plan must be submitted as soon as possible following the intake evaluation and a revised plan must be submitted upon any subsequent modification in which a type of service is removed from or added to the treatment plan.

(6) A care coordinator may disclose information and records related to mental health services pursuant to RCW 70.02.230(2)(k) for purposes of implementing less restrictive alternative treatment.

(7) For the purpose of this section, "care coordinator" means a clinical practitioner who coordinates the activities of less restrictive alternative treatment. The care coordinator coordinates activities with the designated crisis responders that are necessary for enforcement and continuation of less restrictive alternative orders and is responsible for coordinating service activities with other agencies and establishing and maintaining a therapeutic relationship with the individual on a continuing basis.

Sec. 21. RCW 71.34.755 and 2021 c 287 s 21 and 2021 c 264 s 16 are each reenacted and amended to read as follows:

(1) Less restrictive alternative treatment, at a minimum, must include the following services:

(a) Assignment of a care coordinator;

(b) An intake evaluation with the provider of the less restrictive alternative treatment;

(c) A psychiatric evaluation, a substance use disorder evaluation, or both;

(d) A schedule of regular contacts with the provider of the less restrictive alternative treatment services for the duration of the order;

(e) A transition plan addressing access to continued services at the expiration of the order;

(f) An individual crisis plan;

(g) Consultation about the formation of a mental health advance directive under chapter 71.32 RCW; and

(h) Notification to the care coordinator assigned in (a) of this subsection if reasonable efforts to engage the client fail to produce substantial compliance with court-ordered treatment conditions.

(2) Less restrictive alternative treatment may include the following additional services:

(a) Medication management;

(b) Psychotherapy;

(c) Nursing;

(d) Substance use disorder counseling;

(e) Residential treatment;

(f) Partial hospitalization;

(g) Intensive outpatient treatment;

(h) Support for housing, benefits, education, and employment; and

(~~(g)~~) (i) Periodic court review.

(3) If the minor was provided with involuntary medication during the involuntary commitment period, the less restrictive alternative treatment order may authorize the less restrictive alternative treatment provider or its designee to administer involuntary antipsychotic medication to the person if the provider has attempted and failed to obtain the informed consent of the person and there is a concurring medical opinion approving the medication by a psychiatrist, physician assistant working with a supervising psychiatrist, psychiatric advanced registered nurse practitioner, or physician or physician assistant in consultation with an independent mental health professional with prescribing authority.

(4) Less restrictive alternative treatment must be administered by a provider that is certified or licensed to provide or coordinate the full scope of services required under the less

restrictive alternative order and that has agreed to assume this responsibility.

(5) The care coordinator assigned to a minor ordered to less restrictive alternative treatment must submit an individualized plan for the minor's treatment services to the court that entered the order. An initial plan must be submitted as soon as possible following the intake evaluation and a revised plan must be submitted upon any subsequent modification in which a type of service is removed from or added to the treatment plan.

(6) A care coordinator may disclose information and records related to mental health services pursuant to RCW 70.02.230(2)(k) for purposes of implementing less restrictive alternative treatment.

(7) For the purpose of this section, "care coordinator" means a clinical practitioner who coordinates the activities of less restrictive alternative treatment. The care coordinator coordinates activities with the designated crisis responders that are necessary for enforcement and continuation of less restrictive alternative treatment orders and is responsible for coordinating service activities with other agencies and establishing and maintaining a therapeutic relationship with the individual on a continuing basis.

Sec. 22. RCW 10.77.175 and 2021 c 263 s 4 are each amended to read as follows:

(1) Conditional release planning should start at admission and proceed in coordination between the department and the person's managed care organization, or behavioral health administrative services organization if the person is not eligible for medical assistance under chapter 74.09 RCW. If needed, the department shall assist the person to enroll in medical assistance in suspense status under RCW 74.09.670. The state hospital liaison for the managed care organization or behavioral health administrative services organization shall facilitate conditional release planning in collaboration with the department.

(2) Less restrictive alternative treatment pursuant to a conditional release order, at a minimum, includes the following services:

(a) Assignment of a care coordinator;

(b) An intake evaluation with the provider of the conditional treatment;

(c) A psychiatric evaluation or a substance use disorder evaluation, or both;

(d) A schedule of regular contacts with the provider of the less restrictive alternative treatment services for the duration of the order;

(e) A transition plan addressing access to continued services at the expiration of the order;

(f) An individual crisis plan;

(g) Consultation about the formation of a mental health advance directive under chapter 71.32 RCW; (~~and~~)

(h) Appointment of a transition team under RCW 10.77.150; (~~and~~) and

(i) Notification to the care coordinator assigned in (a) of this subsection and to the transition team as provided in RCW 10.77.150 if reasonable efforts to engage the client fail to produce substantial compliance with court-ordered treatment conditions.

(3) Less restrictive alternative treatment pursuant to a conditional release order may additionally include requirements to participate in the following services:

(a) Medication management;

(b) Psychotherapy;

(c) Nursing;

(d) Substance use disorder counseling;

(e) Residential treatment;

(f) Partial hospitalization;

(g) Intensive outpatient treatment;

(h) Support for housing, benefits, education, and employment; and

(~~(g)~~) (i) Periodic court review.

(4) Nothing in this section prohibits items in subsection (2) of this section from beginning before the conditional release of the individual.

(5) If the person was provided with involuntary medication under RCW 10.77.094 or pursuant to a judicial order during the involuntary commitment period, the less restrictive alternative treatment pursuant to the conditional release order may authorize the less restrictive alternative treatment

provider or its designee to administer involuntary antipsychotic medication to the person if the provider has attempted and failed to obtain the informed consent of the person and there is a concurring medical opinion approving the medication by a psychiatrist, physician assistant working with a supervising psychiatrist, psychiatric advanced registered nurse practitioner, or physician or physician assistant in consultation with an independent mental health professional with prescribing authority.

(6) Less restrictive alternative treatment pursuant to a conditional release order must be administered by a provider that is certified or licensed to provide or coordinate the full scope of services required under the less restrictive alternative order and that has agreed to assume this responsibility.

(7) The care coordinator assigned to a person ordered to less restrictive alternative treatment pursuant to a conditional release order must submit an individualized plan for the person's treatment services to the court that entered the order. An initial plan must be submitted as soon as possible following the intake evaluation and a revised plan must be submitted upon any subsequent modification in which a type of service is removed from or added to the treatment plan.

(8) A care coordinator may disclose information and records related to mental health treatment under RCW 70.02.230(2)(k) for purposes of implementing less restrictive alternative treatment pursuant to a conditional release order.

(9) For the purpose of this section, "care coordinator" means a representative from the department of social and health services who coordinates the activities of less restrictive alternative treatment pursuant to a conditional release order. The care coordinator coordinates activities with the person's transition team that are necessary for enforcement and continuation of the conditional release order and is responsible for coordinating service activities with other agencies and establishing and maintaining a therapeutic relationship with the individual on a continuing basis.

Sec. 23. RCW 71.05.590 and 2021 c 264 s 14 are each amended to read as follows:

(1) Either an agency or facility designated to monitor or provide services under a less restrictive alternative order or conditional release, or a designated crisis responder, may take action to enforce, modify, or revoke a less restrictive alternative treatment order or conditional release order. The agency, facility, or designated crisis responder must determine that:

(a) The person is failing to adhere to the terms and conditions of the ~~((court))~~ order;

(b) Substantial deterioration in the person's functioning has occurred;

(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or

(d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to the circumstances and consistent with the interests of the individual and the public in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

(a) To counsel or advise the person as to their rights and responsibilities under the court order, and to offer ~~((appropriate))~~ incentives to motivate compliance;

(b) To increase the intensity of outpatient services provided to the person by increasing the frequency of contacts with the provider, referring the person for an assessment for assertive community services, or by other means;

(c) To request a court hearing for review and modification of the court order. The request must be ~~((made to or by))~~ directed to the court with jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county prosecutor shall assist the ~~((agency or facility in))~~ entity requesting ~~((this))~~ the hearing and ~~((issuing))~~ issue an appropriate summons to the person. This subsection does not limit the inherent authority of a treatment provider to alter conditions of treatment for clinical reasons, and is

intended to be used only when court intervention is necessary or advisable to secure the person's compliance and prevent decompensation or deterioration;

(d) To ~~((cause))~~ detain the person ~~((to be transported by a peace officer, designated crisis responder, or other means to the))~~ for up to 12 hours for evaluation at an agency ~~((or))~~, facility ~~((monitoring or))~~ providing services under the court order, ~~((or to a))~~ triage facility, crisis stabilization unit, emergency department, evaluation and treatment facility, secure withdrawal management and stabilization facility with available space, or an approved substance use disorder treatment program with available space. The ~~((person may be detained at the facility for up to twelve hours for the))~~ purpose of ~~((an))~~ the evaluation is to determine whether modification, revocation, or commitment proceedings are necessary and appropriate to stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention for evaluation under this subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and engagement, and may occur only when ~~((in the))~~, based on clinical judgment ~~((of a designated crisis responder or the professional person in charge of an agency or facility designated to monitor less restrictive alternative services))~~, temporary detention is appropriate. The agency, facility, or designated crisis responder may request assistance from a peace officer for the purposes of temporary detention under this subsection (2)(d). This subsection does not limit the ability or obligation of the agency, facility, or designated crisis responder to pursue revocation procedures under subsection (5) of this section in appropriate circumstances; and

(e) To initiate revocation procedures under subsection (5) of this section ~~((or, if the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, initiate initial inpatient detention procedures under subsection (7) of this section))~~.

(3) A court may supervise a person on an order for less restrictive alternative treatment or a conditional release. While

the person is under the order, the court may:

(a) Require appearance in court for periodic reviews; and

(b) Modify the order after considering input from the agency or facility designated to provide or facilitate services. The court may not remand the person into inpatient treatment except as provided under subsection (5) of this section, but may take actions under subsection (2)(a) through (d) of this section.

(4) The facility or agency designated to provide outpatient treatment shall notify the secretary of the department of social and health services or designated crisis responder when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm.

(5)(a) ~~((Except as provided in subsection (7) of this section, a))~~ A designated crisis responder or the secretary of the department of social and health services may, upon their own motion or ~~((notification by))~~ upon request of the facility or agency designated to provide outpatient care ~~((order))~~, cause a person ~~((subject to a court order under this chapter))~~ to be ~~((apprehended and taken into custody and temporary detention))~~ detained in an evaluation and treatment facility, ~~((an))~~ available secure withdrawal management and stabilization facility with adequate space, or ~~((an))~~ available approved substance use disorder treatment program with adequate space ~~((or))~~ in or near the county in which he or she is receiving outpatient treatment ~~((Proceedings under this subsection (5) may be initiated without ordering the apprehension and))~~ for the purpose of a hearing for revocation of a less restrictive alternative treatment order or conditional release order under this chapter. The designated crisis responder or secretary of the department of social and health services shall file a petition for revocation within 24 hours and serve the person, their guardian, if any, and their attorney. A hearing for revocation of a less restrictive alternative treatment order or conditional release order may be scheduled without detention of the person.

(b) ~~((Except as provided in subsection (7) of this section, a))~~ A person detained under this subsection (5) must be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the ~~((person should be returned to the hospital or facility from which he or she had been released))~~ order for less restrictive alternative treatment or conditional release should be revoked, modified, or retained. If the person is not detained, the hearing must be scheduled within five days of service on the person. The designated crisis responder or the secretary of the department of social and health services may ~~((modify or rescind the order at any time prior to commencement of))~~ withdraw its petition for revocation at any time before the court hearing.

(c) ~~((The designated crisis responder or secretary of the department of social and health services shall file a revocation petition and order of apprehension and detention with the court of the county where the person is currently located or being detained. The designated crisis responder shall serve the person and their attorney, guardian, and conservator, if any. The))~~ A person detained under this subsection (5) has the same rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in this section. There is no right to jury trial. The venue for proceedings is the county where the petition is filed. Notice of the filing must be provided to the court that originally ordered commitment, if different from the court where the petition for revocation is filed, within two judicial days of the person's detention.

(d) ~~((Except as provided in subsection (7) of this section, the))~~ The issues for the court to determine are whether: (i) The person adhered to the terms and conditions of the ~~((court))~~ order; (ii) substantial deterioration in the person's functioning has occurred; (iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further inpatient treatment; or (iv) there is a likelihood of serious harm; and, if any of the above conditions apply, whether it is appropriate for the court ~~((should))~~ to reinstate or modify the person's less restrictive alternative treatment order

or conditional release order or order the person's detention for inpatient treatment. The person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period must be for ~~((fourteen))~~ 14 days from the revocation hearing if the ~~((outpatient))~~ less restrictive alternative treatment order or conditional release order was based on a petition under RCW 71.05.148, 71.05.160, or 71.05.230. If the court orders detention for inpatient treatment and the ~~((outpatient))~~ less restrictive alternative treatment order or conditional release order was based on a petition under RCW 71.05.290 or 71.05.320, the number of days remaining on the ~~((outpatient))~~ order must be converted to days of inpatient treatment ~~((authorized in the original court order))~~. A court may not ~~((issue an order to))~~ detain a person for inpatient treatment ~~((in))~~ to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program under this subsection unless there is a ~~((secure withdrawal management and stabilization))~~ facility or ~~((approved substance use disorder treatment))~~ program available ~~((and))~~ with adequate space for the person.

(6) In determining whether or not to take action under this section the designated crisis responder, agency, or facility must consider the factors specified under RCW 71.05.212 and the court must consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

~~((7)(a) If the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, a designated crisis responder may initiate inpatient detention procedures under RCW 71.05.150 or 71.05.153 when appropriate. A designated crisis responder or the secretary may, upon their own motion or notification by the facility or agency designated to provide outpatient care to a person subject to a less restrictive alternative treatment order under RCW 71.05.320 subsequent to an order for assisted outpatient behavioral health treatment entered under RCW 71.05.148, order the person to be apprehended and taken into custody and temporary~~

~~detention for inpatient evaluation in an evaluation and treatment facility, secure withdrawal management and stabilization facility, or in an approved substance use disorder treatment program, in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection may be initiated without ordering the apprehension and detention of the person.~~

~~(b) A person detained under this subsection may be held for evaluation for up to one hundred twenty hours, excluding weekends and holidays, pending a court hearing. If the person is not detained, the hearing must be scheduled within one hundred twenty hours of service on the person. The designated crisis responder or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.~~

~~(c) The issues for the court to determine are whether to continue the detention of the person for inpatient treatment or whether the court should reinstate or modify the person's less restrictive alternative order or order the person's detention for inpatient treatment. To continue detention after the one hundred twenty hour period, the court must find that the person, as a result of a behavioral health disorder, presents a likelihood of serious harm or is gravely disabled and, after considering less restrictive alternatives to involuntary detention and treatment, that no such alternatives are in the best interest of the person or others.~~

~~(d) A court may not issue an order to detain a person for inpatient treatment in a secure withdrawal management and stabilization facility or approved substance use disorder program under this subsection unless there is a secure withdrawal management and stabilization facility or approved substance use disorder treatment program available and with adequate space for the person.)~~

Sec. 24. RCW 71.05.590 and 2021 c 264 s 15 are each amended to read as follows:

(1) Either an agency or facility designated to monitor or provide services under a less restrictive alternative order or conditional release, or a designated crisis responder, may take action to enforce, modify, or revoke a less restrictive alternative treatment order or conditional release order. The

agency, facility, or designated crisis responder must determine that:

(a) The person is failing to adhere to the terms and conditions of the ~~((court))~~ order;

(b) Substantial deterioration in the person's functioning has occurred;

(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or

Sec. 25. RCW 71.05.595 and 2018 c 291 s 16 are each amended to read as follows:

A court order for less restrictive alternative treatment for a person found to be in need of assisted outpatient ((behavioral health)) treatment must be terminated prior to the expiration of the order when, in the opinion of the professional person in charge of the less restrictive alternative treatment provider, (1) the person is prepared to accept voluntary treatment, or (2) the outpatient treatment ordered is no longer necessary to prevent a relapse, decompensation, or deterioration that is likely to result in the person presenting a likelihood of serious harm or the person becoming gravely disabled within a reasonably short period of time.

Sec. 26. RCW 71.24.045 and 2021 c 263 s 17 are each amended to read as follows:

(1) The behavioral health administrative services organization contracted with the authority pursuant to RCW 71.24.381 shall:

(a) Administer crisis services for the assigned regional service area. Such services must include:

(i) A behavioral health crisis hotline for its assigned regional service area;

(ii) Crisis response services twenty-four hours a day, seven days a week, three hundred sixty-five days a year;

(iii) Services related to involuntary commitments under chapters 71.05 and 71.34 RCW;

(iv) Tracking of less restrictive alternative orders issued within the region by superior courts, and providing notification to a managed care organization in the region when one of its enrollees receives a less restrictive alternative order so that the managed care organization may ensure that the

person is connected to services and that the requirements of RCW 71.05.585 are complied with. If the person receives a less restrictive alternative order and is returning to another region, the behavioral health administrative services organization shall notify the behavioral health administrative services organization in the home region of the less restrictive alternative order so that the home behavioral health administrative services organization may notify the person's managed care organization or provide services if the person is not enrolled in medicaid and does not have other insurance which can pay for those services;

(v) Additional noncrisis behavioral health services, within available resources, to individuals who meet certain criteria set by the authority in its contracts with the behavioral health administrative services organization. These services may include services provided through federal grant funds, provisos, and general fund state appropriations;

(vi) Care coordination, diversion services, and discharge planning for nonmedicaid individuals transitioning from state hospitals or inpatient settings to reduce rehospitalization and utilization of crisis services, as required by the authority in contract; and

(vii) Regional coordination, cross-system and cross-jurisdiction coordination with tribal governments, and capacity building efforts, such as supporting the behavioral health advisory board, the behavioral health ombuds, and efforts to support access to services or to improve the behavioral health system;

(b) Administer and provide for the availability of an adequate network of evaluation and treatment services to ensure access to treatment, investigation, transportation, court-related, and other services provided as required under chapter 71.05 RCW;

(c) Coordinate services for individuals under RCW 71.05.365;

(d) Administer and provide for the availability of resource management services, residential services, and community support services as required under its contract with the authority;

(e) Contract with a sufficient number, as determined by the authority, of licensed or certified providers for crisis services and other behavioral health services required by the authority;

(f) Maintain adequate reserves or secure a bond as required by its contract with the authority;

(g) Establish and maintain quality assurance processes;

(h) Meet established limitations on administrative costs for agencies that contract with the behavioral health administrative services organization; and

(i) Maintain patient tracking information as required by the authority.

(2) The behavioral health administrative services organization must collaborate with the authority and its contracted managed care organizations to develop and implement strategies to coordinate care with tribes and community behavioral health providers for individuals with a history of frequent crisis system utilization.

(3) The behavioral health administrative services organization shall:

(a) Assure that the special needs of minorities, older adults, individuals with disabilities, children, and low-income persons are met;

(b) Collaborate with local government entities to ensure that policies do not result in an adverse shift of persons with mental illness into state and local correctional facilities; and

(c) Work with the authority to expedite the enrollment or reenrollment of eligible persons leaving state or local correctional facilities and institutions for mental diseases.

(4) The behavioral health administrative services organization shall employ an assisted outpatient treatment program coordinator to oversee system coordination and legal compliance for assisted outpatient treatment under RCW 71.05.148 and section 4 of this act.

Sec. 27. RCW 71.24.045 and 2021 c 263 s 17 and 2021 c 202 s 15 are each reenacted and amended to read as follows:

(iii) Services related to involuntary commitments under chapters 71.05 and 71.34 RCW;

(iv) Tracking of less restrictive alternative orders issued within the region by superior courts, and providing notification to a managed care organization in the region when one of its enrollees receives a less restrictive alternative order so that the managed care organization may ensure that the person is connected to services and that the requirements of RCW 71.05.585 are complied with. If the person receives a less restrictive alternative order and is returning to another region, the behavioral health administrative services organization shall notify the behavioral health administrative services organization in the home region of the less restrictive alternative order so that the home behavioral health administrative services organization may notify the person's managed care organization or provide services if the person is not enrolled in medicaid and does not have other insurance which can pay for those services;

(v) Additional noncrisis behavioral health services, within available resources, to individuals who meet certain criteria set by the authority in its contracts with the behavioral health administrative services organization. These services may include services provided through federal grant funds, provisos, and general fund state appropriations;

(vi) Care coordination, diversion services, and discharge planning for nonmedicaid individuals transitioning from state hospitals or inpatient settings to reduce rehospitalization and utilization of crisis services, as required by the authority in contract; and

(vii) Regional coordination, cross-system and cross-jurisdiction

coordination with tribal governments, and capacity building efforts, such as supporting the behavioral health advisory board and efforts to support access to services or to improve the behavioral health system;

(b) Administer and provide for the availability of an adequate network of evaluation and treatment services to ensure access to treatment, investigation, transportation, court-related, and other services provided as required under chapter 71.05 RCW;

(c) Coordinate services for individuals under RCW 71.05.365;

(d) Administer and provide for the availability of resource management services, residential services, and community support services as required under its contract with the authority;

(e) Contract with a sufficient number, as determined by the authority, of licensed or certified providers for crisis services and other behavioral health services required by the authority;

(f) Maintain adequate reserves or secure a bond as required by its contract with the authority;

(g) Establish and maintain quality assurance processes;

(h) Meet established limitations on administrative costs for agencies that contract with the behavioral health administrative services organization; and

(i) Maintain patient tracking information as required by the authority.

(2) The behavioral health administrative services organization must collaborate with the authority and its contracted managed care organizations to develop and implement strategies to coordinate care with tribes and community behavioral health providers for individuals with a history of frequent crisis system utilization.

(3) The behavioral health administrative services organization shall:

(a) Assure that the special needs of minorities, older adults, individuals with disabilities, children, and low-income persons are met;

(b) Collaborate with local government entities to ensure that policies do not

result in an adverse shift of persons with mental illness into state and local correctional facilities; and

(c) Work with the authority to expedite the enrollment or reenrollment of eligible persons leaving state or local correctional facilities and institutions for mental diseases.

(4) The behavioral health administrative services organization shall employ an assisted outpatient treatment program coordinator to oversee system coordination and legal compliance for assisted outpatient treatment under RCW 71.05.148 and section 4 of this act.

NEW SECTION. Sec. 28. By December 31, 2022, the administrative office of the courts, in collaboration with stakeholders, shall: (1) Develop a court form or forms for the filing of a petition under RCW 71.05.148 and section 4 of this act; and (2) develop and publish on its website a user's guide to assist litigants in the preparation and filing of a petition under RCW 71.05.148 or section 4 of this act.

Sec. 29. RCW 71.05.740 and 2021 c 263 s 15 are each amended to read as follows:

(1) All behavioral health administrative services organizations in the state of Washington must forward historical behavioral health involuntary commitment information retained by the organization, including identifying information and dates of commitment to the authority. As soon as feasible, the behavioral health administrative services organizations must arrange to report new commitment data to the authority within twenty-four hours. Commitment information under this section does not need to be resent if it is already in the possession of the authority. Behavioral health administrative services organizations and the authority shall be immune from liability related to the sharing of commitment information under this section.

(2) The clerk of the court must share commitment hearing outcomes in all hearings under this chapter with the local behavioral health administrative services organization that serves the region where the superior court is located, including in cases in which the designated crisis responder investigation occurred outside the region. The hearing outcome data must

include the name of the facility to which a person has been committed.

NEW SECTION. Sec. 30. Sections 1, 2, and 31 of this act take effect July 1, 2022.

Sec. 31. 2021 c 264 s 24 (uncodified) and 2021 c 263 s 21 (uncodified) are each reenacted and amended to read as follows:

(1) Sections 4 and 28, chapter 302, Laws of 2020, sections 13 and 14, chapter 263, Laws of 2021, ~~((and, until July 1, 2022, section 22, chapter 264, Laws of 2021 and, beginning July 1, 2022,))~~ section 23, chapter 264, Laws of 2021, and sections 2 and 10, chapter ... (this act), Laws of 2022 take effect when monthly single-bed certifications authorized under RCW 71.05.745 fall below 200 reports for 3 consecutive months.

(2) The health care authority must provide written notice of the effective date of sections 4 and 28, chapter 302, Laws of 2020, sections 13 and 14, chapter 263, Laws of 2021, ~~((and sections 22 and))~~ section 23, chapter 264, Laws of 2021, and sections 2 and 10, chapter ... (this act), Laws of 2022 to affected parties, the chief clerk of the house of representatives, the secretary of the senate, the office of the code reviser, and others as deemed appropriate by the authority.

NEW SECTION. Sec. 32. Sections 5, 12, 17, and 23 of this act expire July 1, 2026.

NEW SECTION. Sec. 33. Sections 6, 13, 18, and 24 of this act take effect July 1, 2026.

NEW SECTION. Sec. 34. Section 26 of this act expires October 1, 2022.

NEW SECTION. Sec. 35. Section 27 of this act takes effect October 1, 2022.

NEW SECTION. Sec. 36. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2022, in the omnibus appropriations act, this act is null and void."

On page 1, line 2 of the title, after "disorders;" strike the remainder of the title and insert "amending RCW 71.05.148, 71.05.150, 71.05.150, 71.05.156, 71.05.212, 71.05.230, 71.05.240, 71.05.240, 71.05.245, 71.05.280, 71.05.290, 71.05.365, 71.05.585, 10.77.175, 71.05.590, 71.05.590, 71.05.595, 71.24.045, and 71.05.740;

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House concurred in the Senate amendment to SUBSTITUTE HOUSE BILL NO. 1773 and advanced the bill, as amended by the Senate, to final passage.

FINAL PASSAGE OF HOUSE BILL AS SENATE AMENDED

Representative Taylor spoke in favor of the passage of the bill.

Representative Walsh spoke against the passage of the bill.

The Speaker (Representative Orwall presiding) stated the question before the House to be the final passage of Substitute House Bill No. 1773, as amended by the Senate.

ROLL CALL

The Clerk called the roll on the final passage of Substitute House Bill No. 1773, as amended by the Senate, and the bill passed the House by the following vote: Yeas, 90; Nays, 8; Absent, 0; Excused, 0.

Voting yea: Representatives Barkis, Bateman, Berg, Bergquist, Berry, Boehnke, Bronoske, Caldier, Callan, Chambers, Chapman, Chase, Chopp, Cody, Corry, Davis, Dent, Dolan, Donaghy, Duerr, Dufault, Dye, Entenman, Eslick, Fey, Fitzgibbon, Frame, Gilday, Goehner, Goodman, Graham, Gregerson, Griffey, Hackney, Hansen, Harris, Harris-Talley, Hoff, Jacobsen, J. Johnson, Kirby, Klicker, Klippert, Kloba, Kretz, Leavitt, Lekanoff, MacEwen, Macri, Maycumber, Morgan, Mosbrucker, Ormsby, Ortiz-Self, Orwall, Paul, Peterson, Pollet, Ramel, Ramos, Riccelli, Robertson, Rude, Rule, Ryu, Santos, Schmick, Sells, Senn, Shewmake, Simmons, Slatter, Springer, Steele, Stokesbary, Stonier, Sullivan, Sutherland, Taylor, Thai, Tharinger, Valdez, Vick, Volz, Walen, Wicks, Wilcox, Wylie, Ybarra and Mme. Speaker.

Voting nay: Representatives Abbarno, Chandler, Kraft, McCaslin, McEntire, Orcutt, Walsh and Young.

SUBSTITUTE HOUSE BILL NO. 1773, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 3, 2022

Madame Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1812 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 80.50.010 and 2001 c 214 s 1 are each amended to read as follows:

The legislature finds that the present and predicted growth in energy demands in the state of Washington requires ~~((the development of))~~ a procedure for the selection and ~~((utilization))~~ use of sites for energy facilities and the identification of a state position with respect to each proposed site. The legislature recognizes that the selection of sites will have a significant impact upon the welfare of the population, the location and growth of industry and the use of the natural resources of the state.

It is the policy of the state of Washington to reduce dependence on fossil fuels by recognizing the need for clean energy in order to strengthen the state's economy, meet the state's greenhouse gas reduction obligations, and mitigate the significant near-term and long-term impacts from climate change while conducting a public process that is transparent and inclusive to all with particular attention to overburdened communities.

The legislature finds that the in-state manufacture of industrial products that enable a clean energy economy is critical to advancing the state's objectives in providing affordable electricity, promoting renewable energy, strengthening the state's economy, and reducing greenhouse gas emissions. Therefore, the legislature intends to provide the council with additional authority regarding the siting of clean energy product manufacturing facilities.

It is the policy of the state of Washington to recognize the pressing need for increased energy facilities, and to ensure through available and reasonable methods~~((τ))~~ that the location and operation of ~~((such))~~ all energy facilities and certain clean energy

product manufacturing facilities will produce minimal adverse effects on the environment, ecology of the land and its wildlife, and the ecology of state waters and their aquatic life.

It is the intent to seek courses of action that will balance the increasing demands for energy facility location and operation in conjunction with the broad interests of the public. In addition, it is the intent of the legislature to streamline application review for energy facilities to meet the state's energy goals and to authorize applications for review of certain clean energy product manufacturing facilities to be considered under the provisions of this chapter.

Such action will be based on these premises:

(1) To assure Washington state citizens that, where applicable, operational safeguards are at least as stringent as the criteria established by the federal government and are technically sufficient for their welfare and protection.

(2) To preserve and protect the quality of the environment; to enhance the public's opportunity to enjoy the esthetic and recreational benefits of the air, water and land resources; to promote air cleanliness; ~~((and))~~ to pursue beneficial changes in the environment; and to promote environmental justice for overburdened communities.

(3) To encourage the development and integration of clean energy sources.

(4) To provide abundant clean energy at reasonable cost.

~~((+4))~~ (5) To avoid costs of complete site restoration and demolition of improvements and infrastructure at unfinished nuclear energy sites, and to use unfinished nuclear energy facilities for public uses, including economic development, under the regulatory and management control of local governments and port districts.

~~((+5))~~ (6) To avoid costly duplication in the siting process and ensure that decisions are made timely and without unnecessary delay while also encouraging meaningful public comment and participation in energy facility decisions.

Sec. 2. RCW 80.50.020 and 2021 c 317 s 17 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Alternative energy resource" includes energy facilities of the following types: (a) Wind; (b) solar energy; (c) geothermal energy; (d) ~~((landfill))~~ renewable natural gas; (e) wave or tidal action; ~~((or))~~ (f) biomass energy based on solid organic fuels from wood, forest, or field residues, or dedicated energy crops that do not include wood pieces that have been treated with chemical preservatives such as creosote, pentachlorophenol, or copper-chrome-arsenic; or (g) renewable or green electrolytic hydrogen.

(2) "Applicant" means any person who makes application for a site certification pursuant to the provisions of this chapter.

(3) "Application" means any request for approval of a particular site or sites filed in accordance with the procedures established pursuant to this chapter, unless the context otherwise requires.

(4) "Associated facilities" means storage, transmission, handling, or other related and supporting facilities connecting an energy plant with the existing energy supply, processing, or distribution system, including, but not limited to, communications, controls, mobilizing or maintenance equipment, instrumentation, and other types of ancillary transmission equipment, off-line storage or venting required for efficient operation or safety of the transmission system and overhead, and surface or subsurface lines of physical access for the inspection, maintenance, and safe operations of the transmission facility and new transmission lines constructed to operate at nominal voltages of at least 115,000 volts to connect a thermal power plant or alternative energy facilities to the northwest power grid. However, common carrier railroads or motor vehicles shall not be included.

(5) "Biofuel" means a liquid or gaseous fuel derived from organic matter ~~((intended for use as a transportation fuel))~~ including, but not limited to, biodiesel, renewable diesel, ethanol, renewable natural gas, and renewable propane.

(6) "Certification" means a binding agreement between an applicant and the

state which shall embody compliance to the siting guidelines, in effect as of the date of certification, which have been adopted pursuant to RCW 80.50.040 as now or hereafter amended as conditions to be met prior to or concurrent with the construction or operation of any energy facility.

(7) "Construction" means on-site improvements, excluding exploratory work, which cost in excess of two hundred fifty thousand dollars.

(8) "Council" means the energy facility site evaluation council created by RCW 80.50.030.

(9) "Counsel for the environment" means an assistant attorney general or a special assistant attorney general who shall represent the public in accordance with RCW 80.50.080.

(10) "Electrical transmission facilities" means electrical power lines and related equipment.

(11) "Energy facility" means an energy plant or transmission facilities: PROVIDED, That the following are excluded from the provisions of this chapter:

(a) Facilities for the extraction, conversion, transmission or storage of water, other than water specifically consumed or discharged by energy production or conversion for energy purposes; and

(b) Facilities operated by and for the armed services for military purposes or by other federal authority for the national defense.

(12) "Energy plant" means the following facilities together with their associated facilities:

(a) Any nuclear power facility where the primary purpose is to produce and sell electricity;

(b) Any nonnuclear stationary thermal power plant with generating capacity of three hundred fifty thousand kilowatts or more, measured using maximum continuous electric generating capacity, less minimum auxiliary load, at average ambient temperature and pressure, and floating thermal power plants of one hundred thousand kilowatts or more suspended on the surface of water by means of a barge, vessel, or other floating platform;

(c) Facilities which will have the capacity to receive liquefied natural gas

in the equivalent of more than one hundred million standard cubic feet of natural gas per day, which has been transported over marine waters;

(d) Facilities which will have the capacity to receive more than an average of fifty thousand barrels per day of crude or refined petroleum or liquefied petroleum gas which has been or will be transported over marine waters, except that the provisions of this chapter shall not apply to storage facilities unless occasioned by such new facility construction;

(e) Any underground reservoir for receipt and storage of natural gas as defined in RCW 80.40.010 capable of delivering an average of more than one hundred million standard cubic feet of natural gas per day; and

(f) Facilities capable of processing more than twenty-five thousand barrels per day of petroleum or biofuel into refined products except where such biofuel production is undertaken at existing industrial facilities(~~(+ and~~

~~(g) Facilities capable of producing more than one thousand five hundred barrels per day of refined biofuel but less than twenty five thousand barrels of refined biofuel)).~~

(13) "Independent consultants" means those persons who have no financial interest in the applicant's proposals and who are retained by the council to evaluate the applicant's proposals, supporting studies, or to conduct additional studies.

(14) "Land use plan" means a comprehensive plan or land use element thereof adopted by a unit of local government pursuant to chapter 35.63, 35A.63, 36.70, or 36.70A RCW, or as otherwise designated by chapter 325, Laws of 2007.

(15) "Person" means an individual, partnership, joint venture, private or public corporation, association, firm, public service company, political subdivision, municipal corporation, government agency, public utility district, or any other entity, public or private, however organized.

(16) "Preapplicant" means a person considering applying for a site certificate agreement for any (~~transmission~~) facility.

(17) "Preapplication process" means the process which is initiated by written correspondence from the preapplicant to the council, and includes the process adopted by the council for consulting with the preapplicant and with federally recognized tribes, cities, towns, and counties prior to accepting applications for (~~all transmission facilities~~) any facility.

(18) "Secretary" means the secretary of the United States department of energy.

(19) "Site" means any proposed or approved location of an energy facility, alternative energy resource, clean energy product manufacturing facility, or electrical transmission facility.

(20) "Thermal power plant" means, for the purpose of certification, any electrical generating facility using any fuel for distribution of electricity by electric utilities.

(21) "Transmission facility" means any of the following together with their associated facilities:

(a) Crude or refined petroleum or liquid petroleum product transmission pipeline of the following dimensions: A pipeline larger than six inches minimum inside diameter between valves for the transmission of these products with a total length of at least fifteen miles;

(b) Natural gas, synthetic fuel gas, or liquefied petroleum gas transmission pipeline of the following dimensions: A pipeline larger than fourteen inches minimum inside diameter between valves, for the transmission of these products, with a total length of at least fifteen miles for the purpose of delivering gas to a distribution facility, except an interstate natural gas pipeline regulated by the United States federal (~~power~~) energy regulatory commission.

(22) "Zoning ordinance" means an ordinance of a unit of local government regulating the use of land and adopted pursuant to chapter 35.63, 35A.63, 36.70, or 36.70A RCW or Article XI of the state Constitution, or as otherwise designated by chapter 325, Laws of 2007.

(23) "Clean energy product manufacturing facility" means a facility that exclusively or primarily manufactures the following products or components primarily used by such products:

(a) Vehicles, vessels, and other modes of transportation that emit no exhaust gas from the onboard source of power, other than water vapor;

(b) Charging and fueling infrastructure for electric, hydrogen, or other types of vehicles that emit no exhaust gas from the onboard source of power, other than water vapor;

(c) Renewable or green electrolytic hydrogen, including preparing renewable or green electrolytic hydrogen for distribution as an energy carrier or manufacturing feedstock, or converting it to a green hydrogen carrier;

(d) Equipment and products used to produce energy from alternative energy resources; and

(e) Equipment and products used at storage facilities.

(24) "Director" means the director of the energy facility site evaluation council appointed by the chair of the council in accordance with section 4 of this act.

(25)(a) "Green electrolytic hydrogen" means hydrogen produced through electrolysis.

(b) "Green electrolytic hydrogen" does not include hydrogen manufactured using steam reforming or any other conversion technology that produces hydrogen from a fossil fuel feedstock.

(26) "Green hydrogen carrier" means a chemical compound, created using electricity or renewable resources as energy input and without use of fossil fuel as a feedstock, from renewable hydrogen or green electrolytic hydrogen for the purposes of transportation, storage, and dispensing of hydrogen.

(27) "Renewable hydrogen" means hydrogen produced using renewable resources both as the source for the hydrogen and the source for the energy input into the production process.

(28) "Renewable natural gas" means a gas consisting largely of methane and other hydrocarbons derived from the decomposition of organic material in landfills, wastewater treatment facilities, and anaerobic digesters.

(29) "Renewable resource" means: (a) Water; (b) wind; (c) solar energy; (d) geothermal energy; (e) renewable natural gas; (f) renewable hydrogen; (g) wave, ocean, or tidal power; (h) biodiesel fuel

that is not derived from crops raised on land cleared from old growth or first growth forests; or (i) biomass energy.

(30) "Storage facility" means a plant that: (a) Accepts electricity as an energy source and uses a chemical, thermal, mechanical, or other process to store energy for subsequent delivery or consumption in the form of electricity; or (b) stores renewable hydrogen, green electrolytic hydrogen, or a green hydrogen carrier for subsequent delivery or consumption.

Sec. 3. RCW 80.50.030 and 2010 c 271 s 601 and 2010 c 152 s 2 are each reenacted and amended to read as follows:

~~(1) ((There is created and established the))~~ The energy facility site evaluation council is created and established.

~~(2)((+a))~~ The chair of the council shall be appointed by the governor with the advice and consent of the senate, shall have a vote on matters before the council, shall serve for a term coextensive with the term of the governor, and is removable for cause. The chair may designate a member of the council to serve as acting chair in the event of the chair's absence. The salary of the chair shall be determined under RCW 43.03.040. The chair is a "state employee" for the purposes of chapter 42.52 RCW. As applicable, when attending meetings of the council, members may receive reimbursement for travel expenses in accordance with RCW 43.03.050 and 43.03.060, and are eligible for compensation under RCW 43.03.250.

~~((b) The chair or a designee shall execute all official documents, contracts, and other materials on behalf of the council. The Washington utilities and transportation commission shall provide all administrative and staff support for the council. The commission has supervisory authority over the staff of the council and shall employ such personnel as are necessary to implement this chapter. Not more than three such employees may be exempt from chapter 41.06 RCW. The council shall otherwise retain its independence in exercising its powers, functions, and duties and its supervisory control over nonadministrative staff support. Membership, powers, functions, and duties of the Washington state utilities and transportation commission and the council shall otherwise remain as provided by law.)~~

(3)(a) The council shall consist of the ~~((directors, administrators, or their designees, of the following departments, agencies, commissions, and committees or their statutory successors;~~

~~(i) Department of ecology;~~

~~(ii) Department of fish and wildlife;~~

~~(iii) Department of commerce;~~

~~(iv) Utilities and transportation commission; and~~

~~(v) Department of natural resources))~~
chair of the council and:

(i) The director of the department of ecology or the director's designee;

(ii) The director of the department of fish and wildlife or the director's designee;

(iii) The director of the department of commerce or the director's designee;

(iv) The chair of the utilities and transportation commission or the chair's designee; and

(v) The commissioner of public lands or the commissioner's designee.

(b) The directors, administrators, or their designees, of the following departments, agencies, and commissions, or their statutory successors, may participate as councilmembers at their own discretion provided they elect to participate no later than sixty days after an application is filed:

(i) Department of agriculture;

(ii) Department of health;

(iii) Military department; and

(iv) Department of transportation.

~~((c) Council membership is discretionary for agencies that choose to participate under (b) of this subsection only for applications that are filed with the council on or after May 8, 2001. For applications filed before May 8, 2001, council membership is mandatory for those agencies listed in (b) of this subsection.))~~

(4) The appropriate county legislative authority of every county wherein an application for a proposed site is filed shall appoint a member or designee as a voting member to the council. The member or designee so appointed shall sit with the council only at such times as the

council considers the proposed site for the county which he or she represents, and such member or designee shall serve until there has been a final acceptance or rejection of the proposed site.

(5) The city legislative authority of every city within whose corporate limits an energy facility is proposed to be located shall appoint a member or designee as a voting member to the council. The member or designee so appointed shall sit with the council only at such times as the council considers the proposed site for the city which he or she represents, and such member or designee shall serve until there has been a final acceptance or rejection of the proposed site.

(6) For any port district wherein an application for a proposed port facility is filed subject to this chapter, the port district shall appoint a member or designee as a nonvoting member to the council. The member or designee so appointed shall sit with the council only at such times as the council considers the proposed site for the port district which he or she represents, and such member or designee shall serve until there has been a final acceptance or rejection of the proposed site. The provisions of this subsection shall not apply if the port district is the applicant, either singly or in partnership or association with any other person.

(7) A quorum of the council consists of a majority of members appointed for business to be conducted.

NEW SECTION. Sec. 4. A new section is added to chapter 80.50 RCW to read as follows:

(1) The chair of the council or the chair's designee shall execute all official documents, contracts, and other materials on behalf of the council.

(2) The chair of the council shall appoint a director to oversee the operations of the council and carry out the duties of this chapter as delegated by the chair. The chair of the council may delegate to the director its status as appointing authority for the council.

(3) The director shall employ such administrative and professional personnel as may be necessary to perform the administrative work of the council and implement this chapter. The director has supervisory authority over all staff

of the council. Not more than four employees may be exempt from chapter 41.06 RCW.

Sec. 5. RCW 80.50.040 and 2001 c 214 s 6 are each amended to read as follows:

The council shall have the following powers:

(1) To adopt, promulgate, amend, or rescind suitable rules and regulations, pursuant to chapter 34.05 RCW, to carry out the provisions of this chapter, and the policies and practices of the council in connection therewith;

(2) To develop and apply environmental and ecological guidelines in relation to the type, design, location, construction, ~~((and))~~ initial operational conditions of certification, and ongoing regulatory oversight under the regulatory authority established in this chapter of energy facilities subject to this chapter;

(3) To establish rules of practice for the conduct of public hearings pursuant to the provisions of the Administrative Procedure Act, as found in chapter 34.05 RCW;

(4) To prescribe the form, content, and necessary supporting documentation for site certification;

(5) To receive applications for energy facility locations and to investigate the sufficiency thereof;

(6) To ~~((make and contract, when applicable, for independent studies of sites proposed by the applicant))~~ enter into contracts to carry out the provisions of this chapter;

(7) To conduct hearings on the proposed location and operational conditions of the energy facilities under the regulatory authority established in this chapter;

(8) To prepare written reports to the governor which shall include: (a) A statement indicating whether the application is in compliance with the council's guidelines, (b) criteria specific to the site and transmission line routing, (c) a council recommendation as to the disposition of the application, and (d) a draft certification agreement when the council recommends approval of the application;

(9) To prescribe the means for monitoring of the effects arising from the construction and the operation of

energy facilities to assure continued compliance with terms of certification and/or permits issued by the council pursuant to chapter 90.48 RCW or subsection (12) of this section: PROVIDED, That any on-site inspection required by the council shall be performed by other state agencies pursuant to interagency agreement: PROVIDED FURTHER, That the council may retain authority for determining compliance relative to monitoring;

(10) To integrate its site evaluation activity with activities of federal agencies having jurisdiction in such matters to avoid unnecessary duplication;

(11) To present state concerns and interests to other states, regional organizations, and the federal government on the location, construction, and operation of any energy facility which may affect the environment, health, or safety of the citizens of the state of Washington;

(12) To issue permits in compliance with applicable provisions of the federally approved state implementation plan adopted in accordance with the Federal Clean Air Act, as now existing or hereafter amended, for the new construction, reconstruction, or enlargement or operation of energy facilities: PROVIDED, That such permits shall become effective only if the governor approves an application for certification and executes a certification agreement pursuant to this chapter: AND PROVIDED FURTHER, That all such permits be conditioned upon compliance with all provisions of the federally approved state implementation plan which apply to energy facilities covered within the provisions of this chapter; and

(13) To serve as an interagency coordinating body for energy-related issues.

Sec. 6. RCW 80.50.060 and 2021 c 317 s 18 are each amended to read as follows:

(1) ~~((Except for biofuel refineries specified in RCW 80.50.020(12)(g), the))~~ (a) The provisions of this chapter apply to the construction of energy facilities which includes the new construction of energy facilities and the reconstruction or enlargement of existing energy facilities where the net increase in physical capacity or dimensions resulting from such reconstruction or

enlargement meets or exceeds those capacities or dimensions set forth in RCW 80.50.020 (12) and (21). No construction or reconstruction of such energy facilities may be undertaken, except as otherwise provided in this chapter, ((after July 15, 1977,)) without first obtaining certification in the manner provided in this chapter.

~~((2) The provisions of this chapter apply to the construction, reconstruction, or enlargement of a new or existing biofuel refinery specified in RCW 80.50.020(12)(g) or a new or existing energy facility that exclusively uses alternative energy resources and chooses to receive certification under this chapter, regardless of the generating capacity of the project.~~

~~((3)) (b) If applicants proposing the following types of facilities choose to receive certification under this chapter, the provisions of this chapter apply to the construction, reconstruction, or enlargement of these new or existing facilities:~~

~~(i) Facilities that produce refined biofuel, but which are not capable of producing 25,000 barrels or more per day;~~

~~(ii) Alternative energy resource facilities;~~

~~(iii) Electrical transmission facilities: (A) Of a nominal voltage of at least 115,000 volts; and (B) located in more than one jurisdiction that has promulgated land use plans or zoning ordinances;~~

~~(iv) Clean energy product manufacturing facilities; and~~

~~(v) Storage facilities.~~

~~(c) All of the council's powers with regard to energy facilities apply to all of the facilities in (b) of this subsection and these facilities are subject to all provisions of this chapter that apply to an energy facility.~~

~~(2)(a) The provisions of this chapter must apply to the construction, reconstruction, or modification of electrical transmission facilities when((+~~

~~(i) The)) the facilities are located in a national interest electric transmission corridor as specified in RCW 80.50.045((+~~

~~(ii) An applicant chooses to receive certification under this chapter, and the~~

~~facilities are: (A) Of a nominal voltage of at least one hundred fifteen thousand volts and are located in a completely new corridor, except for the terminus of the new facility or interconnection of the new facility with the existing grid, and the corridor is not otherwise used for electrical transmission facilities; and (B) located in more than one jurisdiction that has promulgated land use plans or zoning ordinances; or~~

~~((iii) An applicant chooses to receive certification under this chapter, and the facilities are: (A) Of a nominal voltage in excess of one hundred fifteen thousand volts; and (B) located outside an electrical transmission corridor identified in (a)(i) and (ii) of this subsection (3)).~~

~~(b) For the purposes of this subsection, ((("modify")) "modification" means a significant change to an electrical transmission facility and does not include the following: (i) Minor improvements such as the replacement of existing transmission line facilities or supporting structures with equivalent facilities or structures; (ii) the relocation of existing electrical transmission line facilities; (iii) the conversion of existing overhead lines to underground; or (iv) the placing of new or additional conductors, supporting structures, insulators, or their accessories on or replacement of supporting structures already built.~~

~~((4)) (3) The provisions of this chapter shall not apply to normal maintenance and repairs which do not increase the capacity or dimensions beyond those set forth in RCW 80.50.020 (12) and (21).~~

~~((5)) (4) Applications for certification of energy facilities made prior to July 15, 1977, shall continue to be governed by the applicable provisions of law in effect on the day immediately preceding July 15, 1977, with the exceptions of RCW ((80.50.190 and)) 80.50.071 which shall apply to such prior applications and to site certifications prospectively from July 15, 1977.~~

~~((6)) (5) Applications for certification shall be upon forms prescribed by the council and shall be supported by such information and technical studies as the council may require.~~

(6) Upon receipt of an application for certification under this chapter, the chair of the council shall notify:

(a) The appropriate county legislative authority or authorities where the proposed facility is located;

(b) The appropriate city legislative authority or authorities where the proposed facility is located;

(c) The department of archaeology and historic preservation; and

(d) The appropriate federally recognized tribal governments that may be affected by the proposed facility.

(7) The council must work with local governments where a project is proposed to be sited in order to provide for meaningful participation and input during siting review and compliance monitoring.

(8) The council must consult with all federally recognized tribes that possess resources, rights, or interests reserved or protected by federal treaty, statute, or executive order in the area where an energy facility is proposed to be located to provide early and meaningful participation and input during siting review and compliance monitoring. The chair and designated staff must offer to conduct government-to-government consultation to address issues of concern raised by such a tribe. The goal of the consultation process is to identify tribal resources or rights potentially affected by the proposed energy facility and to seek ways to avoid, minimize, or mitigate any adverse effects on tribal resources or rights. The chair must provide regular updates on the consultation to the council throughout the application review process. The report from the council to the governor required in RCW 80.50.100 must include a summary of the government-to-government consultation process that complies with RCW 42.56.300, including the issues and proposed resolutions.

(9) The department of archaeology and historic preservation shall coordinate with the affected federally recognized tribes and the applicant in order to assess potential effects to tribal cultural resources, archaeological sites, and sacred sites.

NEW SECTION. Sec. 7. A new section is added to chapter 80.50 RCW to read as follows:

(1) A person proposing to construct, reconstruct, or enlarge a clean energy product manufacturing facility may choose to receive certification under this chapter.

(2) All of the council's powers with regard to energy facilities apply to clean energy product manufacturing facilities, and such a facility is subject to all provisions of this chapter that apply to an energy facility.

Sec. 8. RCW 80.50.071 and 2016 sp.s. c 10 s 1 are each amended to read as follows:

(1) The council shall receive all applications for energy facility site certification. Each applicant shall pay actual costs incurred by the council (~~and the utilities and transportation commission~~) in processing an application.

(a) Each applicant shall, at the time of application submission, (~~deposit with the utilities and transportation commission~~) pay to the council for deposit into the energy facility site evaluation council account created in section 15 of this act an amount up to fifty thousand dollars, or such greater amount as specified by the council after consultation with the applicant. The council (~~and the utilities and transportation commission~~) shall charge costs against the deposit if the applicant withdraws its application and has not reimbursed (~~the commission, on behalf of~~) the council((~~7~~)) for all actual expenditures incurred in considering the application.

(b) The council may commission its own independent consultant study to measure the consequences of the proposed energy facility on the environment or any matter that it deems essential to an adequate appraisal of the site. The council((~~7~~ after consultation with the utilities and transportation commission,)) shall provide an estimate of the cost of the study to the applicant and consider applicant comments.

(c) In addition to the deposit required under (a) of this subsection, applicants must reimburse (~~the utilities and transportation commission, on behalf of~~) the council((~~7~~)) for actual expenditures that arise in considering the application, including the cost of any independent consultant study. The (~~utilities and transportation commission, on behalf of~~

~~the~~) council(~~(~~~~τ~~~~)~~) shall submit to each applicant an invoice of actual expenditures made during the preceding calendar quarter in sufficient detail to explain the expenditures. The applicant shall pay the ~~((utilities and transportation commission))~~ council the amount of the invoice by the due date.

(2) Each certificate holder shall pay ~~((to the utilities and transportation commission))~~ the actual costs incurred by the council for inspection and determination of compliance by the certificate holder with the terms of the certification relative to monitoring the effects of construction, operation, and site restoration of the facility.

(a) Each certificate holder shall, within thirty days of execution of the site certification agreement, ~~((deposit with the utilities and transportation commission))~~ pay to the council for deposit into the energy facility site evaluation council account created in section 15 of this act an amount up to fifty thousand dollars, or such greater amount as specified by the council after consultation with the certificate holder. The council ~~((and the utilities and transportation commission))~~ shall charge costs against the deposit if the certificate holder ceases operations and has not reimbursed ~~((the commission, on behalf of))~~ the council(~~(~~~~τ~~~~)~~) for all actual expenditures incurred in conducting inspections and determining compliance with the terms of the certification.

(b) In addition to the deposit required under (a) of this subsection, certificate holders must reimburse ~~((the utilities and transportation commission, on behalf of))~~ the council(~~(~~~~τ~~~~)~~) for actual expenditures that arise in administering this chapter and determining compliance. The council(~~(~~~~τ~~~~)~~ ~~after consultation with the utilities and transportation commission,~~) shall submit to each certificate holder an invoice of the expenditures actually made during the preceding calendar quarter in sufficient detail to explain the expenditures. The certificate holder shall pay ~~((the utilities and transportation commission))~~ the amount of the invoice by the due date.

(3) If an applicant or certificate holder fails to provide the initial deposit, or if subsequently required payments are not received within thirty days following receipt of the invoice

from the council, the council may (a) in the case of the applicant, suspend processing of the application until payment is received; or (b) in the case of a certificate holder, suspend the certification.

(4) All payments required of the applicant or certificate holder under this section are to be made to the ~~((utilities and transportation commission who shall make payments as instructed by the council from the funds submitted))~~ council for deposit into the energy facility site evaluation council account created in section 15 of this act. All such funds shall be subject to state auditing procedures. Any unexpended portions of the deposit shall be returned to the applicant within sixty days following the conclusion of the application process or to the certificate holder within sixty days after a determination by the council that the certificate is no longer required and there is no continuing need for compliance with its terms. For purposes of this section, "conclusion of the application process" means after the governor's decision granting or denying a certificate and the expiration of any opportunities for judicial review.

(5)(a) Upon receipt of an application for an energy facility site certification proposing an energy plant or alternative energy resource that is connected to electrical transmission facilities of a nominal voltage of at least one hundred fifteen thousand volts, the council shall notify in writing the United States department of defense. The notification shall include, but not be limited to, the following:

(i) A description of the proposed energy plant or alternative energy resource;

(ii) The location of the site;

(iii) The placement of the energy plant or alternative energy resource on the site;

(iv) The date and time by which comments must be received by the council; and

(v) Contact information of the council and the applicant.

(b) The purpose of the written notification is to provide an opportunity for the United States department of defense to comment upon the application,

and to identify potential issues relating to the placement and operations of the energy plant or alternative energy resource, before a site certification application is approved. The time period set forth by the council for receipt of such comments shall not extend the time period for the council's processing of the application.

(c) In order to assist local governments required to notify the United States department of defense under RCW 35.63.270, 35A.63.290, and 36.01.320, the council shall post on its website the appropriate information for contacting the United States department of defense.

Sec. 9. RCW 80.50.090 and 2006 c 205 s 3 and 2006 c 196 s 6 are each reenacted and amended to read as follows:

(1) The council shall conduct an informational public hearing in the county of the proposed site as soon as practicable but not later than sixty days after receipt of an application for site certification. However, the place of such public hearing shall be as close as practical to the proposed site.

(2) Subsequent to the informational public hearing, the council shall conduct a public hearing to determine whether or not the proposed site is consistent and in compliance with city, county, or regional land use plans or zoning ordinances (~~(. If it is determined that the proposed site does conform with existing land use plans or zoning ordinances in effect as of the date of the application, the city, county, or regional planning authority shall not thereafter change such land use plans or zoning ordinances so as to affect the proposed site))~~ on the date of the application.

(3)(a) After the submission of an environmental checklist and prior to issuing a threshold determination that a facility is likely to cause a significant adverse environmental impact under chapter 43.21C RCW, the director must notify the project applicant and explain in writing the basis for its anticipated determination of significance. Prior to issuing the threshold determination of significance, the director must give the project applicant the option of withdrawing and revising its application and the associated environmental checklist to clarify or make changes to features of the proposal that are designed to mitigate the impacts that

were the basis of the director's anticipated determination of significance. The director shall make the threshold determination based upon the changed or clarified proposal following the applicant's submittal. The director must provide an opportunity for public comment on a project for which a project applicant has withdrawn and revised the application and environmental checklist and subsequently received a threshold determination of nonsignificance or mitigated determination of nonsignificance.

(b) The notification required under (a) of this subsection is not an official determination by the director and is not subject to appeal under chapter 43.21C RCW.

~~((4))~~ (4) Prior to the issuance of a council recommendation to the governor under RCW 80.50.100 a public hearing, conducted as an adjudicative proceeding under chapter 34.05 RCW, the administrative procedure act, shall be held.

(a) At such public hearing any person shall be entitled to be heard in support of or in opposition to the application for certification by raising one or more specific issues, provided that the person has raised the issue or issues in writing with specificity during the application review process or during the public comment period that will be held prior to the start of the adjudicative hearing.

(b) If the environmental impact of the proposed facility in an application for certification is not significant or will be mitigated to a nonsignificant level under RCW 43.21C.031, the council may limit the topic of the public hearing conducted as an adjudicative proceeding under this section to whether any land use plans or zoning ordinances with which the proposed site is determined to be inconsistent under subsection (2) of this section should be preempted.

(5) After expedited processing is granted under RCW 80.50.075, the council must hold a public meeting to take comments on the proposed application prior to issuing a council recommendation to the governor.

~~((4))~~ (6) Additional public hearings shall be held as deemed appropriate by the council in the exercise of its functions under this chapter.

Sec. 10. RCW 80.50.100 and 2011 c 180 s 109 are each amended to read as follows:

(1)(a) The council shall report to the governor its recommendations as to the approval or rejection of an application for certification within twelve months of receipt by the council of ~~((such))~~ an application deemed complete by the director, or such later time as is mutually agreed by the council and the applicant.

(b) The council shall review and consider comments received during the application process in making its recommendation.

(c) In the case of an application filed prior to December 31, 2025, for certification of an energy facility proposed for construction, modification, or expansion for the purpose of providing generating facilities that meet the requirements of RCW 80.80.040 and are located in a county with a coal-fired electric ~~((generating [generation]))~~ generation facility subject to RCW 80.80.040(3)(c), the council shall expedite the processing of the application pursuant to RCW 80.50.075 and shall report its recommendations to the governor within one hundred eighty days of receipt by the council of such an application, or a later time as is mutually agreed by the council and the applicant.

(2) If the council recommends approval of an application for certification, it shall also submit a draft certification agreement with the report. The council shall include conditions in the draft certification agreement to implement the provisions of this chapter~~((τ))~~ including, but not limited to, conditions to protect state ~~((er))~~, local governmental, or community interests, or overburdened communities as defined in RCW 70A.02.010 affected by the construction or operation of the ~~((energy))~~ facility, and conditions designed to recognize the purpose of laws or ordinances, or rules or regulations promulgated thereunder, that are preempted or superseded pursuant to RCW 80.50.110 as now or hereafter amended.

(3)(a) Within ~~((sixty))~~ 60 days of receipt of the council's report the governor shall take one of the following actions:

(i) Approve the application and execute the draft certification agreement; or

(ii) Reject the application; or

(iii) Direct the council to reconsider certain aspects of the draft certification agreement.

(b) The council shall reconsider such aspects of the draft certification agreement by reviewing the existing record of the application or, as necessary, by reopening the adjudicative proceeding for the purposes of receiving additional evidence. Such reconsideration shall be conducted expeditiously. The council shall resubmit the draft certification to the governor incorporating any amendments deemed necessary upon reconsideration. Within ~~((sixty))~~ 60 days of receipt of such draft certification agreement, the governor shall either approve the application and execute the certification agreement or reject the application. The certification agreement shall be binding upon execution by the governor and the applicant.

(4) The rejection of an application for certification by the governor shall be final as to that application but shall not preclude submission of a subsequent application for the same site on the basis of changed conditions or new information.

Sec. 11. RCW 80.50.175 and 1983 c 3 s 205 are each amended to read as follows:

(1) In addition to all other powers conferred on the council under this chapter, the council shall have the powers set forth in this section.

~~((The council, upon request of any potential applicant, is authorized, as provided in this section, to conduct a preliminary study of any potential site prior to receipt of an application for site certification. A fee of ten thousand dollars for each potential site, to be applied toward the cost of any study agreed upon pursuant to subsection (3) of this section, shall accompany the request and shall be a condition precedent to any action on the request by the council.~~

~~((3) After receiving a request to study a potential site, the council shall commission its own independent consultant to study matters relative to the potential site. The study shall include, but need not be limited to, the~~

~~preparation and analysis of environmental impact information for the proposed potential site and any other matter the council and the potential applicant deem essential to an adequate appraisal of the potential site. In conducting the study, the council is authorized to cooperate and work jointly with the county or counties in which the potential site is located, any federal, state, or local governmental agency that might be requested to comment upon the potential site, and any municipal or public corporation having an interest in the matter. The full cost of the study shall be paid by the potential applicant. PROVIDED, That such costs exceeding a total of ten thousand dollars shall be payable subject to the potential applicant giving prior approval to such excess amount.~~

~~(4) Any study prepared by the council pursuant to subsection (3) of this section may be used in place of the "detailed statement" required by RCW 43.21C.030(2)(c) by any branch of government except the council created pursuant to chapter 80.50 RCW.~~

~~(5) All payments required of the potential applicant under this section are to be made to the state treasurer, who in turn shall pay the consultant as instructed by the council. All such funds shall be subject to state auditing procedures. Any unexpended portions thereof shall be returned to the potential applicant.~~

~~(6) Nothing in this section shall change the requirements for an application for site certification or the requirement of payment of a fee as provided in RCW 80.50.071, or change the time for disposition of an application for certification as provided in RCW 80.50.100.~~

~~(7) Nothing in this section shall be construed as preventing a city or county from requiring any information it deems appropriate to make a decision approving a particular location.)) (a) The council, upon agreement with any potential applicant, is authorized as provided in this section to conduct a preliminary study of any potential project prior to receipt of an application for site certification. This preliminary study must be completed before any environmental review or process under RCW 43.21C.031 is initiated. A fee of \$10,000 for each potential project, to be applied toward the cost of any study agreed upon~~

pursuant to (b) of this subsection, must accompany the agreement and is a condition precedent to any action on the agreement by the council.

(b) Upon agreement with the potential applicant, the council may commission its own independent consultant to study matters relative to the potential project. In conducting the study, the council is authorized to cooperate and work jointly with the county or counties in which the potential project is located, any federal, state, local, or tribal governmental agency that might be requested to comment on the potential project, and any municipal or public corporation having an interest in the matter. The full cost of the study must be paid by the potential applicant. However, costs exceeding a total of \$10,000 are payable subject to the potential applicant giving prior approval to such an excess amount.

(3) All payments required of the potential applicant under this section must be deposited into the energy facility site evaluation council account created in section 15 of this act. All of these funds are subject to state auditing procedures. Any unexpended portions of the funds must be returned to the potential applicant.

(4) If a potential applicant subsequently submits a formal application for site certification to the council for a site where a preliminary study was conducted, payments made under this section for that study may be considered as payment towards the application fee provided in RCW 80.50.071.

NEW SECTION. Sec. 12. A new section is added to chapter 80.50 RCW to read as follows:

(1) Except for the siting of electrical transmission facilities, any potential applicant may request a preapplication review of a proposed project. Council staff must review the preapplicant's draft application materials and provide comments on either additional studies or stakeholder and tribal input, or both, that should be included in the formal application for site certification. Council staff must inform affected federally recognized tribes under RCW 80.50.060 of the preapplication review. The department of archaeology and historic preservation shall coordinate with the affected

federally recognized tribes and the applicant in order to assess potential effects to tribal cultural resources, archaeological sites, and sacred sites.

(2) After initial review, the director and the applicant may agree on fees to be paid by the applicant so that council staff may conduct further review and consultation, including contracting for review by other parties.

Sec. 13. RCW 80.50.340 and 2007 c 325 s 4 are each amended to read as follows:

(1) A preapplicant applying under RCW 80.50.330 shall pay to the council a fee of ten thousand dollars to be applied to the cost of the preapplication process as a condition precedent to any action by the council, provided that costs in excess of this amount shall be paid only upon prior approval by the preapplicant, and provided further that any unexpended portions thereof shall be returned to the preapplicant.

(2) The council shall consult with the preapplicant and prepare a plan for the preapplication process which shall commence with an informational public hearing within (~~sixty~~) 60 days after the receipt of the preapplication fee as provided in RCW 80.50.090.

(3) The preapplication plan shall include but need not be limited to:

(a) An initial consultation to explain the proposal and request input from council staff, federal and state agencies, cities, towns, counties, port districts, tribal governments, property owners, and interested individuals;

(b) Where applicable, a process to guide negotiations between the preapplicant and cities, towns, and counties within the corridor proposed pursuant to RCW 80.50.330.

(4) Fees paid under this section must be deposited in the energy facility site evaluation council account created in section 15 of this act.

NEW SECTION. Sec. 14. A new section is added to chapter 41.06 RCW to read as follows:

In addition to the exemptions provided under RCW 41.06.070, the provisions of this chapter do not apply to the following positions at the energy facility site evaluation council: The director; the personal secretary to the

director and the council chair; and up to two professional staff members.

NEW SECTION. Sec. 15. A new section is added to chapter 80.50 RCW to read as follows:

The energy facility site evaluation council account is created in the custody of the state treasurer. All receipts from funds received by the council for all payments, including fees, deposits, and reimbursements received under this chapter must be deposited into the account. Expenditures from the account may be used for purposes set forth in this chapter. Only the chair of the council or the chair's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

Sec. 16. RCW 43.79A.040 and 2021 c 175 s 10 and 2021 c 108 s 5 are each reenacted and amended to read as follows:

(1) Money in the treasurer's trust fund may be deposited, invested, and reinvested by the state treasurer in accordance with RCW 43.84.080 in the same manner and to the same extent as if the money were in the state treasury, and may be commingled with moneys in the state treasury for cash management and cash balance purposes.

(2) All income received from investment of the treasurer's trust fund must be set aside in an account in the treasury trust fund to be known as the investment income account.

(3) The investment income account may be utilized for the payment of purchased banking services on behalf of treasurer's trust funds including, but not limited to, depository, safekeeping, and disbursement functions for the state treasurer or affected state agencies. The investment income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for payments to financial institutions. Payments must occur prior to distribution of earnings set forth in subsection (4) of this section.

(4)(a) Monthly, the state treasurer must distribute the earnings credited to the investment income account to the state general fund except under (b), (c), and (d) of this subsection.

(b) The following accounts and funds must receive their proportionate share of earnings based upon each account's or fund's average daily balance for the period: The 24/7 sobriety account, the Washington promise scholarship account, the Gina Grant Bull memorial legislative page scholarship account, the Rosa Franklin legislative internship program scholarship (~~((account))~~) account, the Washington advanced college tuition payment program account, the Washington college savings program account, the accessible communities account, the Washington achieving a better life experience program account, the community and technical college innovation account, the agricultural local fund, the American Indian scholarship endowment fund, the foster care scholarship endowment fund, the foster care endowed scholarship trust fund, the contract harvesting revolving account, the Washington state combined fund drive account, the commemorative works account, the county enhanced 911 excise tax account, the county road administration board emergency loan account, the toll collection account, the developmental disabilities endowment trust fund, the energy account, the energy facility site evaluation council account, the fair fund, the family and medical leave insurance account, the fish and wildlife federal lands revolving account, the natural resources federal lands revolving account, the food animal veterinarian conditional scholarship account, the forest health revolving account, the fruit and vegetable inspection account, the educator conditional scholarship account, the game farm alternative account, the GET ready for math and science scholarship account, the Washington global health technologies and product development account, the grain inspection revolving fund, the Washington history day account, the industrial insurance rainy day fund, the juvenile accountability incentive account, the law enforcement officers' and firefighters' plan 2 expense fund, the local tourism promotion account, the low-income home rehabilitation revolving loan program account, the multiagency permitting team account, the northeast Washington wolf-livestock management account, the produce railcar pool account, the public use general aviation airport loan revolving account, the regional transportation investment district account, the rural rehabilitation account, the Washington

sexual assault kit account, the stadium and exhibition center account, the youth athletic facility account, the self-insurance revolving fund, the children's trust fund, the Washington horse racing commission Washington bred owners' bonus fund and breeder awards account, the Washington horse racing commission class C purse fund account, the individual development account program account, the Washington horse racing commission operating account, the life sciences discovery fund, the Washington state library-archives building account, the reduced cigarette ignition propensity account, the center for deaf and hard of hearing youth account, the school for the blind account, the Millersylvania park trust fund, the public employees' and retirees' insurance reserve fund, the school employees' benefits board insurance reserve fund, the public employees' and retirees' insurance account, the school employees' insurance account, the long-term services and supports trust account, the radiation perpetual maintenance fund, the Indian health improvement reinvestment account, the department of licensing tuition recovery trust fund, the student achievement council tuition recovery trust fund, the tuition recovery trust fund, the industrial insurance premium refund account, the mobile home park relocation fund, the natural resources deposit fund, the Washington state health insurance pool account, the federal forest revolving account, and the library operations account.

(c) The following accounts and funds must receive (~~((eighty))~~) 80 percent of their proportionate share of earnings based upon each account's or fund's average daily balance for the period: The advance right-of-way revolving fund, the advanced environmental mitigation revolving account, the federal narcotics asset forfeitures account, the high occupancy vehicle account, the local rail service assistance account, and the miscellaneous transportation programs account.

(d) Any state agency that has independent authority over accounts or funds not statutorily required to be held in the custody of the state treasurer that deposits funds into a fund or account in the custody of the state treasurer pursuant to an agreement with the office of the state treasurer shall receive its proportionate share of earnings based upon each account's or

fund's average daily balance for the period.

(5) In conformance with Article II, section 37 of the state Constitution, no trust accounts or funds shall be allocated earnings without the specific affirmative directive of this section.

NEW SECTION. Sec. 17. A new section is added to chapter 80.50 RCW to read as follows:

(1) Those administrative powers, duties, and functions of the utilities and transportation commission that were performed under the provisions of this chapter for the council prior to the effective date of this section are transferred to the council as set forth in this act.

(2)(a) All reports, documents, surveys, books, records, files, papers, or written material in the possession of the utilities and transportation commission pertaining to the powers, duties, and functions transferred must be delivered to the custody of the council. All cabinets, furniture, office equipment, motor vehicles, and other tangible property under the inventory of the utilities and transportation commission for the council must be transferred to the council. All funds, credits, or other assets held by the utilities and transportation commission for the benefit of the council, of which were paid to the utilities and transportation commission pursuant to this chapter must be assigned to the council and transferred to the energy facility site evaluation council account created in section 15 of this act.

(b) Any appropriations made to the utilities and transportation commission for the council to carrying out its powers, functions, and duties transferred must, on the effective date of this section, be transferred and credited to the council. Any funds received pursuant to payment made under this chapter must be credited to the council and deposited in the energy facility site evaluation council account created in section 15 of this act.

(c) If any question arises as to the transfer of any personnel, funds, books, documents, records, papers, files, equipment, or other tangible property used or held in the exercise of the powers and the performance of the duties and functions transferred, the director of financial management shall decide as

to the proper allocation and certify the same to the state agencies concerned.

(3) All pending business before the utilities and transportation commission pertaining to the powers, duties, and functions transferred must be continued and acted upon by the council. All existing contracts and obligations remain in full force and must be performed by the council.

(4) The transfer of the powers, duties, functions, and personnel of the utilities and transportation commission does not affect the validity of any act performed before the effective date of this section.

(5) If apportionments of budgeted or nonbudgeted funds are required because of the transfers directed by this section, the director of financial management shall certify the apportionments to the agencies affected, the state auditor, and the state treasurer. Each of these shall make the appropriate transfer and adjustments in funds and appropriation accounts and equipment records in accordance with the certification.

(6) All employees of the utilities and transportation commission that are engaged in performing the powers, functions, and duties of the council, are transferred to the council. All employees classified under chapter 41.06 RCW, the state civil service law, assigned to the council shall continue to perform their usual duties upon the same terms as formerly, without any loss of rights, subject to any action that may be appropriate thereafter in accordance with the laws and rules governing state civil service law.

Sec. 18. RCW 80.50.075 and 2006 c 205 s 2 are each amended to read as follows:

(1) Any person filing an application for certification of (~~(an energy facility or an alternative energy resource)~~) any facility pursuant to this chapter may apply to the council for an expedited processing of such an application. The application for expedited processing shall be submitted to the council in such form and manner and accompanied by such information as may be prescribed by council rule. The council may grant an applicant expedited processing of an application for certification upon finding that the environmental impact of the proposed (~~(energy)~~) facility is not significant or will be mitigated to a nonsignificant level under RCW

43.21C.031 and the project is found under RCW 80.50.090(2) to be consistent and in compliance with city, county, or regional land use plans or zoning ordinances.

(2) Upon granting an applicant expedited processing of an application for certification, the council shall not be required to:

(a) Commission an independent study to further measure the consequences of the proposed ~~((energy facility or alternative energy resource))~~ facility on the environment, notwithstanding the other provisions of RCW 80.50.071; nor

(b) Hold an adjudicative proceeding under chapter 34.05 RCW, the administrative procedure act, on the application.

(3) The council shall adopt rules governing the expedited processing of an application for certification pursuant to this section.

NEW SECTION. Sec. 19. (1)(a) The department must consult with stakeholders from rural communities, agriculture, natural resource management and conservation, and forestry to gain a better understanding of the benefits and impacts of anticipated changes in the state's energy system, including the siting of facilities under the jurisdiction of the energy facility site evaluation council, and to identify risks and opportunities for rural communities. This consultation must be conducted in compliance with the community engagement plan developed by the department under chapter 70A.02 RCW and with input from the environmental justice council, using the best recommended practices available at the time. The department must collect the best available information and learn from the lived experiences of people in rural communities, with the objective of improving state implementation of clean energy policies, including the siting of energy facilities under the jurisdiction of the energy facility site evaluation council, in ways that protect and improve life in rural Washington. The department must consult with an array of rural community members, including: low-income community and vulnerable population members or representatives; legislators; local elected officials and staff; those involved with agriculture, forestry, and natural resource management and conservation; renewable energy project property owners; utilities; large energy consumers; and others.

(b) The consultation must include stakeholder meetings with at least one in eastern Washington and one in western Washington.

(c) The department's consultation with stakeholders may include, but is not limited to, the following topics:

(i) Energy facility siting under the jurisdiction of the energy facility site evaluation council, including placement of new renewable energy resources, such as wind and solar generation, pumped storage, and batteries or new nonemitting electric generation resources, and their contribution to resource adequacy;

(ii) Production of hydrogen, biofuels, and feedstocks for clean fuels;

(iii) Programs to reduce energy cost burdens on rural families and farm operations;

(iv) Electric vehicles, farm and warehouse equipment, and charging infrastructure suitable for rural use;

(v) Efforts to capture carbon or produce energy on agricultural, forest, and other rural lands, including dual use solar projects that ensure ongoing agricultural operations;

(vi) The use of wood products and forest practices that provide low-carbon building materials and renewable fuel supplies; and

(vii) The development of clean manufacturing facilities, such as solar panels, vehicles, and carbon fiber.

(2)(a) The department must complete a report on rural clean energy and resilience that takes into consideration the consultation with rural stakeholders as described in subsection (1) of this section. The report must include recommendations for how policies, projects, and investment programs, including energy facility siting through the energy facility site evaluation council, can be developed or amended to more equitably distribute costs and benefits to rural communities. The report must include an assessment of how to improve the total benefits to rural areas overall, as well as the equitable distribution of benefits and costs within rural communities.

(b) The report must include a baseline understanding of rural energy production and consumption, and collect data on

their economic impacts. Specifically, the report must examine:

(i) Direct, indirect, and induced jobs in construction and operations;

(ii) Financial returns to property owners;

(iii) Effects on local tax revenues and public services, which must include whether any school districts had a net loss of resources from diminished local effort assistance payments required under chapter 28A.500 RCW;

(iv) Effects on other rural land uses, such as agriculture, natural resource management and conservation, and tourism;

(v) Geographic distribution of large energy projects previously sited or forecast to be sited in Washington;

(vi) Potential forms of economic development assistance and impact mitigation payments; and

(vii) Relevant information from the least-conflict priority solar siting pilot project in the Columbia basin of eastern and central Washington required under section 607, chapter 334, Laws of 2021.

(c) The report must include a forecast of what Washington's clean energy transition will require for siting energy projects in rural Washington. The department must gather and analyze the best available information to produce forecast scenarios.

(d) By December 1, 2022, the department must submit an interim report on rural clean energy and resilience to the joint committee on energy supply, energy conservation, and energy resilience created in RCW 44.39.010, the energy facility site evaluation council, and the appropriate policy and fiscal committees of the legislature.

(e) By December 1, 2023, the department must submit a final report on rural clean energy and resilience to the joint committee on energy supply, energy conservation, and energy resilience created in RCW 44.39.010, the energy facility site evaluation council, and the appropriate policy and fiscal committees of the legislature.

(3) For the purposes of this section, "department" means the department of commerce.

Sec. 20. RCW 44.39.010 and 2005 c 299 s 1 are each amended to read as follows:

There is hereby created the joint committee on energy supply (~~and~~), energy conservation, and energy resilience.

Sec. 21. RCW 44.39.012 and 2005 c 299 s 4 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Committee" means the joint committee on energy supply (~~and~~), energy conservation, and energy resilience.

(2) "Conservation" means reduced energy consumption or energy cost, or increased efficiency in the use of energy, and activities, measures, or equipment designed to achieve such results.

NEW SECTION. **Sec. 22.** (1)(a) The committee shall review the following issues:

(i) Inequities in where large alternative energy projects, including projects under the jurisdiction of the energy facility site evaluation council, have been sited in Washington;

(ii) Inequities in where large alternative energy projects, including projects under the jurisdiction of the energy facility site evaluation council, are forecast to be sited in Washington; and

(iii) Forms of economic development assistance, mitigation payments, and viewshed impairment payments that counties not hosting their per capita share of alternative energy resources should provide to counties that host more than their per capita share.

(b) In support of its obligations under (a) of this subsection, the committee must review the report produced by the department of commerce under section 19 of this act.

(2) The committee must hold at least four meetings, at least two of which must be in eastern Washington. The first meeting of the committee must occur by September 30, 2022.

(3) Relevant state agencies, departments, and commissions, including the energy facility site evaluation council, shall cooperate with the

committee and provide information as the chair reasonably requests.

(4) The committee shall report its findings and any recommendations to the energy facility site evaluation council and the committees of the legislature with jurisdiction over environment and energy laws by December 1, 2023. Recommendations of the committee may be made by a simple majority of committee members. In the event that the committee does not reach majority-supported recommendations, the committee may report minority findings supported by at least two members of the committee.

(5) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Alternative energy" means energy derived from an alternative energy resource specified in RCW 80.50.020(1).

(b) "Committee" means the joint committee on energy supply, energy conservation, and energy resilience created in RCW 44.39.010.

(6) This section expires June 30, 2024.

NEW SECTION. Sec. 23. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2022, in the omnibus appropriations act, this act is null and void.

NEW SECTION. Sec. 24. This act takes effect June 30, 2022.

NEW SECTION. Sec. 25. The following acts or parts of acts are each repealed:

(1) RCW 80.50.190 (Disposition of receipts from applicants) and 1977 ex.s. c 371 s 15; and

(2) RCW 80.50.904 (Effective date—1996 c 4) and 1996 c 4 s 6."

On page 1, line 2 of the title, after "goals;" strike the remainder of the title and insert "amending RCW 80.50.010, 80.50.020, 80.50.040, 80.50.060, 80.50.071, 80.50.100, 80.50.175, 80.50.340, 80.50.075, 44.39.010, and 44.39.012; reenacting and amending RCW 80.50.030, 80.50.090, and 43.79A.040; adding new sections to chapter 80.50 RCW; adding a new section to chapter 41.06 RCW; creating new sections; repealing RCW 80.50.190 and 80.50.904; providing an effective date; and providing an expiration date."

and the same is herewith transmitted.

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1812, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 2, 2022

Madame Speaker:

The Senate has passed HOUSE BILL NO. 1825 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 2.56 RCW to read as follows:

For purposes of this title and Title 3 RCW, unless the context clearly requires otherwise, "single judge court" means a court or judicial district that has only one judge.

Sec. 2. RCW 2.56.040 and 2005 c 182 s 1 are each amended to read as follows:

(1) The chief justice shall consider all recommendations of the administrator for the assignment of judges, and, in the discretion of the chief justice, direct any judge whose calendar, in the judgment of the chief justice, will permit, to hold court (~~(in any county or district)~~) where need therefor exists, to the end that the courts (~~(of)~~) in this state shall function with maximum efficiency, and that the work of other courts shall be equitably distributed. It shall be the duty of every judge to obey such direction of the chief justice unless excused by the chief justice for sufficient cause.

(2)(a) If due to illness, incapacity, resignation, death, or other unavailability the presiding judge in a single judge court is unable to fulfill the duties of the office, and either (i) no person has been designated by the presiding judge to serve as presiding judge pro tempore or (ii) the previously designated presiding judge pro tempore resigns, is removed from office, or is no longer able to serve, the chief justice may appoint another judicial officer or other person as the presiding judge pro tempore who meets the qualifications of a judge pro tempore, subject to (c) of this subsection, during the remaining period of unavailability or until a vacancy is filled as provided by law.

(b) The chief justice may appoint someone other than the previously designated or appointed individual to serve as presiding judge pro tempore whenever the chief justice determines that the administration of justice would be better served by appointment of someone else to fulfill the presiding judge duties, subject to (c) of this subsection, during the remaining period of unavailability or until the vacancy is filled as provided by law.

(c) The chief justice, or designee, shall consult with the local legislative and executive authorities before removing or appointing a presiding judge

pro tempore under (a) or (b) of this subsection.

(d) Nothing in this section is intended to modify the role of the commission on judicial conduct as provided in Article IV, section 31 of the Washington state Constitution and chapter 2.64 RCW.

Sec. 3. RCW 2.08.120 and 1955 c 38 s 5 are each amended to read as follows:

(1) If a vacancy occurs in the office of judge of the superior court, the governor shall appoint a person to hold the office until the election and qualification of a judge to fill the vacancy, which election shall be at the next succeeding general election, and the judge so elected shall hold office for the remainder of the unexpired term.

(2) During any vacancy that occurs pursuant to subsection (1) of this section in a single judge court, a presiding judge pro tempore who has been predesignated pursuant to court rule or appointed pursuant to RCW 2.56.040(2) may fulfill presiding judge duties, and the authority of the predesignated or appointed presiding judge pro tempore endures until the chief justice appoints someone else to fulfill the presiding judge duties pursuant to RCW 2.56.040(2)(b), or until a vacancy in the position is filled as provided by law, whichever occurs first.

Sec. 4. RCW 2.24.010 and 2021 c 311 s 17 are each amended to read as follows:

(1) There may be appointed in each county or judicial district, by the judges of the superior court having jurisdiction therein or a presiding judge pro tempore who is fulfilling presiding judge duties for a single judge court pursuant to RCW 2.08.120(2), one or more court commissioners for said county or judicial district. Each such commissioner shall be a citizen of the United States and shall hold the office during the pleasure of the judges making the appointment.

(2)(a) There may be appointed in counties with a population of more than four hundred thousand, by the presiding judge of the superior court having jurisdiction therein, one or more attorneys to act as criminal commissioners to assist the superior court in disposing of adult criminal cases. Such criminal commissioners shall have power, authority, and jurisdiction,

concurrent with the superior court and the judges thereof, in adult criminal cases, to preside over arraignments, preliminary appearances, initial extradition hearings, and noncompliance proceedings pursuant to RCW 9.94A.6333 or 9.94B.040; accept pleas if authorized by local court rules; appoint counsel; make determinations of probable cause; set, amend, and review conditions of pretrial release; set bail; set trial and hearing dates; authorize continuances; accept waivers of the right to speedy trial; and authorize and issue search warrants and orders to intercept, monitor, or record wired or wireless telecommunications or for the installation of electronic taps or other devices to include, but not be limited to, vehicle global positioning system or other mobile tracking devices with all the powers conferred upon the judge of the superior court in such matters.

(b) Criminal commissioners shall also have the authority to conduct resentencing hearings and to vacate convictions related to *State v. Blake*, No. 96873-0 (Feb. 25, 2021). Criminal commissioners may be appointed for this purpose regardless of the population of the county served by the appointing court.

(c) The county legislative authority must approve the creation of criminal commissioner positions.

Sec. 5. RCW 3.34.150 and 1989 c 227 s 7 are each amended to read as follows:

(1) If a district has more than one judge, the supreme court may by rule provide for the manner of selection of one of the judges to serve as presiding judge and prescribe the presiding judge's duties. If a county has multiple districts or has one district with multiple electoral districts, the supreme court may by rule provide for the manner of selection of one of the judges to serve as presiding judge and prescribe the presiding judge's duties.

(2) Pursuant to court rule or RCW 2.56.040(2), a presiding judge pro tempore may be predesignated or appointed to fulfill presiding judge duties in case of the illness, incapacity, resignation, death, or unavailability of the presiding judge of a single judge court. In such circumstances, the authority of the predesignated or appointed presiding judge pro tempore endures until the chief justice appoints someone else to fulfill

the presiding judge duties pursuant to RCW 2.56.040(2)(b), or the period of such illness, incapacity, or unavailability ends, or until a vacancy in the position is filled as provided by law, whichever occurs first.

Sec. 6. RCW 3.34.100 and 2003 c 97 s 3 are each amended to read as follows:

(1) If a district judge dies, resigns, is convicted of a felony, ceases to reside in the district, fails to serve for any reason except temporary disability, or if his or her term of office is terminated in any other manner, the office shall be deemed vacant. The county legislative authority shall fill all vacancies by appointment and the judge thus appointed shall hold office until the next general election and until a successor is elected and qualified. However, if a vacancy in the office of district court judge occurs and the total number of district court judges remaining in the county is equal to or greater than the number of district court judges authorized in RCW 3.34.010 then the position shall remain vacant. District judges shall be granted sick leave in the same manner as other county employees. A district judge may receive when vacating office remuneration for unused accumulated leave and sick leave at a rate equal to one day's monetary compensation for each full day of accrued leave and one day's monetary compensation for each four full days of accrued sick leave, the total remuneration for leave and sick leave not to exceed the equivalent of thirty days' monetary compensation.

(2) During any vacancy that occurs pursuant to subsection (1) of this section in a single judge court, a presiding judge pro tempore who has been predesignated pursuant to court rule or appointed pursuant to RCW 2.56.040(2) may fulfill presiding judge duties, and the authority of the predesignated or appointed presiding judge pro tempore endures until the chief justice appoints someone else to fulfill the presiding judge duties pursuant to RCW 2.56.040(2)(b), or until a vacancy in the position is filled as provided by law, whichever occurs first.

Sec. 7. RCW 3.34.130 and 1996 c 16 s 1 are each amended to read as follows:

(1) ~~(Each)~~ In addition to the designation of a presiding judge pro tempore for a single judge court as

provided in RCW 3.34.150(2), each district court shall designate one or more persons as judge pro tempore who shall serve during the temporary absence, disqualification, or incapacity of a district judge or to serve as an additional judge for excess caseload or special set cases. The qualifications of a judge pro tempore shall be the same as for a district judge, except that with respect to RCW 3.34.060(1), the person appointed need only be a registered voter of the state. A district that has a population of not more than ten thousand and that has no person available who meets the qualifications under RCW 3.34.060(2) (a) or (b), may appoint as a pro tempore judge a person who has taken and passed the qualifying examination for the office of district judge as is provided by rule of the supreme court. A judge pro tempore may sit in any district of the county for which he or she is appointed. A judge pro tempore shall be paid the salary authorized by the county legislative authority.

(2) For each day that a judge pro tempore serves in excess of thirty days during any calendar year, the annual salary of the district judge in whose place the judge pro tempore serves shall be reduced by an amount equal to one-two hundred fiftieth of such salary: PROVIDED, That each full time district judge shall have up to fifteen days annual leave without reduction for service on judicial commissions established by the legislature or the chief justice of the supreme court. No reduction in salary shall occur when a judge pro tempore serves:

(a) While a district judge is using sick leave granted in accordance with RCW 3.34.100;

(b) While a district court judge is disqualified from serving following the filing of an affidavit of prejudice;

(c) As an additional judge for excess case load or special set cases; or

(d) While a district judge is otherwise involved in administrative, educational, or judicial functions related to the performance of the judge's duties: PROVIDED, That the appointment of judge pro tempore authorized under subsection (2)(c) and (d) of this section is subject to an appropriation for this purpose by the county legislative authority.

(3) The legislature may appropriate money for the purpose of reimbursing counties for the salaries of judges pro tempore for certain days in excess of thirty worked per year that the judge pro tempore was required to work as the result of service by a judge on a commission as authorized under subsection (2) of this section. No later than September 1 of each year, each county treasurer shall certify to the administrator for the courts for the year ending the preceding June 30, the number of days in excess of thirty that any judge pro tempore was required to work as the result of service by a judge on a commission as authorized under subsection (2) of this section. Upon receipt of the certification, the administrator for the courts shall reimburse the county from money appropriated for that purpose.

Sec. 8. RCW 3.42.010 and 1984 c 258 s 30 are each amended to read as follows:

When so authorized by the districting plan, one or more district court commissioners may be appointed in any district by the judges of the district. Each commissioner shall be a registered voter of the county in which the district or a portion thereof is located, and shall hold office at the pleasure of the appointing judges. For purposes of this section, "appointing judge" includes a presiding judge pro tempore fulfilling presiding judge duties for a single judge court pursuant to RCW 3.34.100(2) or 3.34.150(2). Any person appointed as a commissioner authorized to hear or dispose of cases shall be a lawyer who is admitted to the practice of law in the state of Washington or who has passed the qualifying examination for lay judges as provided under RCW 3.34.060.

NEW SECTION. Sec. 9. A new section is added to chapter 3.50 RCW to read as follows:

During any vacancy that occurs in a single judge court pursuant to RCW 3.50.093 or 3.50.095, a presiding judge pro tempore who has been predesignated pursuant to court rule or appointed pursuant to RCW 2.56.040(2) may fulfill presiding judge duties, and the authority of the predesignated or appointed presiding judge pro tempore endures until the chief justice appoints someone else to fulfill the presiding judge duties pursuant to RCW 2.56.040(2)(b), or until a vacancy in the position is filled as provided by law, whichever occurs first.

Sec. 10. RCW 3.50.075 and 2019 c 52 s 1 are each amended to read as follows:

(1) One or more court commissioners may be appointed by a judge of the municipal court.

(2) Each commissioner holds office at the pleasure of the appointing judge.

(3) Except as provided in subsection (4) of this section, a commissioner has such power, authority, and jurisdiction in criminal and civil matters as the appointing judges possess, and must be a lawyer who is admitted to practice law in the state of Washington or a nonlawyer who has passed, by January 1, 2003, the qualifying examination for lay judges for courts of limited jurisdiction under RCW 3.34.060.

(4) On or after July 1, 2010, when serving as a commissioner, the commissioner does not have authority to preside over trials in criminal matters, or jury trials in civil matters unless agreed to on the record by all parties.

(5) A commissioner need not be a resident of the city or of the county in which the municipal court is created. When a court commissioner has not been appointed and the municipal court is presided over by a part-time appointed judge, the judge need not be a resident of the city or of the county in which the municipal court is created.

(6) For purposes of this section, "appointing judge" includes a presiding judge pro tempore fulfilling presiding judge duties for a single judge court pursuant to RCW 3.50.090(2).

Sec. 11. RCW 3.50.090 and 2000 c 55 s 1 are each amended to read as follows:

~~((The))~~ (1) In addition to the designation of a presiding judge pro tempore for a single judge court as provided in RCW 3.50.090(2), the presiding municipal court judge may designate one or more persons as judges pro tem to serve in the absence or disability of the elected or duly appointed judges of the court, subsequent to the filing of an affidavit of prejudice, or in addition to the elected or duly appointed judges when the administration of justice and the accomplishment of the work of the court make it necessary. The qualifications of a judge pro tempore shall be the same as for judges as provided under RCW 3.50.040 except that a judge pro tempore need not

be a resident of the city or county in which the municipal court is located. Judges pro tempore shall have all of the powers of the duly appointed or elected judges when serving as judges pro tempore of the court. Before entering on his or her duties, each judge pro tempore shall take, subscribe, and file an oath as is taken by a duly appointed or elected judge. Such pro tempore judges shall receive such compensation as shall be fixed by ordinance by the municipality in which the court is located and such compensation shall be paid by the municipality.

(2) If a presiding municipal court judge is the single judge of the court, then pursuant to court rule or RCW 2.56.040(2), a presiding judge pro tempore may be predesignated or appointed to fulfill presiding judge duties in case of the illness, incapacity, resignation, death, or unavailability of the presiding judge. In such circumstances, the authority of the predesignated or appointed presiding judge pro tempore endures until the chief justice appoints someone else to fulfill the presiding judge duties pursuant to RCW 2.56.040(2)(b), or the period of such illness, incapacity, or unavailability ends, or until a vacancy in the position is filled as provided by law, whichever occurs first."

On page 1, line 2 of the title, after "courts;" strike the remainder of the title and insert "amending RCW 2.56.040, 2.08.120, 2.24.010, 3.34.150, 3.34.100, 3.34.130, 3.42.010, 3.50.075, and 3.50.090; adding a new section to chapter 2.56 RCW; and adding a new section to chapter 3.50 RCW."

and the same is herewith transmitted.

HOUSE BILL NO. 1825, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 3, 2022

Madame Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1890 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 74.09.4951 and 2020 c 130 s 1 are each amended to read as follows:

(1) The children and youth behavioral health work group is established to identify barriers to and opportunities for accessing behavioral health services for children and their families, and to advise the legislature on statewide behavioral health services for this population.

(2) The work group shall consist of members and alternates as provided in this subsection. Members must represent the regional, racial, and cultural diversity of all children and families in the state.

(a) The president of the senate shall appoint one member and one alternate from each of the two largest caucuses in the senate.

(b) The speaker of the house of representatives shall appoint one member and one alternate from each of the two largest caucuses in the house of representatives.

(c) The governor shall appoint six members representing the following state agencies and offices: The department of children, youth, and families; the department of social and health services; the health care authority; the department of health; the office of homeless youth prevention and protection programs; and the office of the governor.

(d) The governor shall appoint the following members:

(i) One representative of behavioral health administrative services organizations;

(ii) One representative of community mental health agencies;

(iii) ~~((One representative))~~ Two representatives of medicaid managed care organizations, one of which must provide managed care to children and youth receiving child welfare services;

(iv) One regional provider of co-occurring disorder services;

(v) One pediatrician or primary care provider;

(vi) One provider specializing in infant or early childhood mental health;

(vii) One representative who advocates for behavioral health issues on behalf of children and youth;

(viii) One representative of early learning and child care providers;

(ix) One representative of the evidence-based practice institute;

(x) Two parents or caregivers of children who have received behavioral health services, one of which must have a child under the age of six;

(xi) One representative of an education or teaching institution that provides training for mental health professionals;

(xii) One foster parent;

(xiii) One representative of providers of culturally and linguistically

appropriate health services to traditionally underserved communities;

(xiv) One pediatrician located east of the crest of the Cascade mountains;

(xv) One child psychiatrist;

(xvi) One representative of an organization representing the interests of individuals with developmental disabilities;

(xvii) Two youth representatives who have received behavioral health services;

(xviii) One representative of a private insurance organization;

(xix) One representative from the statewide family youth system partner roundtable established in the *T.R. v. Strange and McDermott*, formerly the *T.R. v. Dreyfus and Porter*, settlement agreement; and

(xx) One substance use disorder professional.

(e) The governor shall request participation by a representative of tribal governments.

(f) The superintendent of public instruction shall appoint one representative from the office of the superintendent of public instruction.

(g) The insurance commissioner shall appoint one representative from the office of the insurance commissioner.

(h) The work group shall choose its cochairs, one from among its legislative members and one from among the executive branch members. The representative from the health care authority shall convene at least two, but not more than (~~four~~) six, meetings of the work group each year.

(i) The cochairs may invite additional members of the house of representatives and the senate to participate in work group activities, including as leaders of advisory groups to the work group. These legislators are not required to be formally appointed members of the work group in order to participate in or lead advisory groups.

(3) The work group shall:

(a) Monitor the implementation of enacted legislation, programs, and policies related to children and youth behavioral health, including provider payment for mood, anxiety, and substance

use disorder prevention, screening, diagnosis, and treatment for children and young mothers; consultation services for child care providers caring for children with symptoms of trauma; home visiting services; and streamlining agency rules for providers of behavioral health services;

(b) Consider system strategies to improve coordination and remove barriers between the early learning, K-12 education, and health care systems;

(c) Identify opportunities to remove barriers to treatment and strengthen behavioral health service delivery for children and youth;

(d) Determine the strategies and resources needed to:

(i) Improve inpatient and outpatient access to behavioral health services;

(ii) Support the unique needs of young children prenatally through age five, including promoting health and social and emotional development in the context of children's family, community, and culture; and

(iii) Develop and sustain system improvements to support the behavioral health needs of children and youth; and

(e) Consider issues and recommendations put forward by the statewide family youth system partner roundtable established in the *T.R. v. Strange and McDermott*, formerly the *T.R. v. Dreyfus and Porter*, settlement agreement.

(4) At the direction of the cochairs, the work group may convene advisory groups to evaluate specific issues and report related findings and recommendations to the full work group.

(5) The work group shall convene an advisory group focused on school-based behavioral health and suicide prevention. The advisory group shall advise the full work group on creating and maintaining an integrated system of care through a tiered support framework for kindergarten through twelfth grade school systems defined by the office of the superintendent of public instruction and behavioral health care systems that can rapidly identify students in need of care and effectively link these students to appropriate services, provide age-appropriate education on behavioral health and other universal supports for social-emotional wellness for all

students, and improve both education and behavioral health outcomes for students. The work group cochairs may invite nonwork group members to participate as advisory group members.

(6)(a) Subject to the availability of amounts appropriated for this specific purpose, the work group shall convene an advisory group for the purpose of developing a draft strategic plan that describes:

(i) The current landscape of behavioral health services available to families in the perinatal phase, children, youth transitioning into adulthood, and the caregivers of those children and youth in Washington state, including a description of:

(A) The gaps and barriers in receiving or accessing behavioral health services, including services for co-occurring behavioral health disorders or other conditions;

(B) Access to high quality, equitable care and supports in behavioral health education and promotion, prevention, intervention, treatment, recovery, and ongoing well-being supports;

(C) The current supports and services that address emerging behavioral health issues before a diagnosis and more intensive services or clinical treatment is needed; and

(D) The current behavioral health care oversight and management of services and systems;

(ii) The vision for the behavioral health service delivery system for families in the perinatal phase, children, youth transitioning into adulthood, and the caregivers of those children and youth, including:

(A) A complete continuum of services from education, promotion, prevention, early intervention through crisis response, intensive treatment, postintervention, and recovery, as well as supports that sustain wellness in the behavioral health spectrum;

(B) How access can be provided to high quality, equitable care and supports in behavioral health education, promotion, prevention, intervention, recovery, and ongoing well-being when and where needed;

(C) How the children and youth behavioral health system must successfully pair with the 988 behavioral

health crisis response described under chapter 82.86 RCW;

(D) The incremental steps needed to achieve the vision for the behavioral health service delivery system based on the current gaps and barriers for accessing behavioral health services, with estimated dates for these steps; and

(E) The oversight and management needed to ensure effective behavioral health care; and

(iii) A comparison of the current behavioral health system for families in the perinatal phase, children, youth transitioning into adulthood, and the caregivers of those children and youth that is primarily based on crisis response and inadequate capacity with the behavioral health system vision created by the strategic planning process through a cost-benefit analysis.

(b) The work group cochairs may invite nonwork group members to participate as advisory group members, but the strategic plan advisory group shall include, at a minimum:

(i) Community members with lived experience including those with cultural, linguistic, and ethnic diversity, as well as those having diverse experience with behavioral health care invited by the work group cochairs;

(ii) A representative from the department of children, youth, and families;

(iii) A representative from the department;

(iv) A representative from the authority;

(v) A representative from the department of health;

(vi) A representative from the office of homeless youth prevention and protection programs;

(vii) A representative from the office of the governor;

(viii) A representative from the developmental disability administration of the department of social and health services;

(ix) A representative from the office of the superintendent of public instruction;

(x) A representative from the office of the insurance commissioner;

(xi) A tribal representative;

(xii) Two legislative members or alternates from the work group; and

(xiii) Individuals invited by the work group cochairs with relevant subject matter expertise.

(c) The health care authority shall conduct competitive procurements as necessary in accordance with chapter 39.26 RCW to select a third-party facilitator to facilitate the strategic plan advisory group.

(d) To assist the strategic plan advisory group in its work, the authority, in consultation with the cochairs of the work group, shall select an entity to conduct the activities set forth in this subsection. The health care authority may contract directly with a public agency as defined under RCW 39.34.020 through an interagency agreement. If the health care authority determines, in consultation with the cochairs of the work group, that a public agency is not appropriate for conducting these analyses, the health care authority may select another entity through competitive procurements as necessary in accordance with chapter 39.26 RCW. The activities that entities selected under this subsection must complete include:

(i) Following a statewide stakeholder engagement process, a behavioral health landscape analysis for families in the perinatal phase, children, youth transitioning into adulthood, and the caregivers of those children and youth outlining:

(A) The current service continuum including the cost of care, delivery service models, and state oversight for behavioral health services covered by medicaid and private insurance;

(B) Current gaps in the service continuum, areas without access to services, workforce demand, and capacity shortages;

(C) Barriers to accessing preventative services and necessary care including inequities in service access, affordability, cultural responsiveness, linguistic responsiveness, gender responsiveness, and developmentally appropriate service availability; and

(D) Incorporated information provided by the 988 crisis hotline crisis response improvement strategy committee as required under RCW 71.24.893;

(ii) A gap analysis estimating the prevalence of needs for Washington state behavioral health services for families in the perinatal phase, children, youth transitioning into adulthood, and the caregivers of those children and youth served by medicaid or private insurance, including:

(A) The estimated number of families in the perinatal phase, children, youth transitioning into adulthood, and the caregivers of those children and youth who need clinical behavioral health services or could benefit from preventive or early intervention services on an annual basis;

(B) The estimated number of expectant parents and caregivers in need of behavioral health services;

(C) A collection and analysis of disaggregated data to better understand regional, economic, linguistic, gender, and racial gaps in access to behavioral health services;

(D) The estimated costs of providing services that include a range of behavioral health supports that will meet the projected needs of the population; and

(E) Recommendations on the distribution of resources to deliver needed services to families in the perinatal phase, children, youth transitioning into adulthood, and the caregivers of those children and youth across multiple settings; and

(iii) An analysis of peer-reviewed publications, evidence-based practices, and other existing practices and guidelines with preferred outcomes regarding the delivery of behavioral health services to families in the perinatal phase, children, youth transitioning into adulthood, and the caregivers of those children and youth across multiple settings including:

(A) Approaches to increasing access and quality of care for underserved populations;

(B) Approaches to providing developmentally appropriate care;

(C) The integration of culturally responsive care with effective clinical care practices and guidelines;

(D) Strategies to maximize federal reinvestment and resources from any alternative funding sources; and

(E) Workforce development strategies that ensure a sustained, representative, and diverse workforce.

(e) The strategic plan advisory group shall prioritize its work as follows:

(i) Hold its first meeting by September 1, 2022;

(ii) Select third-party entities described under (d) of this subsection by December 31, 2022;

(iii) Provide a progress report on the development of the strategic plan, including a timeline of future strategic plan development steps, to be included in the work group's 2022 annual report required under subsection (10) of this section;

(iv) Provide a progress report on the development of the strategic plan, including discussion of the work group recommendations that align with the strategic plan development thus far, to be included in the work group's 2023 annual report required under subsection (10) of this section;

(v) Provide a draft strategic plan, along with any materials produced by entities selected under (d) of this subsection, to the work group by October 1, 2024. The draft strategic plan must include an incremental action plan outlining the action steps needed to achieve the vision provided by the draft strategic plan, clear prioritization criteria, and a transparent evaluation plan. The action plan may include further research questions, a proposed budget to continue the strategic planning work or implementation process, and a process for reviewing and updating the strategic plan.

(f) The work group shall discuss the draft strategic plan and action plan after they are submitted and adopt a final strategic plan that must be submitted to the governor and the appropriate committees of the legislature at the same time as the work group's 2024 annual report required under subsection (10) of this section.

(7)(a) Staff support for the work group, including administration of work group meetings and preparation of full work group recommendations and reports required under this section, must be provided by the health care authority.

(b) Additional staff support for legislative members of the work group may be provided by senate committee services and the house of representatives office of program research.

(c) Subject to the availability of amounts appropriated for this specific purpose, the office of the superintendent of public instruction must provide staff support to the school-based behavioral health and suicide prevention advisory group, including administration of advisory group meetings and the preparation and delivery of advisory group recommendations to the full work group.

~~((47)) (8)(a) Legislative members of the work group are reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, governmental entity, or other organization. ((Any)) Except as provided under (b) of this subsection, any reimbursement for other nonlegislative members is subject to chapter 43.03 RCW. ((Advisory group members who are not members of the work group are not entitled to reimbursement.~~

~~(8) The work group shall update the findings and recommendations reported to the legislature by the children's mental health work group in December 2016 pursuant to chapter 96, Laws of 2016. The work group must submit the updated report to the governor and the appropriate committees of the legislature by December 1, 2020.)~~

(b) Members of the children and youth behavioral health work group or an advisory group established under this section with lived experience may receive a stipend of up to \$200 per day if:

(i) The member participates in the meeting virtually or in person, even if only participating for one meeting and not on an ongoing basis; and

(ii) The member does not receive compensation, including paid leave, from the member's employer or contractor for participation in the meeting.

(9) The following definitions apply to this section:

(a) "A member with lived experience" means an individual who has received behavioral health services or whose family member has received behavioral health services; and

(b) "Families in the perinatal phase" means families during the time from pregnancy through one year after birth.

(10) Beginning November 1, 2020, and annually thereafter, the work group shall provide recommendations in alignment with subsection (3) of this section to the governor and the legislature. Beginning November 1, 2025, the work group shall include in its annual report a discussion of how the work group's recommendations align with the final strategic plan described under subsection (6) of this section.

((+9)) (11) This section expires December 30, 2026.

NEW SECTION. Sec. 2. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2022, in the omnibus appropriations act, this act is null and void."

On page 1, line 2 of the title, after "group;" strike the remainder of the title and insert "amending RCW 74.09.4951; and creating a new section."

MESSAGE FROM THE SENATE

March 4, 2022

Madame Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2076 with the following amendment:

Strike everything after the enacting clause and insert the following:

"PART I

COMPENSATION, DEACTIVATION, AND DRIVER RESOURCE CENTER

NEW SECTION. **Sec. 1.** A new section is added to chapter 49.46 RCW to read as follows:

(1) The definitions in this subsection apply throughout this section and sections 2 through 5 and 7 of this act unless the context clearly requires otherwise.

(a) "Account deactivation" means one or more of the following actions with respect to an individual driver or group of drivers that is implemented by a transportation network company and lasts for more than three consecutive days:

(i) Blocking access to the transportation network company driver platform;

(ii) Changing a driver's status from eligible to provide transportation

network company services to ineligible; or

(iii) Any other material restriction in access to the transportation network company's driver platform.

(b) "Compensation" means payment owed to a driver by reason of providing network services including, but not limited to, the minimum payment for passenger platform time and mileage, incentives, and tips.

(c) "Department" means the department of labor and industries.

(d) "Digital network" means any online-enabled application, website, or system offered or used by a transportation network company that enables the prearrangement of rides between drivers and passengers.

(e) "Director" means the director of the department of labor and industries.

(f) "Dispatch location" means the location of the driver at the time the driver accepts a trip request through the driver platform.

(g) "Dispatch platform time" means the time a driver spends traveling from a dispatch location to a passenger pick-up location. Dispatch platform time ends when a passenger cancels a trip or the driver begins the trip through the driver platform. A driver cannot simultaneously be engaged in dispatch platform time and passenger platform time for the same transportation network company. For shared rides, dispatch platform time means the time a driver spends traveling from the first dispatch location to the first passenger pick-up location.

(h) "Dispatched trip" means the provision of transportation by a driver for a passenger through the use of a transportation network company's application dispatch system.

(i) "Driver" has the same meaning as "commercial transportation services provider driver" in RCW 48.177.005. Except as otherwise specified in this act, for purposes of this title and Titles 48, 50A, 50B, and 51 RCW, and any orders, regulations, administrative policies, or opinions of any state or local agency, board, division, or commission, pursuant to those titles, a driver is not an employee or agent of a transportation network company if the following factors are met:

(i) The transportation network company does not unilaterally prescribe specific dates, times of day, or a minimum number of hours during which the driver must be logged into the transportation network company's online-enabled application or platform;

(ii) The transportation network company may not terminate the contract of the driver for not accepting a specific transportation service request;

(iii) The transportation network company does not contractually prohibit the driver from performing services through other transportation network companies except while performing services through the transportation network company's online-enabled application or platform during dispatch platform time and passenger platform time; and

(iv) The transportation network company does not contractually prohibit the driver from working in any other lawful occupation or business.

Notwithstanding any state or local law to the contrary, any party seeking to establish that the factors in this subsection (1)(i) are not met bears the burden of proof. A driver for purposes of this section shall not include any person ultimately and finally determined to be an "employee" within the meaning of section 2(3) of the national labor relations act, 29 U.S.C. Sec. 152(3).

(j) "Driver platform" means the driver-facing application dispatch system software or any online-enabled application service, website, or system, used by a driver, or which enables services to be delivered to a driver that enables the prearrangement of passenger trips for compensation.

(k) "Driver resource center" or "center" means a nonprofit organization that provides services to drivers. The nonprofit organization must be registered with the Washington secretary of state, have organizational bylaws giving drivers right to membership in the organization, and have demonstrated experience: (i) Providing services to gig economy drivers in Washington state, including representing drivers in deactivation appeals proceedings; and (ii) providing culturally competent driver representation services, outreach, and education. The administration and formation of the driver resource center may not be funded,

excessively influenced, or controlled by a transportation network company.

(l) "Driver resource center fund" or "fund" means the dedicated fund created in section 2 of this act, the sole purpose of which is to administer funds collected from transportation network companies to provide services, support, and benefits to drivers.

(m) "Network services" means services related to the transportation of passengers through the driver platform that are provided by a driver while logged in to the driver platform, including services provided during available platform time, dispatch platform time, and passenger platform time.

(n) "Passenger" has the same meaning as "commercial transportation services provider passenger" in RCW 48.177.005.

(o) "Passenger drop-off location" means the location of a driver's vehicle when the passenger leaves the vehicle.

(p) "Passenger pick-up location" means the location of the driver's vehicle at the time the driver starts the trip in the driver platform.

(q) "Passenger platform miles" means all miles driven during passenger platform time as recorded in a transportation network company's driver platform.

(r) "Passenger platform time" means the period of time when the driver is transporting one or more passengers on a trip. For shared rides, passenger platform time means the period of time commencing when the first passenger enters the driver's vehicle until the time when the last passenger exits the driver's vehicle.

(s) "Personal vehicle" has the same meaning as "personal vehicle" in RCW 48.177.005.

(t) "Shared ride" means a dispatched trip which, prior to its commencement, a passenger requests through the transportation network company's digital network to share the dispatched trip with one or more passengers and each passenger is charged a fare that is calculated, in whole or in part, based on the passenger's request to share all or a part of the dispatched trip with one or more passengers, regardless of whether the passenger actually shares all or a part of the dispatched trip.

(u) "Tips" means a verifiable sum to be presented by a passenger as a gift or gratuity in recognition of service performed for the passenger by the driver receiving the tip.

(v) "Transportation network company" has the same meaning as defined in RCW 46.04.652. A transportation network company does not provide for hire transportation service.

(2) A driver is only covered by this section to the extent that the driver provides network services within the state of Washington.

(3)(a) A transportation network company is covered by this section if it provides a driver platform within the state of Washington.

(b) Separate entities that form an integrated enterprise are considered a single transportation network company under this section. Separate entities will be considered an integrated enterprise and a single transportation network company where a separate entity controls the operation of another entity. Factors to consider include, but are not limited to, the degree of interrelation between the operations of multiple entities; the degree to which the entities share common management; the centralized control of labor relations; the degree of common ownership or financial control over the entities; and the use of a common brand, trade, business, or operating name.

(4)(a) Beginning December 31, 2022, a transportation network company shall ensure that a driver's total compensation is not less than the standard set forth in (a)(i), (ii), or (iii) of this subsection (4).

(i) For all dispatched trips originating in cities with a population of more than 600,000, on a per trip basis the greater of:

(A) \$0.59 per passenger platform minute for all passenger platform time for that trip, and \$1.38 per passenger platform mile for all passenger platform miles driven on that trip; or

(B) A minimum of \$5.17 per dispatched trip.

(ii) For all other dispatched trips, the greater of:

(A) \$0.34 per passenger platform minute and \$1.17 per passenger platform mile; or

(B) A minimum of \$3.00 per dispatched trip.

(iii) For all trips originating elsewhere and terminating in cities with a population of more than 600,000:

(A) For all passenger platform time spent within the city on that trip and for all passenger platform miles driven in the city on that trip the compensation standard under (a)(i) of this subsection applies.

(B) For all passenger platform time spent outside the city on that trip and for all passenger platform miles driven outside the city on that trip the compensation standard under (a)(ii) of this subsection applies.

(b) Beginning September 30, 2022, and on each following September 30th, the department shall calculate adjusted per mile and per minute amounts and per trip minimums by increasing the current year's per mile and per minute amounts and per trip minimums by the rate of increase of the state minimum wage, calculated to the nearest cent. The adjusted amount calculated under this section takes effect on the following January 1st.

(c) For shared rides, the per trip minimums in (a)(i) and (ii) of this subsection shall apply only to the entirety of the shared ride, and not on the basis of the individual passenger's trip within the shared ride.

(5)(a) For the purposes of this section, a dispatched trip includes:

(i) A dispatched trip in which the driver transports the passenger to the passenger drop-off location;

(ii) A dispatched trip canceled after two minutes by a passenger or the transportation network company unless cancellation is due to driver conduct, or no cancellation fee is charged to the passenger;

(iii) A dispatched trip that is canceled by the driver for good cause consistent with company policy; and

(iv) A dispatched trip where the passenger does not appear at the passenger pick-up location within five minutes.

(b) A transportation network company may exclude time and miles if doing so is reasonably necessary to remedy or prevent fraudulent use of the transportation network company's online-enabled application or platform.

(6)(a) A transportation network company shall remit to drivers all tips. Tips paid to a driver are in addition to, and may not count towards, the driver's minimum compensation under this section.

(b) Amounts charged to a passenger and remitted to the driver for tolls, fees, or surcharges incurred by a driver during a trip must not be included in calculating compensation for purposes of subsection (4) of this section.

(c)(i) Beginning January 1, 2023, except as required by law, a transportation network company may only deduct compensation when the driver expressly authorizes the deduction in writing and does so in advance for a lawful purpose. Any authorization by a driver must be voluntary and knowing.

(ii) Nothing in this section shall prohibit a transportation network company from deducting compensation as required by state or federal law or as directed by a court order.

(iii) Neither the transportation network company nor any person acting in the interest of the transportation network company may derive any financial profit or benefit from any of the deductions under this section. For the purposes of this section:

(A) Reasonable interest charged by the transportation network company or any person acting in the interest of a transportation network company, for a loan or credit extended to the driver, is not considered to be of financial benefit to the transportation network company or person acting in the interest of a transportation network company; and

(B) A deduction will be considered for financial profit or benefit only if it results in a gain over and above the fair market value of the goods or services for which the deduction was made.

(7)(a) Beginning January 1, 2023, a transportation network company shall provide each driver with a written notice of rights established by this section in a form and manner sufficient to inform drivers of their rights under this

section. The notice of rights shall provide information on:

(i) The right to the applicable per minute rate and per mile rate or per trip rate guaranteed by this section;

(ii) The right to be protected from retaliation for exercising in good faith the rights protected by this section; and

(iii) The right to seek legal action or file a complaint with the department for violation of the requirements of this section, including a transportation network company's failure to pay the minimum per minute rate or per mile rate or per trip rate, or a transportation network company's retaliation against a driver or other person for engaging in an activity protected by this section.

(b) A transportation network company shall provide the notice of rights required by this section in an electronic format that is readily accessible to the driver. The notice of rights shall be made available to the driver via smartphone application or online web portal, in English and the five most common foreign languages spoken in this state.

(8) Beginning December 31, 2022, within 24 hours of completion of each dispatched trip, a transportation network company must transmit an electronic receipt to the driver that contains the following information for each unique trip, or portion of a unique trip, covered by this section:

(a) The total amount of passenger platform time;

(b) The total mileage driven during passenger platform time;

(c) Rate or rates of pay, including but not limited to the rate per minute, rate per mile, percentage of passenger fare, and any applicable price multiplier or variable pricing policy in effect for the trip;

(d) Tip compensation;

(e) Gross payment;

(f) Net payment after deductions, fees, tolls, surcharges, lease fees, or other charges; and

(g) Itemized deductions or fees, including any toll, surcharge, commission, lease fees, and other charges.

(9) Beginning January 1, 2023, a transportation network company shall make driver per trip receipts available in a downloadable format, such as a comma-separated values file or PDF file, via smartphone application or online web portal for a period of two years from the date the transportation network company provided the receipt to the driver.

(10) Beginning January 1, 2023, on a weekly basis, the transportation network company shall provide written notice to the driver that contains the following information for trips, or a portion of a trip, that is covered by this section and which occurred in the prior week:

(a) The driver's total passenger platform time;

(b) Total mileage driven by the driver during passenger platform time;

(c) The driver's total tip compensation;

(d) The driver's gross payment, itemized by: (i) Rate per minute; (ii) rate per mile; and (iii) any other method used to calculate pay including, but not limited to, base pay, percentage of passenger fare, or any applicable price multiplier or variable pricing policy in effect for the trip;

(e) The driver's net payment after deductions, fees, tolls, surcharges, lease fees, or other charges; and

(f) Itemized deductions or fees, including all tolls, surcharges, commissions, lease fees, and other charges, from the driver's payment.

(11) Beginning January 1, 2023, within 24 hours of a trip's completion, a transportation network company must transmit an electronic receipt to the passenger, for on trip time, on behalf of the driver that lists:

(a) The date and time of the trip;

(b) The passenger pick-up and passenger drop-off locations for the trip. In describing the passenger pick-up location and passenger drop-off location, the transportation network company shall describe the location by indicating the specific block (e.g. "the 300 block of Pine Street") in which the passenger pick-up and passenger drop-off occurred. A transportation network company is authorized to indicate the location with greater specificity, such

as with a street address or intersection, at its discretion;

(c) The total duration and distance of the trip;

(d) The driver's first name;

(e) The total fare paid, itemizing all charges and fees; and

(f) The total passenger-paid tips.

(12)(a) Beginning July 1, 2024, transportation network companies shall collect and remit a \$0.15 per trip fee to the driver resource center fund, created in section 2 of this act, for the driver resource center to support the driver community. The remittance under this subsection is a pass-through of passenger fares and shall not be considered a transportation network company's funding of the driver resource center. Passenger fares paid include each individual trip portion on shared trips. The remittances to the fund must be made on a quarterly basis.

(b) Beginning September 30, 2024, and on each following September 30th, the department shall calculate an adjusted per trip fee by adjusting the current amount by the rate of inflation. The adjusted amounts must be calculated to the nearest cent using the consumer price index for urban wage earners and clerical workers, CPI-W, or a successor index, for the 12 months prior to each September 1st as calculated by the United States department of labor. Each adjusted amount calculated under this subsection takes effect on the following January 1st.

(13) No later than one year after the effective date of this section, transportation network companies shall provide an opportunity for drivers to make voluntary per trip earnings deduction contributions to the driver resource center, provided that 100 or more drivers working for transportation network companies covered under this section have authorized such a deduction to the driver resource center, and subject to the following:

(a) A driver must expressly authorize the deduction in writing. Written authorization must include, at a minimum, sufficient information to identify the driver and the driver's desired per trip deduction amount. These deductions may reduce the driver's per trip earnings below the minimums set forth in this section.

(b) The transportation network company may require written authorization to be submitted in electronic format from the driver resource center.

(c) The transportation network company shall make the first deductions within 30 days of receiving a written authorization of the driver, and shall remit deductions to the driver resource center each month, with remittance due not later than 28 days following the end of the month.

(d) A driver's authorization remains in effect until the driver resource center provides an express revocation to the transportation network company.

(e) A transportation network company shall rely on information provided by the driver resource center regarding the authorization and revocation of deductions.

(f) Upon request by a transportation network company, the driver resource center shall reimburse the transportation network company for the costs associated with deduction and remittance. The department shall adopt rules to calculate the reimbursable costs.

(14) Each transportation network company shall submit to the fund, with its remittance under subsection (12) of this section, a report detailing the number of trips in the previous quarter and the total amount of the surcharge charged to customers. The first payment and accounting is due on the 30th day of the quarter following the imposition of the surcharge. Failure to remit payments by the deadlines is deemed a delinquency and the transportation network company is subject to penalties and interest provided in section 4 of this act.

(15)(a) The state expressly intends to displace competition with regulation allowing a transportation network company, at its own volition, to enter into an agreement with the driver resource center regarding a driver account deactivation appeals process for eligible account deactivations. It is the policy of the state to promote a fair appeals process related to eligible account deactivations that supports the rights of drivers and transportation network companies and provides fair processes related to eligible account deactivations. The state intends that any agreement under this section is immune from all federal and state antitrust laws.

(i) "Eligible account deactivation" means one or more of the following actions with respect to an individual driver that is implemented by a transportation network company:

(A) Blocking or restricting access to the transportation network company driver platform for three or more consecutive days; or

(B) Changing a driver's account status from eligible to provide transportation network company services to ineligible for three or more consecutive days.

(ii) An eligible account deactivation does not include any change in a driver's access or account status that is:

(A) Related to an allegation of discrimination, harassment, including sexual harassment or harassment due to someone's membership in a protected class, or physical or sexual assault, or willful or knowing commitment of fraud;

(B) Related to an allegation that the driver was under the influence of drugs or alcohol while a related active investigation that takes no longer than 10 business days is under way; or

(C) Any other categories the transportation network company and the driver resource center may agree to as part of the agreement under this subsection.

(iii) A transportation network company shall enter into an agreement with the driver resource center regarding the driver account deactivation appeals process for eligible account deactivations. Any agreement must be approved by the department. The department may approve an agreement only if the agreement contains the provisions in (a)(iv) of this subsection.

(iv) The agreement must provide an appeals process for drivers whose account has been subject to an eligible account deactivation. The appeals process must include the following protections:

(A) Opportunity for a driver representative to support a driver, upon the driver's request, throughout the account deactivation appeals process for eligible account deactivations;

(B) Notification, as required by (d) of this subsection, to drivers of their right to representation by the driver resource center at the time of the eligible account deactivation;

(C) Within 30 calendar days of a request, furnishing to the driver resource center an explanation and information the transportation network company may have relied upon in making the deactivation decision, excluding confidential, proprietary, or otherwise privileged communications, provided that personal identifying information and confidential information is redacted to address reasonable privacy and confidentiality concerns;

(D) A good faith, informal resolution process that is committed to efficient resolution of conflicts regarding eligible account deactivations within 30 days of the transportation network company being notified that the driver contests the explanation offered by the company;

(E) A formal process that includes a just cause standard, with deadlines for adjudication of an appeal of an eligible account deactivation by a panel that includes a mutually agreed-upon neutral third party with experience in dispute resolution. The panel has the authority to make binding decisions within the confines of the law and make-whole monetary awards, including back pay, based on an agreed-upon formula for cases not resolved during the informal process;

(F) Agreement by the transportation network company to use the process set forth in this subsection to resolve disputes over eligible account deactivation appeals as an alternative to private arbitration with regard to such a dispute, should the driver and transportation network company so choose; and

(G) Agreement by the transportation network company that, for eligible account deactivations in which the driver or transportation network company elect private arbitration in lieu of the formal process outlined in (a)(iv)(E) of this subsection (15), the transportation network company shall offer the driver the opportunity to have the eligible deactivation adjudicated under the just cause standard outlined in (a)(iv)(E) of this subsection.

(b) A transportation network company that enters into an agreement with the driver resource center shall reach agreement through the following steps:

(i)(A) For a transportation network company operating a digital network in

the state of Washington as of the effective date of this section, the driver resource center and transportation network company must make good faith efforts to reach an agreement within 120 days of an organization being selected as the driver resource center under section 2 of this act.

(B) For a transportation network company who begins operating a digital network in the state of Washington after an organization has been selected as the driver resource center under section 2 of this act, the driver resource center and transportation network company must make good faith efforts to reach an agreement within 120 days of the transportation network company beginning operation of a digital network in the state of Washington.

(ii) If the driver resource center and transportation network company cannot reach an agreement, then they are required to submit issues of dispute before a jointly agreed-upon mediator.

(iii) After mediation lasting no more than two months has been exhausted and no resolution has been reached, then the parties will proceed to binding arbitration before a panel of arbitrators consisting of one arbitrator selected by the driver resource center, one arbitrator selected by the transportation network company, and a third arbitrator selected by the other two. If the two selected arbitrators cannot agree to the third arbitrator within 10 days, then the third arbitrator shall be determined from a list of seven arbitrators with experience in labor disputes or interest arbitration designated by the American arbitration association. A coin toss shall determine which side strikes the first name. Thereafter the other side shall strike a name. The process will continue until only one name remains, who shall be the third arbitrator. Alternatively, the driver resource center and the transportation network company may agree to a single arbitrator.

(iv) The arbitrators must submit their decision, based on majority rule, within 60 days of the panel or arbitrator being chosen.

(v) The decision of the majority of arbitrators is final and binding and will then be submitted to the director of the department for final approval.

(c) In reviewing any agreement between a transportation network company and the driver resource center, under (a) of this subsection, the department shall review the agreement to ensure that its content is consistent with this subsection and the public policy goals set forth in this subsection. The department shall consider in its review both qualitative and quantitative effects of the agreement and how the agreement comports with the state policies set forth in this section. In conducting a review, the record shall not be limited to the submissions of the parties nor to the terms of the proposed agreement and the department shall have the right to conduct public hearings and request additional information from the parties, provided that such information: (i) Is relevant for determining whether the agreement complies with this subsection; and (ii) does not contain either parties' confidential, proprietary, or privileged information, or any individual's personal identifying information from the parties. The department may approve or reject a proposed agreement, and may require the parties to submit a revised proposal on all or particular parts of the proposed agreement. If the department rejects an agreement, it shall set forth its reasoning in writing and shall suggest ways the parties may remedy the failures. Absent good cause, the department shall issue a written determination regarding its approval or rejection within 60 days of submission of the agreement.

(d)(i) For any account deactivation, the transportation network company shall provide notification to the driver, at the time of deactivation, that the driver may have the right to representation by the driver resource center to appeal the account deactivation.

(ii) A transportation network company must provide any driver whose account is subject to an account deactivation between the effective date of this section and the effective date of the agreement the contact information of the driver resource center and notification that the driver may have the right to appeal the account deactivation with representation by the driver resource center.

(16) The department may adopt rules to implement this section.

NEW SECTION. **Sec. 2.** A new section is added to chapter 49.46 RCW to read as follows:

(1) The legislature recognizes that providing education and outreach to drivers regarding their rights and obligations furthers the state's interest in having a vibrant knowledgeable work force and safe and satisfied consumers. The legislature therefore intends to create a way of providing education, outreach, and support to workers who, because of the nature of their work, do not have access to such support through traditional avenues.

(2) The driver resource center fund is created in the custody of the state treasurer. All moneys received from the remittance in section 1(12) of this act must be deposited into the fund.

(3) Only the director of the department of labor and industries or the director's designee may authorize expenditures from the fund. The fund is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

(4) The department may make expenditures from the fund for the following purposes:

(a) Services provided by the driver resource center, as defined in section 1 of this act, to drivers and administrative costs of providing such support. The department must distribute funding received by the account, exclusive of the department's administrative costs deducted under (b) of this subsection, to the center on a quarterly basis; and

(b) The department's costs of administering the fund and its duties under section 1 of this act, not to exceed 10 percent of revenues to the fund.

(5) Within four months of the effective date of this section, the director of the department or the director's designee shall, through a competitive process, select and contract with a qualified nonprofit organization to be the driver resource center.

NEW SECTION. Sec. 3. A new section is added to chapter 49.46 RCW to read as follows:

(1)(a) If a driver files a complaint with the department alleging that a transportation network company failed to provide any compensation amounts due to the driver under section 1 of this act,

the department shall investigate the complaint under this section. Unless otherwise resolved, the department shall issue either a citation and notice of assessment or a determination of compliance no later than 60 days after the date on which the department received the compensation-related complaint. The department may extend the time period by providing advance written notice to the driver and the transportation network company setting forth good cause for an extension of the time period and specifying the duration of the extension.

(b) The department may not investigate any alleged compensation-related violation that occurred more than three years before the date that the driver filed the compensation-related complaint.

(c) The department shall send the citation and notice of assessment or the determination of compliance to both the transportation network company and the driver by service of process or using a method by which the mailing can be tracked or the delivery can be confirmed to their last known addresses. A transportation network company may designate a mailing address of record for service, and additionally may provide an email address to which the department shall direct electronic courtesy copies of mailed correspondence, if such email address is provided.

(2) If the department determines that a transportation network company has violated a compensation requirement in section 1 of this act and issues to the transportation network company a citation and notice of assessment, the department may order the transportation network company to pay drivers all compensation owed, including interest of one percent per month on all compensation owed, to the driver. The compensation and interest owed must be calculated from the first date compensation was owed to the driver, except that the department may not order the transportation network company to pay any compensation and interest that were owed more than three years before the date the complaint was filed with the department.

(3) If the department determines that the compensation-related violation was a willful violation, and the transportation network company fails to take corrective action, the department also may order the transportation network company to pay the department a civil

penalty as specified in (a) of this subsection.

(a) A civil penalty for a willful violation shall be not less than \$1,000 or an amount equal to 10 percent of the total amount of unpaid compensation per claimant, whichever is greater. The maximum civil penalty for a willful violation of requirements in section 1 of this act shall be \$20,000 per claimant.

(b) The department may not assess a civil penalty if the transportation network company reasonably relied on: (i) A rule related to any requirements in this section; (ii) a written order, ruling, approval, opinion, advice, determination, or interpretation of the director; or (iii) an interpretive or administrative policy issued by the department and filed with the office of the code reviser. In accordance with the department's retention schedule obligations under chapter 40.14 RCW, the department shall maintain a complete and accurate record of all written orders, rulings, approvals, opinions, advice, determinations, and interpretations for purposes of determining whether a transportation network company is immune from civil penalties under this subsection (3)(b).

(c) The department shall waive any civil penalty assessed against a transportation network company under this section if the transportation network company is not a repeat willful violator, and the director determines that the transportation network company has provided payment to the driver of all compensation that the department determined that the transportation network company owed to the driver, including interest, within 30 days of the transportation network company's receipt of the citation and notice of assessment from the department.

(d) The department may waive or reduce at any time a civil penalty assessed under this section if the director determines that the transportation network company paid all compensation and interest owed to a driver.

(e) The department shall deposit civil penalties paid under this section in the supplemental pension fund established under RCW 51.44.033.

(4) Upon payment by a transportation network company, and acceptance by a driver, of all compensation and interest assessed by the department in a citation

and notice of assessment issued to the transportation network company, the fact of such payment by the transportation network company, and of such acceptance by the driver, shall: (a) Constitute a full and complete satisfaction by the transportation network company of all specific requirements of section 1 of this act addressed in the citation and notice of assessment; and (b) bar the driver from initiating or pursuing any court action or other judicial or administrative proceeding, including arbitration, based on the specific requirements addressed in the citation and notice of assessment. The citation and notice of assessment shall include a notification and summary of the specific requirements of section 1 of this act.

(5) The applicable statute of limitations for civil actions is tolled during the department's investigation of a driver's complaint against a transportation network company. For the purposes of this subsection, the department's investigation begins on the date the driver files the complaint with the department and ends when: (a) The complaint is finally determined through a final and binding citation and notice of assessment or determination of compliance; or (b) the department notifies the transportation network company and the driver in writing that the complaint has been otherwise resolved or that the driver has elected to terminate the department's administrative action under subsection (12) of this section.

(6) A person, firm, or corporation aggrieved by a citation and notice of assessment or a determination of compliance issued by the department under this section or the assessment of a civil penalty due to a determination of status as a repeat willful violator may appeal the citation and notice of assessment, the determination of compliance, or the assessment of a civil penalty to the director by filing a notice of appeal with the director within 30 days of the department's service, as provided in subsection (1) of this section, on the aggrieved party of the citation and notice of assessment, the determination of compliance, or the assessment of a civil penalty. A citation and notice of assessment, a determination of compliance, or an assessment of a civil penalty not appealed within 30 days is final and binding, and not subject to further appeal.

(7) A notice of appeal filed with the director under this section shall stay the effectiveness of the citation and notice of assessment, the determination of compliance, or the assessment of a civil penalty pending final review of the appeal by the director as provided for in chapter 34.05 RCW.

(8) Upon receipt of a notice of appeal, the director shall assign the hearing to an administrative law judge of the office of administrative hearings to conduct the hearing and issue an initial order. The hearing and review procedures shall be conducted in accordance with chapter 34.05 RCW, and the standard of review by the administrative law judge of an appealed citation and notice of assessment, an appealed determination of compliance, or an appealed assessment of a civil penalty shall be de novo. Any party who seeks to challenge an initial order shall file a petition for administrative review with the director within 30 days after service of the initial order. The director shall conduct administrative review in accordance with chapter 34.05 RCW.

(9) The director shall issue all final orders after appeal of the initial order. The final order of the director is subject to judicial review in accordance with chapter 34.05 RCW.

(10) Orders that are not appealed within the time period specified in this section and chapter 34.05 RCW are final and binding, and not subject to further appeal.

(11) Absent good cause, a transportation network company that fails to allow adequate inspection of records in an investigation by the department under this chapter within a reasonable time period may not use such records in any appeal under this section to challenge the correctness of any determination by the department of wages owed or penalties assessed.

(12) A driver who has filed a complaint under this section with the department may elect to terminate the department's administrative action, thereby preserving any private right of action, if any exists, by providing written notice to the department within 10 business days after the driver's receipt of the department's citation and notice of assessment.

(13) If the driver elects to terminate the department's administrative action:

(a) The department shall immediately discontinue its action against the transportation network company; (b) the department shall vacate a citation and notice of assessment already issued by the department to the transportation network company; and (c) the citation and notice of assessment, and any related findings of fact or conclusions of law by the department, and any payment or offer of payment by the transportation network company of the compensation, including interest, assessed by the department in the citation and notice of assessment, shall not be admissible in any court action or other judicial or administrative proceeding.

(14) Nothing in this section shall be construed to limit or affect: (a) The right of any driver to pursue any judicial, administrative, or other action available with respect to a transportation network company; (b) the right of the department to pursue any judicial, administrative, or other action available with respect to a driver that is identified as a result of a complaint for a violation of section 1 of this act; or (c) the right of the department to pursue any judicial, administrative, or other action available with respect to a transportation network company in the absence of a complaint for a violation of section 1 of this act. For purposes of this subsection, "driver" means a driver other than a driver who has filed a complaint with the department and who thereafter has elected to terminate the department's administrative action as provided in subsection (1) of this section.

(15) After a final order is issued under this section, and served as provided in subsection (1) of this section, if a transportation network company defaults in the payment of: (a) Any compensation determined by the department to be owed to a driver, including interest; or (b) any civil penalty ordered by the department under this section, the director may file with the clerk of any county within the state a warrant in the amount of the payment plus any filing fees. The clerk of the county in which the warrant is filed shall immediately designate a superior court cause number for the warrant, and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of the transportation

network company mentioned in the warrant, the amount of payment due plus any filing fees, and the date when the warrant was filed. The aggregate amount of the warrant as docketed becomes a lien upon the title to, and interest in, all real and personal property of the transportation network company against whom the warrant is issued, the same as a judgment in a civil case docketed with the superior court clerk. The sheriff shall proceed upon the warrant in all respects and with like effect as prescribed by law with respect to execution or other process issued against rights or property upon judgment in a court of competent jurisdiction. The warrant so docketed is sufficient to support the issuance of writs of garnishment in favor of the state in a manner provided by law in case of judgment, wholly or partially unsatisfied. The clerk of the court is entitled to a filing fee which will be added to the amount of the warrant. A copy of the warrant shall be served on the transportation network company, as provided in subsection (1) of this section, within three days of filing with the clerk.

(16)(a) The director may issue to any person, firm, corporation, other entity, municipal corporation, political subdivision of the state, public corporation, or any agency of the state, a notice and order to withhold and deliver property of any kind when he or she has reason to believe that there is in the possession of the person, firm, corporation, other entity, municipal corporation, political subdivision of the state, public corporation, or agency of the state, property that is or will become due, owing, or belonging to a transportation network company upon whom a notice of assessment has been served by the department for payments or civil penalties due to the department. The effect of a notice and order is continuous from the date the notice and order is first made until the liability out of which the notice and order arose is satisfied or becomes unenforceable because of lapse of time. The department shall release the notice and order when the liability out of which the notice and order arose is satisfied or becomes unenforceable by reason of lapse of time and shall notify the person against whom the notice and order was made that the notice and order has been released.

(b) The notice and order to withhold and deliver must be served by the sheriff of the county or by the sheriff's deputy, by certified mail, return receipt requested, or by the director. A person, firm, corporation, other entity, municipal corporation, political subdivision of the state, public corporation, or agency of the state upon whom service has been made shall answer the notice within 20 days exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired of in the notice and order. Upon service of the notice and order, if the party served possesses any property that may be subject to the claim of the department, the party shall promptly deliver the property to the director. The director shall hold the property in trust for application on the transportation network company's indebtedness to the department, or for return without interest, in accordance with a final determination of a petition for review. In the alternative, the party shall furnish a good and sufficient surety bond satisfactory to the director conditioned upon final determination of liability. If a party served and named in the notice fails to answer the notice within the time prescribed in this section, the court may render judgment by default against the party for the full amount claimed by the director in the notice, together with costs. If a notice is served upon a transportation network company and the property subject to it is compensation, the transportation network company may assert in the answer all exemptions provided for by chapter 6.27 RCW to which the compensation earner is entitled.

(c) As an alternative to the methods of service described in this section, the department may electronically serve a financial institution with a notice and order to withhold and deliver by providing a list of its outstanding warrants, except those for which a payment agreement is in good standing, to the department of revenue. The department of revenue may include the warrants provided by the department in a notice and order to withhold and deliver served under RCW 82.32.235(3). A financial institution that is served with a notice and order to withhold and deliver under this subsection (16)(c) must answer the notice within the time period applicable to service under RCW 82.32.235(3). The department and the department of revenue

may adopt rules to implement this subsection (16)(c).

(17)(a) In addition to the procedure for collection of compensation owed, including interest, and civil penalties as set forth in this section, the department may recover compensation owed, including interest, and civil penalties assessed under RCW 49.48.083 in a civil action brought in a court of competent jurisdiction of the county where the violation is alleged to have occurred.

(b) The department may use the procedures under this section to foreclose compensation liens established under chapter 60.90 RCW. When the department is foreclosing on a compensation lien, the date the compensation lien was originally filed shall be the date by which priority is determined, regardless of the date the warrant is filed under this section.

(18) Whenever any transportation network company quits business, sells out, exchanges, or otherwise disposes of the transportation network company's business or stock of goods, any person who becomes a successor to the business becomes liable for the full amount of any outstanding citation and notice of assessment or penalty against the transportation network company's business under this chapter if, at the time of the conveyance of the business, the successor has: (a) Actual knowledge of the fact and amount of the outstanding citation and notice of assessment; or (b) a prompt, reasonable, and effective means of accessing and verifying the fact and amount of the outstanding citation and notice of assessment from the department. If the citation and notice of assessment or penalty is not paid in full by the transportation network company within 10 days of the date of the sale, exchange, or disposal, the successor is liable for the payment of the full amount of the citation and notice of assessment or penalty, and payment thereof by the successor must, to the extent thereof, be deemed a payment upon the purchase price. If the payment is greater in amount than the purchase price, the amount of the difference becomes a debt due the successor from the transportation network company.

(19) This section does not affect other collection remedies that are otherwise provided by law.

NEW SECTION. **Sec. 4.** A new section is added to chapter 49.46 RCW to read as follows:

(1) If a driver files a complaint with the department alleging a violation of any noncompensation requirement of section 1 (7) through (10) and (12) through (14) of this act, the department shall investigate the complaint under this section.

(a) The department may not investigate any such alleged violation that occurred more than three years before the date that the driver filed the complaint or prior to this law going into effect.

(b) If a driver files a timely complaint with the department, the department will investigate the complaint and issue either a citation assessing a civil penalty or a closure letter within 60 days after the date on which the department received the complaint, unless the complaint is otherwise resolved. The department may extend the period by providing advance written notice to the driver and the transportation network company setting forth good cause for an extension of the period, and specifying the duration of the extension.

(c) The department shall send notice of either a citation and notice of assessment or a citation assessing a civil penalty or the closure letter to both the transportation network company and the driver by service of process or by United States mail using a method by which delivery of such written notice to the transportation network company can be tracked and confirmed. A transportation network company may designate a mailing address of record for service, and additionally may provide an email address to which the department shall direct electronic courtesy copies of mailed correspondence, if such email address is provided.

(2) If the department's investigation finds that the driver's allegation cannot be substantiated, the department shall issue a closure letter to the driver and the transportation network company detailing such finding.

(3) If the department determines that the violation was a willful violation, and the transportation network company fails to take corrective action, the department may order the transportation network company to pay the department a

civil penalty as specified in (a) of this subsection.

(a) A citation assessing a civil penalty for a willful violation will be \$1,000 for each willful violation. For a repeat willful violator, the citation assessing a civil penalty will not be less than \$2,000 for each repeat willful violation per claimant, but no greater than \$20,000 for each repeat willful violation per claimant.

(b) The department may not issue a citation assessing a civil penalty if the transportation network company reasonably relied on: (i) A written order, ruling, approval, opinion, advice, determination, or interpretation of the director; or (ii) an interpretive or administrative policy issued by the department and filed with the office of the code reviser. In accordance with the department's retention schedule obligations under chapter 40.14 RCW, the department shall maintain a complete and accurate record of all written orders, rulings, approvals, opinions, advice, determinations, and interpretations for purposes of determining whether a transportation network company is immune from civil penalties under this subsection (3)(b).

(c) The department may, at any time, waive or reduce a civil penalty assessed under this section if the director determines that the transportation network company has taken corrective action to resolve the violation.

(d) The department shall deposit civil penalties paid under this section in the supplemental pension fund established under RCW 51.44.033.

(e) If the department determines that a transportation network company has violated section 1(12) of this act, and issues to the transportation network company a citation and notice of assessment, the department may order the transportation network company to pay all owed remittance payments as required under section 1(12) of this act. The department shall deposit all owed remittance payments in the driver resource center fund.

(4) For purposes of this section, the following definitions apply:

(a) "Repeat willful violator" means any transportation network company that has been the subject of a final and binding citation for a willful violation

of one or more rights under this chapter and all applicable rules, within three years of the date of issuance of the most recent citation for a willful violation of one or more such rights.

(b) "Willful" means a knowing and intentional action that is neither accidental nor the result of a bona fide dispute.

(5) A person, firm, or corporation aggrieved by a citation assessing a civil penalty issued by the department under this section may appeal the citation assessing a civil penalty to the director by filing a notice of appeal with the director within 30 days of the department's issuance of the citation assessing a civil penalty. A citation assessing a civil penalty not appealed within 30 days is final and binding, and not subject to further appeal.

(6) A notice of appeal filed with the director under this section stays the effectiveness of the citation assessing a civil penalty pending final review of the appeal by the director as provided for in chapter 34.05 RCW.

(7) Upon receipt of a notice of appeal, the director shall assign the hearing to an administrative law judge of the office of administrative hearings to conduct the hearing and issue an initial order. The hearing and review procedures must be conducted in accordance with chapter 34.05 RCW, and the standard of review by the administrative law judge of an appealed citation assessing a civil penalty must be de novo. Any party who seeks to challenge an initial order shall file a petition for administrative review with the director within 30 days after service of the initial order. The director shall conduct administrative review in accordance with chapter 34.05 RCW.

(8) The director shall issue all final orders after appeal of the initial order. The final order of the director is subject to judicial review in accordance with chapter 34.05 RCW.

(9) Orders that are not appealed within the period specified in this section and chapter 34.05 RCW are final and binding, and not subject to further appeal.

(10) Absent good cause, a transportation network company that fails to allow adequate inspection of records in an investigation by the

department under this section within a reasonable time period may not use such records in any appeal under such rules to challenge the correctness of any determination by the department of penalties assessed.

(11) Collections of unpaid citations assessing civil penalties will be handled pursuant to the procedures outlined in RCW 49.48.086.

(12) If the department determines that a transportation network company has violated the requirements in section 1(12) of this act to collect and remit the established fee, and issues to the transportation network company a citation and notice of assessment, the department may order the transportation network company to pay all owed remittance payments as required under section 1(12) of this act. The department shall deposit all unpaid remittance amounts into the driver resource center fund established in section 2 of this act.

NEW SECTION. **Sec. 5.** A new section is added to chapter 49.46 RCW to read as follows:

(1) It is unlawful for a transportation network company to interfere with, restrain, or deny the exercise of any driver right provided under or in connection with section 1 of this act and RCW 49.46.210(5). This means a transportation network company may not use a driver's exercise of any of the rights provided under section 1 of this act and RCW 49.46.210(5) as a factor in any action that adversely affects the driver's use of the transportation network.

(2) It is unlawful for a transportation network company to adopt or enforce any policy that counts the use of earned paid sick time for a purpose authorized under RCW 49.46.210(1) (b) and (c) as time off the platform that may lead to or result in temporary or permanent deactivation by the transportation network company against the driver.

(3) It is unlawful for a transportation network company to take any adverse action against a driver because the driver has exercised their rights provided under section 1 of this act and RCW 49.46.210(5). Such rights include, but are not limited to: Filing an action, or instituting or causing to be instituted any proceeding under or

related to section 1 of this act and RCW 49.46.210(5), or testifying or intending to testify in any such proceeding related to any rights provided under section 1 of this act and RCW 49.46.210(5).

(4) Adverse action means any action taken or threatened by a transportation network company against a driver for the driver's exercise of rights under section 1 of this act and RCW 49.46.210(5).

(5) A driver who believes that he or she was subject to retaliation by a transportation network company for the exercise of any driver right under section 1 of this act and RCW 49.46.210(5) may file a complaint with the department within 180 days of the alleged retaliatory action. The department may, at its discretion, extend the 180-day period on recognized equitable principles or because of extenuating circumstances beyond the control of the department. The department may extend the 180-day period when there is a preponderance of evidence that the transportation network company has concealed or misled the driver regarding the alleged retaliatory action.

(6) If a driver files a timely complaint with the department alleging retaliation, the department shall investigate the complaint and issue either a citation and notice of assessment or a determination of compliance within 90 days after the date on which the department received the complaint, unless the complaint is otherwise resolved. The department may extend the period by providing advance written notice to the driver and the transportation network company setting forth good cause for an extension of the period, and specifying the duration of the extension.

(7) The department may consider a complaint to be otherwise resolved when the driver and the transportation network company reach a mutual agreement to remedy any retaliatory action, or the driver voluntarily and on the driver's own initiative withdraws the complaint.

(8) If the department's investigation finds that the driver's allegation of retaliation cannot be substantiated, the department shall issue a determination of compliance to the driver and the transportation network company detailing such finding.

(9) If the department's investigation finds that the transportation network

company retaliated against the driver, and the complaint is not otherwise resolved, the department may, at its discretion, notify the transportation network company that the department intends to issue a citation and notice of assessment, and may provide up to 30 days after the date of such notification for the transportation network company to take corrective action to remedy the retaliatory action. If the complaint is not otherwise resolved, then the department shall issue a citation and notice of assessment. The department's citation and notice of assessment may:

(a) Order the transportation network company to make payable to the driver earnings that the driver did not receive due to the transportation network company's retaliatory action, including interest of one percent per month on all earnings owed. The earnings and interest owed will be calculated from the first date earnings were owed to the driver;

(b) Order the transportation network company to restore the contract of the driver, unless otherwise prohibited by law;

(c) Order the transportation network company to cease using any policy that counts the use of earned paid sick time as time off the platform or an adverse action against the driver;

(d) For the first violation, order the transportation network company to pay the department a civil penalty established in subsection (15) of this section; and

(e) For a repeat violation, order the transportation network company to pay the department up to double the civil penalty established in subsection (15) of this section.

(10) The department shall send the citation and notice of assessment or determination of compliance to both the transportation network company and driver by service of process or using a method by which the mailing can be tracked or the delivery can be confirmed to their last known addresses. A transportation network company may designate a mailing address of record for service, and additionally may provide an email address to which the department shall direct electronic courtesy copies of mailed correspondence, if such email address is provided.

(11) During an investigation of the driver's retaliation complaint, if the

department discovers information suggesting alleged violations by the transportation network company of the driver's other rights under this chapter, and all applicable rules, the department may investigate and take appropriate enforcement action without requiring the driver to file a new or separate complaint. In the event the department so expands an investigation, it shall provide reasonable notice to the transportation network company that it is doing so. If the department determines that the transportation network company violated additional rights of the driver under this chapter, and all applicable rules, the transportation network company may be subject to additional enforcement actions for the violation of such rights. If the department discovers information alleging the transportation network company retaliated against or otherwise violated rights of other drivers under this chapter, and all applicable rules, the department may launch further investigation under this chapter, and all applicable rules, without requiring additional complaints to be filed.

(12) The department may prioritize retaliation investigations as needed to allow for timely resolution of complaints.

(13) Nothing in this section impedes the department's ability to investigate under the authority prescribed in RCW 49.48.040.

(14) Nothing in this section precludes a driver's right to pursue private legal action, if any exists.

(15) If the department's investigation finds that a transportation network company retaliated against a driver, pursuant to the procedures outlined in this section, the department may order the transportation network company to pay the department a civil penalty. A civil penalty for a transportation network company's retaliatory action will not be less than \$1,000 or an amount equal to 10 percent of the total amount of unpaid earnings attributable to the retaliatory action per claimant, whichever is greater. The maximum civil penalty for a transportation network company's retaliatory action shall be \$20,000 per claimant for the first violation, and \$40,000 for each repeat violation.

(16) The department may, at any time, waive or reduce any civil penalty

assessed against a transportation network company under this section if the department determines that the transportation network company has taken corrective action to remedy the retaliatory action.

(17) The department will deposit civil penalties paid under this section in the supplemental pension fund established under RCW 51.44.033.

(18) Collections of amounts owed for unpaid citations and notices of assessment, as detailed in this section, will be handled pursuant to the procedures outlined in RCW 49.48.086.

(19) A person, firm, or corporation aggrieved by a citation and notice of assessment or a determination of compliance may, within 30 days after the date of such determination, submit a request for reconsideration to the department setting forth the grounds for seeking such reconsideration, or submit an appeal to the director pursuant to the procedures outlined in subsection (22) of this section. If the department receives a timely request for reconsideration, the department shall either accept the request or treat the request as a notice of appeal.

(20) If a request for reconsideration is accepted, the department shall send notice of the request for reconsideration to the transportation network company and the driver. The department shall determine if there are any valid reasons to reverse or modify the department's original decision to issue a citation and notice of assessment or determination of compliance within 30 days of receipt of such request. The department may extend this period by providing advance written notice to the driver and transportation network company setting forth good cause for an extension of the period, and specifying the duration of the extension. After reviewing the reconsideration, the department shall either:

(a) Notify the driver and the transportation network company that the citation and notice of assessment or determination of compliance is affirmed; or

(b) Notify the driver and the transportation network company that the citation and notice of assessment or determination of compliance has been reversed or modified.

(21) A request for reconsideration submitted to the department shall stay the effectiveness of the citation and notice of assessment or the determination of compliance pending the reconsideration decision by the department.

(22)(a) Within 30 days after the date the department issues a citation and notice of assessment or a determination of compliance, or within 30 days after the date the department issues its decision on the request for reconsideration, a person, firm, or corporation aggrieved by a citation and notice of assessment or a determination of compliance may file with the director a notice of appeal.

(b) A notice of appeal filed with the director under this section shall stay the effectiveness of the citation and notice of assessment or the determination of compliance pending final review of the appeal by the director as provided for in chapter 34.05 RCW.

(c) Upon receipt of a notice of appeal, the director shall assign the hearing to an administrative law judge of the office of administrative hearings to conduct the hearing and issue an initial order. The hearing and review procedures shall be conducted in accordance with chapter 34.05 RCW, and the standard of review by the administrative law judge of an appealed citation and notice of assessment or determination of compliance shall be de novo. Any party who seeks to challenge an initial order shall file a petition for administrative review with the director within 30 days after service of the initial order. The director shall conduct administrative review in accordance with chapter 34.05 RCW.

(23) If a request for reconsideration is not submitted to the department within 30 days after the date of the original citation and notice of assessment or determination of compliance, and a person, firm, or corporation aggrieved by a citation and notice of assessment or determination of compliance did not submit an appeal to the director, then the citation and notice of assessment or determination of compliance is final and binding, and not subject to further appeal.

(24) The director shall issue all final orders after appeal of the initial order. The final order of the director is

subject to judicial review in accordance with chapter 34.05 RCW.

(25) The director's orders that are not appealed within the time period specified in this section and chapter 34.05 RCW are final and binding, and not subject to further appeal.

(26) Absent good cause, a transportation network company that fails to allow adequate inspection of records in an investigation by the department under this section within a reasonable time period may not use such records in any appeal under such rules to challenge the correctness of any determination by the department.

PART II

PAID SICK LEAVE

Sec. 6. RCW 49.46.210 and 2019 c 236 s 3 are each amended to read as follows:

(1) Beginning January 1, 2018, except as provided in RCW 49.46.180, every employer shall provide each of its employees paid sick leave as follows:

(a) An employee shall accrue at least one hour of paid sick leave for every forty hours worked as an employee. An employer may provide paid sick leave in advance of accrual provided that such front-loading meets or exceeds the requirements of this section for accrual, use, and carryover of paid sick leave.

(b) An employee is authorized to use paid sick leave for the following reasons:

(i) An absence resulting from an employee's mental or physical illness, injury, or health condition; to accommodate the employee's need for medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; or an employee's need for preventive medical care;

(ii) To allow the employee to provide care for a family member with a mental or physical illness, injury, or health condition; care of a family member who needs medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; or care for a family member who needs preventive medical care; and

(iii) When the employee's place of business has been closed by order of a public official for any health-related reason, or when an employee's child's

school or place of care has been closed for such a reason.

(c) An employee is authorized to use paid sick leave for absences that qualify for leave under the domestic violence leave act, chapter 49.76 RCW.

(d) An employee is entitled to use accrued paid sick leave beginning on the ninetieth calendar day after the commencement of his or her employment.

(e) Employers are not prevented from providing more generous paid sick leave policies or permitting use of paid sick leave for additional purposes.

(f) An employer may require employees to give reasonable notice of an absence from work, so long as such notice does not interfere with an employee's lawful use of paid sick leave.

(g) For absences exceeding three days, an employer may require verification that an employee's use of paid sick leave is for an authorized purpose. If an employer requires verification, verification must be provided to the employer within a reasonable time period during or after the leave. An employer's requirements for verification may not result in an unreasonable burden or expense on the employee and may not exceed privacy or verification requirements otherwise established by law.

(h) An employer may not require, as a condition of an employee taking paid sick leave, that the employee search for or find a replacement worker to cover the hours during which the employee is on paid sick leave.

(i) For each hour of paid sick leave used, an employee shall be paid the greater of the minimum hourly wage rate established in this chapter or his or her normal hourly compensation. The employer is responsible for providing regular notification to employees about the amount of paid sick leave available to the employee.

(j) Unused paid sick leave carries over to the following year, except that an employer is not required to allow an employee to carry over paid sick leave in excess of forty hours.

(k) This section does not require an employer to provide financial or other reimbursement for accrued and unused paid sick leave to any employee upon the employee's termination, resignation, retirement, or other separation from

employment. When there is a separation from employment and the employee is rehired within twelve months of separation by the same employer, whether at the same or a different business location of the employer, previously accrued unused paid sick leave shall be reinstated and the previous period of employment shall be counted for purposes of determining the employee's eligibility to use paid sick leave under subsection (1)(d) of this section.

(2) For purposes of this section, "family member" means any of the following:

(a) A child, including a biological, adopted, or foster child, stepchild, or a child to whom the employee stands in loco parentis, is a legal guardian, or is a de facto parent, regardless of age or dependency status;

(b) A biological, adoptive, de facto, or foster parent, stepparent, or legal guardian of an employee or the employee's spouse or registered domestic partner, or a person who stood in loco parentis when the employee was a minor child;

(c) A spouse;

(d) A registered domestic partner;

(e) A grandparent;

(f) A grandchild; or

(g) A sibling.

(3) An employer may not adopt or enforce any policy that counts the use of paid sick leave time as an absence that may lead to or result in discipline against the employee.

(4) An employer may not discriminate or retaliate against an employee for his or her exercise of any rights under this chapter including the use of paid sick leave.

(5)(a) The definitions in this subsection apply to this subsection:

(i) "Average hourly compensation" means a driver's compensation during passenger platform time from, or facilitated by, the transportation network company, during the 365 days immediately prior to the day that paid sick time is used, divided by the total hours of passenger platform time worked by the driver on that transportation network company's driver platform during that period. "Average hourly compensation" does not include tips.

(ii) "Driver," "driver platform," "passenger platform time," and "transportation network company" have the meanings provided in section 1 of this act.

(iii) "Earned paid sick time" is the time provided by a transportation network company to a driver as calculated under this subsection. For each hour of earned paid sick time used by a driver, the transportation network company shall compensate the driver at a rate equal to the driver's average hourly compensation.

(iv) For purposes of drivers, "family member" means any of the following:

(A) A child, including a biological, adopted, or foster child, stepchild, or a child to whom the driver stands in loco parentis, is a legal guardian, or is a de facto parent, regardless of age or dependency status;

(B) A biological, adoptive, de facto, or foster parent, stepparent, or legal guardian of a driver or the driver's spouse or registered domestic partner, or a person who stood in loco parentis when the driver was a minor child;

(C) A spouse;

(D) A registered domestic partner;

(E) A grandparent;

(F) A grandchild; or

(G) A sibling.

(b) Beginning January 1, 2023, a transportation network company must provide to each driver operating on its driver platform compensation for earned paid sick time as required by this subsection and subject to the provisions of this subsection. A driver shall accrue one hour of earned paid sick time for every 40 hours of passenger platform time worked.

(c) A driver is entitled to use accrued earned paid sick time upon recording 90 hours of passenger platform time on the transportation network company's driver platform.

(d) For each hour of earned paid sick time used, a driver shall be paid the driver's average hourly compensation.

(e) A transportation network company shall establish an accessible system for drivers to request and use earned paid sick time. The system must be available

to drivers via smartphone application and online web portal.

(f) A driver may carry over up to 40 hours of unused earned paid sick time to the next calendar year. If a driver carries over unused earned paid sick time to the following year, accrual of earned paid sick time in the subsequent year must be in addition to the hours accrued in the previous year and carried over.

(g) A driver is entitled to use accrued earned paid sick time if the driver has used the transportation network company's platform as a driver within 90 calendar days preceding the driver's request to use earned paid sick time.

(h) A driver is entitled to use earned paid sick time for the following reasons:

(i) An absence resulting from the driver's mental or physical illness, injury, or health condition; to accommodate the driver's need for medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; or an employee's need for preventive medical care;

(ii) To allow the driver to provide care for a family member with a mental or physical illness, injury, or health condition; care of a family member who needs medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; or care for a family member who needs preventive medical care;

(iii) When the driver's child's school or place of care has been closed by order of a public official for any health-related reason;

(iv) For absences for which an employee would be entitled for leave under RCW 49.76.030; and

(v) During a deactivation or other status that prevents the driver from performing network services on the transportation network company's platform, unless the deactivation or status is due to a verified allegation of sexual assault or physical assault perpetrated by the driver.

(i) If a driver does not record any passenger platform time in a transportation network company's driver platform for 365 or more consecutive days, any unused earned paid sick time accrued up to that point with that transportation network company is no longer valid or recognized.

(j) Drivers may use accrued days of earned paid sick time in increments of a minimum of four or more hours. Drivers are entitled to request four or more hours of earned paid sick time for immediate use, including consecutive days of use. Drivers are not entitled to use more than eight hours of earned paid sick time within a single calendar day.

(k) A transportation network company shall compensate a driver for requested hours or days of earned paid sick time no later than 14 calendar days or the next regularly scheduled date of compensation following the requested hours or days of earned paid sick time.

(l) A transportation network company shall not request or require reasonable verification of a driver's qualifying illness except as would be permitted to be requested of an employee under subsection (1)(g) of this section. If a transportation network company requires verification pursuant to this subsection, the transportation network company must compensate the driver for the requested hours or days of earned paid sick time no later than the driver's next regularly scheduled date of compensation after satisfactory verification is provided.

(m) If a driver accepts an offer of prearranged services for compensation from a transportation network company during the four-hour period or periods for which the driver requested earned paid sick time, a transportation network company may determine that the driver did not use earned paid sick time for an authorized purpose.

(n) A transportation network company shall provide each driver with:

(i) Written notification of the current rate of average hourly compensation while a passenger is in the vehicle during the most recent calendar month for use of earned paid sick time;

(ii) An updated amount of accrued earned paid sick time since the last notification;

(iii) Reduced earned paid sick time since the last notification;

(iv) Any unused earned paid sick time available for use; and

(v) Any amount that the transportation network company may subtract from the driver's compensation for earned paid sick time. The transportation network

company shall provide this information to the driver no less than monthly. The transportation network company may choose a reasonable system for providing this notification, including but not limited to: A pay stub; a weekly summary of compensation information; or an online system where drivers can access their own earned paid sick time information. A transportation network company is not required to provide this information to a driver if the driver has not worked any days since the last notification.

(o) A transportation network company may not adopt or enforce any policy that counts the use of earned paid sick time as an absence that may lead to or result in any action that adversely affects the driver's use of the transportation network.

(p) A transportation network company may not take any action against a driver that adversely affects the driver's use of the transportation network due to his or her exercise of any rights under this subsection including the use of earned paid sick time.

(q) The department may adopt rules to implement this subsection.

NEW SECTION. Sec. 7. A new section is added to chapter 49.46 RCW to read as follows:

(1) If a driver files a complaint with the department alleging that the transportation network company failed to provide the driver with earned paid sick time as provided in RCW 49.46.210, the department shall investigate the complaint as an alleged violation of a compensation-related requirement of section 1 of this act.

(2) When the department's investigation results in a finding that the transportation network company failed to provide the driver with earned paid sick time accrual, use, or carryover during an ongoing contractual relationship, the driver may elect to:

(a) Receive full access to the balance of accrued earned paid sick time hours unlawfully withheld by the transportation network company, based on a calculation of one hour of earned paid sick time for every 40 hours of passenger platform time worked; or

(b) Receive payment from the transportation network company at their average hourly compensation for each hour

of earned paid sick time that the driver would have used or been reasonably expected to use, whichever is greater, during the period of noncompliance, not to exceed an amount the driver would have otherwise accrued. The driver will receive full access to the balance of accrued earned paid sick time unlawfully withheld by the transportation network company, less the number of earned paid sick time paid out to the driver pursuant to this subsection.

(3) For a driver whose contract with the transportation network company is terminated or who has not recorded passenger platform time on the transportation network company's driver platform for 365 days or more, when the department's investigation results in a finding that the transportation network company failed to provide the driver with earned paid sick time accrual, use, or carryover, the driver may elect to receive payment at their average hourly compensation for earned paid sick time that the driver would have earned or been reasonably expected to use, whichever is greater, during the period of noncompliance, receive reinstatement of the balance of earned paid sick time, or receive a combination of payment and reinstatement from the transportation network company for all earned paid sick time that would have accrued during the period of noncompliance, unless such reinstatement is prohibited by law.

(4) The department's notice of assessment, pursuant to RCW 49.48.083, may order the transportation network company to provide the driver any combination of reinstatement and payment of accrued, unused earned paid sick time assessed pursuant to subsection (2) or (3) of this section, unless such reinstatement is prohibited by law.

(5) For purposes of this section, a transportation network company found to be in noncompliance cannot cap the driver's carryover of earned paid sick time at 40 hours to the following year for each year of noncompliance.

(6) The department may promulgate rules and regulations in accordance with this section.

PART III

INDUSTRIAL INSURANCE

Sec. 8. RCW 51.12.020 and 2015 c 236 s 4 are each amended to read as follows:

The following are the only employments which shall not be included within the mandatory coverage of this title:

(1) Any person employed as a domestic servant in a private home by an employer who has less than two employees regularly employed forty or more hours a week in such employment.

(2) Any person employed to do gardening, maintenance, or repair, in or about the private home of the employer. For the purposes of this subsection, "maintenance" means the work of keeping in proper condition, "repair" means to restore to sound condition after damage, and "private home" means a person's place of residence.

(3) A person whose employment is not in the course of the trade, business, or profession of his or her employer and is not in or about the private home of the employer.

(4) Any person performing services in return for aid or sustenance only, received from any religious or charitable organization.

(5) Sole proprietors or partners.

(6) Any child under eighteen years of age employed by his or her parent or parents in agricultural activities on the family farm.

(7) Jockeys while participating in or preparing horses for race meets licensed by the Washington horse racing commission pursuant to chapter 67.16 RCW.

(8)(a) Except as otherwise provided in (b) of this subsection, any bona fide officer of a corporation voluntarily elected or voluntarily appointed in accordance with the articles of incorporation or bylaws of the corporation, who at all times during the period involved is also a bona fide director, and who is also a shareholder of the corporation. Only such officers who exercise substantial control in the daily management of the corporation and whose primary responsibilities do not include the performance of manual labor are included within this subsection.

(b) Alternatively, a corporation that is not a "public company" as defined in RCW 23B.01.400 may exempt eight or fewer bona fide officers, who are voluntarily elected or voluntarily appointed in accordance with the articles of incorporation or bylaws of the corporation and who exercise substantial

control in the daily management of the corporation, from coverage under this title without regard to the officers' performance of manual labor if the exempted officer is a shareholder of the corporation, or may exempt any number of officers if all the exempted officers are related by blood within the third degree or marriage. If a corporation that is not a "public company" elects to be covered under ~~((subsection (8)))~~(a) of this subsection, the corporation's election must be made on a form prescribed by the department and under such reasonable rules as the department may adopt.

(c) Determinations respecting the status of persons performing services for a corporation shall be made, in part, by reference to Title 23B RCW and to compliance by the corporation with its own articles of incorporation and bylaws. For the purpose of determining coverage under this title, substance shall control over form, and mandatory coverage under this title shall extend to all workers of this state, regardless of honorary titles conferred upon those actually serving as workers.

(d) A corporation may elect to cover officers who are exempted by this subsection in the manner provided by RCW 51.12.110.

(9) Services rendered by a musician or entertainer under a contract with a purchaser of the services, for a specific engagement or engagements when such musician or entertainer performs no other duties for the purchaser and is not regularly and continuously employed by the purchaser. A purchaser does not include the leader of a group or recognized entity who employs other than on a casual basis musicians or entertainers.

(10) Services performed by a newspaper vendor, carrier, or delivery person selling or distributing newspapers on the street, to offices, to businesses, or from house to house and any freelance news correspondent or "stringer" who, using his or her own equipment, chooses to submit material for publication for free or a fee when such material is published.

(11) Services performed by an insurance producer, as defined in RCW 48.17.010, or a surplus line broker licensed under chapter 48.15 RCW.

(12) Services performed by a booth renter. However, a person exempted under

this subsection may elect coverage under RCW 51.32.030.

(13) Members of a limited liability company, if either:

(a) Management of the company is vested in its members, and the members for whom exemption is sought would qualify for exemption under subsection (5) of this section were the company a sole proprietorship or partnership; or

(b) Management of the company is vested in one or more managers, and the members for whom the exemption is sought are managers who would qualify for exemption under subsection (8) of this section were the company a corporation.

~~(14) ((A driver providing commercial transportation services as defined in RCW 48.177.005. The driver may elect coverage in the manner provided by RCW 51.32.030.~~

~~(15))~~ For hire vehicle operators under chapter 46.72 RCW who own or lease the for hire vehicle, chauffeurs under chapter 46.72A RCW who own or lease the limousine, and operators of taxicabs under chapter 81.72 RCW who own or lease the taxicab. An owner or lessee may elect coverage in the manner provided by RCW 51.32.030.

Sec. 9. RCW 51.08.070 and 2008 c 102 s 2 are each amended to read as follows:

(1) "Employer" means any person, body of persons, corporate or otherwise, and the legal representatives of a deceased employer, all while engaged in this state in any work covered by the provisions of this title, by way of trade or business, or who contracts with one or more workers, the essence of which is the personal labor of such worker or workers. Or as an exception to the definition of employer, persons or entities are not employers when they contract or agree to remunerate the services performed by an individual who meets the tests set forth in ~~((subsections (1) through (6) of))~~ RCW 51.08.195 (1) through (6) or the separate tests set forth in RCW 51.08.181 for work performed that requires registration under chapter 18.27 RCW or licensing under chapter 19.28 RCW.

(2) Notwithstanding subsection (1) of this section, and for purposes of this title only, a transportation network company, as defined in section 1 of this act, shall have the same rights and obligations of an "employer" under this title with respect to a driver, as

defined in section 1 of this act, only while the driver is engaged in passenger platform time and dispatch platform time.

Sec. 10. RCW 51.08.180 and 2008 c 102 s 3 are each amended to read as follows:

(1) "Worker" means every person in this state who is engaged in the employment of an employer under this title, whether by way of manual labor or otherwise in the course of his or her employment; also every person in this state who is engaged in the employment of or who is working under an independent contract, the essence of which is his or her personal labor for an employer under this title, whether by way of manual labor or otherwise, in the course of his or her employment, or as an exception to the definition of worker, a person is not a worker if he or she meets the tests set forth in subsections (1) through (6) of RCW 51.08.195 or the separate tests set forth in RCW 51.08.181 for work performed that requires registration under chapter 18.27 RCW or licensing under chapter 19.28 RCW: PROVIDED, That a person is not a worker for the purpose of this title, with respect to his or her activities attendant to operating a truck which he or she owns, and which is leased to a common or contract carrier.

(2) Notwithstanding subsection (1) of this section, and for purposes of this title only, a driver, as defined in section 1 of this act, shall have the same rights and obligations of a "worker" under this title with respect to a transportation network company, as defined in section 1 of this act, only while the driver is engaged in passenger platform time and dispatch platform time.

NEW SECTION. Sec. 11. A new section is added to chapter 51.16 RCW to read as follows:

(1) Beginning January 1, 2023, the department shall assess premiums for transportation network companies, as defined in section 1 of this act, in accordance with RCW 51.16.035 and this section, for workers' compensation coverage applicable to drivers, as defined in section 1 of this act, while the driver is engaged in passenger platform time and dispatch platform time, as those terms are defined in section 1 of this act.

(2) For the purposes of calculating the premium for drivers under subsection (1) of this section, the department shall multiply the total number of hours spent

by drivers in passenger platform time and dispatch platform time on the transportation network company's driver platform by the rates established for taxicab companies. The department may subsequently adjust premiums in accordance with department rules.

(3) Transportation network companies, not qualifying as a self-insurer, shall insure with the state and shall, on or before the last day of January, April, July, and October of each year thereafter, furnish the department with a true and accurate statement of the hours for which drivers, as defined in section 1 of this act, were engaged in passenger platform time and dispatch platform time on the transportation network company's driver platform during the preceding calendar quarter and the total amount paid to such drivers engaged in passenger platform time on the transportation network company's driver platform during the preceding calendar quarter, and shall pay its premium based on the total passenger platform time and dispatch platform time to the appropriate fund. Premiums for a calendar quarter, whether reported or not, shall become due and delinquent on the day immediately following the last day of the month following the calendar quarter. The sufficiency of such statement shall be subject to the approval of the director: PROVIDED, That the director may in his or her discretion and for the effective administration of this title require a transportation network company in individual instances to furnish a supplementary report containing the name of each individual driver, his or her hours engaged in passenger platform time and dispatch platform time on the transportation network company's driver platform, and his or her compensation: PROVIDED FURTHER, That the department may promulgate rules and regulations in accordance with chapter 34.05 RCW to establish other reporting periods and payment due dates in lieu of reports and payments following each calendar quarter, and may also establish terms and conditions for payment of premiums and assessments based on estimated passenger platform time and dispatch platform time on the transportation network company's driver platform, with such payments being subject to approval as to sufficiency of the estimated passenger platform time and dispatch platform time on the transportation network company's driver platform by the department, and also

subject to appropriate periodic adjustments made by the department based on actual passenger platform time and dispatch platform time on the transportation network company's driver platform.

(4) The department may adopt rules to carry out the purposes of this section, including rules providing for alternative reporting requirements.

(5) This section does not apply to any worker who is not a driver, and who is employed by the transportation network company. For those workers the processes for determining coverage, calculating premiums, reporting requirements, reporting periods, and payment due dates are subject to the provisions of this title that apply generally to employers and workers.

Sec. 12. RCW 51.16.060 and 1985 c 315 s 1 are each amended to read as follows:

~~((Every))~~ Except as provided in section 11 of this act, every employer not qualifying as a self-insurer, shall insure with the state and shall, on or before the last day of January, April, July and October of each year thereafter, furnish the department with a true and accurate payroll for the period in which workers were employed by it during the preceding calendar quarter, the total amount paid to such workers during such preceding calendar quarter, and a segregation of employment in the different classes established pursuant to this title, and shall pay its premium thereon to the appropriate fund. Premiums for a calendar quarter, whether reported or not, shall become due and delinquent on the day immediately following the last day of the month following the calendar quarter. The sufficiency of such statement shall be subject to the approval of the director: PROVIDED, That the director may in his or her discretion and for the effective administration of this title require an employer in individual instances to furnish a supplementary report containing the name of each individual worker, his or her hours worked, his or her rate of pay and the class or classes in which such work was performed: PROVIDED FURTHER, That in the event an employer shall furnish the department with four consecutive quarterly reports wherein each such quarterly report indicates that no premium is due the department may close the account: PROVIDED FURTHER, That the department may promulgate rules and

regulations in accordance with chapter 34.05 RCW to establish other reporting periods and payment due dates in lieu of reports and payments following each calendar quarter, and may also establish terms and conditions for payment of premiums and assessments based on estimated payrolls, with such payments being subject to approval as to sufficiency of the estimated payroll by the department, and also subject to appropriate periodic adjustments made by the department based on actual payroll: AND PROVIDED FURTHER, That a temporary help company which provides workers on a temporary basis to its customers shall be considered the employer for purposes of reporting and paying premiums and assessments under this title according to the appropriate rate classifications as determined by the department: PROVIDED, That the employer shall be liable for paying premiums and assessments, should the temporary help company fail to pay the premiums and assessments under this title.

NEW SECTION. Sec. 13. A new section is added to chapter 51.04 RCW to read as follows:

(1) The application of this chapter to a transportation network company, as defined in section 1 of this act, shall not be indicative of, or considered a factor in determining, the existence of an employer-employee relationship between the transportation network company and driver for purposes of any other rights, benefits, or obligations under other state and local employment laws.

(2) A transportation network company's compliance with this chapter satisfies any obligation under any county, city, town, or other municipal corporation ordinance requiring compensation or benefits for workplace injuries or occupational disease.

PART IV

STATEWIDE REGULATORY REQUIREMENTS

NEW SECTION. Sec. 14. The purpose of this chapter is to: Provide statewide uniform regulation for transportation network companies within the state of Washington, encourage technological innovation, and preserve and enhance access to important transportation options for residents and visitors to Washington state.

NEW SECTION. Sec. 15. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Department" means the department of licensing.

(2) "Digital network" means any online-enabled application, website, or system offered or used by a transportation network company that enables the prearrangement of rides between drivers and passengers.

(3) "Director" means the director of the department of licensing.

(4) "Driver" has the meaning provided in section 1 of this act.

(5) "Network services" has the meaning provided in section 1 of this act.

(6) "Passenger" means an individual who uses a digital network to connect with a driver in order to obtain a prearranged ride in the driver's transportation network company vehicle. A person may use a digital network to request a prearranged ride on behalf of a passenger.

(7) "Prearranged ride" has the same meaning provided in RCW 48.177.005.

(8) "Transportation network company" has the meaning provided in section 1 of this act.

(9) "Transportation network company vehicle" has the same meaning as "personal vehicle" in RCW 48.177.005.

NEW SECTION. Sec. 16. (1) A transportation network company or driver is not a common carrier, motor carrier, or any other carrier as defined in RCW 81.80.010, and does not provide for hire transportation service, commuter ride sharing, taxicab, auto transportation company services, or metropolitan public transportation services pursuant to chapter 35.58, 46.72, 46.73, 81.68, or 81.72 RCW.

(2) A driver is not required to register a transportation network company vehicle as a commercial vehicle or for hire vehicle.

NEW SECTION. Sec. 17. (1) A person must first obtain a permit from the department to operate a transportation network company in Washington state, except that any transportation network company operating in the state before the effective date of this section may

continue operating until the department creates a permit process and sets a registration deadline.

(2) The department must annually issue a permit to each applicant that meets the requirements for a transportation network company as set forth in this chapter and pays an annual permit fee of \$5,000 to the department.

NEW SECTION. **Sec. 18.** Any transportation network company operating in Washington state must maintain an agent for service of process in the state.

NEW SECTION. **Sec. 19.** (1) Before a passenger enters a transportation network company vehicle, the transportation network company must provide, on behalf of the driver, either the fare for the prearranged ride or the option to receive an estimated fare for the prearranged ride.

(2) During the first seven days of a state of emergency, as declared by the governor or the president of the United States, a transportation network company may not charge a fare for transportation network company services provided to any passenger that exceeds two and one-half times the fare that would otherwise be applicable for the prearranged ride.

NEW SECTION. **Sec. 20.** A transportation network company's digital network or website must display a photograph of the driver and the license plate number of the transportation network company vehicle.

NEW SECTION. **Sec. 21.** A transportation network company must require that any motor vehicle that a transportation network company driver will use to provide prearranged rides is not more than 15 years old as determined by the model year of the vehicle.

NEW SECTION. **Sec. 22.** (1) A transportation network company must implement a zero tolerance policy regarding a driver's activities while accessing the transportation network company's digital network. The zero tolerance policy must address the use of drugs or alcohol while a driver is providing prearranged rides or is logged in to the transportation network company's digital network but is not providing prearranged rides.

(2) A transportation network company must provide notice of this policy on its

website, as well as procedures to report a complaint about a driver with whom a passenger was matched and whom the passenger reasonably suspects was under the influence of drugs or alcohol during the course of the trip.

(3) A transportation network company must maintain records relevant to the enforcement of the policy under this section for a period of at least two years from the date that a passenger complaint is received by the transportation network company.

NEW SECTION. **Sec. 23.** (1) Before allowing an individual to accept prearranged ride requests as a driver through a transportation network company's digital network and annually thereafter:

(a) The individual must submit an application to the transportation network company, which includes information regarding his or her name, address, phone number, age, driver's license number, motor vehicle registration, automobile liability insurance, and other information required by the transportation network company;

(b) The transportation network company, or a designated third party on behalf of the transportation network company, that is either nationally accredited or approved by the director, must conduct an annual local and national criminal background check for the applicant to include a review of:

(i) A multistate/multijurisdiction criminal records locator or other similar commercial nationwide database with validation; and

(ii) The United States department of justice national sex offender public website; and

(c) The transportation network company, or designated third party, must obtain and review a driving history report for the individual.

(2) A transportation network company must not permit an individual to act as a driver on its digital network who:

(a) Has had more than three moving violations in the prior three-year period, or one of the following major violations in the prior three-year period:

(i) Attempting to elude the police pursuant to RCW 46.61.024;

(ii) Reckless driving pursuant to RCW 46.61.500; or

(iii) Driving on a suspended or revoked driver's license pursuant to RCW 46.20.342 or 46.20.345;

(b) Has been convicted, within the past seven years, of:

(i) Any class A or B felony in Title 9A RCW;

(ii) Any violent offense as defined in RCW 9.94A.030 or serious violent offense as defined in RCW 9.94A.030;

(iii) Any most serious offense as defined in RCW 9.94A.030; or

(iv) Driving under the influence, hit and run, or any other driving-related crime pursuant to RCW 46.61.500 through 46.61.540;

(c) Has been convicted of any sex offense as defined in RCW 9.94A.030 or is a match in the United States department of justice national sex offender public website;

(d) Does not possess a valid driver's license;

(e) Does not possess proof of automobile liability insurance for the motor vehicle or vehicles used to provide prearranged rides;

(f) Is not at least 20 years of age; or

(g) Has not self-certified that he or she is physically and mentally fit to be a transportation network company driver.

(3)(a) Subsection (2)(a) and (b) of this section applies to any conviction of any offense committed in another jurisdiction that includes all of the elements of any of the offenses described or defined in subsection (2)(a) and (b) of this section.

(b) Any collision where the driver can demonstrate, through the account deactivation appeals process outlined in section 1(15) of this act, that he or she was not at fault for the collision, shall not be considered to be a moving violation under subsection (2)(a) of this section.

(c) For purposes of subsection (2)(a) of this section multiple moving violations shall be treated by the

transportation network company as a single moving violation if the driver can demonstrate, through the account deactivation appeals process outlined in section 1(15) of this act, that the violations arose from a single incident.

(4) A transportation network company must establish a clear background check policy consistent with this section that informs drivers of any thresholds for categories of violations and any other factors which will result in a restriction of access to the driver platform.

NEW SECTION. **Sec. 24.** A driver may not:

(1) Solicit or accept a trip request to provide network services other than a trip request arranged through a transportation network company's digital network;

(2) Provide network services for more than 14 consecutive hours in a 24-hour period; or

(3) Allow any other individual to use that driver's access to a transportation network company's digital network.

NEW SECTION. **Sec. 25.** (1) A transportation network company must adopt a policy of nondiscrimination on the basis of race, color, national origin, citizenship or immigration status, families with children, creed, religious belief or affiliation, sex, marital status, the presence of any sensory, mental, or physical disability, age, honorably discharged veteran or military status, sexual orientation, gender expression or gender identity, the use of a trained dog guide or service animal by a person with a disability, or any other protected class under RCW 49.60.010, with respect to passengers and potential passengers and notify drivers of such policy.

(2) A driver must comply with all applicable laws regarding nondiscrimination against transportation network company riders or potential riders on the basis of race, color, national origin, citizenship or immigration status, families with children, creed, religious belief or affiliation, sex, marital status, the presence of any sensory, mental, or physical disability, age, honorably discharged veteran or military status, sexual orientation, gender expression or

gender identity, or any other protected class under RCW 49.60.010.

(3) A driver must comply with all applicable laws relating to the transportation of service animals.

(4) A transportation network company may not impose additional charges for providing services to persons with disabilities because of those disabilities.

NEW SECTION. **Sec. 26.** Any safety product, feature, process, policy, standard, or other effort undertaken by a transportation network company, or the provision of equipment by a transportation network company, to further public safety is not an indicia of an employment or agency relationship with a driver.

NEW SECTION. **Sec. 27.** A transportation network company must maintain the following records:

(1) Individual trip records, except receipts pursuant to section 1(9) of this act, for at least three years from the end of the calendar year in which each trip was provided; and

(2) Individual records of drivers, except receipts pursuant to section 1(9) of this act, at least until the end of the calendar year marking the three-year anniversary of the date on which a driver's relationship with the transportation network company has ended.

NEW SECTION. **Sec. 28.** (1) For the sole purpose of verifying that a transportation network company is in compliance with the requirements of this chapter and no more than twice per year, the department may review a sample of records that the transportation network company is required to maintain under this chapter. The sample of records must be chosen randomly by the department in a manner agreeable to both parties. Any record sample furnished to the department may exclude information that would reasonably identify specific drivers or passengers.

(2) Records provided to the department for inspection under this chapter are exempt from disclosure under chapter 42.56 RCW and are confidential and not subject to disclosure to a third party by the department without prior written consent of the transportation network company.

NEW SECTION. **Sec. 29.** The uniform regulation of business and professions act, chapter 18.235 RCW, governs unlicensed practice, the issuance and denial of licenses, and the discipline of licensees under this chapter.

NEW SECTION. **Sec. 30.** The department may adopt rules consistent with and as necessary to carry out this chapter.

NEW SECTION. **Sec. 31.** (1) A transportation network company shall not, unless based upon a bona fide occupational qualification, refuse to contract with or terminate the contract of a driver based upon age, sex, marital status, sexual orientation, gender expression or gender identity, race, creed, religious belief or affiliation, color, national origin, citizenship or immigration status, families with children, honorably discharged veteran or military status, the presence of any sensory, mental, or physical disability, the use of a trained guide dog or service animal by a person with a disability, or any other protected class under RCW 49.60.010.

(2) Drivers shall have all rights and remedies available under chapter 49.60 RCW solely to enforce this section.

NEW SECTION. **Sec. 32.** (1) Except as provided in subsections (2) and (3) of this section, as of the effective date of this section, the state preempts the field of regulating transportation network companies and drivers. No county, city, town, or other municipal corporation may regulate transportation network companies or drivers, or impose any tax, fee, or other charge, on a transportation network company or driver.

(2)(a) Except as provided in (b) and (c) of this subsection, a local ordinance or regulation, in a city with a population of more than 600,000 or a county with a population of more than 2,000,000, existing on or before January 1, 2022, that imposes a tax, fee, or other charge on a transportation network company or driver, remains in effect at the rate that exists on or before January 1, 2022. The city or county may continue to collect that tax, fee, or other charge, but may not increase the amount of that tax, fee, or other charge, and may not impose any higher or new taxes, fees, or other charges. This subsection (2)(a) applies retroactively and preempts any increase in the amount of an

existing tax, fee, or other charge, or the imposition of any higher or new taxes, fees, or other charges, which occurs between January 2, 2022, and the effective date of this section.

(b) Beginning on January 1, 2023, any local ordinance or regulation, in a city or county described in (a) of this subsection, existing on or before the effective date of this section that imposed a per trip tax, fee, or other charge for which, at the time the ordinance became effective, the proceeds were to be used in part to fund a driver conflict resolution center, shall be reduced by \$0.15. The city or county may continue to collect that tax, fee, or other charge, but only at the reduced rate and may not increase the amount of that tax, fee, or other charge, and may not impose any higher or new taxes, fees, or other charges.

(c) Any per ride fee imposed by a local ordinance or regulation described in (a) of this subsection, the proceeds of which are used to offset expenses of enforcing the ordinance or regulation, may be adjusted under the following provisions:

(i) The city or county demonstrates to the satisfaction of the department that the revenues from the existing per ride fee amount are insufficient to offset the city's or county's cost from enforcement and regulation;

(ii) The total amount expected to be collected under the increased amount will not exceed the city or county's total expected costs; and

(iii) The department has not authorized an increase in the per ride fee in the last two fiscal years.

(3)(a) A local ordinance or regulation in a city with a population of more than six hundred thousand or a county with a population of more than two million, and that existed on or before January 1, 2022, that defined and regulated licensing for transportation network companies and permits for drivers, or the requirements for and processing of applications, certifications, examinations, and background checks for drivers and personal vehicles, remains in effect as the requirements exist on the effective date of this section. The county or city may continue to enforce the ordinance or regulation but may not alter, amend, or implement changes to the ordinance or regulation, or requirements under it, after January 1, 2022, except

if such alteration, amendment, or implementation conforms with the requirements of this chapter. This subsection shall apply retroactively to any alteration, amendment, or implementation which occurs between March 10, 2022, and the effective date of this section.

(b) Notwithstanding subsection (1) of this section, a local ordinance or regulation in a city with a population of more than six hundred thousand or a county with a population of more than two million, and that existed before January 1, 2022, that is related to requirements covered by sections 1 and 6 through 13 of this act are preempted as of January 1, 2023. The city may continue to enforce the local ordinance or regulation between the effective date of this section and January 1, 2023, but may not alter, amend, or implement changes to the ordinance or regulation, or requirements under it, after January 1, 2022, except if such alteration, or amendment, or implementation conforms with the requirements of this act. This subsection shall apply retroactively to any alteration, amendment, or implementation which occurs between March 10, 2022, and the effective date of this section.

(4) Nothing in this chapter shall be interpreted to prevent an airport operator, as defined in RCW 14.08.015, from requiring a transportation network company to enter into a contract or agreement, consistent with the provisions of RCW 14.08.120, governing requirements of the transportation network company on airport property including but not limited to the fees and operational requirements. An airport operator may not impose any requirements through a contract authorized by this section that relate to requirements covered by sections 1, 7, 11, and 13 of this act and RCW 49.46.210(5), 51.08.070, 51.08.180, 51.12.020, and 51.16.060.

(5) Other than taxes, fees, or other charges imposed explicitly or exclusively on a transportation network company or driver, this section does not preempt any generally applicable taxes, fees, or other charges, such as:

- (a) Business tax;
- (b) Sales and use tax;
- (c) Excise tax; or
- (d) Property tax.

Sec. 33. RCW 48.177.010 and 2015 c 236 s 2 are each amended to read as follows:

(1)(a) Before being used to provide commercial transportation services, as defined in RCW 48.177.005, every personal vehicle, as defined in RCW 48.177.005, must be covered by a primary automobile insurance policy that specifically covers commercial transportation services. However, the insurance coverage requirements of this section are alternatively satisfied by securing coverage pursuant to chapter 46.72 or 46.72A RCW that covers the personal vehicle being used to provide commercial transportation services and that is in effect twenty-four hours per day, seven days per week. Except as provided in subsection (2) of this section, a commercial transportation services provider, as defined in RCW 48.177.005, must secure this policy for every personal vehicle used to provide commercial transportation services. For purposes of this section, a "primary automobile insurance policy" is not a private passenger automobile insurance policy.

(b) The primary automobile insurance policy required under this section must provide coverage, as specified in this subsection (1)(b), at all times the driver is logged in to a commercial transportation services provider's digital network or software application and at all times a passenger is in the vehicle as part of a prearranged ride.

(i) The primary automobile insurance policy required under this subsection must provide the following coverage during commercial transportation services applicable during the period before a driver accepts a requested ride through a digital network or software application:

(A) Liability coverage in an amount no less than fifty thousand dollars per person for bodily injury, one hundred thousand dollars per accident for bodily injury of all persons, and thirty thousand dollars for damage to property;

(B) Underinsured motorist coverage to the extent required under RCW 48.22.030; and

(C) Personal injury protection coverage to the extent required under RCW 48.22.085 and 48.22.095.

(ii) The primary automobile insurance policy required under this subsection must provide the following coverage, applicable during the period of a prearranged ride:

(A) Combined single limit liability coverage in the amount of one million dollars for death, personal injury, and property damage; and

~~(B) ((Underinsured motorist coverage in the amount of one million dollars; and~~

~~(C))~~ Personal injury protection coverage to the extent required under RCW 48.22.085 and 48.22.095.

(iii) The primary automobile insurance policy required under this subsection must provide underinsured motorist coverage in the amount of \$100,000 per person, \$300,000 per accident from the moment a passenger enters the transportation network company vehicle of a driver until the passenger exits the transportation network company vehicle.

(2)(a) As an alternative to the provisions of subsection (1) of this section, ~~((if the office of the insurance commissioner approves the offering of an insurance policy that recognizes that a person is acting as a driver for a commercial transportation services provider and using a personal vehicle to provide commercial transportation services,))~~ a driver may secure a primary automobile insurance policy covering a personal vehicle and providing the same coverage as required in subsection (1) of this section from a lawful admitted or surplus lines insurer. The policy coverage may be in the form of a rider to, or endorsement of, the driver's private passenger automobile insurance policy only if approved as such by the office of the insurance commissioner.

(b) If the primary automobile insurance policy maintained by a driver to meet the obligation of this section does not provide coverage for any reason, including that the policy lapsed or did not exist, the commercial transportation services provider must provide the coverage required under this section beginning with the first dollar of a claim.

(c) The primary automobile insurance policy required under this subsection and subsection (1) of this section may be secured by any of the following:

(i) The commercial transportation services provider as provided under subsection (1) of this section;

(ii) The driver as provided under (a) of this subsection; or

(iii) A combination of both the commercial transportation services provider and the driver.

(3) The insurer or insurers providing coverage under subsections (1) and (2) of this section are the only insurers having the duty to defend any liability claim from an accident occurring while commercial transportation services are being provided.

(4) In addition to the requirements in subsections (1) and (2) of this section, before allowing a person to provide commercial transportation services as a driver, a commercial transportation services provider must provide written proof to the driver that the driver is covered by a primary automobile insurance policy that meets the requirements of this section. Alternatively, if a driver purchases a primary automobile insurance policy as allowed under subsection (2) of this section, the commercial transportation services provider must verify that the driver has done so.

(5) A primary automobile insurance policy required under subsection (1) or (2) of this section may be placed with an insurer licensed under this title to provide insurance in the state of Washington or as an eligible surplus line insurance policy as described in RCW 48.15.040, or through a surplus lines insurer that meets the financial requirements as described in RCW 48.15.090 and follows the procurement procedures of RCW 48.15.040.

(6) Insurers that write automobile insurance in Washington may exclude any and all coverage afforded under a private passenger automobile insurance policy issued to an owner or operator of a personal vehicle for any loss or injury that occurs while a driver for a commercial transportation services provider is logged in to a commercial transportation services provider's digital network or while a driver provides a prearranged ride. This right to exclude all coverage may apply to any coverage included in a private passenger automobile insurance policy including, but not limited to:

(a) Liability coverage for bodily injury and property damage;

(b) Personal injury protection coverage;

(c) Underinsured motorist coverage;

(d) Medical payments coverage;

(e) Comprehensive physical damage coverage; and

(f) Collision physical damage coverage.

(7) Nothing in this section shall be construed to require a private passenger automobile insurance policy to provide primary or excess coverage or a duty to defend for the period of time in which a driver is logged in to a commercial transportation services provider's digital network or software application or while the driver is engaged in a prearranged ride or the driver otherwise uses a vehicle to transport passengers for compensation.

(8) Insurers that exclude coverage under subsection (6) of this section have no duty to defend or indemnify any claim expressly excluded under subsection (6) of this section. Nothing in this section shall be deemed to invalidate or limit an exclusion contained in a policy, including any policy in use or approved for use in Washington state before July 24, 2015, that excludes coverage for vehicles used to carry persons or property for a charge or available for hire by the public.

(9) An exclusion exercised by an insurer in subsection (6) of this section applies to any coverage selected or rejected by a named insured under RCW 48.22.030 and 48.22.085. The purchase of a rider or endorsement by a driver under subsection (2)(a) of this section does not require a separate coverage rejection under RCW 48.22.030 or 48.22.085.

(10) If more than one insurance policy provides valid and collectible coverage for a loss arising out of an occurrence involving a motor vehicle operated by a driver, the responsibility for the claim must be divided as follows:

(a) Except as provided otherwise under subsection (2)(c) of this section, if the driver has been matched with a passenger and is traveling to pick up the passenger, or the driver is providing services to a passenger, the commercial transportation services provider that

matched the driver and passenger must provide insurance coverage; or

(b) If the driver is logged in to the digital network or software application of more than one commercial transportation services provider but has not been matched with a passenger, the liability must be divided equally among all of the applicable insurance policies that specifically provide coverage for commercial transportation services.

(11) In an accident or claims coverage investigation, a commercial transportation services provider or its insurer must cooperate with a private passenger automobile insurance policy insurer and other insurers that are involved in the claims coverage investigation to facilitate the exchange of information, including the provision of (a) dates and times at which an accident occurred that involved a participating driver and (b) within ten business days after receiving a request, a copy of the provider's electronic record showing the precise times that the participating driver logged on and off the provider's digital network or software application on the day the accident or other loss occurred. The commercial transportation services provider or its insurer must retain all data, communications, or documents related to insurance coverage or accident details for a period of not less than the applicable statutes of limitation, plus two years from the date of an accident to which those records pertain.

(12) This section does not modify or abrogate any otherwise applicable insurance requirement set forth in this title.

(13) After July 1, 2016, an insurance company regulated under this title may not deny an otherwise covered claim arising exclusively out of the personal use of the private passenger automobile solely on the basis that the insured, at other times, used the private passenger automobile covered by the policy to provide commercial transportation services.

(14) If an insurer for a commercial transportation services provider makes a payment for a claim covered under comprehensive coverage or collision coverage, the commercial transportation services provider must cause its insurer to issue the payment directly to the business repairing the vehicle or jointly

to the owner of the vehicle and the primary lienholder on the covered vehicle.

(15)(a) To be eligible for securing a primary automobile insurance policy under this section, a commercial transportation services provider must make the following disclosures to a prospective driver in the prospective driver's terms of service:

WHILE OPERATING ON THE DIGITAL NETWORK OR SOFTWARE APPLICATION OF THE COMMERCIAL TRANSPORTATION SERVICES PROVIDER, YOUR PRIVATE PASSENGER AUTOMOBILE INSURANCE POLICY MIGHT NOT AFFORD LIABILITY, UNDERINSURED MOTORIST, PERSONAL INJURY PROTECTION, COMPREHENSIVE, OR COLLISION COVERAGE, DEPENDING ON THE TERMS OF THE POLICY.

IF THE VEHICLE THAT YOU PLAN TO USE TO PROVIDE COMMERCIAL TRANSPORTATION SERVICES FOR OUR COMPANY HAS A LIEN AGAINST IT, YOU MUST NOTIFY THE LIENHOLDER THAT YOU WILL BE USING THE VEHICLE FOR COMMERCIAL TRANSPORTATION SERVICES THAT MAY VIOLATE THE TERMS OF YOUR CONTRACT WITH THE LIENHOLDER.

(b) The prospective driver must acknowledge the terms of service electronically or by signature.

NEW SECTION. Sec. 34. (1) The commissioner for the employment security department shall commence a work group of stakeholders, comprised of equal representation of industry and labor, to study the appropriate application of Titles 50, 50A, and 50B RCW on transportation network companies and drivers in this state.

(2) No later than December 1, 2022, and in compliance with RCW 43.01.036, the commissioner must submit a report to the governor and the legislature on findings and suggested changes to state law to establish applicable rates and terms by which transportation network companies and drivers participate in relevant state run programs established pursuant to Titles 50, 50A, and 50B RCW.

NEW SECTION. Sec. 35. RCW 48.177.010 is recodified as a section in chapter 46.--- RCW (the new chapter created in section 36 of this act).

NEW SECTION. Sec. 36. Sections 14 through 32 of this act constitute a new chapter in Title 46 RCW.

NEW SECTION. Sec. 37. (1) Sections 8 through 13 of this act (related to

industrial insurance) take effect January 1, 2023.

(2) Sections 17 and 28 of this act (related to the department of licensing) take effect March 1, 2023."

On page 1, line 2 of the title, after "companies;" strike the remainder of the title and insert "amending RCW 49.46.210, 51.12.020, 51.08.070, 51.08.180, 51.16.060, and 48.177.010; adding new sections to chapter 49.46 RCW; adding a new section to chapter 51.16 RCW; adding a new section to chapter 51.04 RCW; adding a new chapter to Title 46 RCW; creating a new section; recodifying RCW 48.177.010; and providing effective dates."

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House concurred in the Senate amendment to ENGROSSED SUBSTITUTE HOUSE BILL NO. 2076 and advanced the bill, as amended by the Senate, to final passage.

FINAL PASSAGE OF HOUSE BILL AS SENATE AMENDED

Representative Berry spoke in favor of the passage of the bill.

Representative Hoff spoke against the passage of the bill.

The Speaker (Representative Orwall presiding) stated the question before the House to be the final passage of Engrossed Substitute House Bill No. 2076, as amended by the Senate.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 2076, as amended by the Senate, and the bill passed the House by the following vote: Yeas, 56; Nays, 42; Absent, 0; Excused, 0.

Voting yea: Representatives Bateman, Berg, Bergquist, Berry, Bronoske, Callan, Chapman, Chopp, Cody, Davis, Dolan, Donaghy, Duerr, Fey, Fitzgibbon, Frame, Goodman, Gregerson, Hackney, Hansen, Harris-Talley, J. Johnson, Kirby, Kloba, Leavitt, Lekanoff, Macri, Morgan, Ormsby, Ortiz-Self, Orwall, Paul, Peterson, Pollet, Ramel, Ramos, Riccelli, Rule, Ryu, Santos, Sells, Senn, Shewmake, Simmons, Slatter, Springer, Stonier, Sullivan, Taylor, Thai, Tharinger, Valdez, Walen, Wicks, Wylie and Mme. Speaker.

Voting nay: Representatives Abbarno, Barkis, Boehnke, Caldwell, Chambers, Chandler, Chase, Corry, Dent, Dufault, Dye, Entenman, Eslick, Gilday, Goehner, Graham, Griffey,

Harris, Hoff, Jacobsen, Klicker, Klippert, Kraft, Kretz, MacEwen, Maycumber, McCaslin, McEntire, Mosbrucker, Orcutt, Robertson, Rude, Schmick, Steele, Stokesbary, Sutherland, Vick, Volz, Walsh, Wilcox, Ybarra and Young.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2076, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 3, 2022

Madame Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1099 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 36.70A.020 and 2021 c 254 s 1 are each amended to read as follows:

The following goals are adopted to guide the development and adoption of comprehensive plans and development regulations of those counties and cities that are required or choose to plan under RCW 36.70A.040 and, where specified, also guide the development of regional policies, plans, and strategies adopted under RCW 36.70A.210 and chapter 47.80 RCW. The following goals are not listed in order of priority and shall be used exclusively for the purpose of guiding the development of comprehensive plans (~~and~~), development regulations, and, where specified, regional plans, policies, and strategies:

(1) Urban growth. Encourage development in urban areas where adequate public facilities and services exist or can be provided in an efficient manner.

(2) Reduce sprawl. Reduce the inappropriate conversion of undeveloped land into sprawling, low-density development.

(3) Transportation. Encourage efficient multimodal transportation systems that are based on regional priorities and coordinated with county and city comprehensive plans.

(4) Housing. Plan for and accommodate housing affordable to all economic segments of the population of this state, promote a variety of residential densities and housing types, and encourage preservation of existing housing stock.

(5) Economic development. Encourage economic development throughout the state that is consistent with adopted comprehensive plans, promote economic opportunity for all citizens of this state, especially for unemployed and for disadvantaged persons, promote the retention and expansion of existing businesses and recruitment of new businesses, recognize regional differences impacting economic development opportunities, and encourage growth in areas experiencing insufficient economic growth, all within the capacities of the state's natural resources, public services, and public facilities.

(6) Property rights. Private property shall not be taken for public use without just compensation having been made. The property rights of landowners shall be protected from arbitrary and discriminatory actions.

(7) Permits. Applications for both state and local government permits should be processed in a timely and fair manner to ensure predictability.

(8) Natural resource industries. Maintain and enhance natural resource-based industries, including productive timber, agricultural, and fisheries industries. Encourage the conservation of productive forestlands and productive agricultural lands, and discourage incompatible uses.

(9) Open space and recreation. Retain open space, enhance recreational opportunities, conserve fish and wildlife habitat, increase access to natural resource lands and water, and develop parks and recreation facilities.

(10) Environment. Protect the environment and enhance the state's high quality of life, including air and water quality, and the availability of water.

(11) Citizen participation and coordination. Encourage the involvement of citizens in the planning process, including the participation of vulnerable populations and overburdened communities, and ensure coordination between communities and jurisdictions to reconcile conflicts.

(12) Public facilities and services. Ensure that those public facilities and services necessary to support development shall be adequate to serve the development at the time the development is available for occupancy

and use without decreasing current service levels below locally established minimum standards.

(13) Historic preservation. Identify and encourage the preservation of lands, sites, and structures, that have historical or archaeological significance.

(14) Environmental Resiliency. Ensure that comprehensive plans, development regulations, and regional policies, plans, and strategies under RCW 36.70A.210 and chapter 47.80 RCW, address and plan to create systems to address jurisdictional needs for resilience to changing conditions including, but not limited to, wildfire, drought, flooding, air quality, other natural hazards, and protect and enhance environmental, economic, and human health and safety.

Sec. 2. RCW 36.70A.480 and 2010 c 107 s 2 are each amended to read as follows:

(1) For shorelines of the state, the goals and policies of the shoreline management act as set forth in RCW 90.58.020 are added as one of the goals of this chapter as set forth in RCW 36.70A.020 without creating an order of priority among the (~~fourteen~~) 15 goals. The goals and policies of a shoreline master program for a county or city approved under chapter 90.58 RCW shall be considered an element of the county or city's comprehensive plan. All other portions of the shoreline master program for a county or city adopted under chapter 90.58 RCW, including use regulations, shall be considered a part of the county or city's development regulations.

(2) The shoreline master program shall be adopted pursuant to the procedures of chapter 90.58 RCW rather than the goals, policies, and procedures set forth in this chapter for the adoption of a comprehensive plan or development regulations.

(3)(a) The policies, goals, and provisions of chapter 90.58 RCW and applicable guidelines shall be the sole basis for determining compliance of a shoreline master program with this chapter except as the shoreline master program is required to comply with the internal consistency provisions of RCW 36.70A.070, 36.70A.040(4), 35.63.125, and 35A.63.105.

(b) Except as otherwise provided in (c) of this subsection, development

regulations adopted under this chapter to protect critical areas within shorelines of the state apply within shorelines of the state until the department of ecology approves one of the following: A comprehensive master program update, as defined in RCW 90.58.030; a segment of a master program relating to critical areas, as provided in RCW 90.58.090; or a new or amended master program approved by the department of ecology on or after March 1, 2002, as provided in RCW 90.58.080. The adoption or update of development regulations to protect critical areas under this chapter prior to department of ecology approval of a master program update as provided in this subsection is not a comprehensive or segment update to the master program.

(c)(i) Until the department of ecology approves a master program or segment of a master program as provided in (b) of this subsection, a use or structure legally located within shorelines of the state that was established or vested on or before the effective date of the local government's development regulations to protect critical areas may continue as a conforming use and may be redeveloped or modified if: (A) The redevelopment or modification is consistent with the local government's master program; and (B) the local government determines that the proposed redevelopment or modification will result in no net loss of shoreline ecological functions. The local government may waive this requirement if the redevelopment or modification is consistent with the master program and the local government's development regulations to protect critical areas.

(ii) For purposes of this subsection (3)(c), an agricultural activity that does not expand the area being used for the agricultural activity is not a redevelopment or modification. "Agricultural activity," as used in this subsection (3)(c), has the same meaning as defined in RCW 90.58.065.

(d) Upon department of ecology approval of a shoreline master program or critical area segment of a shoreline master program, critical areas within shorelines of the state are protected under chapter 90.58 RCW and are not subject to the procedural and substantive requirements of this chapter, except as provided in subsection (6) of this section. Nothing in chapter 321, Laws of 2003 or chapter 107, Laws of 2010 is intended to affect whether or to what

extent agricultural activities, as defined in RCW 90.58.065, are subject to chapter 36.70A RCW.

(e) The provisions of RCW 36.70A.172 shall not apply to the adoption or subsequent amendment of a local government's shoreline master program and shall not be used to determine compliance of a local government's shoreline master program with chapter 90.58 RCW and applicable guidelines. Nothing in this section, however, is intended to limit or change the quality of information to be applied in protecting critical areas within shorelines of the state, as required by chapter 90.58 RCW and applicable guidelines.

(4) Shoreline master programs shall provide a level of protection to critical areas located within shorelines of the state that assures no net loss of shoreline ecological functions necessary to sustain shoreline natural resources as defined by department of ecology guidelines adopted pursuant to RCW 90.58.060.

(5) Shorelines of the state shall not be considered critical areas under this chapter except to the extent that specific areas located within shorelines of the state qualify for critical area designation based on the definition of critical areas provided by RCW 36.70A.030(~~((5))~~) (6) and have been designated as such by a local government pursuant to RCW 36.70A.060(2).

(6) If a local jurisdiction's master program does not include land necessary for buffers for critical areas that occur within shorelines of the state, as authorized by RCW 90.58.030(2)(~~((f))~~) (d), then the local jurisdiction shall continue to regulate those critical areas and their required buffers pursuant to RCW 36.70A.060(2).

Sec. 3. RCW 36.70A.070 and 2021 c 254 s 2 are each amended to read as follows:

The comprehensive plan of a county or city that is required or chooses to plan under RCW 36.70A.040 shall consist of a map or maps, and descriptive text covering objectives, principles, and standards used to develop the comprehensive plan. The plan shall be an internally consistent document and all elements shall be consistent with the future land use map. A comprehensive plan shall be adopted and amended with public participation as provided in RCW

36.70A.140. Each comprehensive plan shall include a plan, scheme, or design for each of the following:

(1) A land use element designating the proposed general distribution and general location and extent of the uses of land, where appropriate, for agriculture, timber production, housing, commerce, industry, recreation, open spaces, general aviation airports, public utilities, public facilities, and other land uses. The land use element shall include population densities, building intensities, and estimates of future population growth. The land use element shall provide for protection of the quality and quantity of groundwater used for public water supplies. The land use element must give special consideration to achieving environmental justice in its goals and policies, including efforts to avoid creating or worsening environmental health disparities. Wherever possible, the land use element should consider utilizing urban planning approaches that promote physical activity. Where applicable, the land use element shall review drainage, flooding, and stormwater runoff in the area and nearby jurisdictions and provide guidance for corrective actions to mitigate or cleanse those discharges that pollute waters of the state, including Puget Sound or waters entering Puget Sound. The land use element must reduce and mitigate the risk to lives and property posed by wildfires by using land use planning tools, which may include, but are not limited to, appropriate development standards for residential development in the wildland urban interface area, creating open space buffers between human development and wildfire-prone landscapes, and protecting existing residential development through community wildfire preparedness and fire adaptation measures.

(2) A housing element ensuring the vitality and character of established residential neighborhoods that:

(a) Includes an inventory and analysis of existing and projected housing needs that identifies the number of housing units necessary to manage projected growth, as provided by the department of commerce, including:

(i) Units for moderate, low, very low, and extremely low-income households; and

(ii) Emergency housing, emergency shelters, and permanent supportive housing;

(b) Includes a statement of goals, policies, objectives, and mandatory provisions for the preservation, improvement, and development of housing, including single-family residences, and within an urban growth area boundary, moderate density housing options including ~~(+,+)~~, but not limited to, duplexes, triplexes, and townhomes;

(c) Identifies sufficient capacity of land for housing including, but not limited to, government-assisted housing, housing for moderate, low, very low, and extremely low-income households, manufactured housing, multifamily housing, group homes, foster care facilities, emergency housing, emergency shelters, permanent supportive housing, and within an urban growth area boundary, consideration of duplexes, triplexes, and townhomes;

(d) Makes adequate provisions for existing and projected needs of all economic segments of the community, including:

(i) Incorporating consideration for low, very low, extremely low, and moderate-income households;

(ii) Documenting programs and actions needed to achieve housing availability including gaps in local funding, barriers such as development regulations, and other limitations;

(iii) Consideration of housing locations in relation to employment location; and

(iv) Consideration of the role of accessory dwelling units in meeting housing needs;

(e) Identifies local policies and regulations that result in racially disparate impacts, displacement, and exclusion in housing, including:

(i) Zoning that may have a discriminatory effect;

(ii) Disinvestment; and

(iii) Infrastructure availability;

(f) Identifies and implements policies and regulations to address and begin to undo racially disparate impacts, displacement, and exclusion in housing caused by local policies, plans, and actions;

(g) Identifies areas that may be at higher risk of displacement from market forces that occur with changes to zoning development regulations and capital investments; and

(h) Establishes antidisplacement policies, with consideration given to the preservation of historical and cultural communities as well as investments in low, very low, extremely low, and moderate-income housing; equitable development initiatives; inclusionary zoning; community planning requirements; tenant protections; land disposition policies; and consideration of land that may be used for affordable housing.

In counties and cities subject to the review and evaluation requirements of RCW 36.70A.215, any revision to the housing element shall include consideration of prior review and evaluation reports and any reasonable measures identified. The housing element should link jurisdictional goals with overall county goals to ensure that the housing element goals are met.

(3) A capital facilities plan element consisting of: (a) An inventory of existing capital facilities owned by public entities, including green infrastructure, showing the locations and capacities of the capital facilities; (b) a forecast of the future needs for such capital facilities; (c) the proposed locations and capacities of expanded or new capital facilities; (d) at least a six-year plan that will finance such capital facilities within projected funding capacities and clearly identifies sources of public money for such purposes; and (e) a requirement to reassess the land use element if probable funding falls short of meeting existing needs and to ensure that the land use element, capital facilities plan element, and financing plan within the capital facilities plan element are coordinated and consistent. Park and recreation facilities shall be included in the capital facilities plan element.

(4) A utilities element consisting of the general location, proposed location, and capacity of all existing and proposed utilities, including, but not limited to, components of drinking water, stormwater, wastewater, electrical (~~lines~~), telecommunications (~~lines~~), and natural gas (~~lines~~) systems.

(5) Rural element. Counties shall include a rural element including lands

that are not designated for urban growth, agriculture, forest, or mineral resources. The following provisions shall apply to the rural element:

(a) Growth management act goals and local circumstances. Because circumstances vary from county to county, in establishing patterns of rural densities and uses, a county may consider local circumstances, but shall develop a written record explaining how the rural element harmonizes the planning goals in RCW 36.70A.020 and meets the requirements of this chapter.

(b) Rural development. The rural element shall permit rural development, forestry, and agriculture in rural areas. The rural element shall provide for a variety of rural densities, uses, essential public facilities, and rural governmental services needed to serve the permitted densities and uses. To achieve a variety of rural densities and uses, counties may provide for clustering, density transfer, design guidelines, conservation easements, and other innovative techniques that will accommodate appropriate rural economic advancement, densities, and uses that are not characterized by urban growth and that are consistent with rural character.

(c) Measures governing rural development. The rural element shall include measures that apply to rural development and protect the rural character of the area, as established by the county, by:

(i) Containing or otherwise controlling rural development;

(ii) Assuring visual compatibility of rural development with the surrounding rural area;

(iii) Reducing the inappropriate conversion of undeveloped land into sprawling, low-density development in the rural area;

(iv) Protecting critical areas, as provided in RCW 36.70A.060, and surface water and groundwater resources; and

(v) Protecting against conflicts with the use of agricultural, forest, and mineral resource lands designated under RCW 36.70A.170.

(d) Limited areas of more intensive rural development. Subject to the requirements of this subsection and except as otherwise specifically provided in this subsection (5)(d), the

rural element may allow for limited areas of more intensive rural development, including necessary public facilities and public services to serve the limited area as follows:

(i) Rural development consisting of the infill, development, or redevelopment of existing commercial, industrial, residential, or mixed-use areas, whether characterized as shoreline development, villages, hamlets, rural activity centers, or crossroads developments.

(A) A commercial, industrial, residential, shoreline, or mixed-use area are subject to the requirements of (d)(iv) of this subsection, but are not subject to the requirements of (c)(ii) and (iii) of this subsection.

(B) Any development or redevelopment other than an industrial area or an industrial use within a mixed-use area or an industrial area under this subsection (5)(d)(i) must be principally designed to serve the existing and projected rural population.

(C) Any development or redevelopment in terms of building size, scale, use, or intensity shall be consistent with the character of the existing areas. Development and redevelopment may include changes in use from vacant land or a previously existing use so long as the new use conforms to the requirements of this subsection (5);

(ii) The intensification of development on lots containing, or new development of, small-scale recreational or tourist uses, including commercial facilities to serve those recreational or tourist uses, that rely on a rural location and setting, but that do not include new residential development. A small-scale recreation or tourist use is not required to be principally designed to serve the existing and projected rural population. Public services and public facilities shall be limited to those necessary to serve the recreation or tourist use and shall be provided in a manner that does not permit low-density sprawl;

(iii) The intensification of development on lots containing isolated nonresidential uses or new development of isolated cottage industries and isolated small-scale businesses that are not principally designed to serve the existing and projected rural population and nonresidential uses, but do provide

job opportunities for rural residents. Rural counties may allow the expansion of small-scale businesses as long as those small-scale businesses conform with the rural character of the area as defined by the local government according to RCW 36.70A.030(23). Rural counties may also allow new small-scale businesses to utilize a site previously occupied by an existing business as long as the new small-scale business conforms to the rural character of the area as defined by the local government according to RCW 36.70A.030(23). Public services and public facilities shall be limited to those necessary to serve the isolated nonresidential use and shall be provided in a manner that does not permit low-density sprawl;

(iv) A county shall adopt measures to minimize and contain the existing areas or uses of more intensive rural development, as appropriate, authorized under this subsection. Lands included in such existing areas or uses shall not extend beyond the logical outer boundary of the existing area or use, thereby allowing a new pattern of low-density sprawl. Existing areas are those that are clearly identifiable and contained and where there is a logical boundary delineated predominately by the built environment, but that may also include undeveloped lands if limited as provided in this subsection. The county shall establish the logical outer boundary of an area of more intensive rural development. In establishing the logical outer boundary, the county shall address (A) the need to preserve the character of existing natural neighborhoods and communities, (B) physical boundaries, such as bodies of water, streets and highways, and land forms and contours, (C) the prevention of abnormally irregular boundaries, and (D) the ability to provide public facilities and public services in a manner that does not permit low-density sprawl;

(v) For purposes of (d) of this subsection, an existing area or existing use is one that was in existence:

(A) On July 1, 1990, in a county that was initially required to plan under all of the provisions of this chapter;

(B) On the date the county adopted a resolution under RCW 36.70A.040(2), in a county that is planning under all of the provisions of this chapter under RCW 36.70A.040(2); or

(C) On the date the office of financial management certifies the county's population as provided in RCW 36.70A.040(5), in a county that is planning under all of the provisions of this chapter pursuant to RCW 36.70A.040(5).

(e) Exception. This subsection shall not be interpreted to permit in the rural area a major industrial development or a master planned resort unless otherwise specifically permitted under RCW 36.70A.360 and 36.70A.365.

(6) A transportation element that implements, and is consistent with, the land use element.

(a) The transportation element shall include the following subelements:

(i) Land use assumptions used in estimating travel;

(ii) Estimated traffic impacts to state-owned transportation facilities resulting from land use assumptions to assist the department of transportation in monitoring the performance of state facilities, to plan improvements for the facilities, and to assess the impact of land-use decisions on state-owned transportation facilities;

(iii) Facilities and services needs, including:

(A) An inventory of air, water, and ground transportation facilities and services, including transit alignments, active transportation facilities, and general aviation airport facilities, to define existing capital facilities and travel levels ~~((as a basis for))~~ to inform future planning. This inventory must include state-owned transportation facilities within the city or county's jurisdictional boundaries;

(B) Level of service standards for all locally owned arterials ~~((and))~~, locally and regionally operated transit routes that serve urban growth areas, state-owned or operated transit routes that serve urban areas if the department of transportation has prepared such standards, and active transportation facilities to serve as a gauge to judge performance of the system and success in helping to achieve the goals of this chapter consistent with environmental justice. These standards should be regionally coordinated;

(C) For state-owned transportation facilities, level of service standards

for highways, as prescribed in chapters 47.06 and 47.80 RCW, to gauge the performance of the system. The purposes of reflecting level of service standards for state highways in the local comprehensive plan are to monitor the performance of the system, to evaluate improvement strategies, and to facilitate coordination between the county's or city's six-year street, road, active transportation, or transit program and the office of financial management's ten-year investment program. The concurrency requirements of (b) of this subsection do not apply to transportation facilities and services of statewide significance except for counties consisting of islands whose only connection to the mainland are state highways or ferry routes. In these island counties, state highways and ferry route capacity must be a factor in meeting the concurrency requirements in (b) of this subsection;

(D) Specific actions and requirements for bringing into compliance ~~((locally owned))~~ transportation facilities or services that are below an established level of service standard;

(E) Forecasts of ~~((traffic))~~ multimodal transportation demand and needs within cities and urban growth areas, and forecasts of traffic demand and needs outside of cities and urban growth areas, for at least ten years based on the adopted land use plan to ~~((provide information on the location, timing, and capacity needs of future growth))~~ inform the development of a transportation element that balances transportation system safety and convenience to accommodate all users of the transportation system to safely, reliably, and efficiently provide access and mobility to people and goods;

(F) Identification of state and local system needs to equitably meet current and future demands. Identified needs on state-owned transportation facilities must be consistent with the statewide multimodal transportation plan required under chapter 47.06 RCW. Local system needs should reflect the regional transportation system, local goals, and strive to equitably implement the multimodal network;

(iv) Finance, including:

(A) An analysis of funding capability to judge needs against probable funding resources;

(B) A multiyear financing plan based on the needs identified in the comprehensive plan, the appropriate parts of which shall serve as the basis for the six-year street, road, or transit program required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems. The multiyear financing plan should be coordinated with the ten-year investment program developed by the office of financial management as required by RCW 47.05.030;

(C) If probable funding falls short of meeting identified needs, a discussion of how additional funding will be raised, or how land use assumptions will be reassessed to ensure that level of service standards will be met;

(v) Intergovernmental coordination efforts, including an assessment of the impacts of the transportation plan and land use assumptions on the transportation systems of adjacent jurisdictions;

(vi) Demand-management strategies;

(vii) ~~((Pedestrian and bicycle))~~ Active transportation component to include collaborative efforts to identify and designate planned improvements for ~~((pedestrian and bicycle))~~ active transportation facilities and corridors that address and encourage enhanced community access and promote healthy lifestyles.

(b) After adoption of the comprehensive plan by jurisdictions required to plan or who choose to plan under RCW 36.70A.040, local jurisdictions must adopt and enforce ordinances which prohibit development approval if the development causes the level of service on a locally owned transportation facility to decline below the standards adopted in the transportation element of the comprehensive plan, unless transportation improvements or strategies to accommodate the impacts of development are made concurrent with the development. These strategies may include active transportation facility improvements, increased or enhanced public transportation service, ride-sharing programs, demand management, and other transportation systems management strategies. For the purposes of this subsection (6), "concurrent with the development" means that improvements or strategies are in place at the time of

development, or that a financial commitment is in place to complete the improvements or strategies within six years. If the collection of impact fees is delayed under RCW 82.02.050(3), the six-year period required by this subsection (6)(b) must begin after full payment of all impact fees is due to the county or city. If it is possible to provide for the transportation needs of a development through active transportation facility improvements, increased or enhanced public transportation service, ride-sharing programs, demand management, or other transportation systems management strategies funded by the development, a development approval may not be denied because it fails to meet traffic level of service standards.

(c) The transportation element described in this subsection (6), the six-year plans required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems, and the ten-year investment program required by RCW 47.05.030 for the state, must be consistent.

(7) An economic development element establishing local goals, policies, objectives, and provisions for economic growth and vitality and a high quality of life. A city that has chosen to be a residential community is exempt from the economic development element requirement of this subsection.

(8) A park and recreation element that implements, and is consistent with, the capital facilities plan element as it relates to park and recreation facilities. The element shall include: (a) Estimates of park and recreation demand for at least a ten-year period; (b) an evaluation of facilities and service needs; and (c) an evaluation of intergovernmental coordination opportunities to provide regional approaches for meeting park and recreational demand.

(9)(a) A resiliency element designed to address environmental related problems specific to the jurisdiction. These problems may include but are not limited to limiting damage from wildfires, sea level rise, addressing air quality issues, designing transportation systems that balance the needs of the jurisdiction and its people as well as environmental impacts.

(b)(i) The resiliency subelement must equitably enhance resiliency to, and avoid or substantially reduce the adverse impacts of, climate change in human communities and ecological systems through goals, policies, and programs consistent with the best available science and scientifically credible climate projections and impact scenarios that moderate or avoid harm, enhance the resiliency of natural and human systems, and enhance beneficial opportunities. The resiliency subelement must prioritize actions in overburdened communities as defined in chapter 70A.02 RCW that will disproportionately suffer from compounding environmental impacts and will be most impacted by natural hazards due to extreme weather events. Specific goals, policies, and programs of the resiliency subelement must include, but are not limited to, those designed to:

(A) Identify, protect, and enhance natural areas to foster resiliency to changing conditions, as well as areas of vital habitat for safe passage and species migration;

(B) Identify, protect, and enhance community resiliency to climate change impacts, including social, economic, and built factors, that support adaptation to changing conditions consistent with environmental justice; and

(C) Address natural hazards created or aggravated by extreme weather events, including sea level rise, landslides, flooding, drought, heat, smoke, wildfire, and other effects of changes to temperature and precipitation patterns.

(ii) A natural hazard mitigation plan or similar plan that is guided by RCW 36.70A.020(14), that prioritizes actions in overburdened communities as defined in RCW 70A.02.010, and that complies with the applicable requirements of this chapter, including the requirements set forth in this subsection (9)(b), may be adopted by reference to satisfy these requirements, except that to the extent any of the substantive requirements of this subsection (9)(b) are not addressed, or are inadequately addressed, in the referenced natural hazard mitigation plan, a county or city must supplement the natural hazard mitigation plan accordingly so that the adopted resiliency subelement complies fully with the substantive requirements of this subsection (9)(b).

(A) If a county or city intends to adopt by reference a federal emergency management agency natural hazard mitigation plan in order to meet all or part of the substantive requirements set forth in this subsection (9)(b), and the most recently adopted federal emergency management agency natural hazard mitigation plan does not comply with the requirements of this subsection (9)(b), the department may grant the county or city an extension of time in which to submit a natural hazard mitigation plan.

(B) Eligibility for an extension under this subsection prior to July 1, 2027, is limited to a city or county required to review and, if needed, revise its comprehensive plan on or before June 30, 2025, as provided in RCW 36.70A.130, or for a city or county with an existing, unexpired federal emergency management agency natural hazard mitigation plan scheduled to expire before December 31, 2024.

(C) Extension requests after July 1, 2027, may be granted if requirements for the resiliency subelement are amended or added by the legislature or if the department finds other circumstances that may result in a potential finding of noncompliance with a jurisdiction's existing and approved federal emergency management agency natural hazard mitigation plan.

(D) A city or county that wishes to request an extension of time must submit a request in writing to the department no later than the date on which the city or county is required to review and, if needed, revise its comprehensive plan as provided in RCW 36.70A.130.

(E) Upon the submission of such a request to the department, the city or county may have an additional 48 months from the date provided in RCW 36.70A.130 in which to either adopt by reference an updated federal emergency management agency natural hazard mitigation plan or adopt its own natural hazard mitigation plan, and to then submit that plan to the department.

(F) No later than 48 months from the date provided in RCW 36.70A.130, the city or county must adopt a natural hazard mitigation plan that complies with this subsection (9)(b).

(10) It is the intent that new or amended elements required after January 1, 2002, be adopted concurrent with the scheduled update provided in RCW

36.70A.130. Requirements to incorporate any such new or amended elements shall be null and void until funds sufficient to cover applicable local government costs are appropriated and distributed by the state at least two years before local government must update comprehensive plans as required in RCW 36.70A.130.

Sec. 4. RCW 36.70A.190 and 1991 sp.s. c 32 s 3 are each amended to read as follows:

(1) The department shall establish a program of technical and financial assistance and incentives to counties and cities to encourage and facilitate the adoption and implementation of comprehensive plans and development regulations throughout the state.

(2) The department shall develop a priority list and establish funding levels for planning and technical assistance grants both for counties and cities that plan under RCW 36.70A.040. Priority for assistance shall be based on a county's or city's population growth rates, commercial and industrial development rates, the existence and quality of a comprehensive plan and development regulations, ~~((and other relevant factors))~~ presence of overburdened communities, and other relevant factors. The department shall establish funding levels for grants to community-based organizations for the specific purpose of advancing participation of vulnerable populations and overburdened communities in the planning process.

(3) The department shall develop and administer a grant program to provide direct financial assistance to counties and cities for the preparation of comprehensive plans under this chapter. The department may establish provisions for county and city matching funds to conduct activities under this subsection. Grants may be expended for any purpose directly related to the preparation of a county or city comprehensive plan as the county or city and the department may agree, including, without limitation, the conducting of surveys, inventories and other data gathering and management activities, the retention of planning consultants, contracts with regional councils for planning and related services, and other related purposes.

(4) The department shall establish a program of technical assistance:

(a) Utilizing department staff, the staff of other state agencies, and the technical resources of counties and cities to help in the development of comprehensive plans required under this chapter. The technical assistance may include, but not be limited to, model land use ordinances, regional education and training programs, and information for local and regional inventories; and

(b) Adopting by rule procedural criteria to assist counties and cities in adopting comprehensive plans and development regulations that meet the goals and requirements of this chapter. These criteria shall reflect regional and local variations and the diversity that exists among different counties and cities that plan under this chapter.

(5) The department shall provide mediation services to resolve disputes between counties and cities regarding, among other things, coordination of regional issues and designation of urban growth areas.

(6) The department shall provide planning grants to enhance citizen participation under RCW 36.70A.140.

(7) The department shall develop, in collaboration with the department of ecology, the department of fish and wildlife, the department of natural resources, the department of health, the emergency management division of the military department, as well as any federally recognized tribe who chooses to voluntarily participate, and adopt by rule guidance that creates a model resiliency element that may be used by counties, cities, and multiple-county planning regions for developing and implementing climate change and resiliency plans and policies required by RCW 36.70A.070(9), subject to the following provisions:

(a) The model element must establish minimum requirements, and may include model options or voluntary cross-jurisdictional strategies, or both, for fulfilling the requirements of RCW 36.70A.070(9);

(b) The model element should provide guidance on identifying, designing, and investing in infrastructure that supports community resilience to extreme weather events, including the protection, restoration, and enhancement of natural infrastructure as well as traditional infrastructure and protecting and enhancing natural areas to

foster resiliency to changing conditions, as well as areas of vital habitat for safe passage and species migration;

(c) The model element should provide guidance on identifying and addressing natural hazards created or aggravated by changing conditions, including sea level rise, landslides, flooding, drought, heat, smoke, wildfires, and other effects of reasonably anticipated changes to temperature and precipitation patterns;

(d) The rule must recognize and promote as many cobenefits of climate resiliency as possible such as salmon recovery, forest health, ecosystem services, and socioeconomic health and resilience; and

(e) The model element must not be required but may be implemented by any jurisdiction.

NEW SECTION. Sec. 5. A new section is added to chapter 90.58 RCW to read as follows:

The department shall update its shoreline master program guidelines to require shoreline master programs to address the impact of sea level rise and increased storm severity on people, property, and shoreline natural resources and the environment.

Sec. 6. RCW 36.70A.030 and 2021 c 254 s 6 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Adopt a comprehensive land use plan" means to enact a new comprehensive land use plan or to update an existing comprehensive land use plan.

(2) "Affordable housing" means, unless the context clearly indicates otherwise, residential housing whose monthly costs, including utilities other than telephone, do not exceed thirty percent of the monthly income of a household whose income is:

(a) For rental housing, sixty percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development; or

(b) For owner-occupied housing, eighty percent of the median household income adjusted for household size, for the county where the household is located, as

reported by the United States department of housing and urban development.

(3) "Agricultural land" means land primarily devoted to the commercial production of horticultural, viticultural, floricultural, dairy, apiary, vegetable, or animal products or of berries, grain, hay, straw, turf, seed, Christmas trees not subject to the excise tax imposed by RCW 84.33.100 through 84.33.140, finfish in upland hatcheries, or livestock, and that has long-term commercial significance for agricultural production.

(4) "City" means any city or town, including a code city.

(5) "Comprehensive land use plan," "comprehensive plan," or "plan" means a generalized coordinated land use policy statement of the governing body of a county or city that is adopted pursuant to this chapter.

(6) "Critical areas" include the following areas and ecosystems: (a) Wetlands; (b) areas with a critical recharging effect on aquifers used for potable water; (c) fish and wildlife habitat conservation areas; (d) frequently flooded areas; and (e) geologically hazardous areas. "Fish and wildlife habitat conservation areas" does not include such artificial features or constructs as irrigation delivery systems, irrigation infrastructure, irrigation canals, or drainage ditches that lie within the boundaries of and are maintained by a port district or an irrigation district or company.

(7) "Department" means the department of commerce.

(8) "Development regulations" or "regulation" means the controls placed on development or land use activities by a county or city, including, but not limited to, zoning ordinances, critical areas ordinances, shoreline master programs, official controls, planned unit development ordinances, subdivision ordinances, and binding site plan ordinances together with any amendments thereto. A development regulation does not include a decision to approve a project permit application, as defined in RCW 36.70B.020, even though the decision may be expressed in a resolution or ordinance of the legislative body of the county or city.

(9) "Emergency housing" means temporary indoor accommodations for

individuals or families who are homeless or at imminent risk of becoming homeless that is intended to address the basic health, food, clothing, and personal hygiene needs of individuals or families. Emergency housing may or may not require occupants to enter into a lease or an occupancy agreement.

(10) "Emergency shelter" means a facility that provides a temporary shelter for individuals or families who are currently homeless. Emergency shelter may not require occupants to enter into a lease or an occupancy agreement. Emergency shelter facilities may include day and warming centers that do not provide overnight accommodations.

(11) "Extremely low-income household" means a single person, family, or unrelated persons living together whose adjusted income is at or below thirty percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development.

(12) "Forestland" means land primarily devoted to growing trees for long-term commercial timber production on land that can be economically and practically managed for such production, including Christmas trees subject to the excise tax imposed under RCW 84.33.100 through 84.33.140, and that has long-term commercial significance. In determining whether forestland is primarily devoted to growing trees for long-term commercial timber production on land that can be economically and practically managed for such production, the following factors shall be considered: (a) The proximity of the land to urban, suburban, and rural settlements; (b) surrounding parcel size and the compatibility and intensity of adjacent and nearby land uses; (c) long-term local economic conditions that affect the ability to manage for timber production; and (d) the availability of public facilities and services conducive to conversion of forestland to other uses.

(13) "Freight rail dependent uses" means buildings and other infrastructure that are used in the fabrication, processing, storage, and transport of goods where the use is dependent on and makes use of an adjacent short line railroad. Such facilities are both urban and rural development for purposes of this chapter. "Freight rail dependent uses" does not include buildings and

other infrastructure that are used in the fabrication, processing, storage, and transport of coal, liquefied natural gas, or "crude oil" as defined in RCW 90.56.010.

(14) "Geologically hazardous areas" means areas that because of their susceptibility to erosion, sliding, earthquake, or other geological events, are not suited to the siting of commercial, residential, or industrial development consistent with public health or safety concerns.

(15) "Long-term commercial significance" includes the growing capacity, productivity, and soil composition of the land for long-term commercial production, in consideration with the land's proximity to population areas, and the possibility of more intense uses of the land.

(16) "Low-income household" means a single person, family, or unrelated persons living together whose adjusted income is at or below eighty percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development.

(17) "Minerals" include gravel, sand, and valuable metallic substances.

(18) "Moderate-income household" means a single person, family, or unrelated persons living together whose adjusted income is at or below 120 percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development.

(19) "Permanent supportive housing" is subsidized, leased housing with no limit on length of stay that prioritizes people who need comprehensive support services to retain tenancy and utilizes admissions practices designed to use lower barriers to entry than would be typical for other subsidized or unsubsidized rental housing, especially related to rental history, criminal history, and personal behaviors. Permanent supportive housing is paired with on-site or off-site voluntary services designed to support a person living with a complex and disabling behavioral health or physical health condition who was experiencing homelessness or was at imminent risk of homelessness prior to moving into housing to retain their housing and be a

successful tenant in a housing arrangement, improve the resident's health status, and connect the resident of the housing with community-based health care, treatment, or employment services. Permanent supportive housing is subject to all of the rights and responsibilities defined in chapter 59.18 RCW.

(20) "Public facilities" include streets, roads, highways, sidewalks, street and road lighting systems, traffic signals, domestic water systems, storm and sanitary sewer systems, parks and recreational facilities, and schools.

(21) "Public services" include fire protection and suppression, law enforcement, public health, education, recreation, environmental protection, and other governmental services.

(22) "Recreational land" means land so designated under RCW 36.70A.1701 and that, immediately prior to this designation, was designated as agricultural land of long-term commercial significance under RCW 36.70A.170. Recreational land must have playing fields and supporting facilities existing before July 1, 2004, for sports played on grass playing fields.

(23) "Rural character" refers to the patterns of land use and development established by a county in the rural element of its comprehensive plan:

(a) In which open space, the natural landscape, and vegetation predominate over the built environment;

(b) That foster traditional rural lifestyles, rural-based economies, and opportunities to both live and work in rural areas;

(c) That provide visual landscapes that are traditionally found in rural areas and communities;

(d) That are compatible with the use of the land by wildlife and for fish and wildlife habitat;

(e) That reduce the inappropriate conversion of undeveloped land into sprawling, low-density development;

(f) That generally do not require the extension of urban governmental services; and

(g) That are consistent with the protection of natural surface water flows and groundwater and surface water recharge and discharge areas.

(24) "Rural development" refers to development outside the urban growth area and outside agricultural, forest, and mineral resource lands designated pursuant to RCW 36.70A.170. Rural development can consist of a variety of uses and residential densities, including clustered residential development, at levels that are consistent with the preservation of rural character and the requirements of the rural element. Rural development does not refer to agriculture or forestry activities that may be conducted in rural areas.

(25) "Rural governmental services" or "rural services" include those public services and public facilities historically and typically delivered at an intensity usually found in rural areas, and may include domestic water systems, fire and police protection services, transportation and public transit services, and other public utilities associated with rural development and normally not associated with urban areas. Rural services do not include storm or sanitary sewers, except as otherwise authorized by RCW 36.70A.110(4).

(26) "Short line railroad" means those railroad lines designated class II or class III by the United States surface transportation board.

(27) "Urban governmental services" or "urban services" include those public services and public facilities at an intensity historically and typically provided in cities, specifically including storm and sanitary sewer systems, domestic water systems, street cleaning services, fire and police protection services, public transit services, and other public utilities associated with urban areas and normally not associated with rural areas.

(28) "Urban growth" refers to growth that makes intensive use of land for the location of buildings, structures, and impermeable surfaces to such a degree as to be incompatible with the primary use of land for the production of food, other agricultural products, or fiber, or the extraction of mineral resources, rural uses, rural development, and natural resource lands designated pursuant to RCW 36.70A.170. A pattern of more intensive rural development, as provided in RCW 36.70A.070(5)(d), is not urban growth. When allowed to spread over wide areas, urban growth typically requires urban

governmental services. "Characterized by urban growth" refers to land having urban growth located on it, or to land located in relationship to an area with urban growth on it as to be appropriate for urban growth.

(29) "Urban growth areas" means those areas designated by a county pursuant to RCW 36.70A.110.

(30) "Very low-income household" means a single person, family, or unrelated persons living together whose adjusted income is at or below fifty percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development.

(31) "Wetland" or "wetlands" means areas that are inundated or saturated by surface water or groundwater at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions. Wetlands generally include swamps, marshes, bogs, and similar areas. Wetlands do not include those artificial wetlands intentionally created from nonwetland sites, including, but not limited to, irrigation and drainage ditches, grass-lined swales, canals, detention facilities, wastewater treatment facilities, farm ponds, and landscape amenities, or those wetlands created after July 1, 1990, that were unintentionally created as a result of the construction of a road, street, or highway. Wetlands may include those artificial wetlands intentionally created from nonwetland areas created to mitigate conversion of wetlands.

(32) "Active transportation" means forms of pedestrian mobility including walking or running, the use of a mobility assistive device such as a wheelchair, bicycling and cycling irrespective of the number of wheels, and the use of small personal devices such as foot scooters or skateboards. Active transportation includes both traditional and electric assist bicycles and other devices. Planning for active transportation must consider and address accommodation pursuant to the Americans with disabilities act and the distinct needs of each form of active transportation.

(33) "Transportation system" means all infrastructure and services for all forms

of transportation within a geographical area, irrespective of the responsible jurisdiction or transportation provider.

(34) "Environmental justice" means the fair treatment and meaningful involvement of all people regardless of race, color, national origin, or income with respect to development, implementation, and enforcement of environmental laws, regulations, and policies; with a focus on the equitable distribution of resources, benefits, and burdens in a manner that prioritizes communities that experience the greatest inequities, disproportionate impacts, and have the greatest unmet needs.

(35) "Active transportation facilities" means facilities provided for the safety and mobility of active transportation users including, but not limited to, trails, as defined in RCW 47.30.005, sidewalks, bike lanes, shared-use paths, and other facilities in the public right-of-way.

(36) "Greenspace" means an area of land, vegetated by natural features such as grass, trees, or shrubs, within an urban context and less than one acre in size that creates public value through one or more of the following attributes:

- (a) Is accessible to the public;
 - (b) Promotes physical and mental health of residents;
 - (c) Provides relief from the urban heat island effects;
 - (d) Promotes recreational and aesthetic values;
 - (e) Protects streams or water supply;
- or
- (f) Preserves visual quality along highway, road, or street corridors.

(37) "Green infrastructure" means a wide array of natural assets, built structures, and management practices at multiple scales that manage wet weather and that maintain and restore natural hydrology by storing, infiltrating, evapotranspiring, and harvesting and using stormwater.

Sec. 7. RCW 86.12.200 and 1991 c 322 s 3 are each amended to read as follows:

The county legislative authority of any county may adopt a comprehensive flood control management plan for any drainage basin that is located wholly or partially within the county.

A comprehensive flood control management plan shall include the following elements:

(1) Designation of areas that are susceptible to periodic flooding, from inundation by bodies of water or surface water runoff, or both, including the river's meander belt or floodway;

(2) Establishment of a comprehensive scheme of flood control protection and improvements for the areas that are subject to such periodic flooding, that includes: (a) Determining the need for, and desirable location of, flood control improvements to protect or preclude flood damage to structures, works, and improvements, based upon a cost/benefit ratio between the expense of providing and maintaining these improvements and the benefits arising from these improvements; (b) establishing the level of flood protection that each portion of the system of flood control improvements will be permitted; (c) identifying alternatives to in-stream flood control work; (d) identifying areas where flood waters could be directed during a flood to avoid damage to buildings and other structures; and (e) identifying sources of revenue that will be sufficient to finance the comprehensive scheme of flood control protection and improvements;

(3) Establishing land use regulations that preclude the location of structures, works, or improvements in critical portions of such areas subject to periodic flooding, including a river's meander belt or floodway, and permitting only flood-compatible land uses in such areas;

(4) Establishing restrictions on construction activities in areas subject to periodic floods that require the flood proofing of those structures that are permitted to be constructed or remodeled; ((and))

(5) Establishing restrictions on land clearing activities and development practices that exacerbate flood problems by increasing the flow or accumulation of flood waters, or the intensity of drainage, on low-lying areas. Land clearing activities do not include forest practices as defined in chapter 76.09 RCW; and

(6) Consideration of changing conditions, including the impact of sea level rise and increased storm severity on people, property, natural resources, and the environment.

A comprehensive flood control management plan shall be subject to the minimum requirements for participation in the national flood insurance program, requirements exceeding the minimum national flood insurance program that have been adopted by the department of ecology for a specific floodplain pursuant to RCW 86.16.031, and rules adopted by the department of ecology pursuant to RCW 86.26.050 relating to floodplain management activities. When a county plans under chapter 36.70A RCW, it may incorporate the portion of its comprehensive flood control management plan relating to land use restrictions in its comprehensive plan and development regulations adopted pursuant to chapter 36.70A RCW.

NEW SECTION. **Sec. 8.** (1) The obligation of local governments to comply with the requirements established in the updated shoreline master program guidelines adopted pursuant to section 5 of this act, is contingent on the provision of state funding to local governments for the specific purpose of complying with these requirements.

(2) The obligation of local governments to comply with the requirements established in: (a) The amendments to RCW 36.70A.070 set forth in this act; and (b) the updated shoreline master program guidelines adopted pursuant to section 5 of this act, takes effect two years after the date the legislature appropriates state funding to provide to local governments for the purpose of complying with these requirements.

NEW SECTION. **Sec. 9.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2022, in the omnibus appropriations act, this act is null and void."

On page 1, line 2 of the title, after "framework;" strike the remainder of the title and insert "amending RCW 36.70A.020, 36.70A.480, 36.70A.070, 36.70A.190, 36.70A.030, and 86.12.200; adding a new section to chapter 90.58 RCW; and creating new sections."

and the same is herewith transmitted.

RESOLUTION

HOUSE RESOLUTION NO. 2022-4666, by Representatives Jinkins, Wilcox, Abbarno, Barkis, Bateman, Berg, Bergquist, Berry, Boehnke, Bronoske, Caldier, Callan, Chambers, Chandler, Chapman, Chase, Chopp, Cody, Corry, Davis, Dent, Dolan, Donaghy, Duerr, Dye, Entenman, Eslick, Fey, Fitzgibbon, Frame, Gilday, Goehner, Goodman, Graham, Gregerson, Griffey, Hackney, Hansen, Harris, Harris-Talley, Hoff, Jacobsen, J. Johnson, Kirby, Klicker, Klippert, Kloba, Kraft, Kretz, Leavitt, Lekanoff, MacEwen, Macri, Maycumber, McCaslin, McEntire, Morgan, Mosbrucker, Orcutt, Ormsby, Ortiz-Self, Orwall, Paul, Peterson, Pollet, Ramel, Ramos, Riccelli, Robertson, Rude, Rule, Ryu, Santos, Schmick, Sells, Senn, Shewmake, Simmons, Slater, Springer, Steele, Stokesbary, Stonier, Sullivan, Sutherland, Taylor, Thai, Tharinger, Valdez, Vick, Volz, Walen, Walsh, Wicks, Wylie, Ybarra, and Young

WHEREAS, Representative Jeremie J. Dufault was born and raised in Yakima where his family has lived and farmed in the Yakima Valley for nearly a century; and

WHEREAS, He graduated from A.C. Davis High School in Yakima in 1996; and

WHEREAS, Dufault graduated from the University of Pennsylvania, earned a Juris Doctorate degree from Harvard Law School, and graduated from the United States Army Judge Advocate General School at the University of Virginia; and

WHEREAS, He served during wartime in Kuwait and Afghanistan; and

WHEREAS, Dufault is a Lieutenant Colonel in the United States Army Reserve and serves as a Judge Advocate General's (JAG) Corps military lawyer; and

WHEREAS, He is an investor and real estate developer specializing in senior, student, and family housing; and

WHEREAS, Dufault has been committed to public service having served on the Selah City Council, chair of the Yakima County Veterans Board, a member of the Yakima County Economic Development Board, and chair of the Yakima Valley Technical Skills Center General Advisory Council; and

WHEREAS, He is active in his community, including American Legion Selah Post 88 and the Veterans of Foreign Wars; and

WHEREAS, Dufault was elected to the first of two terms in the Washington State House of Representatives in 2018 to represent the 15th Legislative District; and

WHEREAS, He serves as assistant ranking member of the House Finance and Consumer Protection and Business Committees, respectively; and

WHEREAS, Dufault has worked tirelessly for the people, employers, institutions, projects, and communities of the 15th Legislative District, specifically promoting legislation that expanded mental health care capacity, provided housing and services for homeless veterans, and invested in schools, parks, youth programs, and roads in Yakima County; and

WHEREAS, He has fought for constitutional rights, property rights, lower taxes, and transparency in government; and

WHEREAS, Dufault is the loving father of three daughters – Ellie, Lulu, and Addy – whose health, happiness, and prosperity are his top priority;

NOW, THEREFORE, BE IT RESOLVED, That the Washington State House of Representatives recognize Dufault's record of public service, both in and out of this chamber, on behalf of his district, his colleagues, and the people of the State of Washington.

Representatives Chandler, Valdez, Corry and Leavitt spoke in favor of the adoption of the resolution.

There being no objection, HOUSE RESOLUTION NO. 4666 was adopted.

There being no objection, the House adjourned until 10:00 a.m., March 8, 2022, the 58th Legislative Day of the Regular Session.

LAURIE JINKINS, Speaker

BERNARD DEAN, Chief Clerk

SIXTY SEVENTH LEGISLATURE - REGULAR SESSION

FIFTY EIGHTH DAY

MESSAGE FROM THE SENATE

March 4, 2022

Mme. SPEAKER:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1736, with the following amendment(s):

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. (1) The legislature finds that college students continue to borrow in order to fund their higher education, despite an increase in access to state financial aid. In Washington state, estimates for the number of borrowers carrying student loan debt are around 800,000 with an average balance around \$33,500, resulting in a total outstanding balance of \$29,400,000,000. Student loan debt

outpaces other sources of consumer debt, such as credit card and vehicle debt. While research shows that earning a postsecondary credential positively impacts a person's earning potential, high student loan debt erodes much of this benefit.

(2) The legislature recognizes that people with student loan debt are less likely to get married and start a family, establish small businesses, and buy homes. High student loan debt negatively impacts a person's credit score and their debt-to-income ratio, which impacts their ability to qualify for a mortgage. However, student loan debt does not impact all borrowers the same.

(3) Student loan borrowers who struggle the most are typically lower income, first generation, and students of color. Data from the national center for education statistics of a 12-year longitudinal study based on students who began their education in the 2003-04 academic year found the following for students who defaulted: Almost 90 percent had received a Pell grant at one point; 70 percent were first generation college students; 40 percent were in the bottom quarter of income distribution; and 30 percent were African American.

(4) The legislature recognizes though that student loans are beneficial for students who have no other way to pay for college or have expenses beyond tuition and fees. Student loans can open up postsecondary education opportunities for many and help boost the state's economy by increasing the number of qualified graduates to fulfill workforce shortages. However, the legislature finds that high interest rates that accumulate while the student is in college negatively impact the student's ability to prosper financially and contribute to the state's economy after graduation. The legislature also recognizes that there is very little financial aid available to assist students pursuing graduate studies, despite the state's high demand for qualified professionals in fields with workforce shortages such as behavioral health, nursing, software development, teaching, and more. Therefore, the legislature intends to support students pursuing higher education by establishing a state student loan program that is more affordable than direct federal student loans and private loans. The legislature intends to offer student
